"Second To None: The History of the NASCAR Busch Series; NASCAR's Busch Series has always been about racing hard and having fun doing it. In the two decades since it grew out of the long-running Late Model Sportsman Series the Busch circuit has become famous as a training ground for future Winston Cup stars like Jeff Gordon Mark Martin Bobby Labonte and Dale Earnhardt Jr. But the Busch Series has also established its own tradition of ultra-competitive racing and colorful drivers. The series has fostered some legendary rivalries starting with Sam Ard and Jack Ingram in its earliest years and continuing with more recent grudge matches between Dale Earnhardt Jr. and Matt Kenseth. And despite the fierce competition on the track the Busch Series has also earned a reputation as a friendlier less corporate circuit than the Winston tour one in which the community of drivers teams and fans still resembles an extended -- though often fractious -- family. When someone in that community unexpectedly misses a race competitors will often call their home or shop to see that everything is OK. Until now no single source has told the full story of the Busch Series from its origins to the present day. Second to None traces the beginnings of the series in the Sportsman class and reviews every season from 1982-2000.; ['Sports & Recreation'], "

"Hot Lesbian Erotica; Tristan Taormino the biggest name in lesbian erotica picks 22 tales of lesbian desire of searing heat. Lust love strip down strap-on - it's all here. "Gotham Central Vol. 1: In the Line of Duty (Batman); Covering genres from action/adventure and fantasy to horror science fiction and superheroes this guide maps the vast and expanding terrain of graphic novels describing and organizing titles as well as providing information that will help librarians to build and balance their graphic novel collections and direct patrons to read-alikes. • Introduces users to approximately 1000 currently popular graphic novels and manga • Organizes titles by genre subgenre and theme to facilitate finding read-alikes • Helps librarians build and balance their graphic novel collections; ['Language Arts & Disciplines'],"

"Writing with Confidence: Writing Effective Sentences and Paragraphs (7th Edition); This reader-friendly sixth edition of Composing with Confidence focuses on the writing of paragraphs and essays within the composing process. Readers are guided step by step through the process but are provided with options in prewriting discovery outlining and predicting. Each chapter in the unit on the rhetorical modes offers academic and professional model paragraphs and essays along with a well-wrought paragraph assignment an optional essay writing assignment and at least five alternative assignments. A new chapter Writing on the Job offers instruction in and models of a job application letter a risumi and two memos. A repeated feature offers practice in summarizing paraphrasing quoting and arranging material from outside sources. And two new features Blueprints for Writing and Unit Summaries offer quick visual summaries of the most important points of the chapter or unit. A full unit on sentence-level issues of grammar and mechanics offers instruction in only those skills that are needed to make writing clear and grammatically correct. Each chapter in the unit ends with two ""Editing for Mastery"" exercises. ""Tips"" boxes and ""If Your First Language Is Not English"" boxes also provide short specific and practical advice. The book retains its most popular feature: fast-paced high-interest continuous discourse materials that makes it fun to read and work with. For those interested in developing their writing skills at the paragraph to essay level.; ['Language Arts & Disciplines'],"

"Tinnitus: A Self-Management Guide for the Ringing in Your Ears; Written by professionals with extensive clinical and research experience. The book provides the reader with a comprehensive resource integrating educational material with practical information on how to effectively design and implement a tailor-made approach to managing tinnitus and related difficulties. Up-to-date coverage of a range of psychological techniques that have been selected on the basis on recent scientific research is presented. Practical exercises and detailed monitoring forms are included to record home practice and to assess progress and methods to maintain gains in the long-term are provided as well. Tinnitus: A Self Management Guide for the Ringing in Your Ears provides a comprehensive self-help program to managing tinnitus (""ringing in the ears"") and

related difficulties (e.g. low mood stress anxiety poor sleep). The aim of this book is to provide a comprehensive self-help program for people with tinnitus ("ringing in the ears"). The book provides a resource integrating educational materials with pragmatic information on how to effectively implement a tailor-made approach to managing tinnitus. It consists of up-to-date coverage of a range of psychological techniques as well as step-by-step instruction in each of the specific techniques to assist the reader in designing and implementing a program to manage their tinnitus and associated difficulties. These techniques when practiced daily will change the way a person thinks about and responds to their tinnitus and in time the tinnitus will be perceived to be less of a problem. Jane L. Henry is a Senior Lecturer in Psychology and Director of the Psychology Clinic at the University of New south Wales Sydney Australia Dr. Henry has co-authored a book titled Psychological Management of Tinnitus: A Cognitive-Behavioral Approach (2001) published by Allyn & Bacon. Peter H. Wilson is a Professor of Psychology at Southern Cross University in New South Wales Australia. Until recently he was Professor of Psychology at Flinders University of South Australia where he was director of the clinical psychology program between 1991 and 1999 and Head of Psychology (1997-1999). Professor Wilson has co-author a book titled Psychological Management of Tinnitus: A Cognitive-Behavioral Approach (2001) published by Allyn & Bacon.; ['Education'],

"Engineer-In-Training: Civil Review 2nd Edition; Of all the PE exams more people take the civil than any other discipline. The eight-hour open-book multiple-choice exam is given every April and October. The exam format is breadth-and-depth -- all examinees are tested on the breadth of civil engineering in the morning session; in the afternoon they select one of five specialties to be tested on in-depth. Our civil PE books are current with the exam; they reflect the new format and they reference all the same codes used on the exam. Quick Reference which facilitates finding formulas during the exam; and subject-specific reviews on the complex areas of bridge and timber design. -- Organizes all important formulas for fast access during the exam -- Corresponds to topics in the Civil Engineering Reference Manual 8th ed.; ['Reference'],

"City Life; In City Life Witold Rybczynski bestselling author of Now I Sit Me Down looks at what we want from cities how they have evolved and what accounts for their unique identities. "Reminiscences of the Civil War; GENERAL JOHN B. GORDON'S last work was the publishing of his "Reminiscences of the Civil War." This volume written in his vigorous style and broad patriotic spirit has been most favorably received and read all over the country. Since his death this memorial edition is brought out; and it is appropriate that an additional introduction should accompany it somewhat in the shape of a biographical

sketch. General John Brown Gordon was an all-round great man--a valiant and distinguished soldier an eminent statesman a great orator an author of merit and a public-spirited and useful citizen. He was born in Upson County Georgia February 6 1832. His father was the Rev. Zachary Herndon Gordon. The family was of Scotch extraction and its members fought in the Revolutionary War. He received his education at the university of his native State and by profession was a lawyer. At the breaking out of the war in 1861 he enlisted as a private soldier and was elected captain of his company. His career was perhaps as brilliant as that of any officer in the Confederate army. In rapid succession he filled every grade--that of Major Lieutenant-Colonel Colonel Brigadier-General Major-General and near the end was assigned to duty as Lieutenant-General (by authority of the Secretary of War) and while he never received the commission in regular form he commanded at the surrender at Appomattox one half of the Army of Northern Virginia under Robert E. Lee. At the close of the war he had earned the reputation of being perhaps the most conspicuous and personally valiant officer surviving and the one generally regarded as most promising and competent for increased rank and larger command. His imposing and magnificent soldierly bearing coupled with his splendid ringing voice and far-reaching oratory made him the ""White-plumed Knight of our Southland"" and the ""Chevalier Bayard of the Confederate Army.""" He had the God-given talent of getting in front of his troops and in a few magnetic appeals inspiring them almost to madness and being able to lead them into the jaws of death. This was notably done at Fredericksburg and again on the 12th of May at the battle of Spottsylvania Court House. He greatly distinguished himself on many bloody fields. I mention now as most prominent the battles of Seven Pines Sharpsburg or Antietam the Wilderness Spottsylvania Court House Cedar Creek Petersburg and Appomattox. At Sharpsburg he was wounded five times but would not leave his troops till the last shot laid him helpless and insensible on the field. A scholarly professor of history in one of our Southern universities recently stated that in his study of the great war on both sides he had found but one prominent general who when he was in command or when he led a charge had never been defeated or repulsed and that general was John B. Gordon.; ['Confederate States of America'],  
"Courting Disaster: An Angie Amalfi Mystery; This twelfth culinary mystery from Joanne Pence has everything a mystery reader could ever want: romance intrigue and of course murder. Loveable amateur sleuth and budding chef Angie Amalfi continues her adventures in this exciting addition to a popular series. Dilettante chef and amateur sleuth Angie Amalfi is at it again in another culinary mystery in this successful series. Angie has reluctantly agreed to let her mother plan the party to celebrate her engagement to Paavo her hunky detective beau. But as she frets over whether her mom will pull it off a new situation surfaces-- Stan her next door neighbour falls for a mysterious pregnant woman and gets in over his head. With stalkers baby-smuggling and of course murder in the days leading up to the party Angie must concentrate on solving a complicated crime and reluctantly leave the party planning to mom. o Perfect for fans of Janet Evanovich and mystery readers who love stories with a dash of romance. o Each instalment in the series features several delicious recipes from the kitchen of Angie Amalfi.; ['Fiction'],

"Carrying the Body: A Novel; Elise a young woman with a mysteriously ill son returns to her childhood home years after running away with a lover. Now destitute she begins to search for an object hidden somewhere in the house which has been in a state of disrepair since her mother's untimely death. Her father who fled political terror in his youth is frail and often dreaming. So it falls to Elise's older sister who has never left home to maintain family order. Unraveled by alcohol and her own longing

for escape ""Aunt"" as Elise's sister is simply known is further disturbed by the child's illness and his mother's irresponsibility. To placate the child she turns to the bedtime tale of the Three Little Pigs which becomes increasingly corrupted with each telling. As Aunt struggles to take care of the child she recalls -- with a mixture of jealousy and resentment -- the day her sister left home. Meanwhile Elise continues her search with consequences that will alter Aunt's life irrevocably. A writer of ""obvious and extreme talent"" (Los Angeles Times) Raffel uses starkly beautiful stunningly precise language to etch this compelling portrait of a family torn apart by longing miscommunication and misdirected love. Meticulously crafted and utterly absorbing Carrying The Body is ultimately about the inescapable emotional legacies passed from generation to generation and our dreams of refuge and release.;  
['Fiction'], "

"Fierce tenderness: A feminist theology of friendship; ""In Fierce Tenderness Mary E. Hunt continues to chart the way from unjust unequal power relationships to new experiences of mutuality through friendship.... Employing a combination of sources such as literature case studies and first-person accounts that easily span the gaps across racial and religious difference gender preference and orientation and geographical loci this text maps new socio-ethical and theological interpretations for friendship. Hunt [contends] that when women choose to live in right relationship new and compelling paradigms of the holy emerge connoting co-responsibility mutual influence and commitment on both sides of the divine-human equation.""-Susan Brooks Thistlewaite and Toinette M. Eugene Chicago Theological Seminary""In theory as well as in practice Hunt's work begs to be taken seriously and to be taken further.... To look to it [merely] for one additional chapter-friendship as a new theme-to add to a course in systematic theology will lead to disappointment. The book is far too radical and too important for that. It risks changing the grammar of the enterprise and it may well give rise to speech that is brand new.""-Sharon H. Ringe Wesley Theological Seminary""A mature and cautious celebration of the sustaining and transforming power of friendship and good friends everywhere may be enlightened and empowered by it. What could be more useful?""-Betty A. DeBerg The Christian Century""Mary Hunt has given us a new perspective and new tools with which to build our ethics of relationships. Her work ought to be the harbinger of exciting new theological thinking on sexuality unprecedented in its utilization of the life experiences of all people on an equal footing.""-Institute for the Study of Christianity and Sexuality BulletinMary E. Hunt is cofounder and codirector of the Women's Alliance for Theology Ethics and Ritual (water) in Silver Spring Maryland and coeditor with Patricia Beattie Jung and Radhika Balakrishnan of Good Sex: Feminist Perspectives from the World's Religions (2000).;

"Petals in the Storm (Fallen Angels Novels); \*Romantic Times Reviewers Choice Certificate of Excellence\*Love and Betrayal...A cool master of sensuality Rafael Whitbourne the Duke of Candover earned his rakish reputation in the silken boudoirs of London's highborn ladies never giving away his hand or his heart. Then a vital mission for his government takes Rafe to Paris to work with the Countess Madga Janos "the most beautiful spy in Europe." He is appalled to discover that the smoky eyed temptress is no Hungarian countess but the deceitful doxie who betrayed him a dozen years earlier—the only woman he ever loved and the only one he's ever despised. Margot Ashton wants nothing more than to walk away from her turbulent past and the mesmerizing man who ruined her life. But patriotism binds them together in a shadowland of intrigue where a diabolical plot may plunge a continent back into war—and a whirlwind of passion sweeps Margot and Rafe into a shattering passion that cannot be denied. "Mary Jo Putney is a consummate storyteller whose deep understanding of human emotions shines through in all her work. Petals in the Storm is simply another of her miraculous romances—the kind that stir the heart and mind. Storytelling at its best."—Romantic Times Magazine "Petals in the Storm is a stunning tour-de-force; a moving testament to the resilience of the human spirit and its ability to emerge from the fires of hell stronger and wiser than before. The protagonists are riveting characters with a tempestuous relationship played out against a mesmerizing backdrop of intrigue. Congratulations to Mary Jo Putney for another winner."—Affaire de Coeur; ['Wales'], "

"Learning About God (Learning About); In a rapidly changing culture many of us struggle to talk about faith. We can no longer assume our friends understand words such as grace or gospel. Others like lost and sin have become so negative they are nearly conversation-enders. Jonathan Merritt knows this frustration well. After moving from the Bible Belt to New York City he discovered that the sacred terms he used to describe his spiritual life didn't connect as they had in the past. This launched him into an exploration of an increasing American reluctance to talk about faith—and the data he uncovered revealed a quiet crisis of affecting millions. In this groundbreaking book Jonathan revives ancient expressions through incisive cultural commentary vulnerable personal narratives and surprising biblical insights. Both provocative and liberating Learning to Speak God from Scratch will breathe new life into your spiritual conversations and invite you into the embrace of the God who inhabits them.; ['Religion'], "

These changes then align with current best practices in the teaching of writing which privilege inquiry and critical thinking over rote recall and rule-following.; ['Language Arts & Disciplines'], "

"Outlaw Cook; In essays ranging from his earliest cooking lessons in a cold-water walk-up apartment on New York's Lower East Side to opinions both admiring and acerbic on the food writers of the past ten years John Thorne argues that to eat exactly what you want you have to make it yourself. Thorne tells us how he learned to cook for himself the foods that he likes best to eat and following along with him can make you so hungry that his simple suggestive recipes will inspire you to go into the kitchen and translate your own appetite into your own supper.; ['Cooking'], "

"Hindu Myths; Recorded in sacred Sanskrit texts including the Rig Veda and the Mahabharata Hindu Myths are thought to date back as far as the tenth century BCE. Here in these seventy-five seminal myths are the many incarnations of Vishnu who saves mankind from destruction and the mischievous child Krishna alongside stories of the minor gods demons rivers and animals including boars buffalo serpents and monkeys.

Immensely varied and bursting with colour and life they demonstrate the Hindu belief in the limitless possibilities of the world - from the teeming miracles of creation to the origins of the incarnation of Death who eventually touches them all.; ['Fiction'], "

"Understanding Physics; Laboratory Manual to accompany Understanding Physics.; ['Science'], "

"A Ward of the State; ""Ward of the State: A Memoir of Foster Care"" tells what happened to a little black boy from the inner city of Detroit. This is the story of Karlos Dillard severely neglected by his mother who often left him and his siblings at home alone for weeks to fend for themselves. Enduring severe neglect and abuse the boy was removed by the State of Michigan and put into foster care. Karlos was removed from his mother's care just to end up in foster homes that treated him worse. The book is an emotional rollercoaster. Every time Karlos describes the pain he is feeling you will feel the same pain. Whether it be hunger anger or being sexually violated. Karlos' use of words makes sure that you aren't just reading the book you are actually engaged. What is most enticing are the small victories experienced in the story because they give you a break from the horrors of some of the foster homes. Karlos was told he was not loved he was not wanted and he was nothing but a ward of the State. Karlos had nothing left to look forward to and that almost ended his life but his hope to find a family that loved him kept him alive.; ['Biography & Autobiography'], "

"The Gospel of John (Sacra Pagina Series Volume 4); Now available in paperback! No other book of the New Testament has attracted as much attention from commentators as the Fourth Gospel. "Parallel Thinking; Western thinking is failing because it was not designed to deal with change In this provocative masterpiece of creative thinking Edward de Bono argues for a game-changing new way to think. For thousands of years we have followed the thinking system designed by the Greek philosophers Socrates Plato and Aristotle based on analysis and argument. But if we are to flourish in today's rapidly changing world we need to free our minds of these 'boxes' and embrace a more flexible and nimble model. Parallel Thinking is an invaluable insight into the world of creativity; de Bono unveils unique methods of brainstorming and explains preconceived ideas of what creativity involves and is. This book is not about philosophy; it is about the practical (and parallel) thinking required to get things done in an ever-changing world.; ['Self-Help'], "

"Philosophies of India; A Princeton Classics edition of an essential work of twentieth-century scholarship on India Since its first publication Philosophies of India has been considered a monumental exploration of the foundations of Indian philosophy. Based on the copious notes of Indologist linguist and art historian Heinrich Zimmer and edited by Joseph Campbell this book is organized into three sections. "The Highest Good" looks at Eastern and Western thought and their convergence; "The Philosophies of Time" discusses the philosophies of success pleasure and duty; and "The Philosophies of Eternity" presents the fundamental concepts of Buddhism Brahmanism Jainism Sankhya and yoga and Tantra. This work examines such areas as the Buddhist Tantras Buddhist Genesis the Tantric presentation of divinity the preparation of disciples and the meaning of initiation and the symbolism of the mandala-palace Tantric ritual and twilight language. It also delves into the Tantric teachings of the inner Zodiac and the fivefold ritual symbolism of passion.

Appendices a bibliography and general and Sanskrit indexes are included.; ['Philosophy'],"

"Concordex of the Urantia Book: The Urantia Book is the Fifth Epochal to our planet Urantia. It accurately answers the most asked questions on earth.; This book contains 367 accounts of how early readers found the Urantia Book and what it means to them.The Urantia Book is a superhuman revelation of truth given to the peoples of our planet which they call Urantia. It teaches us about God the structure of the universe and its divinely planned development angels life after death the origin and history of our planet the life and teachings of Jesus and our eternal destiny as perfected citizens of a friendly universe. It provides an enlightening picture of reality in which science religion and philosophy are unified. The authors are a corps of celestial beings who were authorized to reveal this information to us which was mysteriously transmitted through the mind of a ""sleeping subject." When the 2097-page Urantia Book was first published in 1955 it was decided not to advertise it to let the message spread from one reader to another. This book of testimonies traces how 367 readers discovered the revelation from pre-publication days in 1924 to the coming of the popular Internet in the late 1990s.; ['Religion'],"

"Where Is God?: A Personal Story of Finding God in Grief and Suffering; POINTS OF INTEREST- Where is God? is a new edition of the previously published Deceived by God? featuring revised and expanded content and an up-to-date report on John's wife as well as his own further reflections from the last several years.- Where is God? is not for academic philosophers but for ordinary people who will relate to a very personal story of suffering and grief.; ['Religion'],"

"Semantics Tense and Time: An Essay in the Metaphysics of Natural Language; According to Peter Ludlow there is a very close relation between the structure of natural language and that of reality and one can gain insights into long-standing metaphysical questions by studying the semantics of natural language. In this book Ludlow uses the metaphysics of time as a case study and focuses on the dispute between A-theorists and B-theorists about the nature of time. According to B-theorists there is no genuine change but a permanent sequence of events ordered by an earlier-than/later-than relation. According to the version of the A-theory adopted by Ludlow (a position sometimes called ""presentism"" there are no past or future events or times; what makes something past or future is how the world stands right now. Ludlow argues that each metaphysical picture is tied to a particular semantical theory of tense and that the dispute can be adjudicated on semantical grounds. A presentism-compatible semantics he claims is superior to a B-theory semantics in a number of respects including its abilities to handle the indexical nature of temporal discourse and to account for facts about language acquisition. Along the way Ludlow develops a conception of ""E-type"" temporal anaphora that can account for both temporal anaphora and complex tenses without reference to past and future events. His view has philosophical consequences for theories of logic self-knowledge and memory. As for linguistic consequences Ludlow suggests that the very idea of grammatical tense may have to be dispensed with and replaced with some combination of aspect modality and evidentiality.; ['Psychology'],"

"Spies Among Us: How to Stop the Spies Terrorists Hackers and Criminals You Don't Even Know You Encounter Every Day; Ira Winkler has been dubbed ""A Modern Day James Bond"" by CNN and other media outlets for his ability to simulate espionage attacks against many of the top companies in the world showing how billions of dollars can disappear. This unique book is packed with the riveting true stories and case studies of how he did it-and how people and companies can avoid falling victim to the spies among us. American corporations now lose as much as \$300 billion a year to hacking cracking physical security breaches and other criminal activity. Millions of people a year have their identities stolen or fall victim to other scams. In Spies Among Us Ira Winkler reveals his security secrets disclosing how companies and individuals can protect themselves from even the most diabolical criminals. He goes into the mindset of everyone from small-time hackers to foreign intelligence agencies to disclose cost-effective countermeasures for all types of attacks. In Spies Among Us readers learn: \* Why James Bond and Sydney Bristow are terrible spies \* How a team was able to infiltrate an airport in a post-9/11 world and plant a bomb \* How Ira and his team were able to steal nuclear reactor designs in three hours \* The real risks that individuals face from the spies that they unknowingly meet on a daily basis \* Recommendations for how companies and individuals can secure themselves against the spies criminals and terrorists who regularly cross their path; ['Computers'], "

"Immanuel Kant's Critique of pure reason; The masterpiece of the father of modern philosophy A seminal text of modern philosophy Immanuel Kant's Critique of Pure Reason (1781) made history by bringing together two opposing schools of thought: rationalism which grounds all our knowledge in reason and empiricism which traces all our knowledge to experience. Published here in a lucid reworking of Max Müller's classic translation the Critique is a profound investigation into the nature of human reason establishing its truth falsities illusions and reality. For more than seventy years Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up-to-date translations by award-winning translators.; ['Philosophy'], "

"Libido: The French existential theories (Studies in phenomenology and existential philosophy); Alphonso Lingis's engaging book studies the phenomenological and postphenomenological theories of sexuality of six contemporary French philosophers: Jean-Paul Sartre Maurice Merleau-Ponty Emmanuel Levinas Jean-François Lyotard Gilles Deleuze and Félix Guattari. After centuries of philosophical silence on the matter these writers during the last forty years have undertaken the first extended exploration of human sexuality in Western philosophical literature. Lingis presents the arguments developed by the six philosophers critically assesses them and offers his own explanation of how the libidinal body can be characterized what the libidinal drive is and what alterity commands in the erotic imperative.; ['Philosophy'],"

"The Non-Designer's Design Book: Design and Typographic Principles for the Visual Novice; A lot has happened in the world of digital design since the first edition of this title was published but one thing remains true: There is an ever-growing number of people attempting to design everything from newsletters to advertisements with no formal training. This book is the one place they can turn to find quick non-intimidating excellent design help from trusted design instructor Robin Williams. This revised and expanded classic includes a new chapter on designing with type more quizzes and exercises updated projects and new visual and typographic examples that give the book a fresh modern look. In The Non-Designer's Design Book 4th Edition Robin turns her attention to the basic principles that govern good design. Perfect for beginners Robin boils great design into four easy-to-master principles: contrast repetition alignment and proximity (C.R.A.P.!). Readers who follow her clearly explained concepts will produce more sophisticated and professional work immediately. Humor-infused jargon-free prose interspersed with design exercises quizzes and illustrations make learning a snap-which is just

what audiences have come to expect from this bestselling author.; ['Art'], "

"The First Amendment; Named one of Newsweek's ""25 Must-Read Fall Fiction and Nonfiction Books to Escape the Chaos of 2020"" The critically acclaimed journalist and bestselling author of The Rage of a Privileged Class explores one of the most essential rights in America—free speech—and reveals how it is crumbling under the combined weight of polarization technology money and systematized lying in this concise yet powerful and timely book. Free speech has long been one of American's most revered freedoms. Yet now more than ever free speech is reshaping America's social and political landscape even as it is coming under attack.

Bestselling author and critically acclaimed journalist Ellis Cose wades into the debate to reveal how this Constitutional right has been coopted by the wealthy and politically corrupt. It is no coincidence that historically huge disparities in income have occurred at times when moneyed interests increasingly control political dialogue. Over the past four years Donald Trump's accusations of "fake news" the free use of negative language against minority groups "cancel culture" and blatant xenophobia have caused Americans to question how far First Amendment protections can—and should—go. Cose offers an eye-opening wholly original examination of the state of free speech in America today litigating ideas that touch on every American's life. Social media meant to bring us closer has become a widespread disseminator of false information keeping people of differing opinions and political parties at odds. The nation—and world—watches in shock as white nationalism rises race and gender-based violence spreads and voter suppression widens. The problem Cose makes clear is that ordinary individuals have virtually no voice at all. He looks at the danger of hyper-partisanship and how the discriminatory structures that determine representation in the Senate and the electoral college threaten the very concept of democracy. He argues that the safeguards built into the Constitution to protect free speech and democracy have instead become instruments of suppression by an unfairly empowered political minority. But we can take our rights back he reminds us. Analyzing the experiences of other countries weaving landmark court cases together with a critical look at contemporary applications and invoking the lessons of history including the Great Migration Cose sheds much-needed light on this cornerstone of American culture and offers a clarion call for activism and change.; ['Political Science'], "

"The Gardener's Son; The screenplay for McCarthy's classic film bearing in full measure his gift—the ability to fit complex and universal emotions into ordinary lives and still preserve all of their power and significance In the spring of 1975 the film director Richard Pearce approached Cormac McCarthy with a screenplay idea. Though already a widely acclaimed novelist the author of such modern classics as The Orchard Keeper and Child of God McCarthy had never before written a screenplay. Using a few photographs in the footnotes to a 1928 biography of a famous pre-Civil War industrialist as inspiration McCarthy and Pearce roamed the mill towns of the South researching their subject. A year later McCarthy finished The Gardener's Son a taut riveting drama of impotence rage and violence spanning two generations of mill owners and workers fathers and sons during the rise and fall of one of America's most bizarre utopian industrial experiments. Produced as a two-hour film and broadcast on PBS in 1976 The Gardener's Son received two Emmy Award nominations and was shown at the Berlin and Edinburgh Film Festivals. Set

in Graniteville South Carolina The Gardener's Son is the tale of two families: the wealthy Greggs who own and operate the local cotton mill and the McEvoy's a family of mill workers beset by misfortune. The action opens as Robert McEvoy a young mill worker is having his leg amputated after an accident rumored to have been caused by James Gregg the son of the mill's founder. Crippled and consumed by bitterness McEvoy deserts both his job and his family. Returning two years later at the news of his mother's terminal illness McEvoy arrives only to confront the grave diggers preparing her final resting place. His father the mill's gardener is now working on the factory line the gardens forgotten. These proceedings stoke the slow-burning rage McEvoy carries within him a fury that will ultimately consume both families.; ['Performing Arts'], "

"Drugs in America: The Case for Victory : A Citizen's Call to Action; Discusses drug traffic in America and examines the effectiveness of the government's drug policy; ['Social Science'], "

"Chattahoochee Valley Railway (Images of America: Alabama); Weaving across state lines from Standing Rock Alabama through West Point Georgia and back to Bleeker Alabama the Chattahoochee Valley Railway served many communities along its line. Its last run was in 1992 but now the days of the short line railroad are revisited in Chattahoochee Valley Railway. Although some books on the history of the region render a passing mention of this railway none have included over 200 images and a detailed historical account like Chattahoochee Valley Railway. The railroad served surrounding communities for over five generations by offering transportation and the rail line's parent textile corporation built schools churches recreational areas and a water supply for those communities. By the 1980s modernization of the corporate structure eliminated the need for the railway and its equipment was sold off. However part of its track bed is now a biking hiking and walking trail. The old railway is still serving nearby residents and is still enjoyed by all who follow its path.; ['Transportation'], "

"A Place in the Rain Forest: Settling the Costa Rican Frontier; In the 1950s Darryl Cole-Christensen and his family were among the first settlers of the Coto Brus an almost impenetrable mountainous rain forest region of southeastern Costa Rica. In this evocative book he captures the elemental struggles and rewards of settling a new frontier—an experience forever closed to most people in Western urbanized society. With the perspective of more than forty years' residence in the Coto Brus Cole-Christensen ably describes both the settlers' dreams of bringing civilization and progress to the rain forest and the sweeping and irreversible changes they caused throughout the ecosystem as they cut the rain forest down. Writing neither to apologize for nor to defend their actions he instead illuminates the personal and subjective factors that cause people to risk danger and hardship for the uncertain rewards of settling a frontier. In his own words Cole-Christensen says ""This is a book for the scientist who wants to recapture a sense of an incalculable world departed for the student who asks: How is it that our forebears changed and restructured this land? For the adventurer who dreams of the expanse of frontiers for every person who having passed once through the darkening forest along a path in twilit stillness looks back to find that a blanket of murmurs remains.""; ['Nature'], "

"Scared Straight: Why It's So Hard to Accept Gay People and Why It's So Hard to Be Human; Argues that people of all sexual orientations are hurt by being ""straight"" torn from their full human potential and squeezed

into molds that support our dominant institutions. Human relationships with either sex are incomplete and unfulfilling. Chapters on ""How to be straight"" and ""How to be gay"" describe the roles heterosexual and non-heterosexual people are conditioned to live in order to maintain this status quo. "I Want My Mummy; It's Arthur's first day away from his mommy and he really misses her. Even his fantastic dragon suit and favorite toy dragon don't help cheer him up. ""Rargghh!"" he roars grumpily. But luckily Grandma knows just what to do!; ['Juvenile Fiction'],,"

"Extinction: How Life on Earth Nearly Ended 250 Million Years Ago; Some 250 million years ago the earth suffered the greatest biological crisis in its history. Around 95 percent of all living species died out—a global catastrophe far greater than the dinosaurs' demise 185 million years later. How this happened remains a mystery. But there are many competing theories. Some blame huge volcanic eruptions that covered an area as large as the continental United States; others argue for sudden changes in ocean levels and chemistry including burps of methane gas; and still others cite the impact of an extraterrestrial object similar to what caused the dinosaurs' extinction. Extinction is a paleontological mystery story. Here the world's foremost authority on the subject provides a fascinating overview of the evidence for and against a whole host of hypotheses concerning this cataclysmic event that unfolded at the end of the Permian. After setting the scene Erwin introduces the suite of possible perpetrators and the types of evidence paleontologists seek. He then unveils the actual evidence--moving from China where much of the best evidence is found; to a look at extinction in the oceans; to the extraordinary fossil animals of the Karoo Desert of South Africa. Erwin reviews the evidence for each of the hypotheses before presenting his own view of what happened. Although full recovery took tens of millions of years this most massive of mass extinctions was a powerful creative force setting the stage for the development of the world as we know it today. In a new preface Douglas Erwin assesses developments in the field since the book's initial publication.; ['Science'],,"

"Triathlon Training; Shaping up for a triathlon is serious business. Triathlon Training For Dummies is packed with insider tips and proven methods for training for a triathlon and pumping yourself into the best possible shape by race day. "Gentlemen's Blood: A History of Dueling; ""Never never did I imagine that dueling could be so entralling outrageous gruesome tragic and yes ridiculous...Lively humor and sparkling prose.""-Wall Street Journal The medieval justice of trial by combat evolved into the private duel by sword and pistol with thousands of honorable men-and not-so-honorable women-giving lives and limbs to wipe out an insult or prove a point. The duel was essential to private public and political life and those who followed the elaborate codes of procedure were seldom prosecuted and rarely convicted-for in fact they were obeying a grand old tradition. Based on her fascinating 1997 Smithsonian article Barbara Holland's Gentlemen's Blood is the first trade book to trace the remarkable often gruesome sometimes comical history of the Western tradition of defending one's honor.; ['History'],"

"The Franchise Affair; Robert Blair was about to knock off from a slow day at his law firm when the phone rang. It was Marion Sharpe on the line a local woman of quiet disposition who lived with her mother at their decrepit country house The Franchise. It appeared that she was in some serious trouble: Miss Sharpe and her mother were accused of brutally kidnapping a demure young woman named Betty Kane. Miss Kane's claims seemed highly unlikely even to Inspector Alan Grant of Scotland Yard until she described her prison -- the attic room with its cracked window the kitchen and the old trunks -- which sounded remarkably like The Franchise. Yet Marion Sharpe claimed the Kane girl had never been there let alone been held captive for an entire month! Not believing Betty Kane's story Solicitor Blair takes up the case and in a dazzling feat of amateur detective work solves the unbelievable mystery that stumped even Inspector Grant.; ['Fiction'],"

"The Christian Imagination: G.K. Chesterton on the Arts; Here is a new look at imagination and the arts from the point of view of one of Western civilization's most insightful observers - G.K. Chesterton. Gilbert Chesterton had the rare gift of being able to understand situations from the ""inside"" - that is to see through the hidden assumptions lapses in logic and other follies of even his own social and occupational situations. He was a journalist and yet an unsparing critic of journalism. He was a poet a story-teller a novelist a playwright and an illustrator. Among the most imaginative of men who ever lived Chesterton had much of value to say about the arts imagination and the Christian faith. Thomas Peters takes the reader on a guided tour of Chesterton's observations and opinions regarding human imagination and its various manifestations in the arts. Using ample quotations in order to let Chesterton speak for himself Peters explores the master's views on imagination culture and faith as well as his fascinating opinions on everything from styles of painting to meter in poetry from bohemian lifestyles to materialist philosophy from singing at the bank to waiting for the train.; ['Religion'],"

"From Subjects to Citizens: Honor Gender and Politics in Arequipa Peru 1780-1854; Offering a corrective to previous views of Spanish-American independence this book shows how political culture in Peru was dramatically transformed in this period of transition and how the popular classes as well as elites played crucial roles in this process. Honor underpinning the legitimacy of Spanish rule and a social hierarchy based on race and class during the colonial era came to be an important source of resistance by ordinary citizens to repressive action by republican authorities fearful of disorder. Claiming the protection of their civil liberties as guaranteed by the constitution these & "honorable" citizens cited their hard work and respectable conduct in justification of their rights in this way contributing to the shaping of republican discourse. Prominent politicians from Arequipa familiar with these arguments made in courtrooms where they served as jurists promoted at the national level a form of liberalism that emphasized not only discipline but also individual liberties and praise for the honest working man. But the protection of men's public reputations and their patriarchal authority the author argues came at the expense of women who suffered further oppression from increasing public scrutiny of their sexual behavior through the definition of female virtue as private morality which also justified their exclusion from politics. The advent of political liberalism was thus not associated with greater freedom social or political for women.; ['Political Science'], "

"The Last of the Mohicans (Lightyear Press Limited Edition); Hawkeye a scout leads a small band of Americans fleeing from the British and their Indian allies in the French and Indian War; ['Fiction'], "

"Shopaholic & Baby; Financial journalist Rebecca Bloomwood seeks solace from the boredom and pressures in life with her shopping a solution that brings her close to financial disaster until she encounters a story that will change her life.; ['Fiction'], "

"Barrel Fever and Other Stories; In David Sedaris' world no one is safe and no cow is sacred. A manic cross between Mark Leyner Fran Lebowitz and the National Enquirer Sedaris' collection of essays is a rollicking tour through the national Zeitgeist: a do-it-yourself suburban dad saves money by performing home surgery; a man who is loved too much flees the heavyweight champion of the world; a teenage suicide tries to incite a lynch mob at her funeral; a bitter Santa abuses the elves. David Sedaris made his debut on NPR's Morning Edition with "SantaLand Diaries" recounting his strange-but-true experiences as an elf at Macy's and soon became one of the show's most popular commentators. With a perfect eye and a voice infused with as much empathy as wit Sedaris writes stories and essays that target the soulful ridiculousness of our behavior. Barrel

Fever is like a blind date with modern life and anything can happen.; ['Humor'], "

"History of the World Christian Movement: Earliest Christianity to 1453; This thorough lucid solidly researched book the first of two volumes charts the history of global Christianity.; ['Religion'], "

"Economics in one lesson; With over a million copies sold Economics in One Lesson is an essential guide to the basics of economic theory. A fundamental influence on modern libertarianism Hazlitt defends capitalism and the free market from economic myths that persist to this day.

Considered among the leading economic thinkers of the "Austrian School" which includes Carl Menger Ludwig von Mises Friedrich (F.A.) Hayek and others Henry Hazlitt (1894-1993) was a libertarian philosopher an economist and a journalist. He was the founding vice-president of the Foundation for Economic Education and an early editor of The Freeman magazine an influential libertarian publication. Hazlitt wrote Economics in One Lesson his seminal work in 1946. Concise and instructive it is also deceptively prescient and far-reaching in its efforts to dissemble economic fallacies that are so prevalent they have almost become a new orthodoxy. Economic commentators across the political spectrum have credited Hazlitt with foreseeing the collapse of the global economy which occurred more than 50 years after the initial publication of Economics in One Lesson. Hazlitt's focus on non-governmental solutions strong – and strongly reasoned – anti-deficit position and general emphasis on free markets economic liberty of individuals and the dangers of government intervention make Economics in One Lesson every bit as relevant and valuable today as it has been since publication.; ['Business & Economics'], "

"More Than a Skeleton: It Was One Man Against the World; What if Jesus made an unexpected appearance before His final coming? Joshua Ben-Yosef attracts a huge following. He was born in Nazareth to parents named Mary and Joseph and speaks more than a dozen languages–fluently and without accent. His words ripple with wisdom and authority. And the crowds that follow him are enthralled as he heals the sick gives sight to the blind casts out demons and even raises the dead. Is Dr. Melvin Merton the well-known leader and author of end-times books correct about the imminent return of Christ? It seems everyone is a believer in this ""Messiah""—including Jonathan Weber's wife Shannon—especially when Joshua performs the ultimate sign by raising a disciple from the dead. Plagued by skepticism Jonathan faces the ultimate challenge in uncovering whether this is the actual return of Christ or the most devastating hoax ever carried out.; ['Fiction'], "

"Nelson Mandela: South Africa's Silent Voice of Protest (People of Distinction); Presents the life and career of the imprisoned leader of the African National Congress focusing on his role in the struggle for black majority rights in South Africa.; ['Anti-apartheid movements'], "

"Domination and the Arts of Resistance: Hidden Transcripts; ""Play fool to catch wise."""—proverb of Jamaican slaves Confrontations between the powerless and powerful are laden with deception—the powerless feign deference and the powerful subtly assert their mastery. Peasants serfs untouchables slaves laborers and prisoners are not free to speak their minds in the presence of power. These subordinate groups instead create a secret discourse that represents a critique of power spoken behind the backs of the dominant. At the same time the powerful also develop a private dialogue about practices and goals of their rule that cannot be

openly avowed. In this book renowned social scientist James C. Scott offers a penetrating discussion both of the public roles played by the powerful and powerless and the mocking vengeful tone they display off stage--what he terms their public and hidden transcripts. Using examples from the literature history and politics of cultures around the world Scott examines the many guises this interaction has taken throughout history and the tensions and contradictions it reflects. Scott describes the ideological resistance of subordinate groups--their gossip folktales songs jokes and theater--their use of anonymity and ambiguity. He also analyzes how ruling elites attempt to convey an impression of hegemony through such devices as parades state ceremony and rituals of subordination and apology. Finally he identifies--with quotations that range from the recollections of American slaves to those of Russian citizens during the beginnings of Gorbachev's glasnost campaign--the political electricity generated among oppressed groups when for the first time the hidden transcript is spoken directly and publicly in the face of power. His landmark work will revise our understanding of subordination resistance hegemony folk culture and the ideas behind revolt.;

This book was created independently by the publishers and all net proceeds will go to support charitable causes promoting wider access to opportunity for all.; ['High technology industries'],

"City of Quartz: Excavating the Future in Los Angeles (New Edition); This new edition of the visionary social history of Los Angeles is "as central to the L.A. canon as anything that . . . Joan Didion wrote in the seventies" (New Yorker) No metropolis has been more loved or more hated. To its official boosters "Los Angeles brings it all together." To detractors L.A. is a sunlit mortuary where "you can rot without feeling it." To Mike Davis the author of this fiercely elegant and wide-ranging work of social history Los Angeles is both utopia and dystopia a place where the last Joshua trees are being plowed under to make room for model communities in the desert where the rich have hired their own police to fend off street gangs as well as armed Beirut militias. In City of Quartz Davis reconstructs L.A.'s shadow history and dissects its ethereal economy. He tells us who has the power and how they hold on to it. He gives us a city of Dickensian extremes Pynchonesque conspiracies and a desperation straight out of Nathaniel West-a city in which we may glimpse our own future mirrored with terrifying clarity. In this new edition Davis provides a dazzling update on the city's current status.; ['Social Science'],

"Russian Language Since the Revolution; Language and Metaphors of the Russian Revolution: Sow the Wind Reap the Storm is a panoramic history of the Russian intelligentsia and an analysis of the language and ideals of the Russian Revolution from its inception over the long nineteenth century through fruition in early Soviet society. This volume examines metaphors for revolution in the storm flood and harvest imagery ubiquitous in Russian literary works. At the same time it considers the struggle to own the narrative of modernity including Bolshevik weaponization of language and cultural policy that supported the use of terror and social purging. This uniquely cross-disciplinary study conducts a close reading of texts that use storm flood and agricultural metaphors in diverse ways to represent revolution whether in anticipation and celebration of its ideals or in resistance to the same. A spotlight is given to the lives and works of authors who responded to Soviet authoritarianism by reclaiming the narrative of revolution in the name of personal freedom and restoration of humanist values. Hinging on the clashes of culture wars and class wars and residing at the intersection of ideas at the very core of the fight for modernity this book provides a critical reading of authoritarian discourse and investigates rare examples of the counter narratives that thrived in spite of their suppression.; ['History'],"

"Last Tales; ""Last Tales"" is a collection of twelve of the last tales that Karen Blixen wrote under the pen name Isak Dinesen before her death in 1962. They include seven tales from Albondocani a projected novel that was never completed; "The Caryatids" an unfinished Gothic tale of a couple bedeviled by an old letter and a gypsy's spell; and three tales of winter including "Converse at Night in Copenhagen" a drunken allnight conversation between a boyking a prostitute and a poor young poet.; ['Fiction'], "

"Conducting Research Surveys Via E-Mail and The Web; Internet-based surveys although still in their infancy are becomingincreasingly popular because they are believed to be faster bettercheaper and easier to conduct than surveys using more-traditional telephone or mail methods. Based on evidence in the literature and real-life casestudies this book examines the validity of those claims. The authorsdiscuss the advantages and disadvantages of using e-mail and the Web toconduct research surveys and also offer practical suggestions for designing and implementing Internet surveys most effectively.Among other findings the authors determined that Internet surveys may bepreferable to mail or telephone surveys when a list of e-mail addresses forthe target population is available thus eliminating the need for mail orphone invitations to potential respondents. Internet surveys also arewell-suited for larger survey efforts and for some target populations thatare difficult to reach by traditional survey methods. Web surveys areconducted more quickly than mail or phone surveys when respondents arecontacted initially by e-mail as is often the case when a representativepanel of respondents has been assembled in advance. And although surveysincur virtually no coding or data-entry costs because the data are capturedelectronically the labor costs for design and programming can be high.; ['Science'], "

"Gone for Good: Tales of University Life after the Golden Age; This entertaining inside view of American universities argues that the disappearance of the glory days of government funding is a blessing in disguise.; ['Education'], "

"Don't Forget to Die (A Charlie Plato Mystery); Charlie Plato--a nineties woman with keen insight into the wily ways of the criminal mind--tracks down a cold-blooded killer; ['Fiction'], "

"Empress of the Splendid Season; Oscar Hijuelos vividly brings to life the joys desires and disappointment of American life witnessed through the experience of a formerly prosperous Cuban émigré named Lydia Espana--now a cleaning woman in New York. In magnetic prose he juxtaposes Lydia's tale with the stories of her clients contrasting her experiences with the secret lives of those for whom she works. No one writes better of love or the pulse of a city nor has any writer better captured the complexity inherent in the emigration experience; how assimilation is at once the achievement of dreams yet also a loss of the past. Empress of the Splendid Season is Hijuelos at his masterful best a novel filled with incantatory rhythmic prose and rich in heartfelt vision.; ['Fiction'], "

"A Blue Dog Christmas; In A Blue Dog Christmas George Rodrigue takes readers back in time to New Iberia Louisiana in the 1950s. On a quiet street in this sleepy bayou town the twelve-year-old George Rodrigue found his calling and discovered that the true meaning of Christmas is not to give but to create.; ['Art'],"

"Shaded Lives: African American Women and Television; Since its invention television has been one of the biggest influences on American culture. Through this medium multiple visions and disparate voices have attempted to stake a place in viewer consumption. Yet even as this programming supposedly reflects characteristics of the general American populace television-generated images are manipulated and contradictory predicated by the various economic political and cultural forces placed upon it. In Shaded Lives Beretta Smith-Shomade sets out to dissect images of the African American woman in television from the 1980s. She calls their depiction ""binaristic"" or split. African American women although an essential part of television programming today are still presented as distorted and deviant. By closely examining the television texts of African-American women in comedy music video television news and talk shows (Oprah Winfrey is highlighted) Smith-Shomade shows how these voices are represented what forces may be at work in influencing these images and what alternate ways of viewing might be available. Smith-Shomade offers critical examples of where the sexist and racist legacy of this country collide with the cultural strength of Black women in visual and real-lived culture. As the nation's climate of heightened racial divisiveness continues to relegate the representation of Black women to depravity and display her study is not only useful it is critical.; ['Performing Arts'],"

"True stories about dogs & cats (Mrs. Follen's twilight stories); Daisy the tiny Dachshund who put her life on the line to save her humans from a bear. Charco the veteran sniffer dog who has saved countless human lives and yet still keeps his tail wagging. "Celestial Navigation for Yachtsmen; The 13th edition of this bestselling book is proof of the success of Mary Blewitt's concise and clear style in explaining a particularly difficult skill and it has been the bible for many generations of ocean navigators. Since this book was first published the huge advances in electronic navigation have transported most offshore navigators to a world of press-button convenience. However there is still a vital need for traditional skills when things go wrong: batteries can fail aerials go overboard and electronics have been known to get wet. A bestseller for over 65 years Celestial Navigation for Yachtsmen is a model of simplicity and clarity. The worked examples require only straightforward addition and subtraction which explains why this book has truly earned its reputation for admirable conciseness and for making a tricky subject easy to understand. This edition has been thoroughly revised by Andy Du Port the highly respected ex-editor of Reeds Almanacs.

'The ""bible"" of navigation for generations of yachtsmen... worth its weight in gold' Sailing; ['Sports & Recreation'],;"

"Protection Officer Training Manual; This revised edition retains the exceptional organization and coverage of the previous editions and is designed for the training and certification needs of first-line security officers and supervisors throughout the private and public security industry. \* Completely updated with coverage of all core security principles \* Course text for the Certified Protection Officer (CPO) Program \* Includes all new sections on information security terrorism awareness and first response during crises; ['Business & Economics'],;"

"Managing Diversity in Public Sector Workforces; Addresses increased diversity in government work forces and management strategies appropriate for managing diversity. Today public employers are poised to create productive work forces that are represented of the global population. As we enter the twenty-first century Americas workforce looks markedly different than it ever has before. Compared with even twenty years ago more white women people of color disabled persons new and recent immigrants gays and lesbians and intergenerational mixes now work in America. The way in which government employers embrace this opportunity of diversity will clearly distinguish effective and efficient organizations from those which are unproductive and unable to meet the demands and necessities of the American people in the new century. This book addresses the demographic changes to the labor force and workplace and the ways in which government employers are managing the imminently diverse populations that now fill public sector jobs. It addresses the specific management strategies and initiatives relied upon by public sector employers as well as the implications of effectively managing variegated workforces for the overall governance of American society.; ['Political Science'],;"

"Montana: Off the Beaten Path (Off the Beaten Path Montana); Montana Off the Beaten Path features the things travelers and locals want to see and experience--if only they knew about them. From the best in local dining to quirky cultural tidbits to hidden attractions unique finds and unusual locales Montana Off the Beaten Path takes the reader down the road less traveled and reveals a side of Montana that other guidebooks just don't offer.; ['Travel'],;"

"Guitar Effects Pedals the Practical Handbook Book/CD (Softcover); (Book). Guitar Effects Pedals: The Practical Handbook opens up the world of effects pedals vintage and new alike for the guitarist. In an easy guitarist-friendly style the book explores the history of different effects pedals what each type of effect does and how it does it the best ways in which to use and combine your own effects and how to make the most of the pedals you own. Malloy offers reader-friendly grading and pricing charts arranged by publisher plus regional market reports from the nation's top experts and interviews with comics illustrators and writers.; ['Comic books strips etc'], "

"College algebra; College Algebra provides a comprehensive exploration of algebraic principles and meets scope and sequence requirements for a typical introductory algebra course. The modular approach and richness of content ensure that the book meets the needs of a variety of courses. College Algebra offers a wealth of examples with detailed conceptual explanations building a strong foundation in the material before asking students to apply what they've learned. Coverage and Scope In determining the concepts skills and topics to cover we engaged dozens of highly experienced instructors with a range of student audiences. The resulting scope and sequence proceeds logically while allowing for a significant amount of flexibility in instruction. Chapters 1 and 2 provide both a review and foundation for study of Functions that begins in Chapter 3. The authors recognize that while some institutions may find this material a prerequisite other institutions have told us that they have a cohort that need the prerequisite skills built into the course. Chapter 1: Prerequisites Chapter 2: Equations and Inequalities Chapters 3-6: The Algebraic Functions Chapter 3: Functions Chapter 4: Linear Functions

Chapter 5: Polynomial and Rational Functions Chapter 6: Exponential and Logarithm Functions Chapters 7-9: Further Study in College Algebra  
Chapter 7: Systems of Equations and Inequalities Chapter 8: Analytic Geometry Chapter 9: Sequences Probability and Counting Theory;  
['Mathematics'], "

"Henry IV Part Two (Arkangel Complete Shakespeare); The play begins with the marriage of King Henry VI of England to the young Margaret of Anjou. Margaret is the protegee and lover of William de la Pole 4th Earl of Suffolk who aims to influence the king through her. The major obstacle to Suffolk and Margaret's plan is the Lord Protector; Humphrey Duke of Gloucester who is extremely popular with the common people and deeply trusted by the King.; ['Drama'], "

"Mastering Woodworking Machines (Find Woodworking); Mark Duginske offers a master's insights into machine woodworking and some honest shortcuts that will help you in your own journey toward woodworking precision. You'll see how to do fast elegant joinery with basic power tools. There is no need here for expensive gadgets as you learn how to achieve zero-frustration complete-control woodworking with machines.; ['Crafts & Hobbies'], "

"The Boiler Room and Other Telephone Sales Scams; You'll marvel at Stevenson's insider knowledge of product houses service shops and other aspects of a major industry in which both employees and customers are in daily peril - the former of losing their jobs and the latter of losing their money. In an epilogue Stevenson discusses ethical issues involved when researchers conduct covert fieldwork in natural settings.; ['Business & Economics'], "

"Lockerboy; Martin McCarty must prove his courage at his new school in order to combat the nightmare of Principal Spyr.; ['Schools'], "

"Anodyne Necklace; The third in the bestselling Richard Jury mystery series by Martha Grimes. A spinster whose passion was bird-watching a dotty peer who pinched pennies and a baffling murder made the tiny village of Littlebourne a most extraordinary place. And a severed finger made a ghastly clue in the killing that led local constables from a corpse to a boggy footpath to a beautiful lady's mansion. But Richard Jury refused preferring to take the less traveled route to a slightly disreputable pub the Anodyne Necklace. There drinks all around loosened enough tongues to link a London mugging with the Littlebourne murder and a treasure map that would chart the way to yet another chilling crime.; ['Fiction'], "

"Chaos Realm: the immortals; Imagine a world where magic and technology coexist where the laws of physics are subject to change without warninga] Time-travelers dimension jumpers demi-gods and immortals live side-by-side in a city balanced haphazardly between creation and destruction and ruled by the illustrious Errida Dynasty. Put the devil in the driveras seat of a yellow cab and youave gota] Chaos Realm.aThe Immortalsa follows the footsteps of one womanas quest for redemption. Summoned accidentally by an amateur wizard Ireval Ithraedol finds herself torn between her dark past and the brilliant potential that awaits her in a place beyond all imagination where ships fly animals talk and jellybeans explode. Yet when Irevalas own people discover that she still lives a great war beginsa]a war that will ultimately decide the fate of the entire universe.; ['Fiction'], "

"The Warlock's Last Ride; THE FINAL ADVENTURE IN THE PHENOMENAL SERIES After an incredible 35-year run the story of Rod Gallowglass - the Warlock in Spite of Himself - comes to its fantastic finale in the weird and wonderful world of Gramarye simultaneously wrapping up the Warlock Warlock's Heirs and Rogue Wizard series. When Gwendolyn - the witch-wife of Rod Gallowglass the Lord High Warlock of Gramarye - suddenly dies she leaves behind a husband dangerously unhinged by grief and a land without a Protector. So it's the worst time for the Gallowglass's ancient enemies - Durer and the Mocker - to return for one last bid to overthrow the monarchs of Gramarye and seize power. Stirring up a peasant revolt manipulating politics to trigger a civil war between the Crown and the Lords all while orchestrating a monster invasion and attempting to trying to turn the Gallowglass children against each other Gramarye may face its greatest challenge yet.; ['Fiction'],"

"The Truth Will Out: Unmasking the Real Shakespeare; The question of who wrote Shakespeare's plays has been the subject of furious debate among scholars for over 150 years. Everything known about the facts of William Shakespeare's life seems incompatible with the extraordinary genius of his writing. How could a man who left school at the age of 13 and apparently never travelled abroad have authored the incomparable Sonnets or so intricately described Renaissance Venice? Shakespeare 'candidates' abound among them Sir Francis Bacon The Earl of Oxford even Queen Elizabeth I herself but none have stood up to serious scrutiny. Until now.... This remarkable intriguing and provocative book offers a completely plausible new candidate; Sir Henry Neville.; ['History'],"

"Angels of Death : Goering's Luftwaffe; The Accused: 13-year-old Derek King and his 12-year-old brother Alex Sunday school students with choirboy looks. After midnight on November 26 2001 someone bludgeoned Terry King to death while he slept and set his Florida home afire. By the time the firefighters extinguished the blaze King's sons Alex 12 and Derek 13 were at the home of their forty-year-old friend Ricky Chavis a convicted child-molester. By the next afternoon following confessions both boys were charged as adults in their father's slaying. Chavis was tried separately for the same crime-incredibly by the same attorney who would prosecute Alex and Derek and argue two contradictory theories. The Victim: Their own father. When Alex divulged his sexual relationship with Chavis the trial took a sensational turn. So did Alex and Derek who recanted their confession and blamed Chavis to no avail. A jury convicted the boys of second-degree murder but the judge threw the verdict out. Chavis was acquitted. But the case wasn't over. As more disturbing revelations came to light as criminal motives became more complex and as the line between guilt and innocence was crossed a stunned nation watched in disbelief to learn the ultimate fate of the...Angels of Death.The Luftwaffe the most feared weapon in Hitler's arsenal wrought havoc across the fields and skies of Europe. From the London blitz to the air war over Stalingrad from the destruction of Rotterdam to the ruthless violation of the Maginot Line World War II brought air warfare to new heights. Colorful devious and driven by dreams of glory Hermann Goering was Hitler's second-in-command and mastermind behind Germany's deadliest war machine-the angels of death the Luftwaffe. Here is the story of the ultimate military campaign and its leader Hermann Goering.; ['History'],"

"The Quick Red Fox; From a beloved master of crime fiction The Quick Red Fox is one of many classic novels featuring Travis McGee the hard-boiled detective who lives on a houseboat. She's the opposite of a damsel in distress: a famous movie star very beautiful very much in control of her life. She's just made one little mistake and now she needs Travis McGee to set it right. The money is good and Travis's funds are in need of replenishing. But that's not the only reason he takes the case. There is the movie star's assistant-efficient and reserved with a sadness underneath that makes McGee feel he'd brave any danger to help her. "John D. MacDonald is a shining example for all us in the field. Talk about the best."—Mary Higgins Clark Sultry movie star Lysa Dean has gotten herself into a spot of blackmail posing for naked photos while participating in a debauched party near Big Sur. If the pictures get out Lysa's engagement to her rich strait laced fiancé doesn't stand a chance. Enter Travis McGee who's agreed to put a stop to the extortion working alongside Lysa's assistant Dana Holtzer. They begin by tracking down everyone associated with the lurid evening and soon enough they're led on a chase across the nation as murder after murder piles up. Further complicating matters Travis and Dana's relationship soon turns steamy. And just when he thinks he knows exactly where things are headed one big twist shakes McGee's life to the very foundation. Features a new Introduction by Lee Child; ['Fiction'], "

"The Complete Idiot's Guide to Verbal Self-Defense; Offers advice on identifying the verbal bullies in one's life determining the difference between abuse and ""kidding around"" turning negative comments to one's advantage and delivering verbal defense appropriately and confidently; ['Reference'], "

"Eighth Army: The Triumphant Desert Army That Held the Axis at Bay from North Africa to the Alps 1939-45; Canadian-born flying ace Raymond Collishaw (1893-1976) served in Britain's air forces for twenty-eight years. As a pilot in World War I he was credited with sixty-one confirmed kills on the Western Front. When World War II began in 1939 Air Commodore Collishaw commanded a Royal Air Force group in Egypt. It was in Egypt and Libya in 1940-41 during the Britain's Western Desert campaign that he demonstrated the tenets of an effective air-ground cooperation system. Flying to Victory examines Raymond Collishaw's contribution to the British system of tactical air support—a pattern of operations that eventually became standard in the Allied air forces and proved to be a key factor in the Allied victory. The British Army and Royal Air Force entered the war with conflicting views on the issue of air support that hindered the success of early operations. It was only after the chastening failure of Operation Battleaxe in June 1941 fought according to army doctrine that Winston Churchill shifted strategy on the direction of future air campaigns—ultimately endorsing the RAF's view of mission and target selection. This view adopted principles of air-ground cooperation that Collishaw had demonstrated in combat. Author Mike Bechthold traces the emergence of this strategy in the RAF air campaign in Operation Compass the first British offensive in the Western Desert in which Air Commodore Collishaw's small force overwhelmed its Italian

counterpart and disrupted enemy logistics. Flying to Victory details the experiences that prepared Collishaw so well for this campaign and that taught him much about the application of air power especially how to work effectively with the army and Royal Navy. As Bechthold shows these lessons learned altered the Allied approach to tactical air support and ultimately changed the course of the Second World War.; ['Biography & Autobiography'],"

"Japanese Treasures: The Art of Netsuke Carving in the Toledo Museum of Art; Catalogue of Japanese netsuke in the collection of the Toledo Museum of Art including the early holdings of Noah H. Swayne and Harry Fee and the recent donation by Richard R. Silverman.; ['Art'],"

"The Point in the Market: A Mamur Zapt Mystery (Mamur Zapt Mysteries); It's World War I. Britain's shadow government headed by its Agent and Consul General under the nominal authority of Egypt's hereditary ruler the Khedive has ruled Egypt since 1881. The head of the Secret Police is the Mamur Zapt an office currently held by a Welshman Captain Gareth Cadwallader Owen. And as the clouds of the war further darken Egypt's sun-lit skies he has his hands full. On the professional front there's all that commotion that started in Cairo's Camel Market. On the personal side Owen has married his longtime lover the lovely Pasha's daughter Zeinab. Their union comes with serious consequences for both of them and is riddled with political and social pitfalls. Neither can be fully accepted by the other's culture and community. Against this the perils of the Great War pale.....; ['Fiction'],"

"The Last Town on Earth: A Novel; A town under quarantine during the 1918 flu epidemic must reckon with forces beyond their control in a powerful sweeping novel of morality in a time of upheaval "An American variation on Albert Camus' The Plague."—Chicago Tribune NAMED ONE OF THE BEST BOOKS OF THE YEAR BY USA TODAY AND CHICAGO TRIBUNE • WINNER OF THE JAMES FENIMORE COOPER PRIZE FOR HISTORICAL FICTION Deep in the mist-shrouded forests of the Pacific Northwest is a small mill town called Commonwealth conceived as a haven for workers weary of exploitation. For Philip Worthy the adopted son of the town's founder it is a haven in another sense—as the first place in his life he's had a loving family to call his own. And yet the ideals that define this outpost are being threatened from all sides. A world war is raging and with the fear of spies rampant the loyalty of all Americans is coming under scrutiny. Meanwhile another shadow has fallen across the region in the form of a deadly virus striking down vast swaths of surrounding communities. When Commonwealth votes to quarantine itself against contagion guards are posted at the single road leading in and out of town and Philip Worthy is among them. He will be unlucky enough to be on duty when a cold hungry tired—and apparently ill—soldier presents himself at the town's doorstep begging for sanctuary. The encounter that ensues and the shots that are fired will have deafening reverberations throughout Commonwealth escalating until every human value—love patriotism community family friendship—not to mention the town's very survival is imperiled. Inspired by a little-known historical footnote regarding towns that quarantined themselves during the 1918 epidemic The Last Town on Earth is a remarkably moving and accomplished debut.; ['Fiction'],"

"Still-life paintings from the Netherlands 1550-1720; This stunning book presents the very best still lifes produced in the Netherlands at the height of the genre from the early beginnings in the 16th century with Pieter Aertsen and Joachim Beuckelaer to the late highlights in the 18th

century with Rachel Ruysch and Jan van Huysum. Despite the popularity and abundance of flower paintings in modern collections the book includes a wide range of subjects and styles from the simple to the complex the charmingly small to the opulent and extravagant and from flowers to hunting still lifes or objects in the corner of a painter's studio along with an occasional trompe l'oeil. The visual delights of still-life painting have a strong historical context. Collectors and connoisseurs purchased them because of their realism visual appeal and relevance to their own lives. Poets praised the wonders of still-life paintings and evoked the power of painting to transcend the seasons and the passing of time. Contemporary observers lauded the expensive and elaborate objects often on display. The book therefore considers the visual achievement of the Netherlandish still life painters in the context of contemporary reactions to pictures art theory and issues of patronage. Numerous artists were tempted to try their hand at still life drawn by a new and enchanting genre that allowed an artist to create independent worlds of inanimate objects on the flat surface of a picture -- imaginary realms that had an exceptional following among connoisseurs of the time. These images continue to work their magic on present-day art lovers.; ['Art'], "

"Le Mans 24 Hours: The Complete Story of the World's Most Famous Motor Race; This was a very important period in the Le Mans story. Ferrari and Jaguar raced to stake claims as the foremost manufacturers of high-performance cars. Mercedes-Benz came back from war-ravaged Germany and again set the standards in race-car engineering. Aston Martin finally won at its 20th attempt. Enormous crowds - approaching half a million people - saw the first rear-engined saloons to compete at Le Mans and the first mid-engined sports-racing cars and the first diesels. On-track performance soared. In 1949 the fastest car hit 135mph on the unique Mulsanne straight. Before the end of the 1950s top speeds exceeded 180mph. This fascinating book tells the stories of these increasingly potent racing cars and conveys the punishing nature of an incomparable event - the ultimate test of the mental and physical abilities of the fragile individuals who make up racing teams be they drivers engineers strategists or mechanics. Highly detailed year-by-year coverage of the decade's ten races giving over 30 pages of information and photographs for each year. - Official status provides a number of unique features including the reproduction of the full-color race poster artwork for each year and photographs from the ACO's archives. - The images include rare color and the emphasis is on photographs that enthusiasts will not have seen before. - The story of each race is told through photographs and an accompanying commentary. - Complete data for each year includes technical regulations entry list circuit changes (with diagram) lap chart full results and category awards. - The whole work is beautifully designed and presented. - The 1950s was a decade of post-war recovery with defeated Germany providing only one of the period's race winners - Mercedes-Benz in 1952. Britain by contrast took six victories ?? five for Jaguar one for Aston Martin.; ['Sports & Recreation'], "

"Such Is My Love: A Study of Shakespeare's Sonnets; This book discusses the possibility of a homoerotic interpretation of Shakespeare's sonnets. It gives minute attention to the text as well as to the extensive scholarship which has generally resisted such an interpretation.; ['Erotic poetry English'], "

"Next Generation Real Estate; Die Digitalisierungswelle hat die Immobilienbranche erfasst und kaum ein Bereich wird davon unberührt bleiben. Diese Entwicklung wird von ""PropTechs"" flankiert eine Wortzusammensetzung aus ""Property"" und ""Technology"" die Unternehmen beschreibt die softwarebasierte Immobilien-Lösungen anbieten. Diese Unternehmen kommen zumeist aus der Immobilien- Bau- oder Finanzbranche und richten ihre Leistungen sowohl an Unternehmen (B2B) als auch an Endverbraucher (B2C). Sie verfolgen dabei das Ziel der Effizienzsteigerung bestehender Prozesse und/oder die Einführung neuer Technologien und Geschäftsmodelle. Es geht dabei in erster Linie nicht um Disruption sondern um Innovation. Die spannende Frage ist wie man sich als Unternehmen diesen mit rasanter Geschwindigkeit ankommenden Entwicklungen stellt und für sein Geschäftsfeld nutzen kann. Das Buch will diese Trends entlang der Wertschöpfungskette der Immobilienwirtschaft aufgreifen und beispielhaft vorstellen.; ['Business & Economics'],"

"A Coach's Life: My Forty Years in College Basketball; Legendary University of North Carolina basketball coach Dean Smith tells the full story of his fabled career and shares the life lessons taught and learned over forty years of unparalleled success as a coach and mentor. For almost forty years Dean Smith coached the University of North Carolina men's basketball program with unsurpassed success- on the court and in shaping young men's lives. In his long-awaited memoir he reflects on the great games teams players strategies and rivalries that defined his career and explains the philosophy that guided him. There's a lot more to life than basketball- though some may beg to differ- but there's a lot more to basketball than basketball and this is a book about basketball filled with wisdom about life. Dean Smith insisted that the fundamentals of good basketball were the fundamentals of character- passion discipline focus selflessness and responsibility- and he strove to unite his teams in pursuit of those values. To read this book is to understand why Dean Smith changed the lives of the players he coached from Michael Jordan who calls him his second father and who never played a single NBA game without wearing a pair of UNC basketball shorts under his uniform to the last man on the bench of his least talented team. We all wish we had a coach like Dean Smith in our lives and now we will have that chance.; ['Biography & Autobiography'],"

She is determined to learn the truth and to face a newly ignited passion for Seth who is too close for comfort despite his vows. When a new danger threatens her and her daughter Olivia must find the courage to confront her old demons ... and uncover a shocking secret buried in the long-forgotten past....; ['Fiction'], "

"35 Simple Studies on the Major Themes in Revelation; Blessed is he that readeth and they that hear the words of this prophecy and keep those things which are written therein: for the time is at hand. (Rev. 1:3). Behold I come quickly: blessed is he that keepeth the sayings of the prophecy of this book. (Rev. 22:7). The author of the book of the revelation is Jesus Christ (Rev. 22:16). The Lord intended that this book should be read and studied especially by His people (Rev. 1:3). It is not a sealed book as many suppose but one which is open and easy to understand (Rev. 22:10). Bearing these facts in mind we find the study of Revelation to be fascinating illuminating and deeply profitable instead of difficult and confusing. The messages in this volume constitute thirty-five radio sermons which were preached first over the Mutual Network and by foreign and short-wave stations around the world from August 1945 to April 1946. The response to these radio messages was so enthusiastic and the evident desire for light on the book of the Revelation so general that we soon decided to print these studies on one volume. Hence this book. No attempt has been made to present an exhaustive verse-by-verse exposition of the book but rather we have tried

to present the general outline the basic structure and the framework. We have dwelt at length on certain passages because they constitute the pillars of the book. Our purpose is to present clearly the general outline and structure and then the details will fall naturally into their proper places. If certain simple rules are followed in reading and studying it the book of the Revelation becomes clear logical and easily understood. We present here a few rules which should be observed before studying the book: 1. Revelation is not a dark book. It is a revelation. 2. It is not necessary for one to understand all the symbols and details if he is to gain a deeper knowledge of the book as a whole. One need not be able to identify every tree in the forest to appreciate the beauty of the forest as a whole. 3. Observe the rule of literal interpretation. The greatest curse of the Christian Church is the evil of spiritualizing the Bible. Although there are many symbols and signs in the book as in every other book and in our daily conversation the context indicates whether a passage is to be interpreted literally or symbolically. Interpret literally except where the context or grammatical structure clearly indicates that the reference is a symbol or a sign. 4. Approach the Book with a "fresh" mind. Try to forget the views you have held concerning the Book because others have declared it to be mysterious and beyond our understanding. Thousands of believers never read Revelation but carefully avoid it simply because someone told them it is a dark book and impossible to understand. Study the book for yourself. 5. Read the book prayerfully realizing that the Holy Spirit who infallibly inspired the book is also the person Who must illuminate the book. Never read a portion of scripture without first asking Him for light and guidance. We submit for your help the following simple outline of Revelation. Remember these five rules as you study it. If you will memorize the outline thoroughly and keep it clearly before your mind you will have no trouble filling in the details. Grand Rapids Michigan M. R. DeHaan;

"Mosaic (Star Trek Voyager); Discover the fascinating life story of Captain Kathryn Janeway of Star Trek: Voyager—a compelling tale of bravery loyalty tragedy and triumph. Deep in the unexplored reaches of the Delta Quadrant a surprise attack by a fierce Kazon sect leaves Captain Janeway fighting a desperate battle on two fronts: while she duels the Kazon warship in the gaseous mists of a murky nebula an away team led by Tuvok is trapped on the surface of a wilderness planet and stalked by superior Kazon ground forces. Forced to choose between the lives of the away team and the safety of her ship Captain Janeway reviews the most important moments of her life and the pivotal choices that made her the woman she is today. From her childhood to her time at Starfleet Academy from her first love to her first command she must once again face the challenges and conflicts that have brought her to the point where she must now risk everything to put one more piece in the mosaic that is Kathryn Janeway.; ['Fiction'], "

"The pollinators of Eden; John Boyd is back to delight readers of his superb first novel The Last Starship from Earth. Robert A. Heinlein wrote of it: ""This is the best anti-Utopia the strongest satire on trends in our present culture I have seen since '1984' appeared. I enjoyed its humor its half-buried allusions. The puns the almost-not-quite-quotations the thinly-veiled references to our 'real' world -- all of these delighted me. It belongs up at the top along with 'Brave New World' and '1984'." Dr. Freda Caron blond and beautiful had waited in vain for her fiance to disembark from Project Abie's recently returned starship. But Paul had unaccountably requested an extended tour of duty on ""The Planet of Flowers"" and in his stead he had sent an assistant Hal Polino with a verbal message and an exquisitely iridescent yellow tulip that not only had a plastic memory--but could talk! Freda soon realized she must unlock

the secrets of the flower planet and its strange hold on Paul through Hal. Hal's lack of methodology and unscientific irreverence constantly confuse Freda and they battle one another the ultra-rational world-of-tomorrow they inhabit and ultimately the strange sentient unearthly flower planet Freda journeys to explore. The climax of this shocking and oddly beautiful novel is bizarre and delightful. Another admirer of John Boyd's debut novel was Arthur C. Clarke who wrote: ""A fascinating novel that kept me amused and interested to the end. The future society it describes is one of the most convincing I've ever encountered.""; ['English fiction'], "

"A Man Without Words.; For more than a quarter of a century Ildefonso a Mexican Indian lived in total isolation set apart from the rest of the world. He wasn't a political prisoner or a social recluse he was simply born deaf and had never been taught even the most basic language. Susan Schaller then a twenty-four-year-old graduate student encountered him in a class for the deaf where she had been sent as an interpreter and where he sat isolated since he knew no sign language. She found him obviously intelligent and sharply observant but unable to communicate and she felt compelled to bring him to a comprehension of words. The book vividly conveys the challenge the frustrations and the exhilaration of opening the mind of a congenitally deaf person to the concept of language. This second edition includes a new chapter and afterword.; ['Social Science'], "

"The RIGHT WOMEN: A Journey Through the Heart of Conservative America; Explores how conservative women alienated by the feminist movement are assertive of themselves in different ways and support diverse causes including tax reform and deregulation; ['Social Science'], "

"Better Stock Trading: Money and Risk Management; An in-depth examination of money management methods for consistent trading success In Better Stock Trading Daryl Guppy shows readers how to improve returns by using good money management techniqueâ??not by increasing risk in trying to win more trades. Readers will learn how to level the market playing field by using the best money management strategies for their particular account size. From the straightforward two percent rule to pyramiding methods and overall portfolio management Guppy presents a selection of strategies which will allow any independent trader to capitalize on a rising market and protect funds when the bear takes over. He also shows readers how to study their own trading history and use this information to improve their trading future. Trading skill counts but money management gives independent traders the edge. Daryl Guppy (Australia) is an experienced and highly successful private trader. A member of IFTA and the Australian Technical Analyst's Association he is a popular speaker at international trading seminars in Australia and the Asia Pacific region. He is the author of five highly successful trading titles including Market Trading Tactics (0-471-84663-5) and is the Editorial Director of The Investors' International Bookshelf.; ['Business & Economics'], "

"Julie and Romeo; A deliciously funny and wickedly sexy novel of love found (finally!) and love threatened (inevitably) by the families who claim to love us best. Romeo Cacciamani and Julie Roseman are rival florists in Boston whose families have hated each other for as long as anyone can remember (what they can't remember is why). When these two vital lonely people see each other across a crowded lobby at a small business owners' seminar an intense attraction blooms that neither tries to squelch. They're not sure what fate has in store for them but they're not about to let something as silly as a generations-long feud stand in the way of finding out. That is not until Romeo's octogenarian mother Julie's meddling ex-husband and a cast of grown Cacciamani and Roseman children begin to intervene with a passionate hatred that matches their newly found love stroke for stroke. Think Montagues and Capulets think wise and witty and thoroughly modern. Julie and Romeo is a love story for the ages. All ages.; ['Fiction'], "

"THE SHERIFF TAKES A WIFE; In this classic novel of love at first sight from Debbie Macomber one woman learns to stand up for herself--and for love. A people pleaser through and through Christy Manning takes off work to drive from Seattle to Cougar Point Montana for the birth of her sister's first child. But when the blessed event arrives early her brother-in-law is M.I.A. and her sister refuses to leave without him. Things are looking hopeless until Christy calls Sheriff Cody Franklin. Even before he saves the day sparks are flying between them. There's just one problem: She's reluctantly accepted a proposal from another man. Cody has been burned before so when he learns that Christy is engaged he tries to forget about her. But try as he might the sheriff can't stay away.

Their intense connection is unlike anything Cody has felt before. No matter what choice Christy makes she's going to hurt someone. But at the end of the day if Christy can't learn to follow her heart she's going to lose out on something—and someone—special. Published by Debbie Macomber Books; ['Fiction'], "

"My Life as a List: 207 Things About My (Bronx) Childhood; A whimsical poignant and candid memoir of growing up in a post-Depression Jewish Bronx neighborhood captures the sights sounds personalities and other sensory impressions of the society that shaped her life on the eve of World War II. 12500 first printing.; ['Biography & Autobiography'], "  
"The White Nile; Relive all the thrills and adventure of Alan Moorehead's classic bestseller The White Nile -- the daring exploration of the Nile River in the second half of the nineteenth century which was at that time the most mysterious and impenetrable region on earth. "Fable; A REESE WITHERSPOON x HELLO SUNSHINE BOOK CLUB YA PICK Filled with all of the action emotion and lyrical writing that brought readers to Sky in the Deep New York Times bestselling author Adrienne Young returns with Fable the first book in this new captivating duology.

Welcome to a world made dangerous by the sea and by those who wish to profit from it. Where a young girl must find her place and her family while trying to survive in a world built for men. As the daughter of the most powerful trader in the Narrows the sea is the only home seventeen-year-old Fable has ever known. It's been four years since the night she watched her mother drown during an unforgiving storm. The next day her father abandoned her on a legendary island filled with thieves and little food. To survive she must keep to herself learn to trust no one and rely on the unique skills her mother taught her. The only thing that keeps her going is the goal of getting off the island finding her father and demanding her rightful place beside him and his crew. To do so Fable enlists the help of a young trader named West to get her off the island and across the Narrows to her father. But her father's rivalries and the dangers of his trading enterprise have only multiplied since she last saw him and Fable soon finds that West isn't who he seems. Together they will have to survive more than the treacherous storms that haunt the Narrows if they're going to stay alive. Fable takes you on a spectacular journey filled with romance intrigue and adventure.; ['Young Adult Fiction'], "

"Life and letters of Fenton John Anthony Hort (B.F.T); This book reveals the unorthodox beliefs of Westcott and Hort who are the men most responsible for the 'new' Greek text that underlies the 'new' bible versions. Their heterodoxy blinded their intellects and prejudiced them adversely and unfairly in their textual theories of the Greek New Testament. This book contains 125 direct quotations of Westcott and Hort from 1291 pages as contained in five books by both men.; ['Religion'], "

"Luciferian Witchcraft; Second Edition completely revised and edited version now available! Luciferian Witchcraft is a complete grimoire of Left Hand Path initiation. Many books have been written of the so-called left hand path very few actually were written by initiates. Beginning with a lengthy exploration of the forms of the Adversary throughout history a foundation of ideology is given by identification with the Adversary. The reader is then led through dark and twisting corridors with Four Chapters a complete system of the History of the Adversary and the Witchcraft associated with the Left Hand Path. What is found within Luciferian Witchcraft is a Talismanic text which presents the medieval concepts of the Black Book being a conjuration itself of the Devil a complete initiatory system detailing High Ceremonial Magick The lore of the Adversary and ritualistic and forbidden sex magick. Approach with caution you may open the gates of hell within'; ['Religion'], "

"How Great Generals Win; ""An astute military historian's appraisal of what separates the sheep from the wolves in the great game of War." -- Kirkus Reviews If a key to military victory is to ""get there first with the most"" the true test of the great general is to decide where ""there"" is--the enemy's Achilles heel. Here is a narrative account of decisive engagements that succeeded by brilliant strategy more than by

direct force. The reader accompanies those who fought from Roman legionaries and Mongol horsemen to Napoleonic soldiery American Civil War Rebels and Yankees World War I Tommies Lawrence of Arabia's bedouins Chinese revolutionaries British Desert Rats Rommel's Afrika Korps and Douglas MacArthur's Inchon invaders. However varied their weapons the soldiers of all these eras followed a commander who faced the same obstacles and demonstrated the strategic and tactical genius essential for victory. ""All warfare is based on deception"" wrote Sun Tzu in The Art of War in 400 BCE. Bevin Alexander shows how great generals have interpreted this advice and why it still holds true today.; ['History'], "Pragmatics (Language Workbooks); In Pragmatics the study of meaning derived from context Jean Stilwell Peccei offers a practical introduction to this core area of linguistics. Pragmatics: encourages the reader to look at different levels of meaning within sentences provides a basic understanding of key pragmatic concepts introduces two highly influential approaches to pragmatics: the Co-Operative Principle and Speech Act Theory encourages the reader to apply basic analytical tools to real data eg. advertising language and children's conversations provides a range of activities discussion questions an answer key and further reading.; ['Language Arts & Disciplines'], "Institutions and Social Conflict (Political Economy of Institutions and Decisions); A thorough critique of theories of institutional change followed by the development of a new theory emphasising the role of distributional conflict in the emergence of social institutions.; ['Political Science'], "Emotional Honesty & Self-Acceptance; There is no excuse for not teaching preventive healthy coping strategies to prepare kids for their teenage years. -- Ronald R. Brill In his innovative book Emotional Honesty & Self-Acceptance Ronald Brill a former university professor and health educator argues that youth can learn how to self-manage upsetting and stressful experiences. This work explains the relationship between recognizing and dealing with emotional pain which is essential to avoid harmful behavior toward ones self and others. Since the book was published in 2000 he continues to research and develop training programs for educators including advising schools and student services professionals so they can more effectively help students learn and practice brain-based coping skills to reduce thigh risk emotional stress. This book contains guiding principles used in classroom programs he introduced to over 700 4th to 6th grade elementary students from 2002 to 2008. His virtual classroom website [www.copingskills4kids.net](http://www.copingskills4kids.net) helps schools parents and counselors guide children in the use of healthy and safe coping skills. The book and website are designed to enable recovery from everyday emotional pain caused by loss rejection betrayal and humiliation. He refers to these as universal core Emotionally Wounding Experiences. Like physical wounds emotional ones can also be infected if left unattended or ignored. His classroom programs prove that by age of nine students can learn these lessons to begin preparing for the turbulent teenage years. Violence prevention is an important benefit of developing emotional resilience and self-acceptance. The authors commitment to brain-based coping skills learning is now shared by tens of thousands of individuals and institutions around the world seeking new ways to help youth avoid harming others for the emotionally wounds they may otherwise have not learned to heal. The 300-page book uses analysis of school shooting incidents to advocate new strategies schools and

parents can use to boost kids coping confidence needed to more easily get over inevitable emotionally painful and stressful experiences. It is written for mature teenagers and adults. This powerful tool provides evidence to those advocating coping skills education programs at home and school. This approach with todays youth can make them more responsible and self-accepting persons. It also helps them develop new capabilities to deal with the emotional challenges and changes during adolescence. Some Introductory Chapter Titles: What We Dont Know About Hurt Feelings Can Kill Us! Seven Important Qualities of Feelings The American Way of Denying Hurt Feelings Our Vulnerable Sense of Self The Danger of Hiding Hurt Feelings Four Core Emotionally Wounding Experiences;

[ 'Psychology' ], "

"Mission to Saturn: Cassini and the Huygens Probe (Springer Praxis Books / Space Exploration); Saturn is back in the news! The Cassini/Huygens spacecraft a joint venture by NASA and the European Space Agency is on its way to Saturn where it will arrive in July 2004. During 2005 it will explore beneath the clouds of Titan Saturn's largest moon and possible home for extraterrestrial life. There are as yet no books devoted to the Cassini/Huygens mission aimed at the 'space enthusiast' market. David Harland's book explains how the Cassini/Huygens mission was planned how it operates and how its observations will fit in with our existing knowledge of the Saturn system.; [ 'Science' ], "

"Tis: A Memoir; Frank McCourt's glorious childhood memoir Angela's Ashes has been loved and celebrated by readers everywhere for its spirit its wit and its profound humanity. A tale of redemption in which storytelling itself is the source of salvation it won the National Book Critics Circle Award the Los Angeles Times Book Award and the Pulitzer Prize. Rarely has a book so swiftly found its place on the literary landscape. And now we have 'Tis the story of Frank's American journey from impoverished immigrant to brilliant teacher and raconteur. Frank lands in New York at age nineteen in the company of a priest he meets on the boat. He gets a job at the Biltmore Hotel where he immediately encounters the vivid hierarchies of this "classless country" and then is drafted into the army and is sent to Germany to train dogs and type reports. It is Frank's incomparable voice-his uncanny humor and his astonishing ear for dialogue-that renders these experiences spellbinding. When Frank returns to America in 1953 he works on the docks always resisting what everyone tells him that men and women who have dreamed and toiled for years to get to America should "stick to their own kind" once they arrive. Somehow Frank knows that he should be getting an education and though he left school at fourteen he talks his way into New York University. There he falls in love with the quintessential Yankee long-legged and blonde and tries to live his dream. But it is not until he starts to teach-and to write-that Frank finds his place in the world. The same vulnerable but invincible spirit that captured the hearts of readers in Angela's Ashes comes of age. As Malcolm Jones said in his Newsweek review of Angela's Ashes "It is only the best storyteller who can so beguile his readers that he leaves them wanting more when he is done...and McCourt proves himself one of the very best." Frank McCourt's 'Tis is one of the most eagerly awaited books of our time and it is a masterpiece.; [ 'Biography & Autobiography' ], "

"Penguins!; This book looks at the penguins - an enduringly popular and fascinating group of birds. Penguins are associated in the public consciousness with the icecap of the south pole and we are all familiar

with images of male Emperor Penguins clustered together through the long night of the Antarctic winter as they incubate the single egg on their feet. However several species occur in warmer regions further north in southern Africa South America Australia New Zealand and even the Galapagos. All are flightless but are beautifully adapted swimmers and divers and many are able to travel at high speeds on dry land by means of spectacular leaps and belly-slides. Most species breed in close-knit colonies and exhibit a complex system of social behaviour. This book looks at all aspects of penguin evolution biology ecology and sociobiology as well as conservation issues affecting the group. It is illustrated with line drawings and black and white photographs and has a full-colour photographic section.""; ['Science'], "

"Land & Taxation (Georgist Paradigm); In dit eerste los te lezen boek over de vrouwen van Kiward reis je terug naar Nieuw-Zeeland in de 19e eeuw waar de levens van Helen en Gwyn onverbrekelijk verbonden raken. Het is 1852 en in Londen gaan twee jonge vrouwen aan boord van een schip dat hen naar het verre Nieuw-Zeeland en een betere toekomst moet brengen. De adellijke Gwyneira is een huwelijk met de zoon van een rijke landeigenaar beloofd en ze hoopt met haar reis naar de andere kant van de wereld ook haar benauwende leven in Engeland te ontvluchten. De jonge gouvernante Helen heeft zich per brief verloofd met een Nieuw-Zeelandse boer op zoek naar een Engelse bruid. Nu is ze op weg naar een man die ze nooit heeft gezien of gesproken om met hem haar leven te delen. Gwyneira en Helen gaan op zoek naar geluk in een land dat beschreven wordt als een paradijs maar vinden een nieuwe samenleving die allesbehalve perfect is. In een wereld die snel vijandiger wordt kunnen ze alleen op elkaar vertrouwen.

'Het land van belofte' is een meeslepende roman over liefde en haat vrienden en vijanden de vrouwen van Kiward Station en de lotgevallen van twee families die onverbrekelijk met elkaar verbonden raken. Het verhaal

van Gwyn Helen en hun families gaat verder in de boeken 'Het lied van de wolken' en 'De roep van het land'.; ['Fiction'], "

"Reason and emotion; This book brings together twenty-three distinctive and influential essays on ancient moral philosophy--including several published here for the first time--by the distinguished philosopher and classical scholar John Cooper. The volume gives a systematic account of many of the most important issues and texts in ancient moral psychology and ethical theory providing a unified and illuminating way of reflecting on the fields as they developed from Socrates and Plato through Aristotle to Epicurus and the Stoic philosophers Chrysippus and Posidonius and beyond. For the ancient philosophers Cooper shows here morality was ""good character"" and what that entailed: good judgment sensitivity openness reflectiveness and a secure and correct sense of who one was and how one stood in relation to others and the surrounding world. Ethical theory was about the best way to be rather than any principles for what to do in particular circumstances or in relation to recurrent temptations. Moral psychology was the study of the psychological conditions required for good character--the sorts of desires the attitudes to self and others the states of mind and feeling the kinds of knowledge and insight. Together these papers illustrate brilliantly how by studying the arguments of the Greek philosophers in their diverse theories about the best human life and its psychological underpinnings we can expand our own moral understanding and imagination and enrich our own moral thought. The collection will be crucial reading for anyone interested in classical philosophy and what it can contribute to reflection on contemporary questions about ethics and human life.;

['Philosophy'], "

"Sisters In Law: Women Lawyers in Modern American History; Ranging from the 1860s when women first sought entrance into law to the 1930s when most institutional barriers had crumbled this book defines the contours of women's integration into the most rigidly gendered profession.;

"Illness and Culture in the Postmodern Age; Modern medicine traditionally separates disease - an objectively varified disorder - from illness - a patient's subjective experience. Postmodern medicine the author says can make no such distinction instead it demands a biocultural model situating illness at the crossroads of biology and culture. Maladies such as chronic fatigue syndrome and post-traumatic stress disorder signal our awareness that there are biocultural ways of being sick.; ['Medical'], "

"A Kiss Away (Second Chance at Love); After arriving on a lush Pacific island Eulalie Grace LaRue is to be finally reunited with the absent father she hasn't seen since childhood. Yet before her long dreamed-of meeting can take place the lovely but pampered Southern belle is caught in the crossfire of a violent revolution and thrown into the rugged arms of American mercenary soldier Sam Forester. On the run in the jungle this battle-scarred soldier of fortune hasn't a clue what to do with the naive blonde in his care. Survival is his top priority but he can not resist Lollie's endearing helpless and laughable charm...or deny the growing attraction between them. Though Sam thrives on chance and risk falling in love is the one chance he isn't willing to take. Powerless against the desire that consumes them both Lollie surrenders to his passionate embrace. But when he dismisses her affections she is determined to fight for him to prove that in the steamy heat of paradise two hearts can find the love of a lifetime.; ['Fiction'], "

"Probability Models (Springer Undergraduate Mathematics Series); Probability Models is designed to aid students studying probability as part of an undergraduate course on mathematics or mathematics and statistics. It describes how to set up and analyse models of real-life phenomena that involve elements of chance. Motivation comes from everyday experiences of probability via dice and cards the idea of fairness in games of chance and the random ways in which say birthdays are shared or particular events arise. Applications include branching processes random walks Markov chains queues renewal theory and Brownian motion. No specific knowledge of the subject is assumed only a familiarity with the notions of calculus and the summation of series. Where the full story would call for a deeper mathematical background the difficulties are noted and appropriate references given. The main topics arise naturally with definitions and theorems supported by fully worked examples and some 200 set exercises all with solutions.; ['Mathematics'], "

"In memoriam; Composed by Alfred Tennyson as a requiem for his college friend Arthur Henry Hallam who died suddenly of a cerebral hemorrhage in 1833 ""In Memoriam A. H. H." is a poem written over a seventeen year period and completed in 1849. Widely considered as one of the greatest poems of the Victorian era it is a richly lyrical work which meditates on the search for hope in the wake of a great loss. The length of this work and the period of time in which Tennyson took to complete it speaks volumes as to the personal impact of the loss of such a close friend. Central to this work is an examination of death and spirituality as part of the grieving process. Tennyson's psyche can be seen transforming through the course of this work. What begins as a spirit filled with doubt and despair transforms into one of faith and hope by the end of the work. ""In Memoriam A. H. H." is a powerful examination of death and loss one in which the author exposes a very personal process of how he dealt with the loss of one of his closest friends.; ['Poetry'], "

"Brave Men; Ernie Pyle was a Pulitzer Prize-winning American journalist. This is his first hand account of life on the European front-line during World War II. Written with touching sympathy and humanism Brave Men offers a poignant description of the everyday experiences of American foot soldiers; their courage humanism and unshakeable camaraderie. A must-read war memoir.; ['History'], "

"Your Right To Be Rich; Dr. Napoleon Hill's landmark book Think and Grow Rich does not restrict the concept of riches to such narrow parameters as fortune and fame. You have the right to be rich and you deserve to be rich in every way—personally and spiritually—as well as financially. This seemingly simple idea spawned a philosophy about wealth and success that has permeated every generation since its inception. Your Right to Be Rich gathers transcripts from the most vital and important speeches given by Napoleon Hill. Available in the past only as audio editions and sound-bite snippets transcripts from these speeches will be presented in print for the first time here.; ['Self-Help'], "

"SYNOPTIC HISTORY OF CLASSICAL RHETORIC; Continuing its tradition of providing students with a thorough review of ancient Greek and Roman rhetorical theory and practices A Synoptic History of Classical Rhetoric is the premier text for undergraduate courses and graduate seminars in the history of rhetoric. Offering vivid examples of each classical rhetor rhetorical period and source text students are led to understand rhetoric's role in the exchange of knowledge and ideas. Completely updated throughout Part I of this new edition integrates new research and expanded footnotes and bibliographies for students to develop their own scholarship. Part II offers eight classical texts for reading study and criticism and includes discussion questions and keys to the text in Part I.; ['Language Arts & Disciplines'], "

"THROUGH A GLASS DARKLY; Barbara Alderly's marriage to Roger Montgeoffrey--twenty-seven years her senior--seems a dream come true

until his plans for building a magnificent estate with the proceeds of her dowry turn the marriage into a nightmare. Reprint.; ['Fiction'], "

"Palladius: The Lausiac History; Palladius has written an important history of early monasticism in Egypt with these biographic sketches or notes on some sixty holy men and women he had met or heard of. The work dating from 419 or 420 is dedicated to Lausus the royal chamberlain at the court of Emperor Theodosius II.; ['Desert Fathers'], "

"The Untold Story of Shiloh: The Battle and the Battlefield; At the mention of Shiloh most tend to think of two particularly bloody and crucial days in April 1862. The complete story however encompasses much more history than that of the battle itself. While several accounts have taken a comprehensive approach to Shiloh significant gaps still remain in the collective understanding of the battle and battlefield. In The Untold Story of Shiloh Timothy B. Smith fills in those gaps looking beyond two days of battle and offering unique insight into the history of unexplored periods and topics concerning the Battle of Shiloh and the Shiloh National Military Park. This collection of essays some previously unpublished tackles a diverse range of subjects including Shiloh's historiography the myths about the battle that were created and the mindsets that were established after the battle. The book reveals neglected military aspects of the battle such as the naval contribution the climax of the Shiloh campaign at Corinth and the soldiers' views of the battle. The essays also focus on the Shiloh National Military Park's establishment and continuation with particular emphasis on those who played key roles in its creation. Taken together the essays tell the overall story of Shiloh in greater detail than ever before. General readers and historians alike will discover that The Untold Story of Shiloh is an important contribution to their understanding of this crucial episode in the Civil War. Timothy B. Smith is on staff at the Shiloh National Military Park. He is author of Champion Hill: Decisive Battle for Vicksburg and This Great Battlefield of Shiloh: History Memory and the Establishment of a Civil War National Military Park.;

"Tuneful tales; As enigmatic and contradictory as far West Texas has always been it is nevertheless surprising to learn that in 1925 its desert germinated a slender but vibrant shoot of the Harlem Renaissance. Isolated on the U.S.-Mexico border far from any metropolitan African-American community or literary influences Bernice Love Wiggins a perceptive young poet self-published her first apparently only book of poetry. One of only a handful of black writers in Texas in the 1920s and 1930s Wiggins was contemporary with Langston Hughes Countee Cullen and Zora Neale Hurston and was among the first female African-American poets published in the United States. Just as the Harlem movement focused on experiences of black Americans who sought relief from racism and endeavored to build communities Tuneful Tales gives voice to the many-sided black experience in remote El Paso. Whatever Wiggins may have known of her contemporaries more than half a continent away or of the movement itself may never be clear. Disappointingly after her move to California in the early 1930s the trail grows cold. Yet the composed young woman who gazes so wisely if dreamily from her high school photographs evoked her personae so compellingly in both timbre and substance that great folklorist and critic J. Mason Brewer proclaimed her the female Paul Laurence Dunbar. Ethiopia Speaks Lynched! Somewhere in the South the ""Land of the Free"" To a very strong branch of a dogwood tree. Lynched!

One of my sons -- When the flag was in danger they answered the call I gave them black sons ah! yes gave them all When you came to me. And Now Goodnight I have told you tuneful tales Gathered from the hills and vales Wheresoever mine own people chanced to dwell. If the tales have brought you mirth Brought more laughter to the earth It is well. Maceo Dailey is the director of the African American Studies Program of the University of Texas El Paso and a governor's appointee to the Texas Council For The Humanities and Juneteenth Commission.; ['Poetry'], "

"Sky: Memoirs (European Sources); ""In France Blaise Cendrars (1887-1961) a friend of Chagall Leger Picasso Braque Picabia and Modigliani has emerged as one of the great figures of modernism. Together with Apollinaire he brought cubism to French poetry. Anais Nin hailed him as ""one of France's best writers"" and the Village Voice called him ""the Indiana Jones of French literature.""" Translated into English for the first time Sky the last of Cendrars's four autobiographical volumes weaves together a dazzling collage of prose poetry travel writing reportage detective story and personal memoir. ""His life itself reads like the Arabian Nights Entertainment"" writes Henry Miller. In Sky Cendrars recounts his adventures in Russia during the revolution of 1905 in the trenches of World War I (where he lost his right arm) in Brazil in the 1920s and behind the lines during World War II. The two wars run throughout as a unifying thread.""" As the title announces this is a memoir of the sky - of Cendrars's love of birds levitation and aviation. The opening of the book finds Cendrars the great adventurer and traveler sailing back from Brazil to Paris with 250 multi-colored birds hoping to bring at least one of them alive to a child he loves. The second part moves back and forth between the author's recollections of life as a war correspondent in 1940 and an encyclopedic discourse on levitation he wrote in search of a patron saint of aviation (perhaps as compensation for the death of his young son Remy who was a pilot during the war).""

"With unmatched exuberance Cendrars writes on poetry myths existentialism his life in Paris between the wars with the painter Delaunay and the Dadaists and his exotic adventures in Brazil. His anecdotes of Russia where he was a jeweler's assistant are compelling and funny. His fiercely imaginative stories such as one about a Brazilian coffee plantation owner who obsessed with his love for Sarah Bernhardt retreats into the wilderness are magical. Descriptions of birds stars and countryside are sheer poetry. For good reason Henry Miller writes how Cendrars has knocked me cold.""""--BOOK JACKET.Title Summary field provided by Blackwell North America Inc. All Rights Reserved; ['Adventure and adventurers'], "

"Space the Dormant Frontier: Changing the Paradigm for the 21st Century; This unique look at the state of the U.S. space program examines the

"Do institutional investors destabilize stock prices?: Evidence on herding and feedback trading (NBER working papers series); The Handbook of Investors' Behavior during Financial Crises provides fundamental information about investor behavior during turbulent periods such the 2000 dot com crash and the 2008 global financial crisis. Contributors share the same behavioral finance tools and techniques while analyzing behaviors across a variety of market structures and asset classes. The volume provides novel insights about the influence and effects of regional differences in market design. Its distinctive approach to studies of financial crises is of key importance in our contemporary financial landscape even more so since the accelerated process of globalization has rendered the outbreak of financial crises internationally more commonplace compared to previous decades.

Encompasses empirical quantitative and regulation-motivated studies Includes information about retail and institutional investor behavior Analyzes optimal financial structures for the development and growth of specific regional economies; ['Business & Economics'], "

"Gyorgy Ligeti: Contemporary Composer (The Contemporary Composers); This anthology of essays interviews and autobiographical pieces provides an invaluable overview of the evolution of contemporary music—from chromaticism serialism and indeterminacy to jazz vernacular electronic and non-Western influences. Featuring classic essays by Stravinsky Stockhausen and Reich as well as writings by lesser-known but equally innovative composers such as Jack Beeson Richard Maxfield and T. J. Anderson this collection covers a broad range of styles and approaches. Here you will find Busoni's influential ""Sketch of a New Esthetic of Music""; Partch's exploration of a new notation system; Babbitt's defense of advanced composition in his controversial ""Who Cares If You Listen?""; and Pauline Oliveros's meditations on sound. Now updated with fifteen new composers including Michael Tippet György Ligeti Gunther Schuller Ben Johnston Sofia Gubaidulina and William Bolcom this important book gathers together forty-nine pieces—many out of print and some newly written for this volume—which serve as a documentary history of twentieth-century music in theory and practice. Impassioned provocative and eloquent these writings are as exciting and diverse as the music they discuss.; ['Music'], "

"The Fourth Thousand Years - From David To Christ From David to Christ; There is no period when the distant roar of history can be heard pounding on the pages of the past with greater fury than during the ten savage centuries known as The Fourth Thousand Years. This was the age of the first world empires the days when Assyria Babylon Greece and Rome each displayed their passion for power. It was an age which demanded the resounding and inspired voices of many of God's greatest spokesmen. The turbulent chaos of these centuries brought forth many mighty prophets of God -- Elijah Elisha Isaiah Jeremiah Ezekiel Jonah Lehi Nephi Daniel Zechariah and many others. The lives and times of all these men are in these pages. This is the third and final volume of this series dealing with the Old Testament. The volumes which preceded it were entitled: The First 2000 Years which covered the period from Adam to Abraham and The Third Thousand Years which covered Bible history from Abraham to David. This present volume deals with the exciting scriptural epic which emerged between the time of David and the coming of Christ. For those who find the Old Testament arduous reading these three books should prove especially inspirational and helpful. This eBook includes the original index illustrations footnotes table of contents and page numbering from the printed format.; ['Religion'],"

"Claymore Vol. 1; A New York Times best selling multi-arc character-driven story with great battles and strong-willed females that will appeal to males and females alike. In a world where monsters called Yoma prey on humans and live among them in disguise humanity's only hope is a new breed of warrior known as Claymores. Half human half monster these silver-eyed slayers possess supernatural strength but are condemned to fight their savage impulses or lose their humanity completely. The Claymore warrior Teresa has broken the cardinal rule that forbids her kind from killing humans. In time a group of Claymores comes to kill her and yet Teresa defeats them all with her superior skill and experience. But rather than slay the powerful ringleader Teresa decides to spare her instead--an act of human weakness that will have devastating consequences for them all.; ['Comics & Graphic Novels'],"

Students can improve their test-taking skills by taking the book's two practice SSAT exams or its two practice ISEE exams. All test questions are answered and explained. The book also includes extensive practice and review exercises in: Verbal skills Reading comprehension Analogies Essay writing Mathematics Review material is set up in a way that will help students recognize and pinpoint areas where they need more intensive study.; ['Study Aids'], "

"Selection of Modern Italian Poetry in Translation; What was Italian poetry like in the years of extraordinary historical intellectual aesthetic and spiritual change between the 1860s and the Unification of Italy in the 1960s? In A Selection of Modern Italian Poetry in Translation Roberta Payne provides a bilingual collection of ninety-two poems by thirty-five Italian poets including works of classicism and passionate decadentism examples of crepuscularism and poetry by Ungaretti Montale and Quasimodo. Payne pays particular attention to poets of the fifties and sixties futurists and female poets. She notes that the futurists who have rarely been translated were particularly important as they were truly original attempting to develop new notions of word line sound and phrase. Such new notions make translating them particularly challenging. She also offers a large sampling from poets of the fifties and sixties many of whom have won the Viareggio Prize. Poems by women in this volume reflect diverse schools and directions while maintaining a distinctly female voice. Containing the original Italian and the translation side-by-side this volume offers a wonderful introduction to Italian poetry to scholars and general readers alike.; ['Poetry'], "

"Wittgenstein's Lectures on the Foundations of Mathematics Cambridge 1939; For several terms at Cambridge in 1939 Ludwig Wittgenstein lectured on the philosophical foundations of mathematics. A lecture class taught by Wittgenstein however hardly resembled a lecture. He sat on a chair in the middle of the room with some of the class sitting in chairs some on the floor. He never used notes. He paused frequently sometimes for several minutes while he puzzled out a problem. He often asked his listeners questions and reacted to their replies. Many meetings were largely conversation. These lectures were attended by among others D. A. T. Gasking J. N. Findlay Stephen Toulmin Alan Turing G. H. von Wright R. G. Bosanquet Norman Malcolm Rush Rhees and Yorick Smythies. Notes taken by these last four are the basis for the thirty-one lectures in this book. The lectures covered such topics as the nature of mathematics the distinctions between mathematical and everyday languages the truth of mathematical propositions consistency and contradiction in formal systems the logicism of Frege and Russell Platonism identity negation and necessary truth. The mathematical examples used are nearly always elementary.; ['Philosophy'], "

"Job Seekers Guide to Silicon Valley Recruiters; Where to look and who to call for help in your job search. From computer programming to software design to website management technology is booming with employment opportunities. It's just a matter of finding them. "Zine Yearbook: Volume 6; When the first edition of The Media Monopoly was published in 1983 critics called Ben Bagdikian's warnings about the chilling effects of corporate ownership and mass advertising on the nation's news ""alarmist."" Since then the number of corporations controlling most of America's daily newspapers magazines radio and television stations book publishers and movie companies has dwindled from fifty to ten to five. The most respected critique of modern mass media ever issued is now published in a completely updated and revised twentieth anniversary edition. 'Ben Bagdikian has written the first great media book of the twenty-first century. The New Media Monopoly will provide a roadmap to understanding how we got here and where we need to go to make matters better.' -Robert McChesney author of Rich Media Poor Democracy; ['Social Science'],"

"Dog Island; When three bodies wash up on the beach of a remote island the locals must decide whether they should uncover the truth or let the mystery die with the victims. Nestled in an overlooked part of the Mediterranean Dog Island is home to a quiet and untouched community that has long lived off its fishing its vines and its olive trees far away from the turmoil its neighbors. But when the bodies of three unidentified men wash up on the beach the witnesses are faced with an impossible decision: report the discovery and open up the island to grisly inquiries or conceal the terrible truth? Resolving to preserve their way of life the mayor and a small group of conspirators resolve on a cover-up. But after they dispose of the evidence their act of deception continues to haunt them bringing waves of suspicion and misfortune to the island. A detective arrives from the mainland making their secret even harder to keep and threatening to destroy the very community they tried so hard to protect. With the blend of suspense keep observation and wit that has made Philippe Claudel's books international bestsellers Dog Island challenges our deepest assumptions about ourselves and offers a fierce and tragic fable for our times.; ['Fiction'],"

"Bedside Cardiology (Bedside Cardiology (Constant)); Essentials of Bedside Cardiology Second Edition like the first edition is designed for those who wish to balance technological advances with increased personal skill in history taking and physical examination. It is important to teach physicians that all technologies now in use for diagnosing cardiovascular disorders such as echocardiography can have false positive and false negative results. It is not always wise to rely on these technologies alone; indeed they may not even be available in some settings. Even when the full panoply of up-to-date techniques is at the physician's disposal the patient may not be a good candidate for an echocardiogram or the technician or reader may not be well qualified or the equipment itself may be substandard. Technology must be combined with physical examination to decide what is true and what is false. The practice of expert history taking and physical examination returns the physician to the actual patient where the physician can feel like a ""real doctor"" rather than a mere interpreter of laboratory data. Essentials of Bedside Cardiology Second Edition strives to teach and not simply to tell the facts relying on three basic methods derived from the psychology of teaching and learning: 1. Explain the facts. 2. Use a question and answer format-the Socratic method. 3. Provide tricks or mnemonics to help the reader remember the facts.; ['Medical'],"

"Facilitator's Guide to How the Brain Learns 3rd Edition; Help teachers discover how to use a simplified four-step model to differentiate

instruction accommodate children's developmental learning stages and correlate instruction with NCTM standards and curriculum focal points.; ; ['Brain'], "

"If You Have Kids Then Be a Parent : Exaggerated Re-enforcement Gets You Back to the Basics of Childrearing; The author of Punished by Rewards and The School Our Children Deserve builds on his parenting theories of working with children rather than trying to control them argues against practices that teach children that they must earn a parent's approval and presents techniques that promote desired child qualities through unconditional support. Reprint. 30000 first printing.; ; ['Family & Relationships'], "

"State Space and Input-Output Linear Systems; It is difficult for me to forget the mild sense of betrayal I felt some ten years ago when I discovered with considerable dismay that my two favorite books on linear system theory - Desoer's Notes for a Second Course on Linear Systems and Brockett's Finite Dimensional Linear Systems - were both out of print. Since that time of course linear system theory has undergone a transformation of the sort which always attends the maturation of a theory whose range of applicability is expanding in a fashion governed by technological developments and by the rate at which such advances become a part of engineering practice. The growth of the field has inspired the publication of some excellent books; the encyclopedic treatises by Kailath and Chen in particular come immediately to mind. Nonetheless I was inspired to write this book primarily by my practical needs as a teacher and researcher in the field. For the past five years I have taught a one semester first year graduate level linear system theory course in the School of Electrical Engineering at Cornell. The members of the class have always come from a variety of departments and backgrounds and consequently have entered the class with levels of preparation ranging from first year calculus and a taste of transform theory on the one extreme to senior level real analysis and abstract algebra on the other.; ; ['Science'], "

"Short Life of Christ (Highlights in the Life of Christ); In this work Professor Harrison does not attempt to retell the events in Christ's life; rather he analyzes the outstanding events and features of that life. He combines history biblical theology and apologetics in his study of the significant aspects of Christ's life.; ; ['Biography & Autobiography'], "

"Protecting Your Practice (Bloomberg Professional Library) (Bloomberg Financial); This is the benchmark book for building client relationships growing a practice and avoiding litigation--written in association with the world's leading organization for financial services professionals. Audience: Broker-dealers and their home-office personnel registered reps accountants tax advisers insurance agents and insurance companies wire houses fee and commission planners attorneys trust officers estate planners and development officers in planned-giving departments. As investors gravitate toward no-load mutual funds and do-it-yourself investing through discount brokers professionals are being squeezed by competition consumer wariness and tighter enforcement by the SEC NASD and state securities regulators. This book addresses these challenges helping anyone offering financial advice to be more competitive build client loyalty and avoid the liabilities that come with managing someone's money in today's complex investment environment. How to offer better service comply with key regulations maintain vital records with a minimum of

paperwork and protect a business from malpractice claims.; ['Business & Economics'],"

"The Detox Book: How to Detoxify Your Body to Improve Your Health Stop Disease and Reverse Aging 2nd Edition; If you have bad breath bleeding gums cavities or tooth pain—you need this book! If you suffer from asthma diabetes arthritis migraine headaches or any chronic illness and have not found relief this book could have the solution you need. All disease starts in the mouth! As incredible as it may seem most of the chronic and infectious illnesses that trouble our society today are influenced by the healthy of our mouths. Our mouths are a reflection of the health inside our bodies. If you have poor dental health you are bound to have other health problems. Despite regular brushing and flossing over 90 percent of the population has some degree of gum disease or tooth decay. Most people aren't even aware they have existing dental problems. Recent research has demonstrated a direct link between oral health and chronic illness. Simply improving the health of your teeth and gums can cure many chronic problems. More brushing flossing and mouthwash isn't the solution. What will work is Oil Pulling Therapy. Oil pulling is an age-old method of oral cleansing originating from Ayurvedic medicine. It is one of the most powerful most effective methods of detoxification and healing in natural medicine. In this book Dr. Fife combines the wisdom of Ayurvedic medicine with modern science. The science behind oil pulling is fully documented with references to medical studies and case histories. Although incredibly powerful Oil Pulling Therapy is completely safe and simple enough for even a child.; ['Health & Fitness'],"

"What social classes owe to each other (The Freeman); This collection seeks to place Pudd'nhead Wilson—a neglected textually fragmented work of Mark Twain's—in the context of contemporary critical approaches to literary studies. The editors' introduction argues the virtues of using Pudd'nhead Wilson as a teaching text a case study in many of the issues presently occupying literary criticism: issues of history and the uses of history of canon formation of textual problematics and finally of race class and gender. In a variety of ways the essays build arguments out of not in spite of the anomalies inconsistencies and dead ends in the text itself. Such wrinkles and gaps the authors find are the symptoms of an inconclusive even evasive but culturally illuminating struggle to confront and resolve difficult questions bearing on race and sex. Such fresh intellectually enriching perspectives on the novel arise directly from the broad-based interdisciplinary foundations provided by the participating scholars. Drawing on a wide variety of critical methodologies the essays place the novel in ways that illuminate the world in which it was produced and that further promise to stimulate further study. Contributors. Michael Cowan James M. Cox Susan Gillman Myra Jehlen Wilson Carey McWilliams George E. Marcus Carolyn Porter Forrest Robinson Michael Rogin John Carlos Rowe John Schaar Eric Sundquist; ['Literary Criticism'],"

"Polynomial Algorithms in Computer Algebra (Texts & Monographs in Symbolic Computation); For several years now I have been teaching courses in computer algebra at the Universitat Linz the University of Delaware and the Universidad de Alcala de Henares. In the summers of 1990 and 1992 I have organized and taught summer schools in computer algebra at the Universitat Linz. Gradually a set of course notes has emerged from these activities. People have asked me for copies of the course notes and different versions of them have been circulating for a few years. Finally

I decided that I should really take the time to write the material up in a coherent way and make a book out of it. Here now is the result of this work. Over the years many students have been helpful in improving the quality of the notes and also several colleagues at Linz and elsewhere have contributed to it. I want to thank them all for their effort in particular I want to thank B. Buchberger who taught me the theory of Grabner bases nearly two decades ago B. F. Caviness and B. D. Saunders who first stimulated my interest in various problems in computer algebra G. E. Collins who showed me how to compute in algebraic domains and J. R. Sendra with whom I started to apply computer algebra methods to problems in algebraic geometry. Several colleagues have suggested improvements in earlier versions of this book. However I want to make it clear that I am responsible for all remaining mistakes.; ['Mathematics'], "

"An April Shroud; A detective is drawn to a newly widowed woman in this "darkly funny" British murder mystery in the Gold Dagger Award-winning series (Kirkus Reviews). With his partner away on a honeymoon Yorkshire detective Andrew Dalziel tries to beat the blues by taking a vacation of his own. But after getting caught in a torrential rain and running into a funeral procession he winds up accompanying a crowd of upper-class mourners to a crumbling country house. Dalziel isn't known for his elegant manners but he has bigger problems than not fitting in: The owner of the home has died under unusual circumstances and soon more bodies are turning up. And while Dalziel finds himself undeniably attracted to the widow he knows that she and everyone in the family is a suspect. "Hill's high standards of humor and civilized characterization are intact here and justice and ambiguity are served in satisfactory fashion." -

Publishers Weekly Praise for Reginald Hill "Hill's polished sophisticated novels are intelligently written and permeated with his sly and delightful sense of humor . . . Enjoyable as much for their characters as for their complicated suspenseful mystery plots." -The Christian Science Monitor; ['Fiction'], "

Through her fresh lively word pictures Dakos manages to find surprises in every corner of the school.; ['Juvenile Fiction'], "

"The Uskoks of Senj: Piracy Banditry and Holy War in the Sixteenth-Century Adriatic; In this highly original and influential book Catherine Wendy Bracewell reconstructs and analyzes the tumultuous history of the uskoks of Senj the martial bands nominally under the control of the Habsburg Military Frontier in Croatia who between the 1530s and the 1620s developed a community based on raiding the Ottoman hinterland Venetian possessions in Dalmatia and shipping on the Adriatic. Drawing on a broad range of sources including the archives of the Dalmatian communes under Venetian rule and military frontier records Bracewell provides the first comprehensive analysis of the uskoks as a social phenomenon examining their origins their military and social organization their plunder

economy their mental world and their relations with other groups in this borderland between three empires. The uskoks lived on the Christian-Muslim frontier and they invoked Europe's struggle against Islam to justify their often bloody deeds. As Bracewell demonstrates however their actions were also shaped by the maze of local political and economic rivalries social conflicts and confessional antagonisms. In a book that tests the concept of the social bandit the author analyzes the motives that guided the uskoks and distinguishes these from the factors that impelled various elements of the local population to support them.; ['History'], "

"Laughter in the dark; Albinus a respectable middle-aged man and aspiring filmmaker abandons his wife for a lover half his age: Margot who wants to become a movie star herself. When Albinus introduces her to Rex an American movie producer disaster ensues. What emerges is an elegantly sardonic and irresistibly ironic novel of desire deceit and deception a curious romance set in the film world of Berlin in the 1930s.;

['Fiction'], "

"Passion Betrayal and Killer Highlights; Sophie Katz has just offered a man \$12000 for his services... Is she desperate or just meshugeneh? Considering the kind of disasters that usually befall the half-black half-Jewish mystery writer probably both. Because the last time Sophie saw sexy P.I. Anatoly Darinsky he practically danced a jig when she waved goodbye &151; a normal reaction for a man who'd nearly bought the farm trying to protect her from her own foolishness. What are the chances he'd agree to take incriminating pictures of her sister's philandering husband? Or that he'd let her tag along &151; you know...for research? But when her brother-in-law turns up dead and her sister becomes the prime suspect Sophie's priority is finding the real killer. With or without Anatoly's help. Her brother-in-law's secret life yields plenty of suspects but the San Francisco police aren't taking any of them seriously. So Sophie does what comes naturally to her: she stirs up trouble (to lure the killer out of course). But if her crazy plan works will Anatoly be there to protect her this time?; ['Fiction'], "

"Utopistics: Or Historical Choices of the Twenty-First Century; The founder of world-systems analysis explores what we can expect in the twenty-first century. The twentieth century has witnessed both the triumphs and failures of the dreams that have informed the modern world. In Utopistics Immanuel Wallerstein argues that the global order that nourished those dreams is on the brink of disintegration. Pointing to the globalization of commerce the changing nature of work and the family the failures of traditional liberal ideology and the danger of profound environmental crises the founder of world-systems analysis argues that the nation-state system no longer works. The next twenty-five to fifty years will see the final breakdown of that system and a time of great conflicts and disorder. It will also be a period in which individual and collective action will have a greater impact on the future than has been possible for 500 years. Utopistics distills Wallerstein's hugely influential work on the modern world-system in an accessible way. This fascinating and provocative look into our collective political destiny poses urgent questions for anyone concerned with social change in the next millennium.; ['Political Science'], "

"The Vagabonds; A "fascinating slice of rarely considered American history" (Booklist)—the story of Henry Ford and Thomas Edison—whose annual summer sojourns introduced the road trip to our culture and made

the automobile an essential part of modern life. In 1914 Henry Ford and naturalist John Burroughs visited Thomas Edison in Florida and toured the Everglades. The following year Ford Edison and tire maker Harvey Firestone joined together on a summer camping trip and decided to call themselves the Vagabonds. They would continue their summer road trips until 1925 when they announced that their fame made it too difficult for them to carry on. Although the Vagabonds traveled with an entourage of chefs butlers and others this elite fraternity also had a serious purpose: to examine the conditions of America's roadways and improve the practicality of automobile travel. Cars were unreliable and the roads were even worse. But newspaper coverage of these trips was extensive and as cars and roads improved the summer trip by automobile soon became a desired element of American life. The Vagabonds is "a portrait of America's burgeoning love affair with the automobile" (NPR) but it also sheds light on the important relationship between the older Edison and the younger Ford who once worked for the famous inventor. The road trips made the automobile ubiquitous and magnified Ford's reputation even as Edison's diminished. The automobile would transform the American landscape the American economy and the American way of life and Guinn brings this seminal moment in history to vivid life.; ['Biography & Autobiography'], "

"Frontiers; Why has the flow of big world-changing ideas slowed down? A provocative look at what happens next at the frontiers of human knowledge. The history of humanity is the history of big ideas that expand our frontiers—from the wheel to space flight cave painting to the massively multiplayer game monotheistic religion to quantum theory. And yet for the past few decades apart from a rush of new gadgets and the explosion of digital technology world-changing ideas have been harder to come by. Since the 1970s big ideas have happened incrementally—recycled focused in narrow bands of innovation. In this provocative book Michael Bhaskar looks at why the flow of big world-changing ideas has slowed and

what this means for the future. Bhaskar argues that the challenge at the frontiers of knowledge has arisen not because we are unimaginative and bad at realizing big ideas but because we have already pushed so far. If we compare the world of our great-great-great-grandparents to ours today we can see how a series of transformative ideas revolutionized almost everything in just a century and a half. But recently because of short-termism risk aversion and fractious decision making we have built a cautious unimaginative world. Bhaskar shows how we can start to expand the frontier again by thinking big—embarking on the next Universal Declaration of Human Rights or Apollo mission—and embracing change.;

A great resource for current corporate America workers as well as college students beginning their career in Corporate America in order to discover what to expect and how to succeed.; ['Self-Help'], "

"Red Sky at Morning; "Red Sky at Morning is a minor marvel: it is a novel of paradox of identity of an overwhelming YES to life that embraces with wonder what we are pleased to call the human condition. In short a work of art." — Harper Lee Hailed by the Washington Post Book World as "a sort of Catcher in the Rye out West" Richard Bradford's Red Sky at Morning is the classic coming-of-age story set during World War II about the enduring spirit of youth and the values in life that count. In the summer

of 1944 Frank Arnold a wealthy shipbuilder in Mobile Alabama receives his volunteer commission in the U.S. Navy and moves his wife Ann and seventeen-year-old son Josh to the family's summer home in the village of Corazon Sagrado high in the New Mexico mountains. A true daughter of the Confederacy Ann finds it impossible to cope with the quality of life in the largely Hispanic village and in the company of Jimbob Buel—an insufferable South-proud professional houseguest—takes to bridge and sherry. Josh on the other hand becomes an integral member of the Sagrado community forging friendships with his new classmates with the town's disreputable resident artist and with Amadeo and Excilda Montoya the couple hired by his father to care for their house. Josh narrates the story of his fateful year in Sagrado and with irresistibly deadpan irreverent humor describes the events and people who influence his progress to maturity. Unhindered by his mother's disdain for these ""tacky dusty little Westerners"" Josh comes into his own and into a young man's finely formed understanding of duty responsibility and love.; ['Fiction'], "

"Black Edelweiss: A Memoir of Combat and Conscience by a Soldier of the Waffen-SS; When a 20-year old Waffen-SS veteran of two years' combat against the Soviets and Americans is confronted with the awful undeniable truth of the Holocaust he must reconcile it with his pride in his comrades' battlefield sacrifices. The author served in SS Mountain Infantry Regiment 11 Reinhard Heydrich part of 6th SS Mountain Division Nord. The book is mostly an account of his extensive combat service against the Soviets in northern Karelia and Finland with a shorter section describing combat against the Americans in the Vosges and in the Saar-Moselle triangle. Voss reflects on the totality of his wartime experiences from the origins of his reasons for enlisting in the Waffen-SS to his experiences in US captivity. The result is a compelling and honest account.; ['Biography & Autobiography'], "

"Final Acts: A Novel; Today most people die gradually from incremental illnesses rather than from the heart attacks or fast-moving diseases that killed earlier generations. Given this new reality the essays in Final Acts explore how we can make informed and caring end-of-life choices for ourselves and for those we love—and what can happen without such planning. Contributors include patients caretakers physicians journalists lawyers social workers educators hospital administrators academics psychologists and a poet and among them are ethicists religious believers and nonbelievers. Some write moving personal accounts of ""good"" or 'bad'" deaths; others examine the ethical social and political implications of slow dying. Essays consider death from natural causes suicide and aid-in-dying (assisted suicide). Writing in a style free of technical jargon the contributors discuss documents that should be prepared (health proxy do-not-resuscitate order living will power of attorney); decision-making (over medical interventions life support hospice and palliative care aid-in-dying treatment location speaking for those who can no longer express their will); and the roles played by religion custom family friends caretakers money the medical establishment and the government. For those who yearn for some measure of control over death the essayists in Final Acts from very different backgrounds and with different personal and professional experiences around death and dying offer insight and hope.; ['Family & Relationships'], "

"Son of Tesla coil: Build a Tesla lighting plant; Nikola Tesla was a physicist scientist electrical engineer and world-renowned inventor whose accomplishments faded into oblivion after his death in 1943. Tesla was undeniably eccentric and compulsive; some considered him to be somewhat of a ""mad"" scientist. But in reality he was a visionary. Many of his ideas and inventions that were deemed impossible during his lifetime have since become reality. He was the first to successfully use rotating magnetic fields to create an AC (alternating current) electrical power supply system and induction motor. He is now acknowledged to have invented the radio ahead of Marconi. Among other things he developed the Tesla coil an oscillator generators fluorescent tubes neon lights and a small remote-controlled boat. He helped design the world's first hydroelectric plant at Niagara Falls. Nikola Tesla for Kids is the story of Nikola Tesla's life and ideas complete with a time line 21 hands-on activities and additional resources to better understand his many accomplishments.; ['Juvenile Nonfiction'], "

"Modern Compiler Implementation in ML; This new expanded textbook describes all phases of a modern compiler: lexical analysis parsing abstract syntax semantic actions intermediate representations instruction selection via tree matching dataflow analysis graph-coloring register allocation and runtime systems. It includes good coverage of current techniques in code generation and register allocation as well as functional and object-oriented languages that are missing from most books. In addition more advanced chapters are now included so that it can be used as the basis for two-semester or graduate course. The most accepted and successful techniques are described in a concise way rather than as an exhaustive catalog of every possible variant. Detailed descriptions of the interfaces between modules of a compiler are illustrated with actual C header files. The first part of the book Fundamentals of Compilation is suitable for a one-semester first course

in compiler design. The second part Advanced Topics which includes the advanced chapters covers the compilation of object-oriented and functional languages garbage collection loop optimizations SSA form loop scheduling and optimization for cache-memory hierarchies.;

"The Sylvia Factor; As a Merchant Marine in World War II Lee McEwen saw it all. In this account of his life he shares the no-holds-barred world of life on a ship and the humor necessary to withstand the loneliness and sadness of wartime. In addition to hauling troops McEwen had the unusual honor of being on the first ship to transport war brides to the United States. Despite these experiences he was still seeking the girl of his dreams when he returned home after the war. Then in a very unlikely place this rough-talking world traveler met Sylvia his ""girl in the moon"" and the rest was history. McEwen recounts their life together and his miraculous survival of two life-threatening accidents. The Sylvia Factor is a colorful account of a life well lived.; ['Merchant marine'], "

"Voice/Data Telecommunications Systems: An Introduction to Technology; This technically oriented introduction to the telecommunications and telephone industry examines the terminology of public and private telecommunications systems and networks and applications to voice and data switching and transmission. Suitable as both a reference and a useful introduction for newcomers this volume introduces and clearly elucidates basic terms through examples and analogies to familiar experiences; focuses on the practical selection and implementation of an actual private telecommunications system (Ch. 13); includes many open-ended questions for thought; offers end-of- chapter problems; and provides charts and guidelines for decision-making processes.;

['Telecommunication'], "

"Created Equal: Why Gay Rights Matter to America; Why should Americans who are not gay care about gay rights? In Created Equal Michael Nava and Robert Dawidoff argue that the movement for gay equality is central to the continuing defense of individual liberty in America. Beginning with an examination of the determined assault on gay issues by the religious right the authors show how this sectarian movement to legislate private religious morality into law undermines the purpose of American constitutional government: the protection of the individual's right to determine how best to live his or her life. The book starts from the premise that gay men and lesbians are first and foremost American citizens and then looks to what rights belong to every individual American citizen arguing from the Declaration of Independence and the Constitution. Addressing their argument to the great majority of their fellow Americans Dawidoff and Nava emphasize that what is at stake is not the fate of the gay community but the future of constitutional principle and the rights of free individuals in American society.; ['Social Science'], "

"The Complete Basenji; The definitive list of breed books written by internationally-famed experts for serious dog people. Although most of the authors are British the list has true trans-Atlantic appeal and several titles have won coveted awards from the Dog Writers' Association of America. These include Bullmastiffs Today (Breed Book of the Year 1996/97) The Complete Rhodesian Ridgeback The Complete Saluki and Great Danes Today. A number of these titles were previously available in the U.S. through Howell Book House. Complete Border Collie sold 14000 for Howell from March 1995 to December 2000. Still regarded as the best book on the subject.; ['Pets'], "

"Living Through Loss: Interventions Across the Life Span (Foundations of Social Work Knowledge); Living Through Loss provides a foundational identification of the many ways in which people experience loss over the life course from childhood to old age. It examines the interventions most effective at each phase of life combining theory sound clinical practice and empirical research with insights emerging from powerful accounts of

personal experience. The authors emphasize that loss and grief are universal yet highly individualized. Loss comes in many forms and can include not only a loved one's death but also divorce adoption living with chronic illness caregiving retirement and relocation or being abused assaulted or otherwise traumatized. They approach the topic from the perspective of the resilience model which acknowledges people's capacity to find meaning in their losses and integrate grief into their lives. The book explores the varying roles of age race culture sexual orientation gender and spirituality in responses to loss. Presenting a variety of models approaches and resources Living Through Loss offers invaluable lessons that can be applied in any practice setting by a wide range of human service and health care professionals. This second edition features new and expanded content on diversity and trauma including discussions of gun violence police brutality suicide and an added focus on systemic racism.; ['Social Science'], "

"Alexander: Invincible King of Macedonia (Military Profiles); Alexander the Great (356-323 B.C.E.) who reigned as king of Macedonia for only thirteen years set a flame of conquest that introduced the dynamism of Hellenism to the Mediterranean Middle Eastern and South Asian worlds. Re-creating their ossified cultures he established a standard of leadership and military conquest that the most successful of Roman emperors medieval knights and steppe barbarians would never truly match. Julius Caesar wept that he could not surpass Alexander while Napoleon could only dream of such invincibility. Alexander had the great fortune to be born the able son of Philip II one of the most talented men of war and politics produced by the Hellenic world who created for Alexander the foundation of the Macedonian state and army that would be the tools of his future greatness. Alexander's invincibility was the product of his profound genius - the perfection of body boundless energy imagination daring intellect and vision in one man. He was a master tactician strategist logistician diplomat and statesman with an ability to win the affection and quick obedience of others. Even his enemies fell victim to his valor and charm. His personal attributes and accomplishments were so far removed from those of ordinary men that he achieved almost superhuman status within his lifetime. Above all he was the preeminent man of war. Even today as the noise of battle rattles Kandahar a city in Afghanistan that Alexander named for himself war clings to his name.; ['Biography & Autobiography'], "

"The Sacred Balance: Rediscovering Our Place in Nature; In this extensively revised and enlarged edition of his best-selling book David Suzuki reflects on the increasingly radical changes in nature and science – from global warming to the science behind mother/baby interactions – and examines what they mean for humankind's place in the world. The book begins by presenting the concept of people as creatures of the Earth who depend on its gifts of air water soil and sun energy. The author explains how people are genetically programmed to crave the company of other species and how people suffer enormously when they fail to live in harmony with them. Suzuki analyzes those deep spiritual needs rooted in nature that are a crucial component of a loving world. Drawing on his own experiences and those of others who have put their beliefs into action The Sacred Balance is a powerful passionate book with concrete suggestions for creating an ecologically sustainable satisfying and fair future by rediscovering and addressing humanity's basic needs.; ['Nature'], "

"The Morning Sickness Companion; It's frustrating and a nuisance--and it can be a major obstacle to experiencing the joy of pregnancy. But morning sickness doesn't always strike in the morning and for many women it doesn't even strike--it's an ever-present part of their pregnancy with symptoms ranging from mild nausea and exhaustion to crippling depression and physical illness. We all know the standard suggestions--crackers and tea Jell-O and ginger ale--but when they don't seem like enough what can women really do to manage their symptoms and recover the happiness their pregnancy should bring? As debilitating as morning sickness is we don't hear much about it. But finally just when it seems as though there's nothing out there women have somewhere to turn. Elizabeth Kaledin's The Morning Sickness Companion is a book by and for women suffering morning sickness. Morning sickness is a reality of pregnancy--many women are affected--and this book is dedicated to them. It fills a major void in pregnancy literature providing a brief history of morning sickness all the latest scientific thinking research on its emotional toll and lots of reassuring tips and advice from other women about what they ate how sick they really were sources of relief and how to survive since the fact is it is nearly inevitable. Engaging warm often funny and always informative The Morning Sickness Companion offers women who are suffering the wisdom and comfort they really need.; ['Health & Fitness'],"

His [resources] are great and sorely needed during our time when many are biblically illiterate and know even less about Church history.""" -Dr. Jerry Newcombe author TV host and spokesperson for Truth that Transforms with Dr. D. James Kennedy (formerly The Coral Ridge Hour) About the Author: Dr. Timothy Paul Jones img src=""<http://www.rose-publishing.com/Assets/ClientImages/timothy-paul-jones.jpg>"" alt=""Dr. Timothy Paul Jones"" style=""float:left; margin:0 15px 10px 0"" Timothy Paul Jones serves as a professor of Christian ministry and as associate vice president at the Southern Baptist Theological seminary where he teaches courses in applied apologetics and family ministry. Before teaching at Southern Baptist Theological Seminary he led churches in Missouri and Oklahoma as pastor and associate pastor. Dr. Jones has authored or contributed to more than a dozen books including PROOF; Conspiracies and the Cross; and Christian History Made Easy. In 2007 Charles Colson listed him as one of "four names you need to know" when responding to the new atheists and in 2010 Christian Retailing magazine

selected Christian History Made Easy as the book of the year in the field of Christian education. He is married to Rayann and they have three daughters. The Jones family works in SojournKids and community group ministry at Sojourn Community Church. A Message from Timothy Paul Jones author of Christian History Made Easy My name is Timothy Paul Jones and I love living in the city of Louisville with my wife and daughters. Over the past two decades I've had the privilege of leading several congregations as a pastor and in associate ministry roles. Now I serve as associate professor of leadership and as associate vice president at one of the largest seminaries in the world The Southern Baptist Theological Seminary. Here I invest my time in mentoring a rising generation of God-called ministers of the gospel. I also edit The Journal of Discipleship and Family Ministry and write books in the fields of history apologetics and family ministry. I enjoy spending time with my family meandering along city streets visiting baseball parks drinking French-pressed coffee eating locally-produced foods and cooking for friends. My family is involved in children's ministry at the east campus of Sojourn Community Church.  margin=""2px"" align=""left"" Christian History Made Easy WINNER of the Christian Retailers' Choice Awards 2010 for the ""most significant new life-changing products in the Christian retail industry"" in the Christian Education category See this press release from Southern Baptist Seminary: <http://news.sbts.edu/2010/04/27/jones-book-receives-christian-retailers-award/> Note to professors: For exam or desk copy policy click HERE. "Miranda & the Cat; Een man is net een trein - er komt altijd een volgende! Miranda is in de wolken als ze Greg ontmoet: hij is knap geestig en lijkt meteen dol op haar. De volmaakte man! Greg vindt Miranda ook erg leuk: ze is mooi ze is jong en ze zeurt nooit over baby's. Natuurlijk heeft hij haar niet alles over zichzelf verteld - zelfs de liefste meisjes gaan soms een beetje raar doen tegen een man die net zijn zwangere vrouw in de steek heeft gelaten. Maar daar hoeft ze toch niet achter te komen? Gelukkig voor Miranda zijn mannen net treinen - tijdenlang sta je te wachten en komt er niet één en dan komen er ineens drie tegelijk. Ze moet alleen de juiste zien te pakken... Liefde vriendschap en zoete wraak - dat zijn de ingrediënten voor weer zo'n heerlijk vrolijk en romantisch boek van bestsellerauteur Jill Mansell.; ['Fiction'],  
"Remote People (Penguin Twentieth Century Classics); In 1930 Evelyn Waugh went out to Abyssinia as special correspondent for The Times to cover the coronation of the Emperor Ras Tafari - Haile Selassie I King of the Kings of Ethiopia.; ['Aden (Yemen)'],

"The Rise of Tommy Boy; For eighteen years it had been just Tommy Murphy and his mother. His father was out of the picture. When his mother died she left two letters; one telling him the name of his father and another explaining the son to his father. The young man travels to New York City to meet his father the famed heavy-weight boxer ""Bruiser"" Hunter but an unforeseen accident prevented that meeting. The boxer's brother disappeared without a trace and was presumed dead. Overcome by grief Bruiser dropped out of sight without telling anyone. Paddy O'Shay his great-uncle took the young man under his wing and began training him to be a boxer like his father. He knew Bruiser would contact him eventually. Six months later they were still waiting when fate stepped in and the whole family was reunited in the small town of Spencer City Connecticut. Can two strangers have a normal father and son relationship? Breanna Cone credits her Irish ancestry with the gift of gab that helps her spin this tale of the special relationship between a father and child. Regardless of your age the love of a parent is a priceless gift indeed. Coming in Fall 2006: Romancing Delilah; ['Fiction'], "

"Recovering Landscape: Essays in Contemporary Landscape Architecture; The past decade has been witness to a remarkable resurgence of interest in landscape. While this recovery invokes a return of past traditions and ideas it also implies renewal invention and transformation. Recovering Landscape collects a number of essays that discuss why landscape is gaining increased attention today and what new possibilities might emerge from this situation. Themes such as reclamation urbanism infrastructure geometry representation and temporality are explored in discussions drawn from recent developments not only in the United States but also in the Netherlands France India and Southeast Asia. The contributors to this collection all leading figures in the field of landscape architecture include Alan Balfour Denis Cosgrove Georges Descombes Christophe Girot Steen Hoyer David Leatherbarrow Bart Lootsma Sebastien Marot Anuradha Mathur Marc Treib and Alex Wall.; ['Architecture'], "

"Sailor Moon Vol 15 Chix Comics (15); A look at a favorite school-girl-turned-superhero Sailor Moon and her adventures.; ['Juvenile Fiction'], "

"Bird Kansas -; Kansas knows how to attract birds. Located in the very center of the North American continent it straddles the Central Flyway one of the primary migration ""highways"" between Canada and South America. It also contains a broad spectrum of habitats including deciduous forest grassland sagebrush and a remarkable system of internationally important wetlands. As a result of this unique combination of natural features Kansas attracts most of the eastern bird fauna and many of the western and southern species as well as those northern birds that either winter on the central plains or pass through during their migratory flights. The number of bird species recorded in the states is 424a total that places Kansas among the top five birding states in the country.; ['Birds'], "

"Ghost stories; A real ghost story should never end perfectly. That is my rule of thumb. After investigating ghost experiences for nearly thirty years I realised that the finely polished stories told by storytellers and ""ghost walkers"" were exactly that - polished. In polishing stories we lose the personality of the haunted and indeed the haunter itself that is why in my books research papers and articles I always maintain the original testaments and facts. The stories that I have collected for you now are rough diamonds totally unpolished and any additions by myself are kept to a minimum and noted clearly." P. [4] of cover.; ['Ghosts'], "

"Unnatural Affection; The purpose of this book of poetry entitled ""Wisdom Of The Soul"" is to attempt to strengthen and enlighten not to judge nor condemn. Its purpose also is to touch the lives and to share in the encouragement of others and hopefully touching their hearts and saving of souls. The author speaks out through her poetry for those who want and need to be heard. Her desire is to reach the world of the needy whether it be a spiritual need natural need emotional need or any or all of these factors. She desire her poetry to be a positive orator conveying the fact that love faith hope and all goodness and truth overcomes hatred fear prejudice and all wrong-doings and evil intentions. Through the writing of poetry the author submerge deeply within herself going beyond her mind but into her heart and soul emerging with the truths which convicted her to write with experience strong conviction and ardent passion for those who have been and still are victimized by various forms of conflicts and adversities in their lives. She desire the words of her poetry to come forth pure and clean-edged; going beyond the surface from depth to depth and to be a blessing and beneficial to all. The author continually attempt to instill in others through poetry the importance of living within the bounds of righteousness in order to inherit the kingdom of God ""for unrighteousness shall not inherit the kingdom of God." She emphasize the fact that we need to get ourselves ready for the coming of our Lord Jesus Christ. We are living in the last time and Jesus Christ is still extending his love and mercy toward mankind wanting all men to be saved and come to the knowledge of the truth. We must put aside all ungodliness and seek Gods face; putting him first in our lives. The author desires her poems to capture the suppressed emotions that ones are too shy embarrassed or intimidated to express openly for fear of retaliation from others. We must not be afraid to speak out for truth and justice fearing no man who can only destroy our bodies but fearing only God who can destroy both body and soul. The author writes about life and about death. She attest to the belief that our mortal lives should be lived to the fullest daily in Gods way and after his will in order to obtain immortality and eternal life. Thus death in the end shall have no dominion over Eternal Life and there is hope beyond the grave; if we die in Christ Jesus. To fear the Lord Jesus to grow in grace and knowledge of him to love to be pure and faithful and to do all things in spirit and in truth is to truly obtain spiritual wisdom.; ['Poetry'], "

"The Conservative Mind: From Burke to Eliot.; The book that launched the modern American conservative movement now available in trade paperback.; ['Social Science'], "

Students will learn about adding chords to lead lines arranging pieces by adding endings and fillers modulation and transposition. Over 65 popular songs let students practice and demonstrate their skills while they learn.; ['Music'], "

"Linear and Nonlinear Programming; This new edition covers the central concepts of practical optimization techniques with an emphasis on methods that are both state-of-the-art and popular. One major insight is the connection between the purely analytical character of an optimization problem and the behavior of algorithms used to solve a problem. This was a major theme of the first edition of this book and the fourth edition expands and further illustrates this relationship. As in the earlier editions the material in this fourth edition is organized into three

separate parts. Part I is a self-contained introduction to linear programming. The presentation in this part is fairly conventional covering the main elements of the underlying theory of linear programming many of the most effective numerical algorithms and many of its important special applications. Part II which is independent of Part I covers the theory of unconstrained optimization including both derivations of the appropriate optimality conditions and an introduction to basic algorithms. This part of the book explores the general properties of algorithms and defines various notions of convergence. Part III extends the concepts developed in the second part to constrained optimization problems. Except for a few isolated sections this part is also independent of Part I. It is possible to go directly into Parts II and III omitting Part I and in fact the book has been used in this way in many universities. New to this edition is a chapter devoted to Conic Linear Programming a powerful generalization of Linear Programming. Indeed many conic structures are possible and useful in a variety of applications. It must be recognized however that conic linear programming is an advanced topic requiring special study. Another important topic is an accelerated steepest descent method that exhibits superior convergence properties and for this reason has become quite popular. The proof of the convergence property for both standard and accelerated steepest descent methods are presented in Chapter 8. As in previous editions end-of-chapter exercises appear for all chapters. From the reviews of the Third Edition: "... this very well-written book is a classic textbook in Optimization. It should be present in the bookcase of each student researcher and specialist from the host of disciplines from which practical optimization applications are drawn." (Jean-Jacques Strodiot Zentralblatt MATH Vol. 1207 2011); ['Business & Economics'], "

"Horse Sense in Training; From the author of the #1 bestseller The Man Who Listens to Horses a book for all of us seeking to strengthen our human relationships ""Monty Roberts will make you marvel.""-The New York Times Book Review In The Man Who Listens to Horses Monty Roberts revealed the depth of communication possible between human and horse. Touching the hearts of more than four million readers worldwide that memoir—which spent more than a year at the top of The New York Times bestseller list—described his discovery of the ""language"" of horses and the dramatic effectiveness of removing violence from their training. Now the world's most famous horse gentler demonstrates how his revolutionary Join-Up technique can be used not just for horses but as a model for how to strengthen human relationships. With vivid often deeply moving anecdotes Roberts shows how the lessons learned from the thousands of horses he has known can provide effective guidelines for improving the quality of our communication with one another—from learning to ""read"" each other effectively to creative fear-free environments and most importantly teaching belief in the power of gentleness and trust.; ['Psychology'], "

"A Box of Snowmen; These palm-sized kits from Running Press Miniature Editions are fun and interactive and they make great gifts! Our original ""Snowman in a Box" kit sold more than 50000 copies. "Beware the Tufted Duck: A Lucy Wayles Mystery (Birdwatcher Mystery); The first in a new series of mysteries by the author of the Alice Nestleton series introduces ex-librarian Lucy Wayles an eccentric birdwatcher with a penchant for solving crimes beginning with the strange death of a fellow birder. Original.; ['Fiction'], "

"Nails in the Wall: Catholic Nuns in Reformation Germany (Women in Culture and Society); Book Review; ['History'], "

"Here lies the heart (Homosexuality); Gay and Lesbian Literature Since World War II chronicles the multifaceted explosion of gay and lesbian writing that has taken place in the second half of the twentieth century. Encompassing a wide range of subject matter and a balance of gay and lesbian concerns it includes work by established scholars as well as young theoreticians and archivists who have initiated new areas of investigation. The contributors' examinations of this rich literary period make it easy to view the half-century from 1948 to 1998 as the Queer Renaissance. Included in Gay and Lesbian Literature Since World War II are critical and social analyses of literary movements novels short fiction periodicals and poetry as well as a look at the challenges of establishing a repository for lesbian cultural history. Specific chapters in this groundbreaking work trace the development of gay poetry in America after World War II; examine how AIDS is represented in the first four Latino novels to deal with the subject matter; and chronicle the birth of lesbian-feminist publishing in the 1970s--showing how it created a flourishing gay literature in the 1980s and 1990s. Other chapters: outline the history of The Ladder from its initial publication in 1956 as the official vehicle of the Daughters of Bilitis to its final issue as a privately published literary magazine in 1972 examine Baldwin's 1962 novel Another Country and discuss the complicated critical history of this work and its relation to Baldwin's literary reputation--racial sexual and political factors are taken into account chart how Other Voices Other Rooms by Truman Capote and The House of Breath by William Goyen reveal contradictory genderings of male homosexuality--suggesting an absence of a unified model of mid-twentieth-century male homosexuality argue that the 1976 novel Lover by Bertha Harris can be considered an exemplary novel within discussions of both postmodern fiction and lesbian theory. (The author calls for Harris to be added to the group of writers such as Wittig Anzaldúa Lorde and Winterson who are discussed within the context of a postmodern lesbian narrative.) examine the short fiction of Canadian lesbian novelist Jane Rule in an effort to shed light on lesbian creative practice in the homophobic climate of postwar North America argue for an understanding of Dale Peck's novel Martin and John as an attempt to link two apparently different processes of import to contemporary male subjects through examination of the novel alongside selected passages from Nietzsche and Freud focus on the pragmatic issues of developing and maintaining accessible research venues from which to cultivate the study of racial and cultural diversity in lesbian lives Document the history of the Lesbian Herstory Archives one of the first

lesbian-specific collections in the world from its birth in the early 1970s to the present.; ['Fiction'], "

"Interchange Intro Student's Cassette B: English for International Communication; Interchange Intro is the new introductory level for the Interchange series designed for students of English at the beginner level and learners needing a thorough review of basic functions grammar and vocabulary. "The cracker barrel; With words both wise and droll – along with his inimitable line drawings – Sloane re-creates the flavor of the country store in all its delightful moods: as a meetinghouse a public forum and an entertainment center. Sage opinions on everything from the American necktie almanacs and capitalism to ""the good old days." 55

illustrations.; ['History'], "

"Sacrifices: A Novel of the Vietnam War; ""Somebody has to make the sacrifices"" Warrant Officer Kevin Harry's young wife Carlie told him when he left home to fly Army helicopter gunships in Vietnam. Though highly decorated as a combat hero he came home in disgrace for smoking marijuana. Eddie Padilla was his mother's sacrifice but all he wanted was to impress his buddy Big Roger Stanton. Battle-scarred Major Jake Csynes needed the war professionally and personally and he expected his gun-packing Daggers to back him up all the way and beyond. Though fictional the combat action is thrillingly authentic and the postwar drama of those who went those who died and those who waited for them is moving and provocative even after so much has been written and so long has passed.; ['Fiction'], "

"Cruel Deception; In and out of hospitals since birth angelic nine-month-old Morgan Reid finally succumbed to what appeared to be Sudden Infant Death Syndrome. Morgan's Texas-born mother Tanya a nurse and devoted wife pulled up stakes with her grieving husband Jim and moved on. It was the best way to put the past behind them. Until their son Michael a boy who by all accounts was terrified of his mother began showing signs of the same affliction that stole the life of his baby sister... First the suspicion: Munchausen Syndrome by Proxy. Then Tanya was charged and convicted with felony child abuse of her son. She was later tried and ultimately convicted for first degree murder of Morgan. It would become a landmark trial that unfolded in a series of reversals and bizarre twists of fate as it gradually revealed another side of Tanya Reid-of her own troubling childhood and the dark secrets that drove a woman to the cruelest deception of all...; ['True Crime'], "

"Zodiac Symbology: Its Charm Beauty and Fascination; Zodiac Symbology presents an invaluable compendium of symbols for each sign of the Zodiac along with explanations of the practical and esoteric significance of those symbols. Combining a light approach with substantive information

this book is appropriate both as general reading for those seeking an introduction to astrology as well as a useful resource for more advanced students and researchers. It pictures and discusses gems flowers trees birds and animals associated with each sign and also explains the connections between the signs and colors music incense and healing herbs.; ['Body Mind & Spirit'], "

"Very First Words (Usborne First Words Board Books); This delightful book introduces very little children to over 150 everyday words. Elisa Ferro's bright and vibrant illustrations are full of things to spot and talk about and bring this new vocabulary to life. Helps children to build their vocabulary and develop early reading skills. Encourages word and picture recognition. Quirky details to engage young readers.; ['Board books'], "

"Chess Combinations: An Improving Players Puzzle Book; Bestselling chess author John Walker presents a feast of exciting and challenging chess positions for young and improving players to solve.; ['Games'], "

"Need for the Bike; A book like no other Paul Fournel's Need for the Bike conducts readers into a very personal world of communication and connection whose center is the bicycle and where all people and things pass by way of the bike. In compact and suggestive prose Fournel conveys the experience of cycling--from the initial charm of early outings to the dramas of the devoted cyclist. An extended meditation on cycling as a practice of life the book recalls a country doctor who will not anesthetize the young Fournel after he impales himself on a downtube shifter speculates about the difference between animals that would like to ride bikes (dogs for instance) and those that would prefer to watch (cows marmots) and reflects on the fundamental absurdity of turning over the pedals mile after excruciating mile. At the same time Fournel captures the sound smell feel and language of the reality and history of cycling in the mountains in the city escaping the city in groups alone suffering exhausted exhilarated. In his attention to the pleasures of cycling to the specific ""grain"" of different cycling experiences and to the inscription of these experiences in the body's cycling memory Fournel portrays cycling as a descriptive universe colorful lyrical inclusive exclusive complete.; ['Sports & Recreation'], "

"William Cooper's Town: Power and Persuasion on the Frontier of the Early American Republic; A dual history and biography profiles William Cooper a shrewd land developer presiding judge and U.S. Congressman against the backdrop of post-Revolutionary War America and explains how his life reflected the nation.; ['History'], "

"Mel Bay Presents Complete Works of Scott Joplin: 52 Piano Rags Waltzes & Marches Transcribed for Guitar Solo (Editiones Classicae); The piano rag is musical form unlike any other. Although melodious ragtime's excitement and appeal derives from its syncopated rhythms. Ragtime music achieved notoriety through its greatest composer Scott Joplin (1868-1917). At an early age he studied with an old German musician who introduced him to the piano and music theory. While still in his early teens he earned his way playing piano in the honky-tonks of villages and towns in the Mississippi Valley. He was intrigued with the folk music of his people and the jig piano style of the self-taught pianists with whom he worked. Take a musical journey through Scott Joplin's prolific career and perform these time-honored ragtime piano pieces as they are transcribed here for solo guitar. Written in standard notation only with fingerings and historical/ performance notes.; ['Music'], "

"War Patrols of the Uss Flasher: The True Story of One of America's Greatest Submarines Officially Credited With Sinking the Most Japanese Shipping; ""Inside view of the costly war conducted by America's 'silent service' which sacrificed 52 submarines and most of their crews in the war's single-most effective campaign aganist the Japanese""--Dust jacket.; ['World War 1939-1945'], "

Each step is accompanied by a color photograph and instructional caption.; ['Crafts & Hobbies'], "

"Discourse on Free Will; Desiderius Erasmus (1466/9-1536) was the most renowned scholar of his age a celebrated humanist and Classicist and the first teacher of Greek at Cambridge. An influential figure in the Protestant Reformation though without ever breaking from the Church himself he satirised both human folly and the corruption of the Church. Martin Luther (1483-1546) was the founder of the German Reformation. His 95 Theses became a manifesto for reform of the Catholic Church and led to his being tried for heresy. He remained in Germany Professor of Biblical Exegesis at the University of Wittenburg until his death publishing a

large number of works including three major treatises and a translation of the New Testament into German. Comprising Erasmus's ""The Free Will"" and Luther's ""The Bondage of the Will"" Discourse on Free Will is a landmark text in the history of Protestantism. Encapsulating the perspective on free will of two of the most important figures in the history of Christianity it remains to this day a powerful thought-provoking and timely work.; ['Philosophy'], "

"SON OF THE MORNING STAR; Custer's Last Stand is among the most enduring events in American history--more than one hundred years after the fact books continue to be written and people continue to argue about even the most basic details surrounding the Little Bighorn. Evan S. Connell whom Joyce Carol Oates has described as ""one of our most interesting and intelligent American writers"" wrote what continues to be the most reliable--and compulsively readable--account of the subject. Connell makes good use of his meticulous research and novelist's eye for the story and detail to re-vreate the heroism foolishness and savagery of this crucial chapter in the history of the West.; ['History'], "

"Mac OS X v. 10.2 Jaguar Killer Tips; Mac OS X Killer Tips is not another newbie book. OS X Killer Tips speaks directly to the daily Mac user who needs to get the most out of their Mac NOW. ""Nothin' but sidebars!"" Time is money. And a lot of experienced users find themselves trying to save time by skimming through larger computer books in order to pull out the useful nuggets of info that are often placed within what we call sidebars (i.e. those Note/Tip/Warning boxes). The Killer Tips series was developed by Scott Kelby because he recognized how useful non-beginning technology users find those cool ""I didn't know THAT"" sidebars that are peppered all over the other computer books out there. This book is all about speed; showing the Mac professional how to get more work done faster while actually increasing quality. The whole concept is to help make the reader faster and more productive than ever using their Mac. In an ever-tightening and competitive marketplace this kind of book is sorely needed.; ['Computers'], "

"The Library Of Distinctive Sermons Volume Two; ""The Library of Distinctive Sermons brings together a collection of powerful contemporary sermons of diverse style and content along with careful reflection as to what makes each sermon effective and how each sermon relates to biblical theological and practical ministry issues facing pastors today.""-- Preface.; ['Preaching'], "

"Skin City: Behind the Scenes of the Las Vegas Sex Industry; Part exposé part x-rated travel guide -- the ultimate insider's look at America's adult playground Vegas. It's a place where Midwestern couples become uninhibited swingers where shy schoolgirls morph into sexy strippers pulling in \$1000 a night and where randy tourists come to score at more than just blackjack and craps. What happens here stays here -- and Vegas nightlife is hotter than it's ever been before. In Skin City journalist and longtime Vegas resident Jack Sheehan goes beyond the bright lights to explore the dark thrills of the city's sex industry. Both lurid and fascinating here is an unabashed look at the stripping swinging hustling and hooking that have turned a desert gaming metropolis into the world's capital of lascivious entertainment. But more than a no-holds-barred exposé Sheehan's Skin City offers a connoisseur's catalogue of where to go for readers whose tastes run to the erotic -- with everything from valuable pointers from lap dancers call girls and vice cops to porn star Jenna Jameson's list of her favorite Vegas strip clubs.; ['Social Science'], "

Montana: High Wide and Handsome is widely recognized as a classic history and delightful ode to the idiosyncratic personalities restless landscape unforgettable peoples and lively history of the Treasure State. William Kittredge provides a new introduction for this edition.; ['Travel'], "

"Empire Rising; After a long secret military buildup China launches a swift and deadly attack on Taiwan. But that's only their first move in a much deadlier game. In Rick Campbell's thrilling Empire Rising Xiang Chenglei Chinese president and party secretary has both a problem and a plan. The problem is that China's limited supply of oil is threatening to derail its economic growth and prosperity. Having failed to win access to a greater supply diplomatically he sets his backup plan in motion. And what is war but diplomacy by other means? The U.S. Pacific Fleet is the major military force in the area and when Taiwan is invaded the fleet is sent in to repel the invading Chinese forces. The U.S. military expects it to be an easy operation but after a decades-long top-secret buildup China has military capabilities far greater than the United States is aware of. With hidden batteries of long range missiles advanced cyber warfare capabilities and a submarine fleet wielding a secret weapon China is able to overwhelm the American fleet. In fact China all but wipes out the U.S. Pacific Fleet-leaving them free to turn to their real objective-invasion and expansion across Asia starting with the four main islands of Japan. While the Atlantic Fleet surges westward to defend its allies and respond to the destruction of their counterparts it falls to an unlikely alliance of three people to stop this incursion and prevent an all-but-inevitable global war. National Security Advisor Christine O'Connor has critical information but she's trapped in Beijing; Captain Murray Wilson commanding officer of the submarine USS Michigan must somehow infiltrate the Chinese submarine blockade; and Navy SEAL Jake Harrison must lead a strike team into the most hostile of territories with only hours to implement the most daring plan ever.; ['Fiction'], "

"Study of Human Evolution; This textbook provides a collection of case studies in paleoanthropology demonstrating the method and limitations of

science. These cases introduce the reader to various problems and illustrate how they have been addressed historically. "Graven images: New England stonecarving and its symbols 1650-1815; The classic study of gravestone art In Puritan New England with its abiding concern for things not of this world and its distrust of forms and ceremonies one art flourished: the symbolic art of mortuary monument stonecarvers. This carefully researched beautifully illustrated work was the first to consider this art in depth as a meaningful aesthetic-spiritual expression. It is reissued for today's readers with a new preface outlining changes in the field since the book appeared in 1966.; ['Art'],"

"Medievalism and the Modernist Temper (Parallax: Re-visions of Culture and Society); ""While modernists are currently so mired in the question of who did what to whom during World War II that they have lost a sense of intellectual urgency the study of medieval literature and culture has never been more alive or at a more interestingly innovative stage." -- from the Introduction Medievalism and the Modernist Temper brings major and outstanding younger medievalists into confrontation with the notion of medievalism itself in order to chart the directions the field has taken in the past and may take in the future. The collection not only explores modern conceptions of cultural patterns in the Middle Ages but also makes a significant contribution to the wider field of sociology of knowledge in the humanities. In its largest sense it is a study of the institution of modern scholarship using medieval literature as a focus. Contributors are R. Howard Bloch Alain Boureau E. Jane Burns Michael Camille Alain Corbellari John M. Ganim John M. Graham Hans Ulrich Gumbrecht Suzanne Fleischman David Hult Carl Landauer Seth Lerer Stephen G. Nichols Per Nykrog and Jeffrey M. Peck. ""This highly original polemical and paradigm-shifting book challenges academics to look more closely at the ideological foundations of the very disciplines we practice. Perhaps its most extraordinary contribution to literary studies as a whole (and it emerges with luminous clarity from the editors' Introduction) is to offer a new historicized means of reviving what was once known as 'source studies.' -- Jody Enders University of California Santa Barbara; ['Literary Criticism'],"

"Birds of Massachusetts Field Guide; The culmination of many years of research observation and study the new STOKES FIELD GUIDE includes more species more photographs and more useful identification information than any other photographic field guide. "How to dissect: Exploring with probe and scalpel; A guide for dissecting animals beginning with the earthworm and progressing to more complex

anatomies such as grasshopper starfish perch and ultimately a fetal pig. Includes a chapter on dissecting flowers.; ['Juvenile Nonfiction'], "Burma: The State of Myanmar; Long isolated by rigid military rule Burma or Myanmar is one of the least known significantly sized states in the world. Possessed of a rich cultural history yet facing a range of challenges to stability and growth it has struck the imaginations of those concerned not only with geopolitical or trade affairs but also with poverty health and human rights. David I. Steinberg sheds new light on this reclusive state by exploring issues of authority and legitimacy in its politics economics social structure and culture since the popular uprising and military coup of 1988. Exploring the origins of that year's tumultuous events Steinberg analyzes a generation of preceding military governments and their attempts to address the nation's problems. He focuses on the role of the military the effects of Burma's geopolitical placement the plight of the poor the destruction of civil society and rising ethnic tensions. While taking into account the importance of foreign observers as counterpoints to official views suppliers of economic aid and advocates of reform Steinberg contends that ultimately the solutions to Myanmar's varied problems lie with the Burmese themselves and the policies of their government. The paperback edition includes a postscript that reveals the most current and critical issues facing Burma since the publication of the original hardcover in March 2001. Steinberg brings readers up to date on the recent release of political prisoners economic and military conditions United Nations actions and the complex ever-changing relationship between Thailand and Myanmar.; ['History'], "

"Grave Instinct; Belated justice can be the most satisfying. For almost ten years Nikki Drake struggled to deal with her sister's mysterious disappearance. When another teen vanishes from the same riding stable the details are too eerily similar to ignore and she vows to uncover the truth. No longer a child but a newly minted private investigator she now has additional weapons in her arsenal including a re-homed police dog and an enigmatic detective with ties to the horse stable. However digging into her sister's case erodes old trusts and brings dark secrets bubbling to the surface. And this time they could be fatal...for her.; ['Fiction'], "

"Monkey King; One of the world's greatest fantasy novels and a rollicking classic of Chinese literature in a sparkling new translation and published in a Clothbound Classics edition. A shape-shifting trickster on a kung-fu quest for eternal life Monkey King is one of the most memorable superheroes in world literature. High-spirited and omni-talented he can transform himself into whatever he chooses and turn each of his body's 84000 hairs into an army of clones. But his penchant for mischief repeatedly gets him into trouble and when he raids Heaven's Orchard of Immortal Peaches the Buddha pins him beneath a mountain. Five hundred years later Monkey King is finally given a chance to redeem himself: he must protect the pious monk Tripitaka on his journey in search of precious Buddhist sutras that will bring enlightenment to the Chinese empire. Joined by two other fallen immortals - Pigsy a rice-loving flying pig and Sandy a depressive river-sand monster - Monkey King does battle with Red Boy Princess Jade-Face the Monstress Dowager and all manner of dragons ogres wizards and femmes fatales; navigates the perils of Fire-Cloud Cave the River of Flowing Sand and the Water-Crystal Palace; and is serially captured lacquered sautéed steamed and liquefied - but always

hatches an ingenious plan to get himself and his fellow pilgrims out of their latest jam. Comparable to The Canterbury Tales or Don Quixote Monkey King is at once a gripping adventure a comic satire and a spring of spiritual insight. With this new translation by the award-winning Julia Lovell the irrepressible rogue hero of one of the Four Great Classical Novels of Chinese literature has the potential to vault with his signature cloud-somersault into the hearts of a whole new generation of readers.; ['Fiction'], "

"Advanced Media Planning; Media planning consists of formulating a media strategy to deliver the creative so as to best meet the brand's advertising objectives and then implementing that strategy in an accurate and cost-effective manner. Given that approximately ninety percent of advertising dollars are spent in media a sound understanding of media planning is essential for the researcher and professional media planner alike. Although this book provides a novel and advanced approach to media planning the basics are covered as well making the book suitable for trainees. The authors argue that current media planning is still too conventional that while reach and frequency are not incorrect they are certainly too simplistic for modern media planning. This book introduces the advanced concept of using reach patterns in making the reach decision and develops the method of factoring in effective frequency when making the frequency decision. Reach patterns are an entirely new concept.

Effective frequency while not new needs proper definition and an operational formula for its calculation both of which are provided here. Other new concepts are introduced and shown to be necessary for choosing an appropriate media strategy. The media planning software 'Media Mania' designed by Peter Danaher can be downloaded using the following link:

<http://www.mbs.edu/Media-Mania-Software/>; ['Business & Economics'], "

"An Introduction to Atmospheric Radiation Volume 84 Second Edition (International Geophysics); This Second Edition of An Introduction to Atmospheric Radiation has been extensively revised to address the fundamental study and quantitative measurement of the interactions of solar and terrestrial radiation with molecules aerosols and cloud particles in planetary atmospheres. It contains 70% new material much of it stemming from the investigation of the atmospheric greenhouse effects of external radiative perturbations in climate systems and the development of methodologies for inferring atmospheric and surface parameters by means of remote sensing. Liou's comprehensive treatment of the fundamentals of atmospheric radiation was developed for students academics and researchers in atmospheric sciences remote sensing and climate modeling. Balanced treatment of fundamentals and applications Includes over 170 illustrations to complement the concise description of each subject Numerous examples and hands-on exercises at the end of each chapter; ['Science'], "

"Jose Clemente Orozco: An Autobiography (The Texas Pan-American Series); The artistic eminence of José Clemente Orozco (1883-1949) is such that he has been called "the greatest painter the Americas have produced." In his Autobiography he also attains literary distinction. He is a writer who recounts the history of his period from a personal point of view and yet scarcely mentions himself. He is an observer who writes about the history of his country and of his country's art yet makes his own character implicit in the narrative. The character that emerges is charming. It is that of a man strong but retiring sharply critical of what he disapproves yet generous in praise of what he admires decided in his views but modest in his assumptions and given to understatement in describing his own activities averse to war and political struggle yet eager for conflict of ideas always dedicated to the welfare of humanity. Through the details of day-by-day living he presents the panorama of the Mexican Revolution and of events in other parts of the world to which he traveled. His is a personal story of the Revolution giving his reactions (as those of any common man) to the barbarities of war: "Insolent leaders inflamed with alcohol taking whatever they wanted at pistol point. . . . By night in dark streets the sound of gunplay followed by screams blasphemies and vile insults. Breaking windows sharp blows cries of pain and shots again." Orozco's ability as a painter to see the details and to sense the

mood of a place is apparent in his word pictures of the places he visited: "After six in the evening Paris is an immense brothel." "London was like the seat of a noble family which had been exceedingly rich but had lost its fortune." "Old old Montmartre [is] a moldering cadaver . . ." Orozco also makes some penetrating observations on art itself.

Although he emphasizes individuality and freedom from tradition in art he abhors unschooled art especially such extremes as primitive Impressionism and other groups that lack instruction in the general principles of art in technique in theory of color in perspective. He says ironically of the artistically uneducated: "Blessed are the ignorant and the imbecile for theirs is the supreme glory of art! Blessed are the idiots and the cretins for masterpieces of painting shall issue from their hands!" Orozco believes in education not only for the artists but for their public. Taste in art can come only through understanding of the purpose and the techniques of art—through knowledge. Without training public taste "mostly likes sugar honey and candy. Diabetic art. The greater the amount of sugar the greater the-commercial-success."; ['Biography & Autobiography'], "

"The Swords of Shakespeare: An Illustrated Guide to Stage Combat Choreography in the Plays of Shakespeare; Romeo and Juliet Macbeth Richard III and many other of Shakespeare's plays have at least one thing in common: they all have fight scenes usually requiring swordfighting. This is a step-by-step guide to choreographing the stage combat scenes in the plays of Shakespeare particularly the principal duels (both comic and tragic) in Henry IV Henry VI Richard III Romeo and Juliet Hamlet Troilus and Cressida Othello King Lear Macbeth Coriolanus Cymbeline and The Two Noble Kinsmen. The safety and training of actors is also covered as well as a brief history of Elizabethan swordplay. The work includes 473 illustrations.; ['Performing Arts'], "

"A Distant Mirror the Calamitous 14th Century; A "marvelous history" of medieval Europe from the bubonic plague and the Papal Schism to the Hundred Years' War by the Pulitzer Prize-winning author of *The Guns of August* \*Lawrence Wright author of *The End of October* in *The Wall Street Journal* The fourteenth century reflects two contradictory images: on the one hand a glittering age of crusades cathedrals and chivalry; on the other a world plunged into chaos and spiritual agony. In this revelatory work Barbara W. Tuchman examines not only the great rhythms of history but the grain and texture of domestic life: what childhood was like; what marriage meant; how money taxes and war dominated the lives of serf noble and clergy alike. Granting her subjects their loyalties treacheries and guilty passions Tuchman re-creates the lives of proud cardinals university scholars grocers and clerks saints and mystics lawyers and mercenaries and dominating all the knight—in all his valor and "furious follies" a "terrible worm in an iron cocoon." Praise for *A Distant Mirror* "Beautifully written careful and thorough in its scholarship . . . What Ms. Tuchman does superbly is to tell how it was. . . . No one has ever done this better."—*The New York Review of Books* "A beautiful extraordinary book . . . Tuchman at the top of her powers . . . She has done nothing finer."—*The Wall Street Journal* "Wise witty and wonderful . . . a great book in a great historical tradition."—Commentary NOTE: This edition does not include color images.; ['History'], "

Now you can be a winner at home at work and at the casino - wherever the stakes for success are high!; ['Games & Activities'],"

"Moshe Dayan (Great Commanders S.); Martin van Creveld's Moshe Dayan tells the story of one man and of one people to whom he was a figurehead - a symbol of their patriotism and their determination to survive. Born in a kibbutz in 1915 Dayan joined the Hagana when he was just fourteen thus starting early a military career that saw him serve in every war fought in the Middle East from the War of Israeli Independence in 1948 to the Yom Kippur War of 1973. Twice he led his country's forces into smashing victories. Having planned and executed the one and directed the other with his one eye he towers over them like Nelson over the Battle of Trafalgar. Skilled in battle skilled in diplomacy like many powerful public figures Moshe Dayan's private life was far from mundane. The book quotes from little-known sources including an account written by one of his mistresses that reveal much about his character and his life away from the battlefield. This is an honest portrayal of both the private and the public figure which seeks to understand a man whose contribution to the state of Israel in its developing years was immeasurable.; ['History'],"

"Zen And The Art Of Quilting: Exploring Memory and Meaning in Patchwork; Zen and the Art of Quilting is an exploration of what quilters know in their hearts: Their favorite craft is so much more than a means to an end -- it is a process filled with meaning community spirituality family and love. A quilt is simultaneously a work of art and a comfort on a cold night; it is infused with its creator's story and with the story of women; it sets the creative imagination free and delves into the depths of our souls.; ['Patchwork'], "

"MCSE Exam 70-296 Study Guide and DVD Training System: Planning Implementing and Maintaining a Windows Server 2003 Environment for a MCSE Certified on Windows 2000; MCSE Exam 70-296 Study Guide & DVD Training System: Planning Implementing and Maintaining a Windows Server 2003 Environment for an MCSE Certified on Windows 2000 is a one-of-a-kind integration of text DVD-quality instructor led training and Web-based exam simulation and remediation. This system gives you 100% coverage of the official Microsoft 70-296 exam objectives plus test preparation software for the edge you need to pass the exam on your first try. In June 2003 Microsoft will launch beta exams for the Windows Server 2003 certification line. Exams will likely go live the following August and September. This launch is a comprehensive revamping of the MCSE (Microsoft Certified System Enginner) track with all new core exams and all new electives. In addition the MCSA (Microsoft Certified System Administrator) certification will expand its program to include an additional upgrade exam for MCSAs wanting to become MCSEs. The launch of this new certification track means that all current MCSEs representing an installed base of approximately 200000 (source: MCP Magazine) will need to recertify under Windows Server 2003. In addition any MCP looking to become an MCSE--estimates are about 1.2 million (source: MCP Magazine)--will also have to continue their certifications under the new program. Many industry experts expect the Windows 2003 certification and product line as well to be a more popular track since many organziations are still using NT and plan to skip 2000 and go directly to 2003. \* DVD Provides a ""Virtual Classroom"": Get the benefits of instructor led training at a fraction of the cost and hassle. \* Guaranteed Coverage of All Exam Objectives: If the topic is listed in Microsoft's Exam 70-296 objectives it is covered here. \* Fully Integrated Learning: This system includes a study guide DVD training and Web-based practice exams.; ['Computers'], "

"Crazy in Berlin; Thomas Berger's debut novel of a young man tumultuously coming of age in postwar Germany Carlo Reinhart a young American army medic stationed in Germany confronts a disturbing new world following the end of World War II. Living in Berlin a city fractured into barricaded sectors by the occupying powers Reinhart begins to drive himself mad with memories of the evils he has witnessed and questions about how the atrocities took place. When he meets an idealistic Jew named Nathan Schild Reinhart's turmoil grows more acute. Schild works for both the Americans and the Russians and he becomes a flashpoint for Reinhart's anguish over the world's vast contradictions. When Schild's escapades lead to a powerful turning point Reinhart is forced to come to terms with life's ambiguities as well as with his own evolving identity. This ebook features an illustrated biography of Thomas Berger including rare images and never-before-seen documents from the author's personal collection.; ['Fiction'], "

"Eve and Adam: Jewish Christian and Muslim Readings on Genesis and Gender; This anthology surveys more than 2000 years of Jewish Christian and Muslim commentary and debate on the biblical story that continues to raise questions about what it means to be a man or to be a woman.; ['Religion'], "

"Verdi;: His music life and times; (Limelight). This book relates the life and experiences of composer Giuseppe Verdi from his birth in 1813 to his death in 1901. Besides documenting Verdi's life and the music he created it also goes further in discussing the times and culture in which he was living in 19th century Italy both socially and politically. ""A complete life-to-death biography wonderfully comprehensive on both life and art wonderfully sensible and splendidly gotten up." The Boston Herald; ['Biography & Autobiography'], "

"Daddy Lessons (Harlequin American Romance); A Crash Course-In Fatherhood! Deep in the heart of Texas Ranger Springs is the perfect place to start over. Kate Wooten and her young son aren't the only newcomers in town-Luke Simon has just moved into the ranch next door along with his menagerie of rescued animals. A former Hollywood animal trainer and stuntman Luke is ready for some peace and quiet. But instead he's getting the surprise of a lifetime: the eight-year-old daughter he didn't know he had. Determined to turn his house into a home for his little girl Luke knows he can't do it alone. Kate doesn't want any complications in her life but this bachelor needs her help to turn him into a good father in just two short weeks. She reluctantly agrees to whip him into shape-now if only she can resist his charms!; ['Fiction'], "

"The Under Study; Recently divorced actor Stephen C. McQueen (no relation unfortunately) seems to have a knack for bad luck. But a failed marriage a stalled career a judgmental ex-wife a distant daughter a horrid little studio apartment in the far reaches of the London suburbs-all these pathetic elements seem to pale in the chiseled face of his newest tormentor: the Twelfth Sexiest Man in the World Josh Harper. Josh is the star of Mad Bad and Dangerous to Know a biographical play about Lord Byron-and Stephen is his understudy. Not only is Josh fantastically infuriatingly good-looking internationally renowned and remarkably talented he's also frustratingly healthy. No matter how many all-night booze-and-coke benders Josh goes on he always shows up at the stage door for his call like clockwork. Stephen doubts he'll ever get his chance to slip on the puffy shirt and tight breeches of Byron and tread the boards in the role that would certainly be the break he's always waited for. And just when Stephen's sure he couldn't resent Josh more he meets Josh's witty restless American wife Nora . . . and discovers he likes her a little too much. Another man might curse his luck at finding that his potential dream woman is a rival's wife but at this point Stephen would expect nothing else. Caught between his stirring feelings for Nora the demands of an insistent and secretive Josh and his lifelong desire for a real career in show business Stephen must make a terrible decision: Will it be the girl or the fame? A hapless bumbling bloke in love an arrogant megastar with a potpourri of addictions a sexy married woman out of her element in the fast lane-David Nicholls brings them all together in this knockout romantic comedy.; ['Fiction'],"

"Fat and Proud: The Politics of Size; In Fat and Proud activist Charlotte Cooper charts the evolution of the fat rights movement. Demonstrating the extent of ""fatphobia"" in society she explains not only how it affects fat women but how the fear of being fat oppresses all women. She also looks at health issues challenging the ""medicalization"" of fat people and exposing the myths and dangers of dieting and thinness. Throughout are the voices of fat women relating their experiences of discrimination and pain-but also their affirmations of positive self-image and esteem. Fat and Proud represents a coming to power of the fat rights movement; it calls for a greater appreciation of body-size diversity so that all of us might live in and enjoy our bodies without fear or shame.; ['Social Science'],"

"The Florians (Daedalus Mission Book 1); They call them the ""rat-catchers." They're the crew of the spaceship Daedalus which an economically destitute Earth has dispatched on a mission to re-establish contact with its far-flung long-lost space colonies. Alex Alexander ship's biologist must help solve the mysteries of human and alien ecosystems that he encounters light-years from home. The planet Floria initially appears to be one of the few Earth colonies that's actually prospered since its initial settlement. But underneath the surface of the society the ""Planners"" keep a strict repressive rule over the Florians while the police are apparently attempting to assert their own authority. But is either group actually what they seem?; ['Fiction'],"

"The Federalist; Eighty-five articles and essays by Alexander Hamilton John Jay and James Madison that interpret and promote the US Constitution. Three of America's Founding Fathers—Alexander Hamilton General George Washington's chief of staff and first secretary of the treasury; John Jay the first chief justice of the United States; and James Madison father of the Constitution author of the Bill of Rights and fourth president of the United States—embarked on an anonymous public relations campaign to promote the ratification of the US Constitution. Beginning in 1787 their articles appeared in three New York newspapers: The Independent Journal the New-York Packet and the Daily Advertiser. Written under the pseudonym Publius their writings were a masterful analysis and interpretation of the Constitution explaining the principles upon which the US government was founded. To this day the Federalist Papers remain "an authoritative resource for academics lawyers and judges—including Supreme Court justices—to use to interpret the Constitution and to determine its original or historic meaning" (National Constitution Center).; ['Literary Collections'],"

"Lionheart Gal: Life Stories of Jamaican Women (Caribbean Cultural Studies); Cross-Cultural Studies is the culminating effort of a distinguished team of international scholars who have worked since the mid-1980s to create the most complete analysis of Caribbean literature ever undertaken. Conceived as a major contribution to postcolonial studies cultural studies cultural anthropology and regional studies of the Caribbean and the Americas Cross-Cultural Studies illuminates the interrelations between and among Europe the Caribbean islands Africa and the American continents from the late fifteenth century to the present. Scholars from five continents bring to bear on the most salient issues of Caribbean literature theoretical and critical positions that are currently in the forefront of discussion in literature the arts and public policy. Among the major issues treated at length in Cross-Cultural Studies are: The history and construction of racial inequality in Caribbean colonization; The origins and formation of literatures in various Creoles; The gendered literary representation of the Caribbean region; The political and ideological appropriation of Caribbean history in creating the idea of national culture in North and South America Europe and Africa; The role of the Caribbean in contemporary theories of Modernism and the Postmodern; The decentering of such canonical authors as Shakespeare; The vexed but inevitable connectedness of Caribbean literature with both its former colonial metropoles and its geographical neighbors. Contributions to Cross-Cultural Studies give a concrete cultural and historical analysis of such contemporary critical terms as hybridity transculturation and the carnivalesque which have so often been taken out of context and employed in narrowly ideological contexts. Two important theories of the simultaneous unity and diversity of Caribbean literature and culture propounded by Antonio Benitez-Rojo and +douard Glissant receive extended treatment that places them strategically in the debate over multiculturalism in postcolonial societies and in the context of chaos theory. A contribution by Benitez-Rojo permits the reader to test the theory through his critical practice. Divided into nine thematic and methodological sections followed by a complete index to the names and dates of authors and significant historical figures discussed Cross-Cultural Studies will be an indispensable resource for every library and a necessary handbook for scholars teachers and advanced students of the Caribbean region.; ['Literary Criticism'], "

"Nanoelectronics and Nanosystems From Transistors to Molecular and Quantum Devices; An accessible introduction for electronic engineers computer scientists and physicists. The overview covers all aspects from underlying technologies to circuits and systems. The challenge of nanoelectronics is not only to manufacture minute structures but also to develop innovative systems for effective integration of the billions of devices. On the system level various architectures are presented and important features of systems such as design strategies processing power and reliability are discussed. Many specific technologies are presented including molecular devices quantum electronic devices resonant tunnelling devices single electron devices superconducting devices and even devices for DNA and quantum computing. The book also compares these devices with current silicon technologies and discusses limits of electronics and the future of nanosystems.; ['Technology & Engineering'], "

"Post Captain (Master and Commander Series); "If Jane Austen had written rousing sea yarns she would have produced something very close to the prose of Patrick O'Brian." -Time It's 1802. The Treaty of Amiens has brought an end to the hostilities between Great Britain and France. Captain Jack Aubrey and his friend naval surgeon Stephen Maturin are enjoying the respite in the English countryside besotted with two beautiful cousins Sophie Williams and Diana Villiers-until Aubrey loses his fortune and they flee to France to escape his creditors. While in France Napoleon smashes the Peace of Amiens and war begins anew. Aubrey and Maturin now finding themselves behind enemy lines make their way back to England. Maturin is sent to Spain on an intelligence-gathering mission and the now-solvent Aubrey assumes command of a strange warship pursuing his quarry straight into the mouth of a French-held harbor. Amidst the rollicking adventures at sea and mishaps on land Aubrey and Maturin's friendship is tested by their romantic entanglements with the cousins in this brilliant second installment of the epic series.; ['Fiction'], "

"The Red Right Hand; A deranged killer sends a doctor on a quest for the truth - deep into the recesses of his own mind. 'Deserves its reputation as one of the greatest mysteries of all time' PUBLISHERS WEEKLY starred review What really happened to Inis St. Erme? What was his fatal mistake? Was it when he and his bride-to-be first set out to elope in Vermont? Or did his deadly error occur later when they picked up a terrifying hitch-hiker or when the three stopped at 'Dead Bridegroom's Pond' for a picnic? Dr Riddle is determined to find out but he soon uncovers a series of bizarre coincidences that leave him questioning his sanity and his innocence. After all he too walked those wild deserted roads the night of the murder stranded and struggling to get home to New York City. The more he reflects the more his own memories become increasingly uncertain as he veers into the irrational territory of pure terror...; ['Fiction'], "

"Douglass' Women : A Novel; The critically acclaimed author of Voodoo Dreams delivers an inspired work of historical fiction about the warring passions that drove the great abolitionist Frederick Douglass and two women -- one black one white -- who loved him. Douglass' Women reimagines the lives of an American hero Frederick Douglass and two women -- his wife and his mistress -- who loved him and lived in his shadow. Anna Douglass a free woman of color was Douglass' wife of forty-four years who bore him five children. Ottilie Assing a German-Jewish intellectual provided him the companionship of the mind that he needed. Hurt by Douglass' infidelity Anna rejected his notion that only literacy freed the mind. For her familial love rivaled intellectual pursuits. Ottilie was raised by parents who embraced the ideal of free love but found herself entrapped in an unfulfilling love triangle with America's most famous self-taught slave for nearly three decades. In her finest novel to date Jewell Parker Rhodes vividly resurrects these two extraordinary women from history portraying the life they led together under the same roof of the Douglass home. Here fiery emotions of passion jealousy and resentment churn as the women discover an uneasy solidarity in shared love for an exceptional and powerful man. Douglass' Women fills the gaps and silences that history has left in an unforgettable epic full of heartache and triumph.; ['Fiction'], "

"Aeroplanes (His Every boy's mechanical library); Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original.

Imperfections could be in the form of blurred text photographs or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers. Generally Trieste books are purchased singly - on demand however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.; ['Juvenile Fiction'], "

"After midnight; Two strangers. A midnight kiss. It's just like a fairy tale ... if they can find their way to happily ever after ... When Miles Shepard sees gorgeous Nora Hart across a crowded room on New Year's Eve he leaps at the chance to steal a super-sexy kiss at midnight. Then he flees the party without swapping numbers with her. He's ready to put this year in his rearview mirror—and the last thing he needs are complications. But he hasn't reckoned on Nora. Despite her own miserable year she can't forget Miles's kiss—and she won't quit till she tracks down her mystery man. Miles can't deny the force of their attraction—even as he wrestles with how much to tell her about the trouble he's in.

Putting their painful pasts behind them won't be easy. But if they can face their doubts boldly they might just get a second chance to start the year in each other's arms.; ['Fiction'],"

"Path of Ascent! A Production Line's Success Story Through the Use of Designed Experiments; Profitability is the key to any production line's existence and to maintain profitability production processes must continually improve. As products change the production lines must adapt quickly often drastically. This stressful metamorphosis leads to one inevitable result: drastic inefficiencies. To assure the success of a new production line one must optimize the production processes as quickly as possible. But how do you optimize a world with dozens of factors in a matter of a few weeks? The key is methodology and specifically a methodology called Design of Experiments (DOE). This ""art"" is the result of years of research by ingenious statisticians and its application is finding uses in varied fields such as advertising marketing and product design. This book narrates the story of Luc an orchid farmer that finds that his orchid greenhouses are continually less profitable. After much contemplation Luc decides to change his principal crop from the standard orchid to the highly praised 'African Sunset' orchid. Unfortunately this beautiful flower is a headache to cultivate and requires completely different growing conditions than his previous orchids. After a couple of disastrous attempts to characterize the cultivation of this exotic orchid with what might be considered ""conventional"" experimental techniques (changing one variable at a time and seeing what happens) Luc decides to get help for his project. Help comes thanks to Stefan an experienced statistician who helps Luc over the pitfalls of characterizing a complex multi-variable process. Through their amusing dialogues and experiences the reader is lead through the practice of the art of Design of Experiments.; ['Fiction'],"

There is also a collection of legal maxims as well as a bibliography of the principal law dictionaries in English and other languages to 1891.; ['Law'], "

"TARZAN ALIVE - A Definitive Biography of Lord Greystoke; Through the tales of Edgar Rice Burroughs generations of readers have thrilled to the adventures of Lord Greystoke (aka John Clayton but better known as Tarzan of the Apes). In this biography Philip José Farmer pieces together the life of this fantastic man correcting Burroughs's errors and deliberate deceptions and tracing Tarzan's family tree back to other extraordinary figures including Sherlock and Mycroft Holmes the Scarlet Pimpernel Doc Savage Nero Wolfe and Bulldog Drummond. Tarzan Alive offers the first chronological account of Tarzan's life narrated in careful detail garnered from Burroughs's stories and other sources. From the ill-fated voyage that led to Greystoke's birth on the isolated African coast to his final adventures as a group captain in the RAF during World War II Farmer constructs a comprehensive and authoritative account. Farmer's assertion that Tarzan was a real person has led him to craft a biography as well

researched and compelling as that of any character from conventional history.; ['Fiction'], "

"The End of an Era; China's reform era is ending. Core factors that characterized it-political stability ideological openness and rapid economic growth-are unraveling. Since the 1990s Beijing's leaders have firmly rejected any fundamental reform of their authoritarian one-party political system and on the surface their efforts have been a success. But as Carl Minzner shows a closer look at China's reform era reveals a different truth. Over the past three decades a frozen political system has fueled both the rise of entrenched interests within the Communist Party itself and the systematic underdevelopment of institutions of governance among state and society at large. Economic cleavages have widened. Social unrest has worsened. Ideological polarization has deepened. Now to address these looming problems China's leaders are progressively cannibalizing institutional norms and practices that have formed the bedrock of the regime's stability in the reform era. End of an Era explains how China arrived at this dangerous turning point and outlines the potential outcomes that could result.; ['Political Science'], "

"The Gospel of Arnie; As Arnie grew older his sneer grew larger so that to those in his church it became an historical landmark. It crawled up the right side of his face exposing his back teeth and causing his right eye to crouch as if he were winking. Families who passed him by on the playground or at the shopping mall stopped in awe at the sight of it. Parents stared. Children turned away in fright. Often a mother grabbing her son by the arm would point to Arnie saying 'See that kid? You are to have nothing to do with him. Do you hear?'"It wasn't long before Arnie went to grade school and his uncle's fear once fluid hardened like cement. For the priests and nuns at the school teaching was a blessing from God until the new school year rolled around and Arnie showed up for class. Feeling as though he has a new lease on life teenager Arnie Shultz is all set to begin another school year-his freshman year of college-preaching at a Catholic school on the California coast. But Arnie's gospel is different from the one Jesus taught-while Jesus brought the Kingdom of God to earth Arnie brings his own vision to campus.; ['Juvenile Fiction'], "

"Vera Brittain a Feminist Life (Studies in Gender and History); This is a biographical study of the English writer and social activist Vera Brittain (1893-1970). Author of more than twenty books and a successful journalist Brittain is best known for her autobiographical Testament of Youth which is remembered as the most important book of the First World War written from a woman's perspective. In the interwar decades Vera Brittain became a staunch advocate of equal-rights feminism an internationalist and by the late 1930s a pacifist. In this book Deborah Gorham focuses on Vera Brittain's struggles and achievements as a feminist. She contends that in both her public and private life Brittain was representative of the group of educated middle-class women who brought to fruition the goals of Victorian bourgeois feminism in the years following the Great War.; ['Biography & Autobiography'], "

"Fringe Banking: Check-Cashing Outlets Pawnshops and the Poor; ""Cogently argued fills an important gap in the literature and is accessible to undergraduates.""-Choice ""Dismantles the mythology surrounding pawnshops and check-cashing outlets and demonstrates that they are no longer on the fringe of our financial system but integral to it.""-San Francisco Bay Guardian In today's world of electronic cash transfers automated teller machines and credit cards the image of the musty junk-laden pawnshop seems a relic of the past. But it is not. The 1980s

witnessed a tremendous boom in pawnbroking. There are now more pawnshops than ever before in U.S. history and they are found not only in large cities but in towns and suburbs throughout the nation. As John Caskey demonstrates in *Fringe Banking* the increased public patronage of both pawnshops and commercial check-cashing outlets signals the growing number of American households now living on a cash-only basis with no connection to any mainstream credit facilities or banking services. *Fringe Banking* is the first comprehensive study of pawnshops and check-cashing outlets profiling their operations customers and recent growth from family-owned shops to such successful outlet chains as Cash American and ACE America's Cash Express. It explains why despite interest rates and fees substantially higher than those of banks their use has so dramatically increased. According to Caskey declining family earnings changing family structures a growing immigrant population and lack of household budgeting skills has greatly reduced the demand for bank deposit services among millions of Americans. In addition banks responded to 1980s regulatory changes by increasing fees on deposit accounts with small balances and closing branches in many poor urban areas. These factors combined to leave many low- and moderate-income families without access to checking privileges credit services and bank loans. Pawnshops and check-cashing outlets provide such families with essential financial services they cannot obtain elsewhere. Caskey notes that fringe banks particularly check-cashing outlets are also utilized by families who could participate in the formal banking system but are willing to pay more for convenience and quick access to cash. Caskey argues that contrary to their historical reputation as predators milking the poor and desperate pawnshops and check-cashing outlets play a key financial role for disadvantaged groups. Citing the inconsistent and often unenforced state laws currently governing the industry *Fringe Banking* challenges policy makers to design regulations that will allow fringe banks to remain profitable without exploiting the customers who depend on them.; ['Business & Economics'], "The Instauratio Magna: Last Writings (Oxford Francis Bacon); This volume presents seven texts belonging to the last stages of Francis Bacon's hugely influential philosophical reform programme. Producing and preserving meats for family meals are sound practices for farm families and some city folks as well-they make possible a wider variety of meats which can be of the best quality at less cost. Meat is an essential part of the American diet. It is also an expensive food. With the costs high many persons cannot afford to buy the better cuts; others are being forced to restrict the meat portion of the diet to a minimum or to use ineffectual substitutes. Commercially in the United States meat means the flesh of cattle hogs and sheep except where used with a qualifying word such as reindeer meat crab meat whale meat and so on. Meat in this book is used in a broader sense although not quite so general as to comprise anything and everything eaten for nourishment either by man or beast. To be sure it includes the flesh of domestic animals and large and small game animals as well; also poultry domestic fowl raised for their meat and eggs and game birds all wild upland birds shore birds and waterfowl; and fish.; ['Science'], "Better Homes and Gardens Biggest Book of Slow Cooker Recipes; 237 tantalizing appetizers savory soups full-flavored stews main dishes meatless options healthful choices and luscious desserts. Favorite cuisines: Asian Italian Mexican and Mediterranean plus comfort food vegetarian choices and more All recipes list ingredients needed cook times nutrition information and calorie counts.; ['Cooking'], "The Book of Salt: A Novel; A novel of Paris in the 1930s from the eyes of the Vietnamese cook employed by Gertrude Stein and Alice B. Toklas by the author of The Sweetest Fruits. Viewing his famous mesdames and their entourage from the kitchen of their rue de Fleurus home Binh observes their domestic entanglements while seeking his own place in the world. In a mesmerizing tale of yearning and betrayal Monique Truong explores Paris from the salons of its artists to the dark nightlife of its outsiders and exiles. She takes us back to Binh's youthful servitude in Saigon under colonial rule to his life as a galley hand at sea to his brief fateful encounters in Paris with Paul Robeson and the young Ho Chi Minh. Winner of the New York Public Library Young Lions Fiction Award A Best Book of the Year: New York Times Village Voice Seattle Times Miami Herald San Jose Mercury News and others "An irresistible scrupulously engineered confection that weaves together history art and human nature...a veritable feast."—Los Angeles Times "A debut novel of pungent sensuousness and

intricate inspired imagination...a marvelous tale."—Elle  
"Addictive...Deliciously written...Both eloquent and original."—Entertainment Weekly "A mesmerizing narrative voice an insider's view of a fabled literary household and the slow revelation of heartbreaking secrets contribute to the visceral impact of this first novel."—Publishers Weekly starred review; ['Fiction'], "

"The Geometry of Physics: An Introduction; This book provides a working knowledge of those parts of exterior differential forms differential geometry algebraic and differential topology Lie groups vector bundles and Chern forms that are essential for a deeper understanding of both classical and modern physics and engineering. Included are discussions of analytical and fluid dynamics electromagnetism (in flat and curved space) thermodynamics the Dirac operator and spinors and gauge fields including Yang-Mills the Aharonov-Bohm effect Berry phase and instanton winding numbers quarks and quark model for mesons. Before discussing abstract notions of differential geometry geometric intuition is developed through a rather extensive introduction to the study of surfaces in ordinary space. The book is ideal for graduate and advanced undergraduate students of physics engineering or mathematics as a course text or for self study. This third edition includes an overview of Cartan's exterior differential forms which previews many of the geometric concepts developed in the text.; ['Mathematics'], "

Tijdens zijn verlof breekt in Dublin de Paasopstand tegen de Engelsen uit. Willie sympathiseert met de opstandelingen en haalt zich daarmee de woede van zijn vader op de hals. Ook Gretta breekt met hem nadat ze erachter is gekomen dat hij zich in Vlaanderen heeft misdragen. Verteerd door twijfel en verdriet keert Willie terug naar de loopgraven. Hij vecht voor zijn leven in een oorlog die slechts verliezers kent.; ['Fiction'], "

"The Everyday Writer; Andrea Lunsford's research shows that students are writing more than ever — in classrooms workplaces and social spaces in local communities and around the world. The Everyday Writer Fifth Edition is the first tabbed handbook to help the participants in this ""literacy revolution"" build on the smart decisions they make as social writers — and use their skills in their academic and professional work. With Andrea Lunsford's trademark attention to rhetorical choice and language and with new chapters on public writing critical reading and understanding how and why to use documentation The Everyday Writer gives today's students the information they need to be effective ethical writers. New illustrations by graphic artist G.B. Tran make complicated concepts clear and inviting for students.; ['Language Arts & Disciplines'], "

"The Vanishing Irish; In the years between the Great Famine of the 1840s and the First World War Ireland experienced a drastic drop in population: the percentage of adults who never married soared from 10 percent to 25 percent while the overall population decreased by one third. What accounted for this? For many social analysts the history of post-Famine

Irish depopulation was a Malthusian morality tale where declining living standards led young people to postpone marriage out of concern for their ability to support a family. The problem here argues Timothy Guinnane is that living standards in post-Famine Ireland did not decline. Rather other more subtle economic changes influenced the decision to delay marriage or not marry at all. In this engaging inquiry into the ""vanishing Irish"" Guinnane explores the options that presented themselves to Ireland's younger generations taking into account household structure inheritance religion cultural influences on marriage and family life and especially emigration. Guinnane focuses on rural Ireland where the population changes were most profound and explores the way the demographic patterns reflect the rural Irish economy Ireland's place as a small part in a much larger English-speaking world and the influence of earlier Irish history and culture. Particular effort is made to compare Irish demographic behavior to similar patterns elsewhere in Europe revealing an Ireland anchored in European tradition and yet a distinctive society in its own right. Originally published in 1997. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.; ['Business & Economics'], "

"Tarzan And The Forbidden City; Tarzan and the Forbidden City - Edgar Rice Burroughs - A young man named Brian Gregory has disappeared in Africa looking for the fabled Father of Diamonds; his father and sister want to go rescue him and they can only enlist Tarzan's help because they know Captain Paul D'Arnot. By chance Tarzan and Brian are lookalike thus making some vile scoundrels to think Tarzan is Brian. They are also heading out after the big old diamond. The Forbidden city is again in a secret valley with two cities Ashair and Thobos in war because of the

Father of Diamonds. Tarzan has to fight many times against different foes once even a man size unicorn seahorse!; ['Juvenile Fiction'],"  
"Mycelium Running: How Mushrooms Can Help Save the World; Growing more mushrooms may be the best thing we can do to save the environment and mushroom expert Paul Stamets explains how in this groundbreaking manual. The science goes like this: fine filaments of cells called mycelium the fruit of which are mushrooms already cover large areas of land around the world. As the mycelium grows it breaks down plant and animal debris recycling carbon nitrogen and other elements in the creation of rich new soil. What Stamets shows is that the enzymes and acids that mycelium produces to decompose this debris are superb at breaking apart hydrocarbons--the base of many pollutants. Stamets discusses the various branches of this exciting new technology including mycorestoration (biotransforming stripped land) mycofiltration (creating habitat buffers) myco-remediation (healing chemically harmed environments) and mycoforestry (creating truly sustainable forests)--From publisher description.; ['Gardening'],"

"The Wicked Wit of Winston Churchill; Sir Winston Churchill remains a British hero lauded for his oratorical skill. He wrote histories biographies memoirs and even a novel while his journalism speeches and broadcasts run to millions of words. From 1940 he inspired and united the British people and guided their war effort. Behind the public figure however was a man of vast humanity and enormous wit. His most famous speeches and sayings have passed into history but many of his aphorisms puns and jokes are less well-known. This enchanting collection brings together hundreds of his wittiest remarks as a record of all that was best about this endearing conceited talented and wildly funny Englishman. Also available in the series are collections from Shakespeare To Be or Not To Be and Oscar Wilde I Can Resist Everything Except Temptation.; ['Humor'],"

"Nach Kippenberger; Permission to Laugh explores the work of three generations of German artists who beginning in the 1960s turned to jokes and wit in an effort to confront complex questions regarding German politics and history. Gregory H. Williams highlights six of them—Martin Kippenberger Isa Genzken Rosemarie Trockel Albert Oehlen Georg Herold and Werner Büttner—who came of age in the mid-1970s in the art scenes of West Berlin Cologne and Hamburg. Williams argues that each employed a distinctive brand of humor that responded to the period of political apathy that followed a decade of intense political ferment in West Germany. Situating these artists between the politically motivated art of 1960s West Germany and the trends that followed German unification in 1990 Williams describes how they no longer heeded calls for a brighter future turning to jokes anecdotes and linguistic play in their work instead of overt political messages. He reveals that behind these practices is a profound loss of faith in the belief that art has the force to promulgate political change and humor enabled artists to register this changed perspective while still supporting isolated instances of critical social commentary. Providing a much-needed examination of the development of postmodernism in Germany Permission to

Laugh will appeal to scholars curators and critics invested in modern and contemporary German art as well as fans of these internationally renowned artists.; ['Art'], "

"Health Law; Health Care Law and Ethics Ninth Edition offers a relationship-oriented approach to health law—covering the essentials as well as topical and controversial subjects. The book provides thoughtful and teachable coverage of every aspect of health care law. Current and classic cases build logically from the fundamentals of the patient/provider relationship to the role of government and institutions in health care. The book is adaptable to both survey courses and courses covering portions of the field. Key Features: New authors Nick Bagley and Glenn Cohen Incorporated anticipated changes to the Affordable Care Act More current cases and more streamlined notes including ones on medical malpractice bioethics and on finance and regulation More coverage of "conscientious objection" and "big data" - Discussion of new "value based" methods of physician payment - Expanded coverage of "fraud and abuse" Current issues in public health (e.g. Ebola Zika) and controversies in reproductive choice (e.g. Hobby Lobby) Coverage of cutting-edge genetic technologies (e.g. gene editing and mitochondrial replacement); ['Law'], "

"I Believe... That You Believe; What is the foundation underpinning success in all areas of life? Is there a blueprint? What if you learned that your beliefs were the very cornerstones that supported success and that having a few of these could give rise to success in some areas while complete failure in others? Would you choose to build a stronger overall foundation? Very few people today doubt the power of positive thinking. We all know that if we expect to fail then failure is inevitably what we get and there is also the issue of the mind/body connection—science is repeatedly demonstrating the power of mind and belief to heal. What you believe can and does have a huge impact on the quality of your life—from success in business to success in relationships from your ability to learn and master new subjects to your ability to heal your own body. But have you ever stopped to consider your own beliefs—to truly examine them and decide for yourself if they are serving you or sabotaging you? Eldon Taylor has spent over 25 years researching the power of the mind and

developing scientifically proven methods to use this power to enhance the quality of your life. I Believe is a book that will not only inspire you but will highlight the kinds of beliefs you hold that may be causing you to fail. In the process it will provide you with the opportunity to choose once again the beliefs that drive your life.; ['Body Mind & Spirit'], "

"The Complete Sleep Guide for Contented Babies & Toddlers; Sleep or rather the lack of it is the issue of paramount concern to the overwhelming majority of new parents. Getting enough sleep is vital for the health of a growing baby or toddler and the sanity of mums and dads. Yet striking the right balance between their differing needs can be hard to achieve. Once sleep problems set in they can fast demoralise and exhaust parents undermining confidence in their ability to cope. Gina Ford has come to the rescue with her answer: the key to a good night's sleep for the whole family lies in teaching parents to understand the changing sleep needs of their growing baby. This book informs and reassures parents dispelling many common myths and anxieties and offering practical solutions that work. By creating a structure of regular feeding sleeping and playing times Gina explains how parents can help their baby to find a rhythm that will be comfortable for all concerned. Whether parents want to establish good sleeping habits from the start or find they need to cure sleep problems and get their child back on track Gina has the answers.; ['Family & Relationships'], "

"The French quarter: An informal history of the New Orleans underworld; Home to the notorious ""Blue Book"" which listed the names and addresses of every prostitute living in the city New Orleans's infamous red-light district gained a reputation as one of the most raucous in the world. But the New Orleans underworld consisted of much more than the local bordellos. It was also well known as the early gambling capital of the United States and sported one of the most violent records of street crime in the country. In The French Quarter Herbert Asbury author of The Gangs of New York chronicles this rather immense underbelly of ""The Big Easy." From the murderous exploits of Mary Jane ""Bricktop"" Jackson and Bridget Fury two prostitutes who became famous after murdering a number of their associates to the faux-revolutionary ""filibusters"" who backed by hundreds of thousands of dollars of public support—though without official governmental approval—undertook military missions to take over the bordering Spanish regions in Texas the French Quarter had it all. Once again Asbury takes the reader on an intriguing photograph-filled

journey through a unique version of the American underworld.;

"Henry IV Part 2 (The New Folger Library Shakespeare); The authoritative edition of Henry IV Part 2 from The Folger Shakespeare Library the trusted and widely used Shakespeare series for students and general readers. Henry IV Part 2 is the only Shakespeare play that is a "sequel" in the modern sense to an earlier play of his. Like most sequels it repeats many elements from the previous work Henry IV Part 1. This play again puts on stage Henry IV's son Prince Hal who continues to conceal his potential greatness by consorting with tavern dwellers including the witty Sir John Falstaff. As in Part 1 Prince Hal and Falstaff seek to best each other in conversation while Falstaff tries to ingratiate himself with Hal and Hal disdains him. Part 2 adds some fresh characters the rural justices Shallow and Silence and Shallow's household. Political rebellion while important to the plot does not loom as large as in Part 1. There are no glorious champions; combat is replaced by deception cunning and treachery. This edition includes: -Freshly edited text based on the best early printed version of the play -Full explanatory notes conveniently placed on pages facing the text of the play -Scene-by-scene plot summaries -A key to the play's famous lines and phrases -An introduction to reading Shakespeare's language -An essay by a leading Shakespeare scholar providing a modern perspective on the play -Fresh images from the Folger Shakespeare Library's vast holdings of rare books -An annotated guide to further reading Essay by A. R. Braunmuller The Folger Shakespeare Library in Washington DC is home to the world's largest collection of Shakespeare's printed works and a magnet for

Shakespeare scholars from around the globe. In addition to exhibitions open to the public throughout the year the Folger offers a full calendar of performances and programs. For more information visit [Folger.edu.](http://Folger.edu;); ['Drama'], "

"Polo; De gerenommeerde Amerikaanse politiek analist Robert D. Kaplan buigt zich in zestien scherpe en waldoordachte artikelen over de buitenlandse politiek van de Verenigde Staten in de laatste twintig jaar. Hij onderzoekt de rol van de VS in de globale politiek en door welke tijdloze principes en factoren deze gevormd dient te worden. Centraal staat het artikel waar het boek mee opent en waar het zijn naam aan ontleent: 'De terugkeer van de wereld van Marco Polo' over de geopolitieke situatie in Eurazië en het Amerikaanse militaire antwoord hierop. Op basis van zijn jarenlange ervaring als buitenlandcorrespondent voor onder andere The Atlantic schetst Kaplan een uiterst helder en gedetailleerd beeld van een wereld die steeds instabieler lijkt te worden en de manier waarop de VS zich daaraan dient aan te passen. Hij maakt zich sterk voor de tijdloze beginselen en eigenschappen die Amerika's rol in de wereld zouden moeten bepalen zoals erkenning dat de westerse democratie niet voor iedereen zaligmakend is besef van het verschil tussen Amerikaanse belangen en Amerikaanse waardes bewustzijn van de psychologische belasting van oorlog en het belang van een sterke vloot. Robert D. Kaplan schreef vijftien boeken over buitenlandse politiek en reizen waaronder De verovering van de Rockies en Duister Europa waarvan wereldwijd vertalingen zijn verschenen. Van 2009 tot 2011 maakte Kaplan deel uit van het Defense Policy Board van het Pentagon onder leiding van minister van Defensie Robert Gates. In 2011 gaf Foreign Affairs hem een plaats in de 'Top 100 Global Thinkers'. 'Robert D. Kaplan is de best in

the business. Deze essays zijn niet alleen verbluffend vanwege hun ruime opvattingen diepte en omvang maar ook meesterlijk geschreven en uiterst toegankelijk.' John Bew King's College London; ['History'], "

"The Fellowship of the Ring 2002 Calendar (The Lord of the Rings); This comprehensive and discriminating account of Tolkien's work has been revised and expanded to take account both of recent developments in scholarship and of the recent films directed by Peter Jackson. Tracing the development of Tolkien's creative technique over several decades it explores the bewildering profusion of shorter works as well as devoting an extended analysis to The Lord of the Rings . Chapters consider Tolkien's contribution to the history of ideas and review the reception of the Lord of the Rings film adaptations and other popular adaptations of his work.; ['Literary Criticism'], "

"The Edge of Heaven; 2119: The bi-level city of Creo Basse towers over the wastelands of central France. Built as a permanent relocation centre for the dispossessed Creo has become a hotbed of simmering resentment and unrest. The authorities keep tight control not least because outlawed a-nauts (artificial humans) are known to hide among its citizenry. In the dark honeycomb districts of the lower city Boston Turrow is searching desperately for black-market meds for his epileptic sister when he encounters one of the many ways Creo can kill a person. His unlikely rescuer is Danae Grant a woman recently made homeless when the bloc she lived in was condemned. Danae knows people Boston knows where she can stay... The tinderbox that is Creo catches light when a deadly plague erupts among the populace. Is it really a terrorist weapon unleashed by the a-nauts as the authorities claim or does that just hide a deeper darker secret? Danae and Boston are determined to survive if only to discover the truth; of course that might be easier said than done... RB Kelly's stunning debut novel Edge of Heaven is the winner of the Irish Writers Centre Novel Fair Award. ""...punchy and riveting as required but

also mindful that science fiction's first duty is to weave alternative realities in which readers can blissfully lose themselves." - The Irish Times ""RB Kelly is a thrilling new talent in SFF. Her writing is lyrical passionate honest her science-fictional worlds unique and deeply thought-through. All the great stories are love stories and this is a love story like none you have read before." - Ian McDonald ""This is noir thriller territory: in the rain-swept city there are alleyways and boulevards abandoned warehouses and apartment blocks petty crime and dangerous gangs... an impressive debut." - The Green Book; ['Fiction'], "

"I Was a Teenage Fairy; Maybe Mab was real. Maybe not. Maybe Mab was the fury. Maybe she was the courage. Maybe later on she was the sex . . . A tiny fairy winging her way through the jasmine-scented L.A. night. A little girl caught in a grown-up glitz-and-glitter world of superstars and supermodels. A too beautiful boy with a secret he can never share . . . From the author of Weetzie Bat comes a magical mesmerizing tale of transformation. This is the story of Barbie Marks who dreams of being the one behind the Cyclops eye of the camera not the voiceless one in front of it; who longs to run away to New York City where she can be herself not some barley flesh-and-blood version of the plastic doll she was named after. It is the story of Griffin Tyler whose androgynous beauty hides the dark pain he holds inside. And finally it is the story of Mab a pinkie-sized magenta-haired straight-talking fairy who may or may not be real but who helps Barbie and Griffin uncover the strength beneath the pain and who teaches that love—like a sparkling web of light spinning around our bodies and our souls—is what can heal even the deepest scars.; ['Young Adult Fiction'], "

"Winners Take All; 'Entertaining and gripping . . . For those at the helm the philanthropic plutocrats and aspiring ""change agents"" who believe they are helping but are actually making things worse it's time for a reckoning with their role in this spiraling dilemma' Joseph Stiglitz New York Times Book Review 'In Anand's thought-provoking book his fresh perspective on solving complex societal problems is admirable. I appreciate his commitment and dedication to spreading social justice' Bill Gates An insider's trenchant investigation of how the global elite's efforts to ""change the world"" preserve the status quo and obscure their culpability Former New York Times columnist Anand Giridharadas takes us into the inner sanctums of a new gilded age where the rich and powerful fight for equality and justice any way they can - except ways that threaten the social order and their position atop it. We see how they rebrand themselves as saviours of the poor; how they lavishly reward ""thought leaders"" who redefine ""change"" in winner-friendly ways; and how they constantly seek to do more good but never less harm. But why should our gravest problems be solved by the unelected upper crust instead of the public institutions it erodes by lobbying and dodging taxes? Rather than rely on scraps from the winners Giridharadas argues that we must take on the gruelling democratic work of building more robust egalitarian institutions. Trenchant and revelatory Winners Take All is a call to action for elites and citizens alike.; ['Social Science'],"

"Clive Barker's Short Stories: Imagination As Metaphor in the Books of Blood and Other Works; Unlike other horror fiction and fantasy writers Clive Barker is true to the literary heritage of the genre. Though aware of the importance of entertainment in his writing he embraces the traditional formulas of horror fiction and builds upon them all the while alluding to the works of Dante Poe Mary Shelley and others. The complexity of Barker's writing is best evidenced in the six volume Books of Blood. Many of these short stories are entertaining hair raisers; yet they do not revel in gratuitous violence instead relying on style and a masterful sense of language to entertain. This detailed study analyzes the significant themes in Barker's writing placing him in the British Gothic tradition of Marlowe Saki and others.; ['Social Science'],"

"Slow Walk in a Sad Rain: The Catch-22 of Vietnam; Hailed as the Catch-22 of the Vietnam War Slow Walk in a Sad Rain is based on the author's own experiences as a combat Green Beret. This poignant darkly comic debut novel establishes John P. McAfee as an extraordinary new voice in wartime fiction. The story begins in Special Forces A Camp number 413 twenty miles from the Cambodian border. The camp's Green Berets dividing their time between boredom and terror are ostensibly led by a captain the narrator of the story. But the officer actually takes his cue from an aggressive sergeant named Shotgun who is alternately crazy and wise but always irresistibly frighteningly dangerous. The altogether appropriate motto of A Camp is ""Normal is a cycle on a washing machine." Commanding officers issue orders that have no meaning; weapons are used in ways that are the grotesque opposite of their original design. And in an experience that has a real-life counterpart the Green Berets stumble on a shocking alliance between the CIA and North Vietnam something they realize they must destroy -- even at the cost of bringing both sides down on them.; ['Fiction'],,"

"Making Your Second Marriage a First-Class Success; Happily Ever After-The Second Time Around! Are the scars from an unsuccessful first marriage keeping you from marrying a second time? Are you afraid of committing again—even if you think you've found the right person? Then this book is meant for you. "Journal 1955-1962: Reflections on the French-Algerian War; ?This honest man this good man this man who never did wrong to anyone who devoted his life to the public good and who was one of the greatest writers in Algeria has been murdered. . . . Not by accident not by mistake but called by his name and killed with preference.? So wrote Germaine Tillion in Le Monde shortly after Mouloud Feraoun?s assassination by a right wing French terrorist group the Organisation Arm e Secr te just three days before the official cease-fire ended Algeria?s eight-year battle for independence from France. However not even the gunmen of the OAS could prevent Feraoun?s journal from being published. Journal 1955-1962 appeared posthumously in French in 1962 and remains the single most important account of everyday life in Algeria during decolonization. Feraoun was one of Algeria?s leading writers. He was a friend of Albert Camus Emmanuel Robl\_s Pierre Bourdieu and other French and North African intellectuals. A committed teacher he had dedicated his life to preparing Algeria?s youth for a better future. As a Muslim and Kabyle writer his reflections on the war in Algeria afford penetrating insights into the nuances of Algerian nationalism as well as into complex aspects of intellectual colonial and national identity. Feraoun?s Journal captures the heartbreak of a writer profoundly aware of the social and political turmoil of the time. This classic account now available in English should be read by anyone interested in the history of European colonialism and the tragedies of contemporary Algeria.; ['Biography & Autobiography'],  
"Life is tough and then you graduate: The second Piled Higher and Deeper Comic Strip Collection; This book is the second collection of the unique and popular comic strip ""Piled Higher and Deeper"" which chronicles life (or the lack thereof) in grad school. Bonus features include never-before published strips author notes and a foreword by Karl Marx. Called ""hilarious"" by the Chronicle of Higher Education website ""Piled Higher

"and Deeper"" appears in several newspapers and online where it is read by grad students from over 1000 colleges and universities worldwide. The role of the elderly and the chronically ill those most sus enhanced susceptibility as a factor in an individual's ceptible. Environmental medicine fOCUSing on the response to toxic exposure is discussed.; ['Medical'], "

"Trent and All That: Renaming Catholicism in the Early Modern Era; Counter Reformation Catholic Reformation the Baroque Age the Tridentine Age the Confessional Age: why does Catholicism in the early modern era go by so many names? And what political situations what religious and cultural prejudices in the nineteenth and twentieth centuries gave rise to this confusion? Taking up these questions John O'Malley works out a remarkable guide to the intellectual and historical developments behind the concepts of Catholic reform the Counter Reformation and in his felicitous term Early Modern Catholicism. The result is the single best overview of scholarship on Catholicism in early modern Europe delivered in a pithy lucid and entertaining style. Although its subject is fundamental to virtually all other issues relating to sixteenth- and seventeenth-century Europe there is no other book like this in any language. More than a historiographical review Trent and All That makes a compelling case for subsuming the present confusion of terminology under the concept of Early Modern Catholicism. The term indicates clearly what this book so eloquently demonstrates: that Early Modern Catholicism was an aspect of early modern history which it strongly influenced and by which it was itself in large measure determined. As a reviewer commented O'Malley's discussion of terminology opens up a different way of conceiving of the whole history of Catholicism between the Reformation and the French Revolution.; ['Religion'], "

"Perfume: The Story of a Murderer; An odorless baby found orphaned in a Paris gutter in 1738 grows to become a monster obsessed with his perfect sense of smell and a desire to capture by any means the ultimate scent that will make him human. "Japanese Buddhism (Kegan Paul Japan Library); Written as a companion to Eliot's 3-volume Hinduism and Buddhism this text begins with an overview of Buddhism as practiced in India and China before presenting an in depth account of the history of Buddhism in Japan. It follows the development of the Buddhist movement in Japan from its official introduction in AD 552 through the Nara Heian and Tokugawa periods detailing the rises of the various Buddhist sects in Japan including Nichiren and Zen.

Thoroughly researched and well-written it was the last work published by Eliot one of the great scholars of Eastern religion and philosophy at the time.; ['Social Science'], "

"Egalia's Daughters: A Satire of the Sexes; Welcome to the land of Egalia where gender roles are topsy-turvy as ""wim"" wield the power and ""menwim"" light the home fires. This re-telling of the prototypical coming-of-age novel will have readers laughing out loud and wondering who should prevail: poor Petronius who wants more than anything to cruise the oceans as a seawom; or his powerful and protective mother Director Bram

who rules her family with an authoritarian righteousness. But for better or for worse as the masculist party begins to organize and protest the landscape of Egalia threatens to change forever. More than just a humorous romp Egalia's Daughters poses the provocative question of whether the culprit in gender subjugation is gender itself or power—no matter who wields it.; ['Fiction'], "

Providing an entertaining and witty overview of the subject the text includes several fascinating puzzles and is accompanied by numerous illustrations and sketches by world famous cartoonists. This unusual book is one of the most readable explanations of mathematics available.; ['Mathematics'], "

"Current Interruption in High-Voltage Networks; Shortly after the establishment of the Brown Boveri Research Center in 1967 plans were developed to organize a series of Brown Boveri Scientific Symposia each having a different topic to be held every other year in Baden. We choose the subject for a symposium with the following requirements in mind: It should characterize a part of a scientific discipline; in other words it should concern an area of scholarly study and research. It should be of current interest in the sense that important results have recently been obtained and considerable research is under way in the world's scientific community. It should bear some relation to the scientific and technological activity of the Company. These symposia are intimately related to one of the very basic concepts which have governed the work of many modern manufacturing companies: close coupling between science and engineering. It is to this coupling that we owe the technical standard of our products and it is this coupling which we hope to be furthered by our symposia.; ['Technology & Engineering'], "

"Two Spirit People: American Indian Lesbian Women and Gay Men (Monograph Published Simultaneously As the Gay & Lesbian Social Services Vol 6 No 2); Two Spirit People is the first-ever look at social science research exploration into the lives of American Indian lesbian women and gay men. Editor Lester B. Brown posits six gender styles in traditional American Indian culture: men and women not-men and not-women (persons of one biological sex assuming the identity of the opposite sex in some form) and gays and lesbians. He brings together chapters that emphasize American Indian spirituality present new perspectives and provide readers with a beginning understanding of the place of lesbian gay and bisexual Indians within American Indian culture and within American society. This beginning will help you understand these unique people and the special challenges and multiple prejudices they face. Traditionally American Indian cultures showed great respect and honor for alternative gender styles since these were believed to be part of the sacred web of life. If the Great Spirit chose to create alternative sexualities or gender roles who was bold enough to oppose such power? If one's spiritual quest revealed one's identity to be that of not-woman not-man gay or lesbian who should defy their calling? The interpretation of contemporary American Indian religions that gay American Indians retain sacred rights

within Indian cultures and that they can share this gift with others have implications for therapy identity formation social movements and general human relations. Social workers and other human service professionals American Indian studies students sociologists anthropologists and lesbian and gay scholars will find Two Spirit People enlightening and a significant contribution to the development of professional interventions for oppressed groups that is ethnically and culturally sensitive. Only by understanding the belief systems from which these oppressed groups come will you begin to really help them achieve positive change. You will become better equipped to specifically help gay and lesbian American Indians as you gain insight into: American Indian alternative gender styles social service issues for American Indian lesbians and gay men American Indian not-men and not-women and their choosing ceremonies American Indian lesbian and gay identity development American Indian lesbian and gay literature AIDS and American Indians Two Spirit People helps you see that family and community acceptance of lesbians and gays is possible. The families of American Indian lesbians and gays do not usually abandon them thus helping them face a generally unaccepting American milieu. Looking to this book and the American Indian perspective of alternative sexuality/gender styles American society as a whole can begin to take a new approach to the treatment and understanding of other groups traditionally held to the "outside" of American mainstream society.; ['Religion'], "

"Managing Across Borders: The Transnational Solution 2nd Edition; MANAGING ACROSS BORDERS is the definitive guide to the management of companies in today's global environment. Since its first publication in the US in 1989 it has established its authors as the leading authorities on the transnational company. This volume brings together a collection of these tools in a single reference for the network administrator.; ['Computers'], "

"Why Am I Afraid to Tell You Who I Am?: Insights Into Personal Growth; This book by the author of Why Am I Afraid to Love? contains insights on self-awareness personal growth and communication with others. Why do people continually hide their real selves from the people around them? Why are so many so insecure and afraid to open up? The answer explains John Powell is that maturity is reached by communicating and interacting with others. This book considers the consequences our real self faces if no one else ever finds out what we are like. In this enduring classic the companion to Why Am I Afraid to Love? John Powell explains how to be more emotionally open and shows how people adopt roles and play psychological games to protect their inner selves. The courage to be our real selves can be developed and then we can begin to grow. Now newly designed for a fresh audience Why Am I Afraid to Tell You Who I Am? is as relevant as it has been for twenty years. With a proven track record it continues to speak to the needs and aspirations of people today. It is best included in self help sections of general bookshops but also has a religious appeal.; ['Religion'],"

"Making Out #6: What Zoey Saw (Making Out (Avon Paperback)); Avidly Reads is a series of short books about how culture makes us feel. Founded in 2012 by Sarah Blackwood and Sarah Mesle Avidly—an online magazine supported by the Los Angeles Review of Books—specializes in short-form critical essays devoted to thinking and feeling. Avidly Reads is an exciting new series featuring books that are part memoir part cultural criticism each bringing to life the author's emotional relationship to a cultural artifact or experience. Avidly Reads invites us to explore the surprising pleasures and obstacles of everyday life. Mid-kiss do you ever wonder who you are who you're kissing where it's leading? It can feel luscious libidinal friendly but are we trying to make out something through our kissing? For Kathryn Bond Stockton making out is a prism through which to look at the cultural and political forces of our world: race economics childhood books and movies. Making Out is Stockton's memoir about a non-binary childhood before that idea existed in her world. We think about kissing as we accompany Stockton to the bedroom to the closet to the playground to the movies and to solitary moments with a book the ultimate source of pleasure.; ['Biography & Autobiography'],"

"The Development of Emotion Regulation and Dysregulation (Cambridge Studies in Social and Emotional Development); Provides a developmental perspective of the regulation and dysregulation of emotion in particular how children learn about feelings and how they learn to deal with both positive and negative feelings. Emotion regulation involves the interaction of physical behavioral and cognitive processes in response to changes in one's emotional state. The changes can be brought on by factors internal to the individual (e.g. biological) or external (e.g. other people). Featuring contributions from leading researchers in developmental psychopathology the volume concentrates on recent theories and data concerning the development of emotion regulation with an emphasis on both intrapersonal and interpersonal processes. Original conceptualizations of the reciprocal influences among the various response systems--neurophysiological-biochemical behavioral-expressive and subjective-experiential--are provided and the individual chapters address both normal and psychopathological forms of emotion regulation particularly depression and aggression from infancy through adolescence. This book will appeal to specialists in developmental clinical and social psychology psychiatry education and others interested in understanding the developmental processes involved in the regulation of emotion over the course of childhood.; ['Psychology'], "

"The Worth of Women: Wherein Is Clearly Revealed Their Nobility and Their Superiority to Men (The Other Voice in Early Modern Europe); ""Written in dialogue form the work purportedly records a conversation among seven Venetian noblewomen of widely varying age and experience whose discussions though loosely unified around the theme of men's

unjustifiable hostility to women and possible cures for it range over almost every aspects of their lives." "--Introduction p.1.; ['History'], "

"Cloubearer's Shadow (Sword in Exile Book 1); Book 3 in the Rune Blades of Celi series. A kidnapped princess and a clanless man share a terrible secret--the dark powers of Maedun are preparing a new assault on the shinning Isle of Celi. Using stolen Celae magic the sorcerer Hakkar plans to rip down the veil of enchantment drawn about the island kingdom. Only the great sword Kingmaker can save the land. Until it too is shattered. Brynda daughter of Keylan must teach her Rune Blade to sing death's song--or Maedun's Somber Riders will claim all Celi for their own ...a lively

mix of action romance and cultural details...grabbed me from the start. - Locus; ['Fiction'], "

"Great Keinplatz Experiment and Other Tales of Twilight and the Unseen; 'The Great Keinplatz Experiment' is a collection of short stories by the prolific 'Sherlock Holmes' author Sir Arthur Conan Doyle. Due to Doyle's fascination with the supernatural several of the stories have a supernatural element. Stories in the collection include Egyptian archaeology thriller 'Lot No. 249' and the dark atmospheric séance story in 'Playing with Fire'. Full of humour as well as mystery this is a fascinating collection of stories from Doyle. Sir Arthur Conan Doyle (1859-1930) was a British author best known as the creator of the world-famous detective Sherlock Holmes. Born in Edinburgh he was educated in England and Austria before studying medicine at the University of Edinburgh. It was during his time at university that Doyle began writing short stories submitting them to magazines and journals. His first Sherlock Holmes novel 'A Study in Scarlet' was written in just three weeks and published in 1887 to favourable reviews and more Sherlock adventures followed. By 1893 Doyle was growing tired of Sherlock and attempted to kill him off in the story 'The Final Problem' but public outcry caused him to resurrect the famous detective. He featured in a total of 56 short stories and four novels along with his trusty sidekick Dr Watson and made Doyle one of the best-paid authors of the time. The stories have been adapted multiple times; most recently in the successful BBC series 'Sherlock' starring Benedict Cumberbatch and Martin Freeman. Later literary works included the Professor Challenger series which began with 'The Lost World' in which Challenger sets out to find evidence of prehistoric life. The book inspired numerous adaptations including the films 'Jurassic Park' and 'The Lost World'. In later life Doyle became captivated by the world of spiritualism and the occult and published non-fiction works about his beliefs including 'The Coming of the Fairies'. Arthur Conan Doyle died at home in 1930.; ['Fiction'], "

"Investing In Your Future (with CD-ROM); CD-ROM contains: Guru an investment program.; ['Business & Economics'], "

"The Color of Love; The Color Of Love reveals the power of racial hierarchies to infiltrate our most intimate relationships. Delving far deeper than previous sociologists have into the black Brazilian experience Elizabeth Hordge-Freeman examines the relationship between racialization and the emotional life of a family. Based on interviews and a sixteen-month ethnography of ten working-class Brazilian families this provocative work sheds light on how families simultaneously resist and reproduce racial hierarchies. Examining race and gender Hordge-Freeman illustrates the privileges of whiteness by revealing how those with "blacker" features often experience material and emotional hardships. From parental ties to sibling interactions to extended family and romantic relationships the chapters chart new territory by revealing the connection between proximity to whiteness and the distribution of affection within families. Hordge-Freeman also explores how black Brazilian families particularly mothers rely on diverse strategies that reproduce negotiate and resist racism. She frames efforts to modify racial features as sometimes reflecting internalized racism and at other times as responding to material and emotional considerations.

Contextualizing their strategies within broader narratives of the African diaspora she examines how Salvador's inhabitants perceive the history of the slave trade itself in a city that is referred to as the "blackest" in

Brazil. She argues that racial hierarchies may orchestrate family relationships in ways that reflect and reproduce racial inequality but black Brazilian families actively negotiate these hierarchies to assert their citizenship and humanity.; ['Social Science'], "

"Sexual Dissidence: Augustine to Wilde Freud to Foucault; Why is homosexuality socially marginal yet symbolically central? Why in other words is it so strangely integral to the very societies which obsessively denounce it and why is it history - history rather than human nature - which has produced this paradoxical position? These are just some of the questions explored in this wide-ranging study of sexual dissidence which returns to the early modern period in order to focus question and develop issues of postmodernity. In the process it brilliantly links writers as diverse as Shakespeare Gide Wilde and Genet and cultural critics as different as St. Augustine Freud Fanon Foucault and Monique Wittig. So Freud's theory of perversion is discovered to be more challenging than either his critics or his advocates usually allow especially when approached via the earlier period's archetypal perverts the religious heretic and the wayward woman Satan and Eve. The book further shows how the literature histories and sub-cultures of sexual and gender dissidence prove remarkably illuminating for current debates in literary theory psychoanalysis and cultural materialism. It includes chapters on transgression and its containment contemporary theories of sexual difference homophobia the gay sensibility transvestite literature in the culture and theatre of Renaissance England homosexuality and race.; ['Literary Criticism'], "

"David; Catalogus bij een expositie van werk uit de periode 1979-1999 van de Amerikaanse postmoderne schilder (1952).; ['Painting Modern'], "

"Who governs?: Democracy and power in an American city (Yale Paperbound); In this work one of the most celebrated political scientists of the 20th century offers a powerful interpretation of the location of political power in American urban communities.; ['Political Science'], "

"I Want To Be A Vet; The publication of the James Herriot books led to an upsurge in interest in the veterinary profession among the public and inspired many to study veterinary medicine. However the veterinary profession has changed markedly since those Herriot days with many more opportunities for people entering the veterinary field including such as job prospects in bioscience research government work specialization in exotic animal medicine animal welfare advisory work international development work and a whole host of other career options. The landscape of the veterinary curriculum has also broadened considerably with topics like animal behavior ethics business management client communication veterinary public health and clinical skills alongside clinical

veterinary medicine. Authored by a Royal Veterinary College instructor with extensive experience within the veterinary profession and with teaching new students this book provides a thorough explanation of what prospective students can expect to study at veterinary school and it discusses career options available to new graduates. Additionally the book offers a useful overview of current issues in the wider veterinary profession as well as an honest and thought-provoking discussion of what veterinary life is actually like. It will also be of benefit to qualified vets and agricultural students. [Subject: Veterinary Science Medicine Agriculture]; ['Medical'], "

"Love Me To Death (Pinnacle True Crime); ""Welcome To My Mortuary!"" Those were the words of William Lee ""Cody"" Neal 43 to Angela Fite on July 5 1998 after luring the pretty 28-year-old to the Denver Colorado townhouse he'd turned into a den of torture and slaughter. With twisted pleasure he showed her two dead female bodies on the floor and a third live one--naked gagged and bound and spread-eagled on a mattress.

""Anybody Stupid Enough To Believe Me Deserves To Get Screwed!"" Neal who called himself ""Wild Bill Cody"" was seductive and skillful at separating love-struck women from their money and ultimately their lives. 43-year-old divorcee Rebecca Holberton let Neal move into her townhouse and ""loaned"" him \$70000. On June 30 1998 he repaid her by crushing her skull with an ax and wrapping her in plastic. On Friday July 3 he brought another girlfriend Candace Walters 48 to the townhouse clubbing her to death and desecrating the body. On Sunday yet another acquaintance Suzanne Scott 21 watched helplessly as Angela Fite was murdered by Neal who then sodomized and raped his bound captive. ""Here's What Happens When You Mess With Me!"" Apprehended by police Neal who proclaimed himself better than Ted Bundy insisted on representing himself at the trial. Though the evidence against him was overwhelming it was the testimony of Suzanne who had survived Neal's unspeakable torture that finally put this monster on Colorado's death row. Includes 16 Pages Of Shocking Photos; ['True Crime'], "

"Music In India: The Classical Traditions; This book is written for the uninitiated Westerner. It is an introduction to the principles ideas and systems of two traditions of Indian classical music. It is geared to the listener as well as to the performer. Chapter 1 concerns the listener and the effect of music. Performance situations are described to show how theory is put into practice. Chapters 2 and 3 contrast concepts in Indian and Western classical music as well as classification of melody type ideas about notating and notation systems used in Indian traditions are also explained. Chapter 4 describes the primary melody-producing instruments. Chapter 5 contrasts Hindustani and Western concepts of rhythm and meter. Additional chapters are concerned with those performance genres which can be heard on available recordings. The final

chapter combines all of the various elements by commenting on the requirements of a good musician.; ['Music'],"

"THE MURDERS IN THE RUE MORGUE.; Edgar Allan Poe's The Murders in the Rue Morgue represents the beginning of crime fiction. The mystery was first published in Graham's Magazine in 1841 and has been recognized as the first detective story. Poe referred to it as one of his ""tales of ratiocination." As the first fictional detective Poe's Dupin displays

many traits which became literary conventions in subsequent fictional detectives including Sherlock Holmes and Hercule Poirot. Many later characters for example follow Poe's model of the brilliant detective his personal friend who serves as narrator and the final revelation being presented before the reasoning that leads up to it. Dupin himself reappears in *The Mystery of Marie Rog t* and *The Purloined Letter.*; ['Fiction'], "

"The Cold War: A New History; ""Outstanding . . . The most accessible distillation of that conflict yet written.""-The Boston Globe

""Energetically written and lucid it makes an ideal introduction to the subject.""-The New York Times The "dean of Cold War historians" (The New York Times) now presents the definitive account of the global confrontation that dominated the last half of the twentieth century.

Drawing on newly opened archives and the reminiscences of the major players John Lewis Gaddis explains not just what happened but why—from the months in 1945 when the U.S. and the U.S.S.R. went from alliance to antagonism to the barely averted holocaust of the Cuban Missile Crisis to the maneuvers of Nixon and Mao Reagan and Gorbachev. Brilliant accessible almost Shakespearean in its drama The Cold War stands as a triumphant summation of the era that more than any other shaped our own. Gaddis is also the author of *On Grand Strategy.*; ['History'], "

"No End Save Victory Vol. 1: Perspectives on World War II; A collection of essays by leading historians reflects on key events and personalities of World War II including the Battle of Britain the Blitzkrieg campaign across Poland and the siege of Berlin.; ['History'], "

"Great Personal Statements for Law School; Expert guidance in creating a high-performance personal statement--essential for admittance to law school Nationally known consultant Paul Bodine has helped thousands gain admission to elite professional schools. In Great Personal Statements for Law School he helps you ace your personal statement the most critical part of any law school application.; ['Business & Economics'], "

"The Tradition of Indian Architecture: Continuity Change and the Politics of Style since 1850; Planners tend to promote formal plans as the only game in town while diverse efforts of urban actors shape our cities. Tracking the development of American ""neighborhood unit"" concept in independent India's planning practice and literature—from the national level policies to on-the-ground applications in the city of Jaipur—Vidyarthi explains how a host of actors including neighborhood residents squatters politicians and developers made different kinds of plans that assimilated the design concept in line with their practical concerns and cultural preferences creating unique variants of neighborhood urbanism

over time. One Idea Many Plans counters misguided characterization of these unforeseen efforts as 'unauthorized' by state authorities. It shows how the frequently informal and tacit plans were neither arbitrary actions nor aimless subversions but purposeful future-oriented efforts that shaped the envisaged sociality and spatiality of Indian cities in more meaningful ways than the official master plans promoting planned neighborhoods. Carefully illustrating the different kinds of plans local actors use to guide incremental adaptation improvement and investment Vidyarthi offers insights about how we might improve formal plan making. Scholars students and professional practitioners interested in different regions of the global south would find these lessons useful as a new generation of city design ideas like sustainability and new urbanism gain traction in an increasingly globalized World.; ['Political Science'], "The Adventures of Charlotte and Henry (Viking Kestrel picture books); Lazy Bottersnikes in outback rubbish tips Sir Pronoun's dilemma about standing in Miss Noun's place and the story of how Jack built a house a hut or a shack are all to be found in this treasury of Australian children's books. This book illuminates the icons of Australian children's literature from Gibbs and Outhwaite to Shaun Tan.; ['Literary Criticism'], "

With the help of this guide to cool jobs they will know what to expect and what employers will expect of them.; ['Family & Relationships'], "

"The Icelandic saga (A Bison book); In this stimulating and reliable introduction to the Icelandic saga Peter Hallberg correctly designates the genre as ""Scandinavia's sole collective original contribution to world literature." These prose narratives dating from the thirteenth century are characterized by a psychological realism which sets them

apart from all other contemporary forms of European literature. Mr. Hallberg's emphasis is on the branch of saga literature which deals with the native heroes--with the settlement of Iceland by Norse chieftains and with the lives of these settlers and their descendants. After disposing of the controversial ""free-prose"" theory of the origin and transmission of these stories the author treats such problems as style and character portrayal dreams and destinies values and ideals humor and irony. Several of the major sagas are studied in some detail. The concluding discussion concerns the decline of saga writing and the role played by the Sagas in modern Scandinavian life and literature. Paul Schach's introduction and copious annotation furnish additional background material and bibliographical references to English translations of the individual sagas and to significant studies on the major problems of saga research. Although intended primarily for the layman The Icelandic Saga is of value to the specialist since it judiciously evaluates and incorporates the revolutionary findings of the so-called ""Icelandic school"" of saga study.; ['Literary Criticism'], "

"Evolutionary Biology of Aging; This unique book looks at the biology of aging from a fundamentally new perspective one based on evolutionary theory rather than traditional concepts which emphasize molecular and cellular processes. The basis for this approach lies in the fact that natural selection as a powerful determining force tends to decline in importance with age. Many of the characteristics we associate with aging the author argues are more the result of this decline than any mechanical imperative contained within organic structures. This theory in turn yields the most fruitful avenues for seeking answers to the problem of aging and should be recognized as the intellectual core of gerontology and the foundation for future research. The author ably surveys the vast literature on aging presenting mathematical experimental and comparative findings to illustrate and support the central thesis. The result is the first complete synthesis of this vital field. Evolutionary biologists gerontologists and all those concerned with the science of aging will find it a stimulating strongly argued account.; ['Science'], "

"Is It Evil and Wicked?; Is It Evil & Wicked? gives the reader great insight into a religion that is affecting the lives of millions of people throughout the world. This in-depth book explains to the Western world details on the religion of Islam including the Qur'an its views of jihad infidels women marriage divorce abortion death heaven hell and the end of time. The author addresses the radical organizations of this religion who are involved in terrorist activity which governments support these organizations why they hate America and if Osama bin Laden really is the mastermind behind al-Qaeda attacks. The book ends with a detailed look at what the Bible tells us in the book of Revelation and whether the Battle of Armageddon will be a war between the great religions of the world.; ['Religion'], "

"The Selected Prose of John Gray (British Authors Ser 1880-1920); Publication of Ian Fletcher's The Poems of John Gray (1988) was welcomed by reviewers in the U.S. and England. Now ELT Press offers a companion volume The Selected Prose of John Gray. It complements the poetry by printing essays and short stories chosen from different periods of Gray's life--some selections previously unpublished others having appeared only in limited periodical circulation. This new book adds to our understanding of Gray and topics relevant to the era. Professor McCormack explains the importance of the prose in her introduction: Gray has a

significance for his time as a writer who has made the transition from the mannered decadence of ""The Modern Actor"" to the cryptic pre-modernist narrative of Park. As such his work helps us reconstruct our own past: in particular it requires us to acknowledge that abyss which lies between the late Victorian and the years after the Great War. As one who survived not only personally but as a writer Gray allows us to speculate on the strategies by which he sought to bridge that chasm. And in so doing John Gray's work may provide an example of how on the edge of greater chasms we may still presume to tell stories and to feel in telling them that they are permitted to tell us something about our experience--and ourselves. Professor McCormack traces the development of Gray's life and writings in her introductory essay. She prefaces each selection with a useful headnote. Her extensive notes to the prose clarify topical allusions and make Gray's work accessible to a wide audience.; ['Literary Criticism'], "

"Mass for the Dead; This is written in remembrance of Gibson's deceased parents and in honor of their lives. In reflecting on them he in turn makes it a tribute to parenthood and a dedication to his own children. Gibson's language is striking in its poignancy. Despite the title this is not a religious work but a work of love from a child to parent and from the child-become-parent to his own children. Interspersed between the reminiscences of his parents and his childhood Gibson inserts achingly beautiful epistles to his children for their guidance about life and parenting.--Adapted from barnesandnoble.com.; ['Biography & Autobiography'], "

"Dark Nights; Get ready for the earth-shattering encore as writer Scott Snyder and artist Greg Capullo the legendary team behind Dark Nights: Metal and Batman: Last Knight on Earth reunite for one last tour of DC's Dark Multiverse. When the DC Universe is enveloped by the Dark Multiverse the Justice League is at the mercy of the Batman Who Laughs. Humanity struggles to survive in a hellish landscape twisted beyond recognition while Batman Wonder Woman and Superman have all been separated and must fight to survive. Along the way Wonder Woman roars across the horrifying Dark Multiverse landscape in the world's most demented monster truck with Swamp Thing riding shotgun And when the Justice League launches its assault on New Apokolips the team's goal is to free Superman from his solar prison--but it all goes off the rails when they learn that the Man of Steel is gone for good thanks to the Anti-Life Equation. Collects Dark Nights: Death Metal #1-6.; ['Comics & Graphic Novels'],"

"Perspectives of Nonlinear Dynamics: Volume 1; The dynamics of physical chemical biological or fluid systems generally must be described by nonlinear models whose detailed mathematical solutions are not obtainable. To understand some aspects of such dynamics various complementary methods and viewpoints are of crucial importance. In this book the perspectives generated by analytical topological and computational methods and interplays between them are developed in a variety of contexts. This book is a comprehensive introduction to this field suited to a broad readership and reflecting a wide range of applications. Some of the concepts considered are: topological equivalence; embeddings; dimensions and fractals; Poincaré maps and map-dynamics; empirical computational sciences vis-á-vis mathematics; Ulam's synergetics; Turing's instability and dissipative structures; chaos; dynamic entropies; Lorenz and Rossler models; predator-prey and replicator models; FPU and KAM phenomena; solitons and nonsolitons; coupled maps and pattern dynamics; cellular automata.; ['Mathematics'],"

"Mr Valentine (Harlequin Temptation); Mr. Valentine by Vicki Lewis Thompson released on Dec 25 1996 is available now for purchase.; ['Fiction'],"

"Coming of Age: Andy Roddick's Breakthrough Year; For many Michael Jordan represented basketball and in earlier generations baseball was associated with the legendary exploits of Babe Ruth. In the past it was Jimmy Connors or John McEnroe that was the face of men's tennis with Pete Sampras and Andre Agassi following. Superstars and personality drives sports. For tennis the face will be Andy Roddick.; ['Fiction'],"

"Parenting Someone Else's Child: The Foster Parents' How-To Manual; The Foster Parenting Manual is a comprehensive guide offering proven friendly advice for novice and experienced parents alike. Distilling many years' experience into one book John DeGarmo combines his own wisdom with that of fellow foster parents. He describes what to expect from the process how to access help and how to ensure the best care for your child. He tackles thorny issues such as children's use of the Internet and social media managing contact with birth parents and how to support your child at school. Most importantly he provides advice designed to help your child feel safe secure and loved. The Foster Parenting Manual offers seasoned sympathetic advice that will be valued by foster parents and the professionals who support them.; ['Family & Relationships'],"

"The Woman Triathlete; You Are a Badass for aspiring triathletes: a practical and inspiring guide to getting off the couch and on the trail to race your first -- or 50th -- triathlon When Meredith Atwood first

shared her journey from tired overworked wife and mom to successful triathlete her story resonated with women everywhere online at her SwimBikeMom blog and in the first edition of Triathlon for the Every Woman. Now with her own IRONMAN finishes experience and triathlon coaching expertise Meredith is back with even more wisdom. In this fully revised edition Atwood not only shares how she went from the couch to an IRONMAN 70.3 triathlon in just over a year but also shares the latest expertise from coaches nutritionists and athletes on each component of the triathlon: swimming biking and running. With compact training plans the most current nutrition advice updated resources and the latest information on long-distance racing this new edition has all you need to make your triathlon goals a reality.; ['Sports & Recreation'], "

"Dreams (Unabridged Classics in Audio); Wake Up in Your Dreams and Live a Happier More Lucid Life A lucid dream is a dream in which you become aware that you're dreaming. It's a powerful opportunity to solve problems create new possibilities take charge of your own healing and explore the depths of reality. This book provides a range of practical techniques and activities to help you bring the creativity and super-conscious awareness of lucid dreaming into your life. Join international expert Clare R. Johnson as she shares the most up-to-date lucid dreaming techniques on how to get and stay lucid guide dreams resolve nightmares deepen creativity and integrate dream wisdom into everyday life. Drawing on cutting-edge science and psychology this book is packed with inspiring stories of life-changing lucid dreams and fascinating insights into topics such as the ethics of dream sex how to interact with lucid dream figures and the nature of consciousness. Whether you're a person who barely remembers your dreams or a lifelong lucid dreamer this in-depth guide is the perfect next step as you cultivate the power of lucid dreaming. Praise: ""Dr. Clare Johnson has energetically led the way in revealing the limitless practical and spiritual potential of lucid dreaming so far-reaching it can change the world. Her clearly-written book is destined to become essential reading for all those interested in lucid dreaming. It points out the essential phenomena of lucid dreaming and then amazes us by opening its extraordinary major vistas to us that reveal the true glory and limitless potential of our inner universe. This is a significant book.""-Dr. Keith Hearne the scientist who provided the world's first proof of lucid dreaming in 1975 and inventor of the world's first Dream Machine; ['Body Mind & Spirit'], "

"The Formal Semantics of Programming Languages: An Introduction (Foundations of Computing); The Formal Semantics of Programming Languages provides the basic mathematical techniques necessary for those who are beginning a study of the semantics and logics of programming languages. These techniques will allow students to invent formalize and justify rules with which to reason about a variety of programming languages. Although the treatment is elementary several of the topics covered are drawn from recent research including the vital area of concurrency. The book contains many exercises ranging from simple to miniprojects. Starting with basic set theory structural operational semantics is introduced as a way to define the meaning of programming languages along with associated proof techniques. Denotational and axiomatic semantics are illustrated on a simple language of while-programs and fall proofs are given of the equivalence of the operational and denotational semantics and soundness and relative completeness of the axiomatic semantics. A proof of Godel's incompleteness theorem which emphasizes the impossibility of achieving a

fully complete axiomatic semantics is included. It is supported by an appendix providing an introduction to the theory of computability based on while-programs. Following a presentation of domain theory the semantics and methods of proof for several functional languages are treated. The simplest language is that of recursion equations with both call-by-value and call-by-name evaluation. This work is extended to languages with higher and recursive types including a treatment of the eager and lazy lambda-calculi. Throughout the relationship between denotational and operational semantics is stressed and the proofs of the correspondence between the operation and denotational semantics are provided. The treatment of recursive types - one of the more advanced parts of the book - relies on the use of information systems to represent domains. The book concludes with a chapter on parallel programming languages accompanied by a discussion of methods for specifying and verifying nondeterministic and parallel programs.; ['Computers'], "Wind Chimes: Design and Construction; Information on making the most familiar wind chimes designs as well as exotic and unusual types including metal bamboo ceramic and shell plus chimes in tubular forms bell forms and many others. Includes an accompanying CD that allows you to hear and compare the sounds of different types of chimes.; ['Windchimes'], "

"California Gothic; Dan a poet and former cult member is shocked by the sudden arrival of Jude his long-since-dead high-school sweetheart and learns of her intention to claim Dan and his family's souls. Original.; ['Fiction'], "

"Consilience (University Press Audiobooks); Beginning theory has been helping students navigate through the thickets of literary and cultural theory for over two decades. This new and expanded fourth edition continues to offer students and readers the best one-volume introduction to the field. The bewildering variety of approaches theorists and technical language is lucidly and expertly unravelled. Unlike many books which assume certain positions about the critics and the theories they represent Peter Barry allows readers to develop their own ideas once first principles and concepts have been grasped. The book has been updated for this edition and includes a new introduction expanded chapters and an overview of the subject (Theory after Theory) which maps the arrival of new 'isms' since the second edition appeared in 2002 and the third edition in 2009.; ['Criticism'], "

"Bathroom Remodeling For Dummies (For Dummies (Home & Garden)); We're a nation of countless bathrooms that are on the brink of being torn apart redesigned and remodeled. Bathrooms are big! They've gone from being a convenience to a luxury. "The New Mother's Body Book; Billy Beede the teenage daughter of the fast-running no-account and six-years-dead Willa Mae comes home one day to find a fateful letter waiting for her: Willa Mae's burial spot in LaJunta Arizona is about to be plowed up to make way for a supermarket. As Willa Mae's only daughter Billy is heiress to her mother's substantial but unconfirmed fortune—a cache of jewels that Willa Mae's lover Dill Smiles is said to have buried with her. Dirt poor living in a trailer with her Aunt June and Uncle Roosevelt behind a gas station in a tumbleweedy Texas town and pregnant with an illegitimate child Billy knows that treasure could mean salvation. So she steals Dill's pickup truck and with her aunt and uncle in tow heads for Arizona with Dill in hot pursuit. While everyone agrees it's only polite to speak of getting mother's body and moving her to a proper resting place it's well understood that digging up Willa Mae's diamonds and pearls will make the whole trip a lot more worthwhile. The enormously accomplished fiction debut from Suzan-Lori Parks the 2002 winner of the Pulitzer Prize for Drama Getting Mother's Body takes its place in the company of the classic works of Zora Neale Hurston and Alice Walker. But when it comes to an ingenious uproarious knack for depicting the trifling hard-luck down-and-out souls who need a little singing and laughing and lying and praying to get through the day Suzan-Lori Parks shares the stage with no one.; ['Fiction'],"

"Me divierto en el parque (Lola y Bony series) (Spanish Edition); 'Piechemapart zo naturel zo enorm een personage van de miserabele werkelijke wereld is een personage zoals je ze bij Balzac tegenkomt of Flaubert of Stendhal.' - Antonio Muñoz Molina 'Hij heeft werelden van de verbeelding geschapen die hij afzet tegen de vaak vreselijke realiteit

van het Spanje na de Burgeroorlog. Zijn personages ontsnappen altijd naar het rijk van de fantasie wanneer de wereld buiten grijs en deprimerend is en hij is vooral heel erg goed in het neerzetten van de verbeeldingswereld van kinderen.' - The Guardian 'Zijn invloed op de beste nieuwe schrijvers is zeer zichtbaar. Al sinds 1960 is Marsé onze beste verteller.' - El País; ['Fiction'], "

"The Girls in the Van: Covering Hillary; Hillary is up in the polls! Hillary is down in the polls! She's a feminist and women love her; she's an enabler and women hate her. She's brilliant and hardworking; she's entitled and untrustworthy. Sounds like Hillary Rodham Clinton's 2016 or even 2008 presidential campaign right? Well go back even farther to the year 2000 to discover how every one of those phrases was uttered during Hillary's very first campaign when she made history as the only first lady to ever run for office. That groundbreaking bid for U.S. Senate in New York made headlines around the world coming as it did on the heels of her husband's scandalous affair with a White House intern. Reporter Beth J. Harpaz was there covering this political whirlwind for The Associated Press and her book ""Candidate Hillary"" previously published as ""The Girls in the Van"" revisits every key moment of the race. This funny fascinating account puts you in the press van that followed Hillary from Buffalo to Brooklyn as she fought a cast of familiar characters including New York's pugnacious Mayor Rudy Giuliani. It's filled with all the successes and missteps the kind that plagued the assumed front-runner's 2008 campaign for the Democratic presidential nomination which instead went to a young Senator from Illinois named Barack Obama. Now updated with new perspectives from the author and an introduction by National Politics Reporter Lisa Lerer ""Candidate Hillary"" offers a window into Hillary's vulnerabilities strengths and the inner workings of the Clinton machine all told with authority humor and the benefit of hindsight.; ['Political Science'], "

"Using Corpora in Discourse Analysis (Continuum Discourse); Examines approaches to carrying out discourse analysis (DA) using techniques that are grounded in corpus linguistics. This book evaluates a variety of corpus-based methodologies including: collocations keyness concordances dispersion plots and building and annotating corpora.; ['Language Arts & Disciplines'], "

"Maine Ingredients; ""MAINE Ingredients"" is a unique blend of sensational recipes inspired by Maine's finest and freshest ingredients. All of the fantastic recipes come with serving and wine suggestions. This book is a pleasure to browse through as the reader learns about Maine's history and life through its indigenous foods.; ['Community cookbooks'], "

"The Logic of Provability; Boolos a pre-eminent philosopher of mathematics investigates the relationship between provability and modal logic.; ['Philosophy'], "

"Issigonis; Alec Issigonis the brilliant British designer of the Morris Minor and the Mini is one of the commanding figures in the history of automobile design and engineering. His ingenious and effective designs had a deep lasting influence on the evolution of the motor car and on the wider history of industrial design and he deserves to be ranked with the other giants of the field like Ferdinand Porsche in Germany and Dante Giacosa in Italy. But until now Issigonis's career as an engineer and designer and his strong single-minded character have never been the subject of a full-length biography. Jonathan Wood's meticulously researched penetrating study of this flawed genius of automobile design

offers a rounded portrait of his life and work and places him squarely in the context of his times. Vivid recollections of Issigonis's contemporaries combined with a critical reassessment of his output create a balanced view of a remarkable controversial man. The author also offers a behind-the-scenes impression of the personal and corporate struggles within the declining British car industry a complex process in which Issigonis played a famous role.; ['Transportation'], "

['Drama'], "

"The Soul Slayer (Paul Doherty Historical Mysteries); Eighteen-year-old Rebecca Lennox the daughter of a former priest is neglected and feared by the villagers of Dunmow in Essex. They regard her as cursed by both her hare lip and her gift of second sight. Rebecca finds solace in the statue of St Michael the Archangel to whom she prays devotedly within the sanctity of her old parish church. But when a young Catholic priest arrives in the village it seems that she has finally found a mortal confidant. Michael is not repelled by her infirmity and his charm and gentleness remind her of her beloved statue. Then in the late summer changes come to Dunmow. A new parson is appointed – more interested in the black arts than the teachings of religion. For Henry Frogmore holy orders are merely a convenient cover for his nefarious activities but in Rebecca and Michael he finds powerful opponents. And in the ensuing struggle the price for each of them is all too heavy.; ['Fiction'], "

"Mystery Walk; An "impressive" tale of psychic power Native American mysticism and an ancient evil in Alabama from the New York Times-bestselling author of Swan Song (Associated Press). Born and raised in rural Alabama Billy Creekmore was destined to be a psychic. His mother a Choctaw Indian schooled in her tribe's ancient mysticism understands the permeable barrier between life and death—and can cross it. She taught the power to Billy and now he helps the dead rest in peace. Wayne Falconer son of one of the most fervent tent evangelists in the South travels the country serving his father's healing ministry. Using his unique powers to cure the flock Little Wayne is on his way to becoming one of the popular and successful miracle workers in the country. He helps the living survive. Billy and Wayne share more than a gift. They share a dream—and a common enemy. They are on separate journeys mystery walks that will lead them toward a crossroad where the evil of their dreams has taken shape.

One of them will reject the dark. The other will be consumed by it. But neither imagined just how monstrous and far-reaching the dark was or that mankind's fate would rest in their hands during an epic showdown of good versus evil. From the author of *Gone South* Boy's Life and the Matthew Corbett series a master of suspense who has won the World Fantasy and Bram Stoker Awards Mystery Walk offers "creepy subtle touches throughout [and] splendid Southern-town atmosphere" (Kirkus Reviews).; ['Fiction'], "Cyber Adversary Characterization: Auditing the Hacker Mind; The wonders and advantages of modern age electronics and the World Wide Web have also unfortunately ushered in a new age of terrorism. The growing connectivity among secure and insecure networks has created new opportunities for unauthorized intrusions into sensitive or proprietary computer systems. Some of these vulnerabilities are waiting to be exploited while numerous others already have. Everyday that a vulnerability or threat goes unchecked greatly increases an attack and the damage it can cause. Who knows what the prospects for a cascade of failures across US infrastructures could lead to. What type of group or individual would exploit this vulnerability and why would they do it? ""Inside the Mind of a Criminal Hacker"" sets the stage and cast of characters for examples and scenarios such as this providing the security specialist a window into the enemy's mind - necessary in order to develop a well configured defense. Written by leading security and counter-terrorism experts whose experience include first-hand exposure in working with government branches & agencies (such as the FBI US Army Department of Homeland Security) this book sets a standard for the fight against the cyber-terrorist. Proving that at the heart of the very best defense is knowing and understanding your enemy. \* This book will demonstrate the motives and motivations of criminal hackers through profiling attackers at post attack and forensic levels. \* This book is essential to those who need to truly ""know thy enemy"" in order to prepare the best defense. \* . The breadth of material in ""Inside the Criminal Mind"" will surprise every security specialist and cyber-terrorist buff of how much they do and (more importantly) don't know about the types of adversaries they stand to face.; ['Computers'], "

"Finding your Way After Your Parent Dies; Rev. Richard Gilbert has created a compassionate guide for those struggling with the loss of a parent. From the disorientation that can come immediately after death to healing old emotional wounds the topics dealt with here will be of tremendous help to many.; ['Family & Relationships'], "

"The Thin Tear In The Fabric Of Space (Iowa Short Fiction Award); The Thin Tear in the Fabric of Space gathers stories about coping with grief trying to love people who have died and-more broadly-leaving old versions of the self behind sometimes by choice and sometimes out of necessity. In each of the nine stories Douglas Trevor's characters are forced to face uncomfortable realities. For Elena Gavrushnekov in the title story that means admitting after the death of her beloved that she still longs for contact with other human bodies. For Peter in "Central Square" it is realizing that like his deceased father before him he is drinking himself to death. Unable to confront his incapacitated mother and the memory of the plane crash that killed his father Edwin Morris in "Saint Francis in Flint" is compelled to acknowledge that his saintly aspirations are not what they appear to be while Sharon Mackaney in "The Surprising Weight of the Body's Organs" struggles with uncontrollable outbursts of rage in the wake of her young son's death. In moments of great pain and loss when

self-expression seems impossible and terribly useless the characters in these stories nonetheless discover the tenderness of others. In "The River" the narrator finds that the friendship he has forged with a French girl with whom he can only just communicate has bred intense almost intuitive compassion while in "Fellowship of the Bereaved" the disconsolate brother of the deceased sister who occupies the empty center of the story uncovers not only anger in his parents but also empathy and humor. As these characters persevere in their own lives they do so mindful of and humanized by the experiences of having seen people they know and love slip unexpectedly into the thin tear in the fabric of space: that quiet chasm that so resolutely separates the living from the dead.; ['Fiction'], "

"The Discovery of King Arthur; Examines the evidence concerning the actual life of King Arthur and traces the development of the myth of King Arthur from the twelfth to the twentieth century; ['History'], "

"John C. Calhoun: A Biography; John C. Calhoun was a rare figure in American history: a lifelong politician who was also a profound political philosopher. Vice president under John Quincy Adams and Andrew Jackson he was a dominant presence in the U.S. Senate. Now comes a major new biography from the author of Daniel Webster.; ['Biography & Autobiography'], "

"The Water Is Wide (Paragon Large Print); Jack Reacher finds trouble in Texas in the fifth novel in Lee Child's New York Times bestselling series. Thumbing across the scorched Texas desert Jack Reacher has nowhere to go and all the time in the world to get there. Cruising the same stretch of two-lane blacktop is Carmen Greer. For Reacher the lift comes with a hitch. Carmen's got a wild story to tell-all about her husband her family secrets and a hometown that's purely gothic. She's also got a plan. Reacher's part of it. And before the sun sets this ride could cost them both their lives.; ['Fiction'], "

"Where Reincarnation and Biology Intersect; Children who claim to remember a previous life have been found in many parts of the world particularly in the Buddhist and Hindu countries of South Asia among the Shiite peoples of Lebanon and Turkey the tribes of West Africa and the American northwest. Stevenson has collected over 2600 reported cases of past-life memories of which 65 detailed reports have been published. Specific information from the children's memories has been collected and matched with the data of their claimed former identity family residence and manner of death. Birthmarks or other physiological manifestations have been found to relate to experiences of the remembered past life particularly violent death. Writing as a specialist in psychiatry and as a world-renowned scientific investigator of reported paranormal events Stevenson asks us to suspend our Western tendencies to disbelief in reincarnation and consider the reality of the burgeoning record of cases now available. This book summarizes Stevenson's findings which are presented in full in the multi-volume work entitled Reincarnation and Biology: A Contribution to the Etiology of Birthmarks and Birth Defects also published by Praeger.; ['Medical'], "

"A Rebel's recollections; Originally published in 1875 George Cary Eggleston's memoir which proved immensely popular among readers throughout the country is a nostalgic often amusing collection of essays based on the author's Civil War experiences. Eggleston describes life in Virginia before the war offers glowing assessments of the men who made up the Confederate army and the women who stood behind them satirizes the

Confederacy's finances and its army's red tape and recollects the war's end. He provides compelling portraits of his heroes from the war lavishing praise on Robert E. Lee Stonewall Jackson and especially Jeb Stuart. By 1905 ""A Rebel's Recollections"" had gone through four editions suggesting how well it reflected the mood of the nation which by then wanted to forget angry sectionalism and glorify the soldiers of both sides in an idealized view of the war.; ['United States'], "

"Learning to Reason; Learn how to develop your reasoning skills and how to write well-reasoned proofs Learning to Reason shows you how to use the basic elements of mathematical language to develop highly sophisticated logical reasoning skills. You'll get clear concise easy-to-follow instructions on the process of writing proofs including the necessary reasoning techniques and syntax for constructing well-written arguments. Through in-depth coverage of logic sets and relations Learning to Reason offers a meaningful integrated view of modern mathematics cuts through confusing terms and ideas and provides a much-needed bridge to advanced work in mathematics as well as computer science. Original inspiring and designed for maximum comprehension this remarkable book: \*

- \* Clearly explains how to write compound sentences in equivalent forms and use them in valid arguments
- \* Presents simple techniques on how to structure your thinking and writing to form well-reasoned proofs
- \* Reinforces these techniques through a survey of sets--the building blocks of mathematics
- \* Examines the fundamental types of relations which is ""where the action is"" in mathematics
- \* Provides relevant examples and class-tested exercises designed to maximize the learning experience

Includes a mind-building game/exercise space

"Adventures In Awareness: Learning with the Help of Horses; Book Endorsements "I reviewed and critiqued the program manual Barbara has produced for AIA and know it to be an informative thoughtful document that provides a balance of philosophy and mechanics." —Susan Dees PsyD clinical psychologist Northern Navajo Medical Center "This book finally began to address a host of questions I had about the details of doing this (equine guided education) healing work with horses. It turned me on to the people that could finally help me put words to the experiences I was having with my own horse. I found myself making notes in the columns and being inspired with my own ideas after reading the stories that described the intent of the exercises. A must read for those searching to find their place in the healing world of horses." —Delana Lands entrepreneur The Healing Ranch Georgetown Texas "This book is authentically you. The power of this work lies precisely in the story format. The readers will all be touched by the stories exactly as they should be and different ones will speak more strongly to them than others just as the horses do the AIA participants. You invite others to a dance in which they might with the horse's help experience glimmers of illumination a lucid dream clarification of the real questions." Maureen Vidrine MS RN CS NARHA advanced instructor psychotherapist director of an Equine Facilitated Mental Health and Wellness Center; ['Health & Fitness'], "

"Christ stopped at Eboli: The story of a year; It was to Lucania a desolate land in southern Italy that Carlo Levi—a doctor painter philosopher and man of letters—was confined as a political prisoner because of his opposition to Italy's Fascist government at the start of the Ethiopian war in 1935. While there Levi reflected on the harsh landscape and its inhabitants peasants who lived the same lives their ancestors had constantly fearing black magic and the near presence of death. In so doing Levi offered a starkly beautiful and moving account of

a place and a people living outside the boundaries of progress and time.; ; ['Biography & Autobiography'], ;

"Institutes of Elenctic Theology (Three Volume Set); Francis Turretin's 17th century classic contrasts Reformed understandings of Scripture with conflicting theological perspectives particularly Roman Catholic Arminian and Socinian. Volume 3 treats the church the sacraments and last things.; ; ['Religion'], ;

"Tank Commander; Bill Bellamy was a young officer in the 8th King's Royal Irish Hussars from 1943 to 1955. He served in 7th Armoured Division in the North West Europe campaign landing in Normandy on D+3 fought throughout the Battle for Normandy and into the Low Countries as a troop leader in Cromwell tanks and was latterly a member of the initial occupying force in Berlin in May 1945. Against the rules Bill kept diaries and notes of his experiences. His account is fresh and open and his descriptions of battle are vivid. He witnessed many of his contemporaries killed in action and this life-altering experience clearly informs his narrative. The accounts of tank fighting in the leafy Normandy bocage in the height of summer or in the iron hard fields of Holland in winter are graphic and compelling.; ; ['Biography & Autobiography'], ;

"The Cry of Jesus on the Cross: A Biblical and Theological Study; The cry of Jesus on the cross described in the gospels of Mark and Matthew was a wail of pain and abandonment. Many Christians have been scandalized by it. On one hand it is an expression of the humanity of Jesus while at the same time it links him with his Jewish heritage and the rich imagery of the psalms. Italian theologian Gerard Rosse has examined the many meanings of Jesus' cry. He first considers the historical question - whether these were truly the words of Jesus. If we assume that they are what do the words mean? Was it merely a cry of despair or does it reveal something of the relationship between Jesus and the One called Abba? Theologically what light does it cast on the inner life of the Trinity? Rosse also considers the reality of abandonment in the world today and what the outcry of Jesus reveals about our solidarity with all abandoned people.; ; ['Religion'], ;

"Sudden Fury: A True Story of Adoption and Murder; Betty Jean Lifton whose Lost and Found has become a bible to adoptees and to those who would understand the adoption experience explores further the inner world of the adopted person. She breaks new ground as she traces the adopted child's lifelong struggle to form an authentic sense of self. And she shows how both the symbolic and the literal search for roots becomes a crucial part of the journey toward wholeness.; ; ['Psychology'], ;

"The Voyage of the Beagle; This is Charles Darwin's chronicle of his five-year journey beginning in 1831 around the world as a naturalist on the H.M.S. Beagle.; ; ['Beagle Expedition'], ;

"Stop Smoking The Right Way: 7 Steps to Breaking the Habit; ; "Quit Smoking? It's the easiest thing in the world! I've done it many times myself." Does that quite describe you? "Basic Tagalog for Foreigners and Non-Tagalogs; ""Basic Tagalog takes a friendly and innovative approach emphasizing the structure of the Tagalog language rather than just vocabulary. This user-friendly beginner Tagalog book teaches more than 2000 Tagalog words and expressions with over 500 being added for this new edition. These are spread throughout 44 lessons the Appendices and the exercises as well as in the Tagalog-English and English-Tagalog vocabulary lists at the back of the book. The added Tagalog vocabulary is meant to keep learners abreast of changes that have occurred in the language since the first edition of Basic Tagalog which was published. This edition has retained all the grammar lessons and the tried-and-tested teaching methodology developed b the author Paraluman S. Aspiller for the original version. Her method has proven to be extremely effective for tens of thousands of foreigners and non-Tagalogs who have used this book to learn Tagalog including many who have successfully learned to speak Tagalog read Tagalog and write Tagalog through self-study on their own without a teacher. Downloadable audio has also been added to facilitate the correct pronunciation of Tagalog words and phrases. A succinct introduction to the language and a description of the character of Filipinos will hopefully provide learners with a better understanding of the language they are learning. The lessons in Basic

Tagalog are intended for a three-month period of intensive study followed by another three months of applied oral communication. In six months (or about 250 hours) it is expected that an average learner should be able to speak write and understand simple everyday conversational Tagalog as spoken by most Filipinos. Highlights of this book include: Over 2000 Tagalog words and expressions. 44 lessons organized by organized for efficient language absorption. Extensive exercises and activities to reinforce the lessons. Vocabulary lists serve as comprehensive English-Tagalog and Tagalog-English dictionaries. Completely updated and expanded with new materials. Includes downloadable audio. Using Basic Tagalog to study the Tagalog language will further encourage both non-Tagalogs and non-Filipinos to speak Tagalog better. Only then will they appreciate the individuality of the language that reflects the resilience and flexibility of Filipinos all around the world. In the end such learning will improve daily interactions and communications between non-Filipinos and Filipinos--whether in business education tourism social or civic endeavors.""; ['Foreign Language Study'], "

"Alex Homer's Professional ASP 3.0 Web Techniques; Starting to build a Web site is simple enough - the hardware is cheap the software is easy to install and the market of potential visitors is huge. The problems Come as your site starts to grow and mature. Web sites are supposed to be enticing and exciting but how do you maintain and keep control of a fast-growing an ever-changing site while still keeping it informative accurate and error-free? The answer is automation and Active Server Pages and the related technologies we make it possible to design your site so that it's easy to manage maintain and update. You won't see pages of setup information for Windows 2000 or a tutorial for ASP. What you will see is down-to-earth discussion of the issues that web programmers and administrators have to face daily and real code solutions - for browser compatibility dynamic page generation visitor tracking remote administration security and much much more. If you are building or administering a Windows 2000-based Web site this book should be on your shelf. Who is this Book For? This book is intended for anyone building or maintaining an ASP website so we assume you have basic scripting and database knowledge. The examples are designed to run on a Windows 2000 platform. What Does This Book Cover? • Tackles the issues that Webmasters and Web administrators have to face every day • Shows you some real-world examples taken from several busy public Web sites • Contains plenty of working code examples you can use directly or modify to suit your own site • Provides SQL Server scripts that you can use to set up the databases shown in the book • Helps you add dynamic features to your Web site quickly and painlessly • Prepares you for the future by overviewing many of the newest development technologies; ['Science'], "

"Orient Express (Penguin Classics Deluxe Edition); ""The purser took the last landing-card in his hand and watched the passengers cross the wet quay over a wilderness of rails and points round the corners of abandoned trucks." As the Orient Express hurtles across Europe on its three-day journey from Ostend to Constantinople its voyage binds together the lives of several of its passengers in a fateful interlock. The menagerie of characters includes Coral Musker a beautiful chorus girl; Carleton Myatt a rich Jewish businessman; Richard John a mysterious and kind doctor returning to his native Belgrade; the spiteful journalist Mabel Warren; and Josef Grunlich a cunning murderous burglar. What happens to these strangers as they put on and take off their masks of identity and passion all the while confessing prevaricating and reaching out to one another in the ""veracious air"" of the onrushing train makes for one of Graham Greene's most exciting and suspenseful stories. Originally published in 1933 Orient Express was Greene's first major success. This Penguin Deluxe Edition features an introduction by Christopher Hitchens. For more than seventy years Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up-to-date translations by award-winning translators.; ['Fiction'], "

"Making a Deal Work; A comprehensive introduction to today's M&A strategies Make the Deal is a direct and accessible guide to striking a powerful M&A deal. Merging business finance and law this insightful examination of M&A strategy is designed to help you understand M&A negotiations and the ways in which the final outcome affects your financial future. A general overview of an acquisition agreement framework segues into a more detailed discussion of different deal structures including stock sales mergers asset sales and complex structures giving you the information you need to know when each one applies best in practice. You'll gain insight into real-world negotiations and the delicate balancing act that occurs as each party attempts to maximize value and minimize risk and learn the potential pitfalls that can occur. Negotiation statistics and samples from actual contracts back the war stories throughout and reinforce the idea that there's no single perfect solution. As a topic of study M&A is constantly evolving; in practice it changes at the speed of light. Staying ahead of the market is the single most critical element of making the best deal and the strategy that worked for one deal most likely won't work for the next. Instead of simply providing a list of strategies that have worked in the past this book shows you why they worked so you can tailor your strategy specifically to your next deal. Learn how M&A contract terms affect economic outcomes Examine the techniques and mechanics of today's acquisition agreements Develop a legal framework that supports your business strategy Follow the ups and downs that arise in real-world cases A successful M&A transaction requires both attention to detail and a big picture view combined with skill intellect and ingenuity. Make the Deal brings it all together to show you how to run the table and come away with a win.; ['Business & Economics'], "

"Boundary Value Problems Fifth Edition: and Partial Differential Equations; Boundary Value Problems is a text material on partial differential equations that teaches solutions of boundary value problems. The book also aims to build up intuition about how the solution of a problem should behave. The text consists of seven chapters. Chapter 1 covers the important topics of Fourier Series and Integrals. The second chapter deals with the heat equation introducing separation of variables. Material on boundary conditions and Sturm-Liouville systems is included here. Chapter 3 presents the wave equation; estimation of eigenvalues by the Rayleigh quotient is mentioned briefly. The potential equation is the topic of Chapter 4 which closes with a section on classification of partial differential equations. Chapter 5 briefly covers multidimensional problems and special functions. The last two chapters Laplace Transforms and Numerical Methods are discussed in detail. The book is intended for third and fourth year physics and engineering students.;

['Mathematics'],"

"The Analytics of Uncertainty and Information (Cambridge Surveys of Economic Literature); This second edition with a greater focus on game theory attempts to unify recent developments in economic theories of uncertainty and information for students.; ['Business & Economics'],"

"Lemon sky; From a beloved master of crime fiction The Dreadful Lemon Sky is one of many classic novels featuring Travis McGee the hard-boiled detective who lives on a houseboat. Around four in the morning Travis McGee is jarred awake by a breathless ghost from his past: an old flame who needs a place to stash a package full of cash. What's in it for McGee? Ten grand and no questions asked. Two weeks later she's dead. "The Travis McGee novels are among the finest works of fiction ever penned by an American author."—Jonathan Kellerman Carolyn Milligan was only aboard McGee's boat for one night. She came to drop off a hundred grand for safekeeping. What Carrie really needed was someone to keep her safe. She said she'd be back in a month. Instead Carrie is killed in a dubious roadside accident. Now McGee is left with a fortune—and a nagging conscience. So McGee takes a trip to the seedy little town of Bayside Florida to look into Carrie's life before she showed up on his boat. What McGee finds only pushes him further into the corrupt world of drugs and blood that Carrie was trying to escape. McGee is used to high stakes but when the bodies start piling up even he may be in over his head. Features a new Introduction by Lee Child; ['Fiction'],"

"Silverado Squatters; The scene of this little book is on a high mountain. There are indeed many higher; there are many of a nobler outline. It is no place of pilgrimage for the summary globe-trotter; but

to one who lives upon its sides Mount Saint Helena soon becomes a center of interest. It is the Mont Blanc of one section of the Californian Coast Range none of its near neighbors rising to one-half its altitude. It looks down on much green intricate country. It feeds in the spring-time many splashing brooks. From its summit you must have an excellent lesson of geography: seeing to the south San Francisco Bay with Tamalpais on the one hand and Monte Diablo on the other; to the west and thirty miles away the open ocean; eastward across the corn-lands and thick tule swamps of Sacramento Valley to where the Central Pacific railroad begins to climb the sides of the Sierras; and northward for what I know the white head of Shasta looking down on Oregon. ...; ['California'], "

"Old Frontiers (The First American Frontier) - Reprint Edition; Tennessee the long thin state stretching from the Great Smoky Mountains to the Mississippi River is as richly varied in history as in terrain. And from Davy Crockett ""Old Hickory"" Andrew Jackson and presidential candidate Estes Kefauver's coonskin cap it has derived the colorful image of a frontier state. Tennessee has been a land of many kinds of frontiers-- from the day in 1540 when Spaniards in armor fevered for gold and glory struggled along the river banks near present-day Memphis to the latest developments in radiation research at today's complicated laboratories in Oak Ridge.; ['History'], "

"Far Beyond Defensive Tactics: Advanced Concepts Techniques Drills and Tricks for Cops on the Street; This book shows cops how to use proven defensive tactics to stay alive and uninjured including how to disarm attackers deal with drunk or drugged subjects protect their guns fend off multiple attackers and more.; ['Political Science'], "

"Warrior Woman: The Story of Lozen Apache Warrior and Shaman; Warrior Woman is the story of Lozen sister of the famous Apache warrior Victorio and warrior in her own right. Hers is a story little discussed in Native American history books. Instead much of what is known of her has been passed down through generations via stories and legends. For example it is said that she was embued with supernatural powers given to her by the gods. She would lift her arms to the sky and place her palms against the wind and through the heat she felt in her open hands she could detect the direction and distance of her enemies. Whether true or not she did ride into battle alongside Geronimo in the Apache wars and fought bitterly and savagely until she was captured along with her people packed into railroad cars and sent to imprisonment in the east where she spent her last days. Peter Aleshire uses historical facts and oral histories to recreate her life. With immaculate detail he tells the story of her childhood surrounded by the vastness of nature and the Chiricahua legends and religions that shaped her thoughts. He describes her coming-of-age ceremonies and induction into her tribe as a spiritual leader. As the white men slowly took over the land of her people and forced them from one reservation to another her role slowly evolved to match that of the staunchest warrior -- an almost unheard-of occurence among the Native Americans of the 19th century where a woman's place was with the children in the villages. This is not only the story of Lozen but the story of her people from the events leading up to the Apache Wars until their inevitable and unfortunate conclusion.; ['Biography & Autobiography'], "

"Find This Woman; Katrenia Sneed Logan is a native of Roanoke Rapids NC. She is the daughter of the late Roy and Virginia Sneed-the fourteenth of their fifteen children. At age twenty-eight Katrenia began preaching the good news of the gospel of Jesus Christ. The year was 1981. Since that

time she has been in demand as an inspirational conference speaker evangelist Bible teacher and workshop facilitator. Katrenia has written several inspirational articles which were published in Christian magazines in the United States and abroad but A Woman's Place In A Man's World is her first book. With the scholarly and insightful assistance of a lot of good men and women she takes us on a spiritual quest from Genesis to Revelation-traveling through time and history-in search of the ""elusive territory"" labeled in 19 th Century America as ""the Appropriate Sphere of Woman"" a.k.a. ""a woman's place."" The author invites you to join her on this quest. ""Put on your 'thinking cap' and consider what is said when it was said why it was said and more importantly who said it. As Paul said to Timothy 'Consider what I say and the Lord give you understanding.' That's the goal: understanding the Truth. For it is the Truth that sets us free to become all that God called us to be.""; ['Religion'], "

"Logic For Learning; This book provides a systematic approach to knowledge representation computation and learning using higher-order logic. For those interested in computational logic it provides a framework for knowledge representation and computation based on higher-order logic and demonstrates its advantages over more standard approaches based on first-order logic. For those interested in machine learning the book explains how higher-order logic provides suitable knowledge representation formalisms and hypothesis languages for machine learning applications.; ['Computers'], "

"Sins of the Mother; Sins of the Mother is a powerful and inspiring story of a family whose love was tested but never broken who finally found the strength to heal the past. Irene Kelly was brought up in poverty and abused by her mammy from an early age. But home life was still better than the time she spent in one of Dublin's industrial orphanages. In that harsh regime she was beaten and sexually assaulted. Set to work in the nursery she saw the nuns treat the babies with horrifying cruelty. As an adult those experiences haunted Irene. When she fell in love with Matt who was fighting his own demons they moved to England for a new start. They wanted their daughter Jennifer to have a better life but in trying to protect her by hiding their past they only succeeded in pushing her away. Until one day Irene had a phone call from Ireland that changed everything . . . 'An epic and stirring story which shows that it is possible to overcome the worst start in life.' Sunday Mirror; ['Biography & Autobiography'], "

"Strategic Planning for Public Managers; Designed for local government managers and administrators this pioneering work offers a clear and comprehensive guide to the use of strategic planning techniques in the public sector. The author presents a concise overview of the strategic planning process defines the terms involved and provides a step-by-step methodology for organizations ready to move into the actual implementation of strategic planning. In addition to differentiating between community-based corporate functional and defined-purpose strategic planning processes Mercer explains the delineation between strategic and tactical planning and offers practical approaches to overcoming barriers to the use of strategic planning in the public sector arena. Throughout the author makes extensive use of case studies of strategic planning programs implemented by a variety of local government and public sector organizations. Mercer begins by describing how strategic planning can be both an effective tool for dealing with change

and a technique of organizational development. He goes on to provide detailed instructions on how to prepare to conduct strategic planning how to determine strategic issues the importance of a values audit and how to develop an environmental scan or assessment. Subsequent chapters address determining organizational threats and opportunities composing the mission statement defining critical success factors and indicators planning strategies and assessing strategic risks and benefits. Finally the author shows how to perform an internal assessment of ability to actually adopt and carry out strategies the importance of contingency planning and how to tie strategic planning to the budget and evaluate the process. The public sector manager experienced with strategic planning techniques can use the guide as a handy reference to particular aspects of the process while those new to strategic planning will find this an indispensable aid in developing and implementing their own internal strategic planning processes.; ['Business & Economics'], "

"He Loved Me He Loves Me Not; I'm a good girl-until I got drunk in Vegas and married a panties-flaming-hot Irishman. Oops. I've always lived my life by the rules. Unlike my two sisters I'm the good one. The responsible one. Going outside my comfort zone is when I wear red lipstick before five PM. That comfort zone of mine? It's smashed to smithereens on a wild night in Las Vegas when I met--and married--Liam Gallagher. After one shot of tequila then two then too many to count a good girl's rules tend to disappear. And so do her panties and her bra and various other articles of clothing when she's with an Irishman who knows his way around a woman's body. Now my husband wants us to stay married. For six months. He says it'll be worth my while. Considering our chemistry underneath the sheets I can't say that he's wrong. Liam isn't safe though. Liam definitely isn't comfortable. He's like the male equivalent of wearing red lipstick in the daytime all wrapped up in an irresistible dangerous package. Yet this stubborn Irishman isn't about to let me go drunken Princess Bride-themed Vegas wedding or no. Now I have to decide if I'm brave enough to break the rules for love.; ['Fiction'], "

"Proust's Lesbianism; For decades Elisabeth Ladenson says critics have misread or ignored a crucial element in Marcel Proust's fiction--his representation of lesbians. Her challenging new book definitively establishes the centrality of lesbianism as sexual obsession and aesthetic model in Proust's vast novel *A la recherche du temps perdu*. Traditional readings of the *Recherche* have dismissed Proust's ""Gomorrah""--his term for women who love other women--as a veiled portrayal of the novelist's own homosexuality. More recently ""queer-positive"" rereadings have viewed the novel's treatment of female sexuality as ancillary to its accounts of Sodom and its meditations on time and memory. Ladenson instead demonstrates the primacy of lesbianism to the novel showing that Proust's lesbians are the only characters to achieve a plenitude of reciprocated desire. The example of Sodom by contrast is characterized by frustrated longing and self-loathing. She locates the work's paradigm of hermetic relations between women in the self-sufficient bond between the narrator's mother and grandmother. Ladenson traces Proust's depictions of male and female homosexuality from

his early work onward and contextualizes his account of lesbianism in late-nineteenth-century sexology and early twentieth-century thought. A vital contribution to the fields of queer theory and of French literature and culture Ladenson's book marks a new stage in Proust studies and provides a fascinating chapter in the history of a literary masterpiece's reception.; ['Literary Criticism'],"

"The Lion King II: Simba's Pride (Piano/Vocal/Guitar Songbook); From the Broadway production!; ['Music'],"

"A Bell for Adano; This classic novel and winner of the Pulitzer Prize tells the story of an Italian-American major in World War II who wins the love and admiration of the local townspeople when he searches for a replacement for the 700-year-old town bell that had been melted down for bullets by the fascists. Although situated during one of the most devastating experiences in human history John Hersey's story speaks with unflinching patriotism and humanity.; ['Fiction'],"

"Jane Austen and her times; With scant information available on their hero Jane Austen's devoted fans have a bottomless hunger for details about the woman behind the work. This biography feeds that appetite with background on her relationships with family and friends and the contemporary attitudes that shaped Austen's writing. Fifteen removable pieces of memorabilia include facsimiles of personal letters and handwritten drafts of her early works.; ['Biography & Autobiography'],"

"Learning with LabVIEW 6i; Defined as The science about the development of an embryo from the fertilization of the ovum to the fetus stage embryology has been a mainstay at universities throughout the world for many years. Throughout the last century embryology became overshadowed by experimental-based genetics and cell biology transforming the field into developmental biology which replaced embryology in Biology departments in many universities. Major contributions in this young century in the fields of molecular biology biochemistry and genomics were integrated with both embryology and developmental biology to provide an understanding of the molecular portrait of a development cell. That new integrated approach is known as stem-cell biology; it is an understanding of the embryology and development together at the molecular level using engineering imaging and cell culture principles and it is at the heart of this seminal book. Stem Cells and Regenerative Medicine: From Molecular Embryology to Tissue Engineering is completely devoted to the basic developmental cellular and molecular biological aspects of stem cells as well as their clinical applications in tissue engineering and regenerative medicine. It focuses on the basic biology of embryonic and cancer cells plus their key involvement in self-renewal muscle repair epigenetic processes and therapeutic applications. In addition it covers other key relevant topics such as nuclear reprogramming induced pluripotency and stem cell culture techniques using novel biomaterials. A thorough introduction to stem-cell biology this reference is aimed at graduate students post-docs and professors as well as executives and scientists in biotech and pharmaceutical companies.; ['Computers'],"

"HOW TO READ THE AURA; ""Anyone can learn to see and experience the aura more effectively." -Ted Andrews If you've ever felt immediately comfortable-or uncomfortable-around someone you've just met you've probably sensed a person's aura. "Ordways; "Good writing is rare enough. Storytelling is an even rarer skill. A genuinely comic vision is beyond price. The Ordways has all three." -Time On the annual graveyard-working day in Clarksville Texas families come from all over East Texas to pay respects to their loved ones. The Ordways are one such clan and in this eloquent and original novel our narrator recounts the story of how he and his kin arrived in this magical land where the South meets the West. The tale begins with his great-grandfather Thomas Ordway who lost his sight at the Battle of Shiloh and vowed to quit Tennessee forever. He crossed the Red River into Texas and stopped on the edge of the featureless prairie a landscape too mystifying even for a sightless man. Years later the narrator's grandfather Sam Ordway was forced to leave the forest behind when his three-year-old son Ned was kidnapped by a neighbor. Sam scoured the vast state of Texas in search of Ned but never found the boy. The mystery of what happened to him and what his long-hoped-for return might mean to the Ordways brings William Humphrey's brilliant second novel to its rich and satisfying conclusion. A masterful blend of comedy tragedy and history The Ordways is great American fiction in the tradition of William Faulkner and Mark Twain. This ebook features an illustrated biography of William Humphrey including rare photos form the author's estate.;

"How You Can Survive When They're Depressed: Living and Coping with Depression Fallout; Each year more than 17 million Americans suffer from a depressive illness yet few suffer in solitude. How You Can Survive When They're Depressed explores depression from the perspective of those who are closest to the sufferers of this prevalent disorder--spouses parents children and lovers--and gives the successful coping strategies of many people who live with a clinical depressive or manic-depressive and often suffer in silence believing their own problems have no claim to attention. Depression fallout is the emotional toll on the depressive's family and close friends who are unaware of their own stressful reactions and needs. Sheffield outlines the five stages of depression fallout: confusion self-doubt demoralization anger and finally the desire to escape. Many people will find relief in the knowledge that their self-blame guilt sadness and resentment are a natural result of living with a depressed person. Sheffield brings together many real-life examples from the pioneering support group she attends at Beth Israel Medical Center of how people with depression fallout have learned to cope. From setting boundaries to maintaining an outside social life she gives practical

tactics for handling the challenges and emotional stresses on a day-to-day basis.; ['Self-Help'], "

"360 Degree Selling: How To Sell Biotechnology Products (Pharmaceutical Selling); Business Development in the biotechnology and pharmaceutical industries accounts for over \$5 billion in licensing deal value per year and much more than that in the value of mergers and acquisitions.

Transactions range from licences to patented academic research to product developments as licences joint ventures and acquisition of intellectual property rights and on to collaborations in development and marketing locally or across the globe. Asset sales mergers and corporate takeovers are also a part of the business development remit. The scope of the job can be immense spanning the life-cycle of products from the earliest levels of research to the disposal of residual marketing rights involving legal regulatory manufacturing clinical development sales and marketing and financial aspects. The knowledge and skills required of practitioners must be similarly broad yet the availability of information for developing a career in business development is sparse. Martin Austin's highly practical guide spans the complete process and is based on his 30 years of experience in the industry and the well-established training programme that he has developed and delivers to pharmaceutical executives from across the world.; ['Business & Economics'], "

"Airlines of Asia - Since 1920; In 1920 Siam inaugurated the first air services in Asia. Today Asian airlines are high in the world ranking & many have outstanding reputations for efficiency & service. They also have some of the youngest aircraft fleets. The enormous development that has taken place from pioneering routes with single-engined open cockpit biplanes up to the present with large fleets of the latest jetliner is described in enormous detail in Airlines of Asia since 1920. The Asian countries & consequently their airlines have suffered much during these years. First many of them had to fight for their freedom from colonial powers; then there was the devastating Second World War followed by numerous other wars & revolutions. Somehow the airlines survived or came into existence when conditions stabilised. The fact that so many are now among the world's leaders is due to the calibre of the men responsible. In narrating the history the author pays tribute to these men & in remarkable detail takes the reader through all the financial & political trials that they have overcome. Of particular interest is the chapter on the airlines of the New China. The single state airline has been replaced by numerous new airlines with the latest European & United States equipment & traffic growth has been enormous. A large number of maps tables & photographs help to make Airlines of Asia since 1920 a work of outstanding value. R E G Davies has done more than anyone else to record for all time the history of the world's airlines from the first scheduled air services in 1914. He has spent his working life involved with commercial air transport with airlines & manufacturers of transport aircraft & since 1983 has been Air Transport Curator at the National Air & Space Museum in Washington DC. He is also a Fellow of three Royal Societies: Geographical Aeronautical & the Arts & is a Fellow National of the Explorers Club. His previous titles on related topics for Putnam Aeronautical Books Airlines of Latin America since 1919 & Airlines of the United States since 1914 have been widely applauded. In preparing this book R E G Davies visited most of the countries in Asia & interviewed many of those responsible for running Asia's airlines.; ['Aeronautics Commercial'], "

"Give Me Liberty Or Give Me Death: Learn to live without cigarettes; As a reformed smoker of nearly three decades Christopher Chausse gives you his straightforward perspective on understanding the smoking habit the tobacco industry and the mystifying emotions that entangle the mind of a smoker. His jovial ""what's the worst that can happen"" approach will open your eyes to new alternatives and will have you knowing that you too can be smoke free if you desire. Give Me Liberty or Give Me Death describes the methodology principles and more importantly the attitude and mind-set of what it takes to become smoke free. Then through his simple Time Compartment Management (TCM) system you'll learn control; you'll learn how to convert subconscious habits into conscious choices; you'll also learn that time is your friend not your enemy. Whether you've smoked for 5 years or 40; whether you smoke 1 pack a day or 3 with this approach you can break those nicotine shackles forever. By applying these simple time management principles to your life you'll enable yourself to take back control of the time you spend smoking then simply fill those vacant time slots with something beautiful your freedom.; ['Medical'],

"THE FORGOTTEN DAUGHTER.; Met 'Het huis voor ongewenste meisjes' schetst Joanna Goodman een ingrijpend beeld van de misstanden in de Canadese weeshuizen van de jaren '50 en '60. Quebec 1950. Als Maggie op haar vijftiende zwanger raakt dwingen haar ouders haar om het meisje ter adoptie af te staan. De rest van haar leven voelt Maggie het gemis. De kleine Elodie komt in een door nonnen gerund tehuis terecht. Maar dan volgt een wetswijziging die bepaalt een psychiatrisch ziekenhuis meer subsidie ontvangt dan een weeshuis met catastrofale gevolgen. Om dat geld op te strijken verklaart de kerk de kinderen in hun zorg tot geestelijk gehandicapten. Met één pennenstreek wordt een generatie aan verloren kinderen gecreëerd - en Elodie raakt net als duizenden anderen verloren in een hels schemerbestaan. Moeder en dochter vechten ieder voor zich tegen een gemeenschap die hen als minderwaardig ziet in de hoop zichzelf en elkaar terug te vinden. Voor de lezers van Diney Costeloe's 'De verloren kinderen' en 'De kindertrein' van Christina Baker Kline.; ['Fiction'],"

"Masks of Nyarlathotep: Adventures to Thwart the Dark God (Call of Cthulhu RPG); Deel 1 van Alex Marshalls avontuurlijke fantasy-trilogie.

Dit is epische fantasy zoals je die nog nooit hebt gelezen. Een Kroon voor Koud Zilver is deel 1 van Alex Marshalls avontuurlijke fantasytrilogie die doet denken aan een Tarantino-film. Dit is epische fantasy zoals je die nog nooit hebt gelezen. 'Alles liep op rolletjes tot aan het bloedbad...' Twintig jaar geleden trok de gevreesde Kobalt Zosia met haar vijf trawanten en een huurlingenleger ten strijde en bracht ze het grootste koninkrijk ter wereld ten val. Toen er geen titels meer waren te winnen en geen werelden meer waren te veroveren trok ze zich terug en liet ze haar legende verdwijnen in de geschiedenisboeken. Maar nu is het vreedzame bestaan dat ze voor zichzelf heeft opgebouwd ruw verstoord door de afslachting van haar complete dorp. Uit op wraak trekt Zosia weer ten strijde. Maar als ze gerechtigheid wil zal ze eerst de confrontatie aan moeten gaan met een hoop wrok koesterende vijanden oude bondgenoten met een twijfelachtige loyaliteit en een vreemd leger dat marcheert onder een wel heel vertrouwde banier. Vijf trawanten Een legendarische generaal En een laatste strijd om gerechtigheid ----- 'Een eersteklas fantasyavontuur... schitterende verhaallijn grimmige humor en een tandenknarsende intrige.' Publishers Weekly (met ster) 'Dit meeslepende avontuur schittert met details die de wereld tot leven brengen: echo's van verloren culturen drugsverslaafden die zich door giftige insecten laten prikken en ongebruikelijke sekserollen.' Library Journal (met ster) 'Fans van diepzinnige verhaallijnen ijzersterke heldinnen en fantasyverhalen die je geheel in beslag nemen zullen van dit boek gaan houden.' RT Book Reviews 'Rijk aan personages die worden gedreven door passieplaat en angstaanjagend menselijke gebreken. Een Kroon voor Koud Zilver haalt het klassieke fantasy-genre door het slijk maar doet dit op een gevatte wonderlijke en wijze manier.' NPR Books 'Deze gespierde wraakroman leest als een Tarantino-film: een vermakelijke mix van avontuur en komedie afgewisseld met duistere momenten scherpzinnige dialogen en explosieve scènes.' Booklist (met ster); ['Fiction'], "Pyrotechnics; Primarily driven by advancing technology and concerns for safety advancement in the world of pyrotechnics and high-energy materials has exploded in the past 25 years. The promulgation of new government regulations places new and more stringent restrictions on the materials that may be used in energetic mixtures. These regulations now mandate numerous training programs and initiate other actions such as OSHA's Process Safety Management standard intended to eliminate accidents and incidents. Unfortunately the US lacks an organized broad-range academic program to cover the science and use of energetic materials and educate the next generation of pyrotechnicians. Designed as a bridge to allow a smooth and confident transition for personnel coming from a chemistry background into the practical world of explosives Chemistry of Pyrotechnics: Basic Principles and Theory Second Edition emphasizes basic chemical principles alongside practical hands-on knowledge in the preparation of energetic mixtures. It examines the interactions between and adaptations of pyrotechnics to changing technology in areas such as obscuration science and low-signature flame emission. Much more than a simple how-to guide the book discusses chemical and pyrotechnic principles components of high-energy mixtures and elements of ignition propagation and sensitivity. It offers heat compositions including ignition mixes delays thermites and propellants and investigates the production of smoke and sound as well as light and color. Promoting the growth and expansion of pyrotechnics as a science Chemistry of Pyrotechnics: Basic Principles and Theory Second Edition provides

practitioners with the ability to apply chemical principles and logic to energetic materials and thereby make the field as productive useful and safe as possible.; ['House & Home'], "

"One Hundred Days: Napoleon's Road to Waterloo; Europe 1815: the Great Powers believed that they had at last successfully crushed the Emperor Napoleon Bonaparte. Divested of his empire exiled to the tiny island of Elba the ex-conqueror had no army no money no ships - nothing but an empty title and his unflagging ambition. But his audacity admitted no defeat. Mustering a minuscule army of a thousand men with few supplies he sailed for France and set into motion the events that over the next one hundred days would propel a beleaguered Europe once again into total war ending with the catastrophic battle of Waterloo the routing of his Grand Army and his second - and final - exile. In One Hundred Days Alan Schom shows us in his lively immediate narrative style the inevitability of Napoleon's return from exile and his doomed bid for power. Landing unopposed on French soil the emperor and his skeleton force began their march through a hostile countryside impoverished by years of war famine and conscription. Yet the charismatic leader managed to attract men and support: by the time they reached Paris with a force of 20000 the Bourbon king Louis XVIII had abandoned the city and Napoleon was greeted with parades and the shouts of citizens eager to align themselves with the stronger power. But war already loomed over his return. The Duke of Wellington and his Grand Allied Army astonished and alarmed by Napoleon's rise from the ashes of exile were already on the march and determined to quench him once and for all. The two armies met at Waterloo to fight the bitter three-day contest that would mark the end of Napoleon. Alan Schom's One Hundred Days is a detailed chronicle of the events that led up to the final fall of Napoleon and a complex and vivid portrait of the personalities that surrounded him: the icily charming and self-serving Talleyrand; the brutal fickle police minister Fouche who helped form the first modern police state; the brave but vacillating Ney; the dogged Davout the emperor's scapegoat; and Napoleon's underestimated foes Arthur Wellesley Duke of Wellington and the aging yet pugnacious Marshal Blucher. Meticulously reconstructed from diaries memoirs and correspondence a host of lesser characters spring to vivid life populating the grandiloquent stage of the Napoleonic empire. More than an

account of a watershed event in the evolution of modern Europe One Hundred Days is a chronicle of an age replete with intrigue drama and consequence. Believing that the epic of history is incomplete without providing the elementary human perspective responsible for shaping it Alan Schom unveils a story rich in intimate detail: history with a human face and voice.; ['History'], "

"Submarine (Tom Clancy's Military Reference); Exposes the inner workings of the nuclear submarine the core of America's nuclear arsenal using diagrams and photographs along with formerly top-secret information.; ['Technology & Engineering'], "

"Military Coups in West Africa Since the Sixties; For three decades since the sixties military coups became a ritual of African politics. They consist of self-perpetuating incidents which spilled into the 1990's through on a much smaller scale. This book is a chronological sequence of these events in West Africa. The focus is on the coups in sub-Saharan Africa during these turbulent decades and what can be done to stop them in Africa's quest for democracy.; ['Social Science'], "

"Change of Course; A Change in Course By: JD Cline Tragedy strikes two individuals on opposite sides of the country. At the pinnacle of his career in New York City Matt seems to have it all. With a promotion on the horizon Matt's world suddenly comes crashing down when he learns his personal life and career have irrevocably collided. Meanwhile Alexandra is in a loveless marriage in California until one day her life of luxury and passivity implodes forcing her to face the reality she's been avoiding. With nowhere to turn Matt and Alexandra each venture into their pasts to rebuild their futures. None of it is easy and they will be tested along the way but fate has a way of leading us where we need to go if we only listen to our hearts.; ['Fiction'], "

"The Translator's Handbook: With Special Reference to Conference Translation from French and Spanish; This handbook introduces general principles of translation while focusing on translating French and Spanish into English within a conference setting. General principles are elucidated in an introduction in a postlude entitled &"The Elements of Good Translation&" and throughout the French and Spanish parts. Part I Translating from French into English is organized alphabetically to cover French words and phrases that cannot be translated literally (absence abuser adapt&é &à . . .) English locutions with connotations differing from those of their French counterparts (actually analyze as well as also . . . and special problems (abstract nouns ambiguity archaisms). Part II Translating from Spanish into English has the same alphabetical organization covering tricky Spanish terms (abordaje acciones actitudes. . .) problematic English translations (alternate although aspect . . .) and special problems (ambiguity Anglicisms dictionaries . . .). Part II also has an entry under Portuguese dispelling the assumption that facility in translating Spanish guarantees capability to handle Portuguese.; ['Language Arts & Disciplines'], "

"After Eden: Understanding Creation the Curse and the Cross; In America a country founded on biblical principles the culture is no longer sure whether the Bible is true or not. If it isn't how do we explain what we see around us -- the death disease and destruction? The early chapters of the Book of Genesis present the creation account but today that view is seen as the simplistic dogma of Bible ""literalists."" So how do we understand the world as it is? This critical book discusses subjects that the larger Church world isn't answering: How much of the historical

records of Genesis 1-11 is reliable? What does the subject of origins have to do with us today? Why was Noah's flood global and not local or in some sense myth? How does the doctrine of creation relate to the gospel? Book jacket.; ['Religion'], "

"Transitions: The Art of Todd Lockwood; After a successful career as a commercial artist in advertising Todd Lockwood was astonished to be told that people were willing to pay for the fantasy and science fiction art he vastly preferred to create. That discovery altered the course of his life and he is now one of the most widely respected fantasy artists of our age. Known worldwide for his depiction of heroic and stirring high fantasy imagery under the aegis of TSR™ and Wizards of the Coast™ he also creates work of astonishing sensitivity and beauty in quieter styles. This book with its revealing text by Hugo-nominated writer and journalist Karen Haber and by Lockwood himself contains well over a hundred paintings from all areas of his fantasy creation.; ['Art'], "

"Trail Boss; Indian Leader Trail Boss is the story of a trail drive led by Texas most famous trail boss due to never losing a herd or a man on a drive. Indian Leader was contacted to lead 3000 head of Longhorns from the Star Ranch to Dodge City. He agrees to take the job when he finds the owner killed by rustlers and his daughter Serene desperate to get her cattle to market to pay off a loan when her bank threatens to foreclose on her ranch. They have all the normal problems of a trail drive; too many miles; too many rivers to cross as Indian has people trying to kill him for killing their brother. Indian and Serene find they are falling in love during the trip while a neighboring rancher Kent Eagle is determined to do anything he can to take over Serenes ranch. Indians problems grow with every mile: getting the cattle to market; staying alive while people are trying to kill him; selling the herd; pay off the bank loan and keep Serene.; ['Fiction'], "

"Bat Masterson The Man and the Legend; The colorful figures of the western American frontier the Indian fighters the mountain men the outlaws and the lawmen have been romanticized for more than a hundred years by writers who found it easier to invent history than the research it. ""Bat"" Masterson was one such character who cast a long shadow across the pages of western history as it has been routinely depicted.

""A legend in his own time"" he was called in a television series produced in the 1960's. A legend he has become—one firmly fixed in the popular imagination. But in his own time W.B. Masterson was a man a less-than-perfect creature subject to the same temptations and vices as his fellows albeit one who through circumstance and inclination led an exciting life in an exciting time and place. As buffalo hunter army scout peace officer professional gambler sportsman promoter and newspaperman Masterson's career was stormy and eventful. Surprising to many readers will be the account of Masterson's career after his peace officer days during his employment as a sports writer and columnist. The gun-toting

western peace officer reputed to have killed more men than Billy the Kid (not so says DeArment) spent his last years happily in New York City writing for a nationally known newspaper. This book the product of more than twenty years of research separates fact from fiction to extricate the story of his life from the legend that has enmeshed it. It is the most complete biography of Bat Masterson ever written.; ['Biography & Autobiography'], "

"Cracking the SAT II: Math 1999-2000 Edition (Cracking the Sat Math Subject Test); WE KNOW THE SAT II: ENGLISH The experts at The Princeton Review study the SAT II: English and other standardized tests each year to make sure you get the most up-to-date thoroughly researched books possible. "Message of Salvation (The Bible Speaks Today); The experiences of the early church have much to say about issues that concern Christians today. What can Acts tell us about tongues and other manifestations of the Spirit? How should the church reach out into the world with the message of salvation? This revised BST volume from John Stott opens to us the early days of the church as recorded by Luke in the book of Acts.;

[*'Religion'*], "

"Journey of a Thousand Miles; Journey of a Thousand Miles tells the remarkable story of a boy who sacrificed almost everything – family financial security childhood and his reputation in China’s insular classical music world – to fulfil his promise as a classical pianist. Lang Lang was born in Shenyang in north-eastern China just after the end of the Cultural Revolution. He began piano lessons at three years old and by age ten had been awarded a place at the Central Conservatory of Music in Beijing. In order to continue his studies he moved thousands of miles from home living with his exacting father in a cramped shared apartment while his mother stayed at home to earn the money to pay his fees. At fifteen he moved to the United States to take up a scholarship at the Curtis Institute in Philadelphia; by nineteen he was selling out Carnegie Hall. His tutor and mentor Daniel Barenboim was perhaps the first to describe him as ‘extraordinarily talented’; today his assessment is shared by millions. Now in adulthood Lang Lang tours relentlessly delighting sell-out audiences with his trademark flamboyance and showmanship. Journey of a Thousand Miles is a tale of heartbreak drama and ultimately triumph. His inspiring story demonstrates the courage and self-sacrifice required to achieve artistic greatness.; [*'Biography & Autobiography'*], "

"Spanking Watson: A Novel (Kinky Friedman Novels); The gender wars heat up considerably when a man-hating lesbian moves in above Kinky Friedman and begins to make the ceiling crumble. Reprint.; [*'Fiction'*], "

"Matriarch (Wess’Har); In thirty years the invincible Eqbas will arrive at Earth to forcibly return the planet to what it once was—as retribution in part for the gethes’ thoughtless near-extinction of an alien ocean-dwelling species. First however another world requires their attention: the crowded ecologically ravaged planet of the swarming insect-like isenj. Efforts to drastically reduce the isenj population have sparked a devastating civil war—which may well do the savior/destroyers’ work for them. And the human visitors can only watch. Rendered immortal and ever changeable by a parasite in her blood ex-cop Shan Frankland isn’t content

merely to play Matriarch to her two similarly infected mates—one earthborn one alien wess'har. Her fears for the future of Umeh and the ultimate fate of humankind must be set aside while she tackles an unfulfilled duty that haunts her every waking moment—a mission that must be undertaken for the sake of the future—and pursues a righteous vengeance.; ['Fiction'], "

"Phantom Soldier: The Enemy's Answer to U.S. Firepower; Phantom Soldier may be the most comprehensive treatise on Oriental warfare ever produced in the West. Well researched and illustrated it sheds new light on what an Eastern infantry unit can do: (1) alternate between guerrilla mobile and positional warfare; (2) use ""ordinary forces"" to engage and ""extraordinary forces"" to beat an opponent and (3) dodge any counterstroke. By identifying pronounced trends in the small-unit technique of every foe since WWI this book reveals how future adversaries will fight. This will be the first generation of U.S. infantrymen to be told. Just knowing should double their chances of survival. While what occurred in history does not change one's perception of it does as he comes to better understand a highly deceptive former adversary. To see what may have occurred at Guadalcanal Iwo Jima the Chosin Reservoir Hue City and other Vietnam battlefields one must come to appreciate the ""false face"" and art of delay. An Oriental unit will tactically withdraw to undermine the opposition's resolve and save its own soldiers' lives. By revealing how Asian soldiers hold their own without resupply tanks or air support Phantom Soldier shows what U.S. infantrymen must do to survive the more lethal weaponry of the 21st century. This is must-reading for combat leader and concerned citizen alike.; ['History'], "

"Digital Television: MPEG-1 MPEG-2 and Principles of the DVB System Second Edition; Digital Television is as an authoritative and complete overview that describes the technology of digital television broadcasting. KEY BENEFITS \* Enhance your knowledge of digital television with this authoritative technical introduction \* Learn underlying principles of the DVB system compression technology IPTV Mobile TV and more \* Understand analog and digital formats and signal processing from transmission to reception; ['Computers'], "

"In a Narrow Grave; Writing with characteristic grace and wit Larry McMurtry tackles the full spectrum of his favorite themes -- from sex literature and cowboys to rodeos small-town folk and big-city slickers. First published in 1968 In a Narrow Grave is the classic statement of what it means to come from Texas. In these essays McMurtry opens a window

into the past and present of America's largest state. In his own words: ""Before I was out of high school I realized I was witnessing the dying of a way of life -- the rural pastoral way of life. In the Southwest the best energies were no longer to be found on the homeplace or in the small towns; the cities required these energies and the cities bought them...."" ""I recognized too that the no-longer-open but still spacious range on which my ranching family had made its livelihood...would not produce a livelihood for me or for my siblings and their kind....The myth of the cowboy grew purer every year because there were so few actual cowboys left to contradict it...."" ""I had actually been living in cities for fourteen years when I pulled together these essays; intellectually I had been a city boy but imaginatively I was still trudging up the dusty path that led out of the country....""; ['Literary Criticism'], "

"The Mind of the Paedophile: Psychoanalytic Perspectives (Forensic Psychotherapy Monograph Series); The Mind of the Paedophile discusses one of the most controversial and misunderstood subjects in the psychoanalytic arena today - paedophilia. In this volume a range of eminent and expert professionals go further: into the mind of the paedophile using dream interpretation free association fantasies and memories in a bid to comprehend the exact nature; the how when and why of paedophilia.; ['Psychology'], "

"Read It Again!: Revisiting Shared Reading; ""This book anchors shared reading as an essential element within a comprehensive and balanced literacy program." Margaret Mooney In this book Brenda Parkes introduces new teachers to shared reading and helps experienced teachers revitalize this important teaching practice. Starting with the bedtime story Read It Again! outlines the essential elements and benefits of shared reading and provides detailed examples which show how a shared reading session unfolds in the classroom. By including examples of implicit and explicit teaching Brenda demonstrates how shared reading helps children develop a range of strategies for reading and comprehending text. You will find detailed strategies that support learners in developing self-extending systems through their understanding of content and process and several examples of independent activities that consolidate and extend learning. Good book selection is the key to successful shared reading experiences. In discussing the criteria for quality book selection Brenda shows us how to critically assess the teaching and learning possibilities in shared reading books and how to use a variety of text types to model purpose content and form. The book includes an analysis of supportive text features for the different needs of emergent early and fluent readers. Annotated bibliographies provide a quick reference to quality books. Read It Again! refines and extends our understanding of shared reading and shows primary teachers how to put this valuable approach into practice.; ['Education'], "

"El Movil/The Motive (Andanzas) (Spanish Edition); Incorporating new words and meanings from both languages the fifth edition of this well-received Spanish dictionary offers speakers of both Spanish and English a

valuable bilingual resource for navigating these languages. (Reference); ['Foreign Language Study'], "

"Dynamic Asset Pricing Theory. Second edition; This is a thoroughly updated edition of Dynamic Asset Pricing Theory the standard text for doctoral students and researchers on the theory of asset pricing and portfolio selection in multiperiod settings under uncertainty. The asset pricing results are based on the three increasingly restrictive assumptions: absence of arbitrage single-agent optimality and equilibrium. These results are unified with two key concepts state prices and martingales. Technicalities are given relatively little emphasis so as to draw connections between these concepts and to make plain the similarities between discrete and continuous-time models. Readers will be particularly intrigued by this latest edition's most significant new feature: a chapter on corporate securities that offers alternative approaches to the valuation of corporate debt. Also while much of the continuous-time portion of the theory is based on Brownian motion this third edition introduces jumps--for example those associated with Poisson arrivals--in order to accommodate surprise events such as bond defaults. Applications include term-structure models derivative valuation and hedging methods. Numerical methods covered include Monte Carlo simulation and finite-difference solutions for partial differential equations. Each chapter provides extensive problem exercises and notes to the literature. A system of appendixes reviews the necessary mathematical concepts. And references have been updated throughout. With this new edition Dynamic Asset Pricing Theory remains at the head of the field.; ['Business & Economics'], "

"New York City's Best Public High Schools: A Parents' Guide; Reflecting changes brought about by Mayor Michael Bloomberg's reorganization of New York City's public school system this Third Edition features reviews of 74 of the city's best public middle schools. "The Last Chronicle Of Barset: Parts 1 & 2 (Classic Books on Cassettes Collection); 'All Hogglestock believed their parson to be innocent; but then all Hogglestock believed him to be mad.' Josiah Crawley lives with his family in the parish of Hogglestock East Barsetshire where he is perpetual curate. Impoverished like his parishioners Crawley is hard-working and respected but he is an unhappy disappointed man ill-suited to cope when calamity strikes. He is accused of stealing a cheque to pay off his debts; too proud to defend himself he risks ruin and disgrace unless the truth can be brought to light. Crawley's predicament divides the community into those who seek to help him despite himself and those who like Mrs Proudie are convinced of his guilt. When the Archbishop's son Major Grantly falls in love with Crawley's daughter Grace battle lines are drawn. The final volume in the Barsetshire series The Last Chronicle draws to a close the stories of many beloved characters including the old Warden Mr Harding Johnny Eames and Lily Dale. This new editions includes helpful notes along with an introduction that considers the novel's multiple forms- comic tragic psychological and moral- and Trollope's skill in portraying relationships and a society with perspicuity and tolerance. Panoramic in scale elegiac and moving it is perhaps Trollope's greatest novel. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around

the globe. Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up-to-date bibliographies for further study and much more.; ['Fiction'], "

"Reporting Made Easy Guidebook series Release 4.0B; Before use standard ERP systems such as SAP R/3 need to be customized to meet the concrete requirements of the individual enterprise. This book provides an overview of the process models methods and tools offered by SAP and its partners to support this complex and time-consuming process. It begins by characterizing the foundations of the latest ERP systems from both a conceptual and technical viewpoint whereby the most important components and functions of SAP R/3 are described. The main part of the book then goes on to present the current methods and tools for the R/3 implementation based on newer process models (roadmaps).; ['Business & Economics'], "

"Japan: The Intellectual Foundations of Modern Japanese Politics (Phoenix Book); Historians have long been aware of the richness and complexity of the intellectual history of modern Japanese politics. Najita's study however is the first in a Western language to present a consistent and broad synthesis of this subject. Najita elucidates the political dynamics of the past two hundred years of Japanese history by focusing on the interplay of restorationism and bureaucratism within the context of Japan's modern revolution the Meiji Restoration.; ['History'], "

"Psame Otro Ladrillo; Examining a rich new generation of Latin American writers this collection offers new perspectives on the current status of Latin American literature in the age of globalization. Authors explored are from the Boom and Postboom periods including those who combine social preoccupations like drug trafficking with aesthetic ones.; ['Social Science'], "

"The Generation Stage In Buddhist Tantra; This book offers an exceptionally clear and accessible presentation of the generation stage practices of deity yoga. Gyatrul Rinpoche explains the state of mind to be established at the beginning of the practice session the details of the visualization sequences the three types of offerings and proper mantra recitation-as well as mudras tormas and malas. Practitioners from all lineages of Tibetan Buddhism will find that these teachings enhance their understanding of sadhana practice. Rinpoche's detailed explanations make it possible to practice these meditations as they were intended and as they were practiced in Tibet and ancient China. It was originally published as Generating the Deity.; ['Religion'], "

"Empty Promises: And Other True Cases; MORE THAN 20 MILLION COPIES OF ANN RULE'S BOOKS IN PRINT! In this unnerving collection drawn from her personal crime files ""America's best true-crime writer"" (Kirkus Reviews) Ann Rule brilliantly dissects the convoluted love affairs that all too often end in violence. Expertly analyzing a shocking headline-making case Rule unmasks the deadly motives inside a seemingly idyllic marriage: a beautiful young wife a rising star in America's top-ranked computer corporation and a prosperous husband the scion of a family building business. With an adorable son and a gorgeous home the couple seemed to have it all. But a furtive evil permeated their days and nights

dragging them into a murky world of drugs sordid sex and con operations. In this realm one of them would prove to be a virtual innocent the other a manipulator with no conscience. Sudden violent death brought their charade of a fairy-tale romance to a tragic end -- with a brutal crime that might never have come to light were it not for the stubborn detectives and prosecutors whose fight for justice spanned an entire decade. Empty Promises recounts several other cases where the search for love brought only lies and betrayal -- a cautionary primer perhaps for those who trust too much too soon. Powerful because they strike so close to home the cases in Empty Promises will leave readers shaken by the realities of love gone terribly -- and fatally -- wrong.; ['True Crime'], "

"Wireless Communications & Networks; This textbook takes a unified view of the fundamentals of wireless communication and explains cutting-edge concepts in a simple and intuitive way. An abundant supply of exercises make it ideal for graduate courses in electrical and computer engineering and it will also be of great interest to practising engineers.; ['Computers'], "

"Positively Fifth Street: Murderers Cheetahs and Binion's World Series of Poker; Rough sex black magic murder and the science-and eros-of gambling meet in the ultimate book about Las Vegas James McManus was sent to Las Vegas by Harper's to cover the World Series of Poker in 2000 especially the mushrooming progress of women in the \$23 million event and the murder of Ted Binion the tournament's prodigal host purportedly done in by a stripper and her boyfriend with a technique so outré it took a Manhattan pathologist to identify it. Whether a jury would convict the attractive young couple was another story altogether. McManus risks his entire Harper's advance in a long-shot attempt to play in the tournament himself. Only with actual table experience he tells his skeptical wife can he capture the hair-raising brand of poker that determines the world champion. The heart of the book is his deliciously suspenseful account of the tournament itself--the players the hand-to-hand combat and his own unlikely progress in it. Written in the tradition of The Gambler and The Biggest Game in Town Positively Fifth Street is a high-stakes adventure a penetrating study of America's card game and a terrifying but often hilarious account of one man's effort to understand what Edward O. Wilson has called ""Pleistocene exigencies"--the eros and logistics of our primary competitive instincts.; ['Games & Activities'], "

"Fires of Spring; An intimate early novel from James A. Michener now remembered as the beloved master of the historical epic The Fires of Spring unfolds with the bittersweet drama of a boy's perilous journey into manhood. David Harper is an orphan seemingly doomed to loneliness and poverty. As an adolescent con artist and petty thief David spends his days grifting at an amusement park the place where he first learns about women and the mysteries of love. Soon he discovers that his longing to embrace the world is stronger than the harsh realities that constrain him. Featuring autobiographical touches from Michener's own life story The Fires of Spring is more than a novel: It's a rich slice of American life brimming with wisdom longing and compassion. BONUS: This edition includes an excerpt from James A. Michener's Hawaii. Praise for The Fires of Spring "A warm-hearted readable story crammed with lively incident and remarkable characters."—The Atlantic "Heartfelt . . . immensely readable . . . Michener is a born writer."—The New York Times "Michener is a gifted storyteller."—Kirkus Reviews "Brilliantly done."—Library Journal; ['Fiction'], "

"Eugene Richards: Cocaine True Cocaine Blue; A compelling portrait of three communities penetrated by drugs and isolation: East New York North Philadelphia and the Red Hook housing projects in Brooklyn New York. With a chilling and informative afterword by Dr. Stephen W. Nicholas who works as a pediatric AIDS physician in Harlem Cocaine True Cocaine Blue reveals how first steps toward solutions to overcome the drug trade have actually contributed to public denial and further isolation of the trapped communities. Cocaine True Cocaine Blue is a history of our times a compelling terrifying document that will educate us and promote dialogue a first step toward affecting change.; ['Photography'], "

"Incubus; National Book Award winner Ann Arensberg brings readers a modern horror story about evil descending on an insular Maine town. It begins with the theft of six candles from the church altar a few herbs found strewn in the local graveyard. In the summer of 1974 the prosperous farming community of Dry Falls Maine is hit by a brutal heat wave. Crops fail. Drought blights once-verdant lawns. Men inexplicably lose all interest in sex while women complain of erotic nocturnal visitations. Farm animals give birth to monstrosities. An unholy unimaginable force is disrupting the natural order—and it seems to be specifically targeting Dry Falls. Narrated by the careful and practical Cora Whitman wife of the town pastor this tale of creeping strangeness quickly turns sinister. Incubus subtly builds to its shattering climax with Cora at its epicenter. Expertly interweaving themes of faith religion and marriage with that of the supernatural this modern horror classic will enthrall fans of Ann Arensberg and attract a legion of new readers.; ['Fiction'], "

"The Masculinities Reader; The Masculinities Reader provides a clear and comprehensive introduction to the key debates informing the study of masculinity. Structured in an accessible format the book makes available in a single text some of the most important work on a range of subjects including male power; patriarchy; management and organizations; sexualities; gay friendships; sport; intimacy; identity; hegemonic masculinity; violence; schooling; language; homophobia; Black Latino and Chicano masculinities; families; media; postmodernism; and subjectivity. The book opens with a substantive introductory chapter that looks at masculinity in crisis post-feminism men's power changing men nature/nurture debates and concepts of identity. Recognizing the global dimensions of gender change the book draws on research from many corners of the world. The Masculinities Reader is an essential text for students and researchers concerned with exploring men and masculinities. In providing a unique overview of an increasingly important field of sociological enquiry this book will be an invaluable addition to students and academics in sociology gender studies cultural studies and a range of other disciplines. Contributors include: Arthur Brittan David Collinson Bob Connell Ralph Donald David Guterman Jeff Hearn Deborah Kerfoot Scott Kiesling Michael Kimmel John MacInnes Richard Majors Michael Messner Alfredo Mirande David Morgan Peter Nardi and Lynne Segal.; ['Social Science'],"

It provides a series of informational texts as well as hundreds of questions and answers in the areas that will likely be covered on your upcoming exam including but not limited to: understanding and interpreting poetry; prose; British and American literature; pre-Renaissance through 20th-century works; and more.; ['Study Aids'],"

"Promiscuous Unbound; Vivienne Yellow the unforgettable narrator of this arresting and witty debut is an American woman who lies in traction in a Parisian hospital her leg shattered after she was accidentally hit by a truck. Through hazy wormholes of memory colored by her own morphine-stoked sexual longings we are drawn into her past: Exactly what happened to her as she tried to cross rue de Cherche Midi her wildly adulterous marriage to an emotionally distant man and her relationship with her father the famously charismatic naturalist Maurice Yellow. Bound to her bed and trapped by her own thoughts Vivienne's only link to the outside world is a fellow patient Sonia an acid-tongued French teenager with a failing heart. Over the course of her musings Vivienne comes to understand one thing: sex is her refuge a notion oddly reaffirmed by the stories Sonia begins to bring her about a new patient an innocent refugee from the Kosovo crisis who had tried to save herself by marrying the first man she met. Ribald and funny with a rich Dorothy Parker bitterness Promiscuous Unbound traces the relationship between memory and love and loss and reveals each woman's unorthodox search for salvation.; ['Fiction'],"

"Eyr the Hunter: A Story Of Ice-Age America; ""Travel back 12000 years and learn of Eyr a youngster who saved his tribe from a woolly mammoth as they traveled from Siberia to Alaska . . . well told in metered verse that flows smoothly throughout...Realistic sketches in burnished colored pencil show details of clothing family life and geography.""-Children's Literature In this tale a young Ice-Age boy plays a key role in the survival of his band more than twelve thousand years ago. Eyr -s band is hungry and in need of new skins. The old seer predicts a coming snow and without a good supply of meat the band may starve or die of cold. Eyr walks over meadows and hills with the other hunters looking for tracks but they return with little game. That night Eyr dreams of killing the great woolly mammoth with his sharp spear. He imagines how his band would dance and feast with food to last them through the dark winter. The next morning the band-s hunter-leader wakes him. Having reached the age that he can hunt alone Eyr is sent to scout the large beaststhat roam the tundra especially the woolly mammoths. Taking only his cape his knife his spear and a smoldering ember Eyr sets out to become a man and save his band.Told in rhyming couplets just as many ancient storytellers told the epic tales of the past Eyr the Hunter: A Story of Ice-Age America is based upon many facts. Margaret Zehmer Searcy is a cultural anthropologist who has taught classes about Native Americans and their customs for more than two decades in the Department of Anthropology at the University of Alabama. She has visited archaeological sites and is familiar with the kinds of animals that existed in the Ice-Age landscape. Joyce Haynes has won numerous local state and national awards for her illustrations. She has illustrated more than a dozen books and is the author of Drawing Wild Animals . She lives in Southwest Missouri.A story both involving and entertaining Eyr the Hunter: A Story of Ice-Age America is made all the more moving by its wonderful rhythms and use of vivid detail. A children-s book that can be likened to the Clan of the Cave Bear series this book can also be useful for explaining how the earliest Americans led their lives. It is a wonderful tie-in to any discussion about native cultures around the world as well.; ['Juvenile Fiction'],,"

The beautiful molded glass is both decorative and useful with patterns that include flowers fruits birds animals and geometric shapes on bowls dishes vases and beverage sets. Explore these pages as you build a collection of your own.; ['Antiques & Collectibles'], "

"License to Harass: Law Hierarchy and Offensive Public Speech (The Cultural Lives of Law); Offensive street speech--racist and sexist remarks that can make its targets feel both psychologically and physically threatened--is surprisingly common in our society. Many argue that this speech is so detestable that it should be banned under law. But is this an area covered by the First Amendment right to free speech? Or should it be banned? In this elegantly written book Laura Beth Nielsen pursues the answers by probing the legal consciousness of ordinary citizens. Using a combination of field observations and in-depth semistructured interviews she surveys one hundred men and women some of whom are routine targets of offensive speech about how such speech affects their lives. Drawing on these interviews as well as an interdisciplinary body of scholarship Nielsen argues that racist and sexist speech creates reproduces and reinforces existing systems of hierarchy in public places. The law works to normalize and justify offensive public interactions she concludes offering in essence a ""license to harass." Nielsen relates the results of her interviews to statistical surveys that measure the impact of offensive speech on the public. Rather than arguing whether law is the appropriate remedy for offensive speech she allows that the benefits to democracy to community and to society of allowing such speech may very well outweigh the burdens imposed. Nonetheless these burdens and the stories of the people who bear them should not remain invisible and outside the debate.; ['Law'], "

"Ciudad Real (Los que cuentan) (Spanish Edition); Long neglected by European historians the unspeakable atrocities of Franco's Spain are finally brought to tragic light in this definitive work. Evoking such classics as Anne Applebaum's Gulag and Robert Conquest's The Great Terror The Spanish Holocaust sheds light on one of the darkest and most unexamined eras of modern European history. As Spain finally reclaims its historical memory a full picture can now be drawn of the atrocities of Franco's Spain—from torture and judicial murders to the abuse of women and children. Paul Preston provides an unforgettable account of the systematic terror carried out by Spain's fascist government.; ['History'], "

"Handspun Treasures from Rare Wools; Bringing together the art of spinning and wools from rare breeds of sheep Handspun Treasures from Rare Wools catalogs the 29 touring pieces from the Save the Sheep Exhibit.; ['Crafts & Hobbies'], "

"Real Presences; Renowned scholar George Steiner explores the power and presence of the unseen in art. "It takes someone of [his] stature to tackle this theme head-on" (The New York Times). There is a philosophical school of thought that believes the presence of God in art literature and music--in creativity in general--is a vacant metaphor an eroded figure of

speech a ghost in humanity's common parlance. George Steiner posits the opposite—that any coherent understanding of language and art any capacity to communicate meaning and feeling is premised on God. In doing so he argues against the kind of criticism that obscures instead of elucidates meaning. From the power of language to vital philosophical tenets Real Presences examines the role of meaning and of the spiritual in art throughout history and across cultures.; ['Philosophy'], "

"The building of Jalna; First published in 1944 The Building of Jalna is one of sixteen books in the Jalna series written by Canada's Mazo de la Roche. In The Building of Jalna Adeline an impulsive bride with an Irish temper and her husband Captain Whiteoak select Lake Ontario as the site of their new home. De la Roche chronicles their trials and tribulations during the building of the house the swimming and skating parties and the jealousies and humourous events that arise. This is book 1 of 16 in The Whiteoak Chronicles. It is followed by Morning at Jalna.; ['Fiction'], "

"Intimate Strangers: Comic Profiles and Indiscretions of the Very Famous; Schwarzenegger intimidates. Sharon Stone strips. Leno and Letterman duel. In twenty years of raw and raucous celebrity profiles Irreverently bold journalist Bill Zehme has long been celebrated for his ability to get under the skins of our most elusive icons from the evasive Warren Beatty to the ever-unpredictable Madonna to the much misunderstood Barry Manilow. Now his most provocative work is collected for the first time with over twenty-five landmark profiles including Frank Sinatra Tom Hanks Jerry Seinfeld Liberace Howard Stern Eddie Murphy and Woody Allen. Zehme witnesses Hugh Hefner withstanding the single blow that never entered into an adolescent boy's dreams--losing his fantasy woman. He gets a nude massage with Sharon Stone and an earful about men sex and the shotgun she keeps under her bed. Included too is Zehme's exclusive firsthand coverage of David Letterman and Jay Leno before and throughout their late-night feud. Here is entertainment history through the eyes of a man the Chicago Tribune called "one of the most successful and prolific magazine writers in the country." Hilarious endearing and wickedly insightful Intimate Strangers captures the business of celebrity for what it is: a big lusty star-crossed love affair between our icons and ourselves.; ['Biography & Autobiography'], "

"Nixon Reconsidered; A revealing look at a president and his role in history argues that Watergate and foreign policy successes overshadowed Nixon's domestic accomplishments including reforms in welfare civil rights economic and environmental policy and reorganization of federal bureaucracy.; ['Biography & Autobiography'], "

"Like A Velvet Glove Cast In Iron; The bizarre and fantastic adventures of Clay Loudermilk as he stumbles upon the mysteries behind a snuff film and becomes involved with increasingly bizarre characters should appeal to David Lynch fans. Adult.; ['Comics & Graphic Novels'], "

"Stuffed: Adventures of a Restaurant Family; Patricia Volk's delicious memoir lets us into her big crazy loving cheerful infuriating and wonderful family where you're never just hungry—your starving to death and you're never just full—you're stuffed. Volk's family fed New York City for one hundred years from 1888 when her great-grandfather introduced pastrami to America until 1988 when her father closed his garment center restaurant. All along food was pretty much at the center of their lives. But as seductively as Volk evokes the food Stuffed is at heart a paean to her quirky vibrant relatives: her grandmother with the "best legs in Atlantic City"; her grandfather who invented the wrecking ball; her larger-than-life father who sculpted snow thrones when other dads were struggling with snowmen. Writing with great freshness and humor Patricia Volk will leave you hungering to sit down to dinner with her robust family—both for the spectacle and for the food.; ['Biography & Autobiography'], "

"Cheerfulness as a life power; The soul-consuming and friction-wearing tendency of this hurrying grasping competing age is the excuse for this little book. Cheerfulness has a wonderful lubricating power. What is needed is a habit of cheerfulness to enjoy every day as we go along; not to fret and stew all the week and then expect to make up for it Sunday or on some holiday. This book leads the reader to look on the sunny side of things and to take a little time every day to speak pleasant words.; ['Self-Help'], "

"But the morning will come novel.; The reactions of a southern white girl who discovers her unborn child will inherit Negro blood.; ['Mississippi'], "

"Total Abuse; Book Delisted; ['Fiction'], "

"Yonder the Bridge: The Story of an Impossible Courtship; The book begins with a spellbinding cliffhanger: The meeting in 1945 - Weeks before the end of the War - of a young German woman & an American Lieutenant. He falls in love with her at first sight & proposes marriage just hours before the withdrawal of the American troops & the arrival of the Red Army. The story which covers the time between 1930 & 1947 is quite extraordinary given how little Americans actually know about those

particular years as experienced by native Germans. This is a ""normal"" family trying to get on with life education & finding adequate food & shelter often under horrendous conditions. The dominant character is undoubtedly the mother a widow whose efficient iron willed dominance brings her family through these stressful times but causes problems for her children. The daughter struggles to distance herself from both her overpowering mother & the tumultuous events around them. The strength of the book stems from Ms. Berck's eye for detail & descriptive judgement. Each scene is enlivened with moments of immediacy conflict confrontation fear escape & comic relief emerge from each episode. Ms. Berck shows keen perception total recall & an exceptional talent for eliciting laughter.; ['Fiction'], "

"The Hunt; Don't Sweat. Don't Laugh. Don't draw attention to yourself. And most of all whatever you do do not fall in love with one of them. Gene is different from everyone else around him. He can't run with lightning speed sunlight doesn't hurt him and he doesn't have an unquenchable lust for blood. Gene is a human and he knows the rules. Keep the truth a secret. It's the only way to stay alive in a world of night—a world where humans are considered a delicacy and hunted for their blood. When he's chosen for a once in a lifetime opportunity to hunt the last remaining humans Gene's carefully constructed life begins to crumble around him. He's thrust into the path of a girl who makes him feel things he never thought possible—and into a ruthless pack of hunters whose suspicions about his true nature are growing. Now that Gene has finally found something worth fighting for his need to survive is stronger than ever—but is it worth the cost of his humanity?; ['Young Adult Fiction'], "

Es un gato con un propósito y casi nada lo detendrá. Contiene temas para

reflexionar. Aprobado por el Ministerio de Educación de Panamá.;  
['Juvenile Fiction'], "

"CULTIVATING HUMANITY - a Classical Defense of Reform in Liberal Education; How can higher education today create a community of critical thinkers and searchers for truth that transcends the boundaries of class gender and nation? Martha C. Nussbaum philosopher and classicist argues that contemporary curricular reform is already producing such "citizens of the world" in its advocacy of diverse forms of cross-cultural studies. Her vigorous defense of "the new education" is rooted in Seneca's ideal of the citizen who scrutinizes tradition critically and who respects the ability to reason wherever it is found-in rich or poor native or foreigner female or male. Drawing on Socrates and the Stoics Nussbaum establishes three core values of liberal education: critical self-examination the ideal of the world citizen and the development of the narrative imagination. Then taking us into classrooms and campuses across the nation including prominent research universities small independent colleges and religious institutions she shows how these values are (and in some instances are not) being embodied in particular courses. She defends such burgeoning subject areas as gender minority and gay studies against charges of moral relativism and low standards and underscores their dynamic and fundamental contribution to critical reasoning and world citizenship. For Nussbaum liberal education is alive and well on American campuses in the late twentieth century. It is not only viable promising and constructive but it is essential to a democratic society. Taking up the challenge of conservative critics of academe she argues persuasively that sustained reform in the aim and content of liberal education is the most vital and invigorating force in higher education today.; ['Education'], "

"Teddy Roosevelt at San Juan: The Making of a President (Williams-Ford Texas A&M; University Military History Series); Termed a ""Southern gothic musical"" Ghost Brothers of Darkland County was scripted by novelist Stephen King with the music coming from maverick heartland rocker John Mellencamp a collaboration a bit left-field for both artists. This set includes Mellencamp's songs interspersed with key dialogue from King's libretto and while the story might be too complex -- essentially it's the tale of two brothers involved in a murder/suicide whose ghosts haunt an isolated cabin and whose tragic deeds and consequent fate seems about to be repeated by their living nephews -- to be truly appreciated in single-disc form like this so it's Mellencamp's songs sung by the likes of Elvis Costello Neko Case Sheryl Crow Dave and Phil Alvin (real-life brothers whose estrangement with each other ended while working on this project) Taj Mahal Ryan Bingham Clyde Mulroney Rosanne Cash and Kris Kristofferson (Mellencamp only sings on one song here the summing-it-up last track ""Truth"") that are really left to carry things. They certainly work as songs and may well be among the best Mellencamp has ever written while the overall sound of the whole musical suite crafted by T-Bone Burnett is kind of like a sparse and shined-up version of a late-period Tom Waits album due in part to the presence of multi-instrumentalist Marc Ribot on most of the tracks and the tight spare rhythm section of Jay Bellerose on drums and David Piltch on bass. The performances? Elvis Costello sounds gleeful and sinful on ""That's Me""

(identity and fulfillment are key themes of Ghost Brothers of Darkland Country that and history's tendency to repeat itself) Neko Case is sassy and sure on ""That's Who I Am"" Kris Kristofferson sounds old wise and weary on ""How Many Days"" Taj Mahal rages through ""Tear This Cabin Down"" and Sheryl Crow is confident and cocky on ""Jukin'"" while Rosanne Cash turns in a delicately worn and wise reading of ""You Don't Know Me"" and for a story that spans decades and generations it's obvious that everyone is singing about who they are who they ought to be and who they ended up becoming. It's difficult to say how good this musical is just from the songs and pieces of dialogue presented here but the songs have a weary inevitable flow to them as if fate forced them into a dark room with little light or air or chance of redemption. Redemption comes with acceptance of who one is the songs and story here seem to say and only then can the real truth about what has happened to anyone really be revealed. It's a ghost story after all. ~ Steve Leggett; ['Biography & Autobiography'], "

"Colors of Provence; Color resonates in the pure light of the Proven al sun. Rich earth tones bountiful harvests and bright vegetable stalls make Provence one of the most celebrated and adored regions in the world.

Filled with stunning color photographs ""Colors of Provence"" captures the true vibrancy of the French countryside revealing the many elements that make up its authentic palette. 145+ color photos.; ['Photography'], "", "Choice is Yours: A Teenager's Guide to Self-Discovery Relationships Values and Spritual Growth; Discusses the proper decisions that can lead to a healthy and fulfilling life examining such areas as school parents dating and drugs.; ['Family & Relationships'], "

"Newswriting and Reporting; This text uses a multitude of reporting and writing examples from print broadcast and online sources in order to deconstruct and reveal journalistic practices techniques and philosophy to today's students. Building on a solid foundation of the three pillars of excellent journalism – process coaching and storytelling – Chip Scanlan and Richard Craig shape students into successful journalists by providing them with the theoretical background and practical knowledge needed to transition into a new age of reporting.; ['Language Arts & Disciplines'], "

"What They Know About You; They Know Everything About You is a groundbreaking expos' of how government agencies and tech corporations monitor virtually every aspect of our lives and a fierce defense of privacy and democracy. The revelation that the government has access to a vast trove of personal online data demonstrates that we already live in a surveillance society. But the erosion of privacy rights extends far beyond big government. Intelligence agencies such as the NSA and CIA are using Silicon Valley corporate partners as their data spies. Seemingly progressive tech companies are joining forces with snooping government agencies to create a brave new world of wired tyranny. Life in the digital age poses an unprecedented challenge to our constitutional liberties which guarantee a wall of privacy between the individual and the government. The basic assumption of democracy requires the ability of the individual to experiment with ideas and associations within a protected zone as secured by the Constitution. The unobserved moment embodies the most basic of human rights yet it is being squandered in the name of national security and consumer convenience. Robert Scheer argues that the information revolution while a source of public enlightenment contains the seeds of freedom's destruction in the form of a surveillance state that exceeds the wildest dream of the most ingenious dictator. The technology of surveillance unless vigorously resisted represents an existential threat to the liberation of the human spirit.; ['Political Science'], "

"Young Nathan; At the turn of the twentieth century African Americans eager to improve their lives through higher education were confronted

with the divergent points of view of two great leaders: Booker T. Washington advocated vocational training while W. E. B. Du Bois stressed the importance of the liberal arts. Into the fray stepped Nathan B. Young who as Antonio Holland now tells left a lasting mark on that debate. Born in slavery in Alabama Young followed a love of learning to degrees from Talladega and Oberlin Colleges and a career in higher education. Employed by Booker T. Washington in 1892 he served at Tuskegee Institute until conflict with Washington's vocational orientation led him to move on. During a brief tenure at Georgia State Industrial College under Richard R. Wright Sr. he became disillusioned by efforts of whites to limit black education to agriculture and the trades. Hired as president of Florida A&M in 1901 he fought for twenty years to balance agricultural/vocational education with the liberal arts only to meet with opposition from state officials that led to his ouster. This principled educator finally found his place as president of Lincoln University in Missouri in 1923. Here Young made a determined effort to establish the school as a standard institution of higher learning. Holland describes how he campaigned successfully to raise academic standards and gain accreditation for Lincoln's programs-successes made possible by the political and economic support of farsighted members of Missouri's black community. Holland shows that the great debate over black higher education was carried on not only in the rhetoric of Washington and Du Bois but also on the campuses as Young and others sought to prepare African American students to become thinkers and creators. In tracing Young's career Holland presents a wealth of information on the nature of the education provided for former slaves and their descendants in four states-shedding new light on the educational environment at Oberlin and Tuskegee-and on the actions of racist white government officials to limit the curriculum of public education for blacks. Although Young's efforts to improve the schools he served were often thwarted Holland shows that he kept his vision alive in the black community. Holland's meticulous reconstruction of an eventful career provides an important look at the forces that shaped and confounded the development of black higher education during traumatic times.; ['Biography & Autobiography'], "

"Handbook of Language and Literacy: Development and Disorders (Challenges in Language and Literacy); An acclaimed reference that fills a significant gap in the literature this volume examines the linkages between spoken and written language development both typical and atypical. Leading authorities address the impact of specific language-related processes on K-12 literacy learning with attention to cognitive neurobiological sociocultural and instructional issues. Approaches to achieving optimal learning outcomes with diverse students are reviewed. The volume presents research-based practices for assessing student needs and providing effective instruction in all aspects of literacy: word recognition reading comprehension writing and spelling. New to This Edition \*Chapters on digital literacy disciplinary literacy and integrative research designs. \*Chapters on bilingualism response to intervention and English language learners. \*Incorporates nearly a decade's worth of empirical and theoretical advances. \*Numerous prior edition chapters have been completely rewritten.; ['Language Arts & Disciplines'], "

"Treasure Islands: The Fascinating World of Pirates Buried Treasure and Fortune Hunters; Each of these islands holds a tale of lost or hidden treasure. The authors of Treasure Islands describe the sagas of people

going after the riches. Greed thrill of adventure addiction curiosity about the past and intellectual ego drive these seekers to take on the risky lifestyle of treasure hunter. From the treacherous pirating days of old to the sophisticated corporations formed in modern times each story is filled with flamboyant characters. Among them is Captain William Kidd who experienced dramatic turns of fate while sailing the unruly seas of the early 1700s. Some of these island's mysteries have yet to be unraveled as unfound riches still lie in the depths of the sea or hidden on a remote island.; ['Travel'], "

"Gender/Body/Knowledge: Feminist Reconstructions of Being and Knowing; The essays in this interdisciplinary collection share the conviction that modern western paradigms of knowledge and reality are gender-biased. "Fumblefinger: A Life Out of Line; Hart's life is the story of an American coming of age in the era between the Great Depression and the late '60s. Included are vignettes of the famous and near-famous including Ava Gardner Burl Ives Henry Ford and Lillian Hellman.; ['Language Arts & Disciplines'], "

"Cellular Automata; Cellular automata make up a class of completely discrete dynamical systems which have became a core subject in the sciences of complexity due to their conceptual simplicity easiness of implementation for computer simulation and their ability to exhibit a wide variety of amazingly complex behavior. The feature of simplicity behind complexity of cellular automata has attracted the researchers' attention from a wide range of divergent fields of study of science which extend from the exact disciplines of mathematical physics up to the social ones and beyond. Numerous complex systems containing many discrete elements with local interactions have been and are being conveniently modelled as cellular automata. In this book the versatility of cellular automata as models for a wide diversity of complex systems is underlined through the study of a number of outstanding problems using these innovative techniques for modelling and simulation.; ['Computers'], "

"Roster of Soldiers from North Carolina in the American Revolution with an Appendix Containing a Collection of Miscellaneous Records; This work contains names of approximately 36000 soldiers from North Carolina who served during the Revolution. Service records include such information as rank company date of enlistment or commission period of service combat experience and whether captured wounded or killed.; ['History'], "

"A Texas Ranger; Instant #1 New York Times bestseller In James Patterson's white-hot Western thriller a Texas Ranger fights for his life his freedom and the town he loves as he investigates his ex-wife's murder. Across the ranchlands and cities of his home state Rory Yates's discipline and law-enforcement skills have carried him far: from local highway patrolman to the honorable rank of Texas Ranger. He arrives in his hometown to find a horrifying crime scene and a scathing accusation: he is named a suspect in the murder of his ex-wife Anne a devoted teacher whose only controversial act was ending her marriage to a Ranger. In search of the killer Yates plunges into the inferno of the most twisted and violent minds he's ever encountered vowing to never surrender. That code just might bring him out alive.; ['Fiction'],"

"La cucarachita Martina y otros relatos (Spanish Edition); This exciting new anthology gathers together Puerto Rican folktales that were passed down orally for generations before finally being transcribed beginning in 1914 by the team of famous anthropologist Franz Boas. These charming tales give readers a window into the imaginations and aspirations of Puerto Rico's peasants the Jíbaro. Some stories provide a distinctive Caribbean twist on classic tales including "Snow White" and "Cinderella." Others fictionalize the lives of local historical figures such as infamous pirate Roberto Cofresí rendered here as a Robin Hood figure who subverts the colonial social order. The collection also introduces such beloved local characters as Cucarachita Martina the kind cockroach who falls in love with Ratóncito Pérez her devoted mouse husband who brings her delicious food. Including a fresh English translation of each folktale as well as the original Spanish version the collection also contains an introduction from literary historian Rafael Ocasio that highlights the historical importance of these tales and the Jíbaro cultural values they impart. These vibrant funny and poignant stories will give readers unique insights into Puerto Rico's rich cultural heritage. Esta nueva y emocionante antología reúne cuentos populares puertorriqueños que fueron transmitidos oralmente durante generaciones antes de ser finalmente transcritos comenzando en 1914 por el equipo del

famoso antropólogo Franz Boas. Estos encantadores cuentos ofrecen a los lectores un vistazo a la imaginación y las aspiraciones de los jíbaros los campesinos de Puerto Rico. Algunas historias brindan un distintivo toque caribeño a cuentos clásicos como ""Blanca Nieves"" y ""Cenicienta"". Otros ficcionalizan la vida de personajes históricos locales como el famoso pirata Roberto Cofresí representado como una figura al estilo de Robin Hood quien subvierte el orden social colonial. La colección también presenta personajes locales tan queridos como Cucarachita Martina la amable cucaracha que se enamora de Ratoncito Pérez su devoto esposo ratón que le trae deliciosa comida. Incluyendo una nueva traducción al inglés de estos cuentos populares así como las versiones originales en español la colección también contiene una introducción del historiador literario Rafael Ocasio quien destaca la importancia histórica de estos cuentos y los valores culturales del jíbaro que éstos imparten en los relatos. Estas historias vibrantes divertidas y conmovedoras brindarán a los lectores una visión única de la rica herencia cultural de Puerto Rico. Introducción en español ([https://d3tto5i5w9ogdd.cloudfront.net/wp-content/uploads/2021/02/03154419/Ocasio\\_Cuentos\\_Intro\\_Espan%CC%83ol.pdf](https://d3tto5i5w9ogdd.cloudfront.net/wp-content/uploads/2021/02/03154419/Ocasio_Cuentos_Intro_Espan%CC%83ol.pdf)); ['Fiction'], "

"THEORY OF INTERACTION The Simplest Explanation of Everything; What are the basic building blocks of the world? This book presents a naturalistic theory saying that the universe and everything in it can be reduced to three fundamental entities: a field a set of values that can be actualized at different places in the field and an actualizer of the values. The theory is defended by using it to answer the main questions in metaphysics such as: What is causality existence laws of nature consciousness thinking free will time mathematical entities ethical values etc.? The theory is compared with the main alternatives and argued to solve problems better than the existing theories. Several new theories are suggested such as how to understand mental causation free will and the truth of ethics and mathematics.; ['Philosophy'], "

"Outside the Fold; Outside the Fold is a radical reexamination of religious conversion. Gauri Viswanathan skillfully argues that conversion is an interpretive act that belongs in the realm of cultural criticism. To that end this work examines key moments in colonial and postcolonial history to show how conversion questions the limitations of secular ideologies particularly the discourse of rights central to both the British empire and the British nation-state. Implicit in such questioning is an attempt to construct an alternative epistemological and ethical foundation of national community. Viswanathan grounds her study in an examination of two simultaneous and she asserts linked events: the legal emancipation of religious minorities in England and the acculturation of colonial subjects to British rule. The author views these two apparently disparate events as part of a common pattern of national consolidation that produced the English state. She seeks to explain why resistance in both cases frequently took the form of religious conversion especially to ""minority"" or alternative religions. Confronting the general characterization of conversion as assimilative and annihilating of identity Viswanathan demonstrates that a willful change of religion can be seen instead as an act of opposition. Outside the Fold concludes that as a form of cultural crossing conversion comes to represent a vital release into difference. Through the figure of the convert Viswanathan addresses the vexing question of the role of belief and minority

discourse in modern society. She establishes new points of contact between the convert as religious dissenter and as colonial subject. This convergence provides a transcultural perspective not otherwise visible in literary and historical texts. It allows for radically new readings of significant figures as diverse as John Henry Newman Pandita Ramabai Annie Besant and B. R. Ambedkar as well as close studies of court cases census reports and popular English fiction. These varying texts illuminate the means by which discourses of religious identity are produced contained or opposed by the languages of law reason and classificatory knowledge.

Outside the Fold is a challenging provocative contribution to the multidisciplinary field of cultural studies.; ['Social Science'], "

"Understanding Clergy Misconduct in Religious Systems: Scapegoating Family Secrets and the Abuse of Power; In Understanding Clergy Misconduct in Religious Systems you'll take an incisive look at why sexual misconduct occurs in religious systems and how to implement proactive strategies for holistic change. Applicable to both Jewish and Christian communities this illuminating exploration takes a look at the psychology behind scapegoating why it is perpetuated and how you can quell the damaging tradition of silence. Understanding Clergy Misconduct in Religious Systems helps you see leaders of religious institutions in a way that the world has been afraid to see them--in a glass clearly. Enriched with metaphoric myths and fairy tales instead of technical jargon its unique systemic perspective reveals the psychodynamics behind the obsession with family secrets and lets you understand this dysfunction from the perspectives of victim abuser and counselor. These specific areas will both inform and aid you in dealing with this difficult subject: the religious institution as a family system the religious system as an illusion of the perfect family the concept of God-transference and the overidealization of clergy clergy personal relationships and clergy congregational relationships vulnerability and the psychology of the victim strategies for healing dysfunctional religious systems Understanding Clergy Misconduct in Religious Systems comes at just the right time--in an era when little has been written on the subject especially from a systemic perspective this work comes at a time when the phenomena of clergy sexual misconduct has rocked the very foundation of religious systems worldwide. Whether you're a lay congregational leader judicatory administrator pastoral counselor psychologist or seminarian you'll find that the coping strategies and intervention techniques it outlines will guide you in pinpointing the sickness at its source and restoring felicity and order to your religious leaders and their communities.; ['Religion'], "

"Hospitality Marketing: An Introduction; Hospitality Marketing: an introduction takes a unique approach to outlining marketing processes in the hospitality industry. Ideal for those new to the topic of marketing this text contextualises the subject for the hospitality sector. It discusses the eight elements of the marketing mix with direct reference to the specifics of the hospitality industry and approaches the whole process in three stages as would the hospitality marketing manager: \*

BEFORE customers visit the hotel / restaurant the marketing task is to research the market manage customer expectations and motivate trial purchase through product / service development pricing location distribution and marketing communication. \* DURING the service encounter the task is to meet or exceed customer expectation by managing the physical evidence service processes and employee behaviour. \* AFTER the service encounter the task is to audit quality and customer satisfaction and promote a longer term mutually beneficial relationship with customers through relationship marketing initiative. Hospitality Marketing is a complete learning resource with real-life examples case studies and exercises in the text plus an accompanying website which provides solutions to the exercises further case studies and links to relevant sites to support both students and lecturers.; ['Business & Economics'], "Tending the Roots of Wisdom (Library of Chinese Classics: Chinese-English edition); 本书是以处世思想为主的格言式小品文集采用语录体书中不乏嘉言格论、丽词醒语深入浅出发人深省是一部有益于人们陶冶情操、磨练意志、奋发向上的通俗读物。作者以“菜根”为本书命名意谓“人的才智和修养只有经过艰苦磨练才能获得”。但是本书毕竟成书于四百多年前所以在借鉴其有益方面的同时对其中占有一定篇幅的封建糟粕也应作为弃物之菜根而放弃之.;

Aside from the technical expertise required to succeed in this field great information is provided regarding interview questions and answers networking and much more!; ['Law'],"

"The Protestant Ethic and the Spirit of Punishment; This bold work confronts the spirit of punishment that permeates our culture and its deleterious effects on today's penal system and society at large. Rooted in experiences of prison reality the book sets forth an original theory about the theological roots of our current punitive ethos and offers a creative antidote informed by a commitment to restorative justice. Snyder shows that the spirit of punishment in our culture is rooted in and reinforced by popular Christian misunderstandings of human nature and God's grace. These misunderstandings include two consequential errors: the absence of any notion of ""creation grace"" and an understanding of ""redemption grace"" couched exclusively in individualistic internalized and nonhistorical terms. In both cases the social-historical dimensions of grace necessary for holistic redemption are ignored. These theological distortions coupled with a prevailing cultural context that divides people between ""them"" and ""us""-the most virulent form of which is racism-make a spirit of punishment inevitable. Snyder finds clues for a different understanding of humanity and God in responses to crime categorized as ""restorative justice"". These alternative perspectives seek redemption not only for the perpetrator but also for the victims of crime and the larger community. They also recognize all persons as ""graced"" no matter what their actions may have been. Drawing on these clues Snyder initiates fresh ways of thinking about the traditional theological concepts of covenant incarnation and trinity as foundations for a restorative approach to justice. He also challenges religious communities to understand God's good news in ways that offer hope for a transformed world. The Protestant Ethic and the Spirit of Punishment is an eye-opening work with profound implications for contemporary social life.; ['Religion'],"

"Fortune's Bones: The Manumission Requiem (Coretta Scott King Author Honor Books); There is a skeleton in the Mattatuck Museum in Connecticut. It has been in the town for over 200 years. In 1996 community members decided to find out what they could about it. Historians discovered that the bones were those of a slave name Fortune who was owned by a local doctor. After Fortune's death the doctor rendered the bones. Further research revealed that Fortune had married had fathered four children and had been baptized later in life. His bones suggest that after a life of arduous labor he died in 1798 at about the age of 60. Merilyn Nelson

wrote The Manumission Requiem to commemorate Fortune's life. Detailed notes and archival photographs enhance the reader's appreciation of the poem.; ['Juvenile Nonfiction'], "

"Stranger by the Lake: Walk with us in the Places the Nazarene Loved; I went to the land of my youthful dreams. And it was all true! I knew these people. I knew how they lived and died. I walked among their ruins. I ate their food. I viewed the hills and rivers. And so...let me introduce you to some of my brothers and sisters. Separated by generations yes but as close to each other as any family could be. They like me have failed at times. They cried. They prayed. They laughed. They feared. They loved. And this family has room for you too.; ['Fiction'], "

"Blame It On Chocolate (Hqn Romance); Lucy Fitzhenry didn't just wake up one morning and decide to do something stupid... But when an experimental strain of chocolate that she'd developed needed testing someone had to do it. Who knew that overindulging in her creation would turn an introverted plant lover into a wild nymphomaniac? Or that a celebration with Nick her boss would lead to a shocking kiss...and a whole lot more. She blamed it on the chocolate. Her new discovery was supposed to have made her career. Not turn her practical logical normal life upside down and get her pregnant with her boss's baby! Though she and Nick butted heads at work if their one night together was any indication they were a great match in bed. With a little luck (and chocolate!) maybe they could turn their one-night stand into the chance of a lifetime.; ['Fiction'], "

"Trauma and the Therapist: Countertransference and Vicarious Traumatization in Psychotherapy with Incest Survivors; This book explores the role and experience of the therapist in the therapeutic relationship by examining countertransference (the therapist's response to the client) and vicarious traumatization (the therapist's response to the stories of abuse told by client after client). The authors address specific issues that arise in treatment of incest survivors.; ['Psychology'], "

"The Process of Psychotherapy Empirical Foundations and Systems of Analysis.; To understand the process of psychotherapeutic change one must look for the answers in the psychotherapeutic process itself. This process involves the exchange of communications between two (or more) participants and as a result of the exchange modifications in the personality and behavior of the patient are expected to occur. But what is the nature of the therapeutic messages? How do they produce changes in the patient? What aspects of the messages are important for therapeutic change? And if the therapeutic force is somehow encoded in the messages where shall we look for it- in sentence structure in emotional overtones in gestures and body movements? The Process of Psychotherapy is divided into two major parts dealing respectively with method and with systems. In Part I the author presents an analysis of psychotherapy process research from a communications perspective developing an incisive and detailed analysis of the methodological issues that confront researchers

in this field and suggesting theoretical and empirical strategies for addressing these issues. Part II provides the first exhaustive and detailed summary of extant psychotherapy process systems. The author first deals with direct systems those procedures of content analysis or rating scales that have been developed to assess the exchanges between therapists and patients. Seventeen major direct process systems are presented in detail and are summarized with ample citations to the literature. The final section of the book offers an exhaustive listing and concise description of various indirect measures of psychotherapy process which do not assess the verbatim interview exchanges of the participants in therapy but rather assess the participants' perceptions via self-report or standard analogue procedures. This book is a basic sophisticated and exhaustive coverage of psychotherapy process and content analysis that will become the standard and authoritative source for anyone interested in the process of psychotherapy whether as student researcher or practitioner.; ['Psychology'], "

"Go Get 'Em!; This very first picture book from the Hello!Lucky team celebrates milestones reached and challenges overcome! With Headache Free there is scientifically-backed nutrients herbals and nutritional remedies that can stop the pain fast.; ['Headache'], "

"Testing the Limits: Aviation Medicine and the Origins of Manned Space Flight (Centennial of Flight Series); In 1958 the United States launched its first satellite and created the National Aeronautics and Space Administration (NASA) to oversee its new space program. By 1961 NASA was confident enough to put a human being into space. But how had it acquired enough medical knowledge to ensure an astronaut's safety in just three years? It hadn't. The credit goes instead to decades of military medical research. Witnessing the first German missile attack on London in 1944 U.S. Army flight surgeon Harry Armstrong had been immediately concerned that aeronautical engineers would transform the A-4 (V-2) into a vehicle for transporting soldiers. He vowed as founder (in 1934) of the military's only aviation human-factors research lab to make such trips survivable. Efforts at Wright Field and the army's School of Aviation Medicine which Armstrong had also turned into a world-class research institution were the real reason for the successful start to America's manned space program. In Testing the Limits Maura Phillips Mackowski describes the crucial foundational contributions of military flight surgeons who routinely risked their lives in test aircraft research balloons pressure chambers rocket-propelled sleds or parachute harnesses. Drawing on rare primary sources and interviews she also reveals the little-known but vital contributions of German emigré scientists whose expertise in areas unknown to Americans created a hybrid specialty: space medicine. She reveals new details on human aeromedical experimentation at Dachau Washington's decision to limit astronaut status to males and the choice to freeze the air force out of the research specialty it had created and brought to fruition.; ['Transportation'], "

"The Structure of Scientific Revolutions; A good book may have the power to change the way we see the world but a great book actually becomes part of our daily consciousness pervading our thinking to the point that we take it for granted and we forget how provocative and challenging its ideas once were—and still are. The Structure of Scientific Revolutions is that kind of book. When it was first published in 1962 it was a landmark event in the history and philosophy of science. Fifty years later it still has many lessons to teach. With The Structure of Scientific Revolutions Kuhn challenged long-standing linear notions of scientific progress arguing that transformative ideas don't arise from the day-to-day gradual process of experimentation and data accumulation but that the revolutions in science those breakthrough moments that disrupt accepted thinking and offer unanticipated ideas occur outside of "normal science" as he called it. Though Kuhn was writing when physics ruled the sciences his ideas on how scientific revolutions bring order to the anomalies that amass over time in research experiments are still instructive in our biotech age. This new edition of Kuhn's essential work in the history of science includes an insightful introduction by Ian Hacking which clarifies terms popularized by Kuhn including paradigm and incommensurability and applies Kuhn's ideas to the science of today. Usefully keyed to the separate sections of the book Hacking's

introduction provides important background information as well as a contemporary context. Newly designed with an expanded index this edition will be eagerly welcomed by the next generation of readers seeking to understand the history of our perspectives on science.; ['Science'], "  
"Never Preach Past Noon: A Leigh Koslow Mystery (Leigh Koslow Mysteries) (Volume 3); Tenth in the USA-Today bestselling Leigh Koslow mystery series Frances Koslow was ecstatic to have her humble abode chosen as stop #3 on the Holiday House Tour. Then everyone drank the cider. When Leigh's parents' house becomes a last-minute substitution on the regional garden club's famous Holiday House Tour Frances Koslow is thrilled. But the tour is tomorrow there's work to be done and Frances's dwindling and aging ""Floribunda"" chapter is in dire need of reinforcements. Worried about her mother's blood pressure particularly as sisterly tensions rise over Leigh's Aunt Lydie's upcoming Christmas Eve wedding Leigh steps in to make sure the tour runs smoothly. But perhaps Leigh isn't the ideal choice for the task. Not when a fortune cookie has just portended the return of her infamous ""bad karma.""" Not when everyone knows the real reason the Floribundas have declined is because every remaining member is a whackadoodle. And not when someone's idea of Christmas spirit is to add a little something extra to the sweet cider punch. One dead Floribunda later Leigh struggles to keep her family calm in the midst of swirling suspicions flying accusations and dubious warnings of biological warfare. But when someone threatens to silence her own all-too-curious daughter mother-rage kicks in. Nobody is ruining her family's Merry Christmas. Not even her family.; ['Fiction'], "

"Kaspian Lost; Not even Kaspian himself knows precisely what happened to him during his unaccounted-for ninety-six hours -- though he does remember a light three evil leprechauns his dead father and a frighteningly seductive angel-like being. The adults who control the sullen disaffected teenager's immediate destiny view his disappearance -- and his silence about it -- as acts of passive-aggressive rebellion to be nipped in the proverbial bud. But Kaspian believes his memories and emotions are precious treasures belonging to him alone. Now he must staunchly defend them from his born-again stepmother a megalomaniacal alternate education tsar sexually ambiguous counselors corrupt Washington politicos and wacko ufo abduction theorists. Recent events suggest that the laws of what's possible on this living Earth are constantly changing. And Kaspian must find his own way into the heart of the Great Mystery.; ['Fiction'], "

"Science and Human Values; Science and Human Values was originally a lecture by Jacob Bronowski at MIT in 1953. Published five years later it opens unforgettable with Bronowski's description of Nagasaki in 1945: 'a bare waste of ashes' making him acutely aware of science's power both for good and for evil. After such knowledge what forgiveness? With care and erudition Bronowski argues that scientific endeavour is an essentially creative act part of a great shared human interest in ourselves and the world around us; and routinely a process of trial-and-error the end of which is not - cannot be - preordained. 'Above all Bronowski strove to make science and technology answerable to social progress to 'human values.' He anticipated the deepening gap between the 'two cultures' and knew that the sciences must be restored to a place in political common sense.' George Steiner; ['Science'], "

"Straight Jacket; Straight Jacket is a revolutionary clarion call for gay men the wider LGBT community their friends and family. Part memoir part ground-breaking polemic it looks beneath the shiny facade of contemporary gay culture and asks if gay people are as happy as they could be--and if not why not? "Grimm's fairy tales: The children's classic edition; No library's complete without the classics! This new enhanced leather-bound edition collects the legendary fairy tales of the Brothers Grimm. They are the stories we've known since we were children. Rapunzel. Hansel and Gretel. Cinderella. Sleeping Beauty. But the works originally collected by the Brothers Grimm in the early 1800s are not necessarily the versions we heard before bedtime. They're darker and often don't end very happily--but they're often far more interesting. This elegant edition of Grimm's Complete Fairy Tales includes all our cherished favorites--Snow White Rumpelstiltskin Little Red Cap and many more--in their original versions. With specially designed end papers a genuine leather cover and other enhancements it's the perfect gift for anyone looking to build a complete home library. Many of these tales begin with the familiar refrain of "once upon a time"--but they end with something unexpected and fascinating!; ['Fiction'], "

"SMALL HOUSE AT ALLINGTON; 'The Small House at Allington' is the fifth in Anthony Trollope's 'Chronicles of Barsetshire' series of novels. The plot

centres around the romantic fortunes of young sisters Lily and Bell Dale who live with their widowed mother in the Small House at Allington thanks to the generosity of their uncle Squire Dale. Packed with tangled romances and moral dilemmas this is classic Trollope. In 'The Small House at Allington' we are also introduced to some of the most popular recurring Trollope characters including Lady Glencora and Plantagenet Palliser. Anthony Trollope (1815 - 1882) was a Victorian writer and author of 47 novels. He also wrote an autobiography short stories and plays travel articles reviews and lectures. A prolific writer he made no secret of the fact that money was his motivation for writing - an admission which raised eyebrows among his literary contemporaries at the time. The amount of works Trollope authored are testament to his belief in hard work. His first successful novel was *The Warden* followed by its sequel *Barchester Towers*. The *Chronicles of Barsetshire* are perhaps his most well-known series of novels though many of his works have been adapted for TV and radio starring many familiar faces such as Alan Rickman David Tennant Bill Nighy and Tom Hollander. Alongside his literary career Trollope also worked for some time for the Post Office and is credited with the introduction of the iconic post box to Britain. A memorial to Anthony Trollope was unveiled in Poets' Corner in Westminster Abbey in 1993.; ['Fiction'], "

"E. Nesbit's Psammead Trilogy: A Children's Classic at 100 (Children's Literature Association Centennial Studies); The year 2006 marks the hundredth anniversary of book publication of the final volume of the Psammead trilogy—*Five Children and It* (1902) *The Phoenix and the Carpet* (1904) and *The Story of the Amulet* (1906)—a remarkable series of fantasy novels for children by an equally remarkable writer Edith Nesbit. In this trilogy Nesbit combined fantasy and history with the domestic realism and humor of her Bastable books—*The Story of the Treasure Seekers* (1899) *The Wouldbegoods* (1901) and *The New Treasure Seekers* (1904)—the books that established her reputation as one of England's preeminent writers for children. By doing so she not only earned popularity with several generations of child readers but she also established her claim to a position in the pantheon of important writers for children. The essays collected in this volume celebrate the completion of the Psammead trilogy. Written by both established and new scholars in England Canada and the United States these essays employ differing critical strategies and place Nesbit in various contexts to assess her achievement. In producing books with memorable comic moments character-testing adventures

plausible child characters with real feelings and real limitations and interesting and challenging thematic material Nesbit produced in the Psammead trilogy books that children still read with enjoyment. Such fantasies truly are classics of children's literature. Teachers and students of children's literature and of British literature and culture will find this a valuable guide to critically reviewing and enjoying Nesbit's works.; ['Literary Criticism'], "

"Why So Many Gods?; Written in a teen-magazine style this educational resource helps teens understand over 100 world religions worldviews cults and occult practices from a Christian viewpoint.; ['Religion'], "

"The Crooked Hinge; Banished from the idyllic English countryside he once called home and en route to live with his cousin in America Sir John Farnleigh black sheep of the wealthy Farnleigh clan nearly perished in the sinking of the Titanic. Though he survived the catastrophe his ties with his family did not and he never returned to England—not even for the funerals of his mother his father or most recently his older brother Dudley. Now nearly 25 years since he was first sent away Sir John has finally returned home to claim his inheritance. But another "Sir John" soon follows an unexpected man who insists he has absolute proof of his identity and of his claim to the estate. Before the case can be settled however one of the two men is murdered and Dr. Gideon Fell who happens to be passing through the village finds himself facing one of the most challenging cases of his career. To solve it he'll have to confront a series of bizarre and chilling phenomena diving deep into the realm of the occult and brushing up against witchcraft magic and a sinister automaton to explain a seemingly impossible crime. Selected by a panel of twelve mystery luminaries as one of the ten best locked-room mysteries of all time The Crooked Hinge is a creepy and atmospheric puzzle inspired by a real life case. It is the ninth installment in the Dr. Gideon Fell series which may be read in any order.; ['Fiction'], "

"Elsevier's Dictionary of Trees : Volume 1: North America (Elsevier's Dictionary of Trees); This dictionary will present all currently accepted generic specific sub-specific and variety names of trees excluding fossil and more recently extinct taxa hybrids and cultivars. Only the indigenous trees of a continent those wild species that were natural elements of the spontaneous forest vegetation before the arrival of Europeans or other colonizers are included. Each generic entry includes the family to which it is assigned the synonyms of the Latin name and the English French Spanish trade and other names. For the English and French names the standard name is listed first followed by other available names with in parentheses the countries where they are used. Where appropriate names in additional languages are also included. Each infrageneric (species subspecies variety) entry includes in addition the distribution height type of foliage ecological characteristics and main uses of the tree when available. In this volume only taxa indigenous on the North American continent are included considered in a geographical not in a political sense. This means from Alaska and Greenland to Panama including Caribbean but excluding Hawaii.; ['Technology & Engineering'],"

"The Choral Experience: Literature Materials and Methods; Described as an unusual experience of communication between a composer and a singer the choral experience is thoroughly explored in this detailed and readable text. Designed specifically for the practicing choral conductor and the student training for a career in choral music fundamentals of the choral experience such as vocal production choral diction and basic musicianship are included to help the singer extend his or her musical experience beyond the immediate rehearsals and performances of the choral ensemble to other realms of music. Special features include: provides numerous illustrations tables and examples intended to enrich the learning experience; includes end-of-chapter summaries; examines important components such as the vocal mechanism posture diction and breathing and breath control; offers recommended reading lists for further in-depth study. --From publisher's description.; ['Music'],"

"Preaching without notes (Notable books on preaching); In this important book Webb makes two central claims. First that effective preaching without a manuscript is not a matter of talent as much as it is a matter of preparation. Preachers can learn the practices and disciplines that make it possible to deliver articulate thoughtfully crafted sermons not from a written page but as a natural spontaneous act of oral communication. Throughout the book the author offers specific examples including a transcript of a sermon preached without manuscript or notes. Second that the payoff of learning to preach without a manuscript is nothing less than sermons that more effectively and engagingly give witness to the good news.; ['Religion'],"

"Disruptive Religion: The Force of Faith in Social Movement Activism; Religion has long played a central role in many social and political movements. Solidarity in Poland anti-apartheid in South Africa Operation Rescue in the United States--each of these movements is driven by the energy and sustained by the commitment of many individuals and organizations whose ideologies are shaped and powered by religious faith. In many cases religious resources and motives serve as crucial variables explaining the emergence of entire social movements. Despite the crucial role of religion in most societies this religious activism remains largely uninvestigated. Disruptive Religion intends to fill this void by analyzing contemporary social movements which are driven by people and

organizations of faith. Upon a firm base of empirical evidence these essays also address many theoretical issues arising in the study of social movements and disruptive politics.; ['Religion'],"

"Changes; A New Yorker writer's intimate revealing account of Tupac Shakur's life and legacy timed to the fiftieth anniversary of his birth and twenty-fifth anniversary of his death. In the summer of 2020 Tupac Shakur's single "Changes" became an anthem for the worldwide protests against the murder of George Floyd. The song became so popular in fact it was vaulted back onto the iTunes charts more than twenty years after its release-making it clear that Tupac's music and the way it addresses systemic racism police brutality mass incarceration income inequality and a failing education system is just as important now as it was back then. In Changes published to coincide with the fiftieth anniversary of Tupac's birth and twenty-fifth anniversary of his death Sheldon Pearce offers one of the most thoughtful and comprehensive accounts yet of the artist's life and legacy. Pearce an editor and writer at The New Yorker interviews dozens who knew Tupac throughout various phases of his life. While there are plenty of bold-faced names the book focuses on the individuals who are lesser known and offer fresh stories and rare insight. Among these are the actor who costarred with him in a Harlem production of A Raisin in the Sun when he was twelve years old the high school drama teacher who recognized and nurtured his talent the music industry veteran who helped him develop a nonprofit devoted to helping young artists the Death Row Records executive who has never before spoken on the record and dozens of others. Meticulously woven together by Pearce their voices combine to portray Tupac in all his complexity and contradiction. This remarkable book illustrates not only how he changed during his brief twenty-five years on this planet but how he forever changed the world.; ['Biography & Autobiography'],"

"Earth's Earliest Ages And Their Connection With Modern Spiritualism And Theosophy; (Foreword by G. H. Lang) A study of Genesis 1 to 6 plus an extended discussion of Eastern religions and the occult.; ['Religion'],"

"Fire! Fire! Hurry! Hurry!; Captain Kelly and his fire fighters must delay their delicious dinner because they keep getting called to put out fires.; ['Juvenile Fiction'],"

"Invisible Art; How science changed the way artists understand reality Exploring the Invisible shows how modern art expresses the first secular scientific worldview in human history. Now fully revised and expanded this richly illustrated book describes two hundred years of scientific discoveries that inspired French Impressionist painters and Art Nouveau architects as well as Surrealists in Europe Latin America and Japan. Lynn Gamwell describes how the microscope and telescope expanded the artist's vision into realms unseen by the naked eye. In the nineteenth century a strange and exciting world came into focus one of microorganisms in a drop of water and spiral nebulas in the night sky. The world is also filled with forces that are truly unobservable known only indirectly by their effects-radio waves X-rays and sound-waves. Gamwell shows how artists developed the pivotal style of modernism-abstract non-objective art-to symbolize these unseen worlds. Starting in Germany with Romanticism and ending with international contemporary art she traces the development of the visual arts as an expression of the scientific

worldview in which humankind is part of a natural web of dynamic forces without predetermined purpose or meaning. Gamwell reveals how artists give nature meaning by portraying it as mysterious dangerous or beautiful. With a foreword by Neil deGrasse Tyson and a wealth of stunning images this expanded edition of Exploring the Invisible draws on the latest scholarship to provide a global perspective on the scientists and artists who explore life on Earth human consciousness and the space-time universe.; ['Art'], "

"Elements of Engineering Probability and Statistics; Responding to the needs of graduate engineers and ABET criteria this volume illustrates the essentials of both probability and statistics through computer exercises. It features a wealth of computer exercises that provide experimental verification of probabilistic phenomena and a means for calculating and displaying complex results.; ['Technology & Engineering'], "

"How to Make the Most of Your Workday; Even if you don't have your dream job every day is precious and filled with opportunities. Make the Most of Your Workday challenges you to actively manage and make the most of workday possibilities and problems. With drive determination and optimism it offers solutions to workday predicaments. You can take control; you don't have to wait for leaders people or circumstances to change. No matter your level situation or dilemma Mary shows you how to regroup reframe and bounce back. Make the Most of Your Workday begins with six common scenarios. Can you relate to any of the following challenges? Getting caught up in office dramas. Watching workloads increase while resources decrease. Feeling your interest enthusiasm and focus fade. Yearning for effective leadership. Wanting to avoid working with certain people. Feeling at the mercy of technology. Make the Most of Your Workday contains powerful strategies and tools from several key areas and combines them into a concise practical guide from strengthening your mindset and self-awareness to identifying needs and goals from prioritizing your time and energy to communicating effectively and managing the unexpected.; ['Business & Economics'], "

"The Messenger: The Journey of a Spiritual Healer; Many believe there is no scientific evidence that supports the value of spiritual healing. Daniel Benor M.D. reveals a world of science that few knew existed. Included in this groundbreaking book are 124 scientific studies showing that spiritual healing works! Many of the controlled studies look at the effects of spiritual healing on humans; others look at its effects on plants and animals. Some of the most interesting laboratory studies demonstrate its effect on water and other materials. You'll read how many of the world's most successful healers such as Olga Worrall Oszkar Estebany and Harry Edwards describe their methods and subjective experiences. A foundation is provided for understanding the mysteries inherent in such practices as laying-on of hands focused prayer Reiki and Therapeutic Touch. Book jacket.; ['Medical'], "

"Covenant and Polity in Biblical Israel: Biblical Foundations and Jewish Expressions (Covenant Tradition in Politics Volume 1); In this first volume of a trilogy Daniel J. Elazar addresses political uses of the idea of covenant the tradition that has adhered to that idea and the political arrangements that flow from it Among the topics covered are covenant as a political concept the Bible as a political commentary the post-biblical tradition medieval covenant theory and Jewish political culture.; ['Political Science'], "

"Labor's untold story; ""Fundamentally labor's story is the story of the American people. To view it narrowly to concentrate on the history of specific trade unions or on the careers of individuals and their rivalries would be to miss the point that the great forces which have swept the American people into action have been the very forces that have also molded labor. Trade unionism was born as an effective national movement amid the great convulsion of the Civil War and the fight for black freedom... Labor suffered under depressions which spurred the whole American people into movement in the seventies in the eighties and in the nineties. It reached its greatest heights when it joined hands with farmers small businessmen and the black people in the epic Populist revolts of the 1890's and later in the triumph that was the New Deal. For labor has never lived in isolation or progressed without allies. Always it has been in the main stream of American life... Labor's story by its very nature is synchronized at every turn with the growth and development of American monopoly. Its great leap forward into industrial unionism was an answering action to the development of trusts and great industrial empires. Labor's grievances in fact the very conditions of its life have been imposed by its great antagonist that combination of industrial and financial power often known as Wall Street. The mind and actions of William H. Sylvis the iron molder who founded the first effective national labor organization can scarcely be understood without also an understanding of the genius and cunning of his contemporary John D. Rockefeller father of the modern trust. In the long view of history the machinations of J. P. Morgan merging banking and industrial capital as he threw together ever larger combinations of corporate power controlled by fewer and fewer men may have governed the course of American labor more than the plans of Samuel Gompers." -- Amazon.com viewed January 11 2021.; ['Business & Economics'],"

"Breadline Europe: The measurement of poverty (Studies in Poverty Inequality & Social Exclusion S.); The first book to examine poverty in Europe within the international framework agreed at the 1995 World Summit on Social Development this study provides a scientific and international basis for the analysis and reduction of poverty. "The Quotable Mises; The Quotable Mises is 300 plus pages of some of the most thrilling words on economics and politics ever written. In some ways it is the perfect introduction to Mises thought a collection of hundreds of attention grabbing quotations that provide a fast and accessible

presentation of the range of his ideas. The content is Mises in a way that you have never encountered him before: pithy words arranged subject by subject. Each page exudes energy and wisdom. After we sent it to Bettina Bien Greaves she wrote us to say: ""A thrilling project a thorough job and a marvelous result. The Quotable Mises performs a great service."" Just consider these quotations from Mises that are included: The issue is always the same: the government or the market. There is no third solution. If history could teach us anything it would be that private property is inextricably linked with civilization. What distinguishes civilized man from a barbarian must be acquired by every individual anew. Go into the home of the average American family and you will see for whom the wheels of the machines are turning. Those who are asking for more government interference are asking ultimately for more compulsion and less freedom. Governments become liberal only when forced to by the citizens. Both force and money are impotent against ideas. The comparatively greater prosperity of the United States is an outcome of the fact that the New Deal did not come in 1900 or 1910 but only in 1933. The worst and most dangerous form of absolutist rule is that of an intolerant majority. War prosperity is like the prosperity that an earthquake or a plague brings. The earthquake means good business for construction workers and cholera improves the business of physicians pharmacists and undertakers but no one has for that reason yet sought to celebrate earthquakes and cholera as stimulators of the productive forces in the general interest. Economics deals with real man weak and subject to error as he is not with ideal beings omniscient and perfect as only gods could be. The biggest struggle in putting the book together was not in finding enough quotes but in limiting the number. The editor tried to provide a representative list of topics and subjects that Mises is most famous for such as socialism bureaucracy interventionism money government and war. But he also included many subject areas for which Mises is not often quoted including arts fate health instinct martyrdom religion and youth. Most economists don't write enough memorable material in an entire lifetime to fill 20 pages. But Mises was different. He was brilliant brave and tenacious. He could also write. He wanted to reach all people not just specialists. This serves as an introduction and guide to his thought or even a kind of concordance all in his own words. Mostly it is a means for putting Mises's ideas in even greater circulation. After all it was Mises who said: ""In the long run even the most despotic governments with all their brutality and cruelty are no match for ideas. Eventually the ideology that has won the support of the majority will prevail and cut the ground from under the tyrants feet. Then the oppressed many will rise in rebellion and overthrow their masters."" This is the Mises book for Everyman for yourself and every thoughtful man and woman you know.; ['Economists'], "

"Dravidian gods in modern Hinduism: A study of the local and village deities of southern India; Excerpt from Dravidian Gods in Modern Hinduism Vol. 15: A Study of the Local and Village Deities of Southern India The

following thesis is a study of the gods of Dravidian origin which are found in Modern Hinduism. The author has resided. in India almost continuously since 1900 associating somewhat closely with the people and attempting to learn as much as possible about their various customs. During 1909-10 while pursuing studies in the department of political science and sociology of the University of Nebraska the investigations reported in this thesis were undertaken at the suggestion of Dr. Hutton Webster of that department. The greater part of the work has been done since the authors return to India in 1911. The author wishes to express his gratitude to the many friends whose cooperation has made this work possible. Especial acknowledgments are due to Dr. Hutton Webster for reading the manuscript and making invaluable suggestions; to Mocherla Robert through whose untiring efforts a considerable portion of the material has been secured; and to J. A. Curtis who has read the manuscript and who from his accurate knowledge of the Indian people has rendered great assistance in verifying and interpreting the customs described. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy. In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition. We do however repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.; ['Social Science'], "

"Love Death and the Changing of the Seasons; This critically acclaimed sonnet sequence is the passionately intense story of a love affair between two women from the electricity of their first acquaintance to the experience of their parting.; ['Poetry'], "

"MCSE Windows 2000 Core Four Exam Cram Pack (Exam: 70-210 70-215 70-216 70-217); The MCSE Windows 2000 Core Four LabSim Pack is the most economical and realistic method of preparation for your core four MCSE exams. Each of the four LabSims contains both animated and ""open"" simulations with real case scenarios based on the MCSE core exams (70-210 70-21570-216 and 70-217). The Core Four LabSim Pack includes the simulation software and corresponding course Lab Manual. Created by TestOut! Corporation LabSim's ""open"" simulation software provides candidates with a model of real working network that allows for exploration and also provides genuine experience with the new features of Windows 2000.; ['Computers'], "

"The Guinness Book of Me: A Memoir of Record; In this wildly imaginative memoir about a Midwestern boy's obsession with ""The Guinness Book of

World Records"" a tale of growing up different takes on epic proportions.; ['Biography & Autobiography'],,"  
"Fergus; Play the funniest game of hide and seek ever with Fergus a bear who's very very bad at hiding. The hilarious illustrator of I Don't Want to Be a Frog brings picture book fans a super-silly interactive story that will have children giggling from start to finish. Follow huge loveable Fergus and see all the many ways in which he is TERRIBLE at playing hide-and-seek such as standing behind a VERY tiny tree (""Found you Fergus! That was too easy!"") or trying to camouflage in a giant crowd of bunnies and squirrels (""Try bears Fergus. Bears!""). But wait! The game isn't over yet! The last two pages fold out into a giant panoramic look-and-find scene where Fergus is well and truly hidden and young readers can have fun looking for him and lots of other details in the the crowd. There are hours and hours of play value in this adorable book. Children will want to come back to it again and again.; ['Juvenile Fiction'],,"

"Alfred C. Kinsey : A Public/Private Life; Chronicles the life and career of the noted researcher into the nature of human sexuality; ['Biography & Autobiography'],,"

"Pollard: The Spy's Story; Jonathan Pollard an intelligence analyst working in the U.S. Naval Investigative Service's Anti-Terrorist Alert Center systematically stole highly sensitive secrets from almost every major intelligence agency in the United States. In just eighteen months he sold more than one million pages of classified material to Israel. No other spy in U.S. history has stolen so many secrets so highly classified in such a short period of time. Author Ronald Olive was in charge of counterintelligence in the Washington office of the Naval Investigative Service that investigated Pollard and garnered the confession that led to his arrest in 1985 and eventual life sentence. His book reveals details of Pollard's confession his interaction with the author when suspicion was mounting and countless other details never before made public. Olive points to mistaken assumptions and leadership failures that allowed Pollard to ransack America's defense intelligence long after he should have been caught.; ['History'],,"

A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband

of his jeans. See his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading with that gun shoved in the back waistband of his jeans the gun that was his brother's gun. He gets on the elevator seventh floor stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor on comes Buck. Buck Will finds out is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through the door to the next floor opens. A teenage girl gets on waves away the smoke from Dead Buck's cigarette. Will doesn't know her but she knew him. Knew. When they were eight. And stray bullets had cut through the playground and Will had tried to cover her but she was hit anyway and so what she wants to know on that fifth floor elevator stop is what if Will Will with the gun shoved in the back waistband of his jeans MISSES. And so it goes the whole long way down as the elevator stops on each floor and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short fierce staccato narrative verse Long Way Down is a fast and furious dazzlingly brilliant look at teenage gun violence as could only be told by Jason Reynolds.; ['Young Adult Fiction'], "

"Tasting Food Tasting Freedom: Excursions into Eating Power and the Past; A renowned anthropologist explores the history and meaning of eating in America. Addressing issues ranging from the global phenomenon of Coca-Cola to the diets of American slaves Sidney Mintz shows how our choices about food are shaped by a vast and increasingly complex global economy. He demonstrates that our food choices have enormous and often surprising significance.; ['Social Science'], "

"Afternoon of an Author: A Selection of Uncollected Stories and Essays; ""For a writer whose productive career lasted only twenty years and whose energy was prodigally expended on other things than writing Scott Fitzgerald wrote an astonishing amount. Of the more than one hundred and fifty short stories he wrote during those twenty years only about a quarter were collected during his lifetime; a few new ones were put together when Malcolm Cowley's selection was published by Scribner's in 1951. Of Fitzgerald's thirty or forty essays ten were printed in The Crack-Up edited by Edmund Wilson. Apart from the fact that this state of affairs leaves a considerable part of the important work of a great writer unavailable there is the further difficulty that it prevents most

readers from seeing clearly how Fitzgerald developed as a writer. Now Arthur Mizener author of the highly successful biography of Fitzgerald The Far Side of Paradise has taken from this body of Fitzgerald's uncollected work a revealing and eminently enjoyable cross-section of Fitzgerald's art. Afternoon of an Author contains fourteen uncollected short stories and six uncollected essays evenly distributed over the course of his writing career beginning with the autobiographical essay called 'Who's Who--and Why' which he wrote for The Saturday Evening Post in 1920 and ending with 'News of Paris--Fifteen Years Ago' a story found among Fitzgerald's papers apparently written in 1940 and posthumously published in Furioso. Here clearly is a book to be read both for the enjoyment of good writing and for its illumination of an important figure in American letters. To supplement the reader's own insight into Fitzgerald's art Arthur Mizener provides a revealing introduction and pertinent notes heading each selection."--Jacket.; ['Nineteen twenties'], "

"Childhood Experiences of Domestic Violence: The Herd Primal Horde Crowds and Masses; Annotation Children's Experiences of Domestic Violence focuses on first-hand accounts from children and young people regarding their experiences of both domestic violence and support services. It is the first book to examine the user's experience of service provision for the victims of domestic violence and it seeks to encourage a more effective and professional approach in the services that serve to support and protect children. The book is based on a unique three-year research project into child support and protection services that began in 1996. The book examines such topics as; the types of violence experienced by mothers and witnessed by children; the types of abuse children are subjected to; children's understanding of domestic violence; children's and mother's views of how best to protect children and their perception of the support services; and the barriers for children and mothers seeking help. The book assesses the role and response of the social services police voluntary organizations and the agencies of health education and housing. It describes approaches to existing problems emphasizing a child-focused response and concludes by recommending improvements for policy and practice.; ['Social Science'], "

"Fate of America: An Inquiry into National Character; He describes how our national character influenced this ideal and pinpoints what has caused it to go awry."--BOOK JACKET.; ['History'], "

"Daughters of Dakota: Stories of Friendship Between Settlers and the Dakota Indians (Daughters of Dakota Volume 3); The War in Words is the first book to study the captivity and confinement narratives generated by a single American war as it traces the development and variety of the captivity narrative genre. Kathryn Zabelle Derounian-Stodola examines the complex 1862 Dakota Conflict (also called the Dakota War) by focusing on twenty-four of the dozens of narratives that European Americans and Native Americans wrote about it. This six-week war was the deadliest confrontation between whites and Dakotas in Minnesota's history. Conducted at the same time as the Civil War it is sometimes called Minnesota's Civil War because it was and continues to be so divisive. ø The Dakota Conflict aroused impassioned prose from participants and commentators as they disputed causes events identity ethnicity memory and the all-important matter of the war's legacy. Though the study targets one region its ramifications reach far beyond Minnesota in its attention to war and memory. An ethnography of representative Dakota Conflict

narratives and an analysis of the war's historiography. The War in Words includes new archival information historical data and textual criticism.; ['History'], "

"The Winds of Darkover & the Planet Savers: Also Including ""the Waterfall""; The planet of Darkover bathed in its blood red sun served as a convenient space port for the Terran Empire. Beyond that the Terrans knew little of the planet's strange landscape its vast mountain ranges its deadly winds and its hostile inhabitants. Dan Barron a simple space post dispatcher found himself alone and helpless in this alien world.; ['Darkover (Imaginary place)'], "

"ART OF SPECULATION; Philip L. Carret (1896-1998) was a famed investor and founder of The Pioneer Fund (Fidelity Mutual Trust) one of the first Mutual Funds in the United States. A former Barron's reporter and WWI aviator Carret launched the Mutual Trust in 1928 after managing money for his friends and family. The initial effort evolved into Pioneer Investments. He ran the fund for 55 years during which an investment of \$10000 became \$8 million. Warren Buffett said of him that he had "the best long term investment record of anyone I know" He is most famous for the long successful track record he achieved investing in Common Stocks and for being one of Warren Buffett's role models. This book comprises a series of articles written for Barron's and published in book form in 1930.-Print Ed.; ['Business & Economics'], "

"The Eunuchs in the Ming Dynasty (SUNY Series in Chinese Local Studies) (Suny Series Chinese Local Studies); This book is the first on Chinese eunuchs in English and presents a comprehensive picture of the role that they played in the Ming dynasty 1368-1644. Extracted from a wide range of primary and secondary source material the author provides significant and interesting information about court politics espionage and internal security military and foreign affairs tax and tribute collection the operation of imperial monopolies judiciary review the layout of the palace complex the Grand Canal and much more. The eunuchs are shown to be not just a minor adjunct to a government of civil servants and military officers but a fully developed third branch of the Ming administration that participated in all of the most essential matters of the dynasty. The veil of condemnation and jealousy imposed on eunuchs by the compilers of official history is pulled away to reveal a richly textured tapestry. Eunuchs are portrayed in a balanced manner that gives due consideration

to able and faithful service along with the inept the lurid and the iniquitous.; ['History'], "

But it is Bridge's daughter that gives Buckskin another reason to remain in Gunstock. Reissue.; ['Fiction'], "

"Collaborative Learning Techniques: A Handbook for College Faculty; Engaging students in active learning is a predominant theme in today's classrooms. To promote active learning teachers across the disciplines

and in all kinds of colleges are incorporating collaborative learning into their teaching. Collaborative Learning Techniques is a scholarly and well-written handbook that guides teachers through all aspects of group work providing solid information on what to do how to do it and why it is important to student learning. Synthesizing the relevant research and good practice literature the authors present detailed procedures for thirty collaborative learning techniques (CoLTs) and offer practical suggestions on a wide range of topics including how to form groups assign roles build team spirit solve problems and evaluate and grade student participation.; ['Education'], "

"Midnight Panther Book 2: Feline Fanatics; The Pussycats target a cult leader determined to rule the world through maniacal subversion. Can they escape his hypnotic powers or will they fall victim to his fetishistic desires?; ['Comics & Graphic Novels'], "

"Red Army Handbook 1939-1945; Stalin's Red Army entered World War II as a relatively untried fighting force. In 1941 with the launch of Operation Barbarossa it joined battle with Hitler's army the most powerful in history. After a desperate war of attrition lasting more than four years the Red Army beat the Nazis into submission on the Eastern Front and won lasting fame and glory in 1945 by eclipsing the military might of the Third Reich. From the army's development prior to the outbreak of war in 1939 to its peak in 1945 every aspect of its force is examined here: the organizational structures combat arms infantry armour and mechanized forces cavalry airborne and special forces. A technical overview of infantry weapons armored vehicles artillery and support equipment is also provided. Fully illustrated with a comprehensive selection of archive photographs charts and tables of organization this is a useful source of reference for anyone interested in the armies of World War II.; ['History'], "

"Multivariate Permutation Tests : With Applications in Biostatistics; Complex multivariate problems are frequently encountered in many scientific disciplines and it can be very difficult to obtain meaningful results. Permutation and nonparametric combination methods provide flexible solutions to complex problems by reducing the problem down to a set of simpler sub-problems. The author presents a novel but well tested approach using real examples taken from biomedical research. Statistical analyses are performed in a nonparametric setting so that no assumptions need be made about the underlying distribution and the dependence relations between variables. \* Provides a clear exposition of the use of multivariate permutation testing with emphasis on the use of nonparametric combination methodology. \* Growing area of research with many practical applications notably in biostatistics. \* Numerous case studies and examples help to illustrate the theory. \* Provides solutions to multi-aspect problems to problems with missing data analysis of factorial designs and repeated measures. \* Explains the analysis of categorical ordered categorical binary continuous and mixed variables in both an experimental and an observational context. \* NPC-Test(c) software (demo copy) SAS macros S-Plus code and datasets are available on the Web at <http://www.stat.unipd.it/~pesarin/> For researchers and practitioners in a number of scientific disciplines particularly biostatistics the vast collection of techniques examples and case studies will be an invaluable resource. Graduate students of applied statistics and nonparametric methods will find the book provides an accessible introduction to multivariate permutation testing.; ['Mathematics'], "

"A Nation of Idiots: An In-Your-Face Look at the Underbelly of Public Education; A Nation of Idiots will be the first book to expose: the large numbers of unqualified teachers legions of poor administrators one issue school board members hordes of ineffective parents the global media giants who invest heavily in keeping Americans numb and dumb in order to sell their products; the pharmaceutical companies and medical profession who drive up premiums so local districts can't afford quality health care to attract quality teachers; the tobacco and alcohol industries whose poisons create long-term health problems and especially because of fetal alcohol syndrome future special needs students both of which are paid for with local taxes; what the author has come to call Feelgooders and their sordid attempts to spread Feelgoodenism; special education as a mandated legal rip-off of the local taxpayers. State and Federal mandates should stop when the funding runs out. The author's thirty-three years in education lend a personal in-your-face tone that makes the book hard to put down. His experience lends credence to what he has to say. And he isn't afraid to say it.; ['Education'], "

"Dead File; \* The Reporter Kelly Lange's most recent novel was published in Mysterious Press hardcover in 3/02 and is a Featured Alternate of The Mystery Guild(R). It will be published in Warner paperback in 4/03. \* Lange is also the author of Gossip (1998) and Trophy Wife (1996) published by Simon & Schuster. A well-known television anchor-reporter in Los Angeles Lange is the recipient of numerous honors. \* Lange's protagonist is engaging and outrageous and fans of Janet Evanovich Sue Grafton and Lauren Henderson will welcome another contender to the mystery shelves.; ['Fiction'], "

"Scenes of clerical life (Novels of George Eliot); The first of the three stories 'The Sad Fortunes of the Reverend Amos Barton' is the slightest and simplest. Mr. Barton a curate with an income of eighty pounds a-year with an angelic but sickly wife and a host of hungry little children allows himself to be duped by the title of a 'Countess Czerlaski' the handsome English widow of a Polish dancing-master. The countess quarrels with her brother Mr. Bridmain and throws herself on the hospitality of the Bartons. Her visit lasts beyond all reasonable time the unfortunate couple are eaten up by the expense of providing for her Mr. Barton's character is aspersed on account of his kindness to her and Mrs. Barton dies of working for her. Mr. Barton loses his curacy goes into another neighbourhood and after many years revisits his wife's grave in company with his children. The next story tells how the Rev. Maynard Gilfil loved Tina Sarti an Italian orphan who had been brought to England by Sir Christopher and Lady Cheverel and lived under their shadow in a dignified country house. Tina however had fixed her affections on Sir Christopher's nephew Captain Wybrow; and when the captain pays court to a beautiful rich and lofty heiress the little Italian girl is so exasperated by his conduct that she resolves to stab him at an appointed interview. She is happily spared this crime as on reaching the place of meeting she finds the faithless captain dead from a sudden attack of heart-disease ...; ['Fiction'], "

"Deja Views of an Aging Orphan; To quote from E.M. Nathanson (author of THE DIRTY DOZEN and numerous other works and fellow alumnus of the HNOH) who wrote the FOREWORD to the book: The title of the book - DEJA VIEWS... - is itself a meaningful play on the French phrase *deja vu* - meaning roughly the startling feeling that strikes you that what you have just experienced you have experienced before. To anyone who shared those times DEJA VIEWS OF AN AGING ORPHAN will be an exciting time travel adventure comprehensive varied textured and evocative. To those who lived in those times but had no knowledge then of the milieu of the books real life characters and stories - and to those in the generations that followed such as the children and grandchildren of the Home boys - the book will be a voyage of discovery. Many of the anecdotes and people profiles in the book though not all of them were written as columns that appeared over the years in THE ALUMNUS the monthly publication of the Alumni Association of the Hebrew National Orphan Home and its successor institutions Homecrest and Hartman-Homecrest. They are word pictures that have ripened and matured and been revised over the years by more acute memory and input from others. Some of these stories and brief biographies have even achieved the status of myths and legends. In addition sowed amidst these pages of real persons and event as a sort of literary seasoning and entertainment are some short stories identified as fiction but which illuminate with their own truths. The index alone is a cornucopia of memories. The variety of people and themes that are remembered and summoned into the book is impressive. Some evoke nostalgia for a time that we didnt know was that good when we were living it; some bring a laugh - or a tear. And the focus is always on the boys - and the

adults they became. In addition to the foregoing I believe the best description of my book is contained in my INTRODUCTION which is therefore reproduced here in its entirety. My older brother Al myself and my younger sister Henny all became half-orphans upon the death of our mother in February 1929. Our father had to place us in orphanages when he found himself unable to provide the care required by a 9 year old boy his 7 year old brother and 2 year old sister. Al and I were placed in the Hebrew National Orphan Home on Tuckahoe Road in the outskirts of Yonkers NY while Henrietta was put into the Israel Orphan Asylum on East Second Street NYC. This separation was necessary because the HNOH accepted only boys ages 6 to 16 (later HS graduation) whereas the IOA accepted boys and girls ages 2 to 5. It was while I was in the HNOH that I became a ""full-fledged"" orphan when my father died in 1938. And I've been a ""full-fledged orphan"" ever since--although I didn't start ""aging"" until just a few months ago when I turned 78. But some years before that my then new daughter-in-law Susan was describing my wife and myself to her mother including the fact that we were orphans (my wife having been raised in the Pride of Judea Childrens Home on Dumont Ave in Brooklyn where I worked after I had left the HNOH). To which Susans mother replied matter-of-factly: ""Well so am I. And so is your father!"" Momentarily surprised Susan then elaborated: ""No mom. I mean they were orphaned as children and raised in orphanages.""" Her mother hesitated and then said: ""Oh"". This anecdote illustrates the fact that ultimately we all become ""orphans"". But that is not the focus of this work. Its focus is the child who lost one or both parents at a young tender age and subsequently was placed in an institution--the orphanage. So when I titled this work ""...OF AN AGING ORPHAN. I wasn't focusing on an older person who had been orphaned as an adult but on an orphaned child who fortunately has been aging nicely. I say ""fortunately"" because I; ['Biography & Autobiography'],"

"Neo-Baroque: A Sign of the Times; A semiohistorian scrutinizes modern cultural phenomena and finds the prevailing taste to be ""neo-baroque"" characterized by an appetite for virtuosity frantic rhythms instability polydimensionality and change. In doing so he refuses to distinguish between; ['Art'],"

"Hebrews: New Testament Commentary (MacArthur New Testament Commentary Series); These commentaries part of a set from noted Bible scholar John MacArthur take readers on a journey through biblical texts to discover what lies beneath the surface focusing on meaning and context and then reflecting on the explored passage or concept. With probing questions that guide the reader toward application as well as ample space for journaling The MacArthur New Testament Commentaries are invaluable tools for Bible students of all ages. This work on Hebrews is part of a New Testament commentary series which has as its objective explaining and applying Scripture focusing on the major doctrines and how they relate to the whole of the Bible.; ['Religion'],"

"The Thought War: Japanese Imperial Propaganda; His research is the first of its kind to treat propaganda as a profession in wartime Japan. The Thought War will be important for not only students of Japanese history and culture but also those interested in comparative studies of World War II and the increasingly popular propaganda studies of the United States Nazi Germany Stalin's Russia and the United Kingdom.""--BOOK JACKET.; ['History'],"

"Introduction to Nanoscale Science and Technology (Nanostructure Science and Technology); From the reviews: "...A class in nanoscale science and technology is daunting for the educator who must organize a large collection of materials to cover the field and for the student who must absorb all the new concepts. This textbook is an excellent resource that allows students from any engineering background to quickly understand the foundations and exciting advances of the field. The example problems with answers and the long list of references in each chapter are a big plus for course tutors. The book is organized into seven sections. The first nanoscale fabrication and characterization covers nanolithography self-assembly and scanning probe microscopy. Of these we enjoyed the section on nanolithography most as it includes many interesting details from industrial manufacturing processes. The chapter on self-assembly also provides an excellent overview by introducing six types of intermolecular interactions and the ways these can be employed to fabricate nanostructures. The second section covers nanomaterials and nanostructures. Out of its 110 pages 45 are devoted to carbon nanotubes. Fullerenes and quantum dots each have their own chapter that focuses on the properties and applications of these nanostructures. Nanolayer nanowire and nanoparticle composites of metals and semiconductors are briefly covered (just 12 pages) with slightly more discussion of specific applications. The section on nanoscale electronics begins with a history of microelectronics before discussing the difficulties in shrinking transistor size further. The discussion of problems (leakage current hot electrons doping fluctuations etc.) and possible solutions (high- k dielectrics double-gate devices) could easily motivate deeper discussions of nanoscale electrical transport. A chapter on molecular electronics considers transport through alkanes molecular transistors and DNA in a simple qualitative manner we found highly instructive. Nanoscale magnetic systems are examined in the fourth section. The concept of quantum computation is nicely presented although the discussion of how this can be achieved with controlled spin states is (perhaps necessarily) not clear. We found the chapter on magnetic storage to be one of the most lucid in the book. The giant magnetoresistive effect operation of spin valves and issues in magnetic scaling are easier to understand when placed in the context of the modern magnetic hard disk drive. Micro- and nanoelectromechanical systems are covered with an emphasis on the integration of sensing computation and communication. Here the student can see advanced applications of lithography. The sixth section nanoscale optoelectronics describes quantum dots organic optoelectronics and photonic crystals. The chapter on organic optoelectronics is especially clear in its discussion of the fundamentals of this complicated field. The book concludes with an overview of nanobiotechnology that covers biomimetics biomolecular motors and nanofluidics. Because so many authors have contributed to this textbook it suffers a bit from repetition. However this also allows sections to be omitted without any adverse effect on student comprehension. We would have liked to see more technology to balance the science; apart from the chapters on lithography and magnetic storage little more than an acknowledgment is given to commercial applications. Overall this book serves as an excellent starting point for the study of nanoscale science and technology and we

recommend it to anyone with a modest scientific background. It is also a great vehicle to motivate the study of science at a time when interest is waning. Nanotechnology educators should look no further." (MATERIALS TODAY June 2005); ['Technology & Engineering'], "

"Natural Cures from a Real Medical Doctor; Find natural cures for more than 170 health conditions Packed with over 170 remedies for the most common ailments from arthritis to varicose veins Natural Cures For Dummies will serve as your complete health advisor. This user-friendly reference arms you with information on the symptoms and the root causes of each problem along with a proven natural customized prescription. Whether you are looking for relief from a particular nagging ailment or simply wish to obtain optimum health Natural Cures For Dummies gets you on track to approaching healthcare from a natural standpoint. Offers clear expert guidance on dietary changes healing foods and natural supplements to treat common conditions Includes down-to-earth descriptions of health problems and the range of natural remedies that can be used to manage them Shows you how natural cures can treat over 170 of the most common ailments Demonstrates how you can dramatically boost your health and wellbeing the natural way If you're navigating the sprawling world of alternative medicine and looking for a good place to start Natural Cures For Dummies has you covered.; ['Health & Fitness'], "

"Statistical Physics of Macromolecules (Polymers and Complex Materials); This text presents an introduction to the field of statistical physics of macromolecules from the basic concepts to modern achievements.

Applications in various fields of polymer physical chemistry and molecular biophysics are also covered as are: the fundamentals of statistical theory of polymer solutions and melts; classical scaling and renormalization group approaches; the main ideas of statistical theories of polymer liquid crystals polymer networks and polyelectrolytes; dynamic viscoelastic behavior of polymer systems; models of house Zimm and reptation concepts; and specific features of main biopolymers - DNA and proteins. This English edition also includes sections describing the most important recent advances such as: statistical theory of DNA gel-electrophoresis polymers at interfaces and dynamics of concentrated solutions of rigid polymers.; ['Science'], "

"Rough Wrangler Tender Kisses; SHE CALLED HIM COWBOY. HE CALLED HER PRINCESS. Caitlin Summers has come west for one reason only: to sell the Wyoming ranch that belonged to her late father. But Cloud Ranch isn't hers to sell—not as long as foreman Wade Barclay and his two brothers are majority owners. According to the will Caitlin can't sell her share until she's lived there . . . for a whole year. For the debt-ridden Philadelphia beauty the situation is intolerable. But the rough infuriating wrangler will awaken every tender emotion buried in her

heart. To Wade Barclay Caitlin Summers is just a spoiled society girl—even if she is also the daughter of the man who was a father to him in all but name. Caitlin broke her father's heart when she and her mother left Wyoming and Wade has no intention of letting her do the same to him. But living together under the same roof is hard on a man. One stolen kiss is all it takes to make him wild with wanting her. As the days pass Wade knows he desperately needs Caitlin—in his bed in his heart and by his side forever in this wild beautiful land he knows she'll never call home.; ['Fiction'], "

"I'm Going to Be the Greatest Mom Ever; Get ready to laugh as Terri Camp takes you through the daily challenges and triumphs of motherhood.

However this is more than just another woman's humor book. In addition to providing the laughs she takes her readers on a profound journey to the heart.; ['Family & Relationships'], "

"Experiencing the Great I Am: 40 Faith-Building Stories from Contemporary Christians; Adversity is inevitable. Life guarantees it and the Bible confirms it. Chonda Pierce Michael W. Smith and other recognized Christians reveal times when adversity became an invitation from the Great I Am to know Him more.; ['Religion'], "

"Frogs Without Legs Can't Hear: Nurturing Disciples in Home and Congregation; It takes a whole church frog - head (leadership) torso (body) and legs (home) - to raise persons of faith in a world set against the ways of God. Frogs Without Legs Can't Hear: Nurturing Disciples in Home and Congregation challenges church professionals and volunteers to shift the center of faith formation from the congregation to a shared center involving the home and ministry in daily life. Drawing on five principles that define the congregation-home partnership and four key faith practices that promote faith development David W. Anderson and Paul Hill have written a timely and provocative book keenly suited to ministry in the 21st century.; ['Religion'], "

"How Israelis and Palestinians Negotiate: A Cross-Cultural Analysis of the Oslo Peace Process (Cross-Cultural Negotiation Books); Refreshing and revealing in equal measure this innovative volume conducts a critical/self--critical exploration of the impact of culture on the ill-fated Oslo peace process. The authors negotiators and scholars alike demolish stereotypes as they construct an unusually subtle and sophisticated understanding of how culture influences negotiating styles. Culture they argue did not cause the Oslo breakdown but it did play an influential intervening role at several levels: coloring the thinking of political leaders shaping domestic politics on both sides and affecting each side's evaluation of the other's beliefs and intentions. After an overview by William Quandt of the history of the Oslo process and the impact of international factors such as U.S. mediation the volume presents a detailed analysis of first Palestinian and then Israeli negotiating styles between 1993 and 2001. Omar Dajani a former legal advisor to the Palestinian team explains how elements of Palestinian identity and national development have hobbled the Palestinians' ability to negotiate effectively. Aharon Klieman a distinguished Israeli analyst traces a long-standing clash between diplomatic and security subcultures within the Israeli political elite and reveals how Israeli identity has helped create a negotiating style that opts for short-term gains while undermining the prospects for a lasting agreement. Drawing on these insights Tamara Wittes concludes the volume by offering not only a fresh appreciation of culture's influence on interethnic negotiations but also

lessons for future negotiators in the Israeli-Palestinian conflict. Read the review from Foreign Affairs.""; ['Political Science'], "

"Corbett Mack: The Life of a Northern Paiute (Studies in the Anthropology of North Ame); This is the compelling yet disturbing story of Corbett Mack (1892-1974) an opiate addict who was a member of the Nuumuu (Numa) or Northern Paiute. The Northern Paiute are best known as the people who produced Wovoka the Ghost Dance prophet whose revitalistic teachings swept the Indian world in the 1890s. Mack is from the generation following the collapse of the Ghost Dance religion a generation of Nomogweta or ""half-breeds"" (also called ""stolen children"")-Paiute of mixed ancestry who were raised in an increasingly bicultural world and who fell into virtual peonage to white (often Italian) potato farmers. Around the turn of the century the use of opium became widespread among the Paiute adopted from equally victimized Chinese laborers with whom they worked closely in the fields. The story of Corbett Mack is an uncompromising account of a harsh and sometimes traumatic life that was typical of an entire generation of Paiute. It was a life born out of the turmoil and humiliation of an Indian boarding school troubled by opiate addiction bound to constant labor in the fields yet nonetheless made meaningful through the perseverance of Paiute cultural traditions.

Michael Hittman is chairman of the Anthropology and Sociology Department and a professor at Long Island University Brooklyn. He is the author of Wovoka and the Ghost Dance: A Sourcebook and A Numa History: The Yerington Paiute Tribe.; ['Biography & Autobiography'], "

"A Secret Passion (Signet Regency Romance); Fleeing from the rampant rumors of the ton lovely widow Jane Lovering arrives in the country where she meets the infuriating Earl of Graystock and as passion blossoms between them an old flame from her past returns forcing her to make a difficult decision. Original.; ['Fiction'], "

"Road Angels: Women Who Ride Motorcycles; Motorcycling used to be known as only a man's sport but today things are different. Women have taken to the road in large numbers and for many different reasons. The old movies portrayed women with hardly any clothes on standing in front of a motorcycle following her boyfriends lead. With the wind whipping in their faces and the pavement just a few inches away it's a way of life for many. Women who do it say it's a freedom that you couldn't understand unless you're on a bike. Road Angels is about the women of this century and the motorcycles they ride. Read about Dot Robinson who set a standard for women motorcyclists. She proved that you could be a lady and still ride a motorcycle. She paved the way for women to ride motorcycles. The women of the nineties can still be professional women doctors lawyers teachers engineers accountants clerks cashiers home-makers mothers grandmothers and they can still step outside throw a leg over a bike and take off cross country. Road Angels will take you across the United States and takes a look at the women who ride motorcycles and why. Some of the stories will make you laugh and some will make you cry. Learn how to pick a bike for yourself how to take care of it tips on riding in hot weather and cold weather. Some of the women in this book share their dreams and the love of the road. Some will tell their stories of embarrassing

moments on the bike some spills taken and much more.; ['Biography & Autobiography'],,"

"Bentham Crouwel 1980-2000; Schiphol Airport the Anne Frank House the new Utrecht Central Station - these are all acclaimed buildings by Bentham Crouwel Architekten. Buildings that are used by millions buildings at crucial high-profile places. ""BC AD"" offers a new look at the firm's substantial body of work with a welter of previously unpublished material giving insight into how the firm works. It extends from the first beginnings - the Dutch customs stations and the experimental house in Almere - to the stations for the Amsterdam North-South metro link and the Stedelijk Museum. In ""BC AD"" many built works mingle with entries to often high-profile competitions and numerous studies. Drawings sketches photographs scale models - all articulate the architects' enthusiasm for resolving complicated issues. The strength of Bentham Crouwel Architekten lies in finding basic lucid and enduring solutions for complex briefs. ""BC AD"" brings together 30 years' designing by one of the Netherlands' most successful architectural practices at the same time giving an update on Dutch design culture.; ['Architectural firms'],,"

"Islands in the Sky: Bold New Ideas for Colonizing Space; ""Let the meek inherit the earth—the rest of us are going to the stars! Here's how it's going to be done."" — Robert Zubrin ""These articles are not 'just science fiction.' They are things we can do—and with any luck at all and vision and determination we will."" — Stanley Schmidt Take off on a thrilling journey of space exploration and speculation—to the realm where science fiction becomes science fact—as leading writers researchers and astronautic engineers describe a not-too-distant future of interstellar travel and colonization. From cable cars that ride ""skyhooks"" into space to rockets that can refuel out of Martian air from ""terraforming"" planets (a process that makes them habitable for human life) to faster-than-light propulsion systems Islands in the Sky offers an astonishing collection of challenging—and plausible—ideas and proposals from the pages of Analog magazine. Brilliant and provocative here is fun-filled reading for everyone interested in science technology and the future.; ['Travel'],,"

"The Seal Wife; Stunning hypnotic spare The Seal Wife is the masterly new novel by Kathryn Harrison "a writer of extraordinary gifts" (Tobias Wolff). Set in Alaska in 1915 it tells the story of a young scientist's consuming love for a woman known as the Aleut a woman who never speaks who refuses to reveal so much as her name. Born and educated in midwestern cities Bigelow is sent north by the United States government to establish a weather observatory in Anchorage. But what could have prepared him for the loneliness of a railroad town with more than two thousand men and only a handful of women or for winter nights twenty hours long? And what can protect him from obsession—obsession with a woman who seems in her silence and mystery to possess the power to destroy his life forever and obsession with the weather kite he invents a kite he hopes will fly higher than any has ever flown before and will penetrate the secrets of the heavens? A novel of passions both dangerous and generative The Seal Wife explores the nature of desire and its ability to propel an individual beyond himself and convention. As she brilliantly reimagines the terrain of the Alaskan frontier during the period of the First World War Harrison a "master of her material" (Mary Gordon) also evokes early efforts to chart the weather and reveals the interior realm of the psyche and emotions—a human landscape that in its

splendor and terror is profoundly and eerily reminiscent of the frozen frontier and the storms that scour its face.; ['Fiction'], "

"The Greater Good: How Philanthropy Drives the American Economy and Can Save Capitalism; A persuasive re-examination of American prosperity and the generosity that has built our nation For over a century the United States has stood as a beacon of prosperity and democracy proof that big business and big dreams could flourish side by side. Yet few Americans realize the crucial role that generosity plays in keeping that fragile balance. And now with gated communities oppressive personal debts shrinking government and tax and welfare reform crusades that essential moral glue is at risk of melting away. A leading voice for community development former Connecticut College president and scholar Claire Gaudiani explores all these issues as she examines American prosperity from the Constitution to the New Economy bust. She traces the push and pull of the robber barons and the progressive movement the New Deal and the postwar boom and the Me Decade and the technology revolution finding that altruism powerfully invests in people property and ingenuity. Rather than pitting the capitalists against the populists Gaudiani brings both sides to the table to reseal this fundamental social contract and provide a blueprint for a just future. The Greater Good is a passionate pragmatic and finally optimistic manifesto for revitalizing the promise of the American economy.; ['Business & Economics'], "

"King's Dragon (Crown of Stars Vol. 1); Set in an alternate Europe where bloody conflicts and sorcery hold sway Alain a young man seeking his promised destiny and Liath a woman with the power to alter the course of history find the fate of the world in their hands.; ['Fiction'], "

"The Corsican Woman: Unabridged; This carefully crafted ebook: ""THE CORSICAN BROTHERS (Unabridged)" is formatted for your eReader with a functional and detailed table of contents. The Corsican Brothers tells the story of two conjoined brothers who though separated at birth can still feel each other's pains. The story starts in March 1841 when the narrator travels to Corsica and stays at the home of the widow Savilia de Franchi who lives near Olmeto and Sullacaro. She is a mother of a former conjoined twin Louis and Lucien. Louis is a lawyer in Paris while Lucien clings on to his Corsican roots and thus stays at his mother's home. The narrator learns that the brothers were once conjoined but separated at birth by a doctor with his scalpel. Despite being separated Louis and Lucien can still feel each other's emotions even at distance. Lucien explains he has a mission to undertake with reluctance. He has to mediate in a vendetta between the Orlandi and Colona families and invites the narrator to accompany him and meet the head of the Orlandi family. Alexandre Dumas père (1802-1870) was a French writer whose works have been translated into nearly 100 languages and he is one of the most widely read French authors. His most famous works are The Count of Monte Cristo and The Three Musketeers.; ['Fiction'], "

"Bury My Heart In Birmingham the Lamar Weaver Story: Warriors Of The Civil Rights Movement; This book is about the courage and dedication of many unsung heroes of the early Civil Rights Movement. It is a book that tells the story of how one White man had the courage of his convictions to fight for the rights of Blacks in Birmingham Alabama and through out

the South. It is the story of how an ordinary White man with extraordinary courage joined ordinary Blacks to fight together to end injustice and bigotry in the South. It is a book of how he narrowly survived numerous attempts on his life while the Ku Klux Klan pursued him all over the South.; ['Biography & Autobiography'], "

"Dawn and the Disappearing Dogs (Baby-Sitters Club Mystery #7); The hit series is back to charm and inspire another generation of baby-sitters! Dawn feels terrible when her pet-sitting charge Cheryl disappears. She doesn't understand how the huge Great Dane could have just . . . vanished. Then Kristy's puppy Shannon goes missing too and Dawn knows something suspicious is going on. She doesn't think the dogs have run away; she thinks someone's taken them. And Dawn is determined to find those missing dogs. Because what could be more awful than having your favorite pet . . . stolen?! The best friends you'll ever have are detectives too!; ['Juvenile Fiction'], "

"Blue At the Mizzen (aubrey/maturin series); ""The old master has us again in the palm of his hand.""-Los Angeles Times (a Best Book of 1999) Napoleon has been defeated at Waterloo and the ensuing peace brings with it both the desertion of nearly half of Captain Aubrey's crew and the sudden dimming of Aubrey's career prospects in a peacetime navy. When the Surprise is nearly sunk on her way to South America—where Aubrey and Stephen Maturin are to help Chile assert her independence from Spain—the delay occasioned by repairs reaps a harvest of strange consequences. The South American expedition is a desperate affair; and in the end Jack's bold initiative to strike at the vastly superior Spanish fleet precipitates a spectacular naval action that will determine both Chile's fate and his own.; ['Fiction'], "

"Vacuum Bazookas Electric Rainbow Jelly and 27 Other Saturday Science Projects.; How do you crack nuts with a piece of string? Reverse gravity? Cobble together a clock out of a coffee cup a soda bottle and some water? Use a vacuum cleaner and nineteenth-century railroad technology to fashion a makeshift bazooka that can launch paper projectiles? Create a rainbow in a block of Jello? This is a one-volume romp through a whole array of counterintuitive science experiments that require little more than common household items and a sense of curiosity. Prepare to have your surprise sensors on overload as Neil Downie stretches math physics and chemistry to do what they have never done before. This book describes twenty-nine unusual but practical experiments detailing how they are done and the math and physics behind them. It will delight both casual and inveterate tinkerers. Of varying levels of complexity the experiments are grouped in sections covering a wide field of physics and the borders of chemistry ranging from dynamic mechanics (''Kinetic Curiosities'') to electricity (''Antediluvian Electronics'') and combustion (''Infernal Inventions''). The chapters are titillatingly titled from ''Twisted Sinews'' and ''Mole Radio'' to ''A Symphony of Siphons'' and ''Tornado Transistor.'' More-detailed explanations along with simple mathematical models using high-school level math are given in boxes accompanying each experiment. Armchair scientists will welcome this edifying and entertaining alternative to idleness not least for the buoyant prose enriched by historical and literary anecdotes introducing each topic. With this book in hand tinkerers whether dabblers in science or devotees students or teachers need never again wonder how to impress friends the judges at the science fair and not least themselves.; ['Science'], "

"Balzac; The Wrong Side of Paris the final novel in Balzac's The Human Comedy is the compelling story of Godefroid an abject failure at thirty who seeks refuge from materialism by moving into a monastery-like lodging house in the shadows of Notre-Dame. Presided over by Madame de La Chanterie a noblewoman with a tragic past the house is inhabited by a remarkable band of men—all scarred by the tumultuous aftermath of the French Revolution—who have devoted their lives to performing anonymous acts of charity. Intrigued by the Order of the Brotherhood of Consolation and their uplifting dedication to virtuous living Godefroid strives to follow their example. He agrees to travel—incognito—to a Parisian slum to save a noble family from ruin. There he meets a beautiful ailing Polish woman who lives in great luxury unaware that just outside her bedroom door her own father and son are suffering in dire poverty. By proving himself worthy of the Brotherhood Godefroid finds his own spiritual redemption. This vivid portrait of the underbelly of nineteenth-century Paris exuberantly rendered by Jordan Stump is the first major translation in more than a century of Balzac's forgotten masterpiece *L'Envers de l'histoire contemporaine*. Featuring an illuminating Introduction by Adam Gopnik this original Modern Library edition also includes explanatory notes.; ['Fiction'], "

"Vietnam: Strategy for a Stalemate; Argues that the U.S. failed to understand the foreign policy implications of the Vietnam War and looks at Russian and Chinese perspectives; ['History'], "

"Open Networks Closed Regimes: The Impact of the Internet on Authoritarian Rule; As the Internet diffuses across the globe many have come to believe that the technology poses an insurmountable threat to authoritarian rule. Grounded in the Internet's early libertarian culture and predicated on anecdotes pulled from diverse political climates this conventional wisdom has informed the views of policymakers business leaders and media pundits alike. Yet few studies have sought to systematically analyze the exact ways in which Internet use may lay the basis for political change. In Open Networks Closed Regimes the authors take a comprehensive look at how a broad range of societal and political actors in eight authoritarian and semi-authoritarian countries employ the Internet. Based on methodical assessment of evidence from these cases—China Cuba Singapore Vietnam Burma the United Arab Emirates Saudi Arabia and Egypt—the study contends that the Internet is not necessarily a threat to authoritarian regimes.; ['Computers'], "

"A Pocket Mirror for Heroes; A Pocket Mirror for Heroes is a mirror because it reflects ""the person you are or the one you ought to be." It is a pocket mirror because its author took the time to be brief. And it is a mirror for heroes because it provides a vivid image of ethical and moral perfection to which all can aspire. The Art of Worldly Wisdom by Baltasar Gracian was all but forgotten for three hundred years until its republication in 1992 turned this lost classic into a New York Times bestseller. Now Gracian the Spanish Jesuit considered Machiavelli's better in strategy and insight sets a new standard on the art of living and the practice of achieving. That new standard is the art of heroism--how to be ""the consummate person ripe and perfect: accurate in judgment mature in taste attentive in listening wise in sayings shrewd in deeds the center of all perfection."" Gracian teaches the reader to be ""a giant""--""the greatest person possible a miracle of perfection a king."" Wit wisdom courage elegance grace humility spontaneity--these are the qualities needed to reach heroism in any occupation. But it is not enough

to be wise or graceful: one must learn as well how to manage that talent how to distinguish a quality from its shadow. A Pocket Mirror for Heroes provides ""a politics for governing oneself a compass for sailing toward excellence an art for reaching distinction with just a few rules of discretion"" and it will be wise and witty company for anyone who recognizes--and relishes--the challenges of daily life.; ['Literary Criticism'], "

"MYTHIC GIACOMETTI; The Swiss artist Alberto Giacometti (1901-66) was arguably the greatest sculptor of the twentieth century. He was also--as James Lord persuasively argued in Giacometti: A Biography--a heroic figure whose vocation sustained him through a life of crippling anxiety and erotic guilt. Almost twenty years after it first appeared Giacometti has attained the status of a classic one of the most candid and complete biographies of an artist in our time. In Mythic Giacometti Lord reveals the hidden ""blueprint"" of that work: a daringly literal visionary interpretation of the myth of Oedipus as it affected the conduct and outcome of Giacometti's life. The result is a case study both in the development of an artist and in the writing of biography. Lord concentrates on the private totems of Giacometti's life-family legend childhood memory illness and injury crucial sexual encounters intimations of mortality--that amounted in Lord's view to signs of a tragic destiny directly linked to the central tragedy of Western literature.; ['Biography & Autobiography'], "

"There Was a Little Girl; The perfect gift for Brooke Shields fans There Was a Little Girl explores Brooke's relationship with her unforgettable mother Teri in this extraordinary heartfelt memoir that became a New York Times bestseller. Brooke Shields never had what anyone would consider an ordinary life. She was raised by her Newark-tough single mom Teri a woman who loved the world of show business and was often a media sensation all by herself. Brooke's iconic modeling career began by chance when she was only eleven months old and Teri's skills as both Brooke's mother and her manager were formidable. But in private she was troubled and drank heavily. As Brooke became an adult the pair made choices and sacrifices that would affect their relationship forever. And when Brooke's own daughters were born she found that her experience as a mother was shaped in every way by the woman who raised her. But despite the many ups and downs Brooke was by Teri's side when she died in 2012 a loving daughter until the end. Only Brooke knows the truth of the remarkable difficult complicated woman who was her mother. And now in an honest open memoir about her life growing up Brooke will reveal stories and feelings that are relatable to anyone who has been a mother or daughter.; ['Biography & Autobiography'], "

"A Brief Autumn's Passage: a season of bird dogs and upland dreams; Perhaps the world's foremost salmon angler the late Lee Wulff wrote of his adventures as airplane pilot and explorer in Bush Pilot Angler. This book tells the story of when Lee pioneered the fabulous salmon and brook trout fisheries on the remote Newfoundland coast. Bush Pilot Angler is a marvelous story of courage love flying and fishing.; ['Sports & Recreation'], "

"What Everyone Should Know About Islam and Muslims; Surveys the basic teachings of Islam.; ['Religion'], "

"Black Mass: The Irish Mob the Fbi and a Devil's Deal; Now a major motion picture starring Johnny Depp A New York Times Bestseller A Boston Globe Bestseller An ABA Indie Bestseller James ""Whitey"" Bulger became one of the most ruthless gangsters in US history and all because of an unholy deal he made with a childhood friend. John Connolly a rising star in the Boston FBI office offered Bulger protection in return for helping the Feds eliminate Boston's Italian mafia. But no one offered Boston protection from Whitey Bulger who in a blizzard of gangland killings took over the city's drug trade. Whitey's deal with Connolly's FBI spiraled out of control to become the biggest informant scandal in FBI history. Black Mass is a New York Times and Boston Globe bestseller written by two

former reporters who were on the case from the beginning. It is an epic story of violence double-cross and corruption at the center of which are the black hearts of two old friends whose lives unfolded in the darkness of permanent midnight.; ['True Crime'], "

"Smile a Lot! (Nancy Carlson's Neighborhood); A frog explains how smiling is a great way to get through life's ups and downs.; ['Juvenile Fiction'], "

"Dupont Circle: A Novel; From the vast estates of the mid-1800s to the rowhouses built at the end of the 19th century from Charles Lindbergh's balcony address at the Patterson House to the various political rallies staged in the urban neighborhood Washington D.C.'s Dupont Circle has for many years been at the center of a rich history. Boasting a fascinating heritage of architectural cultural and political activity and diversity the Dupont Circle neighborhood has played a part in the great story of the capital city and has witnessed many of the people and events that have challenged our national community. Following the area's use as a Civil War encampment Dupont Circle slowly began to develop a more urban character. At the neighborhood's social zenith in the early 1900s gracious mansions surrounding the circle hosted lavish parties attended by diplomats presidents and wealthy socialites. The photographs in this informative visual history capture the elegant homes that were later replaced by office buildings and the fashionable era that was soon to fade. Rare World War II images of former mansions used as rooming houses bring readers into the 20th century along with the early 1960s photographs of gay activists who gathered at the circle and began the modern restoration of the neighborhood.; ['History'], "

"Twice Burned (Mira Romantic Suspense); Unable to put his tragic past behind him Ted Hardy's search for answers leads to the death of his wife and daughters and now accused of the crime and awaiting execution Ted's only hope is his sister LTa who must race against time to prove his innocence and expose the dark secrets of the town. "A River Echoes in My Ministry; A journey down the Mississippi River from Minneapolis to New Orleans provides the author a time of reflection. As the river twists and turns Rosalie Heffelfinger Hall reviews the twists and turns of her life. While she and her husband are navigating the many locks and dodging submerged objects she becomes open to the call of God. The great granddaughter of two prominent Minneapolis families Heffelfinger and Peavey writes an autobiographical account of marriages her children and her family. As the river adventure ends she enters the seminary to become an Episcopal priest. This book is confession for the Rev. Rosalie Heffelfinger Hall.; ['Biography & Autobiography'], "

"What Time Is It? You Mean Now?: Advice For Life From The Zennest Master Of Them All; Could Confucius hit a curveball? Could Yoda block the plate? Can the Dalai Lama dig one out of the dirt? No there is only one Zen master who could contemplate the circle of life while rounding the bases. Who is this guru lurking in the grand old game? Well he's the winner of ten World Series rings a member of both the Hall of Fame and the All-Century Team and perhaps the most popular and beloved ballplayer of all time. And without effort or artifice he's waxed poetic on the mysteries of time ("It gets late awful early out there") the meaning of community ("It's so crowded nobody goes there anymore") and even the omnipresence of hope in the direst circumstances ("It ain't over 'til it's over"). It's Yogi Berra of course and in What Time Is It? You Mean Now? Yogi expounds on the funny warm borderline inadvertent insights that are his trademark. Twenty-six chapters one for each letter examine the words the meaning and the uplifting example of a kid from St. Louis who grew up to become the consummate Yankee and the ultimate Yogi.; ['Sports & Recreation'], "

"The Boardwalk Jungle; Based on interviews and other research this expose links glamorous Atlantic City gambling to organized crime and political corruption; ['Social Science'], "

"Love Lust and Terror: Tales From the Compound; Brian Jones life was a David vs. Goliath. Young petite and naïve his Goliath was the Rolling Stones money machine. Unlike the Bible Brian lost his life. This book levels the battlefield by telling what happened to the band's founder. Written from Brian's POV the Stones rise to stardom is chronicled ending with British authorities lack to properly investigate the bi-sexual bandleader's death at 27. Brian recalls being an incest victim homeless at age 16 and forced into prostitution. Regardless with extreme talent

sexuality and imagination he led the band he picked taught and named to glory. His vision was to bring world music to the Stones catalog; the band declined—content to crank out mundane sounds as long as records sold. After a fight over musical direction Brian left the band planning to start anew and take the Rolling Stones name with him. Three weeks later he drowned in his swimming pool. Brian's tale of death threats and witness accounts recount what actually happened.; ['Biography & Autobiography'], "

"Brain Waves Through Time: 12 Principles for Understanding the Evolution; This work takes us on a journey through time and space to explore the age-old question: What makes humans unique? How have we reached our position of preeminence among all living plant and animal life and what drove our ascent to this commanding place? The answer revolves around the very essence of what makes us distinctly human - our brains. Dr. Robert DeMoss - a gifted writer and respected psychologist - probes the deepest recesses of our brain and the vast stretches of human knowledge to weave a broad tapestry depicting the richness of human thought and behavior. From this broad canvas he derives 12 principles that can explain the rise of humankind and the evolution of human behavior. For out of this evolution arose the only species that can contemplate on its own future that can think about the very act of thinking and that has built mighty civilizations - and destroyed them too.; ['Psychology'], "

"Deep Black; Nick Stone's future has never looked so bleak. The only person he has ever loved is dead and the only people who might give him a reason not to join her have turned their backs. Until a chance encounter with a man he saved ten years ago appears to throw him a lifeline.; ['Baghdad (Iraq)'], "

"*Lives of Girls and Women*; WINNER OF THE NOBEL PRIZE® IN LITERATURE 2013 The only novel from Alice Munro-award-winning author of *The Love of a Good Woman*--is an insightful honest book ""autobiographical in form but not in fact"" that chronicles a young girl's growing up in rural Ontario in the 1940's. Del Jordan lives out at the end of the Flats Road on her father's fox farm where her most frequent companions are an eccentric bachelor family friend and her rough younger brother. When she begins spending more time in town she is surrounded by women--her mother an agnostic opinionated woman who sells encyclopedias to local farmers; her mother's boarder the lusty Fern Dogherty; and her best friend Naomi with whom she shares the frustrations and unbridled glee of adolescence. Through these unwitting mentors and in her own encounters with sex birth and death Del explores the dark and bright sides of womanhood. All along she remains a wise witty observer and recorder of truths in small-town life. The result is a powerful moving and humorous demonstration of Alice Munro's unparalleled awareness of the lives of girls and women.; ['Fiction'], "

"*Differential Equations with Matlab*; A unique textbook for an undergraduate course on mathematical modeling Differential Equations with MATLAB: Exploration Applications and Theory provides students with an understanding of the practical and theoretical aspects of mathematical models involving ordinary and partial differential equations (ODEs and PDEs). The text presents a unifying picture inherent to the study and

analysis of more than 20 distinct models spanning disciplines such as physics engineering and finance. The first part of the book presents systems of linear ODEs. The text develops mathematical models from ten disparate fields including pharmacokinetics chemistry classical mechanics neural networks physiology and electrical circuits. Focusing on linear PDEs the second part covers PDEs that arise in the mathematical modeling of phenomena in ten other areas including heat conduction wave propagation fluid flow through fissured rocks pattern formation and financial mathematics. The authors engage students by posing questions of all types throughout including verifying details proving conjectures of actual results analyzing broad strokes that occur within the development of the theory and applying the theory to specific models. The authors' accessible style encourages students to actively work through the material and answer these questions. In addition the extensive use of MATLAB® GUIs allows students to discover patterns and make conjectures.; ['Mathematics'], "

"Bert Sugar on Boxing: The Best of the Sport's Most Notable Writer; ""Entertaining insightful and eminently colorful-the next best thing to being at the fights.""--New York Sportscene ". . . anyone taking a trip through the sport's hardscrabble past couldn't ask for a better guide...""--The Ring Known as the ""guru"" of boxing Bert Randolph Sugar is one of the most charismatic writers ever to capture the drama of the fight on paper. With a passion for the sport that is rivaled only by his talent for writing about it Bert Sugar is also regarded as the ""unofficial historian"" of boxing. With his trademark fedora and always-handy cigar Sugar is a guaranteed ringside presence. His colorful personality and flamboyant mannerisms are unforgettable whether you are meeting him in person or through his writing. Bert Sugar on Boxing brings out his best. Here's but a small sampling of what awaits readers: Many a troubled and troublesome youngster has embraced ""The Sweet Science"" as a way out a social staircase out of the mean streets that formed his limited world fighting his way bloody hand over bloody hand up the ladder of acceptance the only way he knows: with his fists. You see I was raised in a society many moons ago which held to two general axioms: That men were stronger; and women smarter. And if women are so damned smart why are they interested in having their features rearranged and acquiring cauliflower ears so pronounced they can be covered with hollandaise

sauce? I will not be dissuaded from attacking those with souls like the undersides of flat rocks any more than ice can be welded or iron melted. There is no shaking-knee factor here.; ['Sports & Recreation'],"

"The Man Who Invented Fidel: Castro Cuba and Herbert L. Matthews of The New York Times; In 1957 Herbert L. Matthews of the New York Times then considered one of the premiere foreign correspondents of his time tracked down Fidel Castro in Cuba's Sierra Maestra mountains and returned with what was considered the scoop of the century. His heroic portrayal of Castro who was then believed dead had a powerful effect on American perceptions of Cuba both in and out of the government and profoundly influenced the fall of the Batista regime. When Castro emerged as a Soviet-backed dictator Matthews became a scapegoat; his paper turned on him his career foundered and he was accused of betraying his country. In this fascinating book New York Times reporter DePalma investigates the Matthews case to reveal how it contains the story not just of one newspaperman but of an age not just how Castro came to power but how America determines who its enemies are. He re-creates the atmosphere of revolutionary Cuba and Cold War America and clarifies the facts of Castro's ascension and political evolution from the many myths that have sprung up around them. Through a dramatic ironic in ways tragic story The Man Who Invented Fidel offers provocative insights into Cuban politics the Cuban-American relationship and the many difficult balancing acts of responsible journalism.; ['History'],"

"Schlock-O-Rama: The Films of Al Adamson; Explores the low-budget shocker films made by Al Adamson telling the stories behind the scripts the choice of actors and actresses and the difficulties of production; ['Performing Arts'],"

"Landmark Essays on American Public Address: Volume 1 (Landmark Essays Series); This volume traces the historical evolution of American academic thought concerning public address -- what it is how it ought to be studied and what can be learned by engaging rhetorical texts in an analytical fashion. To begin one must distinguish among three separate but interrelated uses of the term ""public address"" -- as practice theory and criticism. The essays in this volume represent landmarks in the literal sense of that term -- they are marks on the intellectual landscape that indicate where scholars and ideas have passed and in that passing left a mark for future generations. It is appropriate to revisit the landmarks that have set public address off as a field of study and it allows readers to remember the struggles that have led to the current situation. Most of the authors of the following chapters are deceased but their ideas live on -- transformed adapted modified rejected and reborn. The scholarly dialectic continues. What constitutes a study in public address how best to approach rhetorical texts which analytical tools are required for the job how best to balance text with context and what role ought theory to play in the conduct or outcome of critical inquiry -- these questions live on. To answer them at all is to engender debate and that is how it should be if the intellectual vitality of public address is to be maintained. The papers are a prolegomenon to such studies for they mark where scholars have been and point the way to where they still must go.; ['Language Arts & Disciplines'],"

"Weber and Toennies: Comparative Sociology in Historical Perspective; ""This collection of selected essays by Werner J. Cahnman brings together out of scattered dispersion his writings about Max Weber Ferdinand Toennies and historical sociology. The great theoretical range and depth

of his intellect and mastery of sociological thinking is apparent as he discusses the impact of romanticism on modern thought and how Weber and Toennies both analyzed and reacted to modernity. Cahnman places Weber (1864-1920) the dominant figure in twentieth-century sociology in the midst of the methodological controversies so characteristic of contemporary social science and he fully discusses the overarching importance of Weberian ideal-type theory. Although less well-known than Weber Toennies (1855-1936) was also a sociologist of the first rank. He is best remembered for his enormously influential twin concepts Gemeinschaft and Gesellschaft which contributed to our understanding of the historical and sociological basis for the change from premodern to modern societies. The essays in this volume establish Toennies' intellectual connections to Karl Marx Max Weber Emile Durkheim and Herbert Spencer and clarify his influence upon American sociology. Cahnman stood against strict separations between history and sociology and his essays are all informed by a wonderful admixture of the theoretical and the concrete. They demonstrate how a genuine historical sociology not unlike that of Weber and Toennies can find and explain linkages between seemingly disparate events spanning time and place. This volume will be of interest to sociologists political scientists and intellectual historians."--Provided by publisher.; ['Electronic books'], "

"Jaws 2; Just when filmmakers thought it was safe to make a sequel director John D. Hancock ran into huge difficulties making Jaws 2 (1978) a thriller film and the first sequel to Steven Spielberg's Jaws (1975). Until now the full story of the sea of troubles during the making of the film has never been told. Authors Louis R. Pisano and Michael A. Smith fished from the original cast and crew the full no-holds-barred story from their behind the scenes experiences a tale as action packed and occasionally as bloody as the film. Based on Peter Benchley's original Jaws novel Jaws 2 starred Roy Scheider as a police chief dealing with another great white shark terrorizing the waters of a resort. The original director John D. Hancock proved unable to handle the action film and was replaced by Jeannot Szwarc. Actor Roy Scheider who only made the film to end a contractual issue with Universal was also unhappy during production and had several heated exchanges with Szwarc. Follow the entire fascinating production of the unforgettable film from concept to the impact the film made on Hollywood after Jaws 2 achieved a spot on Variety's list of Top 10 box office hits. About the authors: Louis R. Pisano is the director of the very popular series of "JawsFEST" fan DVDs. Michael A. Smith is the co-founder of MediaMikes.com and is a long-serving officer of the Kansas City Film Critics Circle. Jaws 2 The Making of the Hollywood Sequel is their first book. Includes Footnotes and illustrated with more than 200 rare behind-the-scenes photos taken by the cast and crew.; ['Performing Arts'], "

"Appointment With Death; A repugnant American widow is killed during a trip to Petra... Among the towering red cliffs of Petra like some monstrous swollen Buddha sat the corpse of Mrs Boynton. A tiny puncture mark on her wrist was the only sign of the fatal injection that had killed her. With only 24 hours available to solve the mystery Hercule Poirot recalled a chance remark he'd overheard back in Jerusalem: 'You see don't you that she's got to be killed?' Mrs Boynton was indeed the most detestable woman he'd ever met...; ['Americans'], "

"No Little People: Sixteen sermons for the twentieth century; Most Christians take an honest look at themselves and conclude that their limited talents energy and knowledge mean that they don't amount to much. Francis A. Schaeffer says that the biblical emphasis is quite different. With God there are no little people! This book contains sixteen sermons that explore the weakness and significance of humanity in relationship to the infinite and personal God. Each was preached by Schaeffer at L' Abri Fellowship in Switzerland to the community that gathered there to work learn and worship together. The focus of this collection is the lasting

truth of the Bible the faithfulness of God the sufficiency of the work of Christ and the reality of God's Spirit in history. The sermons represent a variety of styles-- some are topical some expound Old Testament passages and still others delve into New Testament texts. No Little People includes theological sermons and messages that focus specifically on daily life and Christian practice. Each sermon is a single unit and all are valuable for family devotions or other group study and worship. Readers will be encouraged by the value that God places on each person made in His image.; ['Sermons American'], "

"The Search for Delicious; Gaylen the King's messenger a skinny boy of twelve is off to poll the kingdom traveling from town to farmstead to town on his horse Marrow. At first it is merely a question of

disagreement at the royal castle over which food should stand for Delicious in the new dictionary. But soon it seems that the search for Delicious had better succeed if civil war is to be avoided. Gaylen's quest leads him to the woldweller a wise 900-year-old creature who lives alone at the precise center of the forest; to Canto the minstrel who sings him an old song about a mermaid child and who gives him a peculiar good-luck charm; to the underground domain of the dwarfs; and finally to Ardis who might save the kingdom from havoc. The Search for Delicious is a 1969 New York Times Book Review Notable Children's Book of the Year.; ['Juvenile Fiction'], "

"An American Album: One Hundred and Fifty Years of Harper's Magazine; In the midst of the United States' immense economic growth in the 1850s Americans worried about whether the booming agricultural industrial and commercial expansion came at the price of cherished American values such as honesty hard work and dedication to the common good. Was the nation becoming greedy selfish vulgar and cruel? Was there such a thing as too much prosperity? At the same time the United States felt the influence of the rise of popular mass-circulation newspapers and magazines and the surge in American book publishing. Concern over living correctly as well as prosperously was commonly discussed by leading authors and journalists who were now writing for ever-expanding regional and national audiences. Women became more important as authors and editors giving advice and building huge markets for women readers with the magazine Godey's Lady's Book and with expressing women's views about the troubled state of society. Best-selling male writers--including novelist George Lippard historian George Bancroft and travel writer Bayard Taylor--were among those adding their voices to concerns about prosperity and morality and about America's place in the world. Writers and publishers discovered that a high moral tone could be exceedingly good for business. The authors of this book examine how popular writers and widely read newspapers magazines and books expressed social tensions between prosperity and morality. This study draws on that nationwide conversation through leading mass media including circulation-leading newspapers the New York Herald and the New York Tribune plus prominent newspapers from the South and West the Richmond Enquirer and the Cincinnati Enquirer. Best-selling magazines aimed at middle-class tastes Harper's Magazine and the Southern Literary Messenger added their voices as did two leading business magazines.; ['History'], "

"Green Lantern: Sleepers (Book 2); Alan Scott a new Green Lantern battles the forces of evil during World War II as both an enlisted man and as a costumed superhero matching wits with a seventeenth-century supervillain called Malvolio who makes a pact with Adolf Hitler that could destroy the entire Allied campaign and eliminate forever the Green Lantern corps. "Picture Perfect (Charmed); When the Mural House a San Francisco landmark built in the 1920s is reopened Phoebe invites her sisters to attend and they quickly discover that the evil locked up for so long has been released.; ['Juvenile Fiction'], "

"The Hundredfold Problem; The story begins several million years ago when sentient machines from an alien civilization build a Dyson Sphere around the sun's Red Dwarf companion star (which is why we've never seen it) and seed the Sphere with Neanderthals . . . Or maybe it begins in the future after terrestrial humanity has discovered the Sphere (now called the Big Dunkin Donut) colonized it and enslaved the natives.Whatever . the Donut is in peril.Atheist fundamentalist preachers - Rev Rick ""The Man"" Hamfist and Rev Bo ""No Messin"" Fingers - inspired by dastardly Dennis the Complete Bloody Sadist are waging an evangelical war there with the aim of destroying the local very real goddess Korax.Using a matter transmitter Earth sends holochips of two plucky adventurers to sort this out: heavy-weapons-toting xeno-anthropologist and scantily clad babe Petula McTavish; and by-the-rules supercop Dave Knuckle. But Knuckle's holochip is accidentally shattered on arrival into one hundred fragments which are reconstituted to form one hundred lethally diverse partial versions of the supercop.McTavish now has a one hundredfold problem to solve. Actually a hundred and one but that wouldn't have made as good a title.And that's before she falls in love . . . The Hundredfold Problem is that rarest of things - a gloriously funny romp populated by outrageous larger-than-life characters that's also an extremely imaginative challenging sf novel.; ['Fiction'], "

"Widows: A Novel; "The Widows kept me on the edge of my seat. Montgomery is a masterful storyteller." -Lee Martin author of Pulitzer Prize-Finalist The Bright Forever Inspired by the true story of Ohio's first female sheriff Jess Montgomery's powerful lyrical debut is the story of two women who take on murder and corruption at the heart of their community. Kinship Ohio 1924: When Lily Ross learns that her husband Daniel the town's widely respected sheriff has been killed while

transporting a prisoner in an apparent accident she vows to seek the truth about his death. Hours after his funeral a stranger appears at her door. Marvena Whitcomb a coal miner's widow is unaware that Daniel has died and begs to speak with him about her missing daughter. From miles away but worlds apart Lily's and Marvena's lives collide as they realize that Daniel was perhaps not the man that either of them believed him to be. \*BONUS CONTENT: This edition of *The Widows* includes a new introduction from the author and a discussion guide ""*The Widows* is a gripping beautifully written novel about two women avenging the murder of the man they both loved.""-Hallie Ephron New York Times bestselling author of *You'll Never Know Dear* ""Jess Montgomery's gorgeous writing can be just as dark and terrifying as a subterranean cave when the candle is snuffed out but her prose can just as easily lead you to the surface for a gasp of air and a glimpse of blinding beautiful sunlight. This is a powerful novel: a tale of loss greed and violence and the story of two powerful women who refuse to stand down.""-Wiley Cash New York Times bestselling author of *The Last Ballad* *A Land More Kind than Home* and *This Dark Road to Mercy* ""[A] flinty heartfelt mystery that sings of hawks and history of coal mines and the urgent fight for social justice.""-Julia Keller Pulitzer Prize-winning author of *Bone on Bone*; ['Fiction'], "The Exegetical Imagination: On Jewish Thought and Theology; Exegesis--interpretation and explanation of sacred texts--is the quintessence of rabbinic thought. Through such means and methods the written words of Hebrew Scripture have been extended since antiquity and given new voices for new times. In this lucid and often poetic book Michael Fishbane delineates the connections between biblical interpretation and Jewish religious thought. How can a canon be open to new meanings given that it is believed to be immutable? Fishbane discusses the nature and rationale of this interpretative process in a series of studies on ancient Jewish speculative theology. Focusing on questions often pondered in Midrash he shows how religious ideas are generated or justified by exegesis. He also explores the role exegesis plays in liturgy and ritual. A striking example is the transfer of speculative interpretations into meditation in prayer. Cultivation of the ability to perceive many implicit meanings in a text or religious practice can become a way of living--as Fishbane shows in explaining how such notions as joy or spiritual meditations on death can be idealized and the ideal transmitted through theological interpretation. The Exegetical Imagination is a collection of interrelated essays that together offer new and profound understanding of scriptural interpretation and its central role in Judaism.; ['Religion'], "

"The Belt Of Gold - A Novel Of Ancient Byzantium; In an exotic ancient land a foreign stranger's sworn mission of vengeance leads him into the perilous circle of a ruthless Byzantine empress In the early years of the ninth century the road home from Jerusalem winds through Constantinople for two Frankish noblemen-warriors. But when an encounter with a young woman running for her life results in the murder of Hagen the White's brother he vows to find the perpetrators no matter how highborn or powerful and take his revenge. His hunt will carry him into the royal circle of the Basileus Irene a ruthless despot who blinded her own son to force him off the throne. The beautiful and calculating empress is fascinated by this supposed barbarian who has sworn allegiance to the great Charlemagne and she welcomes him into the imperial court--and into the dangerous fires of countless royal conspiracies. Suddenly Hagen must

tread carefully through a vipers' nest of plots lies and bloodthirsty power plays for if the stranger trusts the wrong serpent he will certainly die. One of the world's premier purveyors of historical fiction acclaimed novelist Cecelia Holland ushers the reader into a thrilling exotic and colorful world ruled by one of history's most complex and fascinating women. The Belt of Gold is a stunning tale of power and vengeance set against a breathtaking backdrop of Byzantine opulence from the conspiracies of the empress's court and the intrigues of the bedchamber to the heart-racing clashes of champions in the public arenas where famed charioteers seek ultimate glory before the eyes of an adoring populace.; ['Fiction'], "

"An Interpersonal Approach to Child Therapy; This book explores the puzzling phenomenon of new veiling practices among lower middle class women in Cairo Egypt. Although these women are part of a modernizing middle class they also voluntarily adopt a traditional symbol of female subordination. How can this paradox be explained? An explanation emerges which reconceptualizes what appears to be reactionary behavior as a new style of political struggle--as accommodating protest. These women most of them clerical workers in the large government bureaucracy are ambivalent about working outside the home considering it a change which brings new burdens as well as some important benefits. At the same time they realize that leaving home and family is creating an intolerable situation of the erosion of their social status and the loss of their traditional identity. The new veiling expresses women's protest against this. MacLeod argues that the symbolism of the new veiling emerges from this tense subcultural dilemma involving elements of both resistance and acquiescence.; ['Psychology'], "

"Cultivating Stillness: A Taoist Manual for Transforming Body and Mind; Equanimity good health peace of mind and long life are the goals of the ancient Taoist tradition known as ""internal alchemy"" of which Cultivating Stillness is a key text. Written between the second and fifth centuries the book is attributed to T'ai Shang Lao-chun--the legendary figure more widely known as Lao-Tzu author of the Tao-te Ching . The accompanying commentary written in the nineteenth century by Shui-ch'ing Tzu explains the alchemical symbolism of the text and the methods for cultivating internal stillness of body and mind. A principal part of the Taoist canon for many centuries Cultivating Stillness is still the first book studied by Taoist initiates today.; ['Religion'], "

"Children learning: A teacher's classroom diary; Takes the reader inside the classroom to see how normal gifted and disabled children learn emphasizing the discipline and attraction to learning that comes from within; ['Child development'], "

"A Quaker Book of Wisdom: Life Lessons In Simplicity Service And Common Sense; ""The most valuable aspect of religion"" writes Robert Lawrence Smith ""is that it provides us with a framework for living. I have always felt that the beauty and power of Quakerism is that it exhorts us to live more simply more truthfully more charitably."" Taking his inspiration from the teaching of the first Quaker George Fox and from his own nine generations of Quaker forebears Smith speaks to all of us who are seeking a way to make our lives simpler more meaningful and more useful.

Beginning with the Quaker belief that ""There is that of God in every person"" Smith explores the ways in which we can harness the inner light of God that dwells in each of us to guide the personal choices and challenges we face every day. How to live and speak truthfully. How to

listen for trust and act on our conscience. How to make our work an expression of the best that is in us. Using vivid examples from his own life Smith writes eloquently of Quaker Meeting his decision to fight in World War II and later to oppose the Vietnam War. From his work as an educator and headmaster to his role as a husband and father Smith quietly convinces that the lofty ideals of Quakerism offer all of us practical tools for leading a more meaningful life. His book culminates with a moving letter to his grandchildren which imparts ten lessons for ""letting your life speak.""; ['Religion'], "

"Night Chicas; Whether they're flirting en espanol gossiping over mojitos or dancing with their latest papi chulos the characters in Friday Night Chicas prove that there is nothing quite like a night out with your chicas. "Devotion; THE NATIONAL BESTSELLER • SOON TO BE A MAJOR MOTION PICTURE • From America's "forgotten war" in Korea comes an unforgettable tale of courage by the author of A Higher Call. "In the spirit of Unbroken and The Boys in the Boat comes Devotion."—Associated Press • "Aerial drama at its best—fast powerful and moving."—Erik Larson Devotion tells the inspirational story of the U.S. Navy's most famous aviation duo Lieutenant Tom Hudner and Ensign Jesse Brown and the Marines they fought to defend. A white New Englander from the country-club scene Tom passed up Harvard to fly fighters for his country. An African American sharecropper's son from Mississippi Jesse became the navy's first Black carrier pilot defending a nation that wouldn't even serve him in a bar. While much of America remained divided by segregation Jesse and Tom joined forces as wingmen in Fighter Squadron 32. Adam Makos takes us into the cockpit as these bold young aviators cut their teeth at the world's most dangerous job—landing on the deck of an aircraft carrier—a line of work that Jesse's young wife Daisy struggles to accept. Deployed to the Mediterranean Tom and Jesse meet the Fleet Marines boys like PFC "Red" Parkinson a farm kid from the Catskills. In between war games in the sun the young men revel on the Riviera partying with millionaires and even befriending the Hollywood starlet Elizabeth Taylor. Then comes the conflict that no one expected: the Korean War. Devotion takes us soaring overhead with Tom and Jesse and into the foxholes with Red and the Marines as they battle a North Korean invasion. As the fury of the fighting escalates and the Marines are cornered at the Chosin Reservoir Tom and Jesse fly guns blazing to try and save them. When one of the duo is shot down behind enemy lines and pinned in his burning plane the other faces an unthinkable choice: watch his friend die or attempt history's most audacious one-man rescue mission. A tug-at-the-heartstrings tale of bravery and selflessness Devotion asks: How far would you go to save a friend?; ['Biography & Autobiography'],"

"Night Games (Fear Street Series #40); It's all fun and games until a prank goes fatally wrong in this spine-tingling young adult thriller from Goosebumps author R.L. Stine. Diane and her friends have been sneaking out every night to play pranks while Fear Street sleeps. She loves breaking the rules just a little and pushing the limits of what they can get away with. Not to mention that whatever they get up to in the night is all the town can talk about the next day. No one likes the rush of a good practical joke more than Diane's boyfriend Lenny who has masterminded some of their best work. But when he sets his sights on one of the most hated teachers at their school the group finally goes too far...and the consequences are deadly. And on Fear Street even death can't stop people from getting their revenge.; ['Juvenile Fiction'],"

"The Elephant-Headed God and Other Hindu Tales; The worlds of gods demons and humans meet and come alive in these twelve stories. The gods and goddesses heroes and heroines birds beasts demons monsters sages and warriors that inhabit these classical tales deliver the enduring wisdom of Hindu folklore. The stories are amongst the oldest in the world and belong to children everywhere regardless of religion or country of birth. Each tale is illustrated with dramatic black-and-white pictures by Margaret Jones. These evocative illustrations capture the wealth and strength of the culture behind the stories and give the tales a magnificent setting worthy of their power and drama.; ['Juvenile Fiction'], "

"Way to Victory: Annotated Book of Five Rings; Translation and commentary by Hidy Ochiai Although it was written more than 300 years ago as a treatise on strategy and combat Musashi's The Book of Five Rings is treasured today as a classic work that speaks with equal power to the

modern businessperson philosopher and martial artist. In A Way to Victory Ochiai - a legend in the martial arts world - provides a new translation with notes that clarify the original's lessons for the contemporary reader. With an in-depth analyses of the book's themes this is a perfect compliment to Musashi's work.; ['Sports & Recreation'], "

"Science and the Search for God; Harvard-educated theologian Gary Kowalski argues that many of the ills of the modern world--from the rise of fundamentalist intolerance to secular society's endless (and empty) search for thrills--stem from the mistaken view that science and faith are antagonists rather than natural allies. Both science and faith the author suggests compel us now to move beyond materialism toward an understanding of the world that includes the realities of consciousness and spirit. In the twenty-first century human beings have less reason than before to feel they hold a privileged or special position in the cosmos but more cause than ever to feel connected and akin to all that is. Christians and Jews skeptics and seekers alike will find that this brief persuasively written volume sheds new light on the old questions Who are we? Where do we figure in the larger scheme of things? And what can we honestly believe?; ['Religion'], "

"Mom's Family Calendar 2006; Welcome to Graphics Interface 2006. This annual conference now in its 32nd year is devoted to computer graphics interactive systems and human-computer interaction. "A Dreamer's Story: The Tales of Slumber Book 1; NEW YORK TIMES BOOK REVIEW EDITORS' CHOICE • An ordinary town is transformed by a mysterious illness that triggers perpetual sleep in this mesmerizing novel from the

bestselling author of *The Age of Miracles*. "Stunning."—Emily St. John Mandel author of *Station Eleven* • "A startling beautiful portrait of a community in peril."—*Entertainment Weekly* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *Glamour* • *Real Simple* • *Good Housekeeping* One night in an isolated college town in the hills of Southern California a first-year student stumbles into her dorm room falls asleep—and doesn't wake up. She sleeps through the morning into the evening. Her roommate Mei cannot rouse her. Neither can the paramedics nor the perplexed doctors at the hospital. When a second girl falls asleep and then a third Mei finds herself thrust together with an eccentric classmate as panic takes hold of the college and spreads to the town. A young couple tries to protect their newborn baby as the once-quiet streets descend into chaos. Two sisters turn to each other for comfort as their survivalist father prepares for disaster. Those affected by the illness doctors discover are displaying unusual levels of brain activity higher than has ever been recorded before. They are dreaming heightened dreams—but of what? Written in luminous prose *The Dreamers* is a breathtaking and beautiful novel startling and provocative about the possibilities contained within a human life—if only we are awakened to them. Praise for *The Dreamers* "Walker's roving fictive eye by turns probes characters' innermost feelings and zooms out to coolly parse topics like reality versus delusion. . . . [It has] the perfect ambiguous frame for a tense and layered plot."—O: The Oprah Magazine "[Walker's] gripping provocative novel should come with a warning: may cause insomnia."—*People* (Book of the Week) "Powerful and moving . . . written with symphonic sweep."—*The New York Times Book Review* "2019's first must-read novel . . . Alternately terrifying and moving . . . *The Dreamers* is overflowing with humanity."—*Jezebel* "This is an exquisite work of intimacy. Walker's sentences are smooth emotionally arresting—of a true ethereal beauty. . . . This book achieves [a] dazzling aching humanity."—*Entertainment Weekly*; ['Fiction'], "

"Entangled with A Texan: Texas Cattleman's Club; TIED UP IN KNOTS! How on earth had Texas Cattleman's Club member David Sorrenson been roped into protecting a tiny baby girl? The ex-military man knew everything about security and danger not infants! Marissa Wilder was the perfect solution. This down-to-earth family gal knew all about children and agreed to be a live-in nanny at his ranch. David yearned to show Marissa a steamy night or two even though his high-risk lifestyle had taught him to avoid long-term attachments and his sexy houseguest deserved someone permanent. Living with Marissa was tangling up his emotions something awful and if he didn't know better he'd swear he was falling for her....; ['Fiction'], "Straight for the Heart; Shows parents how to talk to teenagers about love and sex fostering talk on dating broken hearts homosexuality pregnancy contraception and sexually transmitted diseases; ['Family & Relationships'], "

"The Cyclopean Mistress: Selected Short Fiction 1960-1990; In this book's title-piece the Cyclopean Mistress is a teacher with a single eye in the middle of her forehead someone with 'unified vision'. The book too has unified vision: its short fictions and prose poems aren't separate forms but merge into each other like the continuous spectrum of colours in a rainbow. Redgrove begins with short fictions but gradually withdraws the narrative scaffolding asking the reader to respond instead to an alternative and possibly more dramatic pattern of imagery where a narrative exists but is unspoken: 'It is like waking from a deep sleep and seeing the world new but stripped of its procedures.' At the end of the rainbow Redgrove's all-seeing eye penetrates the Esplumeor Merlin's prison variously interpreted as a bewitched bed a house of glass an observatory with 84 windows a place where falcons moult or where the magician with sexual laughter puts off his accustomed forms or a place where a person uses his plume or pen. His prose-poems here are about Cornwall where he lives 'and where it is not easy to tell whether one is in a dungeon or a paradise as it depends on the way the wind is blowing'.; ['Fiction'], "

"Living & Working in Britain: 2nd edition; Reimagining the scholarly book as living and collaborative--not as commodified and essentialized but in all its dynamic materiality. In this book Janneke Adema proposes that we reimagine the scholarly book as a living and collaborative project--not as linear bound and fixed but as fluid remixed and liquid a space for experimentation. She presents a series of cutting-edge experiments in arts and humanities book publishing showcasing the radical new forms that book-based scholarly work might take in the digital age. Adema's proposed alternative futures for the scholarly book go beyond such print-based assumptions as fixity stability the single author originality and copyright reaching instead for a dynamic and emergent materiality. Adema suggests ways to unbind the book describing experiments in scholarly book publishing with new forms of anonymous collaborative authorship radical open access publishing and processual living and remixed publications among other practices. She doesn't cast digital as the solution and print as the problem; the problem in scholarly publishing she argues is not print itself but the way print has been commodified and essentialized. Adema explores alternative more ethical models of authorship; constructs an alternative genealogy of openness; and examines opportunities for intervention in current cultures of knowledge production. Finally asking why it is that we cut and bind our research together at all she examines two book publishing projects that experiment with remix and reuse and try to rethink and reperform the book-apparatus by taking responsibility for the cuts they make.; ['Language Arts & Disciplines'], "

"The Berlin Stories: The Last of Mr. Norris; The Sally Bowles character was the subject of a play I am a camera; and a musical Cabaret.;  
['Fiction'], "

"Tilly True; 'I aint always going to be poor I made me mind up to that.' Dismissed from her position as housemaid under a cloud of misunderstanding Tilly True is forced to return home. Her journey takes her to the London law courts a grim parsonage in one of the most notorious parts of the East End and a house

of ill-repute. But when she falls for the dangerous charms of Barnaby Palgrave Tilly soon finds that her troubles have only just begun ...; ['Fiction'], "

"Awakened Life; This book is an 8-week small group curriculum designed to teach psychosocial skills and help students build resiliency and foster mental emotional and spiritual well-being using mindfulness techniques. Specifically intended to equip chaplains college ministers and spiritual leaders this resource helps students learn and cultivate spiritual practices that will lead to abundant living despite the anxieties and pressures of college life.; ['Young Adult Nonfiction'], "

"Final Harvest: Emily Dickinson's Poems; Though generally overlooked during her lifetime Emily Dickinson's poetry has achieved acclaim due to her experiments in prosody her tragic vision and the range of her emotional and intellectual explorations.; ['Poetry'], "

"Jesus; I accept the resurrection of Jesus not as an invention of the community of disciples but as an historical event. When a leading orthodox Jew makes such a declaration its significance can hardly be overstated. Pinchas Lapide is a rabbi and theologian who has specialized in the study of the New Testament. In this book he convincingly shows that an irreducible minimum of experience underlies the New Testament account of the resurrection however much of the details of the narrative may be open to objection. He maintains that life after death is part of the Jewish faith experience and that it is Jesus' messiahship not his resurrection which marks the division between Christianity and Judaism. Dr. Lapide quotes Moses Maimonides the greatest Jewish thinker in his support: All these matters which refer to Jesus of Nazareth...only served to make the way free for the King Messiah and to prepare the whole world for the worship of God with a united heart.; ['Religion'], "

"Marion Zimmer Bradley's Darkover; This collection of stories including two never-before-published tales travels through the history of Darkover the planet of the Bloody Sun from the Founding to the time of Recontact. Original.; ['Fiction'], "

"Dimelo Tu!; DÍMELO TÚ!: A COMPLETE COURSE 6e (with Audio CD) is a communication-driven book with CD program designed to help students develop competency in Spanish by allowing them to interact among themselves and with their instructors on a daily basis. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.; ['Foreign Language Study'], "

"The Fall of Maggie Brown; Maggie Brown is sensible responsible and worried. Her irresponsible sister has run off with a revolutionary their feckless mother swears she's dying and Maggie has no choice but to brave the forests of San Pablo to reunite her family. To do so she needs Ben Frazer a rough and tumble soldier of fortune who seems a little too interested in Maggie and has a tendency to head in the wrong direction. Throw in a counter-revolutionary named El Gallo Loco and life isn't nearly as sensible as she thought it was. Ben's doing his best to throw

her off the trail. She's annoying straight-laced and absolutely irresistible and the sooner she's back in the States the better. Unfortunately Miss Magnolia Brown is ready to fall off her pedestal and who better to catch her but Ben?; ['Fiction'], "

"Trucks of the Wehrmacht: A Photo Chronicle (German Vehicles in World War II); Covers the numerous Volkswagen trucks and cars used by the Wehrmacht during WWII. AUTHOR:; ['Automobiles Military'], "

"A First Course in Algebraic Topology; To the Teacher. This book is designed to introduce a student to some of the important ideas of algebraic topology by emphasizing the relations of these ideas with other areas of mathematics. Rather than choosing one point of view of modern topology (homotopy theory simplicial complexes singular theory axiomatic homology differential topology etc.) we concentrate our attention on concrete problems in low dimensions introducing only as much algebraic machinery as necessary for the problems we meet. This makes it possible to see a wider variety of important features of the subject than is usual in a beginning text. The book is designed for students of mathematics or science who are not aiming to become practicing algebraic topologists-without we hope discouraging budding topologists. We also feel that this approach is in better harmony with the historical development of the subject. What would we like a student to know after a first course in topology (assuming we reject the answer: half of what one would like the student to know after a second course in topology)? Our answers to this have guided the choice of material which includes: understanding the relation between homology and integration first on plane domains later on Riemann surfaces and in higher dimensions; winding numbers and degrees of mappings fixed-point theorems; applications such as the Jordan curve theorem invariance of domain; in dices of vector fields and Euler characteristics; fundamental groups; ['Mathematics'], "

"MYTHOLOGY OF MIDDLE EARTH; The detailed scholarly study of Tolkien's myth of Middle-earth compares the themes places beings and things in his writings to the historic myths that have evolved in many cultures; ['Fantasy literature English'], "

""Time Out"" Film Guide; This annual edition of the Time Out Film Guide now updated to include over 12000 films covers every area of world cinema: classic silents and thirties comedies documentaries and the avant-garde French and Japanese cinema Hollywood mainstream and B-rated horror films. The seventh edition includes 700 new reviews from every genre of world cinema and for the first time a readers' poll of all-time top-ten films.; ['Motion pictures'], "

"The Anger Workbook: A 13-Step Interactive Plan to Help You... (Minirth-Meier Clinic Series); ""We all deal with anger in our lives whether it be in a subtle or violent manner. Being angry can involve such emotional expressions as frustration irritability annoyance aggravation blowing off

steam or fretting. The good news is anger can be managed. In 'The Anger Workbook' Les Carter Ph.D. and Frank Minirth M.D. offer a unique 13-step interactive program that will help you."--From publisher description.; ['Religion'], "

"Art as the Cognition of Life Aleksandr Konstantinovich Voronsky Selected Writings 1911-1936 Translated and edited by Frederick S. Choate; Voronsky was an outstanding figure of post-revolutionary Soviet intellectual life editor of the most important literary journal of the 1920s in the USSR and a supporter of Trotsky and the Left Opposition in the struggle against Stalinism. A defender of "fellow traveler" writes and an opponent of the Proletarian Culture movement Voronsky was one of the authentic representatives of classical Marxism in the field of literary criticism in the twentieth century. He was executed by Stalin in 1937. Following Voronsky's "rehabilitation" in 1957 several of his writings were published in the USSR in heavily censored form. All cuts have been restored for this edition.; ['Literary Criticism'], "

"The King James Bible-1611 (Replica Edition); Oxford is proud to publish a limited edition of the 1611 text of the King James Bible with real leather binding gilt edging ribbon marker gift presentation plate and protective cloth slipcase. This is the most authoritative edition of the King James Bible available. The text of the 1611 edition differs from modern editions of the King James Version in thousands of details and this edition is the most authentic version of the original text that has ever been published. It follows the 1611 text page-for-page and line-for-line reproducing all misprints rather than correcting them. The volume also reprints the large body of preliminary matter which includes genealogies maps and lists of readings as well as the translator's preface to the reader. The text features an easy-to-read modern font instead of the black-letter type of the original with the exception of the original decorative letters and early page ornaments which have been reproduced. The volume concludes with an essay by Renaissance Studies expert Gordon Campbell on the first edition of the King James Bible. This beautiful Anniversary Edition is an elegant keepsake as well as a marvelous gift for anyone interested in the Bible.; ['Bibles'], "

"HOW TO MANAGE INSTRUCTION IN THE BLOCK (Prentice Hall professional educator's library); Managing time; Adapting Curriculum; Designing Lessons; Activities Practical Tips and Checklists.; ['Education'], "  
"Revelation 1-11 MacArthur New Testament Commentary (MacArthur New Testament Commentary Series); No book in the scripture reveals the glory of God and Christ in more splendor than Revelation. At the same time no book has been more misunderstood or neglected. Yet God wants His children to know this book and blessings are stored up for those who study its riches. Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical. Taking into account the cultural theological and Old Testament contexts of each passage MacArthur tackles interpretive challenges and fairly evaluates differing views giving the reader confidence in his conclusions. The MacArthur New Testament Commentary series comes from the experience wisdom and insight of one of the most trusted ministry leaders and Bible scholars of our day. Each volume was written to be as comprehensive and accurate as possible dealing thoroughly with every key phrase and word in the Scripture without being unnecessarily technical. This commentary will help to give a better fuller richer understanding of God's Word while challenging the reader to a vibrant personal spiritual walk. A great resource for pastors teachers leaders students or anyone desiring to dig deeper into Scripture; ['Religion'], "

"THE WEDDING JOURNEY.; The mysterious inheritance is the answer to a prayer. Now Irish lass Maeve Murphy and her sisters can come to America! She's sure happiness awaits her even if it won't-can't-come from widowed ship doctor Flynn Gallagher. Yes he made her his assistant but she's not foolish enough to fall for the man all the eligible wealthy female passengers admire. Flynn Gallagher may have his pick of ladies but only one cares as he does for the sick and poor. Flynn vowed never to marry another woman who could break his heart. With Maeve has his heart found safe harbor at last?; ['Fiction'], "

"Words That Work: It's Not What You Say It's What People Hear; The nation's premier communications expert shares his wisdom on how the words we choose can change the course of business of politics and of life in this country In Words That Work Luntz offers a behind-the-scenes look at how the tactical use of words and phrases affects what we buy who we vote for and even what we believe in. With chapters like ""The Ten Rules of Successful Communication"" and ""The 21 Words and Phrases for the 21st

Century"" he examines how choosing the right words is essential. Nobody is in a better position to explain than Frank Luntz: He has used his knowledge of words to help more than two dozen Fortune 500 companies grow. Hell tell us why Rupert Murdoch's six-billion-dollar decision to buy DirectTV was smart because satellite was more cutting edge than ""digital cable"" and why pharmaceutical companies transitioned their message from ""treatment"" to ""prevention"" and ""wellness.""" If you ever wanted to learn how to talk your way out of a traffic ticket or talk your way into a raise this book's for you.; ['Language Arts & Disciplines'], "

"A survey of minimal surfaces (Van Nostrand Reinhold mathematical studies 25); This book consists of two parts different in form but similar in spirit. The first which comprises chapters 0 through 9 is a revised and somewhat enlarged version of the 1972 book Geometrie Differentielle. The second part chapters 10 and 11 is an attempt to remedy the notorious absence in the original book of any treatment of surfaces in three-space an omission all the more unforgivable in that surfaces are some of the most common geometrical objects not only in mathematics but in many branches of physics. Geometrie Differentielle was based on a course I taught in Paris in 1969- 70 and again in 1970-71. In designing this course I was decisively influenced by a conversation with Serge Lang and I let myself be guided by three general ideas. First to avoid making the statement and proof of Stokes' formula the climax of the course and running out of time before any of its applications could be discussed. Second to illustrate each new notion with non-trivial examples as soon as possible after its introduction. And finally to familiarize geometry-oriented students with analysis and analysis-oriented students with geometry at least in what concerns manifolds.; ['Mathematics'], "

"Public Safety Dispatcher II (Career Examination Series); The Public Safety Dispatcher II Passbook(R) prepares you for your test by allowing you to take practice exams in the subjects you need to study. It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam including but not limited to: radio operations and dispatching procedures; retaining and comprehending spoken information from calls for emergency services; coding/decoding information; understanding and interpreting written material; supervision and training; and more.; ['Study Aids'], "

"Raising Drug-Free Kids: 100 Tips for Parents; In a nation where an estimated 25 percent of high-school seniors use illegal substances on a monthly basis parents are wise to be concerned about setting their children on a drug-free course. While much advice handed out these days focuses on teen behavior and on what to do once drugs have become a problem in the home Raising Drug-Free Kids takes an innovative approach and focuses instead on preventative measures that can be followed early on in a child's life. Developmental psychologist and parent educator Aletha Solter provides parents with simple easy-to use tools to build a solid foundation for children to say ""no"" to drugs. Organized by age group from preschool through young adulthood the handy 100 tips will show parents how to help their children to: Feel good about themselves without an artificial high. Cope with stress so they won't turn to drugs to relax. Respect their bodies so they will reject harmful substances. Have close family connections so they won't feel desperate to belong to a group. Take healthy risks (like outdoor adventures) so they won't need to take dangerous ones.; ['Psychology'], "

"The Third Son; "Clear your schedule! The Third Son is your next obsessive read. Julie Wu's book reads like an instant classic." —Lydia Netzer author of Shine Shine Shine In the middle of a terrifying air raid in Japanese-occupied Taiwan Saburo the least-favored son of a Taiwanese politician runs through a forest for cover. It's there he stumbles on Yoshiko whose descriptions of her loving family are to Saburo like a glimpse of paradise. Meeting her is a moment he will remember forever and for years he will try to find her again. When he finally does she is by the side of his oldest brother and greatest rival. In Saburo author Julie Wu has created an extraordinary character determined to fight for everything he needs and wants from food to education to his first love. The Third Son is a sparkling and moving story about a young boy with his head in the clouds who against all odds finds himself on the frontier of America's space program. "An appealing coming-of-age story packed with vivid historical detail." —The Christian Science Monitor "A boy growing up in Japanese-occupied Taiwan in the 1940s will do anything to escape his tormenting family and reconnect with his first love in this compelling work of fiction." —O: The Oprah Magazine "Deceptively simple deeply compelling . . . An unusually awful sibling rivalry a stunningly pure and inspiring love story." —The Boston Globe "Wu presents an alluring story that hits all the right emotional buttons and maintains readers' empathy from the first page to the last." —Kirkus Reviews; ['Fiction'],"

"1934; The 1934 Minneapolis Teamsters Strike proved to be a pivotal event in twentieth-century American labor history. The Minneapolis Teamsters challenged the muscle of big business as well as the authority of local state and federal government and in the process they changed the very nature of labor relations in the United States. In The Minneapolis Teamsters Strike of 1934 Philip Korth's description of events surrounding this landmark labor action are filtered through the recollections of the people who were there. Korth blends historical record with the words of actual participants to draw a thorough and compelling portrait of a labor strike and its consequences. Philip Korth's study illustrates the organizational strategies that made the Minneapolis strike a success as

well as how opposition and public perception defined emerging labor relations practices and public policy. At the same time the author provides an in-depth examination of the conflict through interviews with witnesses and participants in this pivotal event in labor history.; ['History'], "

"Contemplating Adultery : The Secret Life of a Victorian Woman; This is the passionate story of a true epistolatory love affair between a Victorian lady and a German prince. In the early 1830s an unhappily married Englishwoman falls in love with a man she has never met - a German prince author of the bestseller that she is translating into English. Using the German embassy couriers to carry their letters back and forth they correspond ever more audaciously right under the nose of her melancholy preoccupied husband. Swept up by a storm of passion she writes in an unveiled way about her disappointment in marriage her hunger for affection intimacy and love. Yet in reality she is anything but an unprincipled woman and since divorce is out of the question her thoughts turn to adultery. This book reveals her dilemma in a fascinating and poignant journey into the mind and soul of a gifted woman who dared to circumvent the mores of the day.; ['Biography & Autobiography'], "

"The Other Greeks: The Family Farm and the Agrarian Roots of Western Civilization; Victor Hanson shows that the ""Greek revolution"" was not the rise of a free and democratic urban culture but rather the historic innovation of the independent family farm.""--BOOK JACKET.; ['History'], "

Packed with detailed information this field guide is compact enough to be handy for outdoors lovers of all kinds from novice naturalists to professional botanists. It includes: • more than 1100 species from 459 genera in 100 families • many rare and previously overlooked species • 2100 color photographs and 300 drawings • Wisconsin distribution maps for almost all plants • brief descriptions including distinguishing characteristics of the species • Wisconsin status levels for each species of wildflower (native invasive endangered etc.) • derivation of Latin names.; ['Nature'], "

"Playboy Adult Magazine: May 1978; Playboy was more than a magazine filled with pictures of nude women and advice on how to mix the perfect martini. Indeed the magazine's vision of sexual liberation high living

and ""the good life"" came to define mainstream images of postwar life. In exploring the history of America's most widely read and influential men's magazine Elizabeth Fraterrigo hones in on the values style and gender formulations put forth in its pages and how they gained widespread currency in American culture. She shows that for Hugh Hefner the ""good life"" meant the freedom to choose a lifestyle and the one he promoted was the ""playboy life"" in which expensive goods and sexually available women were plentiful obligations were few and if one worked hard enough one could enjoy abundant leisure and consumption. In support of this view Playboy attacked early marriage traditional gender arrangements and sanctions against premarital sex challenging the conservatism of family-centered postwar society. And despite the magazine's ups and downs significant features of this ""playboy life"" have become engrained in American society.; ['Social Science'], "

Along the way Melanie learns to look through the eyes of van Gogh Vermeer and Anne Frank. Soon she discovers that being a good friend means seeing the world through your best friend's eyes too.; ['Juvenile Fiction'], "

"Albert Pinkham Ryder.; This long-overdue new look at the life and work of Albert Pinkham Ryder explores the artist's deeply visionary paintings and the powerful and enduring paths he forged for generations of American modernists. Few American artists have captured painters' imaginations with the gripping force of Albert Pinkham Ryder (1847-1917). The brooding spirituality of his works coupled with formal innovation decades ahead of its time have long made Ryder a favorite of trailblazers like Jackson Pollock Marsden Hartley and Robert Rauschenberg. And yet the artist's biography and practices remain elusive. A Wild Note of Longing--whose title comes from a Ryder poem--takes up the challenge bringing a new generation of scholarship to the most comprehensive collection of Ryder masterworks assembled to date. Ryder is considered a seminal artist for both the late nineteenth-century Gilded Age and for the emerging modernism of the early twentieth century. This monumental new book presents multiple voices from leaders in the field on the continuing and ever evolving relevance of Albert Pinkham Ryder in modern art. In addition to a general overview of the artist's career essays also cover Ryder within the context of his hometown of New Bedford Massachusetts and Ryder's influence and context within modernism.; ['Art'], "

"CliffsNotes on O'Brien's The Things They Carried (Frommer); Leaves rustle underfoot in a dark wood: two little girls extracted from their

homes in wartime London encounter something terrifying in a forest. Later when they meet as grown women they realise the experience has coloured their lives. A dark tale about the nature of stories themselves. Part of the Storycuts series this short story was originally published in the collection Little Black Book of Stories.; ['Fiction'], "

Readers can solve the Case of the Secret Recipe and serve up some Idaville Apple Pie prove that Bugs Meany stole Tim Gomez's pinata and enjoy a Mexican fiesta and more.; ['Cookery'], "

"The Complete Idiot's Guide to Middle East Conflict 3E; The Complete Idiots Guide® to World War II Second Edition will feature updated and expanded coverage of the fateful D-Day invasion a critical timeline of major WW II events and a WW II timeline highlighting the crucial and most important events of the war. It will include details about major battles on land in the air and on the sea-starting with Hitler's rise to power and his goal of European conquest; to Japan's bombing of Pearl Harbor; to the decisive battles such as D-Day and the Battle of the Midway which turned the tides of the war toward the Allies.; ['History'], "

"Barabbas;; The condemned thief in whose place Jesus was crucified is tormented by guilt and struggles to understand the meaning of the dead rabbi's teachings; ['Fiction'], "

"KARANKAWAY COUNTRY; Roy Bedichek spent most of his life working in the educational field in Texas but his main interest was always the great outdoors. His first book Adventures with a Texas Naturalist was published when he was almost seventy and his second Karánkaway Country appeared three years later. Both were the result of a lifetime of exploring a beloved land of searching observation of discussion debate wide reading and reflection. Long out of print Karánkaway Country is now available in a handsome second edition with a new Foreword by W. W. Newcomb Jr.

Karánkaway Country focuses on the natural history of a strip of coastal prairie lying roughly between Corpus Christi and Galveston and once inhabited by the poorly known and much maligned Karankawa Indians. It serves as home base for an exposition of Bedichek's philosophy providing a convenient local setting for richly tailored essays on wildlife soil human skin and a variety of other topics suggested by a wide-ranging intellect. Bedichek's philosophy if it can be reduced to a few words is essentially that humans must learn to live on peaceful and conciliatory terms with our natural environment.; ['Nature'], "

"Relativistic Quantum Mechanics: With Applications in Condensed Matter and Atomic Physics; This graduate text introduces relativistic quantum theory emphasising its important applications in condensed matter physics. Relativistic quantum theory is the unification into a consistent theory of Einstein's theory of relativity and the quantum mechanics of Bohr Schrödinger and Heisenberg etc. Beginning with basic theory the book then describes essential topics. Many worked examples and exercises are included along with an extensive reference list. This clear account of a crucial topic in science will be valuable to graduates and researchers working in condensed matter physics and quantum physics.; ['Science'], "

IF THESE THOUGHTS IN YOUR MIND?! YOU MUST GET THIS BOOK NOW! In a nutshell Guerrilla growing means that you are growing Cannabis outside but away from your property in a remote site of your possessions where folks rarely wonder about... -I know what you are thinking - ""Sure sure... everyone can do it right?"" -...Yes that's right yet most people fail to properly execute the full Grow Cycle! -WHY IS THAT? -Well many so called ""Cannabis Cultivators"" don't learn the fundamentals not to mention potential dangers so their precious Marijuana ends up either the local deer's breakfast or spider mites sweet home OR WORSE; stolen by Marijuana thieves. -Most failures caused by the lack of preparation on implementing proper fencing and other security measurements hiding trail insufficient soil improvements (if any) wrong location positioning for Sunlight coverage incorrect watering schedule or insufficient water provided unawareness of licenced hunters presence and that's just a tip of the iceberg! -The solution for successful harvest is an appropriate preparation and hunger for knowledge so you can avoid any unpleasant surprises! -... AND THIS IS WHY YOU MUST GET THIS BOOK TODAY! THIS BOOK WILL TEACH YOU: What are the key differences between Outdoor Guerilla & Greenhouse Growing What you must consider before getting started How to measure the dimensions of your grow area What tools and equipment you must have to grow outdoors How to choose a grow site for Guerrilla Growing How to position your grow space for perfect sunlight coverage How to prepare your grow spot by amending the available soil How to provide the best protection against Cold temperatures How to arrange proper safety against wild animals & Marijuana thieves How to deliver consistent and stable water supply and much more GET THIS BOOK NOW AND START YOUR CANNABIS BUSINESS TODAY!; ['Gardening'], "

"How To Attack In Chess; Josh Waitzkin combines personal anecdotes with solid instruction in this unique introduction to the game of chess.

Concentrating on teaching young or new players how to beef up their attacks Waitzkin presents 40 different chess challenges. He introduces each problem with a brief description of the game from which it was drawn. 50 line drawings.; ['Crafts & Hobbies'],"

"Transformer Design Principles: With Applications to Core-Form Power Transformers; Updating and reorganizing the valuable information in the first edition to enhance logical development Transformer Design Principles: With Applications to Core-Form Power Transformers Second Edition remains focused on the basic physical concepts behind transformer design and operation. Starting with first principles this book develops the reader's understanding of the rationale behind design practices by illustrating how basic formulae and modeling procedures are derived and used. Simplifies presentation and emphasizes fundamentals making it easy to apply presented results to your own designs The models formulae and methods illustrated in this book cover the crucial electrical mechanical and thermal aspects that must be satisfied in transformer design. The text also provides detailed mathematical techniques that enable users to implement these models on a computer. The authors take advantage of the increased availability of electromagnetic 2D and 3D finite element programs using them to make calculations especially in conjunction with the impedance boundary method for dealing with eddy current losses in high-permeability materials such as tank walls. Includes new or updated material on: Multi terminal transformers Phasors and three-phase connections Impulse generators and air core reactors Methodology for voltage breakdown in oil Zig-zag transformers Winding capacitances Impulse voltage distributions Temperature distributions in the windings and oil Fault type and fault current analyses Although the book's focus is on power transformers the transformer circuit models presented can be used in electrical circuits including large power grids. In addition to the standard transformer types the book explores multi-terminal transformer models which allow complicated winding interconnections and are often used in phase shifting and rectifying applications. With its versatile coverage of transformers this book can be used by practicing design and utility engineers students and anyone else who requires knowledge of design and operational characteristics.; ['Technology & Engineering'],"

"Internet Dating (Find Your Mate in 90 Days or Less); This book provides the information on how to select the best Internet dating service for you fill out the profile forms properly use photos to your best advantage answer and send emails protect your privacy and maintain your anonymity. Suggestions and rules for the first meeting and future dates between you and a potential mate are described in detail. One of the highlights of the book is the section on planning. A thirteen week plan is described that includes objectives and an action list for each week. This plan provides the reader with the resources to meet the objectives of finding a mate within 90 days or less.; ['Computers'],"

"Software Reuse: A Standards-Based Guide; Reuse is one of the simplest and oldest concepts in programming - and one that is often underutilized. When implemented purposefully and correctly reuse can save time and money as well as create an inventory of valuable and reusable software assets. Dr. Carma McClure one of the principal writers of the IEEE's Software Reuse Standard 1517 provides clear concise and applied information to make effective software reuse a reality. This book provides specific instructions for implementing reuse within the context of the IEEE/EIA

Standard 12207 - Standard for Information Technology ? Software Life Cycle Processes. This new guide aids the reader in interpreting the meaning of the standard implementing the standard and applying the standard. Like IEEE Std. 1517 this book is written for both managers and technical personnel involved in acquiring supplying or developing software applications and systems or reusable assets.; ['Computers'], "

"And Now Miguel; He wanted to be treated like a man not a child. Every summer the men of the Chavez family go on a long and difficult sheep drive to the mountains. All the men that is except for Miguel. All year long twelve-year-old Miguel tries to prove that he too is up to the challenge' that he too is up to the challenge' that he too is ready to take the sheep into his beloved Sangre de Cristo Mountains. When his deeds go unnoticed he prays to San Ysidro the saint for farmers everywhere. And his prayer is answered . . . but with devastating consequences. When you act like an adult but get treated like a child what else can you do but keep your wishes secret and pray that they'll come true. This is the story of a twelve-year-old Miguel Chavez who yearns in his heart to go with the men of his family on a long and hard sheep drive to the Sangre de Cristo Mountains--until his prayer is finally answered with a disturbing and dangerous exchange. Cover illustration by Chris Miles

Interior illustrations by Jean Charlot; ['Juvenile Fiction'], "

"The Road to Pearl Harbor; The Coming of the War Between the United States and Japan.; This is a probing narrative of the history which came to its climax at Pearl harbor; an account of the attitudes and actions of the purposes and persons which brought about the war between the United States and Japan. It is full and impartial. Though written as an independent and private study records and information of an exceptional range and kind were used in its making. These give it authority. They include all the pertinent State Department papers; the American official military records in preparation; selections from the Roosevelt papers at Hyde Park; the full private diaries of Stimson Morgenthau and Grew; the file of the intercepted ""Magic"" cables; and equivalent collections of official and private Japanese records. The author was at the time in the State Department (as Adviser on International Economic Affairs) and thus in close touch with the men and matters of which he writes. In telling how this war came about this book tells much of how other wars happen. For it is a close study of the ways in which officials diplomats and soldiers think and act; of the environment of decision of the ambitions of nations of the clash of their ideas of the way in which fear and mistrust affect events and of the struggle for time and advantage. The narrative follows events in a double mirror of which one side is Washington and the other Tokyo and synchronizes the images. Thus it traces the ways in which the acts and decisions of this country influenced Japan and vice versa. Originally published in 1950. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.; ['Political Science'], "

"Cherry: A Life of Apsley Cherry-Garrard; Apsley Cherry-Garrard was one of the youngest members of Robert Falcon Scott's legendary expedition to Antarctica the last man sent out to meet Captain Scott and his men in February 1912 when they were expected to return victorious any day from the South Pole. He embarked on his own epic journey into the Antarctic winter to collect eggs of the Emperor penguin. It was dark all the time his teeth shattered and the tent blew away in the cold. "But we kept our tempers" he wrote "even with God." After serving in the First World War with zealous encouragement from his neighbor George Bernard Shaw Cherry wrote the undisputed masterpiece of polar literature The Worst Journey in the World. But as the years progressed he faced a terrible struggle against depression and despair. Sara Wheeler's Cherry is the first biography of this great hero of Antarctic exploration written with unrestricted access to his papers and with the full cooperation of his family.; ['Sports & Recreation'], "

"Naked London; ""After the success of Naked New York and Naked Los Angeles Greg Friedler has traveled to London where he was filmed for national television while taking pictures of people from all walks of life - both dressed and in the nude. The result is a pair of juxtaposed images for each person photographed with only their profession and age given as a caption. Ultimately all subjects are equally vulnerable in revealing their unclothed private selves. In presenting them to us in this most elemental human state Friedler's documentary-style photography emphasizes the traits we share rather than our incongruities." "--BOOK JACKET.Title Summary field provided by Blackwell North America Inc. All Rights Reserved; ['Photography'], "

"The Itch Is Back; Jim was born in 1955. His lifelong accomplishments include the typical sports participation a brief experience in the world of auto racing and president and CO of several intermediate-sized corporations. At age forty-one he experienced a life-altering near-death experience. From that time forward a search for the answers to the meaning of this life began and his writing also began. When asked why he'll say ""Nothing of this world can explain what happened to me but I think it is most evident in my writing." "I don't have to think about writing; I just sit down and begin. In just a very few minutes I look over what I've written and I wonder where the words came from. I mean I know I wrote them but sometimes they seem so unlike me that they bring me to tears. There is so much feeling and emotion in them. Everyone has told me that I should publish some of them. I have literally thousands of pieces of work. Sometimes I just can't seem to start my day until I've put pen to paper and somehow reached that part inside of myself. I hope

that somehow the poems inside of this book reach someone else too. The Itch Is Back is about a quest for the understanding of this life. It's about understanding love. It's about feeling alive. I hope that you enjoy." " And that's his take on it. Jim radically changed his entire life after the near-death experience. This book is dedicated to those changes. Jim would like to dedicate this book to his two children and to his wife Brande who as he says is the source of all his endeavors. He says that to dedicate this book to his family is merely a minor detail because he has already dedicated his life as well as his afterlife to them. When asked if there are more books to come he smiles and says ""There's always more to come." " This kind of mixture between old world style writing and modern philosophy is hard to find anymore. Jim's work seems to transcend time effortlessly with more heart and more feeling than anything I've ever read before. These are truly works that will live on forever influencing generations to come to read and enjoy. A must-have book for the twenty-first century. No one's library is complete without a copy." "  
"Poetry often does not make it to publishing and that is a shame. The Itch Is Back proves once and for all that the modernization of our world has not fully eliminated spirituality nor love nor the acceptance of the importance of expression expelled by any generation.""; ['Poetry'], "  
"The Dating Game #1 (No. 1); The Social Network gets a romantic twist in this fresh and engaging new read from the author of Frat Girl Kiley Roache. The 50 Best Fondue Recipes is an appetizing selection of delicious ideas on what to melt. From Classic Swiss Fondue to Honey-Almond Flambé there's plenty included so you can whip up satisfying treats in no time. Enjoy!; ['Cooking'], "

"The Legend of Prince Madoc and the White Indians; In the 12th century the terror and turmoil brought about by the contention for the throne caused an exodus of the frightened and disillusioned populace from Wales. Prince Madoc led some three expeditions westward across the seas to seek a new life in a land that it was felt could hardly be less hospitable than home. Groups of as many as 250 settlers traveled in ten or more Viking-style boats up to 75 feet in length. Madoc returned to Mobile Bay in 1170 with ships laden with settlers and a thriving colony was founded.

Tantalizing evidence suggests that when he came back with a second group

a year later the difficulties of calculating longitude brought him to the mouth of the Mississippi and the two groups never did find one another. The first group were forced out of Tennessee in about 1500 due to wars with the Cherokee and in a great migration found their way to the banks of the Upper Missouri River where they became known as the Mandan Indians. The second group travelled up the Mississippi and Ohio Rivers to the Falls of the Ohio where they established a well defended colony. Wars with the Shawnee and Iroquois tribes eventually spelled their downfall. Archaeological finds in the Southern states as well as in the Ohio Valley include the remains of highly engineered stone forts metal implements and other artifacts impossible to explain in the context of the savage tribes encountered by the Europeans and Americans who eventually settled the region. Numerous accounts in the 16th through the 19th centuries recall meetings with fair skinned Indians. Those accounts especially include encounters with the Mandans but they also include accounts with a mysterious people known as the ""Asguaw"" ""Tallega"" and several other names. Memoirs and correspondence tell of encounters with ""Welsh speaking Indians"" - and suggest how the newer arrivals may have dealt with the inconvenient possibility that other White settlers had preceded them.; ['History'], "

"Arctic National Wildlife Refuge: Seasons of Life and Land; Photographic documentation of the necessity to preserve this precious area.; ['Nature'], "

"Shelter; Mickey Bolitar is forced to live with his Uncle Myron and switch high schools where he finds both friends and enemies but when his girlfriend vanishes he follows her trail into an underworld that reveals she is not what she seems to be.; ['Juvenile Fiction'], "

"A State of Disobedience; It's Time to Remember the Alamo All Over Again! In the long war against terrorism the US Government had taken on extraordinary powers. And now that the war was won powerful forces in the government had no intention of relinquishing those powers. As in 1860 the country was on the verge of civil war. And as in 1860 a leader arose to save the country<sup>3</sup>but it was not the President this time. Instead the Governor of Texas was the woman of destiny. And though the Federal Government had more guns and troops David was about to give Goliath a run for his money. . . . At the publisher's request this title is sold without DRM (Digital Rights Management). ""Probably the most realistic depiction of a second American Revolution ever written.""<sup>4</sup>John Ringo; ['Fiction'], "

"Legend of the Celtic Stone (Caledonia Series Book 1); When a legendary stone is stolen from Westminster Abbey Great Britain is set astir. Both the IRA and the Scottish nationalists are suspected. Amid the uproar young politician Andrew Trentham embarks on a personal quest for answers. But the more he learns about his Scottish ancestry the more questions he has.; ['Fiction'], "

"Where the Money Was: The Memoirs of a Bank Robber (Library of Larceny); The Broadway Books Library of Larceny Luc Sante General Editor For more than fifty years Willie Sutton devoted his boundless energy and undoubted genius exclusively to two activities at which he became better than any man in history: breaking in and breaking out. The targets in the first instance were banks and in the second prisons. Unarguably America's most

famous bank robber Willie never injured a soul but took on almost a hundred banks and departed three of America's most escape-proof penitentiaries. This is the stuff of myth-rascally and cautionary by turns—yet true in every searing diverting and brilliantly recalled detail.; ['Biography & Autobiography'], "

"The naked ape; FIFTIETH ANNIVERSARY EDITION - WITH A NEW PREFACE BY THE AUTHOR Here is the Naked Ape at his most primal - in love at work at war. Meet man as he really is: relative to the apes stripped of his veneer as we see him courting making love sleeping socialising grooming playing. Zoologist Desmond Morris's classic takes its place alongside Darwin's Origin of the Species presenting man not as a fallen angel but as a risen ape remarkable in his resilience energy and imagination yet an animal nonetheless in danger of forgetting his origins. With its penetrating insights on man's beginnings sex life habits and our astonishing bonds to the animal kingdom The Naked Ape is a landmark at once provocative compelling and timeless. 'Original provocative and brilliantly entertaining. It's the sort of book that changes people's lives' Sunday Times; ['Social Science'], "

"Custer and the Little Big Horn: A Psychobiographical Inquiry; In this book Hofling turns his attention to the psychological context in which Custer operated in order to understand the decisions which produced his final disaster.; ['History'], "

"Handbook of Christianity in Japan (Handbook of Oriental Studies/Handbuch Der Orientalistik - Part 5: Japan 10); On 9th August 1945 the US dropped the second atomic bomb on Nagasaki. Of the dead approximately 8500 were Catholic Christians representing over sixty percent of the community. In this collective biography nine Catholic survivors share personal and compelling stories about the aftermath of the bomb and their lives since that day. Examining the Catholic community's interpretation of the A-bomb this book not only uses memory to provide a greater understanding of the destruction of the bombing but also links it to the past experiences of religious persecution drawing comparisons with the 'Secret Christian' groups which survived in the Japanese countryside after the banning of Christianity. Through in-depth interviews it emerges that the memory of the atomic bomb is viewed through the lens of a community which had experienced suffering and marginalisation for more than 400 years. Furthermore it argues that their dangerous memory confronts Euro-American-centric narratives of the atomic bombings whilst also challenging assumptions around a providential bomb. Dangerous Memory in Nagasaki presents the voices of Catholics many of whom have not spoken of their losses within the framework of their faith before. As such it will be invaluable to students and scholars of Japanese history religion and war history.; ['History'], "

"Malta magnificent; Malta Magnificent written by Major Francis Gerard and first published in 1943 tells of the siege of Malta one of the epic incidents in the world's history. For two years the Luftwaffe was hurled against the island day and night but Malta and its people stood

indomitable and unshaken throughout and the "George Cross Island" held. A gripping account.; ['History'], "

"Shakespearean Negotiations: The Circulation of Social Energy in Renaissance England (The New Historicism: Studies in Cultural Poetics) (No. 84); Hop on Pop showcases the work of a new generation of scholars—from fields such as media studies literature cinema and cultural studies—whose writing has been informed by their ongoing involvement with popular culture and who draw insight from their lived experiences as critics fans and consumers. Proceeding from their deep political commitment to a new kind of populist grassroots politics these writers challenge old modes of studying the everyday. As they rework traditional scholarly language they search for new ways to write about our complex and compelling engagements with the politics and pleasures of popular culture and sketch a new and lively vocabulary for the field of cultural studies. The essays cover a wide and colorful array of subjects including pro wrestling the computer games Myst and Doom soap operas baseball card collecting the Tour de France karaoke lesbian desire in the Wizard of Oz Internet fandom for the series Babylon 5 and the stress-management industry. Broader themes examined include the origins of popular culture the aesthetics and politics of performance and the social and cultural processes by which objects and practices are deemed tasteful or tasteless. The commitment that binds the contributors is to an emergent perspective in cultural studies one that engages with popular culture as the culture that ""sticks to the skin"" that becomes so much a part of us that it becomes increasingly difficult to examine it from a distance. By refusing to deny or rationalize their own often contradictory identifications with popular culture the contributors ensure that the volume as a whole reflects the immediacy and vibrancy of its objects of study. Hop on Pop will appeal to those engaged in the study of popular culture American studies cultural studies cinema and visual studies as well as to the general educated reader. Contributors. "The Highwaymen: Warriors of the Information Superhighway; A struggle is taking place--not just among corporate titans but among entire industries. At stake is control of the world's fastest-growing industry: communications. The contestants are Hollywood studios television networks and cable telephone computer publishing and consumer-electronics companies. All are vying to collect a toll on the information superhighway. And as they jockey for control they tread on volatile ground as one fixation after another (cable interactive TV) is dumped in favor of the next (satellite the Internet). There is no better account of this turmoil than the one provided here by Ken Auletta bestselling author of Three Blind Mice ("the best book ever written on network television") and Greed and Glory on Wall Street who for five years has brilliantly tracked the communications industry for The New Yorker. Auletta's access to the principal players is unparalleled (six days with Rupert Murdoch summit meetings with John Malone) and his grasp of the issues--from boardroom politics to regulatory and technological pressures--is unmatched by any other journalist. In this riveting collection of his best pieces Auletta takes the reader on a behind-the-scenes tour of such companies as Disney Viacom Microsoft Time Warner and Telecommunications Inc. and keenly chronicles the vanities and visions of the new Highwaymen--Rupert Murdoch Ted Turner Michael Eisner Sumner Redstone Bill Gates and more. Just as Three Blind Mice was heralded as "the new bible of the broadcasting business" The Highwaymen will be received as an indispensable guide to the future of this explosive new world. \* Frank Stanton former president of CBS; ['Biography & Autobiography'], "

"Manual of Herbaceous Ornamental Plants; PREFACE: This text provides information about common and uncommon annuals biennials perennials bulbs ornamental grasses herbs and hardy ferns that are adapted to most climates of the United States and Canada. The fourth edition is larger than the previous edition and I expect that a future edition will be even larger. The learning process of a plantsman is a life-long endeavor and I will continue to discover new plants in my travels. The idea for this text started developing when I was a student in a herbaceous plants course at the University of Illinois. At that time I realized that there was no one text that included identification characteristics and the ornamental and cultural features necessary to obtain a complete understanding of the subject. This idea was further reinforced when I became an instructor of herbaceous plants at Kansas State University. I found it impossible to recommend any one book for student use because each had its advantages and disadvantages. This text provides the student the professional and the home gardener with illustrations and concise treatment of plant information. I have had an opportunity to travel extensively in the United States Canada Europe and Great Britain. Information gained in these travels has been incorporated in this expanded fourth edition. There are over 1 20 new plant descriptions and now a total of 384 color photos. Wildflowers and herbs are two examples of plant groups where coverage has been expanded. Since the printing of the third edition of the Manual of Herbaceous Ornamental Plants I have received many helpful suggestions of how this text could be enhanced. I am indebted to those individuals who took time to contact me with their suggestions. I have assimilated their comments and incorporated them in the fourth edition. The art work for the fourth edition was done by Lynda Chandler.; ['Science'],"

"Multi-Use Collapsible Baskets Patterns; Create beautiful baskets in only a few hours by utilizing the full potential of your scroll saw! Inside this book you will find 100 all-new designs and easy-to-follow instructions. Create clocks baskets frames and more.; ['Crafts & Hobbies'],"

her kindness to his little girl-made this bitter man long for the courage to open up his heart once more. THE DOCTOR'S MIRACLE Singer Rachel Duke was drawn to Paul McCoy the doctor who treated her after she'd collapsed onstage. Could she truly find love with him-and help the doctor heal a faith shaken by memories of war?; ['Fiction'], "

"A Woman's Touch; After first faking love for Rebecca Wade to gain the land that modern-day gunfighter Kyle Stockbridge considers his own he has an uphill battle to convince her that his feelings have become real.; ['Fiction'], "

"Chemical Vapor Deposition : Thermal and plasma deposition of electronic materials (Electrical Engineering); In early 1987 I was attempting to develop a CVD-based tungsten process for Intel. At every step of the development information that we were collecting had to be analyzed in light of theories and hypotheses from books and papers in many unrelated subjects. These sources were so widely different that I came to realize there was no unifying treatment of CVD and its subprocesses. More interestingly my colleagues in the industry were from many disciplines (a surface chemist a mechanical engineer a geologist and an electrical engineer were in my group). To help us understand the field of CVD and its players some of us organized the CVD user's group of Northern California in 1988. The idea for writing a book on the subject occurred to me during that time. I had already organized my thoughts for a course I taught at San Jose State University. Later Van Nostrand agreed to publish my book as a text intended for students at the senior/first year graduate level and for process engineers in the microelectronics industry This book is not intended to be bibliographical and it does not cover every new material being studied for chemical vapor deposition. On the other hand it does present the principles of CVD at a fundamental level while uniting them with the needs of the microelectronics industry.;

"Mason & Dixon; A grammatical textbook for the Pali language with Burmese and Sinhalese script (alongside the Romanization) this edition offers a combination of the new (2015) and the old (1868) with some eccentric digressions into the Ashokan inscriptions theories of the history and origins of the language and anecdotes from an era when European archaeology and scholarship were (re-)discovering Theravada Buddhist philosophy. Mason's approach to the language is based in the ancient grammar of Kaccāyana and reflects the first (pioneering) attempts of Europeans to explain the language to a western audience (often making comparisons to Latin Greek and Sanskrit). This can be used in conjunction with the three other (free!) PDF textbooks for the Pali language

available for download (at [www.pali.pratyeka.org](http://www.pali.pratyeka.org)).; ['Foreign Language Study'],"

"World Sings Goodnight Volume 1; A previously unpublished collection of twelve lullabies illustrated by contemporary award-winning artists including Jonathan Bean Sophie Blackall Renata Liwska and Dan Yaccarino.; ['Juvenile Fiction'],"

"Abraham Lincoln and His Ancestors; ""I found it an inspiring thing to trace the roads these seven successive generations of Lincoln pioneers traveled to look upon the remains of their homes reconstruct from documents and legends their activities judge what manner of men and women they were the place they held among their fellows. In these wanderings the whole history of the United States seemed to unroll before me. In this Lincoln migration we have the family history of millions of our contemporaries.""-Ida M. Tarbell in her preface. Young Samuel Lincoln who had been apprenticed as a weaver in England arrived in the Puritan colony of Boston Bay in 1637. Ida M. Tarbell traces the generations from Samuel to Abraham Lincoln offering rich details of character and circumstance and showing that the president's ancestors were not precisely as his detractors painted them. She takes Abraham Lincoln from the cabin of his birth to the White House where he is introduced to a nation in crisis. Ida M. Tarbell is remembered for her muckraking journalism and her exposi of the Standard Oil Company. Kenneth J. Winkle is an associate professor of history at the University of Nebraska-Lincoln and author of The Politics of Community: Migration and Politics in Antebellum Ohio.;

Her tried and tested approach based on over 20 years' experience of working with students has helped over a million students to achieve their potential. When it comes to studying there is no one-size-fits-all approach. This engaging and accessible guide shows students how to tailor their learning to their individual needs in order to boost their grades build their confidence and increase their employability. Fully revised for the fifth edition it contains everything students need to succeed. This is an invaluable resource for undergraduate students of all disciplines and is also ideal for postgraduates mature students and international students. It prepares students for what to expect before during and after their studies at university. New to this Edition: - Additional material on writing skills including proofreading editing and writing for different assignments - New chapters on managing stress and student wellbeing at university learning in diverse and international contexts and writing essays - More emphasis on reflective learning - Extended guidance on how to balance study with work - More use of visuals to summarise key learning points; ['Study Aids'], "

"Repairing Antique Clocks; Aimed at the antique-clock collector with a practical bent this book reflects both the aesthetic and mechanical aspects of horology. The most readily available types of clock are considered in terms of their appearance construction value and how good a buy they may be for the amateur with limited resources. The book then discusses the various tools and materials needed by the clock-repairer.

The two principal types of clock - weight-driven and spring-driven - are described and there are sections on dismantling cleaning and re-assembling a clock and on setting it up so that it will function reliably. An alphabetical list of the more common repairs is included.; ['Antiques & Collectibles'], "

"Collins Greek Phrase Book and Dictionary (Phrase Book Dictionary & CD); Collins continue to build on the strength of their phrase books by improving and updating their highly successful Phrasebook and Dictionary series. This new edition will contain a photo-key section illustrating signs and other practical and useful information. Previously 'three books in one' the new series will contain 'four books in one' -- a phrase book a food guide (with menu reader) a dictionary and now a photo-key guide showing signs and practical useful visual information. The phrases are short and easy to use. The language reflects everyday speech - there are no lengthy sentences to struggle and sweat over. The phrases have a simple guide to help with pronunciation and there are also practical tips. Collins Phrase Books aren't just for emergencies. They are designed to allow you to get the most out of your visit abroad: from sampling the food to getting the best deals on public transport; ['Foreign Language Study'], "

"Basic number theory (Die Grundlehrnen der mathematischen Wissenschaften in Einzeldarstellungen mit besonderer Berucksichtigung der Anwendungsgebiete 144); Itpzf}J1OV li~oxov uoq>ZUJ1CJ. 7:WV A1(JX. llpoj1. AE(Jj1. The first part of this volume is based on a course taught at Princeton University in 1961-62; at that time an excellent set of notes was prepared by David Cantor and it was originally my intention to make these notes available to the mathematical public with only quite minor changes. Then among some old papers of mine I accidentally came across a long-forgotten manuscript by Chevalley of pre-war vintage (forgotten that is to say both by me and by its author) which to my taste at least seemed to have aged very well. It contained a brief but essentially complete account of the main features of classfield theory both local and global; and it soon became obvious that the usefulness of the intended volume would be greatly enhanced if I included such a treatment of this topic. It had to be expanded in accordance with my own plans but its outline could be preserved without much change. In fact I have adhered to it rather closely at some critical points.; ['Mathematics'],,"

"Dictionary of Premillennial Theology: A Practical Guide to the People Viewpoints and History of Prophetic Studies; More than 50 scholars combine their expertise to present a historical and topical dictionary of premillennial theology.; ['Religion'],,"

"The Boy Werewolf: Curse of the Golden Statue; Ace Chapman is a young American boy living in Paris with his mother. Despite being in one of the most famous cities in the world Ace finds his life to be rather dull. That is until the day he discovers a mythical golden statue in his mother's art museum that transforms the beholder into a werewolf. Within no time at all a new world opens up before him. Ace discovers an underground village of werewolves and learns that he is the only one who can cure them of the werewolf curse. Along the way he learns that an ancient sorcerer named Melvin Incubar is searching for the statue in order to obtain its legendary power. Now Ace must find a way to cope with his new life as a werewolf as well as protect the statue before Incubar can find it and regain his power.; ['Fiction'],,"

"Cook's Night Out: An Angie Amalfi Mystery (Angie Amalfi Mysteries); Foodie Angie Amalfi has decided to make her culinary name by creating the perfect chocolate confection: angelinas. Donating her delicious rejects to the Random Acts of Kindness Mission in San Francisco Angie meets the jittery minister in charge. Soon she volunteers to help organize their first fund-raiser despite the fact that her beau police detective Paavo Smith has warned her away from the place. Before Paavo can stop her he finds himself facing charges that he's a murderous cop on the take. He suspects a ""reformed"" sinner at the mission is setting him up but Angie refuses to believe it. Then faster than you can beat egg whites to a peak she discovers that the mission harbors more than the needy and that it's up to her to save not only Paavo's reputation--but his life too.; ['Fiction'],,"

"Theodore Austin-Sparks (1889-1971): Reflections on His Life and Work; In recent years a movement known as ""the prosperity gospel"" has gained a sizeable following in the evangelical world. It argues that God has already made provision for his children to be wealthy here on earth and

that believers wealth is determined by their faith. Does the comprehensive message of Scripture concerning wealth support this movement which is growing rapidly in Africa? This work looks at this important theme in both Old and New Testaments to determine their basic unity of thought. Both agree that there is a dark and a bright side to riches. There are dangers and serious temptations to wealth but wealth can be a primary means to honor God as well. In this concise booklet Professor Donald Leggett examines this tension and concludes that the prosperity gospel fails to maintain the full biblical witness by ignoring the dangers of being wealthy. Donald Leggett is professor emeritus of Old Testament studies at Tyndale Theological Seminary in Toronto where he has taught for more than 40 years. He holds a ThM from Westminster Theological Seminary in Philadelphia and a doctorate from the Free University of Amsterdam. He has also taught at the Irish Baptist College Belfast at Scott Theological College in Kenya and in India at the South Asia Institute for Advanced Christian Studies. From 1978 to 2003 he co-pastored Village Green Baptist Church in London Ontario. He previously authored ""The Kinsman Redeemer in the Book of Ruth"" and ""Loving God and Disturbing Men." He is married to Linda and they have five grown children now living in various parts of the world.; ['Biography & Autobiography'],"

"The explorer; Na Feo en de wolven van Katherine Rundell verschijnt nu haar jeugdroman De ontdekkingsreiziger. Over vier kinderen die met een vliegtuig crashen en op mysterieuze stad in de jungle stuiten. Na Feo en de wolven is er nu De ontdekkingsreiziger van Katherine Rundell. Over vier kinderen die met een vliegtuig crashen en op een mysterieuze stad in de jungle stuiten. Opnieuw een betoverend avontuur van een veelvoudig bekroonde auteur. Vier kinderen overleven een crash in het Amazonewoud nadat de piloot aan een hartaanval is bezweken. Maar ze zijn ver weg van de bewoonde wereld en dus van alle hulp. De jungle is een meedogenloze maar tegelijk ook betoverende plek. Ze eten larven en een tarantula reden een babyluiaard klimmen in bomen en bouwen een vlot. Maar hun kans op redding wordt met de dag kleiner. Dan vinden ze een kaart waarop een stad staat aangegeven. Blijkbaar zijn ze niet de eersten op deze plek. Met hernieuwde hoop gaan ze op weg om de verloren stad te vinden... 'Een geweldige leeservaring over een tijdloze ontdekkingsreis die lezers van 8 tot 88 zal bekoren.' Uit het Juryrapport van de Costa Children's Book Award 2017 over De ontdekkingsreiziger 'Elk boek van Katherine Rundell is anders elk boek is een avontuur. (...) Feo en de wolven is spectaculair!'

"Forbes To The Limits: Pushing Yourself to the Edge in Adventure and in Business; Following modern executives as they push themselves to the limits in life and in business In To the Limits adventure writer Jim Clash examines the phenomenon of corporate leaders and millionaires who test their limits through high-end risky adventure—and links the life and business lessons they have learned along the way. Based on his popular column in Forbes Clash details his own exotic adventures and includes anecdotes from high-profile daredevil executives who share his passion for adventure—from flying to the edge of space 84,000 feet up (Dennis Tito Chief Executive of Wilshire Associates) to climbing 20,000-foot mountain peaks (Timothy Forbes Chief Operating Officer of Forbes Inc.) to racing open-wheel cars (Mark Patterson Vice Chairman of Credit Suisse First Boston) to swimming at the North Pole (Geoffrey Kent Chief Executive of Abercrombie & Kent). Clash's dramatic narrative also explores the powerful connection between extreme success in business and in life and covers topics such as risk-taking testing personal limits and dealing with

decision-making responsibilities. James M. Clash (New York NY) covers mutual funds for Forbes magazine and writes a popular column called ""The Adventurer"" for Forbes Global. An avid wilderness enthusiast he is a Fellow in the Explorers Club who has undertaken a number of unforgettable challenges-he has climbed the Matterhorn ridden in a MiG jetfighter at two-and-a-half-times the speed of sound driven Indycars at upwards of 180 mph climbed virgin mountains in Antarctica and has visited the North Pole twice. Clash has also interviewed legendary adventurers such as Buzz Aldrin Sir Roger Bannister Sir Edmund Hillary and four-time Indy 500 winner Rick Mears-all of whom are included in this book.; ['Business & Economics'], "

"Edison and the Electric Chair : A Story of Light and Death; Thomas Edison stunned America in 1879 by unveiling a world-changing invention--the light bulb--and then launching the electrification of America's cities. A decade later despite having been an avowed opponent of the death penalty Edison threw his laboratory resources and reputation behind the creation of a very different sort of device--the electric chair. Deftly exploring this startling chapter in American history Edison & the Electric Chair delivers both a vivid portrait of a nation on the cusp of modernity and a provocative new examination of Edison himself. Edison championed the electric chair for reasons that remain controversial to this day. Was Edison genuinely concerned about the suffering of the condemned? Was he waging a campaign to smear his rival George Westinghouse's alternating current and boost his own system? Or was he warning the public of real dangers posed by the high-voltage alternating wires that looped above hundreds of America's streets? Plumbing the fascinating history of electricity Mark Essig explores America's love of technology and its fascination with violent death capturing an era when the public was mesmerized and terrified by an invisible force that produced blazing light powered streetcars carried telephone conversations--and killed.; ['Biography & Autobiography'], "

"Revelations of Divine Love; Coming from a society where women were barred from serious writing and teaching Julian an anchorite of the great medieval city of Norwich nevertheless uses her womanlines and the English vernacular of the day to describe a series of revelations which she received from God in the year 1373. She identifies the female nature of Christ's suffering and the motherhood of God using images from domestic daily life emphasizing the homeliness of God's love. She writes in a lively and unpretentious manner and her theology is precise without ever being pedantic.; ['Religion'], "

"October Echoes; Sara Pierson is a dedicated FBI agent living and breathing her job. When a seven year old boy is kidnapped she pledges that the boy will see his mother's face again. She never expects the twists and turns the case provides complicating things and making her job that much harder. Nora de Burgh is an Irish terrorist in an American prison with a long-ago tie to the boy's father. She has vowed to take her revenge - that the man is now a diplomat certainly complicates everything about the case. It's apparent that Nora has information that Sara needs from their first meeting - contacts in the Irish-American underworld a culture that never forgets their history of hate and pain. Who are the good guys in the world of international politics? It's hard to tell and Sara begins to learn that fact the hard way. In order to find the boy and keep her promise she must learn to trust a terrorist and along the way she learns that her black and white world has room for shades of gray.

From Ireland to America and back again...both women find that the echoes of the past sometimes find the present.; ['Fiction'], "

"Hot Potato: How Washington and New York Gave Birth to Black Basketball and Changed America's Game Forever; ""The players today are much better than we were.... But there is one thing that we could do better. We could pass the ball better than they can now. Man we used to pass that basketball around like it was a hot potato." "--Sam ""Buck"" Covington former member of the Washington Bruins n a nation distinguished by a great black athletic heritage there is perhaps no sport that has felt the impact of African American culture more than basketball. Most people assume that the rise of black basketball was a fortuitous accident of the inner-city playgrounds. In Hot Potato Bob Kuska shows that it was in fact

a consciously organized movement with very specific goals. When Edwin Henderson introduced the game to Washington D.C. in 1907 he envisioned basketball not as an end in itself but as a public-health and civil-rights tool. Henderson believed that by organizing black athletics including basketball it would be possible to send more outstanding black student athletes to excel at northern white colleges and debunk negative stereotypes of the race. He reasoned that in sports unlike politics and business the black race would get a fair chance to succeed. Henderson chose basketball as his marquee sport and he soon found that the game was a big hit on Washington's segregated U Street. Almost simultaneously black basketball was catching on quickly in New York and the book establishes that these two cities served as the birthplace of the black game. Hot Potato chronicles the many successes and failures of the early years of black amateur basketball. It also recounts the emergence of black college basketball in America documenting the origins of the Colored Intercollegiate Athletic Association or CIAA which would become the Big Ten of black collegiate sports. The book also details for the first time the rise of black professional basketball in America with a particular emphasis on the New York Renaissance a team considered by experts to be as important in the development of black basketball as the Harlem Globetrotters. Kuska recounts the Renaissance's first victory over the white world champion Original Celtics in 1925 and he evaluates the significance of this win in advancing equality in American sports. By the late 1920s the Renaissance became one of the sport's top draws in white and black America alike setting the stage for the team's undisputed world championship in 1939. As Edwin Henderson had hoped--and as any fan of the modern-day game can tell you--the triumphs certainly did not end there.; ['History'], "

"Jefferson's Demons: Portrait of a Restless Mind; ""I have often wondered for what good end the sensations of Grief could be intended." -- Thomas Jefferson Thomas Jefferson suffered during his life from periodic bouts of dejection and despair shadowed intervals during which he was full of ""gloomy forebodings"" about what lay ahead. Not long before he composed the Declaration of Independence the young Jefferson lay for six weeks in idleness and ill health at Monticello paralyzed by a mysterious ""malady." Similar lapses were to recur during anxious periods in his life often accompanied by violent headaches. In Jefferson's Demons Michael Knox Beran illuminates an optimistic man's darker side -- Jefferson as we have rarely seen him before. The worst of these moments came after his wife died in 1782. But two years later after being dispatched to Europe Jefferson recovered nerve and spirit in the salons of Paris where he fell in love with a beautiful young artist Maria Cosway. When their affair ended Jefferson's health again broke down. He set out for the palms and temples of southern Europe and though he did not know where the therapeutic journey would take him or where it would end his encounter with the old civilizations of the Mediterranean was transformative. The Greeks and Romans taught him that a man could make productive use of his demons. Jefferson's immersion in the mystic truths of the Old World gave him insights into mysteries of life and art that Enlightenment philosophy had failed to supply. Beran skillfully shows how Jefferson drew on the esoteric lore he encountered to transform anxiety into action. On his return to America Jefferson entered the most productive period of his life: He created a new political party was elected president and doubled the size of the country. His private labors were no less momentous...among them the artistry of Monticello and the University of Virginia. Jefferson's Demons is an elegantly composed account of the strangeness and originality of one Founder's genius.

Michael Knox Beran uncovers the maps Jefferson used to find his way out of dejection and to forge a new democratic culture for America. Here is a Jefferson who with all his failings remains one of his country's greatest teachers and prophets.; ['Biography & Autobiography'], "

"The Sword Of Imagination: Memoirs Of A Half-Century Of Literary Conflict; Russell Kirk author of *The Conservative Mind* and *A Program for Conservatives* has been regarded as one of the foremost figures of the post-World War II revival in conservative thought. While numerous commentators on contemporary political thought have acknowledged his considerable influence on the substance and direction of American conservatism no analysis of his social and political writing has dealt extensively with the philosophical foundations of his work. In this provocative study W. Wesley McDonald examines those foundations and demonstrates their impact on the conservative intellectual movement that emerged in the 1950s and 1960s. Kirk played a pivotal role in drawing conservatism away from the laissez-faire principles of libertarianism and toward those of a traditional community grounded in a renewed appreciation of man's social and spiritual nature and the moral prerequisites of genuine liberty. In a humane social order a community of spirit is fostered in which generations are bound together. According to Kirk this link is achieved through moral and social norms that transcend the particularities of time and place and because they form the basis of genuine civilized existence can only be neglected at great peril. These norms reflected in religious dogmas traditions humane letters social habit and custom and prescriptive institutions create the sources of the true community that is the final end of politics. Although this study does not challenge Kirk's debts to a predominantly Catholic and Anglo-Catholic tradition of natural law its focus is on his appeal to historical experience as the test of sound institutions. This aspect of his thought was essential to Kirk's understanding of moral cultural and aesthetic norms and can be seen in his responses to American humanists Paul Elmer More and Irving Babbitt and to English and American romantic literature. Russell Kirk and the Age of Ideology is particularly relevant because of the growing interest in Kirk's legacy and the current debate over the meaning of conservatism. McDonald addresses both of those developments in the context of examining Kirk's thought attempting to correct some of the inadequacies contained in earlier studies that assess Kirk as a political thinker. This book will serve as a significant contribution to the commentary on this fascinating figure.; ['Political Science'],"

"Winter Seasons; Children describe their favorite things to do during the winter from playing in the snow to indoor activities.; ['Board books'],"

"Cases and Materials on Criminal Law (American Casebook Series); Premised on the belief that criminal law is an exciting subject to learn and teach this popular casebook provides a balanced and creative overview of classic and modern criminal law cases and issues while covering both common law foundations and modern statutory reform including the Model Penal Code. The casebook invites classroom consideration of many controversies in the field (e.g. rape law race-based jury nullification Internet crime and anti-stalking legislation) and defenses (e.g. battered women's self-defense). Using imaginative examples from literature and music to illustrate criminal law issues (e.g. examining insanity with Edgar Allan Poe's *The Tell-Tale Heart* and homicide with Willa Cather's *O Pioneers!*) the casebook allows law students to confront some of the Big Questions with which philosophers theologians scientists poets and lawyers have grappled for centuries.; ['Law'], "

"Executive Treason: A Novel; This second standalone globe-hopping thriller in the Executive Series finds Secret Service Agent Scott Roarke confronted with Russian spycraft murder in the White House and a frenzy fueled by the country's leading hate talk radio personality. "As topical as tomorrow's Internet blog...fast-paced with vivid characters and a plot right off the front pages. Surprises you on every page. A winner."—LARRY BOND New York Times bestselling author of *Artic Gambit* The terrorists who came within a heartbeat of undermining the presidency of the United States in Executive Actions are back in Executive Treason with a new—and deadlier—plot to destabilize the U.S. government. It begins with the mugging and murder of a female White House staffer. Secret Service Agent Scott Roarke discovers the larger truth: the murder was committed by his secret nemesis the mysterious assassin who had stayed one step ahead of him during the presidential campaign. This time Roarke has found clues about the assassin's past that give him the tools he needs to hunt the hunter and also silence a popular hate talk radio host dividing the country. But the clues can only go so far. Roarke needs all his skill and a huge amount of luck if he's going to catch his quarry. "More chilling than science fiction. Gary Grossman shows how the media itself can become a weapon of mass destruction. You'll never listen to talk radio again without a shiver going down your spine."—GARRY GOLDMAN executive producer

of Minority Report and screenwriter for Navy SEALS and Total Recall; ['Fiction'], "

"I Can Get It For You Wholesale; New York Times-bestselling author: The classic comic story of a con man out to pull the job of a lifetime in New York's Garment District. Just south of Times Square more than six thousand manufacturers of dresses are crammed into the few blocks that make up Manhattan's garment district. Their factories are cramped noisy and incredibly profitable—and Harry Bogen is going to take them for all they're worth. A classic conniver he knows that it's easier and a hell of a lot more fun to turn a buck by lying than by telling the truth. First he convinces the shipping clerks—the pack animals of the garment industry—to go on strike. With the dress manufacturers brought to their knees Harry will be there to pick them up again. His conscience might be conflicted if he had one in the first place. A bracing comic sensation when first published I Can Get It for You Wholesale remains a timeless masterpiece—its hero still a scoundrel and his charm as irresistible as ever. This ebook features a foreword by Alistair Cooke.; ['Fiction'], "

"The Middle Kingdom; No matter what one doubts wrote Yeats one never doubts the faeries for...they stand to reason. The author a friend of both Yeats and the great folklorist Douglas Hyde is a staunch believer in the ancient and continuing spirit life of the countryside. Writing not as folklorist but as an historian he records many manifestations of the Irish fairy world in recent years. Strikingly persuasive this tackles in a serious and intelligent manner a subject that has a strong romantic appeal.; ['History'], "

"Moomin Mymble and Little My; In a delightful curious game of what comes next Moomintroll travels through the woods to get home with milk for Moominmamma. "Ways to the Sky (American Alpine Book Series); This magesterial and thrilling history argues that the story of American mountaineering is the story of America itself. In Continental Divide Maurice Isserman tells the history of American mountaineering through four centuries of landmark climbs and first ascents. Mountains were originally seen as obstacles to civilization; over time they came to be viewed as places of redemption and renewal. The White Mountains stirred the transcendentalists; the Rockies and Sierras pulled explorers westward toward Manifest Destiny; Yosemite inspired the early environmental conservationists. Climbing began in North America as a pursuit for lone eccentrics but grew to become a mass-participation sport. Beginning with Darby Field in 1642 the first person to climb a mountain in North America Isserman describes the exploration and first ascents of the major American mountain ranges from the Appalachians to Alaska. He also profiles the most important American mountaineers including such figures as John C. Frémont John Muir Annie Peck Bradford Washburn Charlie Houston and Bob Bates relating their exploits both at home and abroad. Isserman traces the evolving social cultural and political roles mountains played in shaping the country. He describes how American mountaineers forged a ""brotherhood of the rope"" modeled on America's unique democratic self-image that characterized climbing in the years leading up to and immediately following World War II. And he underscores the impact of the postwar ""rucksack revolution"" including the advances in technique and style made by pioneering ""dirtbag"" rock climbers. A magnificent deeply researched history Continental Divide tells a story of adventure and aspiration in the high peaks that makes a vivid case for the importance of mountains to American national identity.; ['Sports & Recreation'], "

"Creative Watercolor: New Ways to Express Yourself; The author of the award-winning Easy Watercolor is back with a special instructional guide for intermediate painters. Marcia Moses whose award-winning Easy Watercolor taught beginners the basic skills of the art now takes painters the next step in their creative journey. These lessons are meant for intermediates and they're as illuminating and exquisitely illustrated as the ones in her first volume. After reviewing the fundamentals Moses delves deeply into color (understanding its properties creating harmony and conflict mixing exciting hues); techniques in action from backgrounds and texture to layering shading and brushstrokes; and painting with feeling. See how to add figures and set them in motion. Capture nature including moody skies and watery landscapes. Put all the elements together for a satisfying finished work. Above all Moses gives developing painters the gift of understanding how to use their imaginations--the key to artistic success. A Selection of the Crafters Choice Book Club.;

"The Autobiography and Other Writings; Benjamin Franklin's writings represent a long career of literary scientific and political efforts over a lifetime which extended nearly the entire eighteenth century. This volume includes Franklin's reflections on such diverse questions as philosophy and religion social status electricity American national characteristics war and the status of women. Nearly sixty years separate the earliest writings from the latest an interval during which Franklin was continually balancing between the puritan values of his upbringing and the modern American world to which his career served as prologue.

This edition provides a new text of the Autobiography established with close reference to Franklin's original manuscript. It also includes a new transcription of the 1726 journal and several pieces which have recently been identified as Franklin's own work. For more than seventy years Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up-to-date translations by award-winning translators.; ['Biography & Autobiography'],"

"Uprising; InUprising Dean Urdahl has crafted a story about Minnesota s war within a war in the Minnesota River Valley during the autumn of 1862. His saga is enriched by unfolding . . . on an even broader background beginning with the bloody battle of Shiloh in the spring of 1862 and carrying his main character Nathan Thomas from there to Minnesota where he participates in an extraordinary number of adventures during the six-week ethnic earthquake variously known as the Sioux Uprising the Dakota Conflict and the Dakota War. In casting Nathan as his central figure and relating him to the two theaters of conflict during the great battles of Second Manassas Antietam Corinth and others in the East . . . he adds meaning and depth to the power of his story. Steeped in the history and lore of the area in which he lives and knows well Urdahl has given us an absorbing story about human tragedy heroism and survival by ordinary folks on a grand scale during a clash of cultures whose legacy still lives with us today. Russell Fridley Past executive director of the Minnesota Historical Society"; ['Fiction'], "

"Four Prophets..a Translation Into Modern English Amos Hosea Micah Isaiah; J. B. Phillips began to translate the Bible during World War II for study by youth groups of the Anglican church in London of which he was then vicar; his New Testament translations have since been read by millions. Four Prophets is his first translation from the Old Testament. But as for me my eyes look for the Lord. I will wait for the God who will save me; Yes my God will deliver me! Never exult over me my enemy--When I fail I shall rise again; When I sit in darkness The Lord shall be my light. I will endure the displeasure of the Lord (For I have sinned against him) Until the day when he takes up my cause And vindicates my

right. He will bring me out into the light And I shall see the justness of his ways. Micah 7:7; ['Religion'], "

"ADVENTURES OF PINOCCHIO; Pinocchio The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out ""Don't strike me too hard!"" Frightened by the talking log Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio the puppet that turns into a boy. Pinocchio The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio an animated marionette and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinocchio. It includes 40 illustrations.; ['Juvenile Fiction'], "

"The Geographic Mosaic of Coevolution (Interspecific Interactions); Coevolution—reciprocal evolutionary change in interacting species driven by natural selection—is one of the most important ecological and genetic processes organizing the earth's biodiversity: most plants and animals require coevolved interactions with other species to survive and reproduce. The Geographic Mosaic of Coevolution analyzes how the biology of species provides the raw material for long-term coevolution evaluates how local coadaptation forms the basic module of coevolutionary change and explores how the coevolutionary process reshapes locally coevolving interactions across the earth's constantly changing landscapes. Picking up where his influential The Coevolutionary Process left off John N. Thompson synthesizes the state of a rapidly developing science that integrates approaches from evolutionary ecology population genetics phylogeography systematics evolutionary biochemistry and physiology and molecular biology. Using models data and hypotheses to develop a complete conceptual framework Thompson also draws on examples from a wide range of taxa and environments illustrating the expanding breadth and depth of research in coevolutionary biology.; ['Science'], "

A story of the Church unparalleled in its scope depth variety and impact and a book all Catholics should read.; ['Religion'], "  
"100 Simple Secrets of Happy People - Hallmark Edition; The Simple Science of Happiness Scientists and academics have spent entire careers

investigating what makes people happy. But hidden in obscure scholarly journals and reports their research is all too often inaccessible to ordinary people. At last social scientist and psychologist David Niven Ph.D. distills the scientific gobbledegook of over a thousand of the most compelling and important studies on happiness into easy-to-digest nuggets of advice. Each of the hundred practices attitudes and habits for happiness is illustrated with a clear example and illuminated by a straightforward explanation of the science behind it to show you how to transform a ho-hum existence into a full and happy life. Believe In Yourself: Across all ages and all groups a solid belief in one's own abilities increases life satisfaction by about 40 percent and makes us happier both in our home lives and in our work lives. Turn Off The TV: Watching too much TV can triple our hunger for more possessions while reducing our personal contentment by about 5 percent for every hour a day we watch. Enjoy What You Have: People who have the most are only as likely to be happy as those who have the least. People who like what they have however are twice as likely to be happy as those who actually have the most. Don't Forget To Have Fun: Having fun is one of the five central factors in leading a satisfied life. Individuals who spend time just having fun are 20 percent more likely to feel happy on a daily basis and 36 percent more likely to feel comfortable with their age and stage in life.; ['Self-Help'], "

"Lucy's Child: The Discovery of a Human Ancestor; A famed paleontologist describes his latest find at Tanzania's Olduvai Gorge a two million-year-old elbow bone a discovery that raises questions about humankind's evolution; ['Science'], "

"Living Presence; A revised 25th anniversary edition of the classic work on Sufism that Jack Kornfield called ""A heartfelt modern illumination of the Sufi path filled with the fragrance of the ancients."" In Sufism the mystical branch of Islam presence is the quality that describes a heart-filled state of mindfulness an experience of being conscious in the present moment. It is only in this present moment Sufi teachings reveal that we can connect with the Divine and the Divine can live through us. Kabir Helminski is one of the world's most recognized teachers of Sufism. Named one of the ""500 Most Influential Muslims"" in the world by Georgetown University and the Royal Strategic Studies Center Helminski and his teachings are touchstones for the growth in interest in Sufism and his books have been translated around the world. In Living Presence Helminski lays out the basic principles of Sufism and how these ideas can lead to the experience of presence. In this inspiring work readers will learn how to cultivate presence in their lives through: \* Finding a balance between the outer stimuli of the world and our inner reactions to them \* Harnessing faithfulness and gracefulness \* Learning about the parallels between ancient spiritual wisdom and modern psychological knowledge \* Meditation and contemplation to discover more meaning in daily life With unique clarity this book describes how presence can be developed to vastly improve our lives. Drawing on the work of the beloved Sufi poet Rumi as well as traditional material and personal experience this book integrates the ancient wisdom of Sufism with the needs of contemporary life. Completely revised and updated for its 25th anniversary this edition of Living Presence offers a wisdom that is both universal and practical.; ['Body Mind & Spirit'], "

"Yes: Screenplay and Notes; The only book by the writer/director of Orlando and The Tango Lesson about her daring new movie starring Joan Allen coming from Sony Pictures Classics in May. ""How can I describe Yes? Is it a love story? It's certainly romantic but it is also quite definitely political. And it is also funny though you couldn't really call it a comedy"" says Sally Potter about the movie she began writing immediately following 9/11 as a response to the demonization of the Arab world in the West and the simultaneous wave of hatred against America. The story: She (Joan Allen) is an Irish-American scientist who is being strangled by her marriage to Anthony. She begins an affair with He (Simon Abkarian) a Lebanese surgeon exiled in London who is working as a cook. Sam Neill plays Anthony the betrayed and betraying politician husband and Shirley Henderson is a philosophical cleaner who witnesses the trail of heartbreak the lovers leave behind them as they embark on a personal journey through several countriesfrom London and Belfast to Beirut and Havanawhich forces them to evaluate their beliefs and each other. To have her characters better express ideas which might be abstract or hard to digest Potter chose to write their dialogue in verse though such is the narrative drive and the strength of the performances that for much of the time this seems like just a more lyrical version of everyday speech. She says of her choice: ""I read somewhere that in times of war the sales of poetry books go up. It's as though we need to use our most clear and rich tool which is the tool of language to express the subtleties and the nuances of our experience. And I think that verse is a kind of structure that allows us to explore language in a more interesting more heightened way than we tend to in everyday conversation." In addition to the complete screenplay and filmmaker's notes the book includes essays written exclusively for this edition by the acclaimed literary figures John Berger and Pankaj Mishra. 20 color photos.; ['Performing Arts'], "

"Lilo & Stitch Sticker Book (Ultimate Sticker Books); The beloved Disney movie Lilo & Stitch retold for the first time in the iconic Little Golden Book format! Lilo is a young lonely girl who has never quite fit in with kids her own age. Stitch is an extraterrestrial creature genetically engineered to cause chaos and destruction. When Stitch ends up at the pound in Lilo's Hawaiian town she adopts him. Together they learn that it's not always bad to be different and that your ohana or family is a bond worth fighting for—even if that fight is against alien invaders! Since 2002 Disney's Lilo & Stitch has been beloved by viewers and now in preparation for the 20th anniversary in 2022 you can relive the film in the classic Little Golden Book format. Perfect for both Disney fans ages 2 to 5 and Lilo & Stitch lovers of all ages this story is sure to bring both laughter and tears to readers young and old.; ['Juvenile Fiction'], "

"Ivy's Icicle: Book Three--Forgiving Others (Thinking of Others Books); Includes beginning Sept. 15 1954 (and on the 15th of each month Sept.-May) a special section: School library journal ISSN 0000-0035 (called Junior libraries 1954-May 1961). Also issued separately.; ['Libraries'], "

"Fearfully and Wonderfully Made (Walker Large Print Books); Explores the human body--its skin bones muscles--in search of knowledge about God's purpose and design for humankind and makes analogies to the relationship of Christ to the Christian faith.; ['Religion'], "

"Tenor Voice; Performance demands on the tenor exceed those of every other vocal category often necessitating more vocal stamina and greater dramatic subtlety. Moreover teaching the several categories of the tenor voice presents teachers of singing with a series of problems not encountered with any other voice type. The tenor voice remains in short a mystery to most audiences and teachers alike. Training Tenor Voices presents a unique combination of historical and pedagogical information on how tenors sing. Designed as a practical program for singers teachers and voice professionals the book places emphasis on the special nature of the tenor voice and the proper physiological functioning that leads to the establishment of vocal proficiency. It supplies practical information on instruction for each category of the tenor voice; recommends the kinds of literature to sing and to avoid; and provides an effective system for voice building including registration factors techniques for breath coordination vowel modification ("covering") resonance balancing range

extension the development of vocal agility and maintaining the high tessitura and sostenuto. The book also includes dozens of technical exercises; numerous anatomical illustrations; musical examples; the International Phonetic Alphabet (IPA) symbols; unique spectrographic analyses of such famous tenors as Jussi Bjoerling Franco Corelli Placido Domingo and Luciano Pavarotti; a glossary of terms; and a bibliography.; ['Music'], "

"Changeling Garden; In The Changeling Garden by Winifred Elze when Annie and Mark and their five-year-old son David move into a grand old Victorian house surrounded by a jumble of gardens they are not prepared for the terrifying adventure that awaits them. Little David demonstrates an immediate affinity with the plants who protect as well as play with him. Annie soon discovers a mysterious birthright and extraordinary powers of her own. And the entire family becomes involved in a fantastic ancient feud that is rooted in the garden but quickly takes on global implications. The Changeling Garden is an amazement. Domestic events become frightening as familiar plants conspire to heal or kill or even to infiltrate the minds of an entire community ... while a jungle thousands of miles away prepares to reclaim its rights to the very planet on which it lives.; ['Fiction'], "

"The Kindling (The Fire-Us Trilogy Book 1); It is the year 2007. The world has been wiped out by a deadly plague that killed all the adults. Without them children perished of hunger and disease. No more people no more electricity no more civilization -- just mildewed houses overgrown yards and abandoned cars. Yet on a highway strip outside a small town in Florida the words ""We're Still Here"" are painted in letters big enough to be seen from an airplane -- although no planes ever cross the empty sky. Miraculously seven children have survived among the ruins. They cannot remember their names their families or much else from the Before Time. But they have forged a new family with new names: Mommy Hunter Teacher Action Figure Teddy Bear Baby and Doll. They must face each day with enough hope to endure and the strength to realize that there may be nothing out there worth living for. Then one day a new kid shows up on their doorstep and changes everything. He invites them to join him on a dangerous journey to Washington to find a man called President if he's still alive -- and seek the answers to the mystery at the heart of the Fire-us. In this first book of the Fire-us Trilogy Jennifer Armstrong and Nancy Butcher weave a compelling post-apocalyptic tale luring readers into a world that is inventive enough to intrigue yet true enough to believe.; ['Juvenile Fiction'], "

"The Wilding of America: Greed Violence and the New American Dream (Contemporary Social Issues); The American dream champions individualism. But at what price? In the fully updated fifth edition of The Wilding of America Charles Derber chronicles the latest incidents of "wilding"- acts of self-interested violence or greed that weaken the social fabric. Each chapter of the new edition has been thoroughly revised. New discussions include: an analysis of global corporate power in the wake of the 2008

economic crisis including an in-depth look at factory workers in both Guatemala and South China; an examination of the state of New Orleans in 2009; and a look at the impact of the Obama administration on wilding behavior. In addition two all new chapters have been added to the Fifth Edition. Chapter 5 Subprime Capitalism examines the 2008 Wall street collapse including sections on the rise and fall of Bernie Madoff the workings of the housing market and the role of the media before and after the collapse. Chapter 9 The Tragedy of the Commons identifies how wilding behavior threatens the building blocks of a good society. This chapter specifically examines the effects of wilding on our public space social infrastructure and natural environment.; ['Social Science'],

"

"To Have or to Be; To Have Or to Be? is one of the seminal books of the second half of the 20th century. Nothing less than a manifesto for a new social and psychological revolution to save our threatened planet this book is a summary of the penetrating thought of Eric Fromm. His thesis is that two modes of existence struggle for the spirit of humankind: the having mode which concentrates on material possessions power and aggression and is the basis of the universal evils of greed envy and violence; and the being mode which is based on love the pleasure of sharing and in productive activity. To Have Or to Be? is a brilliant program for socioeconomic change.; ['Philosophy'],

"Measuring Computer Performance: A Practitioner's Guide; Measuring Computer Performance sets out the fundamental techniques used in analyzing and understanding the performance of computer systems. Throughout the book the emphasis is on practical methods of measurement simulation and analytical modeling. The author discusses performance metrics and provides detailed coverage of the strategies used in benchmark programmes. He gives intuitive explanations of the key statistical tools needed to interpret measured performance data. He also describes the general 'design of experiments' technique and shows how the maximum amount of information can be obtained for the minimum effort. The book closes with a chapter on the technique of queueing analysis. Appendices listing common probability distributions and statistical tables are included along with a glossary of important technical terms. This practically-oriented book will be of great interest to anyone who wants a detailed yet intuitive understanding of computer systems performance analysis.; ['Computers'],"

"Algebra Survival Guide Workbook: Thousands of Problems To Sharpen Skills and Enhance Understanding; Following on the success of the Algebra Survival Guide the Algebra Survival Guide Workbook presents thousands of practice problems (and all answers) to help children master algebra. The problems are keyed to the pages of the Algebra Survival Guide so that children can find detailed instructions and then work the sets. Each problem set focuses like a laser beam on a particular algebra skill then offers ample practice problems. Answers are conveniently displayed in the back. This book is for parents of schooled students homeschooling parents and teachers. Parents of schooled children find that the problems give their children a leg up for mastering all skills presented in the classroom. Homeschoolers use the Workbook - in conjunction with the Guide - as a complete Algebra 1 curriculum. Teachers use the workbook's problem sets to help children sharpen specific skills - or they can use the pages as tests or quizzes on specific topics. Like the Algebra Survival Guide the Workbook is adorned with beautiful art and sports a stylish teen-friendly design.; ['Education'],"

With The Pocket Guide to Inner Peace you will discover the place of calm you crave is within you.; ['Religion'],"

"Oscar's Hijack: Library Edition; Screen-writing is a unique literary form. Screenplays are like musical scores in that they are intended to be interpreted on the basis of other artists performances rather than serving as finished products for the enjoyment of their readers. They are written using technical jargon and tight spare prose to describe set directions. Unlike a novella a script focuses on describing the literal visual aspects of the story rather than on its characters internal thoughts. In screen-writing the aim is to evoke those thoughts and emotions through subtext action and symbolism. Prominent Hollywood script

doctors include Steve Zaillian William Goldman Robert Towne Mort Nathan Quentin Tarantino etc. while many up-and-coming screenwriters work as ghost writers. This book is a modest catalogue of some of the most prominent screenwriters listed from A to Z. The good are sometimes bad and they can be even... Ugly. Many comments herein included were googled in deference to the multiplicity of information available today yet they reflect exactly - or almost - what I thought. An amazing thing today is how anonymous commentators on the Internet rival and even surpass the poor quality of professional media and specialised literature. It all comes down to watching the truth 24 times per second to quote Jean-Luc Godard's phrase. Not to mention that such truth may include sex scenes violence pedophilia etc. We know that a literary masterpiece like Henry James Portrait of a Lady became a film of very poor quality as scripted by Laura Jones. We know conversely that a mediocre writer like Mickey Spillane inspired at least one film as remarkable as Kiss Me Deadly thanks to A. I. Bezzerides script. As a former screenwriter Mr. Correa must avow that he found the job most gratifying. Writing that looks effortless is often hellish to write and revise. It was something he did have to slog through but it proved particularly pleasing. Editing discussing & finishing your work is particularly gratifying. Identifying your flaws and working to mitigate them is also gratifying. It is a general perception that creative careers are more interesting and fun than others. But the privilege of earning money through imagination and creativity is effectively hard-won. Please comment at will. Please disagree at will. Be facetious in your remarks but please be neither vicious nor mean-spirited.; ['Religion'], "

"The Summoning God (Anasazi Mysteries (Prebound)); Archaeologist Dusty Stewart calls on his arch nemesis Dr. Maureen Cole hoping she can help unravel the mystery of a ceremonial chamber filled with the burned bodies of thirty-three children and two adults.; ['Fiction'], "

"The Bridge Between Worlds: The Miracle of Following the Heart; A Bridge Between Worlds is a story about many bridges between many worlds. It is a bridge between Chinese and American culture a bridge between two generations a bridge between the physical and non-physical worlds a bridge between this life and past lives and a bridge between the mind and the heart. Writing this book has been a labour of love. By following the voice of Spirit author Linda A. Baker traveled to China to find her Chinese son. This story shows the power of past life soul connections. It is a story of hope and creating your hearts desires. In this book you will learn that when you are willing to trust and follow your heart miracles happen. But most of all this is a story about the greatest love there is—the love between the soul and The Divine.; ['Family & Relationships'], "

"The Impersonal Life; The classic of practical mysticism is published with four bonus works in this handsome signature edition. Since it first appeared in 1914 The Impersonal Life has touched hundreds of thousands of readers. Its simple meditative message teaches you step by step to realize that your own consciousness is one with all of Creation—that you are an outlet of Divine will. Once that extraordinary truth is understood your wishes become one with God and your life unfolds in a meaningful exuberant mosaic in which your fondest hopes and highest purposes are realized. Written anonymously by American mystic Joseph S. Benner (1872–1938) The Impersonal Life is one of the modern landmarks of New Thought and mystical spirituality As a special bonus this edition includes four

of Benner's most powerful essays: The Way Out; The Way Beyond; Wealth; and The Teacher. Here is a complete journey into the work of a spiritual genius and practical mystic.; ['Body Mind & Spirit'],,"

"On the Mall: Presenting Maroon Tradition-Bearers at the 1992 Faf (Special Publications of the Folklore Institute); . . . engrossing nuanced productively and honestly critical in the best sense of the term. --Richard Bauman After recounting their experiences as cultural mediators between African American Maroons from the Suriname rain forest and U.S. festival-goers on the Washington Mall the authors reflect on how folklorists anthropologists and museum curators represent others as well as themselves.; ['Social Science'],,"

"Secret Formula: How Brilliant Marketing and Relentless Salesmanship Made Coca-Cola the Best-Known Product in the World; A history of Coca-Cola traces the company from the debut of the popular soft drink in an Atlanta soda fountain to its present status as a multibillion-dollar international corporation drawing on the personal papers of founder Asa Candler and long-time CEO Robert Woodruff.; ['Soft drink industry'],,"

"The Final Crucible: U.S. Marines in Korea Volume 2: 1953; Chronicles the activities of the U. S. Marine Corps during the little-known last six months of combat in Korea; Provides the perspective of the fighting men who came face to face with the enemy every day; In 1953 during the last six months of the Korean War and ongoing peace negotiations combat was anything but quiet for the Marines. While standing by to ensure the safety of peace negotiators they conducted daily patrols raids and ambushes. They also fought the terrible five-day Battle of the Nevada Cities. On July 27 1953 the last day of the shooting war the Marines prevented a major enemy breakthrough at a last stand on the Main Line of Resistance. An unsuccessful defense might have prolonged the war indefinitely. As with volume one this book contains previously unpublished original material. The combination of oral accounts with data extracted from Marine Corps archives makes for a vivid account of activity during the so-called stalemate.; ['History'],,"

"Amaranth; Vegetables from Amaranth to Zucchini: The Essential Reference is at once an encyclopedia a produce market manual and a treasure trove of recipes. With produce specialist Elizabeth Schneider as your guide take a seed-to-table voyage with more than 350 vegetables both exotic and common. Discover lively newcomers to the North American cornucopia and rediscover classic favorites in surprising new guises. "If Thou Be a Great People Empower the Nation: Holistic Empowerment for African Americans; An education leader relates how his experiences with the civil rights movement led him to develop programs promoting educational success in science and technology for African Americans and others. In Holding Fast to Dreams 2018 American Council on Education (ACE) Lifetime Achievement Award winner Freeman Hrabowski recounts his journey as an educator a university president and a pioneer in developing successful holistic programs for high-achieving students of all races. When Hrabowski was twelve years old a civil rights leader visited his Birmingham Alabama church and spoke about a children's march for civil rights and opportunity. That leader was the Reverend Martin Luther King Jr. and that march changed Hrabowski's life. Until then Freeman was a kid who loved school and solving math problems. Although his family had always stressed the importance of education he never expected that the world might change and that black and white students would one day study together. But hearing King speak changed everything for Hrabowski who convinced his parents that he needed to answer King's call to stand up for equality. While participating in the famed Children's Crusade he spent five terrifying nights in jail-during which Freeman became a leader for the younger kids as he learned about the risk and sacrifice that it would take to fight for justice. Hrabowski went on to fuse his passion for education and for equality as he made his life's work inspiring high academic achievement among students of all races in science and engineering. It also brought him from Birmingham to Baltimore where he has been president of the University of Maryland Baltimore County for more than two decades. While at UMBC he co-founded the Meyerhoff Scholars Program which has been one of the most successful programs for educating

African Americans who go on to earn doctorates in the STEM disciplines.; ['Education'], "

"True History of the Kelly Gang; SOONTO BE A MAJOR MOTION PICTURE The international bestseller Booker Prize winner and winner of the 2001 Commonwealth Writers' Prize for Best Book. Out of 19th century Australia rides a hero of his people and a man for all nations: Ned Kelly the son of poor Irish immigrants viewed by the authorities as a thief (especially of horses) and as a cold-blooded killer. To the people though he was a patriot hounded unfairly by rich English landlords and their stooges. In the end Kelly and his so-called gang (his younger brother and two friends) led a massive police manhunt on a wild goose chase that lasted twenty months in which Ned's talents as a bushman were augmented by bank robberies and the support of nearly everyone not in a uniform. His one demand - for which he would have surrendered himself was his jailed mother's freedom. Executed by hanging more than a century ago speaking as if from the grave Kelly still resonates as the most potent legend in the land down under.; ['Fiction'], "

"Savannah Breeze; "The perfect mix of comedy action and romance makes this book nearly impossible to put down." – Library Journal Mary Kay Andrews is back with the eagerly awaited sequel to Savannah Blues a delightful take on the New South and one woman's discovery of what's really important in life. Mary Kay Andrews takes us back to Savannah Georgia in Savannah Breeze the uproarious sequel to her blockbuster New York Times bestseller Savannah Blues. Savannah Breeze is the story of BeBe Loudermilk a Southern belle who'd dearly like to get back at the handsome two-faced con man who swindled out of everything she owns except for a broken-down 1950s-era motel on Tybee Island. Joining BeBe on a revenge-inspired road trip south to Fort Lauderdale is her junking friend Weezie the heroine of Blues and a car-full of lovable misfits. The nuances of friendships can be hard to grasp to be a good friend is a skill to be learned so this book in itself can be a friend to turn to.; ['Family & Relationships'], "

"The Loss of the S.S. Titanic; The circumstances in which this book came to be written are as follows. Some five weeks after the survivors from the Titanic landed in New York I was the guest at luncheon of Hon. Samuel J. Elder and Hon. Charles T. Gallagher both well-known lawyers in Boston. After luncheon I was asked to relate to those present the experiences of the survivors in leaving the Titanic and reaching the Carpathia. When I had done so Mr. Robert Lincoln O'Brien the editor of the Boston Herald urged me as a matter of public interest to write a correct history of the Titanic disaster his reason being that he knew several publications were in preparation by people who had not been present at the disaster but from newspaper accounts were piecing together a description of it. He said that these publications would probably be erroneous full of highly coloured details and generally calculated to disturb public thought on

the matter. He was supported in his request by all present and under this general pressure I accompanied him to Messrs. Houghton Mifflin Company where we discussed the question of publication. Messrs. Houghton Mifflin Company took at that time exactly the same view that I did that it was probably not advisable to put on record the Loss of the SS. Titanic by Lawrence Beesle 4 incidents connected with the Titanic's sinking: it seemed better to forget details as rapidly as possible. However we decided to take a few days to think about it. At our next meeting we found ourselves in agreement again --but this time on the common ground that it would probably be a wise thing to write a history of the Titanic disaster as correctly as possible. I was supported in this decision by the fact that a short account which I wrote at intervals on board the Carpathia in the hope that it would calm public opinion by stating the truth of what happened as nearly as I could recollect it appeared in all the American English and Colonial papers and had exactly the effect it was i; ['History'], "

"Heavy Weather Sailing 30th Anniversary Edition; Since this book was written over 30 years ago by the great British sailor K. Adlard Coles it has become the standard work on seamanship under gale conditions. More than 100000 English-language copies have been printed and there are editions in French German Dutch Italian Swedish and Spanish. The thirtieth-anniversary edition of this classic includes sections on parachute sea anchors and drogues crew fitness and management advice and new material on meteorology and on seasick remedies. Ample advice from great sailors such as Olin Stephens Robin Knox-Johnston and Val Haigh is augmented by new material by Dag Pike and Mike Golding. Also new in this edition is a section on multihulls in heavy weather. Part 1 provides expert advice for crews of any vessel that ventures out of sight of land whether for racing or cruising. It gives a clear message of seamanlike design features preparations and tactics that should be considered against the time when it comes on to blow. Part 2 offers hair-raising accounts of sail and power yachts overtaken by heavy weather. New in this edition are accounts of the 1998 Sydney - Hobart disaster the 1994 ""Queen's Birthday"" storm off New Zealand as well as other storm stories from the world's oceans. No one who goes to sea in his or her own craft can afford to ignore the advice in Adlard Coles' Heavy Weather Sailing. Dramatic black-and-white photos of storm seas combine with 60 new color shots throughout the book.; ['Sports & Recreation'], "

"Cluster Molecules of the p-Block Elements (Oxford Chemistry Primers); This new addition to the successful Oxford Chemistry Primers series

provides a comprehensive survey of the structures bonding synthesis and reactivity of the title molecules and includes clusters found in the elemental state as well as compounds. It is the first undergraduate text to include fullerenes C<sub>60</sub>. Also presented is a balanced introduction to the chemistry and structures of boranes heterboranes cubanes adamantane-type clusters Zintl ion donor-acceptor clusters and others. Terms commonly encountered in cluster chemistry are defined and polyhedral frameworks are described.; ['Science'], "

"Discovering Saint Patrick; The search for 'the real Saint Patrick' has puzzled and intrigued scholars for centuries. This new study asks ""How much can we really know about the life and times of Patrick?"" ""Why and how was the Patrick myth built up in the seventh century and what was its influence on the development of Irish Catholicism?"" (Motivation); ['Religion'], "

"A Perfect Glass of Wine: Choosing Serving and Enjoying; Many people see the enjoyment of wine as an intimidating and complicated matter requiring a mastery of arcane rules and rituals. In fact there's no more to it than putting each wine to the ultimate test: Does it taste good? Wine writer Brian St. Pierre's book begins by introducing the basic flavors of the several grape varieties used in making wines around the world. Once those are understood all the rest flows smoothly—what distinguishes the colors and types how to match wine with food how to store and serve it and even how much to spend on a bottle. St. Pierre's sensible approach combined with stunning photographs and elegant maps of the world's great wine-growing regions make this the perfect no-nonsense guide or lovely gift for anyone who wants to learn to understand appreciate and above all fully enjoy the fruit of the vine.; ['Cooking'], "

"Bad Boy Brawly Brown: An Easy Rawlins Mystery; Easy Rawlins is out of the investigation business and as far away from crime as a black man can be in 1960s Los Angeles. But living around desperate men means life gets complicated sometimes. When an old friend gets in enough trouble to ask for Easy's help he finds he can't refuse. Young Brawly Brown has traded in his family for The Clan of the First Men a group rejecting white leadership and laws. Brown's mom asks Easy to make sure her baby's okay and Easy promises to find him. His first day on the case Easy comes face-to-face with a corpse and before he knows it he is a murder suspect and in the middle of a police raid. Brawly Brown is clearly the kind of trouble most folks try to avoid. It takes everything Easy has just to stay alive as he explores a world filled with betrayals and predators like he never imagined.; ['Fiction'], "

"Tales of ancient Greece; A marvelous collection of love treachery foolishness tragedy and humor. All the famous great ancient Greek tales are here compellingly re-told from the insolent exploits of Phaeton and Icarus to the sorrow-filled fate of Orpheus and Eurydice and many others.; ['Fiction'], "

"Staples High School: 120 Years of A+ Education; History of Staples High School (Westport Connecticut) from 1884 to present.; ['Education Secondary'], "

creepy Great Uncle Aloysius in his spooky old house. She's not only the new kid in school but she also discovers strange things lurking under her bed.; ['Juvenile Fiction'], "

"Clara Barton Professional Angel (Studies in Health Illness and Caregiving); Widely known today as the ""Angel of the Battlefield"" Clara Barton's personal life has always been shrouded in mystery. In Clara Barton Professional Angel Elizabeth Brown Pryor presents a biography of Barton that strips away the heroic exterior and reveals a complex and often trying woman. Based on the papers Clara Barton carefully saved over her lifetime this biography is the first one to draw on these recorded thoughts. Besides her own voluminous correspondence it reflects the letters and reminiscences of lovers a grandniece who probed her aunt's venerable facade and doctors who treated her nervous disorders. She emerges as a vividly human figure. Continually struggling to cope with her insecure family background and a society that offered much less than she had to give she chose achievement as the vehicle for gaining the love and recognition that frequently eluded her during her long life. Not always altruistic her accomplishments were nonetheless extraordinary. On the battlefields of the Civil War in securing American participation in the International Red Cross in promoting peacetime disaster relief and in fighting for women's rights Clara Barton made an unparalleled contribution to American social progress. Yet the true measure of her life must be made from this perspective: she dared to offend a society whose acceptance she treasured and she put all of her energy into patching up the lives of those around her when her own was rent and frayed.; ['Biography & Autobiography'], "

"Dublineses. (Dubliners).; Featuring an appendix of discussion questions the Diversion Classics edition is ideal for use in book groups and classrooms. In these brilliant and diverse short stories Joyce explores daily life in Dublin during the turbulent era preceding Irish independence. In a country searching for its national identity individuals strive to discover meaning and personal understanding. Including such well-known stories as ""The Dead"" and ""Eveline"" his early work is essential reading material for Joyce scholars and new readers alike.; ['Fiction'], "

"The Sword and the Dollar;; To many the foreign policy directives of the United States seem bewildering and sometimes inharmonious with its domestic political values. Why does the U.S. seem to support foreign dictators? Why has it invested so many of its resources in stockpiling nuclear arms? Why doesn't the U.S. act as a force for peace throughout the world? In this probing provocative analysis Michael Parenti reveals the hidden agenda of American foreign policy decisions. No matter which party is in power the U.S. acts to protect the interests of large American-based corporations in order to maintain valuable overseas markets and cheap foreign labor. In lucid detail Michael Parenti examines just how these very private interests determine America's public policy goals from the impoverishment of developing nations to the building of an intimidating nuclear arsenal. What he discovers will surely be controversial and suggests that the greatest threats to democracy—both here and abroad—may emanate from within the United States itself.; ['Political Science'], "

"Rogue Herries; Described on its first publication by John Buchan as the finest English novel since Jude the Obscure Rogue Herries tells the story of the larger than life Francis Herries who uproots his family from

Yorkshire and brings them to live in Borrowdale where their life is as dramatic as the landscape surrounding them. Proud violent and impetuous he despises his first wife sells his mistress at a county fair and forms a great love for the teenage gypsy Mirabell Starr. Alongside this turbulent story runs that of his son David with enemies of his own and that of his gentle daughter Deborah with placid dreams that will not be realised in her father's house. 'As a feat both of knowledge and imagination the book is huge' Observer 'A superb work of fiction. There is not one tired listless page' J.B. Priestly The Graphic; ['Fiction'], "Big as Life: Three Tales for Spring; Presents three short stories of moral resonance and magical enchantment that are linked by the feeling of regeneration that marks the coming of spring.; ['Fiction'], "All About Wwf Super Stars; Introduces the most popular professional wrestlers.; ['Juvenile Nonfiction'], "

The cultural relevance history and spirituality of each site—including Stonehenge the Acropolis Mont Saint Michel Pompeii and Saint Peter's Basilica—are explained creating a moving and artistic travel experience. Each destination—with selections spanning more than 15 countries throughout Europe—is accompanied by easy-to-follow maps and directions.; ['Travel'], "

"Homeopathy: The Great Riddle; This is a wonderfully succinct book which sets forth the history essence and methodology of homeopathy. The book is well organized in 5 major sections. There is a very thorough overview of the precepts and tenets of the practice its historical origins a detailed and well-covered biography of Samuel Hahnemann and a review of the politics of the allopathy v. homeopathy debate. It is further embellished with copious annotations an appendix with an actual case history and a very fine reference for homeopathic resources such as organizations suppliers and other texts covering a variety of related topics. Call it a perfect Homeopathy 101 text if you will the author makes a very even-handed presentation of the material including the politics of medicine as they have evolved in the USA over the past century.; ['Health & Fitness'], "

"Sinatra - Untold Story; 'Ava tells me she's told you things you shouldn't know. Let me tell you this: you never tell anyone - not in my lifetime.' This is the warning that Michael Munn received over the telephone from Ol'Blue Eyes himself when he was spending time at Ava Gardner's house one day. Suffice it to say that he has never spoken to anyone about the contents of this book until now after Frank Sinatra's death. Sinatra: The Untold Story is an extraordinary book that gives us an insight into the darker side of Frank's life - in particular his dealings with the Mob and how he made a secret pact with the FBI to nail Chicago Mob Boss Sam Giancana as the man behind the conspiracy to kill Marilyn Monroe. The author unearths new evidence that contradicts the accepted accounts of Monroe's death and inevitably implicates the

Kennedies the FBI and CIA and the Mafia. We learn how Sinatra feared for Monroe's safety after being shown photos of a drugged and drunk Monroe by Giancana. And how Sinatra was questioned by the FBI after Monroe's death. And how Giancana then sent Sinatra the skin of a lamb's head (signifying that he was soon to be killed) for his part in the FBI investigation. get free from the Mafia's control in later life. This fascinating biography contains exclusive material and has extremely wideranging implications.; ['Biography & Autobiography'], "

"Astrobiology: The Quest for the Conditions of Life (Physics and Astronomy Online Library); How did life originate in the Universe? What are the pathways from organic molecules in space to the evolution of complex life forms on Earth? The interdisciplinary field of astrobiology attempts to answer these questions including the central question of: What is the (cosmic) recipe for life? Currently there are very few known elements in this vast mosaic. This book bridges a gap in the literature by bringing together leading specialists from different backgrounds providing accounts on astrobiology that lead all the way to the forefront of research. The book will thus be useful for students and researchers alike.; ['Body Mind & Spirit'], "

"The Modern French Tarrasch; All the Everyman Chess books are organized in a structured style and are also presented in a series of levels. The styles encompass Openings (O); Games Collections ((G); and Training (T). The levels are arranged as follows: Children [C]; Novice (N); Club (C); and Advanced (A).; ['Games'], "

"Gentle Giant: Acquiring The Taste; Gentle Giant acquired a large cult following worldwide with a string of successful LPs displaying an extraordinary mixture of rock classical and mediaeval music. Tours in Europe and America became ever more grandiose and elaborate—and then along came punk. However Gentle Giant's music has endured over time and new generations are as entranced by their intricate sound as were audiences of thirty years ago.; ['Music'], "

"The Dust Rose Like Smoke: The Subjugation of the Zulu and the Sioux; In 1876 Lakota and Cheyenne warriors annihilated Custer's Seventh Cavalry at Little Bighorn. Three years later and half a world away a British force was wiped out by Zulu warriors at Isandhlwana in South Africa. In both cases the total defeat of regular army troops by forces regarded as undisciplined barbarian tribesmen stunned an imperial nation. Although the similarities between the two frontier encounters have long been noted James O. Gump's book The Dust Rose Like Smoke is the first to scrutinize them in a comparative context. "This study issues a challenge to American exceptionalism" he writes. Viewing both episodes as part of a global pattern of intensified conflict in the latter 1800s resulting from Western domination over a vast portion of the globe Gump's comparative study persuasively traces the origins and aftermath of both episodes. He examines the complicated ways in which Lakota and Zulu leadership sought to protect indigenous interests while Western leadership calculated their subjugation to imperial authority. The second edition includes a new preface from the author revised and expanded chapters and an interview with Leonard Little Finger (great-great-grandson of Ghost Dance leader Big Foot) whose story connects Wounded Knee and Nelson Mandela.; ['History'], "

"KEEP THE ASPIDISTRA FLYING; Waging a losing war with the Money God Gordon Comstock lives in a small bed-sit and works in a bookstore. A deeply dark yet compassionate satire about the role of money in the mid-

20th century western world Keep the Aspidistra Flying is at turns tragic and comic as Gordon struggles to reconcile his disdain for the entitled world in which he was raised with his own need to build a future for himself and his girlfriend Rosemary. HarperPerennial Classics brings great works of literature to life in digital format upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.; ['Fiction'], "

"The Routledge Companion to Medieval Warfare (Routledge Companions to History); This comprehensive volume provides easily-accessible factual material on all major areas of warfare in the medieval west. The whole geographical area of medieval Europe including eastern Europe is covered including essential elements from outside Europe such as Byzantine warfare nomadic horde invasions and the Crusades. Progressing chronologically the work is presented in themed illustrated sections with a narrative outline offering a brief introduction to the area. Within each chronological section Jim Bradbury presents clear and informative pieces on battles sieges and generals. The author examines practical topics including: castle architecture with examinations of specific castles ship building techniques improvements in armour specific weapons developments in areas such as arms and armour fortifications tactics and supply. Readable and engaging this detailed provides students with an excellent collection of archaeological information and clear discussions of controversial issues.; ['History'], "

"River Falls: selected works; A Gift We Craft Love is a mist miasmic Fair fog of foul phantasms perfumed Desire's devious Djinn And our wildest

wishes its gem Love is an unguent unsure A blessed balm of yearning's yen  
Hope's healer; a goddess good and strong Like Nature's force fickle  
uncertain Love is a skill shared A craft kenned in co-creator's kiln  
Built of blood-tides and dreams but Love is only as strong as we River  
Falls is a collection of poems that weaves through the days of a man in  
love. Poignant perspective captivated adoration and spiritual  
reconnaissance are reflected in author Stacey J. Enslow's meaningful  
words. Sometimes ecstatic sometimes wry these tender works touch upon the  
phases of love and longing of union with the Divine which is sought in  
every human experience we manifest. With titles such as ""A Gift We  
Craft"" ""Wild Ones"" and ""Baking Day"" Enslow's words flawlessly convey  
the universal theme of love. River Falls allows you to encounter the  
Divine both as the lover that you are and in the lovers among us.;  
['Poetry'], "

"Zak and Wheezie Clean Up (Pictureback(R)); A visit to their favorite  
two-headed dragon in Dragon Land convinces Max and Emmy they should never  
throw out each other's possessions even if they look like trash.;

"Timeless; Forced to live with her wealthy estranged grandparents in New  
York City after her mother dies sixteen-year-old Michele retreats to her  
room where she finds a diary that transports her back to 1910--with life-  
changing consequences.; ['Juvenile Fiction'], "

"The prairie school; Frank Lloyd Wright and his midwest contemporaries;  
Inspired by Louis Sullivan and given guidance and prominence by Frank  
Lloyd Wright the members of the movement sought to achieve a fresh  
architectural expression. Their designs were characterized by precise  
angular forms and highly sophisticated interior arrangements-an approach  
that proved immensely significant in residential architecture. H. Allen  
Brooks discusses the entire phenomenon of the Prairie School-not just the  
masters but also the work of their contemporaries. Drawing on unpublished  
material and original documentation as well as on interviews he assesses  
each architect's contribution and traces the course of the movement  
itself-how and why it came into existence what it achieved and what  
caused its abrupt end.; ['Architecture'], "

"Complete Cake Decorating: Techniques Basic Recipes and Beautiful Cake Projects for All Occasions; Includes step-by-step photographic instructions for over forty cakes projects.; ['Cooking'], "

"Assassin's Apprentice; A gorgeously illustrated anniversary edition of the book that launched the epic Farseer Trilogy praised by George R. R. Martin as "fantasy as it ought to be written" and Lin-Manuel Miranda as "an incredible series" featuring a new foreword by Robin Hobb and ten illustrations. Twenty-five years ago Robin Hobb's first novel featuring FitzChivalry Farseer and his mysterious often maddening friend the Fool struck like a bolt of brilliant lightning. Thus began a beloved saga spanning multiple series full of adventure magic and sinister plots. To celebrate a quarter-century of wonder this special edition of Assassin's Apprentice presents a modern classic as it's never been seen before: in hardcover with ten beautiful illustrations by Magali Villeneuve. Young Fitz is the bastard son of the noble Prince Chivalry raised in the shadow of the royal court by his father's gruff stableman. He is treated as an outcast by all the royalty except the devious King Shrewd who has him secretly tutored in the arts of the assassin. For in Fitz's blood runs the magic Skill—and the darker knowledge of a child raised with the stable hounds and rejected by his family. As barbarous raiders ravage the coasts Fitz is growing to manhood. Soon he will face his first dangerous soul-shattering mission. And though some regard him as a threat to the throne he may just be the key to the survival of the kingdom. Praise for Robin Hobb and Assassin's Apprentice "Fantasy as it ought to be written . . . Robin Hobb's books are diamonds in a sea of zircons."—George R. R. Martin "A gleaming debut in the crowded field of epic fantasies . . . a delightful take on the powers and politics behind the throne."—Publishers Weekly "This is the kind of book you fall into and start reading slower as you get to the end because you don't want it to be over."—Steven Brust; ['Fiction'], "

"Firehorse; Fifteen-year-old Rachel is furious and lonely when her father moves the family to Boston in 1872—especially since she had to sell her beloved horse. But in Boston she finds the Governor's Girl an injured firehorse and begins caring for her and thinking about becoming a veterinarian. Then an outbreak of fires causes Rachel to question the ethics of her journalist father and when the horses who pull the fire engines fall ill the danger escalates. In a dramatic climax the Great Boston Fire of 1872 is brought to life with cinematic vividness and

Rachel proves her grit and determination to make something of herself.;  
['Young Adult Fiction'], "

"Crime and Punishment; In a timeless story of justice morality and redemption an impoverished Russian student murders a miserly landlady a crime that has severe repercussions on his life and his family as he battles his conscience.; ['Fiction'],"

"Wrestling With Ghosts: A Personal And Scientific Account Of Sleep Paralysis; ""Wrestling With Ghosts"" summarizes and updates a growing literature that includes traditional cultural accounts scientific research and subjective reports about the uncanny sleep disorder referred to as sleep paralysis (SP). The book serves as an important tool to normalize the sleep paralysis experience by attempting to remove its often-publicized mystical and supernatural aura. Specifically the book is a serious contribution to the psychological and social scientific literature as an example of behavioral/social methodology in clarifying psychological phenomena that can be misinterpreted individually or by culture as ""paranormal.""" However the book does not refute the very real phenomenology of the experience and is intended as a practical guide for recognizing and managing the disorder in creative and self-enhancing ways. Moreover this work reiterates the aesthetic and creative power of uncanny dreaming regardless of its origin. This aesthetic dimension of sleep paralysis and lucid dreaming is part of mythical shamanic creative personal and scientific multidisciplinary approach to studying and describing dream phenomenology. Additionally this work provides a retrospective look at the history of this uncanny disorder in human evolution its recent western medical history and its most recent empirical descriptions as so-called alien abduction cases including a presentation of Jungian and Freudian mythical perspectives. The empirical data is presented in balance with traditional cross-cultural and folklore accounts of the disorder as well as in the context of numerous recent cases researched in conjunction with the long-term study. Part of the data presented includes a proposal about psycho-geographical and psycho-geomagnetic distributions of ""ghost"" stories dream attacks and other SP related phenomena. These geographical zones correlate with geodynamic areas such as the Pacific ""Ring of Fire"" region where an increased number of cultural names for SP and its frequencies are reported (my ""ring of fire"" hypothesis). This book is written and intended for a general educated audience; anyone interested in dream phenomenology and behavior; the medical profession; folklorists; psychologists interested in dream phenomenology and behavior; sleep researchers; and the clinical psychologist. The book expands the work of Dr. David Hufford who published the now classic account of sleep paralysis as Newfoundland's ""Old Hag"" phenomenon.; ['Medical'],"

"Arthritis: What Works; The authors' discovery--based on a nationwide survey of people with arthritis--of the importance of nutrition in combatting arthritis pain puts relief within the reach of thousands. Praised by health care professionals and medical experts as one of the most valuable books on arthritis available and contains a 30-day meal

plan and advice on treatments surgery and exercise.; ['Health & Fitness'],"

"Born in Exile.; This novel deals with the themes of class religion love and marriage. The premise of the novel is drawn from Gissing's own early life – an intellectually superior man born into a socially inferior milieu though the story arc diverges significantly from the actuality. The main protagonist Godwin Peak is a star student at Whitelaw College who wins many academic prizes and his future seems promising. Then his Cockney uncle arrives intending to open an eating-house adjacent to the college. Godwin is mortified of being associated with 'trade' and leaves the college rather than face the scorn he expects to receive from his upper-class fellow students. This is indicative of his social aspirations and snobbery.; ['Fiction'],"

"A Writer's Diary [Volume 1: 1873-1876]; Winner of the AATSEEL Outstanding Translation Award This is the first paperback edition of the complete collection of writings that has been called Dostoevsky's boldest experiment with literary form; it is a uniquely encyclopedic forum of fictional and nonfictional genres. The Diary's radical format was matched by the extreme range of its contents. In a single frame it incorporated an astonishing variety of material: short stories; humorous sketches; reports on sensational crimes; historical predictions; portraits of famous people; autobiographical pieces; and plans for stories some of which were never written while others appeared in the Diary itself.; ['Biography & Autobiography'],"

"Chinese snuff bottles;: The adventures & studies of a collector; Chinese Snuff Bottles is invaluable document for all interested in the history of Chinese art. It is also a lucid and fascinating guidebook for the collector or would be collector both of snuff bottles and other products of Chinese craftsmanship. All the skills and ingenuity of the Chinese artisans were lavished upon the production of these tiny bottles making them pre-eminent representatives of the best in Chinese craftsmanship. This classic art history book is the first full account in any language of this facet of Chinese art. It includes a comprehensive treatment of the origins and development of the snuff bottle in China as well as over 150 actual-size reproductions the majority in full color. It is a fascinating story by an enthusiastic collector who captivated by the beauty and ingenuity found in these bottles had the interest to delve into the historical background techniques of manufacture kind and quality of materials classification and organization of types and the like as well as a delightfully informal style with which to communicate her wide knowledge and enthusiasm to the reader.; ['Antiques & Collectibles'],"

"The Tragedy and the Triumph of Phenix City Alabama; Writer Barnes tells the story of a corrupt crime-ridden city examining events that unfolded during 1916-1955. Phenix City had been a 19th-century refuge from law enforcement for 120 years until three men in succession challenged the status quo. To reconstruct the story the author draws on notes and private papers of the principals and investigators; depositions trial transcripts and court records; daily newspaper coverage; and transcripts of wire-tapped recordings of the city's gamblers and politicians. No index or bibliography. Annotation copyrighted by Book News Inc. Portland OR; ['History'],"

"Campbell's Kingdom; A daring young man heads to the oil fields of Canada for a last crack at making his fortune in this tale from "Great Britain's leading adventure novelist" (Financial Times). Adrift since the end of

World War II Bruce Weatherall has wasted years of his life pretending he's an ordinary man. But beneath his mild-mannered exterior lurks the soul of an adventurer who would sacrifice everything to make his fortune. So when the chance of a lifetime comes along Weatherall doesn't even bother quitting his day job. He simply disappears. When he learns he's his grandfather's sole heir—though he hardly knew him—Weatherall's life is forever changed. The supposedly mad old man died in Canada frozen to death in a shack on the edge of a mountain where he lived his final years in a feverish hunt for oil. Everyone thought he was crazy but his grandson believes he may have been on to something. So the intrepid young man travels to the far reaches of Alberta to take the oil industry by the throat—and live or die in pursuit of his grandfather's impossible dream. A rollicking adventure in the tradition of Robert Louis Stevenson and Jack London Campbell's Kingdom is thrilling "guaranteed entertainment" (Kirkus Reviews).; ['Fiction'], "

One of his guests is General Sir Alistair Craig VC who swallows poison in the duke's excellent port and dies just as latecomer Lord Edward Corinth and journalist Verity Browne arrive on the scene. The unlikely pair - the younger son of a duke and a journalist committed to the Communist Party find common ground as they seek for the truth behind the genera's murder and discover that everyone present - including the duke himself - had a motive for wanting Sir Alistair out of the way. First published in hardback in 2000 this classic detective story introducing Lord Edward Corinth and Verity Browne was much acclaimed. Bones of the Buried Second in the popular Lord Edward Corinth murder-mystery series; This exciting 1930s murder-mystery is the second in the Lord Edward Corinth/Verity Browne series following the success of David Roberts' first book Sweet Poison. Corinth returns to London after six months in New York to find his sleuthing partner journalist Verity Browne Insisting he investigate a murder in Madrid. It is 1936 and Spain is about to erupt into civil war. Verity is now correspondent for a national newspaper and passionately committed to defending the Spanish republic against the Fascist threat. Her lover David Griffiths-Jones a senior figure in the Communist Party has been convicted of murder and Verity appeals to Edward to help save him from the firing squad even though she knows he sees him as his rival in love Hollow Crown It is October 1936. Lord Edward Corinth is invited by his friend Joe Weaver the press lord and close friend of the British royal family to recover certain letters stolen from the king's intimate friend Wallis Simpson. There is no mystery about who has taken these letters - a woman called Mrs Raymond Harkness a former mistress of the king and a close friend of Edward's. When Edward goes down to Haling the country house of conservative MP Leo Scannon where Mrs Harkness is also a house guest he is far from easy in his mind at the task before him but he cannot guess that retrieving stolen goods is to be complicated by murder... Dangerous Sea Fourth in the Corinth/Browne Murder Mystery Series. Lord Benyon is on the Queen Mary bound for New York. It is 1937 and his mission is to persuade President Roosevelt to supply Britain with

arms and money if it comes to war with Germany. Those who want him to fail will not stop at murder to achieve their aim. But when Benyon refuses police protection Special Branch asks Lord Edward Corinth to keep an unofficial eye on him. However it is not Benyon who is murdered but a racist senator from South Carolina who has enraged many of his fellow passengers - not least Warren Fairley the black singer. But if Fairley is too obvious a candidate there are other suspects. How about union organiser Sam Forrest with whom Verity Browne - going to America at the Party's behest to liaise with Communist sympathisers - is so taken? The thrilling denouement is yet another triumph for classic murder-mystery writer David Roberts.; ['Fiction'], "

It would be a sin to pass up the opportunity to present it!; ['Drama'], "

"Optimal Thinking: 100-Day Audio-CD Program for Permanent Results; Donors leaders of nonprofits and public policy makers usually have the best of intentions to serve society and improve social conditions. But often their solutions fall far short of what they want to accomplish and what is truly needed. Moreover the answers they propose and fund often produce the opposite of what they want over time. We end up with temporary shelters that increase homelessness drug busts that increase drug-related crime or food aid that increases starvation. How do these unintended consequences come about and how can we avoid them? By applying conventional thinking to complex social problems we often perpetuate the very problems we try so hard to solve but it is possible to think differently and get different results. Systems Thinking for Social Change enables readers to contribute more effectively to society by helping them understand what systems thinking is and why it is so important in their work. It also gives concrete guidance on how to incorporate systems thinking in problem solving decision making and strategic planning without becoming a technical expert. Systems thinking leader David Stroh walks readers through techniques he has used to help people improve their efforts to end homelessness improve public health strengthen education design a system for early childhood development protect child welfare develop rural economies facilitate the reentry of formerly incarcerated people into society resolve identity-based conflicts and more. The result is a highly readable effective guide to understanding systems and using that knowledge to get the results you want.; ['Business & Economics'], "

"Betsy Who Cried Wolf; On her eighth birthday Betsy takes the Shepherds' Oath and is determined to be the best shepherd in Bray Valley history. Any wolf who tries to eat her sheep had better watch out. But Zimmo is no ordinary wolf—he's a hungry wolf with a plan! In her first picture book Newbery Honor author Gail Carson Levine puts her own spin on a traditional tale while Scott Nash brings a comic sensibility to this hilarious retelling. The result will tickle delight and even leave readers with a moral or two or three....; ['Juvenile Fiction'],"

"Data Modeling for Everyone; How do we design for data when traditional design techniques cannot extend to new database technologies? In this era of big data and the Internet of Things it is essential that we have the tools we need to understand the data coming to us faster than ever before and to design databases and data processing systems that can adapt easily to ever-changing data schemas and ever-changing business requirements. There must be no intellectual disconnect between data and the software that manages it. It must be possible to extract meaning and knowledge from data to drive artificial intelligence applications. Novel NoSQL data organization techniques must be used side-by-side with traditional SQL databases. Are existing data modeling techniques ready for all of this? The Concept and Object Modeling Notation (COMN) is able to cover the full spectrum of analysis and design. A single COMN model can represent the objects and concepts in the problem space logical data design and concrete NoSQL and SQL document key-value columnar and relational database implementations. COMN models enable an unprecedented level of traceability of requirements to implementation. COMN models can also represent the static structure of software and the predicates that represent the patterns of meaning in databases. This book will teach you: the simple and familiar graphical notation of COMN with its three basic shapes and four line styles how to think about objects concepts types and classes in the real world using the ordinary meanings of English words that aren't tangled with confused techno-speak how to express logical data designs that are freer from implementation considerations than is possible in any other notation how to understand key-value document columnar and table-oriented database designs in logical and physical terms how to use COMN to specify physical database implementations in any NoSQL or SQL database with the precision necessary for model-driven development; ['Computers'],"

"The History of Rome; With stylistic brilliance and historical imagination the first five books of Livy's monumental history of Rome

record events from the foundation of Rome through the history of the seven kings the establishment of the Republic and its internal struggles up to Rome's recovery after the fierce Gallic invasion of the fourth century B.C. Livy vividly depicts the great characters legends and tales including the story of Romulus and Remus. Reprinting Robert Ogilvie's lucid 1971 introduction this highly regarded edition now boasts a new preface examining the text in light of recent Livy scholarship informative maps bibliography and an index. For more than seventy years Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up-to-date translations by award-winning translators.; ['History'], "

"FIT FOR FATE: A TALE OF BYZANTINE INTRIGUE IN MODERN ATHENS; Fit For Fate ""Gene Stratton is among the most erudite suspense novelists and his knowledge of the material always shines through." " --Robert Eversz author of Killing Paparazzi Cornish Conundrum ""A joy to read with plenty going on lots to perplex and please." " --Robert Barnard recipient Diamond Dagger Award ""Follows the fine tradition of Daphne Du Maurier in offering much to savor and entertain...in a well-researched Cornish setting." " --Peter Lovesey recipient Diamond Dagger Award ""Excellent atmosphere good mystery...I love it." " --Paula Gosling prize-winning mystery author Killing Cousins ""Genealogy genetics and keen detective work mesh." " --Publisher's Weekly ""I read Killing Cousins with enjoyment...[Stratton] writes English with a practiced fluency tells his tale well [and] deserves a wide public." " --Colin Dexter author of the Inspector Morse mysteries. A plague of troubles revolves around Greek Police Director Spyro Roussos. His American opera singer lover Victoria is stalked by a professional terrorist. His superior who plots to become dictator schemes to replace Roussos with a sadistic crony. The American Ambassador's niece Marilyn is kidnapped by an unlikely group and rescued by another mysterious deadlier group. Meanwhile forces try to involve Greece in a Balkan War that will start World War Three. Two men love Marilyn. The Ambassador doesn't like one Embassy Security Officer Bob Jensen. Marilyn falls in love with Roussos's son with Greek-god-like features Dimitri but that can have complications. In this Byzantine atmosphere Athens is seen in all its splendiferous but threatened glory.; ['Fiction'], "

IP.; ['Cooking'], "

"Spanning Washington: Historic Highway Bridges Of The Evergreen State; Designed first and foremost to be practical bridges nevertheless are often breathtaking in their construction combining function and aesthetics. The historic structures that span the Evergreen State's highways are no exception. These technological wonders are extraordinary by any measure yet their stories have remained largely unknown. Conceived by visionary engineers and built by anonymous workmen Washington's highway bridges are triumphs of skill and played a significant role in the state's history. Several at the time of their completion attracted

worldwide attention and the praise of professional engineers influencing the course of bridge construction. In their quest to compile the first comprehensive history of the state's highway bridges the authors poured through the extensive records at the Washington State Department of Transportation (WSDOT) collecting definitive documentation and photographs from across the state. This magnificent book including more than 100 illustrations represents the culmination of years of study by many individuals associated with WSDOT and the Office of Archaeology and Historic Preservation (Olympia).; ['Architecture'], "

"University of Southern California: Off the Record (College Prowler) (College Prowler: University of Southern California Off the Record); Provides a look at the University of Southern California from the students' viewpoint.; ['Education'], "

"Understanding Children's Literature; Edited by Peter Hunt a leading figure in the field this book introduces the study of children's literature addressing theoretical questions as well as the most relevant critical approaches to the discipline. The fourteen chapters draw on insights from academic disciplines ranging from cultural and literary studies to education and psychology and include an essay on what writers for children think about their craft. The result is a fascinating array

of perspectives on key topics in children's literature as well as an introduction to such diverse concerns as literacy ideology stylistics feminism history culture and bibliotherapy. An extensive general bibliography is complemented by lists of further reading for each chapter and a glossary defines critical and technical terms making the book accessible for those coming to the field or to a particular approach for the first time. In this second edition there are four entirely new chapters; contributors have revisited and revised or rewritten seven of the chapters to reflect new thinking while the remaining three are classic essays widely acknowledged to be definitive. Understanding Children's Literature will not only be an invaluable guide for students of literature or education but it will also inform and enrich the practice of teachers and librarians.; ['Literary Criticism'], "

"Reggae Routes: The Story of Jamaican Music; Looks at the history of Reggae music and traces its development in Jamaica; ['Music'], "

"Arab seafaring in the Indian Ocean in ancient and early medieval times (Princeton oriental studies); In this classic work George Hourani deals with the history of the sea trade of the Arabs in the Indian Ocean from its obscure origins many centuries before Christ to the time of its full extension to China and East Africa in the ninth and tenth centuries. The book comprises a brief but masterly historical account that has never been superseded. The author gives attention not only to geography meteorology and the details of travel but also to the ships themselves including a discussion of the origin of stitched planking and of the lateen fore-and-aft sails. Piracy in the Indian Ocean day-to-day life at sea the establishment of ancient lighthouses and the production of early maritime guides handbooks and port directories are all described in fascinating detail. Arab Seafaring will appeal to anyone interested in Arab life or the history of navigation. For this expanded edition John Carswell has added a new introduction a bibliography and notes that add material from recent archaeological research.; ['History'], "

"Purgatory; Jesus taught us about it and for centuries the Church has faithfully defined and defended it. Protestants deny it even exists while many Catholics fundamentally misunderstand it. It is Purgatory: that place of purifying penance where souls saved by Christ are made perfect and acceptable to spend life eternal in heaven. In The Biblical Basis For Purgatory author and apologist John Salza (Why Catholics Cannot Be Masons) offers the definitive scriptural explanation of this distinctively Catholic doctrine. Building on the teachings of Christ and St. Paul he shows how the existence of a place of temporal punishment after death is not only a logical extension of what we know about the reality of sin and God's justice but is also a supreme expression of God's love and mercy. Although Purgatory is a place of mercy its pains are real and they are severe. This book does more than defend and explain Purgatory it provides a solid plan drawn from the Church's perennial wisdom for conquering our sins by God's grace while still on earth.; ['Religion'], "

"4 Zinas: A Story of Mothers and Daughters on the Mormon Frontier; Zina Baker Huntington converted to Mormonism in New York. Her daughter Zina Diantha became known in Ohio for her spiritual gifts and later as a plural wife of Brigham Young. Her daughter Zina Presendia Card helped found Cardston Alberta. And her daughter ""little Zina"" grew up to marry future church apostle Hugh B. Brown. All four Zinas were influential

advocates of women's suffrage education and the dignity of women.; ['Biography & Autobiography'], "

"Garden Houses and Privies: Authentic Details for Design and Restoration; An essential component of homes and commercial buildings before the advent of indoor plumbing privies--also known as ""garden houses""--have found new uses as storage sheds pool houses etc. In this pattern book of 18th- and 19th-century designs Harrison has painstakingly documented existing historic structures and translated them into beautiful line drawings including compelling details such as finials doors windows and ventilators.; ['Architecture'], "

"Future M.D.: Honest Advice from Medical Students for Medical School Applicants; This Book Is Everything You Need To Know On How To Enter Medical School.; ['Medical'], "

"The Monkey's Paw; Jacobs was the author of 13 volumes of short stories and 18 of these stories have been brought together for the first time in

this gripping collection of macabre fiction. This book features Gothic narratives stories of the macabre and supernatural tales. Many of them are also infused with shrewd and sardonic humour or which Jacobs was justifiably famous.; ['Fiction'], "

"Childhood Medical Guide (Successful Parenting); This total child care book offers Christian- centered medically authoritative advice on every aspect of parenting from choosing an obstetrician to disciplining teenagers. As parents of eight children William and Martha Sears draw on thirty years of practical and professional experience resulting in a valuable reference book no family should be without.; ['Religion'], "

"Becoming a Cosmopolitan: What It Means to Be a Human Being in the New Millennium; As a Jamaican immigrant arriving in the United States at the age of twenty Jason Hill noticed how often Americans identified themselves in terms of race and ethnicity. He observed for example the reluctance of West Indians to joins 'black causes' for fear of losing their identity. He began to ask himself what sort of world he wanted to live in a quest that in time led him to the idea of the cosmopolitan. In Becoming a Cosmopolitan Jason D. Hill argues that we need a new understanding of the self. He revives the idea of the cosmopolitan the person who identifies the world as home. Arguing for the right to forget where we came from Hill proposes a new moral cosmopolitanism for the new millennium.; ['Philosophy'], "

"Introducing Feminist Images of God (Introductions in Feminist Theology); This book is an introduction to recent thinking on and experience of the Divine reflecting the work of women from diverse contexts. Early attempts to move beyond the restriction of God-language to 'Father' language and to open up the possibilities of a more inclusive way of praying have led to a richness and variety of experiences of God and the world of the sacred. God experienced in the struggle for justice is one such area. While similarities and connections are shown between for example Jewish womanist and Latin American women their distinctiveness and diversity is respected. Women's experience of God does not flinch from ambiguity and tragedy; so long as the figure of Sophia Wisdom integrates new dimensions of experience the infinite depths of the Divine Mystery are still to be plumbed.; ['Religion'], "

"Maritime Terror: Protecting Your Vessel and Your Crew Against Piracy; High-seas hijackings hostile boardings and robberies at port or anchorage have exploded worldwide and today's pirates are more daring sophisticated and violent than ever before. Before a ship sets sail a comprehensive maritime security plan is essential to ensure the safety of vessel and crew. This revised and updated edition of Maritime Terror is designed to help modern seamen—from commercial ship captains to yacht owners—formulate that plan. It offers sound advice on how to recognize and defend against a broad range of threats—from stowaways to terrorist suicide attackers. Drawing on decades of naval and SEAL team training and professional experience the authors provide guidance on detecting deterring and if necessary destroying maritime attackers. Highlights include: presailing security checklists for high-risk transits multiple methods to detect threats at sea essential equipment for maritime security emergency procedures for hostile boarding attacks comprehensive guidelines for legally stowing and using firearms in port and at sea advice on hardened safe rooms and vessel protection detachments Make sure your maritime travels don't run into catastrophe at the hands of pirates or terrorists. Let Maritime Terror help you formulate provision train and

test a vessel security plan to ensure a safe and successful transit through hostile waters.; ['Transportation'], "

"Basic Swedish grammar; This logical developmental presentation of the major aspects of Swedish grammar includes all the necessary tools for speech and comprehension. Designed for adults with limited learning time who wish to acquire the basics of everyday Swedish this grammar features numerous shortcuts and timesavers. Ideal as an introduction supplement or refresher.; ['Foreign Language Study'], "

"God in patristic thought; This book assembles the evidence for what the Greek Fathers the men whose contructive thought underlies the creeds really thought and taught about the nature of God. It shows that they were original thinkers with a profound reverence for the text of the Scriptures and minds keenly tranined to discuss what ultimate truths were expressed in the scriptural text and what reality should be ascribed to Christian religious experience. The results indicate that a good deal which is assumed in current theological text-books needs to be revised. The Fathers had to reconcile monotheism with faith in a Trinity of divine Persons. In the process they pursued many lines of inquiry often only to discard them after trial but after following various clues and making various intellectual adventures they reached a solution of the problem which was both true to their data and philosophically reasonable. Though the bulk of the book is concerned with the third and fourth centuries during which the creeds were in the process of formulation the story is carried down to the eighth century where the progress of original thought came to a standstill. It is shown that a great change came over the philosophical tradition during the sixth century and owing to the consequent growth of formalism a genuine outbreak of tritheism occurred. The book ends with the account of how this outbreak was met and overcome largely through the efforts of a thinker whose very name is unknown and whose book has only survived under the name of another man.;

"America; #1 NEW YORK TIMES BESTSELLER • Pulitzer Prize-winning author Jon Meacham helps us understand the present moment in American politics and life by looking back at critical times in our history when hope overcame division and fear. ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • The Christian Science Monitor • Southern Living Our current climate of partisan fury is not new and in The Soul of America Meacham shows us how what Abraham Lincoln called the "better angels of our nature" have repeatedly won the day. Painting surprising portraits of Lincoln and other presidents including Ulysses S. Grant Theodore Roosevelt Woodrow Wilson Franklin D. Roosevelt Harry S. Truman Dwight Eisenhower and Lyndon B. Johnson and illuminating the courage of such influential citizen activists as Martin Luther King Jr. early suffragettes Alice Paul and Carrie Chapman Catt civil rights pioneers Rosa Parks and John Lewis First Lady Eleanor Roosevelt and Army-McCarthy hearings lawyer Joseph N. Welch Meacham brings vividly to life turning points in American history. He writes about the Civil War

Reconstruction and the birth of the Lost Cause; the backlash against immigrants in the First World War and the resurgence of the Ku Klux Klan in the 1920s; the fight for women's rights; the demagoguery of Huey Long and Father Coughlin and the isolationist work of America First in the years before World War II; the anti-Communist witch-hunts led by Senator Joseph McCarthy; and Lyndon Johnson's crusade against Jim Crow. Each of these dramatic hours in our national life have been shaped by the contest to lead the country to look forward rather than back to assert hope over fear—a struggle that continues even now. While the American story has not always—or even often—been heroic we have been sustained by a belief in progress even in the gloomiest of times. In this inspiring book Meacham reassures us "The good news is that we have come through such darkness before"—as time and again Lincoln's better angels have found a way to prevail. Praise for *The Soul of America* "Brilliant fascinating timely . . . With compelling narratives of past eras of strife and disenchantment Meacham offers wisdom for our own time."—Walter Isaacson "Gripping and inspiring *The Soul of America* is Jon Meacham's declaration of his faith in America."—Newsday "Meacham gives readers a long-term perspective on American history and a reason to believe the soul of America is ultimately one of kindness and caring not rancor and paranoia."—USA Today; ['History'], "

"*FIVE SEASONS*; This tale of an awkward Israeli widower and his misadventures with women is an "extraordinary novel . . . a masterpiece" (Los Angeles Times). After seven long years of illness Molkho's wife passes leaving him in mourning but also with an unexpected sense of freedom. No longer is he bound to being a caretaker for a woman too sick to even bear his touch. His future—and his desires—are his own. As the seasons of his life propel the hapless middle-aged accountant through a series of journeys and a string of infatuations—with an unwanted wife an aggressive bureaucrat a young girl and a Russian émigré—Molkho begins to find the real element that was missing in his life was not romance but his own will. An absurd tragic humorous and hopeful meditation on love marriage and the quiet struggles of average Israeli lives *Five Seasons* "reconfirms [A. B. Yehoshua's] status as a shrewd analyst of domestic ordeals" (Publishers Weekly).; ['History'], "

"*The season of silence*; Many thousands of people across the world have found their spiritual lives enriched by the daily practice of Christian meditation the method of silent prayer taught by Benedictine monk John Main. It is a tradition which draws on the ancient wisdom of the Bible the Hindu Upanishads and the early Christian Desert Fathers. John Main wrote several books on contemplative prayer before he died in 1982 but this collection is the only one to draw the essence of all his teachings into one volume. Paul Harris has devotedly selected the essential extracts from each of John Main's works and arranged them here in an attractive and practical daily readings format.; ['Religion'], "

"*Desire Never Dies* (Lady Spies); Lady Anastasia Whittig is a true lady in every sense—and an absolute master at code-breaking. She has never operated in the field yet I feel confident this beautiful talented agent can triumph in the face of even the most dire peril. Her mission: Working with master spy Lucas Tyler she must expose the mastermind who is attempting to bring down our secret organization. She must maintain a strictly professional relationship with the admittedly attractive Tyler throughout for even a hint of scandal could compromise their operation. Potential weaknesses: Ana can be most passionate when provoked. And Tyler

is a seductive scoundrel who's never failed to win a lady's confidence. The temptations of this man might prove irresistible . . .; ['Fiction'], "Sea Feather (An Avon Camelot Book); When their family journeys to Chincoteague Island to see the wild pony auction Alison and her sister Laura plan to use their savings to buy a pony for themselves but they soon discover that they may not have enough money to realize their dream. Original.; ['Juvenile Fiction'], "

"Gillian Wearing (Contemporary Artists); Artist Gillian Wearing uses photography and video to produce a portrait of the complexities of contemporary life. This book takes a look at all of her work contextualizing it in relation to 20th-century painting photography and video art. The text discusses with the artist her collaborative approach towards her work and its subjects and focuses on 10-16 a video installation that charts our transition from childhood to adolescence.

The full transcripts of Wearing's videos are included.; ['Art'], "Mac OS X Power Tools; ""Dan Frakes' Mac OS X Power Tools is an essential (and approachable) guide for getting the most from Mac OS X." - Christopher Breen Mac 911 Columnist MacWorld Magazine Mac Expert Dan Frakes' Turns You Into a Power User The latest version of Mac OS X (v10.3 Panther) is here and noted expert Dan Frakes has once again worked day and night to discover and document the best ways for Mac users of all levels of experience to get things done. "The Hijacking of a Philosophy: Homosexuals vs. Ayn Rand's Objectivism; Here is an objective analysis of the growing movement to normalize homosexuality within the context of Ayn Rand's philosophy of Objectivism. It is that movement as epitomized in Dr. Chris Sciabarra's autograph Ayn Rand Homosexuality and Human Liberation that is examined detailing each issue from the normality and morality of homosexuality itself to the proper Objectivists approach toward questions of sexuality.; ['Education'], "

"Revealed (Fountain Creek Chronicles Book 2); Annabelle Grayson has been given a second chance at life but she can't claim it with the cloud of her past hanging over her in Willow Springs. After her husband dies she advertises for a trail guide to accompany her to land waiting for her in Idaho--and a most unlikely candidate applies for the job. Matthew Taylor is a man on the run with consequences of past mistakes pursuing him at every turn. Meeting Annabelle Grayson the first time was unpleasant enough but when she crosses his path again her presence in his life--and what she reveals--is devastating. If given a single wish Matthew would

turn back time and right a grievous wrong. If given a second wish he would make Annabelle Grayson pay.; ['Fiction'],"

"Essence of the Bhagavad-Gita; In this companion to his best-selling translation of the Bhagavad Gita Easwaran explores the essential themes of this much-loved Indian scripture. Placing the Gita in a modern context Easwaran shows how this classic text sheds light on the nature of reality the illusion of separateness the search for identity and the meaning of yoga. The key message of the Gita is how to resolve our conflicts and live in harmony with the deep unity of life through the principles of yoga and the practice of meditation. Easwaran grew up in the Hindu tradition and learned Sanskrit from an early age. A foremost translator and interpreter of the Gita he taught classes on it for forty years while living out the principles of the Gita in the midst of a busy family and community life. In the Gita Sri Krishna the Lord doesn't tell the warrior prince Arjuna what to do: he shows Arjuna his choices and then leaves it to Arjuna to decide. Easwaran too shows us clearly how these teachings still apply to us - and how like Arjuna we must take courage and act wisely if we want our world to thrive.; ['Religion'],"

"An Introduction to High-Frequency Finance; Provides a framework for the analysis modelling and inference of high-frequency financial time series. "Jem; A cynical and compelling tale of politics exploitation and colonisation on another planet The discovery of another habitable world might spell salvation to the three bitterly competing power blocs of the resource-starved 21st century; but when their representatives arrive on Jem with its multiple intelligent species they discover instead the perfect situation into which to export their rivalries. Subtitled with savage irony 'The Making of a Utopia' JEM is one of Frederik Pohl's most powerful novels.; ['Corruption'],"

"Targeting the Powerful: International Prospect Research; First Published in 2000. Routledge is an imprint of Taylor & Francis an informa company.; ['Business & Economics'],"

"Tell Me Who You Are; An eye-opening exploration of race in America In this deeply inspiring book Winona Guo and Priya Vulchi recount their experiences talking to people from all walks of life about race and identity on a cross-country tour of America. Spurred by the realization that they had nearly completed high school without hearing any substantive discussion about racism in school the two young women deferred college admission for a year to collect first-person accounts of how racism plays out in this country every day--and often in unexpected ways. In Tell Me Who You Are Guo and Vulchi reveal the lines that separate us based on race or other perceived differences and how telling our stories--and listening deeply to the stories of others--are the first and most crucial steps we can take towards negating racial inequity in our culture. Featuring interviews with over 150 Americans accompanied by their photographs this intimate toolkit also offers a deep examination of the seeds of racism and strategies for effecting change. This groundbreaking book will inspire readers to join Guo and Vulchi in imagining an America in which we can fully understand and appreciate who we are.; ['Social Science'],"

"Best Thinking Machine Detective Stories; A collection of unique detective stories starring the famed Thinking Machine Augustus Van Dusen whose incredible mind solves seemingly impossible problems; ['Fiction'],;" "Measure of My Days; At eighty-two Florida Scott-Maxwell felt impelled to write about her strong reactions to being old and to the time in which we live. Until almost the end this document was not intended for anyone to see but the author finally decided that she wanted her thoughts and feelings to reach others. Mrs. Scott-Maxwell writes: "I was astonished to find how intensely one lives in one's eighties. The last years seemed a culmination and by concentrating on them one became more truly oneself. Though old I felt full of potential life. It pulsed in me even as I was conscious of shrinking into a final form which it was my task and stimulus to complete." The territory of the old is not Scott-Maxwell's only concern. In taking the measure of the sum of her days as a woman of the twentieth century she confronts some of the most disturbing conflicts of human nature—the need for differentiation as against equality the recognition of the evil forces in our nature—and her insights are challenging and illuminating. The vision that emerges from her accumulated experience of life makes this a remarkable document that speaks to all ages.; ['Biography & Autobiography'],;"

"The Hard Karma Shuffle; Paladin -- that's his only name now -- is a gray-haired and pony-tailed love-child who has grown up and opted out of mainstream life for nearly 30 years. He's got no social security number no driver's license and has never paid a cent to the IRS. Now in his forties Paladin takes care of his minimal needs through barter and payments under the table for delivering packages on his bicycle in the weather-cursed city of Portland. One ugly afternoon Paladin is sent to deliver an envelope to a software company and then ordered by the sender to ""undeliver"" it. Upon his return Paladin finds his client -- a good friend -- dead. What happens to this counterculture and innocent soul and the envelope in his possession is the stuff of the mystery.; ['Fiction'],;"

"Herman; The first of a two-volume biography of Melville traces his life from his childhood in New York through his adventures abroad as a sailor to his creation of Moby-Dick.; ['Literary Criticism'],;"

"Berenstain Bears: Yike! Yike! Where's My Trike? (Peek-a-Board Book); Sister Bear loses her tricycle and searches everywhere to find it; ['Juvenile Fiction'],;"

"Curse of the Blue Tattoo : Being an Account of the Misadventures of Jacky Faber Midshipman and Fine Lady (Bloody Jack Adventures); After being forced to leave her ship in 1803 Jacky Faber finds herself attending school in Boston where instead of learning to be a lady she roams the city in search of adventure and learns to ride a horse.; ['Juvenile Fiction'],;"

"Mosby's Handbook of Herbs & Supplements and Their Therapeutic Uses; Access the most reliable information on herbs and alternative medicines from trusted author Linda Skidmore-Roth in Mosby's Handbook of Herbs and Natural Supplements! "The Black Market Flag: A novel about international industrial espionage; Bill Blazer is a hard-charging young guy with a quick head and a suspicious mind. He drops out of U.C.L.A. to develop his novel idea for a high-speed supercomputer. With cunning guile and little else he puts together a start-up company. His competitors and a large Japanese conglomerate are snapping at his heels. He needs money to keep his company going. In a deal with the devil he accepts financing from a New York banker who he believes is now double-crossing him. His girlfriend Jennie Silvers tells him he is paranoid but he is convinced everyone is trying to steal his technology. He soon catches one of his employees red-handed. Federal agents move in. Then the whole thing takes an unexpected turn that even Bill Blazer's distrustful mind could not have anticipated.; ['Fiction'],

"Innocence Deceived; Kyra Davis the New York Times bestselling author of Just One Night returns with book one in the thrillingly erotic Pure Sin series featuring a beautiful young woman out for revenge—until she falls in love with the one man whose secrets are as dangerous as her own.  
(Note: this volume collects Parts 1 - 3 of the previously serialized Deceptive Innocence ebook series.) Ever since Bell's mother died while serving time for a murder she didn't commit Bell's been focused on one thing: revenge. She knows her mother was set up by Jonathon Gable the head of both the powerful Gable family and an international banking corporation. Now she's determined to take him down—from the inside. Bell needs access to the Gable home and offices so she poses as a bartender to seduce her way into the bed—and life—of Jonathon's rebellious youngest son Lander. He's not a typical Gable spending more time in the dive bars of Harlem than the posh cocktail lounges of the Upper East Side. He has an attraction to danger a vulnerability Bell isn't shy about exploiting. It should be easy to uncover the secrets she needs to destroy his family and clear her mother's name. But it turns out Lander is much more complicated than she ever imagined. He's enticing intelligent mysterious—plus their sexual chemistry is off the charts. Even though Bell knows he's the enemy she can't help but be moved both physically and

emotionally by the man she swore was just a target. When he finds out the truth she's sure both their hearts and her plan will be crushed...until she begins to realize that Lander might be hiding his own secrets darker than she ever imagined.; ['Fiction'], "

"Joss Whedon: The Genius Behind Buffy; Joss Whedon: The Genius Behind Buffy is a biography of Joss Whedon the wunderkind creator of television shows Buffy the Vampire Slayer Angel and Firefly. From Booklist: Writers actors and fans often call Joss Whedon a genius. It's easy to see why. Whedon who got his start writing for Roseanne dreamed of writing movie screenplays. He got his shot when he sold his script for Buffy the Vampire Slayer but the movie fell far short of his hopes for it. After a few years of working as a script doctor Whedon got the chance to do Buffy again this time as a TV show. Few expected it to succeed but Whedon's humor and intelligence shone through in the scripts and viewers quickly became attached to the engaging witty characters. Buffy kept getting better: each season of the show featured a complex story arc possessed of a real sense of danger and further developed the characters. The last few years have brought the Buffy spin-off Angel the lamentably canceled Firefly (a space western) and the comic book Fray. Engaging and filled with fun quotes this is a must-read for Whedon's many fans.; ['Biography & Autobiography'], "

This book gives an account of the terms currently in use and attempts an in-depth analysis of the nature of each. The matter is examined both from a philosophical perspective and from the point of view of what is known about the function of the hemispheres of the brain.; ['Psychology'], "

"INTO THE DARKNESS.; I'd always been different. I saw objects in the night where others saw emptiness. Large human shaped shadows fierce yet beautiful melting into the darkness. I collected secrets like other women collected bells; afraid to fully trust lest my oddities be exposed. Until I saw him. He'd been gliding down the street unshakable confidence in every step. It wasn't just that he was breathtakingly handsome with perfect features. Something about him drew me. Sucked my focus to him and then tugged at my body. As his eyes met mine I was entrapped. No one had noticed him. He'd been right there just beyond the light but only I had perceived. I had to know if he was real. Or maybe I really was crazy. And even when my secret box was blasted wide open dangers hurled at me like

throwing knives I couldn't stop until I unraveled his true identity. I just had to know.; ['Paranormal fiction'], "

"Inside-Out Grandma: A Hanukkah Story; Rosie's grandmother wears her clothes inside out to remind herself to buy oil for making latkes at Hanukkah. Includes a recipe for potato latkes.; ['Juvenile Fiction'], "

"How Buildings Work; Illustrated with hundreds of illuminating line drawings this classic guide reveals virtually every secret of a building's function: how it stands up keeps its occupants safe and comfortable gets built grows old and dies--and why some buildings do this so much better than others. Drawing on things he's learned from the many buildings he himself designed (and in some cases built with his own hands) Edward Allen explains complex phenomena such as the role of the sun in heating buildings and the range of structural devices that are used for support from trusses and bearing walls to post-tensioned concrete beams and corbeled vaults. He stresses the importance of intelligent design in dealing with such problems as overheating and overcooling excessive energy use leaky roofs and windows fire safety and noisy interiors. He serves up some surprises: thermal insulation is generally a better investment than solar collectors; board fences are not effective noise barriers; there's one type of window that can be left open during a rainstorm. The new edition emphasizes ""green"" architecture and eco-conscious design and construction. It features a prologue on sustainable construction and includes new information on topics such as the collapse of the World Trade Center sick building syndrome and EIFS failures and how they could have been prevented. Allen also highlights the array of amazing new building materials now available such as self-cleaning glass photovoltaics transparent ceramics cloud gel and super-high-strength concrete and structural fibers. Edward Allen makes it easy for everyone--from armchair architects and sidewalk superintendents to students of architecture and construction--to understand the mysteries and complexities of even the largest building from how it recycles waste and controls the movement of air to how it is kept alive and growing.; ['Architecture'], "

"Smart Design; Smart Design is an international collection of products that stand out for the excellence of their design. In a world where almost every product works as well as any other and technology is omnipotent it is design that makes the difference. It is the work of designers to make sure the objects we work with travel on learn from and play with are easy to use approachable enjoyable and satisfying. Smart Design takes 24 examples of the world's best products and looks at the people behind each design the challenges along the way and how companies work with designers whether individuals global consultancies or corporate design teams to create smart products. Designing a product is about usability manufacturing function and form. It is also about brand emotion and technology. The role of the product designer is to pull these aspects together and combine individual creative brilliance with teamwork from experts in everything from physiology to electronics to create designs that not only work but surprise and delight along the way.; ['Photography'], "

"A Cow A Bee A Cookie and Me; A young boy's grandmother explains how nature provides the different ingredients they need to make some cookies. Includes recipe.; ['Juvenile Nonfiction'], "

"The Case for Auschwitz: Evidence from the Irving Trial; From January to April 2000 historian David Irving brought a high-profile libel case

against Penguin Books and Deborah Lipstadt in the British High Court charging that Lipstadt's book Denying the Holocaust (1993) falsely labeled him a Holocaust denier. The question about the evidence for Auschwitz as a death camp played a central role in these proceedings. Irving had based his alleged denial of the Holocaust in part on a 1988 report by an American execution specialist Fred Leuchter which claimed that there was no evidence for homicidal gas chambers in Auschwitz. In connection with their defense Penguin and Lipstadt engaged architectural historian Robert Jan van Pelt to present evidence for our knowledge that Auschwitz had been an extermination camp where up to one million Jews were killed mainly in gas chambers. Employing painstaking historical scholarship van Pelt prepared and submitted an exhaustive forensic report that he successfully defended in cross-examination in court.;

"Ten Thousand Years of Pottery; Pottery making is one of the oldest and most widespread of human activities with a history that can be traced back to the Stone Age. Stylistic and technical changes over time reveal a great deal about the societies in which the pottery was made so that clay vessels serve as essential cultural and dating indicators as well as objects of individual skill and creativity. This lavishly illustrated and comprehensive account begins with the earliest civilizations of the Near

East and Middle East and follows the production of pottery chronologically around the globe from the Mediterranean and the Orient to the Islamic world and ancient America from neolithic Britain to the factories of Wedgwood and de Morgan from contemporary Africa and India to Scandinavia and Australasia. The final chapters analyze the development of ceramics as a medium of personal expression by artists and studio potters during the twentieth century. This is the fourth edition of a work that has been deemed a classic since its first publication in 1972 and for this new edition has been completely revised expanded and redesigned with new illustrations throughout. The illustrations are drawn from museums collectors and practicing potters across the word and offer representative examples of the major styles materials and forms of all periods allowing us to make comparisons and see relationships between the works of potters who may be widely separated in space and time.; ['Art'], "

"Jury of One; From the Edgar Award-winning author of Life Sentence and Line of Vision. In Jury of One Shelly Trotter an able and determined lawyer and a children's rights advocate is thrust into a world in which she's completely unschooled—the criminal court. Her client is a 17-year-old accused of killing a policeman and she begins to suspect that he may have been involved in an undercover operation to entrap dirty cops though his role in the scheme remains unclear. Was he the target or the bait—and what does the prosecution really have against him? Then comes the shocker: Shelly fears that she has a connection to this boy something she has kept secret for years knowledge that she has hidden from her family and friends for most of her adult life. And as the evidence against the boy mounts she finds that nothing—not legal ethics not a statewide political campaign that could swing in the balance—will stop her from keeping him off death row. For with this client she is truly a jury of one. "Compelling."—Entertainment Weekly; ['Fiction'], "

"UFO-Abductions : A Dangerous Game; Some say they have been abducted and subjected to terrifying physical examinations. Others claim that young

children have been kidnapped and returned only after the removal of flesh samples. Still others allege that women have been kidnapped and impregnated the unborn children later removed for a vast cross-breeding experiment. These crimes against humanity are not perpetuated by an international terrorist organization. The ""abductees"" assert that they have been kidnapped by extraterrestrial beings. UFO abduction claims have spawned a veritable cottage industry providing the fodder for an explosion of magazine articles television interviews newspaper features bestselling books and movies. Somewhere beyond all the tumult lies the truth. Dedicated to ""those who will needlessly bear mental scars because of the foolish fantasies of a few"" UFO Abductions lifts the shroud of mystery from the invisible epidemic of UFO abduction claims. Philip J. Klass an internationally recognized skeptical authority on the subject of UFO reports traces the history of these claims from the celebrated Betty and Barney Hill case in 1966 to the extraordinary tales which are surfacing today. His response to these claims and the answers he provides are both absorbing and factual - a fascinating glimpse into an American subculture obsessed with visitors from outer space.; ['Body Mind & Spirit'], "

"The Enchanted Quest of Dana and Ginger Lamb; Bestselling authors sensational lecturers documentary filmmakers amateur archaeologists spies for FDR--Dana and Ginger Lamb led the life of Indiana Jones long before the movie icon was ever scripted. ""We blaze the trail"" Ginger said ""and the scientists follow."" The Enchanted Quest of Dana and Ginger Lamb is the first biography of this captivating entrepreneurial couple. In southern California they started married life in 1933 by building a canoe. With only \$4.10 in their pockets they paddled to Central America and through the Panama Canal. Three years later they returned triumphant bearing a photographic record of the amazing trek that made them famous. After releasing their bestselling book Enchanted Vagabonds the two became exactly that. They relentlessly lectured for the public and mooned for the media until they were able to fund more exotic voyages to remote jungles and rivers. So convincing were they on the circuit that their most powerful fan President Franklin Roosevelt coerced J. Edgar Hoover into hiring the Lambs as spies in Mexico. After World War II they launched their Quest for the Lost City which yielded another book and documentary. Drawing on historical records the Lambs' books and letters and recently declassified espionage documents biographers Julie Huffman-klinkowitz and Jerome Klinkowitz show how the Lambs succeeded in marketing their conquests and films to armchair explorers around the world and how they became in popular imagination the quintessential American adventurers.; ['Biography & Autobiography'], "

"Foucault Management and Organization Theory: From Panopticon to Technologies of Self; This volume draws together critical assessments of Michel Foucault's contribution to our understanding of the making and remaking of the modern organization. The volume provides a valuable summary of Foucault's contribution to organization theory which also challenges the conventions of traditional organizational analysis. By applying Foucauldian concepts such as discipline surveillance and power//knowledge the authors shed new light on the genesis of the modern organization and raise fresh questions about organization theory. The bureaucratic career is for example analyzed as a disciplinary device a mechanism that seeks to alter rational choice rather than constrain bodies. This raises questions about Foucault's link; ['Business & Economics'], "

"Without Warning: Threat Assessment Intelligence and Global Struggle; In the last century competition among the global powers has relied heavily upon the concept of war threat assessment. However the ways in which these powers define security have differed among them leading in some instances to miscommunication conflict and even war. In Without Warning accomplished scholar Mikhail Alexseev compares the intelligence priorities of principal decision makers in such various parts of the world as the Mongol Empire and Sung China (1206-1220) Great Britain and France (1783-1800) and the USA and the Soviet Union (1975-1991). In his analysis Alexseev reveals that while the leading powers see security primarily in military and economic terms their challengers focus primarily on political vulnerabilities. As a result Alexseev asserts the world powers have consistently failed to detect or deter aggressive challenges. A sharp deciphering look at the interactions among the major global players Without Warning makes a crucial contribution to the study of international relations.; ['Political Science'],"

"Amateur Astronomer's Handbook (Dover Books on Astronomy); Timeless comprehensive coverage of telescopes mirrors lenses mountings telescope drives micrometers spectroscopes more. "". . . highly recommended for

very serious nonprofessional astronomers." - A Guide to the Literature of Astronomy. 189 illustrations. Reprint of 1971 edition.; ['Science'], "A First Course in Stochastic Processes Second Edition; The purpose level and style of this new edition conform to the tenets set forth in the original preface. The authors continue with their task of developing simultaneously theory and applications intertwined so that they refurbish and elucidate each other. The authors have made three main kinds of changes. First they have enlarged on the topics treated in the first edition. Second they have added many exercises and problems at the end of each chapter. Third and most important they have supplied in new chapters broad introductory discussions of several classes of stochastic processes not dealt with in the first edition notably martingales renewal and fluctuation phenomena associated with random sums stationary stochastic processes and diffusion theory.; ['Mathematics'], "

"A Short Course in Olympus Camedia C-3030 Photography; Infrared Spectroscopy of Biomolecules Edited by Henry H. Mantsch and Dennis Chapman Dramatic new advances in the application of infrared spectroscopy to biomolecules and instrumentation are revolutionizing this branch of molecular spectroscopy. Infrared Spectroscopy of Biomolecules provides an up-to-date detailed look at the different spectroscopic techniques now available and offers a framework for progression in the field including the evolution of Fourier transform methods the development of time-resolved techniques and difference spectroscopy as well as new modulation methods. The book begins with a fundamental introduction to the theories behind both infrared spectroscopy and the Fourier transform method which lays the groundwork for the instrumental and mathematical chapters that follow. Once the basics of the infrared methods are established the proceeding chapters cover the application of infrared spectroscopy to proteins lipids enzymes nucleic acids carbohydrates and biomembranes. Other chapters in this excellent reference include: Theoretical Analyses of the Amide I Infrared Bands of Globular Proteins Slow and Fast Infrared Kinetic Studies Fourier Transform Infrared Spectroscopy of Cell Surface Polysaccharides What Can Infrared Spectroscopy Tell Us About the Structure and Composition of Intact Bacterial Cells Biomedical Infrared Spectroscopy Editors Henry Mantsch and Dennis Chapman leading experts in the field conclude with an exciting look at much-anticipated future developments including the use of caged compounds and studies of oxidation reduction systems within the IR spectrometer. A solid introduction to the basics with up-to-the-minute coverage of the latest developments in the field Infrared Spectroscopy of Biomolecules is an indispensable reference tool for biochemists biophysicists and structural biologists alike.; ['Science'], "

"Data Analysis Methods in Physical Oceanography; Data Analysis Methods in Physical Oceanography Third Edition is a practical reference to established and modern data analysis techniques in earth and ocean sciences. Its five major sections address data acquisition and recording data processing and presentation statistical methods and error handling analysis of spatial data fields and time series analysis methods. The revised Third Edition updates the instrumentation used to collect and analyze physical oceanic data and adds new techniques including Kalman Filtering. Additionally the sections covering spectral wavelet and harmonic analysis techniques are completely revised since these techniques have attracted significant attention over the past decade as more accurate and efficient data gathering and analysis methods.

Completely updated and revised to reflect new filtering techniques and major updating of the instrumentation used to collect and analyze data Co-authored by scientists from academe and industry both of whom have more than 30 years of experience in oceanographic research and field work Significant revision of sections covering spectral wavelet and harmonic analysis techniques Examples address typical data analysis problems yet provide the reader with formulaic ""recipes"" for working with their own data Significant expansion to 350 figures illustrations diagrams and photos; ['SCIENCE'], "

"First Aid; First AidTM remains the most trusted name in USMLE® review—just ask any medical student! Written by students who recently passed the exam and reviewed and approved by top faculty First Aid for the USMLE Step 1 provides the most high-yield topics and concepts found on the USMLE Step 1 exam. Every medical student turns to First Aid during their coursework as well as during their Step 1 prep. Each annual edition is thoroughly revised by bringing together the expertise and experience of numerous students and faculty. You'll find everything you need to excel on the exam. First Aid for the USMLE Step 1 2022 Thirty-Second Edition features: A complete framework for USMLE Step 1 preparation Completely updated content from students who just took the USMLE Step 1 and reviewed by faculty 1300+ high-yield facts and mnemonics organized into basic principles and organ system sections 1000+ color clinical images and illustrations Updated test-taking and exam-preparation advice New content on communication skills to reflect the new exam content blueprint Outline format allows for easy retrieval and synthesis of key information Summary tables and comparison charts that improve consumption and retention of key information; ['Medical'], "

"Slaying is Such Sweet Sorrow (Far Wychwood Mysteries No. 2); File ""M"" for Murder Librarian and former New Yorker Catherine Penny has already sleuthed out the truth behind a deadly house fire since settling in the tiny English town of Far Wychwood. But nowhere is too far for painful memories to find her when her ex-husband who left her single in her sixties arrives with his new lady love to attend a family affair.

Catherine can't avoid him at the awards ceremony honoring their son-in-law Peter who is a shoo-in for a prestigious appointment at Oxford's Mercy College. But the shock of Peter not being chosen is matched only by who is: pompous womanizing scholar Edgar Stone. And when Stone is found murdered Peter's guilt seems hardly academic.... Patricia Harwin who introduced a ""charming compassionate"" (The New Mystery Reader) heroine in Arson and Old Lace shows once again why an American woman in an English town can unearth a whole lot of trouble.; ['Fiction'], "

"Rogers' Rangers and the French and Indian War (Landmark books 63); ""In the mid-eighteenth century the Ottawa chief Pontiac (often spelled Ponteach at the time) led an intertribal confederacy in resisting British power in the Great Lakes region an event immortalized in the play Ponteach or the Savages of America. This play written by infamous frontier soldier Robert Rogers is one of the earliest theatrical renderings of the region depicting its hero in a way that called into question eighteenth-century constructions of Indigenous Americans. Sämi Ludwig contends that Ponteach's literary and artistic merits are worthy of further exploration. He investigates the questions of authorship and analyzes the play's content embracing its many contradictions as enriching windows into the era. In this way he suggests using Ponteach as a tool to better understand British imperialism in North America and the

emerging theatrical forms developing in the Young Republic"--; ['American drama'], "

"Marquetry Course; A comprehensive book on teaching the art and craft of marquetry and furniture making written by two author/teachers each with over 30 years experience of creating stunning marquetry furniture. Twelve step-by-step marquetry tutorials and four furniture-making projects guide students at all skill levels through the construction with full colour illustrations at every stage of build. A comprehensive gallery of furniture displaying marquetry and furniture built by artisans from different corners of the globe make this a truly international publication. The gallery includes replica copies of two of Thomas Chippendale's iconic marquetry furniture pieces: the prestigious Diana & Minerva Commode and the Pier Table initially made for the Circular Dressing Room at Harewood House - both are recreated in full coloured veneers just as the originals appeared when first made over 250 years ago.; ['Crafts & Hobbies'], "

"Ceramics for Gardens & Landscapes; Here's an inspirational and practical guide for landscapers looking for fresh ways to create outdoor decor and for ceramists looking for a new market for their pieces. A group of renowned international ceramists share their secrets for making pieces suitable for outdoor use.; ['Crafts & Hobbies'], "

"The Art of Loving; The landmark bestseller that changed the way we think about love: "Every line is packed with common sense compassion and realism" (Fortune). The Art of Loving is a rich and detailed guide to love—an achievement reached through maturity practice concentration and courage. In the decades since the book's release its words and lessons continue to resonate. Erich Fromm a celebrated psychoanalyst and social psychologist clearly and sincerely encourages the development of our capacity for and understanding of love in all of its facets. He discusses the familiar yet misunderstood romantic love the all-encompassing brotherly love spiritual love and many more. A challenge to traditional Western notions of love The Art of Loving is a modern classic about taking care of ourselves through relationships with others by the New York Times-bestselling author of To Have or To Be? and Escape from Freedom. This ebook features an illustrated biography of Erich Fromm including rare images and never-before-seen documents from the author's estate.; ['Psychology'], "

"Corsair Aces of World War 2 (Osprey Aircraft of the Aces No. 8); The speed with which the Corsair was rushed into service as a land-based fighter obliged the pilots to learn on the job. The aircraft soon proved to be superior to the Japanese Zero and played a major part in the destruction of Japan's elite air forces in the South Pacific. Later in an effort to counter the Kamikaze threat the Corsair was once again hurriedly pressed into service; this time in its originally intended role as a shipboard fighter. This versatile aircraft saw service with the US Navy and Marines the British Fleet Air Arm and the RNZAF. Most of the 4FU pilots who recount their experiences within these pages considered it to be the best all-round fighter in the Pacific theatre.; ['History'], "

"Good Ol' Southern Gospel: Easy Piano; (Easy Piano Songbook). "You're Not Alone: Healing Through God's Grace After Abortion; Whether you're pro-life or pro-choice you probably agree on one thing: abortion hurts women both mentally and physically. Unfortunately both sides are guilty of ignoring the individual in favor of the higher moral ground. No more. This book is designed to help people heal from their abortions on an individual level and to finally be able to put guilt shame fear doubt and other negative feelings behind them forever. Jennifer O'Neill's approach to healing is Christ-centered showing post-abortive women that God still loves them and that they should therefore love themselves. She should know--she felt guilt and shame over her own abortion for years. And she is not alone in that pain. This book: presents the symptoms of post-abortion syndrome (experienced by 80 percent of post-abortive women) incorporates a step-by-step faith-based process for healing that incorporates Scripture provides true stories of women and men who have struggled with the affects of abortion includes resources for help and support Not just for the woman herself this book is the perfect comfort and guide for people with friends daughters or loved ones struggling with the after-effects of abortion whether recent or long in the past. Key Features Focuses on personal stories of healing from more than 25 women including Jennifer O'Neill herself. Takes women through a series of feeling--guilt shame honesty and grieving--that ultimately lead to personal and divine forgiveness. The central tenet is that God always loves you no matter what happens a message many post-abortive women don't get from their church communities but which they desperately need.; ['Religion'],"

"Fair Warning: A Novel; The hero of The Poet and The Scarecrow is back in this thriller from #1 New York Times bestselling author Michael Connelly. Jack McEvoy the journalist who never backs down tracks a serial killer who has been operating completely under the radar--until now. Veteran reporter Jack McEvoy has taken down killers before but when a woman he had a one-night stand with is murdered in a particularly brutal way McEvoy realizes he might be facing a criminal mind unlike any he's ever encountered. Jack investigates--against the warnings of the police and his own editor--and makes a shocking discovery that connects the crime to other mysterious deaths across the country. Undetected by law enforcement a vicious killer has been hunting women using genetic data to select and stalk his targets. Uncovering the murkiest corners of the dark web Jack races to find and protect the last source who can lead him to his quarry. But the killer has already chosen his next target and he's ready to strike. Terrifying and unputdownable Fair Warning shows once again why

""Michael Connelly has earned his place in the pantheon of great crime fiction writers"" (Chicago Sun-Times). A Kirkus Best Book of 2020; ['Fiction'], "

"Paths of the Damned: Ashes of Middenheim (Warhammer Fantasy Roleplay) (v. 1); The ashes still cool and the wounds still heal after the onslaught of Archaon and the forces of Chaos Undivided-but Middenheim still stands! Perched atop the massive height of the Ulricsberg the defenders of the Empire threw back the Chaos hordes.; ['Fiction'], "

"Warrior (MacKenzie-Blackthorn Book 5); As wildlife biologist Eden Summers conducts research on the local cougar population in the Colorado Rockies she finds a badly injured rancher during a storm and pulls him to safety. "The life of George Washington; Within eight years of the death of George Washington in 1799 the first major biography of "the father of his country" was written by John Marshall and published in five volumes.

Marshall who later became Chief Justice of the United States Supreme Court was induced to the task by the first President's nephew Bushrod Washington. Marshall's own principal biographer Albert J. Beveridge has described The Life of George Washington as "to this day the fullest and most trustworthy treatment of that period from the conservative point of view." In fact so significant is the biography that Marshall later executed a one-volume abridgment first published in 1838 and used widely for generations in American schools and colleges. The twentieth and final version of the abridgement published in 1849 is the text reproduced in the new Liberty Fund edition of what Charles A. Beard has praised as a "great" and "masterly" biography. The editors' foreword and notes together with maps of major battle campaigns not included in the original edition make this edition especially attractive for classroom use. The Appendices include Washington's Speech to the Officers of the Army (15 March 1783) Address to Congress on Resigning Commission (23 December 1783) Letter to Congress Transmitting Proposed Constitution (17 September 1787) First Inaugural Address (30 April 1789) and Farewell Address (19 September 1796). Robert Faulkner is a Professor of Political Science at Boston College. Paul Carrese is a Professor of Political Science at the United States Air Force Academy.; ['Biography & Autobiography'], "

"*Sacré Français !* : Un américain nous regarde (French Edition); Depuis la guerre en Irak entre Français et Américains c'est la grande brouille. Ce n'est pas la première et sans doute pas la dernière fâcherie. Et voilà qu'un Américain qui a choisi de vivre à Paris décide de nous dire ce qu'il pense de la France. En Huron de l'Ohio Ted Stanger s'est penché sur nos habitudes nos modes de vie et de pensée. Loin de répondre à un anti-américanisme ambiant qui ne l'épargne pas il tente de nous aider à comprendre ce grand malentendu qui fait des Français et des Américains des alliés-ennemis. Imaginez sa stupéfaction face aux 35 heures dans un pays où les restaurants et les pharmacies sont toujours fermés quand on en a besoin. Du règne de la bagnole à notre frilosité devant ce XXIe siècle qui s'ouvre rien ne lui a échappé. Truffé d'anecdotes impertinent et drôle sans complaisance et volontiers polémique *Sacrés Français !* fait à la fois rire et réfléchir. Impossible de ne pas se reconnaître dans ce miroir qu'il nous tend.; ['Literary Criticism'], "

"*Old Ben (Juvenile Series)*; Working to save the mules in their Kentucky community from being butchered at the cannery twelve-year-old Scrappie and his friend Red Mule see their cause vindicated when tractors get stuck in the river mud and only mules can pull them out.; ['Fiction'], "

"*Letters of Love*; Nicholas Coughlan is twelve years old when his father an Irish civil servant announces that God has commanded him to become a painter. He abandons the family and a wife who is driven to despair.

Years later Nicholas's own civil-service career is disrupted by tragic news: his father has burned down the house with all his paintings and himself in it. Isabel Gore is the daughter of a poet. She's a passionate girl but her brother is the real prodigy a musician. And yet this family too is struck by tragedy: a seizure leaves the boy mute and unable to play. Years later Isabel will continue to somehow blame herself casting off her own chances for happiness. And then the day after Isabel's wedding to man she doesn't love Nicholas arrives on her western isle seeking his father's last surviving painting. Suddenly the winds of fortune begin to shift sweeping both these souls up with them. Nicholas and Isabel it seems were always meant to meet. But it will take a series of chance events--and perhaps a proper miracle--to convince both to follow their hearts to where they're meant to be.; ['Fiction'], "

"*Debo luego sufro*; Tras el éxtasis consumista llega la inevitable cruda. Los estados de cuenta las facturas y los recibos impagados colocan a los personajes de Guadalupe Loaeza ante la dura realidad. Sin embargo todos ellos son deudores irredentos que tropiezan sin cesar con la misma piedra. Cada uno hará hasta lo imposible por seguir comprando pese a su insolvencia. Y es que para ellos renunciar a su estilo de vida significaría perder estatus. Unas veces con ironía otras con humor feroz estas historias trazan el perfil de hombres y mujeres cuya existencia oscila entre la ostentación y la ruina económica.; ['Humor'], "

"On Top of the World: Cantor Fitzgerald Howard Lutnick & 9/11: A Story of Loss & Renewal; On the morning of September 11 2001 nearly 700 of Cantor Fitzgerald's 1000 New York employees were at their desks on the top floors of One World Trade Center when a hijacked passenger plane struck eight floors below. None survived. On Top of the World tells the story not only of that tragic day but also of the complicated and emotionally charged events that followed. It is an intimate often harrowing look at how private families processed a public atrocity how corporate war-room strategy sessions saved the company from liquidation and the efforts of opportunistic competitors. This book examines the media scrutiny that followed Howard Lutnick who struggled to be at once the compassionate leader the grieving families needed and the tough-minded CEO his decimated company required. It also tells the story of the men and women of Cantor whose lost coworkers were relatives and friends and brothers and sisters. That Cantor's business has survived and even flourished -- and that an initially uneasy but ultimately significant covenant has been formed between those who lived and the families of their lost friends -- is a powerful testament to the ability of a community to endure.; ['Business & Economics'], "

Another day another planet at war. But in David Drake's ""Choosing Sides"" Lieutenant Huber stepped off the starship right into an ambush. The attackers didn't survive but neither did far too many of Huber's troops<sup>¾</sup>and Slammers aren't supposed to get caught in ambushes. Now to redeem himself Huber is being sent on a special mission that may be his last. But even so the enemy will learn the cost of killing even a single one of Colonel Hammer's Slammers. . . . If the enemy thought General Belisarius was tough wait until they meet the wife of one of his soldiers in Eric Flint's ""Island.""" She was wed just before her husband left with Belisarius to fight an evil from beyond time. Now her husband is wounded and she is going to travel a thousand miles to reach his side<sup>¾</sup>and few who get in her way will live to regret it. . . . At the publisher's request this title is sold without DRM (Digital Rights Management).; ['Fiction'], "

"When Gravity Fails; In a futuristic Middle East plug-ins can turn anyone into a killer in this "wry and black and savage" Nebula and Hugo award finalist (George R. R. Martin). Set in a high-tech near future featuring an ascendant Muslim world and divided Western superpowers this cult

classic takes us into a world with mind- or mood-altering drugs for any purpose brains enhanced by electronic hardware with plug-in memory additions and modules offering the wearer new personalities and bodies shaped to perfection by surgery. Marid Audran an unmodified and fairly honest street hustler lives in a decadent Arab ghetto the Budayeen and holds on tight to his cherished independence. Then against his best instincts he becomes involved in a series of inexplicable murders. Some seem like routine assassinations carried out with an old-fashioned handgun by a man wearing a plug-in James Bond persona; others involving whores feature prolonged torture and horrible mutilations. Soon the problem comes to the attention of Budayeen godfather Friedlander Bey—who makes Audran an offer he can't refuse. Nominated for the Nebula and Hugo awards the highest honors in the genre When Gravity Fails which introduced the cyberpunk Budayeen Cycle is a pioneering work the Denver Post called "superior science fiction" and Harlan Ellison described as "crazy as a spider on ice skates . . . plain old terrific.";

[*'Fiction'*],"

"Chicago's North Michigan Avenue: Planning and Development 1900-1930 (Chicago Architecture and Urbanism); Since its opening in the 1920s Chicago's North Michigan Avenue has been one of the city's most prestigious commerical corridors lined by some of its most architecturally distinctive business residential and hotel buildings. Planned by Daniel Burnham in 1909 the avenue became the principal connecting link between downtown and the wealthy residential ""Gold Coast"" north of the Loop. Some thirty buildings were constructed along its path in the ten-year period before the Depression an urban expansion comparable in significance to that of Pennsylvania and Park Avenues. John W. Stamper traces the complex development of North Michigan Avenue from the 1880s to the 1920s building boom that solidified its character and economic base describing the initiation of the planning process by private interests to its execution aided by the city's powerful condemnation and taxation proceedings. He focuses on individual buildings constructed on the avenue including the Renaissance- and Gothic-inspired Wrigley Building Tribune Tower and Drake Hotel and places them within the context of factors governing their construction—property ownership financing zoning laws design theory and advertising. Stamper compares this stylistically diverse mixture of low- and high-rise structures with earlier rejected planning proposals all of which had prescribed a uniformly designed European-like avenue of continuous cornice heights consistent facade widths and complementary stylistic features. He analyzes the drastically different character the avenue took by 1930 with high-rise towers reaching thirty stories and beyond in terms of the clash among economic political and architectural interests. His argument—that the discrepancies between the rejected plans and reality illustrate the developers' choice of economic return on their investment over aesthetic community—is extended through to the present avenue and the virtual disregard of the urban qualities proposed at its inception. Generously illustrated with an epilogue condensing the avenue's history between the end of World War II and the present this is an exhaustive account of an important topic in the history of modern architecture and city planning.;"

"Culture and Power: The Sociology of Pierre Bourdieu; Pierre Bourdieu is one of the world's most important social theorists and is also one of the great empirical researchers in contemporary sociology. However reading

Bourdieu can be difficult for those not familiar with the French cultural context and until now a comprehensive introduction to Bourdieu's oeuvre has not been available. David Swartz focuses on a central theme in Bourdieu's work—the complex relationship between culture and power—and explains that sociology for Bourdieu is a mode of political intervention. Swartz clarifies Bourdieu's difficult concepts noting where they have been misinterpreted by critics and where they have fallen short in resolving important analytical issues. The book also shows how Bourdieu has synthesized his theory of practices and symbolic power from Durkheim Marx and Weber and how his work was influenced by Sartre Levi-Strauss and Althusser. Culture and Power is the first book to offer both a sympathetic and critical examination of Bourdieu's work and it will be invaluable to social scientists as well as to a broader audience in the humanities.; ['Social Science'], "

"The Laser Cookbook: 88 Practical Projects; The 88 laser-based projects presented here are geared toward the garage-shop tinkerer on a limited budget. Spanning a wide range of disciplines the projects vary from experimenting with laser optics and constructing a laser optical bench to using lasers for light shows gunnery practice even beginning and advanced holography. Many are ideal for science fair projects and teaching tools.; ['Technology & Engineering'], "

"White Weddings: Romancing Heterosexuality in Popular Culture; This is a groundbreaking study of our culture's obsession with weddings. By examining popular films commercials magazines advertising television sitcoms and even children's toys this book shows the pervasive influence of weddings in our culture and the important role they play in maintaining the romance of heterosexuality the myth of white supremacy and the insatiable appetite of consumer capitalism. It examines how the economics and marketing of weddings have replaced the religious and moral view of marriage. This second edition includes many new and updated features including: full coverage of the wedding industrial complex; gay marriage and its relationship to white weddings and heterosexuality and demographics shifts as to who is marrying whom and why nationally and internationally.; ['Social Science'], "

"All Our Tomorrows; This is the 44th volume in the Occasional Paper series of the United States Air Force Institute for National Security

Studies (INSS). This report summarizes a three-phase research project undertaken by the USAF Institute for National Security Studies on behalf of the Defense Threat Reduction Agency to forecast long-range global trends affecting arms control technologies. The report projects the international political economic and scientific environments to the year 2015. It posits economic and technological drivers as shaping the system including its military and political dimensions. The result will be a two-tiered system with great danger arising from significant proliferation in the second tier and the transition zone between tiers. The report next draws conclusions from this likely future for the scope value and practice of arms control. Arms control will be focused less on limitation and reduction of existing weapons although the endgame between the United States and Russia will remain a significant effort. The focus will shift to the less well-defined realm of counterproliferation and to marginal failing and failed states as well as nontraditional and non-state actors. New dimensions will be added including control efforts toward small arms advanced conventional weapons military space and information operations. The report then extrapolates from this future to assess the likely arms control technology requirements in cooperative noncooperative intrusive and nonintrusive regimes. The projection here is continuing requirements for each of these specialized sets of technologies with particular emphasis on multiple-use technologies for remote arms control compliance and verification monitoring as well as for intelligence detection and collection.; ['Arms control'], "

"Art of the X-Files The; Reflecting our world in a uniquely haunting way The X-Files has engendered a new look of mystery conspiracy phenomenon and fear. These enigmatic elusive images have had a profound and compelling impact on our visual reality both feeding into and drawing from mainstream America's fascination with the subversive the disowned and the disillusioned. This innovative volume a visual response to Chris Carter's dark uneasy creation collects the works of more than sixty cutting-edge artists. Representing a cross section of contemporary visual arts these photographers painters sculptors graphic designers and digital media artists have produced works that reflect their personal interpretation of The X-Files: as a cultural phenomenon as a new chapter in television history as an engrossing cosmic conspiracy. Many pieces are accompanied by a statement from the artist explaining the inspiration behind his or her contribution--ranging from an episode to a line of dialogue form a particular incident to a theme within the entire series. Illustrated with video stills from the episodes this volume shows the strong influence of The X-Files imagery on the artistic mind. In this introduction to this powerful collection of images acclaimed writer William Gibson noted that The X-Files ""is a disturbing and viscerally satisfying expression of where we've come from where we are today and all those places we simultaneously yearn and dread to go." Starling beautiful and thought-provoking this unusual volume expands the creative vision of The X-Files and of contemporary art itself.; ['Art'], "

"Vies Et Morts De Jean Moulin (French Edition); Jean Moulin is a universally recognized French hero celebrated as the delegate of General de Gaulle to Nazi-occupied France in 1942-3 and founder of the National Resistance Council in May 1943. He is known for defiance of the German invaders in June 1940 and for his death in the hands of Gestapo chief Klaus Barbie in July 1943. This book is the fist fully documented account

in English of his republican background his resistance activities and of his death and reputation.; ['History'], "

"Brain Power; The five constituents to increase intelligence or mental acuity according to a TV show I saw are: Healthy diet. Exercise physical activity. Do challenging things. Seek out new things to interest you. Have love in your life. The way to develop a strong mind is really very simple: concentrate pay attention and focus on whatever it is you're doing. You must love what you do and try to understand it. Strive to understand the information then organize it in your mind. You must first reduce all the material down into a few meaningful concepts then organize it in as simple a way as possible. Simplicity is the key to everything. Focus on titles subheadings and keywords such that when one key point comes to mind it opens the floodgates. More is not necessarily better. Eliminate all the trivial distractions and focus on the main points only. Seek to deeply understand the concept of whatever it is you're doing right off so as to avoid having to go back later to learn it again.;

"Interrogating Incest: Feminism Foucault and the Law (Sociology of Law and Crime); Winner of British Sociological Association Philip Abrams Memorial Prize 1993 Within feminism incest has often been subsumed under a discussion of sexual violence and abuse. Yet important as this is there has been little account of how feminist work itself relates to other ways of talking about and understanding incest. In Interrogating Incest Vikki Bell focuses on the issue of incest and its place in sociological theory feminist theory and criminal law. By examining incest from a critical Foucauldian framework she considers how feminist discourse on incest itself fits into existing ways of talking about sex. Closely surveying the historical background to incest legislation and the theoretical issues involve Vikki Bell delineates their practical implications and shows what uncomfortable questions and important dilemmas are raised by the criminalisation of incest.;

"THE HISTORY OF THE KINGS OF BRITAIN (Penguin Classics); A brilliant new anthology that shows how fiction was reinvented in the twelfth century after an absence of hundreds of years. Essential for all students of medieval literature Early Fiction in England includes extracts by Geoffrey of Monmouth Wace Marie de France Chaucer and many others in new translations and with illuminating introductions. Before the twelfth century fiction had completely disappeared in Europe. In this important and provocative book Laura Ashe shows how English writers brought it back composing new tales about King Arthur his knights and other heroes and heroines in Latin French and English. Why did fiction disappear and why did it come to life again to establish itself the dominant form of literature ever since? And what do we even mean by the term 'fiction'? Gathering extracts from the most important texts of the period by Wace Marie de France Chaucer and others this volume offers an absorbing and

surprising introduction to the earliest fiction in England. The anthology includes a general introduction by Laura Ashe introductions to each extract explanatory notes and other useful editorial materials. All French and Latin texts have been newly translated while Middle English texts include helpful glosses. Laura Ashe is a University Lecturer in English and Fellow of Worcester College Oxford. Her first book Fiction and History in England 1066-1200 (Cambridge University Press 2007) has been followed by numerous articles and edited collections; she is now writing the newOxford English Literary History vol. 1: 1000-1350 (Oxford University Press).; ['Literary Criticism'], "

"I'm Happy If You're Happy: 515 Things Only Mothers and Daughters Understand; ""You're hitched for better and for worse in sickness and in health in shopping and in endless family gossip"" writes Lorraine Bodger in I'm Happy If You're Happy. Every mother will want a copy to give to her daughter; every daughter will want one for her mother. Without a doubt the bond between mothers and daughters is indestructible. Through every milestone event every crisis every joy mothers and daughters are there for each other even when they don't always see eye to eye. What daughter hasn't exclaimed in dismay ""Oh no I sound just like my mother!"" And what mother hasn't shouted in frustration ""Just you wait until you're a mother. Then you'll understand!"" Both mothers and daughters will smile as they recognize the moments in this book: \* That sooner or later you're going to turn into your mother. It's destiny. \* How consistently your maternal advice ricochets off the wall of your teenaged daughter's disdain. \* That sometimes it's not too clear who's the mother and who's the daughter here. \* Guilt guilt and more guilt. Both sassy and sweet I'm Happy If You're Happy is a gift to mothers and daughters that says ""I get you and you get me. And I always will.""; ['Family & Relationships'], "

"Dead on Delivery: Inside the Drug Wars Straight from the Street; ""An important and timely book. The authors capture the dynamics of drug debate with uncanny accuracy. Too often treatment and prevention get the short end of the stick in Congress and this book explains why. Drug War Politics makes a compelling case for bringing public health principles to bear on the drug epidemic and is essential reading for serious students of the drug issue.""-Senator Edward M. Kennedy ""A thoughtful analysis of the most fundamental and troublesome social problem in America. It reaches behind rhetoric and starts making sense about how we can go about saving ourselves from two addictions: the terrible affliction of drugs and the easy talk that makes the rest of us feel good but does not deal with the problem.""-Kurt Schmoke Mayor City of Baltimore ""This well-informed book shows how political expediency and a punitive conventional wisdom have combined over the past decades to support a national drug policy that fills our prisons depletes our budget and destroys our poor. This is a wonderfully sane analysis of what has become a major form of national insanity.""-Frances Fox Piven City University of New York

""We've needed a new way of thinking about the drug problem for a long time. Now we have it. Drug War Politics is one of the best efforts to reconceptualize a major aspect of crime especially victimless crime that I have seen since Morris and Hawkins' The Honest Politician's Guide to Crime Control of nearly 30 years ago.""-Theodore J. Lowi Cornell

University ""A compelling analysis of our failure. The provocative public health solutions it proposes to the drug-related crime violence and despair that ravage many of our inner cities show that we can give people a chance—a chance to fight addiction and build better lives.""-

Congressman John Lewis ""We will never be able to arrest prosecute or jail our way out of the drug problem. To understand why read this book. The evidence is overwhelming: we need a radical change in the mission and mandate of drug control.""-Nicholas Pastore Chief of Police New Haven

""This is the smart citizens' guide to the drug policy debate—to why we spend so much time and money on things that don't work and to where we can look for guidance for things that do.""-Barbara Geller Director Fighting Back New Haven; ['Law'],"

"The Biology of Human Survival: Life and Death in Extreme Environments; The range of environments in which people can survive is extensive yet most of the natural world cannot support human life. The Biology of Human Survival identifies the key determinants of life or death in extreme environments from a physiologist's perspective integrating modern concepts of stress tolerance and adaptation into explanations of life under Nature's most austere conditions. The book examines how individuals survive when faced with extremes of immersion heat cold or altitude emphasizing the body's recognition of stress and the brain's role in optimizing physiological function in order to provide time to escape or to adapt. In illustrating how human biology adapts to extremes the book also explains how we learn to cope by blending behavior and biology first by trial and error then by rigorous scientific observation and finally by technological innovation. The book describes life-support technology and how it enables humans to enter once unendurable realm from the depths of the ocean to the upper reaches of the atmosphere and beyond. Finally it explores the role that advanced technology might play in special environments of the future such as long journeys into space.;

"First Easter Morning: The Gospel Accounts of the Women's Visit to the Tomb of Jesus; The resurrection of Jesus Christ constitutes the center of the New Testament message That God has raised Jesus or in its more usual formulation that Jesus has been raised has formed the cynosure of the New Testament from its very beginning. Early Pauline writings contain such expressions of faith as: We believe that Jesus died and rose (1 Th 4:14). If Christ has not been raised then our preaching is in vain and your faith is in vain (1 Cor 15:14). If you confess with your lips that Jesus is Lord and believe in your heart that God raised him from the dead you will be saved (Rom 10:9). In short without the message of the resurrection there would be no gospel no belief no church and no worship. Present-day controversy surrounds the resurrection and the authentic Christian understanding of the affirmation that Jesus has been raised from the dead. The thorny problem of the empty tomb of Jesus is closely

connected with the discussion of the resurrection and bears upon one's understanding of Jesus' being raised from the dead. Hans Grass outlines the situation well when he writes: The question of the empty tomb belongs to the most difficult and debated problems of investigation and theology about the Eastern events. It is a key problem with which is closely bound the understanding of the corporality of the risen one the nature of the appearances and thus the ophthe indeed finally the whole eastern event.; ['Religion'], "

"Out and About (Baby's World Board Books); Describes the actions of babies and shows how babies like to be fed changed bathed hugged and cuddled.; ['Juvenile Fiction'], "

"Agents for Escape: Inside the French Resistance 1939-1945; ""The only merit of this book - and I insist on it - is that it is true true from beginning to end. And this you see is definitely something!"" So writes Andre Rougeyron in the Preface of his memoir displaying a hint of the passion that undoubtedly accounted for his heroism in France and Germany during World War II - and displaying too his own modest self-regard. His chronicle of the years spent rescuing downed Allied airmen in France and consequently enduring German labor camps remains focused throughout on others. A myriad of individuals - both named and unnamed - and their sufferings and triumphs small and large suffuse his story. His portrait of Normandy under occupation and his descriptions of life and death in the labor camps add important new information to current understanding of how French resisters and the camps operated. Equally significant and also fascinating is his evocation of people from diverse backgrounds brought together under unbearably trying circumstances.; ['History'], "

"Mother of Pearl; Capturing all the rueful irony and racial ambivalence of small-town Mississippi in the late 1950s Melinda Haynes' celebrated novel is a wholly unforgettable exploration of family identity and redemption. Mother of Pearl revolves around twenty-eight-year-old Even Grade a black man who grew up an orphan and Valuable Korner the fifteen-year-old white daughter of the town whore and an unknown father. Both are passionately determined to discover the precious things neither experienced as children: human connection enduring commitment and above all unconditional love. A startlingly accomplished mixture of beauty mystery and tragedy Mother of Pearl marks the debut of an extraordinary literary talent.; ['Fiction'], "

"Empire of Darkness (Queen of Freedom 1); Enriched Classics offer readers accessible editions of great works of literature enhanced by helpful notes and commentary. Each book includes educational tools alongside the text enabling students and readers alike to gain a deeper and more

developed understanding of the writer and their work. Set two centuries before Hawthorne's own time The Scarlet Letter follows heroine Hester Prynne who is compelled by her Puritan society to wear a scarlet letter 'A' on her clothes as a symbol of her sin: adultery. Accompanied by colorful and flawed characters including the Reverend Arthur Dimmesdale who broods over a long-hidden secret and Hester's husband Roger Chillingworth who thirsts for vengeance The Scarlet Letter America's first psychological novel is a masterpiece that explores humanity's unending struggles with pride sin and guilt. Enriched Classics enhance your engagement by introducing and explaining the historical and cultural significance of the work the author's personal history and what impact this book had on subsequent scholarship. Each book includes discussion questions that help clarify and reinforce major themes and reading recommendations for further research. Read with confidence.;

"Shepherding Movement (Journal of Pentecostal Theology Supplement); An engaging history of the Shepherding Movement an influential and controversial expression of the charismatic renewal in the 1970s and 1980s. This neopentecostal movement led by popular Bible teachers Ern Baxter Don Basham Bob Mumford Derek Prince and Charles Simpson became a house church movement in the United States. The Shepherding Movement is a case study of an attempt at renewing church structures. Many critics accused the movement of being authoritarian because of its emphasis on submission to a personal pastor or ""shepherd"" as they termed it.;

[ 'Religion' ], "

"Passion; The PassionBook is the most famous work of erotica in the vast literature of Tibetan Buddhism written by the legendary scholar and poet Gendun Chopel (1903-1951). Soon after arriving in India in 1934 he discovered the Kama Sutra. Realizing that this genre of the erotic was unknown in Tibet he set out to correct the situation. His sources were two: classical Sanskrit works and his own experiences with his lovers. Completed in 1939 his "treatise on passion" circulated in manuscript form in Tibet scandalizing and arousing its readers. Gendun Chopel here condemns the hypocrisy of both society and church portraying sexual pleasure as a force of nature and a human right for all. On page after page we find the exuberance of someone discovering the joys of sex made all the more intense because they had been forbidden to him for so long: he had taken the monastic vow of celibacy in his youth and had only recently renounced it. He describes in ecstatic and graphic detail the wonders he discovered. In these poems written in beautiful Tibetan verse we hear a voice with tints of irony self-deprecating wit and a love of women not merely as sources of male pleasure but as full partners in the play of passion.;

running overcome obstacles getting in your way and to become the best runner you can!; ['Sports & Recreation'],"

"Andy & Me: Crisis and Transformation on the Lean Journey; In zijn eerste boek Geen genade schetste Andy van der Meijde in 2012 een stoer én onthutsend beeld van zijn leven als profvoetballer met seksuele escapades drugsgebruik en een gecrashte loopbaan als smeulige ingrediënten. Tien jaar later is er een opvolger dit keer met een optimistischer ondertoon. Andy! gaat over het nieuwe leven van de ex-topvoetballer die door zijn hoge gunfactor is uitgegroeid tot een heus A-merk én een succesvol mediaondernemer. Zelf ontworpen (online-)programma's als Bij Andy in de Auto en Andy's cribs bieden vederlicht entertainment maar genieten een mateloze populariteit bij honderdduizenden volgers. Voor Andy! duikt Van der Meijde met schrijver Eddy van der Ley in de ontstaansgeschiedenis van de 'nieuwe Andy' en gaat hij in gesprek met mensen die een belangrijke rol vertolken in zijn leven zoals Sjaak Swart Mitchell Dijks moeder Agnes echtgenote Melisa vriend Tonny en manager Danny. Andy! gaat ook over zijn spirituele kant over de moeizame band met de dochters uit zijn eerste huwelijk en over zijn autistische trekjes onder meer resulterend in even hilarische als mislukte avonturen als zanger en kickbokser. Het maakt Andy! tot een onvervalst feel good-boek in sombere corona-tijden tot een uniek document met veel humor en interactie nooit eerder vertelde anekdotes en een heuse waarschuwing. 'Want ik mag dan een soort van zakenman zijn geworden als mensen me proberen te fucken komt de straatvechter in me naar boven.'; ['Sports & Recreation'],"

"Java Precisely; An updated concise reference for the Java programming language version 8.0 and essential parts of its class languages offering more detail than a standard textbook. The third edition of Java Precisely provides a concise description of the Java programming language version 8.0. It offers a quick reference for the reader who has already learned (or is learning) Java from a standard textbook and who wants to know the language in more detail. The book presents the entire Java programming language and essential parts of the class libraries: the collection classes the input-output classes the stream libraries and Java 8's facilities for parallel programming and the functional interfaces used for that. Though written informally the book describes the language in detail and offers many examples. For clarity most of the general rules appear on left-hand pages with the relevant examples directly opposite on the right-hand pages. All examples are fragments of legal Java programs. The complete ready-to-run example programs are available on the book's website. This third edition adds material about functional parallel processing of arrays; default and static methods on interfaces; a brief description of the memory model and visibility across concurrent threads; lambda expressions method reference expressions and the related functional interfaces; and stream processing including parallel programming and collectors.; ['Computers'],"

"A Whale for the Killing; A compelling true story of the author's desperate attempts to save an eighty-ton fin whale trapped in a Newfoundland lagoon. As he tries to persuade wildlife authorities and the Canadian press to help him in his quest he must fend off curious and uncaring locals who want to harvest the helpless whale for sport. As it tells one of Mowat's most personal and moving stories this book becomes an impassioned plea to save a species that seems doomed to extinction. A classic nature book now back in print. In the 1960s Farley Mowat was living in the tiny fishing community of Burgeo on the southwest coast of Newfoundland. When an 80-ton fin whale became trapped in a nearby saltwater lagoon Mowat rejoiced: here was the first chance to study at close range one of the most magnificent animals in creation. Some local villagers thought otherwise blasting the whale with rifle fire and hacking open her back with a motorboat propeller. Mowat appealed desperately to the authorities but it was too late-ravaged by an infection resulting from her massive wounds the whale died. A plea for the end of commercial hunting of the whale this moving account blends all the tension of the life-and-death struggle for one animal's survival with the drama of man's wanton destruction of life-bearing creatures and the environment itself.; ['Biography & Autobiography'],"

"Phule's Company; After being court-martialed by the Space Legion for ordering the strafing of a treaty-signing ceremony multimillionaire Willard Phule receives his punishment: He must command the misfit Omega Company on Haskin's Planet a mining settlement on the edge of settled space. At his duty station he leverages his personal money and a knack for managing people to get the company to come together as a unit. Phule convinces the governor to leave the contract for an honorary duty up for competition between the Space Legionnaires and the Regular Army. The Army sends some of their most elite troops to take part in the competition but Phule's company operates with their own unique tactics....; ['Fiction'],"

"Life - As a Matter of Fat: The Emerging Science of Lipidomics (The Frontiers Collection); Presents a multi-disciplinary perspective on the physics of life and the particular role played by lipids and the lipid-bilayer component of cell membranes. Emphasizes the physical properties of lipid membranes seen as soft and molecularly structured interfaces. By combining and synthesizing insights obtained from a variety of recent studies an attempt is made to clarify what membrane structure is and how it can be quantitatively described. Shows how biological function mediated by membranes is controlled by lipid membrane structure and organization on length scales ranging from the size of the individual molecule across molecular assemblies of proteins and lipid domains in the range of nanometers to the size of whole cells. Applications of lipids in nano-technology and biomedicine are also described.; ['Science'], "

"Aircraft Monograph 4 - Focke Wulf Fw 190 A/F/G/S Part 1; The Focke-Wulf Fw 190 is regarded as one of the best fighters of World War II. Designed by Kurt Tank it first saw combat in the summer of 1941 and went on to be produced in several variants. It remains a hugely popular subject for aviation scale-modellers. This book the first of two to cover the Fw190 provides a detailed step-by-step guide to modelling the Fw 190's A F and G variants in 1/72 1/48 and 1/32 scale. Key aspects such as creating mottled camouflage patterns undercarriage and cockpit detailing final weathering and finishing and diorama bases to display your models are covered.; ['History'], "

"Concepts In Inhalation Toxicology; Recent developments have provided new data on the subject of inhalation toxicology requiring an update of the previous edition of this popular text. Like the first this second edition explains the basic concepts and quantitative approaches in inhalation toxicology and it gives a comprehensive treatment of evaluations of respiratory responses to inhaled particles and gases. The author here explores new understanding of the role of cytokines in pulmonary inflammation and risk assessment. Immunologists oncologists respiratory specialists and students in those fields will find Concepts In Inhalation Toxicology to be essential to their practice.; ['Medical'], "

"Channan: Heart of the Heians; Unlocking the secrets of the Karate Kata Elmar Schmeisser meticulously explores the core of Shotokan's Heian Kata. This text is a ""must-have"" for any serious karate student who wants to truly understand how Kata works and where real applications seem ""hidden"".; ['Sports & Recreation'], "

"The Right Man: An Inside Account of the Bush White House; The Right Man is the first inside account of a historic year in the Bush White House by the presidential speechwriter credited with the phrase axis of evil. David Frum helped make international headlines when President George W. Bush's 2002 State of the Union address linked international terrorists to Iran Iraq and North Korea. But that was only one moment during a crucial time in American history when a president an administration and a country were transformed. Frum worked with President Bush in the Oval Office traveled with him aboard Air Force One and studied him closely at meetings and events. He describes how Bush thinks—what this conservative president believes about religion race the environment Jews Muslims and America's future. Frum takes us behind the scenes of one of the most secretive administrations in recent history with revealing portraits of Karl Rove Karen Hughes Condoleezza Rice and many others. Most significant he tells the story of the transformation of George W. Bush: how a president whose administration began in uncertainty became one of the

most decisive successful and popular leaders of our time. Before becoming a White House speechwriter David Frum was a highly regarded author of books and political commentary and an influential voice on the pages of The Wall Street Journal and The Weekly Standard. His commentary has been described by William F. Buckley as "the most refreshing ideological experience in a generation." Now in The Right Man we see Frum as a front-row observer and participant. Not since Peggy Noonan's account of her time in the Reagan White House has an insider portrayed a sitting president with such precision verve honest admiration and insight. The Right Man will command international attention for its thoughtful account of George W. Bush in the midst of his greatest challenge. It will be an essential reference for anyone seeking to understand who our president really is and how he is likely to lead us in the future.; ['Political Science'], "

"Letters to Callie: Jack Wade's Story; From the author of the acclaimed frontier novel The Journal of Callie Wade comes a magnificent chronicle of courage trial and triumph... Montana Territory 1864: Jack Wade had nothing to lose when he left the wagon train that carried his sister Callie westward. Heartbroken over losing their sister Rose and wanted by the law Jack heads to the only place for wild souls like himself: the rough-and-tumble gambling town of Virginia City. What he finds there outshines any prize won at the gaming tables -- he discovers Lillie the down-to-earth card dealer who could be the love of his life. But just as Jack makes a fresh start a murderous enemy crosses his path -- an explosive twist of fate that forces Jack to leave Lillie and sends him on the run once again. Out on the trail wounded and half-starved Jack is rescued by Raven a beautiful Blackfoot woman and with her tribe he finds the peace he seeks. But unseen adventures -- some tragic some redemptive -- await Jack before he finds a place to call home....Written on the run or by the campfire light in times of joy and grief Jack's letters to Callie reveal his unforgettable journey as it unfolds -- and stand as a moving testament to the strength of the human spirit.; ['Fiction'], "

"King Henry VI; A thrilling new account of the tragic story and troubled times of Henry VI who inherited the crowns of both England and France and lost both. Firstborn son of a warrior father who defeated the French at Agincourt Henry VI of the House of Lancaster inherited the crown not only of England but also of France at a time when Plantagenet dominance over the Valois dynasty was at its glorious height. And yet by the time he died in the Tower of London in 1471 France was lost his throne had been seized by his rival Edward IV of the House of York and his kingdom had descended into the violent chaos of the Wars of the Roses. Henry VI is perhaps the most troubled of English monarchs a pious gentle well-intentioned man who was plagued by bouts of mental illness. In The Shadow King Lauren Johnson tells his remarkable and sometimes shocking story in a fast-paced and colorful narrative that captures both the poignancy of Henry's life and the tumultuous and bloody nature of the times in which he lived.; ['Biography & Autobiography'], "

"American Empire: Roosevelt's Geographer and the Prelude to Globalization (California Studies in Critical Human Geography); Arguing that American globalism had a very distinct geography and was pieced together as part of a powerful geographical vision this text explores US global ambition. The story unfolds through an account of the career of Isaiah Bowman the most famous American geographer of the 20th century.; ['History'], "

"Structural Transformation of the Public Sphere; This major work retraces the emergence and development of the Bourgeois public sphere - that is a sphere which was distinct from the state and in which citizens could discuss issues of general interest. In analysing the historical transformations of this sphere Habermas recovers a concept which is of crucial significance for current debates in social and political theory. Habermas focuses on the liberal notion of the bourgeois public sphere as it emerged in Europe in the early modern period. He examines both the writings of political theorists including Marx Mill and de Tocqueville and the specific institutions and social forms in which the public sphere was realized. This brilliant and influential work has been widely recognized for many years as a classic of contemporary social and political thought of interest to students and scholars throughout the social sciences and humanities.; ['Philosophy'], "

"Johnny Appleseed: The Story of a Legend; Recounts the story of John Chapman the man behind the legend of Johnny Appleseed who went on a great adventure across the land planting apple seeds everywhere he went.; ['Juvenile Fiction'], "

"THE BOYS OF '76; A HISTORY OF THE BATTLES OF THE REVOLUTION.

Illustrated.; Details of the battles with many illustrations maps and portraits.; ['Generals'], "

"Drawings of Van Gogh; Presents a collection of the drawings of Vincent Van Gogh providing images of his works in charcoal chalk ink graphite and watercolor and including essays the place each drawing in its historical context explaining its significance.; ['Art'], "

"Insanity of It All; An inside look at a famous mental institution documents the experiences of a group of young interns and their patients offering several case studies of the difficult situations that are routinely encountered there. Reprint.; ['Medical'],"

"Giant Book of Dirty Jokes; Giant Book of Dirty Jokes is a collection of graphic shocking and especially funny jokes and anecdotes.; ['Humor'],"

"The Society of Others; Cool clear-eyed and bluntly cynical the young narrator of The Society of Others embarks on a journey without a destination. He hitchhikes through Europe only to find himself in a mystifying country where terrorists are inexplicably after him and so is a sinister government. In a surreal landscape where people are shot to death without reason and social control runs deep he must learn who to trust-and what to stand for. Fast paced and provocative a gripping philosophical thriller The Society of Others is an ingenious meditation on the nature of contemporary innocence and identity.; ['Fiction'],"

"El Manuscrito de Miramar (Spanish Edition); The Latin American Literary Boom was marked by complex novels steeped in magical realism and questions of nationalism often with themes of surreal violence. In recent years however those revolutionary projects of the sixties and seventies have given way to quite a different narrative vision and ideology. Dubbed the new sentimentalism this trend is now keenly elucidated in Love and Politics in the Contemporary Spanish American Novel. Offering a rich account of the rise of this new mode as well as its political and cultural implications Aníbal González delivers a close reading of novels by Miguel Barnet Elena Poniatowska Isabel Allende Alfredo Bryce Echenique Gabriel García Márquez Antonio Skármeta Luis Rafael Sánchez and others. González proposes that new sentimental novels are inspired principally by a desire to heal the division rancor and fear produced by decades of social and political upheaval. Valuing pop culture above the avant-garde such works also tend to celebrate agape—the love of one's neighbor—while denouncing the negative effects of passion (eros). Illuminating these and other aspects of post-Boom prose Love and Politics in the Contemporary Spanish American Novel takes a fresh look at contemporary works.; ['Literary Criticism'],"

"Coyote Hunting; LEARN:: How to Successfully Hunt Coyotes Whether You Are a Beginner or a Coyote Hunter That is Struggling Do you want to hunt coyotes but don't know how to get started or are frustrated with your lack of success? "Complex Matters of the Mind; This book focuses on the successes and difficulties of nonlinear studies particularly in the areas of Mind Sciences. It attempts to answer the following questions: is an interdisciplinary contamination of complexity studies in different disciplines useful? Does this contamination originate in a transdisciplinary toolbox of methods and models which is worth calling it ?Nonlinear Science?? What are the relations between the metaphoric approach and the mathematical approach in natural sciences and humanities? Complexity in the Life Sciences represents a fundamental workbench for these kinds of problems. The fascinating challenge in these areas is represented by studies on mind functioning.; ['Philosophy'], "

"Heart of a Lion; Late one June night in 2011 a large animal collided with an SUV cruising down a Connecticut parkway. The creature appeared as something out of New England's forgotten past. Beside the road lay a 140-pound mountain lion. Speculations ran wild the wildest of which figured him a ghostly survivor from a bygone century when lions last roamed the eastern United States. But a more fantastic scenario of facts soon unfolded. The lion was three years old with a DNA trail embarking from the Black Hills of South Dakota on a cross-country odyssey eventually passing within thirty miles of New York City. It was the farthest landbound trek ever recorded for a wild animal in America by a barely weaned teenager venturing solo through hostile terrain. William

Stolzenburg retraces his two-year journey--from his embattled birthplace in the Black Hills across the Great Plains and the Mississippi River through Midwest metropolises and remote northern forests to his tragic finale upon Connecticut's Gold Coast. Along the way the lion traverses lands with people gunning for his kind as well as those championing his cause. Heart of a Lion is a story of one heroic creature pitting instinct against towering odds coming home to a society deeply divided over his return. It is a testament to the resilience of nature and a test of humanity's willingness to live again beside the ultimate symbol of wildness.; ['Nature'], "

"Fallen Skies; Fallen Skies takes readers to post-World War I England in a suspenseful story about the marriage of a wealthy war hero and an aspiring singer he barely knows. Can a family's mannered traditions and cool emotions erase the horrors of war from a young couple's past? Lily Valance is determined to forget the horrors of the war by throwing herself into the decadent pleasures of the 1920s and pursuing her career as a music hall singer. When she meets Captain Stephen Winters a decorated veteran she's immediately drawn to his wealth and status. And Stephen burdened by his guilt over surviving the Flanders battlefields where so many soldiers perished sees the possibility of forgetting his anguish in Lily but his family does not approve. Lily marries Stephen only to discover that his family's façade of respectability conceals a terrifying combination of repression jealousy and violence. When Stephen's terrors merge dangerously close with reality the truth of what took place in the mud and darkness brings him and all who love him to a terrible reckoning.; ['Fiction'], "

"The Long Loneliness: The Autobiography of Dorothy Day; The compelling autobiography of a remarkable Catholic woman sainted by many who championed the rights of the poor in America's inner cities. When Dorothy Day died in 1980 the New York Times eulogized her as "a nonviolent social radical of luminous personality . . . founder of the Catholic Worker Movement and leader for more than fifty years in numerous battles of social justice." Here in her own words this remarkable woman tells of her early life as a young journalist in the crucible of Greenwich Village political and literary thought in the 1920s and of her momentous conversion to Catholicism that meant the end of a Bohemian lifestyle and common-law marriage. The Long Loneliness chronicles Dorothy Day's lifelong association with Peter Maurin and the genesis of the Catholic Worker Movement. Unstinting in her commitment to peace nonviolence racial justice and the cause of the poor and the outcast she became an inspiration to such activists as Thomas Merton Michael Harrington Daniel Berrigan Caesar Chavez and countless others. This edition of The Long Loneliness begins with an eloquent introduction by Robert Coles the Pulitzer Prize-winning author and longtime friend admirer and biographer of Dorothy Day.; ['Biography & Autobiography'], "

"Female Sexual Slavery; ""A powerful work filled with disbelief outrage and documentation...sexual bondage shackles women as much today as it has for centuries." -Los Angeles Times ""Exposees the dark side of sexuality and dares to ask the crucial question 'why do men do these things to women?'...the issues it raises deserve nationwide attention." -Susan Brownmiller ""Kathy Barry has written a courageous crusading book that should be read everywhere from the local District Attorney's office to the United Nations." -Gloria Steinem ""This powerful and compassionate

book should be read by anyone concerned with social values with sexuality with psychology – female and male."'" -Adrienne Rich; ['Social Science'], " "I Want to Be Like Jesus: Sing-a-long Worship for Kids; Illustrations and the text of a song show ways in which children can behave as Jesus might--with love kindness and consideration.; ['Religion'], "

"Whisper on the Wind; Book Two in Lauraine Snelling's Exciting Wild West Wind Series After fleeing North Dakota and the now defunct Wild West Show Cassie Lockwood and her companions have finally found the hidden valley in South Dakota where her father had dreamed of putting down roots. But to her dismay she discovers a ranch already built on her land. Cassie's arrival surprises Mavis Engstrom and forces her to reveal secrets she's kept hidden for years. Her son Ransom is suspicious of Cassie and questions the validity of her claim to the valley. But Lucas Engstrom decides from the start that he is in love with her and wants to marry her. Will Cassie be able to build a home on the Bar E Ranch and fulfill her father's dream of raising horses or will she be forced to return to the itinerant life of her past?; ['Fiction'], "

"The Bequest; Book One of The Guardians Series FINALIST THE DAPHNE DU MAURIER AWARD FOR EXCELLENCE IN MYSTERY/SUSPENSE 2016 Cheyenne Elias has inherited a child. A boy she doesn't know and doesn't particularly want; a boy whose mother was once Cheyenne's most hated person in the world. There are a million reasons to walk away: her anger her past her

certainty that there is nothing benevolent in this act by a woman who almost killed her. But abandoning the boy to a system she barely survived is not an option. Will Blackheart has lost everything. His SEAL team his country and-upon occasion-his mind. Worse he's lost something that has the capacity to kill thousands. Left for dead in the Afghan desert Will has risen solely to regain that which was taken...and to punish those who dared take it. His only lead is the son of a dead woman. Her only goal is to save a child. As they come together in a clash of anger mistrust and potent unwanted desire Will and Cheyenne must put aside their differences and navigate the endgame of a woman for whom nothing was taboo... Don't miss the first installment of this intense suspenseful romance series.; ['Fiction'], "

"Baumgartner's Bombay; A daring colourful novel almost impossible to absorb in one reading. The New York Times Book Review Hugo Baumgartner is a firanghi wherever he goes - too dark for Hitler's Germany too fair for India. Escaping the Nazi regime but losing his parents to the wandering Jew builds a life in India only to be interrupted by war and then partition - and finally finds a home in multitudinous Bombay. We meet him as a kindly rather hapless old man who spends his days making the rounds of local teashops to scavenge for his many cats. Then one day at the Café du Paris one of his regular haunts he encounters a surly young German of the new order - a drug-crazed hippie who will change his life forever. Set in Berlin Venice Calcutta - and of course Bombay - Baumgartner's Bombay is the story of the twentieth century and a memorable portrait of Baumgartner survivor victim everyman.; ['Indic fiction (English)'], "

"A Wreck on the Road to Damascus: Innocence Guilt and Conversion in Flannery O'Connor; An examination of O'Connor's use of religious themes such as original sin redemption and the incarnation. "The Christian Conspiracy: How the Teachings of Christ Have Been Altered by Christians; During the first five centuries of the Christian era a series of politically oriented meetings was held at which the teachings of the Christian Church were debated. The winners of these debates decided Church doctrine & were named Church Fathers. The losers were named heretics. As a result today's orthodox Christian daily follows the teachings of Athanasius Augustine Hippolytus Irenaeus & Jerome more than the teachings of Christ. How did this happen? Who introduced these changes in the teachings of Christ? Why were worldly events used to change spiritual beliefs? The book not only tells you the how & why of these changes it documents how these changes have altered our present attitude about the nature of Christ & his followers; how our attitudes about soul salvation sex the toleration of others & the afterlife have been changed; & how the restrictive thinking presently practiced by Christians was established by man & not by Christ. ""Excellent work-outstanding theology... should be read by everyone who wants to THINK & to UNDERSTAND.">--Father Groff. ""Effectively presents years of academic research in an enjoyable understandable manner."--Book Review. Available from New Leaf Distributing Co. or directly from Pendulum Plus 3232 Cobb Pkwy. "Dream Factory Signed; The intersection between film stardom and politics is an understudied phenomenon of Fascist Italy despite the fact that the Mussolini regime deemed stardom important enough to warrant sustained attention and interference. Focused on the period from the start of sound cinema to the final end of Fascism in 1945 this book examines the development of an Italian star system and evaluates its place in film production and distribution. The performances and careers of several major stars including Isa Miranda Vittorio De Sica Amedeo Nazzari and Alida Valli are closely analyzed in terms of their relationships to the political sphere and broader commercial culture with consideration of their fates in the aftermath of Fascism. A final chapter explores the place of the stars in popular memory and representations of the Fascist film world in postwar cinema.; [*'Performing Arts'*],"

"The Rose Crossing; "A fable set in the 17th century filled with vivid evocations of another time [and] wonderfully peculiar characters." — Kirkus Reviews To escape Puritan England naturalist Edward Popple signs on to be a ship's doctor on a journey across the Indian Ocean and his daughter Rosamund stows away to accompany him. But a wreck leaves them

stranded on an island off the coast of Africa. Amid the lush vegetation the birds and the sea turtles father and daughter set about exploring Edward passionately studying the island's horticulture and Rosamund wandering about to discover its mysteries. Then a Chinese ship with the last heir to the Ming dynasty among its passengers arrives—and changes everything. "The prose is ripe laden with a sense of the forbidden and with doom." —Publishers Weekly "A luminous historical novel." —Booklist Online; ['Fiction'], "

"Too Beautiful for You: Tales of Improper Behavior; An ambitious fiction debut filled with lust longing and moral depravity. The tales in Too Beautiful for You Rod Liddle's dazzling debut sweep readers into the lives of characters whose sexual frustrations and deviant desires lead them to the very edge of acceptable behavior—and sometimes way beyond. In a mischievous macabre tale about a man who loses his arm in an accident on the way back from an assignation Liddle shows just how far a husband will go to hide his infidelity from his wife. Another philandering husband operating much closer to home doesn't let fleeting pangs of guilt curtail his hunger for the sexual treats proffered by his mother-in-law. Bizarre happenings are not confined to the sexually adventuresome: one woman notices that her skin is hardening into a sort of insect carapace after she uses a depilatory gel; a suicide bomber is forced to acknowledge his abysmal failure as a terrorist when he tries to blow up a Jewish art gallery with a package of trout; and a man planning to jump out a window finds some of his colleagues all too ready to assist him. Liddle presents his panoply of misfits and miscreants without passing judgment. The passions they harbor and the acts they commit may be shocking and scandalous but Liddle shows that these hapless men and women are not so very different from the rest of us. Sharp-witted sexy and psychologically astute Too Beautiful for You breaks through literary and social taboos with style and humor reminiscent of the early work of Martin Amis.; ['Fiction'], "

"The Religion War; In this frenetically paced sequel to Adams' best-selling ""thought experiment"" God's Debris the smartest man in the world is on a mission to stop a cataclysmic war between Christian and Muslim forces and save civilization. The brilliantly crafted thought-provoking fable raises questions about the nature of reality and just where our delusions are taking us. With publication of The Religion War millions of long-time fans of Scott Adams' Dilbert cartoons and business bestsellers will have to admit that the literary world is a better place with Adams on the loose spreading new ideas and philosophical conundrums. Unlike God's Debris which was principally a dialogue between its two main characters The Religion War is set several decades in the future when the smartest man in the world steps between international leaders to prevent a catastrophic confrontation between Christianity and Islam. The parallels between where we are today and where we could be in the near future are clear. According to Adams The Religion War targets ""bright readers with short attention spans—everyone from lazy students to busy book clubs.""" But while the book may be a three-hour read it's packed with concepts that will be discussed long after including a list of ""Questions to Ponder in the Shower"" that reinforce the story's purpose of highlighting the most important—yet most ignored—questions in the world.; ['Religion'], "

He draws on cutting-edge research a surprising cultural history of remembering and venerable tricks of the mentalist's trade to transform our understanding of human memory. From the United States Memory Championship to deep within the author's own mind this is an electrifying work of journalism that reminds us that in every way that matters we are the sum of our memories.; ['Science'], "

"Cymbeline (Oxford Shakespeare); This is the first full-scale edition of Cymbeline for 37 years. During that time there has been considerable interest in Shakespeare's late work in the theatre and several notable productions have demonstrated the powerful impact of Cymbeline. Based firmly on Roger Warren's extensive experience of the play in rehearsal and performance this edition shows how Shakespeare draws upon a wide range of sources to create a self-sufficient dramatic universe combining virtuoso theatrical and poetic means to present a story of a marriage imperilled by mistrust and painfully rebuilt through the physical and spiritual journeys undertaken by the heroine and hero set in a context of international conflict. A full and detailed commentary pays close attention to the play's complex evocative language. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up-to-date bibliographies for further study and much more.; ['Drama'], "

"The Fate of Liberty: Abraham Lincoln and Civil Liberties; If Abraham Lincoln was known as the Great Emancipator he was also the only president to suspend the writ of habeas corpus. Indeed Lincoln's record on the Constitution and individual rights has fueled a century of debate from charges that Democrats were singled out for harrassment to Gore Vidal's depiction of Lincoln as an ""absolute dictator."" Now in the Pulitzer Prize-winning The Fate of Liberty one of America's leading authorities on Lincoln wades straight into this controversy showing just who was jailed and why even as he explores the whole range of Lincoln's constitutional policies. Mark Neely depicts Lincoln's suspension of habeas corpus as a well-intentioned attempt to deal with a floodtide of unforeseen events: the threat to Washington as Maryland flirted with secession disintegrating public order in the border states corruption among military contractors the occupation of hostile Confederate territory contraband trade with the South and the outcry against the first draft in

U.S. history. Drawing on letters from prisoners records of military courts and federal prisons memoirs and federal archives he paints a vivid picture of how Lincoln responded to these problems how his policies were actually executed and the virulent political debates that followed.

Lincoln emerges from this account with this legendary statesmanship intact--mindful of political realities and prone to temper the sentences of military courts concerned not with persecuting his opponents but with prosecuting the war efficiently. In addition Neely explores the abuses of power under the regime of martial law: the routine torture of suspected deserters widespread antisemitism among Union generals and officials the common practice of seizing civilian hostages. He finds that though the system of military justice was flawed it suffered less from merciless zeal or political partisanship than from inefficiency and the friction and complexities of modern war. Informed by a deep understanding of a unique period in American history this incisive book takes a comprehensive look at the issues of civil liberties during Lincoln's administration placing them firmly in the political context of the time. Written with keen insight and an intimate grasp of the original sources The Fate of Liberty offers a vivid picture of the crises and chaos of a nation at war with itself changing our understanding of this president and his most controversial policies.; ['History'], "

"From Darkness to the Light: A Personal Journey Through Kabbalah; Why was the world created why was Moses chosen to be the leader of the Hebrew nation why did the Hebrews have to wander in the desert for forty years how old is the universe was Adam the first man? Through the eyes of Kabbalah we are taken on a journey that reveals answers hidden from us for centuries. How did a small group of rabbis manipulate and distort the teachings of the Torah and Talmud in order to impose their monolithic views of Judaism on the Jewish peoples? The role of women is explored to show the drastic changes in their status under the rabbis after the destruction of the Temple. The roles of the male and female energies from Adam and Eve to the present are viewed from the perspectives of both biblical and rabbinic interpretation. Through the use of Kabbalah gematria and twentieth century scientific discoveries the hidden meanings woven into the simple biblical verses are reevaluated in a more sensible context. Through these ancient texts we find a greater confluence between science and the Bible. Once thought to be in direct conflict to each other through the wisdom of Kabbalah we find that there is much knowledge contained within each of them and that they should be viewed as parts of a unified whole.; ['Religion'], "

"Beautiful Wreckage: New & Selected poems; Poetry. Comprising 30 years of work from 12 collections BEAUTIFUL WRECKAGE includes early poems never before collected along with 24 new poems. "The Big Meow; Little Cat bothers the other cats with his loud meow but it comes in handy when they are chased by a nasty bulldog.; ['Cats'], "  
"Searching for Heroes: The Quest of a Yankee Batboy; Joe Carriero was the New York Yankees batboy from 1949-55 an extraordinary time in baseball history. During this era Casey Stengel began his legendary career as Yankee manager (1949). Joe DiMaggio ended & Mickey Mantle began their major league careers (1951) & the New York Yankees established an unprecedented still unsurpassed record of five consecutive World Series victories (1949-1953). In this wonderfully evocative book capturing the color flavor & feel of a simpler time Joe Carriero offers a unique look at the era's greatest players. Only thirteen when he started with the Yankees Mr. Carriero was a sophomore in college when he turned in his pinstripes. His years with the Yankees were also the formative years of his life - the time when a boy becomes a man. From the baseball heroes of his youth Carriero began a quest to define the meaning of greatness & the measure of personal success as he saw it reflected in the lives exploits & words of the game's best players coaches & managers. In SEARCHING FOR HEROES Joe Carriero incorporates the lessons of his youth into a philosophy that lasts a lifetime & rediscovers something essential about the American pastime...that in our baseball heroes we find the best of ourselves & gather a glimpse of what we might be. To order: Carlyn Publications Inc. c/o Joe Carriero 200 Old Country Rd. Mineola NY 11501; 516-248-1188.; ['Sports & Recreation'], "

"Fields of Gold (Five Star Expressions); Welcome to Atlanton Earth! In this second spellbinding adventure that began with Grefax Grimwald friends Bear Dwarf and Otter are joined by Faragon Fairingay the valiant young warrior. At the Publisher's request this title is being sold without Digital Rights Management Software (DRM) applied.; ['Juvenile Fiction'], "  
"A Short History of the Middle Ages third edition; In this newest edition of her bestselling book Barbara H. Rosenwein integrates the history of European Byzantine and Islamic medieval cultures as well as their Eurasian connections in a dynamic narrative. The text has been significantly updated to reflect growing interest in the Islamic world and Mediterranean region. Stunning plates featuring art and architecture weave together events mentalities and aesthetics. Medievalist Riccardo Cristiani authors a new feature on material culture that examines the intricacies of manuscript production and the lustrous glazes of Islamic ceramics. A fully revised map program offers user-friendly spot maps that clarify events right where they are discussed as well as dazzling topographical maps that reveal the very contours of the medieval world. Helpful genealogies figures architectural plans and lists of key dates complement the text. All maps genealogies and figures are available on the History Matters website ([www.utphistorymatters.com](http://www.utphistorymatters.com)) for easy download. Students will find this site equally useful for its hundreds of study questions and their click-to-reveal answers.; ['History'], "  
"Conquering Organizational Change: How to Succeed Where Most Companies Fail; The authors provide real-life advice obviously learned from years of practical application of these tactics. This book offers ""real-

world""--not just philosophy and theory--step-by-step guidance and real advice on how to reap the potential rewards of organizational change over the long term. Eminently practical and based on hard data about what works and what doesn't work. It takes its own advice of ""think small"" to transform the often daunting and chaotic prospect of organizational change into a manageable feasible and attainable effort. It's a must-read for everyone in business today who wants to continue being in business tomorrow. Very digestible in one or two sittings with key points/graphics jumping off the pages with easy reference for future usage.; ['Business & Economics'],"

"Political Economics: Explaining Economic Policy (Zeuthen Lectures); What determines the size and form of redistributive programs the extent and type of public goods provision the burden of taxation across alternative tax bases the size of government deficits and the stance of monetary policy during the course of business and electoral cycles? A large and rapidly growing literature in political economics attempts to answer these questions. But so far there is little consensus on the answers and disagreement on the appropriate mode of analysis. Combining the best of three separate traditions—the theory of macroeconomic policy public choice and rational choice in political science—Torsten Persson and Guido Tabellini suggest a unified approach to the field. As in modern macroeconomics individual citizens behave rationally their preferences over economic outcomes inducing preferences over policy. As in public choice the delegation of policy decisions to elected representatives may give rise to agency problems between voters and politicians. And as in rational choice political institutions shape the procedures for setting policy and electing politicians. The authors outline a common method of analysis establish several new results and identify the main outstanding problems.; ['Business & Economics'],"

"Tall Dark and Daring (Temptation 897); When her costume ends up falling around her ankles in an impromptu striptease Jackie Brady realizes she just sang to the wrong party. Somehow these bachelors weren't expecting ""Happy Birthday""—even if it was a rather revealing rendition. But the steamy look in gorgeous best man Greg De Costa's eyes tells her he's more than pleased she crashed the party. So what harm would there be in accepting bachelor number two's seductive invitation? Greg is spellbound by this sexy singer—even before she loses her costume! He definitely wants to know more about the sensual Jackie. But through a not-so-funny twist of fate they're working together and he's vowed never to mix business with pleasure. Too bad the memory of her scorching kisses has him forgetting about his good intentions....; ['Fiction'],"

"Murder for Christmas; Discover the perfect classic mystery for the Christmas season: mulled wine mince pies...and murder. Mordecai Tremain former tobacconist and perennial lover of romance novels has been invited to spend Christmas in the sleepy village of Sherbroome at the country retreat of one Benedict Grame. Arriving on Christmas Eve he finds that the revelries are in full flow - but so too are tensions amongst the assortment of guests. Midnight strikes and the party-goers discover that it's not just presents nestling under the tree...there's a dead body too. A dead body that bears a striking resemblance to Father Christmas. With the snow falling and the suspicions flying it's up to Mordecai to sniff out the culprit - and prevent someone else from getting murder for Christmas. 'The book nods towards Agatha Christie but retains a crackling

atmosphere of dread and horror that will chill the heart however warm your fireside' Metro; ['Fiction'], "

"Torture and Truth: America Abu Ghraib and the War on Terror; Includes the torture photographs in color and the full texts of the secret administration memos on torture and the investigative reports on the abuses at Abu Ghraib. In the spring of 2004 graphic photographs of Iraqi prisoners being tortured by American soldiers in Baghdad's Abu Ghraib prison flashed around the world provoking outraged debate. Did they depict the rogue behavior of ""a few bad apples""? Or did they in fact reveal that the US government had decided to use brutal tactics in the ""war on terror""? The images are shocking but they do not tell the whole story. The abuses at Abu Ghraib were not isolated incidents but the result of a chain of deliberate decisions and failures of command. To understand how ""Hooded Man"" and ""Leashed Man"" could have happened Mark Danner turns to the documents that are collected for the first time in this book. These documents include secret government memos some never before published that portray a fierce argument within the Bush administration over whether al-Qaeda and Taliban prisoners were protected by the Geneva Conventions and how far the US could go in interrogating them. There are also official reports on abuses at Abu Ghraib by the International Committee of the Red Cross by US Army investigators and by an independent panel chaired by former defense secretary James R. Schlesinger. In sifting this evidence Danner traces the path by which harsh methods of interrogation approved for suspected terrorists in Afghanistan and Guantnamo ""migrated"" to Iraq as resistance to the US occupation grew and US casualties mounted. Yet as Mark Danner writes the real scandal here is political: it ""is not about revelation or disclosure but about the failure once wrongdoing is disclosed of politicians officials the press and ultimately citizens to act."" For once we know the story the photos and documents tell we are left with the questions they pose for our democratic society: Does fighting a ""new kind of war"" on terror justify torture? Who will we hold responsible for deciding to pursue such a policy and what will be the moral and political costs to the country?; ['History'], "

"Their Baby Bond (#1588); Meticulously researched and warmly presented the most authoritative and persuasive guide to attachment parenting When it comes to early parenting scientific evidence points time and again to the bond between parent and child as a critical factor in a baby's health and wellbeing. Backed by more than 1200 trusted sources this breakthrough guide reveals the many little-known advantages that only a responsive nurturing parenting style can provide: Surprising evidence on the benefits of breastfeeding How attentiveness and touch impacts permanent brain development in infants Under-reported facts about how to reduce colic food allergies and illness Why sharing sleep is both safe and natural How to reduce future teen-year stress by bonding with your young child early At the forefront of a passionate growing movement called ""attachment parenting"" this warmly presented guide is a rare overview of information too often missing from parenting circles pediatric offices and financially motivated product promotions. Why Attachment Parenting? Cultures around the world that practice more natural forms of parenting have healthier infants who cry much less toddlers who do not exhibit ""terrible twos"" generally respectful teenagers and independent adults who participate in family matters. A well-controlled study found sleeping outside of the parents' room brought 10.5 times the risk of SIDS as

sleeping in the parents' room. Studies have shown that infants who receive frequent physical affection have lower overall levels of stress. In the United States and other industrialized countries the infant death rate for formula-fed infants is twice that of exclusively breastfed babies. - Excerpt from The Baby Bond - Most would agree that children probably do not consciously remember the way they were treated during early infancy. Many recount this observation as support or comfort for their ideas about ignoring babies' cries for attention and providing minimal stimulation. Yet it can be shown that while the specifics may be lost unconscious memories are developed on the neurological and biochemical level from birth-a baby's brain develops from day one according to its environment. Childhood adolescence and adulthood are all affected by this early programming. And as far as the coveted independence goes it has been shown that those who receive the most affection early on display the highest levels of independence as adults. -Praise for The Baby Bond - ""Babies would tell you to buy this book!"" Jan Hunt MSc | Author of The Natural Child: Parenting from the Heart ""An instant classic. A must-read for all parents. Dr. Palmer's book is the best book on the hard science behind attachment parenting that I've ever read. I wish I had read this book before I became a mother."" Katie Allison | Author of Attachment Parenting ""Well researched and hard hitting...unabashedly tells the truth about so many very important issues."" Denise Pickett-Bernard PhD | RD The Journal of Human Lactation; ['Family & Relationships'], "

"Hi and Lois: Sunday Best; Hi and Lois was created in 1954 by Mort Walker and Dik Browne. This classic American comic strip has been entertaining newspaper readers for over five decades. The stars of the feature -- Hi Lois Chip Dot Trixie and Dawg Flagston -- provide a warm loving portrait of a wholesome family with traditional values and modern-day sensibilities. In today's often dysfunctional world the Flagstons put the ""fun"" into functional family. Whether it's busy parents juggling jobs and raising a family a teen coping with self-image sibling rivalry among the youngsters or a toddler learning about her place in the world Hi and Lois has kept pace with mainstream life. The first Hi and Lois Sunday page was released on October 14 1956. Mort and Dik always looked on these weekly instalments as an opportunity to showcase their best work. To them a Sunday page was more than just an expanded daily strip. Mort would challenge Dik with ideas that inspired him to create a graphic masterpiece. Childhood fantasies nostalgia trips seasonal strolls summer vacations and holiday celebrations were among the many recurrent themes explored in these episodes.; ['Art'], "

"Doctor Mom Chung of the Fair-Haired Bastards: The Life of a Wartime Celebrity; During World War II Mom Chung's was the place to be in San Francisco. Soldiers movie stars and politicians gathered at her home to socialize to show their dedication to the Allied cause and to express their affection for Dr. Margaret Chung (1889-1959). The first known American-born Chinese female physician Chung established one of the first Western medical clinics in San Francisco's Chinatown in the 1920s. She also became a prominent celebrity and behind-the-scenes political broker during World War II. Chung gained national fame when she began

""adopting"" thousands of soldiers sailors and flyboys including Ronald Reagan Admiral Chester W. Nimitz and Admiral William F. Halsey Jr. A pioneer in both professional and political realms Chung experimented in her personal life as well. She adopted masculine dress and had romantic relationships with other women such as writer Elsa Gidlow and entertainer Sophie Tucker. This is the first biography to explore Margaret Chung's remarkable and complex life. It brings alive the bohemian and queer social milieus of Hollywood and San Francisco as well as the wartime celebrity community Chung cultivated. Her life affords a rare glimpse into the possibilities of traversing racial gender and sexual boundaries of American society from the late Victorian era through the early Cold War period.; ['History'],"

"On a Cold Road: Tales of Adventure in Canadian Rock; David Bidini rhythm guitarist with the Rheostatics knows all too well what the life of a rock band in Canada involves: storied arenas one tour and bars wallpapered with photos of forgotten bands the next. Zit-speckled fans begging for a guitar pick and angry drunks chucking twenty-sixers and pint glasses. Opulent tour buses riding through apocalyptic snowstorms and cramped vans that reek of dope and beer. Brilliant performances and heart-sinking break-ups. Bidini has played all across the country many times in venues as far flung and unalike as Maple Leaf Gardens in Toronto and the Royal Albert Hotel in Winnipeg. In 1996 when the Rheostatics opened for the Tragically Hip on their Trouble at the Henhouse tour Bidini kept a diary. In On a Cold Road he weaves his colourful tales about that tour with revealing and hilarious anecdotes from the pioneers of Canadian rock - including BTO Goddo the Stampeders Max Webster Crowbar the Guess Who Triumph Trooper Bruce Cockburn Gale Garnett and Tommy Chong - whom Bidini later interviewed in an effort to compare their experiences with his. The result is an original vivid and unforgettable picture of what it has meant for the last forty years to be a rock musician in Canada.; ['Biography & Autobiography'],,"

"The Revenge of the Hound (Sherlock Holmes Mystery); A badly mauled tramp and the footprints of a giant hound; the theft of Oliver Cromwell's bones a sinister murder on the channel ferry; an illustrious personage who fears blackmail....It is up to Sherlock Holmes and his brilliant powers of deduction to uncover the pattern connecting these bizarre events.; ['Fiction'],,"

"The Sayings of the Desert Fathers; 'Give me a word Father' visitors to early desert monks asked. The responses of these pioneer ascetics were remembered and in the fourth century written down in Coptic Syriac Greek and later Latin. Their Sayings were collected in this case in the alphabetical order of the monks and nuns who uttered them and read by generations of Christians as life-giving words that would help readers along the path to salvation.; ['Religion'], "

"Engaged to Jarrod Stone; Read this classic romance by USA Today bestselling author Carole Mortimer now available for the first time in e-book! Bride to the billionaire! Brooke Faulkner is tired of hearing about all the women her boss notorious playboy billionaire Jarrod Stone has affairs with... Deciding to teach Jarrod a lesson Brooke announces to the press that Mr. Stone is finally getting married. And the bride-to-be? Brooke herself! But her joke backfires when Jarrod announces he has every intention of holding her to the engagement... And before long Brooke's fervently wishing for their mock engagement to be a real one...! Originally published in 1980; ['Fiction'], "

"Perhaps it's Love; Perhaps it's Love the original element which gives this book its name concerns four young adults that play a vital role to follow their hearts; sometimes without adequate preparation or the appropriate equipment as a test of the will. This of course nearly crushes each person's spirit. In one-way or another each youth is linked to each other (ages between 18 and 21). The novel is primarily concerned with choices in love in some cases a manifesto about its dangers. At the end it must be said nothing was tolerable but the best. No one was without sin. Four youths [1967-68] while being in the process of growth get stirred up quite a lot some even lost in the commotion of events while feelings become nourished and intensified all aching for love in their own way. A lesson might well be learned if they can only harness their crying hearts; but first unhappiness has to be conquered (part of the theme and plot). The story has a shy-charm to it a quick gaiety and objective tenderness. It is dramatic; it has an exploring inner mind. Many parts of this book are based on actual events transformed into historical fiction.; ['Fiction'], "

"The One-straw revolution: An introduction to natural farming; Call it "Zen and the Art of Farming" or a "Little Green Book" Masanobu Fukuoka's manifesto about farming eating and the limits of human knowledge presents a radical challenge to the global systems we rely on for our food. At the same time it is a spiritual memoir of a man whose innovative system of cultivating the earth reflects a deep faith in the wholeness and balance of the natural world. As Wendell Berry writes in his preface the book "is valuable to us because it is at once practical and philosophical. It is an inspiring necessary book about agriculture because it is not just about agriculture." Trained as a scientist Fukuoka rejected both modern agribusiness and centuries of agricultural practice deciding instead that the best forms of cultivation mirror nature's own laws. Over the next three decades he perfected his so-called "do-nothing" technique: commonsense sustainable practices that all but eliminate the use of pesticides fertilizer tillage and perhaps most significantly wasteful effort. Whether you're a guerrilla gardener or a kitchen gardener dedicated to slow food or simply looking to live a healthier life you will find something here—you may even be moved to start a revolution of your own.; ['Nature'],"

"The Psychology of Thinking; Instructors - Electronic inspection copies are available or contact your local sales representative for an inspection copy of the print version. How do we define thinking? Is it simply memory perception and motor activity or perhaps something more complex such as reasoning and decision making? This book argues that thinking is an intricate mix of all these things and a very specific coordination of cognitive resources. Divided into three key sections there are chapters on the organization of human thought general reasoning and thinking and behavioural outcomes of thinking. These three overarching themes provide a broad theoretical framework with which to explore wider issues in cognition and cognitive psychology and there are chapters on motivation and language plus a strong focus on problem solving reasoning and decision making - all of which are central to a solid understanding of this field. The book also explores the cognitive processes behind perception and memory how we might differentiate expertise from skilled competent performance and the interaction between language culture and thought.; ['Psychology'],"

"St. Theresa the Little Flower; A fresh authoritative translation of the Little Flower's autobiography from the original French. Readers will be inspired by her simple spirituality and writings on topics like purity God's will grace self-abandonment joy and much more.; ['Religion'],"

"The Devil and Other Stories (Oxford World's Classics); 'It is impossible to explain why Yevgeny chose Liza Annenskaya as it is always impossible to explain why a man chooses this and not that woman.' This collection of eleven stories spans virtually the whole of Tolstoy's creative life. While each is unique in form as a group they are representative of his style and touch on the central themes that surface in War and Peace and Anna Karenina. Stories as different as 'The Snowstorm' 'Lucerne' 'The Diary of a Madman' and 'The Devil' are grounded in autobiographical experience. They deal with journeys of self-discovery and the moral and religious questioning that characterizes Tolstoy's works of criticism and philosophy. 'Strider' and 'Father Sergy' as well as reflecting Tolstoy's own experiences also reveal profound psychological insights. These stories range over much of the Russian world of the nineteenth century from the nobility to the peasantry the military to the clergy from merchants and cobblers to a horse and a tree. Together they present a fascinating picture of Tolstoy's skill and artistry. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest

range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up-to-date bibliographies for further study and much more.; ['Fiction'], "

All recipes have been adapted for the North American kitchen.; ['Cookery Kashmiri'], "

"Love Someone Like Me (Spanish Edition); Drawing on vast amounts of new data from live unscripted radio and TV broadcasts and the internet this is a brilliant and original analysis of colloquial English revealing unusual and largely unreported types of clause structure. Andrew Radford debunks the myth that colloquial English has a substandard simplified grammar and shows that it has a coherent and complex structure of its own. The book develops a theoretically sophisticated account of structure and variation in colloquial English advancing an area that has been previously investigated from other perspectives such as corpus linguistics or conversational analysis but never before in such detail from a formal syntactic viewpoint.; ['Language Arts & Disciplines'], "

"Noguchi East and West; An art history professor and author or editor of 30 books on art and culture maps the life of Japanese-American sculptor and designer Isamu Noguchi (1904-1988) and his spiritual journey both in the events of his life and in the milestones of his art--the sculptures gardens public spaces and stage decors that gained force and significance from Noguchi's double heritage. Photographs.; ['Art'], "

"Becoming a Nanny: Working as a Live-In Childcare Provider; Somewhere between Mary Poppins and the jet-set life of an au-pair to the stars lies the life of a real-life nanny. Chandra Bloodgood an experienced live-in nanny provides an enthusiastic and honest look at the pros and cons of this particular kind of work. For many men and women working as a live-in nanny has a lot of appeal. Not only does it offer an opportunity to be a

part of another family but it also can be a terrific way to see another part of the country and be part of life-changing and rewarding events. Ms. Bloodgood really does start at the beginning helping readers determine whether or not they are suited to work with children and covering such sensitive topics as personal space temper nanny-cams non-child-related chores and significant others. This hands-on approach includes a number of worksheets to help with resume writing and preparing for an interview not to mention an extensive lists of websites with educational activities for kids and support for nannys.; ['Family & Relationships'], "

"Rope: The Twisted Life and Crimes of Harvey Glatman; In 1958 a shy young man with few social skills sped along the Santa Ana freeway out of L.A. headed to the desert with his 'date' huddled in the passenger seat beside him. In his pockets Harvey Glatman had a gun and a length of rope. Drunk on power arousal and rage Harvey also had a plan. And beneath the desert stars by the light of the moon he carried out his ordeal of unimaginable cruelty using his body a camera and his rope... Months later after one of his inhuman attacks went awry Harvey's torture killings were described to a shocked and silent California courtroom. Michael Newton vividly recounts the horror of Glatman's murders and explains how his crimes weren't about killing raping and torturing at all...they were all about the rope.; ['True Crime'], "

"The Berbers and the Islamic State: The Marinid Experience in Pre-Protectorate Morocco; 'Outstanding illuminating compelling ... a riveting read' Peter Frankopan Sunday Times Islamic civilization was once the envy of the world. From a succession of glittering cosmopolitan capitals Islamic empires lored it over the Middle East North Africa Central Asia and swathes of the Indian subcontinent. For centuries the caliphate was both ascendant on the battlefield and triumphant in the battle of ideas its cities unrivalled powerhouses of artistic grandeur commercial power spiritual sanctity and forward-looking thinking. Islamic Empires is a history of this rich and diverse civilization told through its greatest cities over fifteen centuries from the beginnings of Islam in Mecca in the seventh century to the astonishing rise of Doha in the twenty-first. It dwells on the most remarkable dynasties ever to lead the Muslim world - the Abbasids of Baghdad the Umayyads of Damascus and Cordoba the Merinids of Fez the Ottomans of Istanbul the Mughals of India and the Safavids of Isfahan - and some of the most charismatic leaders in Muslim history from Saladin in Cairo and mighty Tamerlane of Samarkand to the poet-prince Babur in his mountain kingdom of Kabul and the irrepressible Maktoum dynasty of Dubai. It focuses on these fifteen cities at some of the defining moments in Islamic history: from the Prophet Mohammed receiving his divine revelations in Mecca and the First Crusade of 1099 to the conquest of Constantinople in 1453 and the phenomenal creation of the merchant republic of Beirut in the nineteenth century.; ['History'], "

"Safe in the Arms of God: Truth from Heaven About the Death of a Child; ""Is my baby in heaven?"" This is the most important question a grieving parent can ask. And even if the little one is someone else's child the issue remains: What happens to children?those unborn stillborn or youngsters?when they die? Can you hope to see them again? Can you let go of your fear and guilt? Can God's love soothe a wound so jagged? With scriptural authority and the warmth of a pastor's heart bestselling author John MacArthur examines the breadth of the entire Bible and reveals in this compelling book the Heavenly Father's care for every

life. ""I have sat by the grave of our daughter and son and wondered out loud if my belief that Hope and Gabriel are in heaven has any solid scriptural support. John MacArthur offers truth from God's Word that puts the doubts of any grieving parent to rest. Safe in the Arms of God reveals that confidence of heaven for the child you love is based on much more than mere sentimentality; it is revealed in the Word of God and reflective of the very heart of God.""<sup>1</sup> Nancy Guthrie author of Holding On to Hope; ['Family & Relationships'],"

"Serpent's Walk; Survivors of the losing side from World War 2 form an underground resistance and make a long-term plan to challenge the new establishment. They adopt many of the tactics that were used against them before the war. They covertly started buying media power and building economic muscle. And after 100 years they make their move. The result is a conflict of critical importance and of enormous proportions; a conflict they simply cannot lose if they are to survive.; ['Fiction'],"

"Quirky; The toddler whose tantrums scare all the other kids on the playground . . . The three-year-old who ignores all his toys but seems passionately attached to the vacuum cleaner . . . The fourth-grade girl who never gets invited to a birthday party because classmates think she's "weird" . . . The geek who is terrific at math but is failing every other subject. Quirky children are different from other kids in ways that they-and their parents and teachers-have a hard time understanding or explaining. Straddling the line between eccentric and developmentally impaired quirky children present challenges that standard parenting books fail to address. Now in Quirky Kids nationally known writer/pediatrician Perri Klass and her colleague Eileen Costello a seasoned pediatrician with a special interest in child development finally provide the expert guidance and in-depth research that families with quirky children so desperately need. A generation ago such children were called odd ducks or worse. But nowadays they are often assigned medical psychiatric or neurological diagnoses. The diagnoses often overlap or shift but the labels can be frightening. Klass and Costello illuminate the confusing list of terms applied to quirky children these days-nonverbal learning disability sensory integration disorder obsessive-compulsive behavior autistic spectrum disorder pervasive developmental disorder Asperger's syndrome-and explain how to assess what exactly each diagnosis means and how to use it to help a child most effectively. Quirky Kids takes you through the stages of a child's life helping to smooth the way at home at school even on the playground. How do you make it through mealtime when emotions often erupt? How do you help the child's siblings understand what's going on? Is it better to "mainstream" the child or seek a special education program? How can you make a school more welcoming and flexible for a quirky child? How do you help your child deal with social exclusion name-calling and bullying? Choosing the right therapy for quirky children is especially difficult because their problems fall outside traditional medical categories. Coping strategies might include martial arts or horseback riding or speech and occupational therapies. Klass and Costello cover all the options as well as offer a thorough consideration of the available medications how they work and whether medication is the best choice for your child. Drs. Klass and Costello firmly believe that the ideal way to help our quirky kids is to understand and embrace the qualities that make them exceptionally interesting and lovable. Written with upbeat clarity and informed insight their book is a comprehensive guide to loving living with and enjoying these wonderful if challenging children. From the Hardcover edition.; ['Family & Relationships'], "

"THE COMPLETE COLORED PENCIL BOOK; The Complete Colored Pencil Book is a comprehensive technique guide that offers a full spectrum of colored pencil instruction. "Little Women (Courage giant classics); This authoritative accurate text of the first edition (1868-69) of Little Women is accompanied by textual variants and thorough explanatory annotations.; ['Fiction'],"

"Projections of Power: Framing News Public Opinion and U.S. Foreign Policy (Studies in Communication Media and Public Opinion); To succeed in foreign policy U.S. presidents have to sell their versions or framings of political events to the news media and to the public. But since the end of the Cold War journalists have increasingly resisted presidential views even offering their own spin on events. What then determines whether the media will accept or reject the White House perspective? And what consequences does this new media environment have for policymaking and public opinion? To answer these questions Robert M. Entman develops a powerful new model of how media framing works—a model that allows him to explain why the media cheered American victories over small-time dictators in Grenada and Panama but barely noticed the success of far more difficult missions in Haiti and Kosovo. Discussing the practical implications of his model Entman also suggests ways to more effectively encourage the exchange of ideas between the government and the media and between the media and the public. His book will be an essential guide for political scientists students of the media and anyone interested in the increasingly influential role of the media in foreign policy.;

This work offers encouragement to urban and suburban gardeners who want to grow at least some of their own produce. 30 recipes.; ['Gardening'],"

"Shifting Ground: The Changing Agricultural Soils of China and Indonesia; Peter Lindert evaluates environmental concerns about soil degradation in two very large countries—China and Indonesia—where anecdotal evidence has suggested serious problems. In this book Peter Lindert evaluates environmental concerns about soil degradation in two very large countries—China and Indonesia—where anecdotal evidence has suggested serious problems. Lindert does what no scholar before him has done: using new archival data sets he measures changes in soil productivity over long enough periods of time to reveal the influence of human activity. China and Indonesia are good test cases because of their geography and history. China has been at the center of global concerns about desertification and water erosion which it may have accelerated with intense agriculture. Most of Indonesia's lands were created by volcanoes and erosion and its rapid deforestation and shifting slash-burn agriculture have been singled out for international censure. Lindert's investigation suggests that human mismanagement is not on average worsening the soil quality in China and Indonesia. Human cultivation lowers soil nitrogen and organic matter but has offsetting positive effects. Economic development and rising incomes may even lead to better soil. Beyond the importance of Lindert's immediate findings this book opens a new area of study—quantitative soil history—and raises the standard for debating soil trends.; ['Science'],"

"Cardiology; Clinical Guide to Cardiology is a quick-reference resource packed full of bullet points diagrams tables and algorithms for the key concepts and facts for important presentations and conditions within cardiology. It provides practical evidence-based information on interventions investigations and the management of clinical cardiology. "Think & Act Like A Winner; Have you ever thought about the fact that a craftsman has more and better tools to solve challenges on the job than the leader of a business or organization does? Leadership ""tools"" are usually defined as computers spreadsheets data and even experience but in reality leaders need thinking tools that are hard to come by so they find themselves hunting and pecking for answers in books at seminars through on-the-job training programs from mentors and at business schools and still they're left with gaps. Surely most leaders are good at what they do but the daily challenges of their jobs like accelerating growth increasing productivity driving innovation doing more with less and balancing work with life don't come with some sort of leadership toolkit...until now. In Paid to Think international consultant David Goldsmith presents his groundbreaking approach to leadership and management based on research revealing the twelve specific activities that all leaders perform on a daily basis and he provides you with each activity's accompanying tools and instructions proven to boost your performance and that of your entire organization. Take the uncertainty out of everyday leading convert ideas to realities and maximize your intellectual value. Learn how decision makers at some of the world's most successful organizations have already used Paid to Think's universal and easily transferable tools—regardless of their industries sectors geographic locations or management levels—as their greatest advantages in achieving more earning more and living more.; ['Business & Economics'],"

"Practical ethics; For thirty years Peter Singer's Practical Ethics has been the classic introduction to applied ethics. For this third edition the author has revised and updated all the chapters and added a new chapter addressing climate change one of the most important ethical challenges of our generation. Some of the questions discussed in this book concern our daily lives. Is it ethical to buy luxuries when others do not have enough to eat? Should we buy meat from intensively reared

animals? Am I doing something wrong if my carbon footprint is above the global average? Other questions confront us as concerned citizens: equality and discrimination on the grounds of race or sex; abortion the use of embryos for research and euthanasia; political violence and terrorism; and the preservation of our planet's environment. This book's lucid style and provocative arguments make it an ideal text for university courses and for anyone willing to think about how she or he ought to live.; ['Philosophy'], "

"YAHWEH OR THE HIGHWAY; The inspiration for the new ABC series Big Sky. Winner of the Edgar Award for Best Novel the New York Times bestselling author of Back of Beyond and Breaking Point and the creator of the Joe Pickett series is back. ""If CJ Box isn't already on your list put him there." - USA Today When two sisters set out across a remote stretch of Montana road to visit their friend little do they know it will be the last time anyone might ever hear from them again. The girls—and their car—simply vanish. Former police investigator Cody Hoyt has just lost his job and has fallen off the wagon after a long stretch of sobriety. Convinced by his son and his former rookie partner Cassie Dewell he begins the drive south to the girls' last known location. As Cody makes his way to the lonely stretch of Montana highway where they went missing Cassie discovers that Gracie and Danielle Sullivan aren't the first girls who have disappeared in this area. This majestic landscape is the hunting ground for a killer whose viciousness is outmatched only by his intelligence. And he might not be working alone. Time is running out for Gracie and Danielle...Can Cassie overcome her doubts and lack of experience and use her innate skill? Can Cody Hoyt battle his own demons

and find this killer before another victim vanishes on the highway?; ['Fiction'], "

"Carlos Schwabe Symboliste et Visionnaire (French Edition); Nearly one hundred years after the death of its composer the music of Claude Debussy has lost none of its breadth of appeal. With the rare ability to entice listeners on many levels at its heart lies an engaging simplicity-one which defies traditional analysis and lends mystery to what ultimately is an extremely refined and highly personal approach to composition. Equally fascinating is Debussy's often contradictory personality--at times elusive but always centered on his devotion to music and his ambition to create a name for himself unlike any other. Author Eric Frederick Jensen provides new insight to the man and the music in this authoritative biography. Although born into poverty and a failure as a piano student at the Paris Conservatoire Debussy became the most famous French composer of his day known for his culture and refinement. His revolutionary music baffled critics but was embraced by audiences. Debussy's scandalous personal life stirred up as much controversy as his music and his notoriety proved more harmful to his career than the unusual nature of his compositions. Jensen also explores Debussy's relationship to the arts and his career as a music critic. Debussy drew on all of the arts in his development as a composer including poetry and painting and his fascination with the arts has often led to his being classified as an Impressionist or Symbolist two claims which Jensen debunks. One of the finest music critics of his time Debussy's reviews reveal a great deal not only about his musical taste but also about what he felt the role and function of music should be. Debussy brings together the most recent biographical research including a revised catalogue of Debussy's compositions and the first complete edition of his correspondence. With separate chronological sections on his life and music Debussy is accessible to the general reader who wishes to focus on his life and personality while providing detailed discussion of the music to musicians and students.; ['Music'], "

"Automated Reasoning and the Discovery of Missing and Elegant Proofs; Most appealing - and sometimes even stirring - is a well-constructed case showing that without doubt some given assertion holds. Typically such a case is based on logical and flawless reasoning on a sequence of steps that follow inevitably from the hypotheses used to deduce each. In other words a proof is given establishing that the assertion under consideration indeed holds. Such proofs are clearly crucial to logic and to mathematics. Not so obvious but true proofs are crucial to circuit design program writing and more generally to various activities in which reasoning plays a vital role. Indeed most desirable is the case in which no doubt exists regarding the absence of flaws in the design of a chip in the structure of a computer program in the argument on which an important decision is based. Such careful reasoning is even the key factor in games that include chess and poker. This book features one example after another of flawless logical reasoning the context is that of finding proofs absent from the literature. The means for finding the missing proofs is reliance on a single computer program William McCune's automated reasoning program OTTER. One motivating force for writing this book is to interest others in automated reasoning logic and mathematics. As the text strongly indicates we delight in using OTTER equally in two quite distinct activities: finding a proof where none is offered by the literature and finding a proof far more appealing than any the literature

provides. We believe that the challenge offered by the type of problem featured in this book can be as engrossing as solving puzzles and playing various games that appeal to the mind. Indeed sometimes inexpressible is the excitement engendered when seeking a proof with fewer steps than was found by one of the great minds of the twentieth century. A second motivating force rests with our obvious enjoyment of the type of research featured in this book. Like the fancier of fine wines we continually seek new open questions to attack whether (at one end of the spectrum) they concern the settling of a conjecture or (at the other end) the focus is on proof betterment. We encourage readers to send us additional open questions and challenging problems. Another factor that motivated us was our wish to collect in a single volume a surprisingly large number of proofs most of which were previously absent from the literature. In some cases no proof was offered of any type; in some cases the proof that was offered was far from axiomatic. None of the proofs rely on induction or on metal argument or on higher-order logic. In one sense the book can serve as an encyclopedia of proofs -- many new and many improved - a work that sometimes extends sometimes replaces and sometimes supplements the research of more than a century. These proofs offer the implicit challenge of finding others that are further improvements. In a rather different sense the book may serve as the key to eventually answering one open question after another whether the context is logic mathematics design synthesis or some other area relying on sound reasoning. In that regards we include in details numerous diverse methodologies are themselves intriguing. For an example one methodology asks for two independent paths that lead to success and rather than emphasizing what is common to both (their intersection) instead heavily focuses on what is not shared (their symmetric difference). Although the emphasis here is on their use in the context of logic and mathematics we conjecture that the methodologies we offer will prove most useful in a far wider context. We also suspect that especially for those who enjoy solving puzzles and unraveling the mysteries of sciences the nature of the methodologies will provide substantial stimulation. This volume introduce some readers to the excitement of discovering new results increase the intrigue of those already familiar with such excitement and (for the expert) add to the arsenal of weapons for attacking deep questions and hard problems.; ['Mathematics'], "

"Best Places Alaska: The Best Lodgings Outdoor Adventures and Restaurants; Home to fantastic fjords breathtaking coastlines rushing rivers temperate rain forests majestic mountains glorious glaciers a wealth of wildlife and a rich cultural heritage Alaska hosts 1.3 million tourists a year. Best Places Alaska offers these adventure-seekers newly updated recommendations on the finest sights and attractions of the Last Frontier. detail wilderness lodges driving the Alaska Highway and viewing the northern lights.; ['Travel'], "

"The Passionate Miss Prudence (Zebra Regency Romance); When Prudence a young woman hired to care for and catalog the thousands of volumes in her bluestocking cousin Lady Agatha Purcell's lending library stumbles upon a supposedly proper etiquette guide containing engravings of amorous encounters she accuses Lord Alwyn Lady Agatha's rakish son of the prank. Original.; ['Fiction'], "

"Girls of Summer; ""From star-crossed matches to unexpected love triangles summer on Nantucket always holds the promise of romance in this sensational novel from New York Times bestselling author Nancy Thayer. Lisa Hudson feels more alive than she has in a long time after hiring hunky carpenter Mack Whitney to renovate her old Nantucket home. There's no denying the spark growing between them--despite the fact that Mack is ten years her junior. But her twentysomething children Juliet and Theo on the island for the summer worry that the new relationship will only lead to Lisa's heartbreak. Yet Juliet and Theo are in for tangled love stories all their own. When dreamy Ryder Hastings moves to the island to pursue a new environmental venture Juliet feels an unwelcome attraction her rocky romantic history pushing her to steer clear of love. Theo only has eyes for Mack's daughter Beth with whom he was bound by an unspeakable tragedy in high school--but can they overcome their past? By August when an impending storm threatens to shatter the peace of the golden island everyone discovers what they can and cannot control. Nancy Thayer dazzles again with this new tale of a magical summer"--; ['Fiction'], "

"The Uncrowned Emperor: The Life and Times of Otto von Habsburg; A biography by a leading expert on Austria and the Hapsburgs of the longest-serving public figure in the world: head of the Hapsburgs since 1922 and still alive!; ['History'], "

"Michelson and the Speed of Light; This is a biography of America's first Nobel Prize winner in science and an account of his researches. Michelson invented several important optical instruments and established the speed of light close to its present day measurement. He proved once and for all that space had no ether which for hundreds of years was considered necessary for the transmission of light waves. The author provides a clear explanation of Michelson's contributions to experimental physics--contributions to which many scientists including Einstein have acknowledged indebtedness.; ['Science'], "

"Managing Global Issues: Lessons Learned; Globalization is pushing to the fore a wide variety of global problems that demand urgent policy attention. Managing Global Issues provides a comprehensive comparative assessment of international efforts to manage global problems. It identifies and explains successes and failures of such efforts examines the roles of different actors and outlines lessons that may guide future action by governments international organizations nongovernmental organizations and the private sector. The volume's 16 case studies examine organized crime drugs corruption human rights labor rights health trade financial markets development assistance the environment the global commons communications weapons of mass destruction conventional weapons internal conflicts and refugees. Managing Global Issues is the result of an international multidisciplinary research team composed of experts in specific global issue areas. The book's broad scope numerous case studies and its rigorous comparative analytical framework offers a unique and valuable contribution to the rapidly growing literature on global

governance. Contributors include Vinod K. Aggarwal (University of California Berkeley) Thomas Bernauer (University of Zürich) William Drake (Carnegie Endowment) Octavio Gómez-Dantés (National Institute of Public Health Mexico) Catherine Gwin (World Bank) Peter M. Shelton (Notre Dame Law School) Timothy D. Sisk (University of Denver) Joanna Spear (King's College London) and Phil Williams (University of Pittsburgh).; ['Political Science'], "

"Artificial Intelligence for Games (The Morgan Kaufmann Series in Interactive 3D Technology); Creating robust artificial intelligence is one of the greatest challenges for game developers yet the commercial success of a game is often dependent upon the quality of the AI. In this book Ian Millington brings extensive professional experience to the problem of improving the quality of AI in games. He describes numerous examples from real games and explores the underlying ideas through detailed case studies. He goes further to introduce many techniques little used by developers today. The book's associated web site contains a library of C++ source code and demonstration programs and a complete commercial source code library of AI algorithms and techniques.

"Artificial Intelligence for Games - 2nd edition" will be highly useful to academics teaching courses on game AI in that it includes exercises with each chapter. It will also include new and expanded coverage of the following: AI-oriented gameplay; Behavior driven AI; Casual games (puzzle games). Key Features \* The first comprehensive professional tutorial and reference to implement true AI in games written by an engineer with extensive industry experience. \* Walks through the entire development process from beginning to end. \* Includes examples from over 100 real games 10 in-depth case studies and web site with sample code.; ['Computers'], "

"Wilfred Thesiger The Marsh Arabs; "Five thousand years of history were here and the pattern was still unchanged." During the years he spent among the Marsh Arabs of southern Iraq Wilfred Thesiger came to understand admire and share a way of life that had endured for many centuries. Travelling from village to village by canoe he won acceptance by dispensing medicines and treating the sick. In this account of his time there he pays tribute to the hospitality loyalty courage and endurance of the people describes their impressive reed houses the waterways and lakes teeming with wildlife the herding of buffalo and hunting of wild boar moments of tragedy and moments of pure comedy all in vivid engaging detail. Untouched by the modern world until recently these independent people their way of life and their surroundings suffered widespread destruction under the regime of Saddam Hussein. Wilfred Thesiger's magnificent account of his time spent among them is a moving testament to their now threatened culture and the landscape they inhabit.; ['Biography & Autobiography'], "

Book jacket.; ['House & Home'], "

"Well-Beloved (French Edition); The first of Jean Plaidy's flamboyant French Revolution series. France eagerly awaits the day the young King Louis XV comes of age and breaks free from the rule of his ministers. The country hopes Louis will bring back glory and prosperity to France. However he is too preoccupied with the thrills of hunting and gambling to notice the power struggle going on in his own court. Soon the King is introduced to the pleasures of mistresses and a succession of lovers follows. From the gentle persuasions of Madame de Mailley to her overtly ambitious sister Madame Vintimille France stands by and watches a King ruled by his women...; ['Fiction'], "

"A Time to Be Born; Set against an atmospheric backdrop of New York City in the months just before America's entry into World War II A Time To Be Born is a scathing and hilarious study of cynical New Yorkers stalking each other for various selfish ends. At the center of the story are a wealthy self-involved newspaper publisher and his scheming novelist wife Amanda Keeler. Powell always denied that Amanda Keeler was based upon the real-life Clare Boothe Luce until years later when she discovered a memo she'd written to herself in 1939 that said "Why not do a novel on Clare Luce?" Which prompted Powell to write in her diary "Who can I believe? Me or myself?"; ['Fiction'], "

"The Future Of Home Schooling -; A home schooling expert shows parents how to decide if the affordable and top quality education is right for their family.; ['Education'], "

"A Corner in the Marais: Memoir of a Paris Neighborhood; A Corner in the Marais traces the architectural and social development of the City of Lights from its origins as a Roman settlement through major redevelopments brought about by Henri IV and Baron Haussmann to the present renovation of old neighborhoods. It begins with Alex Karmel and his French wife realizing a longstanding dream: buying an apartment in the Marais Paris's celebrated historic district the site of some of its oldest and most picturesque buildings. It soon becomes clear that their new home which has witnessed six centuries of French life offers a fresh and lively vantage point from which to view the city's history revealing information that will surprise even the most confirmed Francophile. The book concludes with a ""walking tour"" of the Marais in which the principal buildings are discussed with brisk authority. Karmel never

loses sight of the human details - whether royal feuding commercial advantage or family chicanery - that have played their role in shaping Paris as we now know it. Illustrated throughout with photographs and period engravings A Corner in the Marais is ideal reading for anyone who loves exploring the hidden byways of vieux Paris and experiencing history from a very personal viewpoint.; ['History'], "

"Bestsellers Guarantee; Here are 16 unforgettable stories from Stoker Award-winner Joe R. Lansdale. "Loss Within Loss: Artists in the Age of AIDS; A moving collaboration by some of America's most eloquent writers who supply wry raging sorrowful and buoyant accounts of artist friends and lovers struck down by AIDS. Published in association with the Estate Project for Artists with AIDS the 23 essays stand as a powerful reminder and survey of the devastating impact of the AIDS epidemic on the arts community. The book also contains biographies of the subjects and the authors as well as many bandw photographs. Annotation copyrighted by Book News Inc. Portland OR; ['Biography & Autobiography'], "

"The Long War for Freedom: The Arab Struggle for Democracy in the Middle East; Even the most seasoned Middle East observers were taken aback by the events of early 2011. Protests born of oppression and socioeconomic frustration erupted throughout the streets; public unrest provoked violent police backlash; long-established dictatorships fell. How did this all happen? What might the future look like and what are the likely ramifications for the United States and the rest of the world? In The Arab Awakening experts from the Brookings Institution tackle such questions to make sense of this tumultuous region that remains at the heart of U.S. national interests. The first portion of The Arab Awakening offers broad lessons by analyzing key aspects of the Mideast turmoil such as public opinion trends within the ""Arab Street""; the role of social media and technology; socioeconomic and demographic conditions; the influence of Islamists; and the impact of the new political order on the Arab-Israeli peace process. The next section looks at the countries themselves finding commonalties and grouping them according to the political evolutions that have (or have not) occurred in each country. The section offers insight into the current situation and possible trajectory of each group of countries followed by individual nation studies. The Arab Awakening brings the full resources of Brookings to bear on making sense of what may turn out to be the most significant geopolitical movement of this generation. It is essential reading for anyone looking to understand these developments and their consequences.; ['Political Science'], "

"China: We All Fall Down; For over 700 years foreign businessmen have been risking their money to unlock the China market without success. The 1990's alone saw an eye popping US\$300 billion in direct foreign investment. The Chinese have now become masters at perpetuating the illusion of a newly emerging middle class of consumers - as long as you are willing to believe that they will arrive just in time for the next five year plan. Foreign investors have not learned the lessons of the past. Taking the bait yet again they have committed huge investments in plant and equipment - especially in the automotive sector - turning China into the manufacturing ""factory floor"" of the world. Imports from China alone have displaced 1.659 million US jobs in five years while creating only 199000. Our trade deficit with China is fast approaching US\$15 billion - per month. Recent technology accelerators have the potential to turn the current downturn in US manufacturing into a rout. This is not how the concept of globalization was supposed to play out for the American middle class. Our government and our business leaders seem

unwilling or unable to level the playing field. The trade war's battle lines are now at the consumer level. Frank urges American consumers to take the ""China Challenge"" and to turn away Chinese auto imports when they arrive otherwise our economic dreams for China will slowly turn into a nightmare.; ['Business & Economics'], "

"The Cruelest Months; ""Many mystery buffs have credited Louise Penny with the revival of the type of traditional murder mystery made famous by Agatha Christie. . . . The book's title is a metaphor not only for the month of April but also for Gamache's personal and professional challenges---making this the series standout so far." --Sarah Weinman Welcome to Three Pines where the cruelest month is about to deliver on its threat. It's spring in the tiny forgotten village; buds are on the trees and the first flowers are struggling through the newly thawed earth. But not everything is meant to return to life. . . When some villagers decide to celebrate Easter with a séance at the Old Hadley House they are hoping to rid the town of its evil---until one of their party dies of fright. Was this a natural death or was the victim somehow helped along? Brilliant compassionate Chief Inspector Armand Gamache of the Sûreté du Québec is called to investigate in a case that will force him to face his own ghosts as well as those of a seemingly idyllic town where relationships are far more dangerous than they seem.; ['Fiction'], "

"Community (Key Ideas); The increasing individualism of modern Western society has been accompanied by an enduring nostalgia for the idea of community as a source of security and belonging and in recent years as an alternative to the state as a basis for politics. Gerard Delanty begins this stimulating introduction to the concept with an analysis of the origins of the idea of community in Western Utopian thought and as an imagined pristine condition equated with traditional societies in classical sociology and anthropology. He goes on to chart the resurgence of the idea within communitarian thought the complications and critiques of multiculturalism and its new manifestations within a society where new modes of communication produce both fragmentation and the possibilities of new social bonds. Contemporary community he argues is essentially a communication community based on new kinds of belonging. No longer bounded by place we are able to belong to multiple communities based on religion nationalism ethnicity life-styles and gender; ['Social Science'], "

"Carrier: Alpha Strike; When the Chinese claim the internationally disputed and oil-rich Spratly Islands Magruder is sent to maintain a presence in the area and his enemies attempt to start a war by firing on themselves and blaming America. Original.; ['Aircraft carriers'], "

"Betrayal of the Spirit: My Life behind the Headlines of the Hare Krishna Movement; Combining behind-the-scenes views of an often besieged religious group with a personal account of the author's struggle to find meaning in it Betrayal of the Spirit takes the reader closer than any other source so far to the reality of life in the Hare Krishna movement. Nori J. Muster a California native joined the International Society of Krishna Consciousness (ISKON) - the Hare Krishnas - in 1977 shortly after the death of the movement's spiritual master Srila A. C. Bhaktivedanta Swami Prabhupada. She lived in the Krishnas' western world headquarters in Los Angeles and worked for ten years as a public relations secretary and editor of the organization's newspaper the ISKON World Review. Her story of the Hare Krishnas' decline is a gripping presentation of facts gleaned from personal reminiscences published articles and internal documents. Betrayal of the Spirit details drug dealing weapons stockpiling deceptive fund-raising child abuse and murder within ISKON as well as the dynamics of schisms that forced some 95 percent of the group's original members to leave. Although the movement fell into disarray after the death of its founder the author's story is one of a continual search for truth and religious meaning as an ISKON member. Muster's account of the scandal-plagued decade following Swami Prabhupada's death ends in 1988 when disillusioned over the continuing internal strife and scandals she left her job and the movement.; ['Religion'],"

"CliffsNotes on Hardy's Tess of the d'Urbervilles; The original CliffsNotes study guides offer expert commentary on major themes plots characters literary devices and historical background. The latest generation of titles in this series also feature glossaries and visual elements that complement the classic familiar format. In CliffsNotes on Tess of the d'Urbervilles you explore Thomas Hardy's literary classic as the author challenges many of the Victorian sensibilities of the 19th century by writing about such topics as immoral sex murder illegitimate children and the unmarried living together. In the novel you follow the journey of Tess as early events in her life lead her down the road to tragic ruin. Chapter summaries and commentaries take you through Tess's journey and critical essays give you insight into Hardy's view on religion as well as his use of setting and comparisons. Other features that help you study include Character analyses of the main characters A character map that graphically illustrates the relationships among the characters A section on the life and background of Thomas Hardy A review section that tests your knowledge A ResourceCenter full of books articles films and Internet sites Classic literature or modern-day treasure—you'll understand it all with expert information and insight from CliffsNotes study guides.; ['Literary Criticism'], "

This reprint of the classic rulebook features a new cover design.; ['Games'], "

"Amelia Bedelia and the Christmas List (Amelia Bedelia); Mrs. Rogers asks Amelia Bedelia to do her Christmas shopping and Amelia Bedelia follows the list literally.; ['Juvenile Fiction'], "

"Elegy (cuRRents); Elegy is a collaboration of the poetry of E.D. Blodgett and the black and white photography of Yukiko Onley to create a wistful remembrance of loss death and transition in honor of Onley's late husband. The reflective poetry quietly muses about the unknown while the still images of natural beauty evoke a related mood. Elegy is not subdivided into separate poems per se; it is rather one long poem of memory longing and healing.; ['Photography'], "

"Arguing and Thinking: A Rhetorical Approach to Social Psychology (European Monographs in Social Psychology); New edition of seminal book which provoked the discursive turn in the social sciences.; ['Language Arts & Disciplines'],"

"The Cambridge Companion to English Literature 1500-1600 (Cambridge Companions to Literature); The first comprehensive account of English Renaissance literature and the culture which shaped it.; ['Literary Criticism'],"

"Joy of Cooking; "Cooking shouldn't just be about making a delicious dish—owning the process and enjoying the experience ought to be just as important as the meal itself. The new Joy of Cooking is a reminder that nothing can compare to gathering around the table for a home cooked meal with the people who matter most." —Joanna Gaines author of Magnolia Table "Generation after generation Joy has been a warm encouraging presence in American kitchens teaching us to cook with grace and humor. This luminous new edition continues on that important tradition while seamlessly weaving in modern touches making it all the more indispensable for generations to come." —Samin Nosrat author of Salt Fat Acid Heat In the nearly ninety years since Irma S. Rombauer self-published the first three thousand copies of Joy of Cooking in 1931 it has become the kitchen bible with more than 20 million copies in print. This new edition of Joy has been thoroughly revised and expanded by Irma's great-grandson John Becker and his wife Megan Scott. John and Megan developed more than six hundred new recipes for this edition tested and tweaked thousands of classic recipes and updated every section of every chapter to reflect the latest ingredients and techniques available to today's home cooks. Their strategy for revising this edition was the same one Irma and Marion employed: Vet research and improve Joy's coverage of legacy recipes while introducing new dishes modern cooking techniques and comprehensive information on ingredients now available at farmers' markets and grocery stores. You will find tried-and-true favorites like Banana Bread Cockaigne Chocolate Chip Cookies and Southern Corn Bread—all retested and faithfully improved—as well as new favorites like Chana Masala Beef Rendang Megan's Seeded Olive Oil Granola and Smoked Pork Shoulder. In addition to a thoroughly modernized vegetable chapter there are many more vegan and vegetarian recipes including Caramelized Tamarind Tempeh Crispy Pan-Fried Tofu Spicy Chickpea Soup and Roasted Mushroom Burgers. Joy's baking chapters now include gram weights for accuracy along with a refreshed lineup of baked goods like Cannelés de Bordeaux Rustic No-Knead Sourdough Ciabatta Chocolate-Walnut Babka and Chicago-Style Deep-Dish Pizza as well as gluten-free recipes for pizza dough and yeast breads. A new chapter on streamlined cooking explains how to economize time money and ingredients and avoid waste. You will learn how to use a diverse array of ingredients from amaranth to za'atar. New techniques include low-temperature and sous vide cooking fermentation and cooking with both traditional and electric pressure cookers. Barbecuing smoking and other outdoor cooking methods are covered in even greater detail. This new edition of Joy is the perfect combination of classic recipes new dishes and indispensable reference information for today's home cooks. Whether it is the only cookbook on your shelf or one of many Joy is and has been the essential and trusted guide for home cooks for almost a century. This new edition continues that legacy.; ['Cooking'],"

"The Road To Ubar: Finding The Atlantis Of The Sands; The author recounts his discovery of a lost Arabian city in this "captivating story of [a]

stupendous archeological achievement" (Kirkus). No one thought that Ubar the most fabled city of ancient Arabia would ever be found if it even existed. According to the Koran the ancient trading outpost was sunk into the desert as punishment for the sins of its people. Over the centuries many searched for the legendary "Atlantis of the Sands"—including Lawrence of Arabia—yet the city remained lost. Until now. Documentary filmmaker and amateur archaeologist Nicholas Clapp first stumbled on the legend of Ubar in the 1980s while poring over historical manuscripts. Filled with overwhelming curiosity Clapp led two expeditions to Arabia with a team that included space scientists and geologists. In *The Road to Ubar* he chronicles the grand adventure that led to a historic discovery.; ['Social Science'], "

"The Gospel in the feasts of Israel; In *The Gospel in the Feasts of Israel* Dr. Buksbazen will lead you into an exciting encounter with ancient Israel's festive occasions and masterfully explain how they interact with and illuminate the teachings of Jesus the writings of the New Testament and the message of the gospel. All of this he accomplishes with superb scholarship wrapped in a simple moving presentation of rare quality that will instruct and inspire you. Book jacket.; ['Religion'], "

"Lyndon Larouche and the New American Fascism; Investigates the political and personal make-up of a politician whose allegiances have shifted over the years from the far left to the extreme right and explores LaRouche's cult following and his vision for the nation's future; ['Biography & Autobiography'], "

"Introductory Statistics; *Introductory Statistics* is designed for the one-semester introduction to statistics course and is geared toward students majoring in fields other than math or engineering. This text assumes students have been exposed to intermediate algebra and it focuses on the applications of statistical knowledge rather than the theory behind it. The foundation of this textbook is *Collaborative Statistics* by Barbara Illowsky and Susan Dean. Additional topics examples and ample opportunities for practice have been added to each chapter. The development choices for this textbook were made with the guidance of many faculty members who are deeply involved in teaching this course. These choices led to innovations in art terminology and practical applications all with a goal of increasing relevance and accessibility for students. We strove to make the discipline meaningful so that students can draw from it a working knowledge that will enrich their future studies and help them make sense of the world around them. Coverage and Scope Chapter 1 Sampling and Data Chapter 2 Descriptive Statistics Chapter 3

"At the Eleventh Hour: Caring for My Dying Mother; When Blanche Stone was diagnosed with bone cancer her daughter Susan interrupted an unusual life -- in a Buddhist monastery -- to return home and become a full-time caregiver. With practical wisdom humor and an eye for telling detail Susan relates their experiences sharing a house dealing with finances participating in family and holiday rituals finding ways to ease Blanche's discomfort as her health declined gratefully accepting the

support of the local hospice and coming to a greater appreciation of each other as individuals. Readers of any faith (or none) can benefit from these accounts of living moment by moment responding without preconception to each evolving situation embracing one's own needs along with the needs of a person facing death. Susan shows how such living happens: within a sacred place where there is room to honor and be awed by what is at hand however difficult and where one gains the freedom to enjoy it all. At the Eleventh Hour presents a model for how children can offer parents the gift of a good death. Like a wise and supportive friend it can lift spirits and be a reminder that hard as it is it's okay -- and sometimes even fun. (In this way the book is similar to Tuesdays with Morrie which has lifted the spirits of millions).; ['Family & Relationships'], "

"Manimekhalai: The Dancer With the Magic Bowl; A second-century Tamil verse epic reflects the ancient culture of India in the story of a beautiful young dancer who abandons her future as a courtesan in order to dedicate her life to the pursuit of ""the bright light of knowledge""; ['Fiction'], "

"The House by Princes Park; Another wonderful Liverpool saga from bestselling author Maureen Lee. The product of an affair between a nurse and an injured American soldier during the Great War Ruby O'Hagan's early life is spent in an orphanage. At sixteen she runs away with a farmworker and two years later she is alone and homeless with her two daughters. Her friend Mrs Hart leaves her big friendly house for Ruby to look after and it is here that her life unfolds. Her children leave but return when tragedy befalls them. Through all this the enigmatic Matthew Flynn drifts in and out of Ruby's life. She ignores him until it is almost too late.; ['Fiction'], "

"Splitting Up: Enmeshment and Estrangement in the Process of Divorce; From the characterological struggle that leads to the breakup through the difficult adjustments that come after the marriage is over this volume examines the emotional process of divorce. Illustrated throughout with evocative case examples this book explores why marriages fail the feelings and reactions of both the rejecting and the rejected partners the psychodynamics of jealousy the possibility of reconciliation and the impact of divorce on children.; ['Psychology'], "

"The works of Shakespeare; Gathers all of Shakespeare's plays sonnets and poems.; ['Drama'], "

"The Next James Dean: Clones And Near Misses 1955-1975; A Look at James Dean and a Generation of Actors Who Imitated Him! FIFTIETH ANNIVERSARY OF HIS DEATH! 30+ PHOTOS Different from idolatory books on James Dean this new work examines the actor from interviews with those who knew and worked with him. Used by his directors ruthlessly Dean's revenge beyond the grave was upon the actors who played their lives and their roles in a mock parallel to the rebel without a cause. Among the actors who tried to

imitate Dean and were called by tabloids ""the next James Dean"" were Martin Sheen Anthony Perkins Dean Stockwell Jack Nicholson Paul Newman Brandon deWilde Dennis Hopper Steve McQueen Michael Parks Christopher Jones Troy Donahue Michael Landon Warren Beatty Robert Blake Stephen McHattie James Franco Sal Mineo Rod Lauren and even Elvis Presley! THE NEXT JAMES DEAN is a hard-hitting and humorous look at the actors who tried to become Dean in his wake. Between 1955 and 1975 dozens of young movie stars were hailed and predicted to take the place of James Dean the rebel without a cause hero. Now in the style of Confidential and Whisper comes a book that blows the lid off the Dean clones and their ultimate fates. With savage humor the author traces their rise and fall relying on the source of their fame and misfortune the tabloids of the era to document their fate! Who were called The Next James Dean'? Tony Perkins Dennis Hopper Jack Nicholson Steve McQueen Paul Newman and Elvis Presley to name a few!; ['Biography & Autobiography'], "

"Securing E-Business Systems: A Guide for Managers and Executives; The essential guide to e-business security for managers and IT professionals Securing E-Business Systems provides business managers and executives with an overview of the components of an effective e-business infrastructure the areas of greatest risk and best practices safeguards. Timothy Braithwaite (Columbus MD) is Deputy Director of Information Assurance Programs for Titan Corporation. He has managed data centers software projects systems planning and budgeting organizations and has extensive experience in project and acquisition management. He is also the author of Y2K Lessons Learned (Wiley: 0-471-37308-7).; ['Business & Economics'], "

"Sallust's Bellum Catilinae; In his Bellum Catilinae C. Sallustius Crispus or Sallust (86-35/34 B.C.) recounts the dramatic events of 63 B.C. when a disgruntled and impoverished nobleman L. Sergius Catilina turned to armed revolution after two electoral defeats. Among his followers were a group of heavily indebted young aristocrats the Roman poor and a military force in the north of Italy. With his trademark archaizing style Sallust skillfully captures the drama of the times including an early morning attempt to assassinate the consul Cicero and two emotionally charged speeches by Julius Caesar and Cato the Younger in a senatorial debate over the fate of the arrested conspirators. Sallust wrote while the Roman Republic was being transformed into an empire during the turbulent first century B.C. The Bellum Catilinae is well-suited for second-year or advanced Latin study and provides a fitting introduction to the richness of Latin literature while also pointing the way to a critical investigation of late-Republican government and historiography. Ramsey's introduction and commentary bring the text to life for Latin students. This new edition (updated since the 2007 printing) includes two maps and two city plans an updated and now annotated bibliography a list of divergences from the 1991 Oxford Classical Text of Sallust and revisions in the introduction and commentary.; ['Literary Collections'], "

"Fathering From Love: How To Rediscover One Of Life's Greatest Treasures; Discusses ways in which teachers can prevent discipline problems and build student accountability in the classroom.; ['Education'],"

"The Pearson phenomenon; A biography of the Canadian prime minister. The author is an American.; ['Canada Politics and government 1957-1963'],"

"The Dirty Dozen; Alexander Hamilton wrote that "the judiciary from the nature of its functions will always be the least dangerous to the political rights of the Constitution." If only that were true. The Founding Fathers wanted the judicial branch to serve as a check on the power of the legislative and executive and gave the Supreme Court the responsibility of interpreting the Constitution in a way that would safeguard individual freedoms. In some cases like Brown V. Board of Education and United States V. Lopez the Court fulfilled its role protecting us from racial discrimination and the heavy hand of the federal government. But sadly the Supreme Court has also handed down many destructive decisions on cases you probably never learned about in school. In The Dirty Dozen two distinguished legal scholars shed light on the twelve worst cases which allowed government to interfere in your private contractual agreements; curtail your rights to criticize or support political candidates; arrest and imprison you indefinitely without filing charges; and seize your private property without compensation when someone uses the property for criminal activity—even if you don't know about it! This is not a book just for lawyers. It's for all Americans who want to understand how the Supreme Court can affect our right to life liberty and the pursuit of happiness. This paperback edition includes a new preface "Guns Bailouts and Empathetic Judges" which highlights new and critical issues that have arisen since the book's initial edition was published in 2008.; ['Law'],"

"Ryan Adams; Ryan Adams is American roots music's first superstar of the new century. First finding cult fame with alternative country band Whiskeytown his rebellious image and photogenic street urchin looks have won a wide fan following that includes Elton John and Noel Gallagher. In this first account of his life Michael Heatley traces Adams' progress from small town North Carolina to trysts with actress Winona Ryder the broken romances and personal demons that have fuelled his most affecting work and his dedication to legendary country-rock pioneer Gram Parsons. Still in his mid twenties Adams has the world at his feet. If unlike Parsons he opts for self-preservation rather than the self-destructive image he often portrays. This book assesses the past present and future of a performer with the potential and the eclecticism to be 'the new Neil Young'.; ['Music'],"

"Agaram Bagaram Baba: Life Teachings and Parables -- A Spiritual Biography of Baba Prakashananda; Agaram Bagaram is an indefinable word Swami Prakashananda used to describe himself meaning hodgepodge down to earth and humorously self-effacing. Nevertheless he was regarded as jnani a self-realized being acknowledged by both seekers and saints. This small book consists of a short biography of Swami Prakashananda (58 pages) plus a lot of parables he told as his way to answer to requests of his pupil.; ['Religion'],"

"Conceptions of God in Ancient Egypt: The One and the Many; Osiris Horus Isis Thoth Anubis - the many strange and compelling figures of the Egyptian gods and goddesses seem to possess endless fascination. The renowned Egyptologist Erik Hornung here studies the ancient Egyptians' conceptions of god basing his account on a thorough reappraisal of the

primary sources. His book now available in English for the first time is the most extensive exploration yet undertaken of the nature of Egyptian religion. Hornung examines the characteristics spheres of action and significance of Egyptian gods and goddesses analyzing the complex and changing iconography used to represent them and disentangling the many seemingly contradictory aspects of the religion of which they are a part. He seeks to answer two basic questions: How did the Egyptians themselves see their gods? Did they believe there was an impersonal anonymous force behind the multiplicity of their deities? Throughout he attempts to evoke the complexity and richness of the religion of the ancient Egyptians and of their worldview which differs so greatly from our own. A work of extraordinary distinction Hornung's book will appeal to anyone interested in ancient Egypt in ancient religion and in the history of religion as well as students and scholars of ancient history anthropology and archaeology. Sensitively translated by John Baines and with a new preface by the author this edition has been amplified and updated with an English-language audience in mind.; ['History'], "

"The Worldly Philosophers. The Lives Times and Ideas of the Great Economic Thinkers.; The bestselling classic that examines the history of economic thought from Adam Smith to Karl Marx—"all the economic lore most general readers conceivably could want to know served up with a flourish" (The New York Times). The Worldly Philosophers not only enables us to see more deeply into our history but helps us better understand our own times. In this seventh edition Robert L. Heilbroner provides a new theme that connects thinkers as diverse as Adam Smith and Karl Marx. The theme is the common focus of their highly varied ideas—namely the search to understand how a capitalist society works. It is a focus never more needed than in this age of confusing economic headlines. In a bold new concluding chapter entitled "The End of the Worldly Philosophy?" Heilbroner reminds us that the word "end" refers to both the purpose and limits of economics. This chapter conveys a concern that today's increasingly "scientific" economics may overlook fundamental social and political issues that are central to economics. Thus unlike its predecessors this new edition provides not just an indispensable illumination of our past but a call to action for our future.; ['Business & Economics'], "

"Fundamentals of Object-Oriented Design in UML; Fundamentals of Object-Oriented Design in UML shows aspiring and experienced programmers alike how to apply design concepts the UML and the best practices in OO development to improve both their code and their success rates with object-based projects.; ['Computers'], "

"Moral Mazes: The World of Corporate Managers; This classic study of ethics in business presents an eye-opening account of how corporate managers think the world works and how big organizations shape moral consciousness. Robert Jackall takes the reader inside a topsy-turvy world where hard work does not necessarily lead to success but sharp talk self-promotion powerful patrons and sheer luck might. What sort of everyday rules-in-use do people play by when there are no fixed standards to explain why some succeed and others fail? In the words of one corporate manager those rules boil down to this maxim: ""What is right in the corporation is what the guy above you wants from you. That's what morality is in the corporation." This brilliant disturbing funny look at the ethos of the corporate world presents compelling real life stories of the men and women charged with running the businesses of America. This anniversary edition includes an afterword by the author linking the themes of Moral Mazes to the financial tsunami that engulfed the world economy in 2008.; ['Business & Economics'], "

The selections also integrate the Eastern Orthodox and Western understandings of prayer and contemplation. The book is perfect for study meditation and inspiration.; ['Religion'], "

"The mother; NEW YORK TIMES BESTSELLER "Bittersweet sexy morally fraught." -The New York Times Book Review ""Fantastic... a book that feels alive on the page." -The Washington Post From the New York-Times bestselling author of The Vanishing Half the beloved novel about young love and a big secret in a small community. Set within a contemporary black community in Southern California Brit Bennett's mesmerizing first novel is an emotionally perceptive story about community love and ambition. It begins with a secret. ""All good secrets have a taste before

you tell them and if we'd taken a moment to swish this one around our mouths we might have noticed the sourness of an unripe secret plucked too soon stolen and passed around before its season." It is the last season of high school life for Nadia Turner a rebellious grief-stricken seventeen-year-old beauty. Mourning her own mother's recent suicide she takes up with the local pastor's son. Luke Sheppard is twenty-one a former football star whose injury has reduced him to waiting tables at a diner. They are young; it's not serious. But the pregnancy that results from this teen romance—and the subsequent cover-up—will have an impact that goes far beyond their youth. As Nadia hides her secret from everyone including Aubrey her God-fearing best friend the years move quickly. Soon Nadia Luke and Aubrey are full-fledged adults and still living in debt to the choices they made that one seaside summer caught in a love triangle they must carefully maneuver and dogged by the constant nagging question: What if they had chosen differently? The possibilities of the road not taken are a relentless haunt. In entrancing lyrical prose The Mothers asks whether a ""what if"" can be more powerful than an experience itself. If as time passes we must always live in servitude to the decisions of our younger selves to the communities that have parented us and to the decisions we make that shape our lives forever.; ['Fiction'], "Slave and Soldier: The Military Impact of Blacks in the Colonial Americas (Studies in African American History and Culture); A thorough in-depth study first presented as the author's Ph.D. thesis (U. of Michigan 1978). "Pilgrimage; We all encounter times when our spirit feels dry when doubt looms. The opportunity to tour Israel came at a good time. For months my life has been a mindless plodding through necessary routine as monotonous as an all-night shift on an assembly line. Life gets that way sometimes when nothing specific is wrong but the world around us seems drained of color. Even my weekly worship experiences and daily quiet times with God have felt as dry and stale as last year's crackers. I'm ashamed to confess the malaise I've felt. I have been given so much. Shouldn't a Christian's life be an abundant one as exciting as Christmas morning as joyful as Easter Sunday? With gripping honesty Lynn Austin pens her struggles with spiritual dryness in a season of loss and unwanted change. Tracing her travels throughout Israel Austin seamlessly weaves events and insights from the Word . . . and in doing so finds a renewed passion for prayer and encouragement for her spirit now full of life and hope.;  
['Religion'],

"The price;: A play; Victor a New York cop nearing retirement moves among furniture in the disused attic of a house marked for demolition. Cabinets desks a damaged harp an overstuffed armchair - the relics of a lost life of affluence he's finally come to sell. But when his brother Walter who he hasn't spoken to in years arrives the talk stops being just about whether Victor's been offered a fair price for the furniture and turns to the price that one and not the other of them paid when their father lost both his fortune and the will to go on ....; ['Drama'],

"Vinyl Leaves: Walt Disney World And America (Institutional Structures of Feeling); Walt Disney World is a pilgrimage site filled with utopian elements craft and whimsy. It's a pedestrian's world where the streets are clean the employees are friendly and the trains run on time. All of its elements are themed presented in a consistent architectural decorative horticultural musical even olfactory tone with rides shows restaurants scenery and costumed characters coordinated to tell a consistent set of stories. It is beguiling and exasperating a place of ambivalence and ambiguity. In Vinyl Leaves Professor Fjellman analyzes each ride and theater show of Walt Disney World and discusses the history political economy technical infrastructure and urban planning of the area as well as its relationship with Metropolitan Orlando and the state of Florida.Vinyl Leaves argues that Disney in pursuit of its own economic interests acts as the muse for the allied transnational corporations that sponsor it as well as for the world of late capitalism where the commodity form has colonized much of human life. With brilliant technological legerdemain Disney puts visitors into cinematically structured stories in which pieces of American and world culture become ideological tokens in arguments in favor of commodification and technocorporate control. Culture is construed as spirit colonialism and entrepreneurial violence as exotic zaniness and the Other as child.Exhaustion and cognitive overload lead visitors into the bliss of Commodity Zen—the characteristic state of postmodern life. While we were watching for Orwell Huxley rode into town bringing soma cable and charge cards—and wearing mouse ears. This book is the story of our commodity fairyland.; ['Social Science'], "

"After the Fire: A Novel; National Jewish Book Award Winner The New York Times bestselling author of A Fierce Radiance and City of Light returns with a powerful and passionate novel—inspired by historical events—about two women one European and one American and the mysterious choral masterpiece by Johann Sebastian Bach that changes both their lives. In the ruins of Germany in 1945 at the end of World War II American soldier Henry Sachs takes a souvenir an old music manuscript from a seemingly deserted mansion and mistakenly kills the girl who tries to stop him. In America in 2010 Henry's niece Susanna Kessler struggles to rebuild her life after she experiences a devastating act of violence on the streets of New York City. When Henry dies soon after she uncovers the long-hidden music manuscript. She becomes determined to discover what it is and to return it to its rightful owner a journey that will challenge her preconceptions about herself and her family's history—and also offer her an opportunity to finally make peace with the past. In Berlin Germany in 1783 amid the city's glittering salons where aristocrats and commoners Christians and Jews mingle freely despite simmering anti-Semitism Sara Itzig Levy a renowned musician conceals the manuscript of an anti-Jewish cantata by Johann Sebastian Bach an unsettling gift to her from Bach's son her teacher. This work and its disturbing message will haunt Sara and her family for generations to come. Interweaving the stories of Susanna

and Sara and their families And After the Fire traverses over two hundred years of history from the eighteenth century through the Holocaust and into today seamlessly melding past and present real and imagined. Lauren Belfer's deeply researched evocative and compelling narrative resonates with emotion and immediacy.; ['Fiction'], "

"P.I. on a Hot Tin Roof: A Talba Wallis Novel (Talba Wallis Novels); When PI Talba Wallis gets a frantic phone call from Orleans Parish Prison the last person she expects to hear from is her boss's lawyer daughter Angie. Popped for drug possession Angie insists the drugs were planted. She's a target for representing a neighborhood group protesting the illegal commercial use of a marina by its owner Judge Buddy Champagne. According to Angie the judge is dirty---and he's the one who had her set up. Talba and her boss Eddie are outraged---knowing Angie as they do they pull out all the stops for her. And when Talba goes undercover as a housekeeper for Judge Champagne she finds a household straight out of Cat on a Hot Tin Roof with the judge playing Big Daddy. The weak son and the hot daughter-in-law are in residence being ""between jobs." Big Mama's

absent though---she died some time ago and the judge is now adding his fiancée to the mix. That would be Miss Kristin LaGarde an impossibly lovely and possibly innocent young lady who seems hopelessly in love with the old coot. Talba dredges up lots of interesting material; such as that someone was accidentally electrocuted at the marina and that the judge is in bed with certain bail bondsmen. She finds evidence of bribes and kickbacks. He's dirty all right. When the story breaks and the scandal deepens Judge Champagne winds up dead. And to her surprise Talba is asked to investigate. Did politics kill the judge? Or was it his own family? At the publisher's request this title is being sold without Digital Rights Management software (DRM) applied.; ['Fiction'], "

"Description & Setting: Techniques and Exercises for Crafting a Believable World of People Places and Events (Write Great Fiction); Description is most powerful when it's visible aural tactile. Make your descriptions fresh and they'll move your story forward imbue your work with atmosphere create that tang of feeling that editors cry for and readers crave. Monica Wood helps you squeeze the greatest flavor from the language. She segments description like an orange separating its slices to let you sample each one. You'll learn about: Detail and how you can use description to awaken the reader's senses of touch taste hearing smell and sight Plot from advancing story using only relevant description--and how to edit out sluggish reader-stopping writing Style and the use of description to create a mood that matches your story's content Point of view how selecting omniscient first person or third person limited narrative influences the descriptive freedom you have Creating original word depictions of people animals places weather and movement Wood teaches by example developing stories with characters in various situations to show you how you can apply description techniques. You'll also see samples of work by such noted writers as Mark Helprin Anne Tyler and Raymond Carver. And you'll find the dos and don'ts lists and descriptive alternatives to common verbs and nouns and tips for editing your work.; ['Reference'], "

"Holding at Third: A Novel; If there's an even darker side to Hollywood than the one America is familiar with Bruce Wagner has found it. A twenty-first-century Nathanael West he has been hailed for his powerful prose his Swiftian satire and the scalpel-sharp wit that has in each of his novels dissected and sometimes disemboweled Hollywood excess. Now in his most ambitious book to date Still Holding the third in the Cellular Trilogy that began with I'm Losing You and I'll Let You Go Wagner immerses readers in post-September 11 Hollywood revealing as much rabid ambition rampant narcissism and unchecked mental illness as ever. It is a scabrous epiphanic sometimes horrifying portrait of an entangled community of legitimate stars delusional wanna-bes and psychosociopaths. Wagner infiltrates the gilded life of a superstar actor/sex symbol/practicing Buddhist the compromised world of a young actress whose big break comes when she's hired to play a corpse on Six Feet Under and the strange parallel universe of look-alikes -- an entire industry in

which struggling actors are hired out for parties and conventions to play their famous counterparts. Alternately hilarious and heartfelt ferocious and empathetic Still Holding is Bruce Wagner's most expertly calibrated work.; ['Fiction'], "

"Legacy of Love: A Plan for Parenting on Purpose; Kids are a lot like kites - struggling to become airborne yet needing the stability of the string. A kite is not designed to be possessively protected inside the home. Though separation is painful God designed your role as a parent to prepare your ""kite"" for flight. As the fragile frame dives again and again don't be emotionally torn by the changing winds. Keep running with your child releasing more and more string into the Lord's sovereign hands. June Hunt gives practical advice and Biblical wisdom on how to be a great parent. Did you know: God ordained roles for mothers and fathers The different parenting styles that lead to problems The proper balance between love and limits The process of ""letting go"" and allowing your child to soar The hope God has for hurting parents In most families the role of a father and the role of a mother are different. Your child may be looking to each parent for different needs and acknowledgements. Learn what they are and how you can be proactive in the role that the Lord has given to you. Your child is a gift from God. The most compelling behavior you can model before your child is to reflect the character of Christ. It's never too late to begin taking steps toward godly parenting. Rose Publishing Product Code: 222X June Hunt Hope For The Heart Series; ['Religion'], "

"Island of the Swans; Re-issued in its original full length this acclaimed and bestselling romantic historical novel by award-winning author Ciji Ware tells the true story of passionate and flamboyant Jane Maxwell the 4th Duchess of Gordon (1749-1812). In love since childhood with Thomas Fraser when she hears that he's been killed in America she marries the Duke of Gordon with disastrous results. But Fraser very much alive returns to England to claim her love. In addition to telling a heart-wrenching love story Island of the Swans also paints a fascinating portrait of a powerful and controversial woman and the tumultuous era in which she lived. Patroness of poet Robert Burns advisor to King George painted by Sir Joshua Reynolds Jane Maxwell was a towering figure in her own time and is an unforgettable heroine.; ['Fiction'], "

"Canoe Days; Opening this book is like sitting down in a canoe taking up a paddle and gliding out into the summer beauty of a hidden lake. In this picture book that is as refreshing and inviting as a perfect canoe day a fawn peeks out from the trees as ducklings fan out behind their mother. Butterflies pause and fish laze beneath the lily pads. Ruth Wright Paulsen's sunlit paintings and Gary Paulsen's poetic text capture all the peace and pleasure of a day when water and sky are one.; ['Juvenile Fiction'], "

"Rolling Stone Magazine Issue 734 May 1996 X-Files Cover; Astaire and Rogers Tracy and Hepburn. Just the mention of their names evokes the powerful chemistry between these screen couples which utterly transcended the often formulaic films in which they appeared together. Indeed watching the synergistic flow of energy between charismatic screen partners is one of the great pleasures of cinema and television as well as an important vehicle for thinking through issues of intimacy and gender relations. In this book Martha P. Nohimson engages in a groundbreaking study of screen couple chemistry. She begins by classifying various types of couples to define what sets the synergistic couple apart from other onscreen pairings. Then she moves into extended discussions of four enduring screen couples—Maureen O'Sullivan/Johnny Weissmuller Myrna Loy/William Powell Fred Astaire/Ginger Rogers and Katharine Hepburn/Spencer Tracy. Using theories of neuroscience she demonstrates that their onscreen chemistry is a very real phenomenon powerful enough to subvert conventional formulations of male/female relations. Material she has uncovered in the infamous Production Code Administration files illuminates the historical context of her contentions. Finally Nohimson traces the screen couple to its present-day incarnation in such pairs as Woody Allen/Diane Keaton Scully/Mulder of The X-Files and Cliff/Claire Huxtable of The Cosby Show.; ['Performing Arts'],"

"The Range; The #1 New York Times bestseller that has all America talking—with a new afterword on expanding your range—as seen on CNN's Fareed Zakaria GPS Morning Joe CBS This Morning and more. "The most important business—and parenting—book of the year." —Forbes "Urgent and important. . . an essential read for bosses parents coaches and anyone who cares about improving performance." —Daniel H. Pink Shortlisted for the Financial Times/McKinsey Business Book of the Year Award Plenty of experts argue that anyone who wants to develop a skill play an instrument or lead their field should start early focus intensely and rack up as many hours of deliberate practice as possible. If you dabble or delay you'll never catch up to the people who got a head start. But a closer look at research on the world's top performers from professional athletes to Nobel laureates shows that early specialization is the exception not the rule. David Epstein examined the world's most successful athletes artists musicians inventors forecasters and scientists. He discovered that in most fields—especially those that are complex and unpredictable—generalists not specialists are primed to excel. Generalists often find their path late and they juggle many interests rather than focusing on one. They're also more creative more agile and able to make connections their more specialized peers can't see. Provocative rigorous and engrossing Range makes a compelling case for actively cultivating inefficiency. Failing a test is the best way to learn. Frequent quitters end up with the most fulfilling careers. The most impactful inventors cross domains rather than deepening their knowledge in a single area. As experts silo themselves further while computers master more of the skills once reserved for highly focused humans people who think broadly and embrace diverse experiences and perspectives will increasingly thrive.; ['Psychology'], "

"Connecting with the New Healthcare Consumer: Defining Your Strategy; This book explores the impact of consumerism on all segments of the healthcare industry.; ['Health & Fitness'],"

"Era: The Dawn of a New Age; A galaxy at war. Lives in the balance...The Star League was formed by two races to promote peace in the galaxy and to give sentient races in the quadrant a place where their voice can be heard. When diplomacy fails however the Star League will take action to protect lives whenever necessary. The Brentax have been at war with the Star League for over 30 years but suddenly that war takes a horrific turn when the Brentax destroy an entire populated planet. In a surprise attack the people of Duterius are overwhelmed and outnumbered. As the attack is taking place a desperate plea for help is heard by the Star League. Enter Gamma Strike. An elite unit formed by the Star League to handle problems where diplomacy has failed and direct attack is not an option. The White Knight commanded by Captain K'Alan Bryce heads a mission to bring an end to this long war. Grieved by the loss of his home he must put aside the pain the war has caused him and try to make a difference in the outcome of the war. Join the crew of Gamma Strike as they try to save the Star League from becoming the next enslaved races of the Brentax Empire.; ['Fiction'],"

"The Exploits & Adventures of Miss Alethea Darcy: A Novel; There is no braver officer in Napoleon's cavalry than étienne Gerard - especially in his own opinion. Whether kidnapped by gangs of brigands or outnumbered by enemy troops the plucky little soldier is constantly gallant chivalrous and ready to face any danger even if he doesn't always think before he acts. With great gusto Gerard recounts the swashbuckling exploits and adventures of his glittering military career - carrying out secret missions for Napoleon eluding capture by the Duke of Wellington making a daring break from an English prison rescuing ladies in distress duelling to the death against the dastardly Baron Straubenthal and even saving the day at the Battle of Waterloo.; ['Fiction'],"

"Dark Odyssey (Aperture Magazine); ""Dark Odyssey"" Photographs and commentary by Philip Jones Griffiths Biographical profile by Murray Sayle Philip Jones Griffiths one of this century's master photographers is unparalleled at creating relentlessly perceptive images that encompass the beauty the atrocities the ceremonies the moments of brutality and compassion that coalesce as history. Griffith's eagerly anticipated retrospective ""Dark Odyssey"" traces his forty-year journey through this chaotic world from the wide horizon of his native Wales to the ravaged villages of war-torn Vietnam in more than one hundred astounding black-and-white photographs. In each of his pictures Griffiths creates a complex diagram of meaning and emotion. The collision of culture and ideology is often the basis of the work--sometimes in a simple pairing of figures sometimes in a dizzying throng of life: the arresting straightforward gazes of a Vietnamese child and her war-disfigured mother; the dazed face of a woman lost among the multitude of graves at a cemetery in Hiroshima; the wicked glee of a boy about to hurl a boulder into a grand piano outside under an ominously dark sky. Griffiths's photographs tackle love death frivolity politics violence . . . they comment--ironically and profoundly--on virtually every aspect of human life offering a gripping and unforgettable view of both the devastations

and the beauties of our era. With an in-depth critical profile by renowned ""New Yorker"" writer Murry Sayle--who has known Griffiths for more than thirty years--""Dark Odyssey"" also includes poignant narrative notes by the photographer himself. ""I have traveled to over one hundred and forty countries trying to makesense of it all"" Griffiths writes. ""I have discovered that almost every belief we hold collapses under scrutiny--the 'truth' is often simply a tool that serves someone else's purpose."" This skepticism and this sense of awe are palpable in every one of Griffiths's masterful photographs. Born in Rhuddlan Wales in 1936 Philip Jones Griffiths began his career as a pharmacist but turned to photography in the early 1960s. As a free-lance photojournalist he covered the wars in Algeria and Vietnam (his book ""Vietnam Inc."" was published in 1971) and in the 1970s worked in Cambodia and Thailand. Griffiths moved to New York City in 1980 to assume the post of president at the Magnum Photo agency--a position he held for a record five years. His photographs have appeared in every major magazine in the world including ""Life"" ""Time"" ""Newsweek"" and ""Geo.""" Griffiths has also made several documentary films on subjects ranging from the Ho Chi Minh Trail to the descendants of the HMS Bounty living on Pitcairn Island. ""A Welsh Eye"" a film about the photographer was shown in Britain in 1991. Murray Sayle has written for ""Encounter"" ""Harper's"" ""Life"" ""The New Republic"" ""The New Statesman"" ""The Spectator"" ""The New Yorker"" ""The New York Times Review of Books"" ""The New York Review of Books"" and many other publications.; ['Art'], "

"Critical Intellectuals on Writing; A fascinating look at how some of the world's most eminent scholars conceive of their own relationship with writing and with the work of being a critical intellectual. Writing is central to the work of all intellectuals yet any given scholar's relationship to writing is a uniquely personal one. Gary A. Olson and Lynn Worsham bring together some of the world's leading scholars from a variety of disciplines to examine how they conceive of their own relationship to writing and to the work of being a critical intellectual. Using excerpts from interviews originally published in JAC each scholar's thoughts are revealed about writing habits how writing relates to intellectual work and the politics of intellectual work. Included are excerpts of interviews with the following: Gloria Anzaldúa Mary Field Belenky Homi Bhabha Judith Butler Noam Chomsky Donald Davidson Jacques Derrida Michael Eric Dyson Stanley Fish Paulo Freire Clifford Geertz Henry Giroux Stuart Hall Donna Haraway Sandra Harding bell hooks Luce Irigaray Ernesto Laclau Jean-François Lyotard J. Hillis Miller Chantal Mouffe Avital Ronell Richard Rorty Gayatri Chakravorty Spivak Jane Tompkins Stephen Toulmin and Slavoj Žižek. Gary A. Olson is Interim Vice President for Academic Affairs at the University of South Florida at St. Petersburg. Lynn Worsham is Professor of English at the University of South Florida. Olson is most recently the author of *Justifying Belief: Stanley Fish and the Work of Rhetoric* published by SUNY Press and Worsham is most recently the coeditor (with Sidney I. Dobrin and Gary A. Olson) of *The Kinneavy Papers: Theory and the Study of Discourse* also published by SUNY Press.; ['Social Science'], "

"The CAM & Nursing Coding Manual (Cam and Nursing Coding Manual); The Collaborative Assessment and Management of Suicidality (CAMS) approach has garnered a strong evidence base and has been implemented by thousands of therapists from a range of orientations in diverse clinical settings. This extensively revised manual provides a proven therapeutic framework for evaluating suicidal risk and developing and implementing a suicide-specific treatment plan that is respectful empathic and empowering. In addition to their clinical utility the procedures used for assessment treatment and progress monitoring within CAMS can help reduce the risk of malpractice liability. In a large-size format for easy photocopying the book includes all needed reproducible tools for implementing CAMS including the Suicide Status Form-4. Purchasers also get access to a Web page where they can download and print the reproducible materials. For CAMS training opportunities with David A. Jobes visit <http://cams-care.com>. New to This Edition \*Incorporates a decade's worth of extensive clinical research. \*Fully revised with a greater focus on CAMS as a framework for clinical intervention--not just assessment. \*In-depth case example followed throughout the book. \*Describes innovations to the

approach such as how to target and treat patient-defined ""suicidal drivers.""; \*Additional reproducibles (CAMS Therapeutic Worksheet and CAMS Rating Scale) plus a new version of the Suicide Status Form.; ['Psychology'],"

"Material Witness; The evidential role of matter—when media records trace evidence of violence—explored through a series of cases drawn from Kosovo Japan Vietnam and elsewhere. In this book Susan Schuppli introduces a new operative concept: material witness an exploration of the evidential role of matter as both registering external events and exposing the practices and procedures that enable matter to bear witness. Organized in the format of a trial Material Witness moves through a series of cases that provide insight into the ways in which materials become contested agents of dispute around which stake holders gather. These cases include an extraordinary videotape documenting the massacre at Izbica Kosovo used as war crimes evidence against Slobodan Milošević; the telephonic transmission of an iconic photograph of a South Vietnamese girl fleeing an accidental napalm attack; radioactive contamination discovered in Canada's coastal waters five years after the accident at Fukushima Daiichi; and the ecological media or "disaster film" produced by the Deep Water Horizon oil spill in the Gulf of Mexico. Each highlights the degree to which a rearrangement of matter exposes the contingency of witnessing raising questions about what can be known in relationship to that which is seen or sensed about who or what is able to bestow meaning onto things and about whose stories will be heeded or dismissed. An artist-researcher Schuppli offers an analysis that merges her creative sensibility with a forensic imagination rich in technical detail. Her goal is to relink the material world and its affordances with the aesthetic the juridical and the political.; ['Photography'],"

"The Science of Desire: The Search for the Gay Gene and the Biology of Behavior; A compelling behind-the-scenes look at cutting-edge scientific inquiry as well as a brilliant examination of the ramifications of genetic research The Science of Desire is a lasting resource in the increasingly significant debate over the role that genetics plays in our lives. In July 1993 a scientific event made front-page news: the discovery that genetics plays a significant role in determining homosexuality. In The Science of Desire Dean Hamer—the scientist behind the groundbreaking study—tells the inside story of how the discovery was made and what it means not only for our understanding of sexuality but for human behavior in general. In this accessible and remarkably clear book Dean Hamer expands on the account of his history-making research to explore the scientific social and ethical issues raised by his findings.

Dr. Hamer addresses such tough questions as whether it would be possible or ethical to test in utero for the gay gene; whether genetic manipulation could or should be used to alter a person's sexuality; and how a gay gene could have survived evolution. A compelling behind-the-scenes look at cutting-edge scientific inquiry as well as a brilliant examination of the ramifications of genetic research The Science of Desire is a lasting resource in the increasingly significant debate over the role that genetics plays in our lives.; ['Science'], "

"Focus on Grammar: A Basic Course for Reference and Practice (Complete Student Book); Reviews and expands students' knowledge of English grammar through listening speaking reading and writing activities.; ['Foreign Language Study'], "

"Flaubert and Madame Bovary;: A double portrait; Francis Steegmuller's beautifully executed double portrait of Madame Bovary and her maker is a remarkable and unusual biographical study a sensitive and detailed account of how an unpromising young man turns himself into one of the world's greatest novelists. Steegmuller starts with the young Flaubert prone to mysterious fits hypochondriacal at odds with and yet dependent on his bourgeois family. Then drawing on Flaubert's voluminous

correspondence Steegmuller tracks his subject through friendships and love affairs a trip to the Orient nervous breakdown and tenuous recovery and finally into the study where a mind at once restless and jaded finds a focus in the precisely detailed reality of an imagined woman utterly ordinary in her unhappiness whose story was to revolutionize literature.; ['Biography & Autobiography'], "

"Writing Information Security Policies; Administrators more technically savvy than their managers have started to secure the networks in a way they see as appropriate. When management catches up to the notion that security is important system administrators have already altered the goals and business practices. Although they may be grateful to these people for keeping the network secure their efforts do not account for all assets and business requirements Finally someone decides it is time to write a security policy. Management is told of the necessity of the policy document and they support its development. A manager or administrator is assigned to the task and told to come up with something and fast! Once security policies are written they must be treated as living documents. As technology and business requirements change the policy must be updated to reflect the new environment--at least one review per year. Additionally policies must include provisions for security awareness and enforcement while not impeding corporate goals. This book serves as a guide to writing and maintaining these all-important security policies.; ['Computers'], "

Following the journey of a

gentle (and mad) knight this study guide provides summaries and commentaries for each chapter within this popular—and long—novel. Other features that help you figure out this important work include Biographical sketch and background of the author Cervantes Essays that explore the author's technique style and characterization Explanation and examples of the novel's themes of quixotism truth and justice and reality and fantasy Suggested discussion questions Bibliography and list of other works by Cervantes Classic literature or modern-day treasure—you'll understand it all with expert information and insight from CliffsNotes study guides.; ['Literary Criticism'], "

"Dead Men Don't Ski; In this first title in her ""Inspector Tibbett"" series Patricia Moyes introduces Henry Tibbett and his wife Emmy whose skiing vacation in the Italian Dolomites is interrupted by a spot of murder. A pleasantly old-fashioned whodunnit.; ['Fiction'], "

"Sisters (Mini Square Books); 'Bunner Sisters' explores the lives of the impoverished class in 1870s New York. Sisters Ann Eliza and Evelina run a small shop out of a shabby basement on a side street. Despite their misfortunes they are happy in their small supportive community of women. This bubble will soon be burst however as Ann Eliza and Evelina are faced with the harsh realities of the world that exists outside of their shop.

A considerate exploration of American society class and sibling relationships Edith Wharton's novel is unmissable if you enjoyed Louisa May Alcott's 'Little Women'. Edith Wharton (1863-1937) was an American author. Best known for her sharp scathing and fierce stories about the upper-class society into which she was born and its treatment of women she wrote more than 40 books. Her major works include ""The Age of Innocence"" (1920) ""Ethan Frome"" (1911) and ""The House of Mirth"" (1905). Beyond novels she wrote authoritative works on architecture gardens interior design and travel. She was the first female author to win the Pulitzer Prize and her work is unmissable for all fans of classic authors from Joseph Conrad to Virginia Woolf.; ['Fiction'], "

"Teach Yourself Romanian (Teach Yourself Tape); The Danube is Europe's Amazon. It flows through more countries than any other river on Earth – from the Black Forest in Germany to Europe's farthest fringes where it joins the Black Sea in Romania. Andrew Eames' journey along its length brings us face to face with the Continent's bloodiest history and its most pressing issues of race and identity. As he travels – by bicycle horse boat and on foot – Eames finds himself seeking a bed for the night with minor royalty hitching a ride on a Serbian barge captained by a man called Attila and getting up close and personal with a bull in rural Romania. He meets would-be kings and walks with gypsies and finally rows his way beyond the borders of Europe entirely...; ['Travel'], "

"Light of the Oracle; Bryn is the daughter of a humble stone-cutter. So no one is more surprised than she when the Master Priest seeks her out to become a student at the famous Temple of the Oracle; a training school for future priests and priestesses. But her innately gifted nature proves a threat to the evil embedded within the Temple and Bryn encounters unimaginable danger. Is she able to struggle with the unknown and to save the whole world from untold misery? Or will the powers of darkness succeed?; ['Young Adult Fiction'], "

"The Great Hydration; Karl Krabbe and Boris Bouche partners explorers interstellar chancers don't care much for the law. They don't care much for anything – except profit. Their staff bondman nuclear engineer Roncie Northrop doesn't care much about anything either except that he's already

tried to abscond from the control of the rapacious and illegally operating pair once. When K&B's exploration ship comes upon the small planet Tenacity they see a good business opportunity. Tenacity is waterless a desert planet. But it had water once and they realize that with some adroit but spectacular geological engineering it can be given its oceans back. That suits the dominant lobster-like Tlixix fine. They are tired of living like aliens in their domed refuges. Of course the numerous intelligent species which have evolved since the great dehydration will perish but so what? As for Roncie whose part in the project is crucial he doesn't like it much but what can he do? He's only a bondman. Krabbe and Bouche strike a deal and business is business...; ['Fiction'], "

"Shem Creek: A Lowcountry Tale (Lowcountry Tales (Brilliance Audio)); "The strong pull of friendship the leisurely pace of a tiny waterfront Southern town and the steady buildup of romance help buoy Frank's well-drawn memorable characters" (Publishers Weekly) in this New York Times bestseller. Meet Linda Breland single parent of two teenage daughters—one of whom is headed off to college. Between that and the married men the cold New Jersey winters her pinched wallet and her ex-husband who married a beautiful successful woman ten years younger than she is—let's just say Linda has seen enough to fill a thousand pages. Now she's bound for Mount Pleasant South Carolina the magical landscape of her ancestors. Welcomed by the help of her advice-dispensing sister and an intriguing ex-investment banker turned restaurant owner Linda slowly begins to find her way and realize that she too is entitled to a second chance....; ['Fiction'], "

"River Rats; "Calling to mind such widely disparate writers as Mark Twain Andre Norton and Peter Dickinson Stevermer paints a realistic ruin of society." -Publishers Weekly The award-winning author of the Scholarly Magic series delivers the thrilling adventure of a crew of young kids working their way through a post-apocalyptic world on a steamboat they call home . . . No one knows for sure what caused the Flash. They just know that nothing has been the same since. Cities have been destroyed by pestilence riots and fires. The paddleboat River Rat once a museum was turned into an orphanage. But a dangerous storm forced the children to flee with the boat to safer waters making it theirs for good. Since then Tomcat Toby Esteban Lindy Spike and Jake have traveled bartered and performed their way up and down the Mississippi River. One rule that has served them well: no passengers. But after watching a man on shore being pursued by a vicious pack of locals the group has no choice but to save him. At every stop the boat is met by the man's tireless hunters. They want what the fugitive knows: the location of a bunker filled with guns. A currency more valuable than gold . . . and one that the crew of the River Rat might well pay for—with their lives. "An unusual compelling futuristic novel . . . wry sharp lively and perceptive." -The Horn Book (starred review) "Too good to miss." -Booklist An ALA Best Book for Young Adults A New York Public Library Book for the Teen Age; ['Young Adult Fiction'], "

"I'd Choose You; Have you ever been the last one picked for a team? Everyone knows what it's like to have a bad day. And when Norbert comes home from school he has had a really bad day. As he and his mother talk through the day's mishaps she gently imparts The Blessing on him through spoken word meaningful touch attachment of high value portraying a special future and genuine commitment. By the end of the book Norbert knows he is loved and that even if he wasn't the first pick for the team he will always be chosen by his parents . . . and by God.; ['Juvenile Fiction'],"

"Caveat Emptor; The astonishing true story of America's most accomplished art forger: a kid from New Jersey who became a master fooling experts and eluding the FBI for thirty years. Ten years ago an FBI investigation in conjunction with the U.S. Attorney's Office in the Southern District of New York was about to expose a scandal in the art world that would have been front-page news in New York and London. After a trail of fake paintings of astonishing quality led federal agents to art dealers renowned experts and the major auction houses the investigation inexplicably ended despite an abundance of evidence collected. The case was closed and the FBI file was marked "exempt from public disclosure." Now that the statute of limitations on these crimes has expired and the case appears hermetically sealed shut by the FBI this book Caveat Emptor is Ken Perenyi's confession. It is the story in detail of how he pulled it all off. Glamorous stories of art-world scandal have always captured the public imagination. However not since Clifford Irving's 1969 bestselling *Fake* has there been a story at all like this one. Caveat Emptor is unique in that it is the first and only book by and about America's first and only great art forger. And unlike other forgers Perenyi produced no paper trail no fake provenance whatsoever; he let the paintings speak for themselves. And that they did routinely mesmerizing the experts in mere seconds. In the tradition of Frank Abagnale's *Catch Me If You Can* and certain to be a bombshell for the major international auction houses and galleries here is the story of America's greatest art forger.; ['Biography & Autobiography'],"

"Homewrecker: An Adultery Reader; Broken hearts scattered dreams postpunk politics and postmodern cut-up collages spiral and flow in award-winning poet Daphne Gottlieb's latest collection of startling new works that explore survival after personal or communal disasters and the renewal that follows. Whether she's writing about unanticipated outcomes ("After the Midway Ride Collapsed") her mother's passing ("Somewhere Over") or absurd situations ("Preoccupation") Gottlieb's deeply personal insights into the complex areas where life and contemporary culture collide offer readers a unique thought-provoking perspective. ""I Have Always Confused Desire with Apocalypse"" We met over a small earthquake. Now my knees shake whenever you come around and I've noticed your hand has a slight tremor. Daphne Gottlieb is the award-winning author of seven books including the critically acclaimed poetry collection *Final Girl* (Soft Skull Press) and the graphic novel *Jokes and the Unconscious* (Cleis Press) illustrated by Diane DiMassa. Gottlieb has performed and taught creative writing workshops throughout the United States. She received her MFA from Mills College and currently resides in San Francisco.; ['Poetry'],"

"The God I don't believe in (A Priority edition); Fr. Arias was the founder of a movement to promote dialogue with those outside the Church. In this book he enters into a communion of thought with people who do not share his faith. He seeks to show that the ""magically remote"" God rejected by the unbeliever bears no relation to the One whom Christians worship.; ['Christianity'],"

"The complete works of Marcel Duchamp; ""To be a painter for the sake of being a painter was never the ultimate aim of my life. That's why I tried to go into different forms of activity -- purely optical things and kineticism"". When Gabrielle Buffet discovered Duchamp's Rotorelief she emphasized this point further: ""Duchamp's aim was to primarily to modify all plastic matter to reject once and for all from his working arsenal all the traditional tools and equipment (tubes of paint canvas and brushes); to obtain the effect by mechanical means instead of through the expression of personal dynamism inherent in a particular individuality; to substitute technical value for expressive value"".; ['Art'],"

"AudelCarpenter's and Builder's Tools Steel Square & Joinery (Audel Technical Trades Series); Fully updated; the first in a four-volume set of indispensable builders' guides Builders remodelers and do-it-yourselfers will love these revised clearly organized guides. This one walks the reader through choosing using and maintaining appropriate hand and power tools for various jobs then explains appropriate methods of wood joinery for different building and finishing applications. Includes an updated reference appendix.; ['Technology & Engineering'],"

"Great Tours!: Thematic Tours and Guide Training for Historic Sites (American Association for State and Local History); Creating tours that are interesting and educational for visitors (and guides!) is a challenge every historic site faces. You will be able to move your tours to a fresh new level that is engaging and educational for visitors of all ages and abilities. Readings and workshop activities frame the process throughout and allow you to develop what is most appropriate for your site while working to strike a realistic balance between ideals and every day reality. Great Tours! offers a unique combination of theoretical guidance and practical activities supplemented by reproducible forms and a bibliography and index that make it an invaluable resource for anyone involved with planning tours and training guides. Published in cooperation with the National Trust for Historic Preservation. Visit their web page.; ['Business & Economics'],"

"A Time for India; Over the last 25 years India's explosive economic growth has vaulted it into the ranks of the world's emerging major powers. Long plagued by endemic poverty until the 1990s the Indian economy was also hamstrung by a burdensome regulatory regime that limited its ability to compete on a global scale. Since then however the Indian government has gradually opened up the economy and the results have been stunning. India's middle class has grown by leaps and bounds and the country's sheer scale--its huge population and \$2 trillion economy--means its actions will have a major global impact. From world trade to climate change to democratization India now matters. While it is clearly on the path to becoming a great power India has not abandoned all of its past policies: its economy remains relatively protectionist and it still struggles with the legacy of its longstanding foreign policy doctrine of non-alignment. India's vibrant democracy encompasses a vast array of

parties who champion dizzyingly disparate policies. And India isn't easily swayed by foreign influence; the country carefully guards its autonomy in part because of its colonial past. For all of these reasons India tends to move cautiously and deliberately in the international sphere. In Our Time Has Come Alyssa Ayres looks at how the tension between India's inward-focused past and its ongoing integration into the global economy will shape its trajectory. Today Indian leaders increasingly want to see their country feature in the ranks of the world's great powers-in fact as a ""leading power"" to use the words of Prime Minister Narendra Modi. Ayres considers the role India is likely to play as its prominence grows taking stock of the implications and opportunities for the US and other nations as the world's largest democracy defines its place in the world. As she shows India breaks the mold of the typical ""ally"" and its vastness history and diversity render it incomparable to any other major democratic power. By focusing on how India's unique perspective shapes its approach to global affairs Our Time Has Come will help the world make sense of India's rise.;

"The Right Relationship Can Happen: How to Create Relationship Success; Relationship expert Nancy Pina reveals how to attract the right relationship partner in this comprehensive book. With over 17 years as a matchmaker she has drawn on her vast experience to show how to free yourself from the barriers that prevent fulfilling relationships from manifesting in your life.; ['Family & Relationships'],

"Transcendence and Divine Passion: The Queen Mother of the West in Medieval China; Drawing on medieval Chinese poetry fiction and religious scriptures this book illuminates the greatest goddess of Taoism and her place in Chinese society.; ['Religion'],

"Viking Pride ('viking Saga 1); While reluctantly attending a Vikings football game with his father fourteen-year-old Zack Gilman finds himself transported to ninth-century Scandinavia amongst Vikings that look like people he knows and who see him as the fulfillment of a prophecy that will help them solve the riddle of Yggdrasil's chest.; ['Juvenile Fiction'],

"Transvestites & transsexuals: Mixed views; Transvestites are women and men who feel reluctant and even refuse to dress in the clothing of their own sex. For them the inherent drive to cross-dress is often more powerful than sexual drive itself. This phenomenon has often been confronted with both ignorance and prejudice. Transvestites have been subjected not only to discrimination but also to criminal prosecution for following what for them was an inborn inclination. Dr. Hirschfeld created this book to establish a body of knowledge about an often misunderstood topic and to strip away long held prejudices. This classic gender study first published in Germany in 1910 and newly translated explores all aspects of transvestism: social physical and emotional. Transvestism is a firmly rooted psychological phenomenon and cultural tradition in spite of religious legal and social sanctions. Written 80 years ago this book was and still is the most comprehensive treatise on the subject of transvestism illustrating that while styles have changed the enthusiasm of devotees has not. Part I introduces transvestites with sympathetic often amusing case histories defines symptoms and explains their basic erotic character. Part II explores the forceful drive to cross-dress and examines clothing as a form of expression of personality. Part III addresses the historical legal anthropological and social aspects of transvestism and includes fascinating chapters on transvestism as it

relates to the Bible law and criminality and women in the military. This book conclusively demonstrates that transvestism is a natural extension of the infinite variations of human personality.; ['Social Science'], "Interactions: A thematic reader; INTERACTIONS: A THEMATIC READER is designed to help students discover meaning in what they read and to convey meaning in what they write. The text's readings and accompanying apparatus—which have been class tested and proven effective through eight previous editions—guide students from a consideration of self to an awareness of how the self interacts with other people and phenomena. The book provides effective models of reading and styles of writing while explaining to students the process and interdependence of reading and writing stressing the connections students can make between their own experiences and what they read. It also introduces them to prewriting techniques such as freewriting brainstorming mapping clustering and journals. Reading selections are organized into thematic units that guide students from a reflection on identity through the consideration of self to an examination of close human relationships and finally to more abstract topics such as work and society. The selections represent a wide range of voices topics and sources including a balance of male and female authors and significant contributions by culturally diverse writers. This diversity creates a stimulating context for reading and writing and also helps students find their own voice by providing them with new perspectives. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.; ['Language Arts & Disciplines'], "

"Cinnabar: The One O'Clock Fox; Based on an legend about fox hunting in the area around Mount Vernon this classic tale pits a very wily fox against George Washington himself. "Object of His Affection; To see our sins wounds idols and failures apart from God's is simply too much. We will either minimize our condition thus marginalizing our need of grace or we will run away in hopeless despair to the arms of a lesser love or to the worship of lesser gods. But . . . God pursues us in our restlessness. receives us in our sinfulness. holds us in our brokenness and frees us from our lovelessness. -- Scotty Smith excerpt from Objects of His Affection; ['Religion'], "

"Race: The Reality of Human Differences; The conventional wisdom in contemporary social science claims that human races are not biologically valid categories. Many argue the very words 'race' and 'racial differences' should be abolished because they support racism. In Race Vincent Sarich and Frank Miele challenge both these tenets. First they cite the historical record the art and literature of other civilizations and cultures morphological studies cognitive psychology and the latest research in medical genetics forensics and the human genome to

demonstrate that racial differences are not trivial but very real. They conclude with the paradox that while scientific honesty requires forthright recognition of racial differences public policy should not recognize racial-group membership. The evidence and issues raised in this book will be of critical interest to students of race in behavioral and political science medicine and law.; ['Social Science'], "

"Declarations of Freedom and Human Dignity; Pope Paul VI characterized the Second Vatican Council's Declaration on Religious Freedom -- *Dignitatis Humanae* -- as one of the greatest documents of Vatican II. It is also perhaps the most intensely debated document of the Council; both the drafting of the Declaration of Religious Freedom and its reception have been marked by deep disagreements about what this teaching means for the Church. In this book David Schindler and Nicholas Healy promote a deeper understanding of this important document. In addition to presenting a new translation of the approved text of the Declaration of Religious Freedom Truth and Human Dignity makes available for the first time in English the five drafts of the document that were presented to the Council bishops leading up to the final version. The book also includes an original interpretive essay on *Dignitatis Humanae* by Schindler and an essay on the genesis and redaction history of the text by Healy.;

"Meaning in Language: An Introduction to Semantics and Pragmatics (Oxford Textbooks in Linguistics); This book provides a comprehensive introduction to the ways in which meaning is conveyed in language. It covers topics normally considered to fall under pragmatics as well as semantic matters. The author seeks above all to display and to explain the richness and subtlety of meaning and to that end provides abundant exemplification throughout the text. Numerous exercises (and suggested answers) are provided at every stage. The book is not bound to any particular theory but provides explanations of theoretical approaches and perspectives as the context requires. The author stresses the need for conceptual clarity in all analyses of meaning. Meaning in Language is readable and vigorous written with style and wit. It will be widely welcomed by students in linguistics philosophy and literature.;

"White Women Writing White: H.D. Elizabeth Bishop Sylvia Plath and Whiteness (Contributions in Women's Studies); Over the years Sylvia Plath has come to inhabit a contested area of cultural production with other ambiguous authors between the highbrow the middlebrow and the popular. Claiming Sylvia Plath is a critical and comprehensive reception study of what has been written about Plath from 1960 to 2010. Academic and popular interest in her seems incessant verging on a public obsession. The story of Sylvia Plath is not only the story of a writer and her texts but also of the readers who have tried to make sense of her life and work. A religious tone and a rhetoric of accountability dominate among the devoted. Questing for the real or true Sylvia they share a sense of possessiveness towards outsiders or those who deviate from what they see as a correct approach to the poet. In order to offer a new and more nuanced perspective on Plath's public image the reception has been

organized into interpretive communities composed of critics feminists biographers psychologists and friends. Pertinent questions are raised about how the poet functions as an exemplary figure and how - and by whom - she is used to further theories politics careers and a number of other causes. Ethical issues and rhetorical strategies consequently loom high in *Claiming Sylvia Plath*. The book may be employed both as a guide to the massive body of Plath literature and as a history of a changing critical doxa. Why Sylvia Plath has been serviceable to so many and open to colonization is another way of asking why she keeps on fascinating all kinds of readers worldwide. *Claiming Sylvia Plath* suggests a host of possible answers. It includes an extensive Plath bibliography.;

"Living and Dying in Nursing Home; Living and Dying at Murray Manor is a classic text that documents how the ""work"" of everyday life in a nursing home is accomplished. Jaber F. Gubrium spent several months at a nursing home as a participant-observer involved in activities ranging from performing menial ""toileting"" work to serving as a gerontologist at staff meetings. The result is not a survey of statistics about nursing homes but an examination of the social organization of care in a single home the author calls Murray Manor. Gubrium's research reveals how staff clientele relatives visiting physicians and funeral directors negotiated their respective roles needs and goals- and how in the end Murray Manor emerged as an organized social entity.; ['Social Science'], "

"The Complete Peanuts 1959- 1960 (The Complete Peanuts: The Fifties); Peanuts is the most popular comic strip in the history of the world. Its characters - Charlie Brown Snoopy Lucy Linus Schroeder and so many more - have become dearly loved icons for generation after generation. Now Charles Schulz's classic Peanuts will be reprinted in its entirety for the first time. In these beautifully produced editions the strip will be presented in full in chronological order. They will be the ultimate books for Peanuts' fans the world over. These first volumes will be of particular fascination to Peanuts aficionados. Many of the strips from the series' first two or three years have never been collected before in large part because they showed a young Schulz working out the kinks in his new strip. They include some characterizations and designs that are quite different from the cast we all know including Snoopy's debut as a puppy!; ['Comics & Graphic Novels'], "

"CARAVANS; Two Caravans is the hilarious and engaging second novel from bestselling author Marina Lewycka. A field of strawberries in Kent... And sitting in it are two caravans - one for the men and one for the women. The residents are from all over: miner's son Andriy is from the old Ukraine while sexy young Irina is from the new: they each other warily. There are the Poles Tomasz and Yola; two Chinese girls; and Emauel from Malawi. They're all here to pick strawberries in England's green and pleasant land. But these days England's not so pleasant for immigrants. Not with Russian gangster-wannabes like Vulk who's taken a shine to Irina and thinks kidnapping is a wooing strategy. And so Andriy - who really doesn't fancy Irina honest - must set off in search of that girl he's not in love with. 'Immensely appealing. All but sings with zest for

life...could hardly be more engaging shrewd and winningly perceptive' Sunday Times 'Extremely funny closely observed insights scenes of farce tragedy and horror' The Times Literary Supplement 'Hilarious and horrifying Two Caravans is funny clever and well observed' Guardian Bestselling author Marina Lewkyca has received great critical acclaim since the publication of her hilarious first novel A Short History of Tractors in Ukrainian in 2005 which was the winner of the Bollinger Everyman Prize for Comic Fiction 2005 winner of the Saga Award for Wit 2005 shortlisted for the Orange Prize for Fiction 2005 and longlisted for the Booker prize 2005. Her other humorous novels We Are All Made of Glue and Various Pets Alive and Dead are also available from Penguin. Two Caravans is published as Strawberry Fields in the USA and Canada.;  
['Fiction'],

"Family Feeling; Jean Ross Justice's Family Feeling a novella and collection of stories is a moving portrait of American domestic life of the last half-century. Often spanning generations the stories are defined by subtle shifts in both family relationships and the ways in which we reconfigure them in memory and mind. Many of the stories revolve around end-of-life scenes. An elderly man is visited by his middle-aged son's young second wife and child whom the son has temporarily abandoned in order to tend to his dying ex-wife. A recently widowed woman faces a complicated relationship with a troubled home health-care worker who had been uncommonly kind to her dying husband. Four middle-aged siblings reconvene in their childhood home to attend to the death of their father and find themselves simultaneously children of and parents to their own parents. The unobtrusive historical breadth of the stories is remarkable. Reflecting back to Depression-era southern America from the perspective of the early twenty-first century the characters provide us with an intimate view of the changing cultural landscape of our country. Issues of class are not merely ideological here—they are fluid and intricate aspects of fate and of soul. Justice's prose is characterized by quiet humor and attention to gesture. The deeply self-reflective and self-contained narrators offer us a window into issues of aging and mortality that is real and rare. In the manner of Alice Munro or William Trevor Jean Ross Justice's thought-driven fiction centers on pivotal moments of action or conversation that haunt—or reverberate—for decades.;

"Who Is My Enemy?; Current discussion of Islam in America tends toward two polar extremes. On one hand is the notion that Christianity is superior to Islam and that Muslims are warmongers. On the other is the notion that all religions basically say the same thing and are peaceable. Theologian and critically acclaimed author Lee Camp argues that both these extremes are wrong. He introduces Christian and Islamic views on war and peacemaking and examines Christian and non-Christian terrorism to help readers confront their own prejudices. Camp shatters misconceptions about religious violence arguing that American Christians often opt for an ethic that has more in common with the story of Muhammad than with the story of Jesus. This book shows readers how to respond faithfully and intelligently to Muslims in today's world as well as to the New Atheists who suppose that all religion is inherently violent. It provides balanced teaching on war and peacemaking offering hope for reconciliation in a post-9/11 world.; ['Religion'], "

"The Thin Man; Nick Charles searches for a wealthy inventor who is the prime suspect in a New York City murder case; ['FICTION'],"

"Paradoja y Contraparadoja (Spanish Edition); Esta obra es el fruto de la investigación realizada por el Centro para el Estudio de la Familia (Milán) encabezado por Mara Selvini Palazzoli con un grupo de familias de transacción esquizofrénica a fin de demostrar la validez de la hipótesis planteada por los modelos cibernetico y pragmático de la comunicación humana: la familia es un sistema autocorrectivo autogobernado por reglas que se constituyen en el tiempo mediante ensayos y errores. La hipótesis mencionada implica en los terapeutas un cambio epistemológico que consistiría en el abandono de la visión mecanicista-casual de los fenómenos que ha dominado la ciencia hasta hace poco para adquirir una visión sistémica. El terapeuta debe ser capaz de considerar a los miembros de la familia como elementos de un circuito de interacción y sin poder unidireccional alguno sobre el conjunto es decir que cada miembro del grupo familiar actúa sobre el sistema pero a su vez es influido por las comunicaciones que provienen de él. Las familias con transacción esquizofrénica sostienen su propio juego a través de marañas de paradojas terapéuticas ad hoc. Si se reflexiona acerca de que en un círculo sistémico cada elemento está inserto e interacciona con su totalidad las dicotomías orgánico-psíquico o consciente-inconsciente pierden su significado.; ['Psychology'],"

"Buying and Selling A Business : A Step-by-Step Guide; A twenty-first-century update to the modern business classic . . . For more than fifteen years this handy guide has provided entrepreneurs and small business owners with a simple step-by-step plan for buying or selling a business-without their own special team of lawyers and accountants. "Webster's Third New International Dictionary Unabridged (CD-ROM 3.0 version); THE WRITER'S HARBRACE HANDBOOK 6th Edition is grounded in the belief that an understanding of the rhetorical situation--the writer reader message context and opportunity for writing--provides the best starting point for effective writing and reading. This comprehensive handbook guides student writers in employing that rhetorical understanding as they choose the most effective information to include the best arrangement of that information and the most appropriate language to use. The text moves students through the steps that constitute successful writing from finding appropriate topics and writing clear thesis statements to arranging ideas and developing initial drafts. THE WRITER'S HARBRACE HANDBOOK also provides several sample student papers in various disciplines along with instruction for successfully completing similar assignments. This edition has been updated to address the criteria in the WPA Outcomes Statement for First-Year Composition (version 3.0). Each student text is packaged with a free Cengage Essential Reference Card to the MLA HANDBOOK Eighth Edition. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.; ['Education'],,"

"Piloting At Night; An emotionally charged debut novel of a family on the brink--an autistic child his determined mother and her distant father-- who learn that when your world changes you find out who you really are. . . While she was growing up Piper's father Lance ""the Silver Eagle"" Whitman became a national hero piloting a plane through an emergency landing. But at home he was a controlling and overbearing presence in her life raining emotional and verbal abuse upon the entire family. It's no surprise then that as an adult Piper has poured all of her energy into creating a warm and loving home for her own family while catering to her son Fred's ever-growing idiosyncrasies. Then Lance has a heart attack leaving him with a brain injury--and dependent upon Piper for his care--

just before tests confirm Piper's suspicions that Fred is on the autism spectrum. A powerful and extraordinary novel Flying at Night gives voice to Fred trying to find his place in a world that doesn't quite understand him; to Lance who's lost what made him the man he was for better and worse; and to Piper who while desperately trying to navigate the shifting landscape around her watches as her son and father start to connect--in the most miraculous ways. . . .; ['Fiction'],"

"Powershift: Knowledge Wealth and Violence at the Edge of the 21st Century; Alvin Toffler's Future Shock and The Third Wave are among the most influential books of our time. Now in Powershift he brings to a climax the ideas set forth in his previous works to offer a stunning vision of the future that will change your life. In Powershift Toffler argues that while headlines focus on shifts of power at the global level equally significant shifts are taking place in the everyday world we all inhabit--the world of supermarkets and hospitals banks and business offices television and telephones politics and personal life. The very nature of power is changing under our eyes. Powershift maps the "info-wars" of tomorrow and outlines a new system of wealth creation based on individualism innovation and information. As old political antagonisms fade Toffler identifies where the next far more important world division will arise--not between East and West or North and South but between the "fast" and the "slow." In Powershift Alvin Toffler has formulated the deepest most comprehensive synthesis yet written about the civilization of the twenty-first century. It is one of the most important books you will ever read. Praise for Powershift "[A] sweeping synthesis . . . by placing the accelerated changes of our current information age in the larger perspective of history Mr. Toffler helps us to face the future with less wariness and more understanding."—The New York Times Book Review "An insightful guide to a bewildering present and a frightening future . . . thought-provoking on every page."—Newsday; ['Social Science'],"

"Better Than Best (Girls Only! Book 6); The Drive To Win Could Send Her Crashing... Jenna Song is pumped up with competition fever for a three-day sports camp. The only problem is she's so pumped that she's having trouble being a good team member. For the first time she finds it hard to get along with the rest of the girls and no one can seem to do anything right--at least in Jenna's eyes. To make matters worse Jenna is distracted by a cute new spotter for the All-Around team who seems to show some interest in her. Embarrassed by an awkward situation Jenna isolates herself trying to shut everyone out instead of facing her mistakes. If she doesn't turn things around soon will the team be able to survive?; ['Juvenile Fiction'],"

"Foundations of economic analysis; In this book Steven Shavell provides an in-depth analysis and synthesis of the economic approach to the building blocks of our legal system namely property law tort law contract law and criminal law. He also examines the litigation process as well as welfare economics and morality. Aimed at a broad audience this book requires neither a legal background nor technical economics or mathematics to understand it. Because of its breadth analytical clarity and general accessibility it is likely to serve as a definitive work in the economic analysis of law.; ['Law'],"

Scopes metallic sights laser sights and reloading presses are also catalogued. Additional coverage lists ballistics and prices for commercially available rifle and handgun cartridges and shotshells are listed with loads and prices.; ['Antiques & Collectibles'], "

"Semantic Priming: Perspectives from Memory and Word Recognition (Essays in Cognitive Psychology); Semantic priming has been a focus of research in the cognitive sciences for more than thirty years and is commonly used as a tool for investigating other aspects of perception and cognition such as word recognition language comprehension and knowledge representations. Semantic Priming: Perspectives from Memory and Word Recognition examines empirical and theoretical advancements in the understanding of semantic priming providing a succinct in-depth review of this important phenomenon framed in terms of models of memory and models of word recognition. The first section examines models of semantic priming including spreading activation models the verification model compound-cue models distributed network models and multistage activation models (e.g. interactive-activation model). The second section examines issues and findings that have played an especially important role in testing models of priming and includes chapters on the following topics: methodological issues (e.g. counterbalancing of materials choice of priming baselines); automatic vs. strategic priming; associative vs. "pure" semantic priming; mediated priming; long-term semantic priming; backward priming; unconscious priming; the prime-task effect; list context effects; effects of word frequency stimulus quality and stimulus repetition; and the cognitive neuroscience of semantic priming. The book closes with a summary and a discussion of promising new research directions. The volume will be of interest to a wide range of researchers and students in the cognitive sciences and neurosciences.; ['Psychology'], "

"Radigan: A Novel; When beautiful Angelina Foley presents Tom Radigan with a Spanish grant and claims ownership of his land he realizes he's up against a cunning and deadly opportunist. Foley wants him off Vache Creek immediately and with three thousand head of cattle an outfit of hardcase gunfighters and winter coming on she is unwilling to take no for an answer. But Radigan has worked four hard years building up his ranch. Fighting for it-and if he has to killing for it-is something he is more than willing to do. If Angelina Foley and her men think he is the kind of man to give up without a fight they are dead wrong.; ['Fiction'], "

"Rise of Theodore Roosevelt; WINNER OF THE PULITZER PRIZE AND THE NATIONAL BOOK AWARD • Selected by the Modern Library as one of the 100 best nonfiction books of all time "A towering biography . . . a brilliant chronicle."—Time This classic biography is the story of seven men—a naturalist a writer a lover a hunter a ranchman a soldier and a politician—who merged at age forty-two to become the youngest President in history. The Rise of Theodore Roosevelt begins at the apex of his international prestige. That was on New Year's Day 1907 when TR who had just won the Nobel Peace Prize threw open the doors of the White House to the American people and shook 8150 hands. One visitor remarked afterward "You go to the White House you shake hands with Roosevelt and hear him talk—and then you go home to wring the personality out of your clothes." The rest of this book tells the story of TR's irresistible rise to power. During the years 1858–1901 Theodore Roosevelt transformed himself from a frail asthmatic boy into a full-blooded man. Fresh out of Harvard he simultaneously published a distinguished work of naval history and became the fist-swinging leader of a Republican insurgency in the New York State Assembly. He chased thieves across the Badlands of North Dakota with a copy of Anna Karenina in one hand and a Winchester rifle in the other. Married to his childhood sweetheart in 1886 he became the country squire of Sagamore Hill on Long Island a flamboyant civil service reformer in Washington D.C. and a night-stalking police commissioner in New York City. As assistant secretary of the navy he almost single-handedly brought about the Spanish-American War. After leading "Roosevelt's Rough Riders" in the famous charge up San Juan Hill Cuba he returned home a military hero and was rewarded with the governorship of New York. In what he called his "spare hours" he fathered six children and wrote fourteen books. By 1901 the man Senator Mark Hanna called "that damned cowboy" was vice president. Seven months later an assassin's bullet gave TR the national leadership he had always craved. His is a story so prodigal in its variety so surprising in its turns of fate that previous biographers have treated it as a series of haphazard episodes. This book the only full study of TR's pre-presidential years shows that he was an inevitable chief executive. "It was as if he were subconsciously aware that he was a man of many selves" the author writes "and set about developing each one in turn knowing that one day he would be President of all the people.";

"Games People Play: The Biggest and Best Book of Party Games and Activities; The bestselling Games People Play is the book that has helped millions of people understand the dynamics of relationships by

psychiatrist Eric Berne. We all play games. In every encounter with other people we are doing so. The nature of these games depends both on the situation and on who we meet. Eric Berne's classic Games People Play is the most accessible and insightful book ever written about the games we play: those patterns of behaviour that reveal hidden feelings and emotions. Wise and witty it shows the underlying motivations behind our relationships and explores the roles that we try to play - and are forced to play. Games People Play gives you the keys to unlock the psychology of others - and yourself. You'll become more honest more effective and a true team player. 'A brilliant amusing and clear catalogue of the psychological theatricals that human beings play over and over again' Kurt Vonnegut

Eric Berne was a prominent psychiatrist and bestselling author. After inventing his groundbreaking Transactional Analysis he continued to develop and apply this new methodology leading him to publish Games People Play. This became a runaway success and Berne leaves a remarkable legacy of over 30 other books and articles as well as the founding of the International Transactional Analysis Association. Dr Berne's other works include Principles of Group Treatment A Layman's Guide to Psychiatry and Psychoanalysis' and What Do You Say After You Say Hello? He died in 1970.; ['Family & Relationships'], "

"The Diary of Ma Yan: The Struggles and Hopes of a Chinese Schoolgirl; Wednesday November 7 My father gave me and my brother a little money. My stomach is all twisted up with hunger but I don't want to spend the money on anything as frivolous as food. Because it's money my parents earn with their sweat and blood. I have to study well so that I won't ever again be tortured by hunger. . . . In a drought-stricken corner of rural China an education can be the difference between a life of crushing poverty and the chance for a better future. But money is scarce and the low wages paid for backbreaking work aren't always enough to pay school fees. Ma Yan's heart-wrenching honest diary chronicles her struggle to escape hardship and bring prosperity to her family through her persistent sometimes desperate attempts to continue her schooling. First published in France in 2002 the diary of ma yan created an outpouring of support

for this courageous teenager and others like her -- support that led to the creation of an international organization dedicated to helping these children . . . all because of one ordinary girl's extraordinary diary.; ['Juvenile Nonfiction'], "

"Interpreting Mozart on the keyboard; Originally published in German as Interpreting Mozart on the Keyboard in 1957 this definitive work on the performance of Mozart's works has greatly influenced students and scholars of keyboard literature and of Mozart. Now in a completely updated and revised edition this book includes the last half century of scholarship on Mozart's music addressing the elements of performance and problems that may occur in performing Mozart's works on modern instruments.; ['Music'], "

"Soul Hunger; Are you among the hungry? Not for food but to know you are living in the Spirit. There is a raging battle taking place within you--a battle between flesh and Spirit. "A time of madness; During the chaos of partition in 1947 something dreadful happened in the city of Jalandhar in Punjab. As a result of this Salman Rashid's family fled Jalandhar for Pakistan the newly created country across the border. They were among the nearly two million people uprooted from their homes in the greatest transmigration in history. Besides those who fled other members of the family became part of a grimmer statistic: They featured among the more than one million unfortunate souls who paid with their lives for the division of India and creation of Pakistan. After living in the shadow of his family's tragedy for decades in 2008 Rashid made the journey back to his ancestral village to uncover the truth. A time of madness tells the story of what he discovered with great poignancy and grace. It is a tale of unspeakable

brutality but it is also a testament to the uniquely human traits of forgiveness redemption and the resilience of the human spirit.; ['Crafts & Hobbies'], "

"*Imagining Adoption: Essays on Literature and Culture*; *Imagining Adoption* looks at representations of adoption in an array of literary genres by diverse authors including George Eliot Edward Albee and Barbara Kingsolver as well as ordinary adoptive mothers and adoptee activists exploring what these writings share and what they debate. Marianne Novy is Professor of English and Women's Studies University of Pittsburgh.; ['Literary Criticism'], "

"*Precipice*; This urgent and eye-opening book makes the case that protecting humanity's future is the central challenge of our time. If all goes well human history is just beginning. Our species could survive for billions of years - enough time to end disease poverty and injustice and to flourish in ways unimaginable today. But this vast future is at risk. With the advent of nuclear weapons humanity entered a new age where we face existential catastrophes - those from which we could never come back. Since then these dangers have only multiplied from climate change to engineered pathogens and artificial intelligence. If we do not act fast to reach a place of safety it will soon be too late. Drawing on over a decade of research *The Precipice* explores the cutting-edge science behind the risks we face. It puts them in the context of the greater story of humanity: showing how ending these risks is among the most pressing moral issues of our time. And it points the way forward to the actions and strategies that can safeguard humanity. An Oxford philosopher committed to putting ideas into action Toby Ord has advised the US National Intelligence Council the UK Prime Minister's Office and the World Bank on the biggest questions facing humanity. In *The Precipice* he offers a startling reassessment of human history the future we are failing to protect and the steps we must take to ensure that our generation is not the last. ""A book that seems made for the present moment." " -New Yorker; ['Philosophy'], "

"*Down on the Farm: One American Family's Dream*; Gerald and Sue Glasco wanted to farm and rear their children in the country. Leaving a farm management job at Columbiana Ranch near Eldred Illinois they bought a 75-acre farm in partnership with Gerald's brother Keith and wife Barbara in southern Illinois and rented another. Their big old farm house on the rented land had been standing empty except for mice. Sue cleaned painted and helped the children adjust to a new community. Gerald rushed to be ready for the arrival of baby pigs and started to install the house's first plumbing. Then there was a fire. Pregnant with their fourth child Sue recorded their rural adventures and misadventures in the 1960s. Finally they moved even deeper into the country to the hog farm. *Down on the Farm* a good story for the young or old captures the universal struggle of young couples who set out to achieve their dreams. With ambitions to write and raise a large family Sue Glasco did both when she married an agriculture major who also loved rural life. Their four children provided much subject matter. Sometimes she wrote with a toddler hanging on her neck. Sometimes she wrote with humor and sometimes with tears.; ['Family & Relationships'], "

"*Servicemember's Guide to a College Degree: 2nd Edition*; The complete guide on how to obtain a college degree while in the service. Loads of tips on how to be academically successful.; ['History'], "

"Garden of Greek Verse A; Odes hymns and lyrics from many of Greece's most noted classical poets--including Homer Hesiod Sappho Sophocles and Euripides--are beautifully illustrated here with details of ancient Greek frescoes vase paintings and sculptures. Over the centuries celebrated writers such as George Chapman Mary Barnard John Dryden Alexander Pope and W. B. Yeats have been inspired to create contemporary translations of these enduring verses. In this volume are their and other modern poets' captivating translations accompanied by the original Greek text. This lively combination of the poetry and illustrations along with notes on each poet and on archaeological sites such as Knossos Akrotiri Mycenae Lipari and Paestum where the Greek art objects in this book were excavated makes this volume a perfect introduction to Greek verse.; ['Literary Criticism'],"

"The Willow Tree; Hubert Selby Jr. acclaimed author of the classic novel Last Exit to Brooklyn tells the powerful story of an extraordinary bond between an African-American teen seeking vengeance in the wake of tragedy and an old man who guides him toward redemption Growing up in New York City's soul-killing South Bronx ghetto Bobby a young black teenager has only known violence poverty and despair. But there is one true light in his life: his girlfriend Maria. On their way to school one morning they are set upon by a vicious street gang. Bobby beaten bloody and senseless survives rescued by an old German man who is himself a survivor of the Nazi death camps. The man calls himself Moishe though he claims not to be Jewish and he takes the damaged boy under his wing determined to help heal his physical and psychological wounds. An unlikely friendship is born strengthened by a shared sense of loss and life's tragic injustices. But Moishe's message of learning to forgive the unforgivable falls on deaf ears because there is a hole in Bobby's heart that only revenge can fill. Hubert Selby Jr.'s extraordinary novel is a devastating work of raw power and stylistic brilliance that captures the pain and hardship of twentieth-century urban life. Unflinching and unrelenting in the vein of his acclaimed masterwork Last Exit to Brooklyn Selby's The Willow Tree is

a dark tale tempered by hope: a story of love death rage violence and salvation. This ebook features an illustrated biography of Hubert Selby Jr. including rare photos from the author's estate.; ['Fiction'], "

"Instant Guide to Horses (Instant Guides); Sound professional advice on what to do until the veterinarian arrives. Dr. Eleanor Kellon has created a quick and easy reference to conditions that require emergency treatment. Dr. Kellon's Guide to First Aid for Horses offers guidelines to be followed in determining what a horse's problem could be and it suggests information that should be given to the veterinarian as soon as you call. The book is organized by color-coded chapters on specific types of problems or on specific anatomical areas and organ systems. At the beginning of each chapter is a quick reference list of symptoms and topics that allows you to turn immediately to those sections of the chapter that might pertain to your horse's problems. Dr. Kellon's Guide to First Aid for Horses includes lists of symptoms and their causes instructions for home treatment and checklists of the first aid supplies necessary to deal with the following emergencies: Concussions burns and shock Abrasions lacerations bleeding Smoke inhalation asthma and emphysema Fever botulism and blood poisoning Colic bloating constipation and diarrhea Hypothermia hyperthermia and frostbite Stroke muscle cramps laminitis and seizures Bladder infection and stones in the urinary tract Prolonged labor newborn emergencies Allergies and adverse drug reactions And many other life threatening situations or conditions Dr. Kellon also includes reference sections on preparing horses for treatment restraint drug reactions and managing trapped horses. Give yourself the confidence to deal with any emergency veterinary situation by keeping a copy of Dr. Kellon's Guide to First Aid for Horses close at hand.; ['Pets'], "

"Radiation Hormesis; Radiation Hormesis presents the only critical review of the effects of whole-body exposure to low doses of ionizing radiation in animals. This is a ""must read"" book for radiobiologists health-conscious individuals and serious environmentalists. Topics discussed include our radiation environment radiation hormesis in cancer mortality growth and development reproduction and mutation immunity and cancer. Data is presented that indicates that low doses of ionizing radiation may actually be beneficial to human health. This information could invalidate the ""zero thesis"" and linear models used by most regulatory agencies. The implications regarding eliminating linear models and accepting radiation hormesis are also discussed.; ['Law'], "

"Canine Christmas; A delightful Christmas gift from W. Bruce Cameron the author of the New York Times and USA Today bestselling novel A Dog's Purpose which is now a major motion picture! While nursing a broken heart Josh Michaels is outraged when a neighbor abandons his very pregnant dog Lucy at Josh's Colorado home. But Josh can't resist Lucy's soulful brown eyes and though he's never had a dog before he's determined to do the best he can for Lucy—and her soon-to-arrive bound-to-be-adorable puppies. Soon in over his head Josh calls the local animal shelter for help and meets Kerri a beautiful woman with a quick wit and a fierce love for animals. As Kerri teaches Josh how to care for Lucy's tiny puppies and gets them ready to be adopted through the shelter's ""Dogs of Christmas"" program Josh surprises himself by falling for her. But he's fallen even harder for his new furry family which has brought incredible joy into Josh's life. He barely has time to sit down between chasing after adventurous Sophie and brave Oliver but when he does his lap is quickly filled by the affectionate Lola. And Rufus and Cody's strong bond makes Josh wonder about his own relationships with his family. With Christmas and the adoption date looming Josh finds himself wondering if he can

separate himself from his beloved puppies. At odds with Kerri Josh isn't willing to lose her but doesn't know how to set things right. Can a surprise litter of Christmas puppies really change one man's life? W. Bruce Cameron's The Dogs of Christmas is a charming and heartwarming holiday tale that explores the power of love trust and a basket full of puppies. "Livingston and the Tomato; A. W Livingston (1821-98) was a Reynoldsburg Ohio tomato seedsman who was the best known developer of tomato varieties in the United States in the nineteenth century. First published in 1893 Livingston and the Tomato contains both descriptions and drawings of the tomato varieties he developed. The book features over sixty tomato recipes including ones for slicing frying scalloping baking and broiling tomatoes; as well as for tomato toast custard soup pie preserves figs jam butter salad sauce and omelets. Livingston's pioneering work; his entrepreneurial sons who transformed his efforts into a successful business concern; the application of scientific principles to agricultural practices; and the tremendous growth of the canning and preserving industries are all reflections of the spirit of Ohio and America on the cusp of the twentieth century.; ['Gardening'], "

"Your People Are Your Product -; Born out of the frustration of sitting through fruitless meetings Bringstorm expands the idea of brainstorming into a meaningful process that can change the culture of meetings the trajectory of projects and the productivity of teams. "It's surprising how many individuals and organizations unconsciously adopt a show-up-and-see-what-happens approach to creativity and problem solving" says the author. "While showing up is a good thing simply hoping for innovative and useful ideas to happen isn't a reliable recipe for success." Instead of continuing to fall for the quasi-collaborative and catered lunch that accomplishes nothing because no one comes prepared purchase this book enjoy an easy conversation with its author and gain a new tool that will supercharge your people your process and your product.; ['Business & Economics'], "

"The U.S. Army GHQ Maneuvers of 1941: World War II 50th Anniversary Commemorative Edition; The U.S. Army GHQ Maneuvers of 1941 is a masterful study of the largest military training exercises ever conducted by a military organization attempting to mobilize and modernize simultaneously during a rapidly changing international security environment. As suggested by Christopher R. Gabel the maneuvers had an incalculable

influence on the development of the American force structure in World War II giving Army formations experience in teamwork and combined arms. Viewed by Army Chief of Staff George C. Marshall as the ""combat college for troop leading"" for the rising crop of field-grade officers they also served to test emerging assumptions about doctrine organization and equipment. Gabel's work assumes its rightful place as an important and useful addition to the body of historical literature on military training. The evolution of training in the U.S. Army particularly the linkage between maneuvers and changes in doctrine and organization is worthy of reflection by military students and those with an interest in maneuvers as field laboratories for simulating large-scale engagements.; ['Government publications'], "

"Cultural Anthropology with Student Atlas and PowerWeb; The new tenth edition of Kottak's best selling text for cultural anthropology continues to offer a holistic introduction to cultural anthropology that approaches the course from a four-field perspective. The new tenth edition is a major revision offering many new and exciting features that build on the strengths of this approach. The text has two new themes -""Bringing It All Together"" and ""Understanding Ourselves."" The ""Bringing it All Together"" theme emphasizing anthropology's integrated comparative and four-field nature can be found in new ""Bringing it All Together"" essays that show how anthropology's subfields and dimensions combine to interpret and explain a common topic.; ['Social Science'], "

"Making History; A "supremely entertaining" (The New Yorker) exploration of who gets to record the world's history—from Julius Caesar to William

Shakespeare to Ken Burns—and how their biases influence our understanding about the past. There are many stories we can spin about previous ages but which accounts get told? And by whom? Is there even such a thing as "objective" history? In this "witty wise and elegant" (*The Spectator*) book Richard Cohen reveals how professional historians and other equally significant witnesses such as the writers of the Bible novelists and political propagandists influence what becomes the accepted record. Cohen argues for example that some historians are practitioners of "Bad History" and twist reality to glorify themselves or their country.

"Scholarly lively quotable up-to-date and fun" (Hilary Mantel author of the bestselling Thomas Cromwell trilogy) *Making History* investigates the published works and private utterances of our greatest chroniclers to discover the agendas that informed their—and our—views of the world. From the origins of history writing when such an activity itself seemed revolutionary through to television and the digital age Cohen brings captivating figures to vivid light from Thucydides and Tacitus to Voltaire and Gibbon Winston Churchill and Henry Louis Gates. Rich in complex truths and surprising anecdotes the result is a revealing exploration of both the aims and art of history-making one that will lead us to rethink how we learn about our past and about ourselves.;

"How Israel Lost: The Four Questions; The ebbing support for Israel among Western governments is a major landmark in the history of the last decade. It is without doubt an issue that has already influenced many international events. Richard Ben Cramer who has won a Pulitzer Prize for his coverage of the Middle East now presents readers with *HOW ISRAEL LOST* a brilliant polemic looking at four key questions that define this conflict and explaining how the policies of Ariel Sharon have ostracised his country in the eyes of the world. Since Israel was founded the West has seen it as a beacon of hope and democracy amid hostile neighbours. Cramer describes how in the past ten years Israelis seem to have squandered that respect and good will focusing on the key players and crucial events that have turned the tide against Israel in the eyes of the international community. With the same meticulous research and intelligence that has made Richard Ben Cramer one of America's most highly regarded journalists *HOW ISRAEL LOST* is a timely powerful and important look at one of the most pivotal points of the world -- and in history.;

[*'Social Science'*], "

"The prophecy of Daniel: A commentary; This commentary on Daniel is a serious painstaking work by one of the foremost of contemporary Old Testament scholars. It is ably designed to meet the needs of pastors

students and all those seeking a better understanding of Scripture. The author presents a clear positive exposition of prophecy coupled with an accurate explanation of historical fact based on research and the accumulated authority of other outstanding Biblical scholars. In addition he endeavors to bring out the exact meaning of the Hebrew and Aramaic languages in the original translation accompanying the commentary. The reader will find adequate reference to the divergent interpretations of other scholars with a thorough and erudite explanation of differences. Those unacquainted with the ancient languages can nevertheless read this volume with great profit. ""A fresh and stimulating approach . . . . Thoroughly done . . . . A wholesome addition to the field of Old Testament study." - Review and Expositor ""The author has made himself in the space of a relatively few years easily the foremost among conservative scholars of the Old Testament." - The Perkins School of Theology ""Dr. Young makes it abundantly plain that the issue is not between good and bad intelligent and obscurantist scientific and unscientific scholarship... (but) between a believing scholarship and a skeptical and rationalistic scholarship." - Oswalt T. Allis Edward J. Young (1907-1968) was considered one of the ablest conservative scholars in the field of Old Testament served for many years as Professor of Old Testament at Westminster Seminary Philadelphia.; ['Religion'],

"Bushido: The soul of Japan; A century ago when Japan was transforming itself from an isolated feudal society into a modern nation a Japanese educator queried about the ethos of his people composed this seminal work which with his numerous other writings in English made him the best known Japanese writer in the West during his lifetime. He found in Bushido the Way of the Warrior the sources of the virtues most admired by his people: rectitude courage benevolence politeness sincerity honor loyalty and self-control. His approach to his task was eclectic and far-reaching. On the one hand he delved into the indigenous traditions into Buddhism Shintoism Confucianism and the moral guidelines handed down over hundreds of years by Japan's samurai and sages. On the other hand he sought similarities and contrasts by citing not only Western philosophers and statesmen but also the shapers of European and American thought and civilization going back to the Romans the Greeks and Biblical times. This book is a classic to which generations of scholars and laymen alike have long referred for insights into the character of the Japanese people. And

all of its many readers in the past have been amply rewarded as will be all those who turn to its pages in the next and future decades.; ['Sports & Recreation'], "

"The Battle of Yorktown; In early 1781 after his victories in the Southern Colonies Lord Cornwallis marched his army north into Virginia. He believed the Americans could be decisively defeated in Virginia and the war brought to an end. George Washington believed Cornwallis's move was a strategic blunder and he moved vigorously to exploit it. Feinting against General Clinton and the British stronghold of New York Washington marched his army quickly south. With the assistance of Rochambeau's infantry and a key French naval victory at the Battle off the Capes in September Washington trapped Cornwallis on the tip of a narrow Virginia peninsula at a place called Yorktown. And so it began. Operating on the belief that Clinton would arrive with reinforcements Cornwallis confidently remained within Yorktown's inadequate defenses. Determined that nothing short of outright surrender would suffice his opponent labored day and night to achieve that end. Washington's brilliance was on display as he skillfully constricted Cornwallis's position by digging entrenchments erecting redoubts and artillery batteries and launching well-timed attacks to capture key enemy positions. The nearly flawless Allied campaign sealed Cornwallis's fate. Trapped inside crumbling defenses he surrendered on October 19 1781 effectively ending the war in North America.; ['History'], "

"Doctor Who: Gallifrey Chronicles; The Doctor's home planet of Gallifrey has been destroyed. The Time Lords are dead their TARDISes annihilated. The man responsible has been tracked down and lured to Earth in the year 2005 where there will be no escape. But Earth has its hands full - a mystery signal is being received from a radio telescope there's a second moon in the sky and a primordial alien menace has been unleashed... The stage is set for the ultimate confrontation - for justice to be done. The Doctor and his companions Fitz and Trix will meet their destiny. And this time the Doctor isn't going to be able to save everyone. A Classic Doctor Who Adventure featuring the Eighth Doctor as played by Paul McGann.; ['Doctor Who (Television program)'],,"

"Permogenesis (Natural History of Southwestern Ontario Book III); Review by a reader from Betesda MD posted at [www.amazon.com](http://www.amazon.com): Dewdney's Permogenesis is both an extension and a reworking of the first two sections of his long poem A Natural History of Southwestern Ontario. Phrases from the first two books (Spring Trances in the Control Emerald Night and The Cenozoic Asylum) are repeated though often in mutated form and get a chance to mate with and breed all sorts of interesting new sentences. Dewdney's prose poems are dreamlike often hallucinogenic - one often feels he's speaking his own language. If John Ashbery and Annie Dillard had a child - well I'm not sure that he'd write like Dewdney; but I'm pretty sure the two of them would get along; ['Poetry'],,"

"If Jesus Came To Visit Me; Toddlers imagine how they would welcome Jesus and what questions they would ask if he came to visit.; ['Juvenile Fiction'],,"

"Tom Sawyer & the Spiritual Whirlwind; The adventures of a mischievous young boy and his friends growing up in a Mississippi River town in the nineteenth century.; ['Juvenile Fiction'],,"

"Whitman: Poems (Everyman's Library Pocket Poets); Presents a selection of poems by the nineteenth-century American poet; ['Poetry'],,"

"Clinical Dissection Guide for Large Animals: Horse and Large Ruminants; Clinical Dissection Guide for Large Animals Second Edition provides a self-directed and detailed guide for the dissection of the horse and large ruminants. Organized into two parts one for each of the animal groups included the material is presented as a progressive series of anatomical illustrations accompanied by key descriptive text. This guide also provides regional and topographical dissection techniques starting with surface features and progressing to deeper structures stopping along the way for appropriate comments on principal anatomical entities for each region. The second edition introduces all the bones and joints and the most important clinical correlations with the anatomical structures exposed during the dissection. With more than 650 illustrations on more than 320 plates the Clinical Dissection Guide for Large Animals Second Edition belongs on the shelf of every student animal scientist and veterinarian who works with horses or large ruminants.; ['Veterinary anatomy'],,"

"How Holocausts Happen: The United States in Central America; ""History repeats itself but it never repeats itself exactly"" observes Douglas

Porpora in this powerful indictment of U.S. intervention in Central America. Comparing the general public's reaction to the Holocaust in Nazi Germany with American public opinion of U.S. participation in the genocidal policies of Nicaraguan counter-revolutionary forces and the governments of Guatemala and El Salvador among others Porpora demonstrates that moral indifference to the suffering of others was the common response. With reference to Hannah Arendt's thesis of the banality of evil he develops the concept of a ""Holocaust-like event"" and examines how even a democratic society can be capable of something on the order of a Holocaust. Unlike other accounts of the Holocaust and genocide this book focuses on the citizenry served or ruled by genocidal governments rather than on the governments themselves. Porpora argues that moral indifference and lack of interest in critical reflection are key factors that enable Holocaust-like events to happen And he characterizes American society as being typically indifferent to the fate of other people uninformed and anti-intellectual. Porpora cites numerous horrifying examples of U.S.-backed Latin American government actions against their own peasants Indians and dissident factions. He offers finally a theory of public moral indifference and argues that although such indifference is socially created by government the media churches and other institutions we the public must ultimately take responsibility for it. How Holocausts Happen is at once a scholarly examination of the nature of genocide and a stinging indictment of American society.;

"Walter Lippmann and the American Century; Walter Lippmann began his career as a brilliant young man at Harvard--studying under George Santayana taking tea with William James a radical outsider arguing socialism with anyone who would listen--and he ended it in his eighties writing passionately about the agony of rioting in the streets war in Asia and the collapse of a presidency. In between he lived through two world wars and a depression that shook the foundations of American capitalism. Walter Lippmann (1889-1974) has been hailed as the greatest journalist of his age. For more than sixty years he exerted unprecedeted influence on American public opinion through his writing especially his famous newspaper column ""Today and Tomorrow."" Beginning with The New

Republic in the halcyon days prior to Woodrow Wilson and the First World War millions of Americans gradually came to rely on Lippmann to comprehend the vital issues of the day. In this absorbing biography Ronald Steel meticulously documents the philosophers and politics the friendships and quarrels the trials and triumphs of this man who for six decades stood at the center of American political life. Lippmann's experience spanned a period when the American empire was born matured and began to wane a time some have called ""the American Century." No one better captured its possibilities and wrote about them so wisely and so well no one was more the mind the voice and the conscience of that era than Walter Lippmann: journalist moralist public philosopher.;

"Software Engineering (Practitioners); For almost three decades Roger Pressman's Software Engineering: A Practitioner's Approach has been the world's leading textbook in software engineering. The new eighth edition represents a major restructuring and update of previous editions solidifying the book's position as the most comprehensive guide to this important subject. The eighth edition of Software Engineering: A Practitioner's Approach has been designed to consolidate and restructure the content introduced over the past two editions of the book. The chapter structure will return to a more linear presentation of software engineering topics with a direct emphasis on the major activities that are part of a generic software process. Content will focus on widely used software engineering methods and will de-emphasize or completely eliminate discussion of secondary methods tools and techniques. The intent is to provide a more targeted prescriptive and focused approach while attempting to maintain SEPA's reputation as a comprehensive guide to software engineering. The 39 chapters of the eighth edition are organized into five parts - Process Modeling Quality Management Managing Software Projects and Advanced Topics. The book has been revised and restructured to improve pedagogical flow and emphasize new and important software engineering processes and practices.;

"Genre : The Critical Idiom; Genre is a key means by which we categorize the many forms of literature and culture. But it is also much more than that: in talk and writing in music and images in film and television genres actively generate and shape our knowledge of the world.  
Understanding genre as a dynamic process rather than a set of stable rules this book explores: the relation of simple to complex genres the history of literary genre in theory the generic organisation of implied meanings the structuring of interpretation by genre the uses of genre in teaching. John Frow's lucid exploration of this fascinating concept will be essential reading for students of literary and cultural studies.; ['Literary Criticism'], "

"THE TIME MACHINE and other stories; This book is a collection of eight short stories written by H. G. Wells. ""The Short Stories of H. G. Wells"" constitutes a must-have for lovers of the short story form and is not to be missed by fans of Wells' fantastic work. Herbert George Wells (1866 - 1946) was a prolific English writer who wrote in a variety of genres including the novel politics history and social commentary. Today he is perhaps best remembered for his contributions to the science fiction genre thanks to such novels as ""The Time Machine"" (1895) ""The Invisible Man"" (1897) and ""The War of the Worlds"" (1898). ""The Father of Science Fiction"" was also a staunch socialist and his later works are increasingly political and didactic. The stories include: ""The Time Machine"" ""The Empire of the Ants"" ""A Vision of Judgement"" ""The Land Ironclads"" The Beautiful Suit"" ""The Door in the Wall"" ""The Pearl of Love"" and ""The Country of the Blind"". Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this book now in an affordable modern high-quality edition complete with a specially commissioned new biography of the author.; ['Fiction'], "

"Tight Rope; The next night she went to another bar that has live bands. She had no luck but didn't want to give-up yet. She can't get him off her mind. That gaunt face dark hair and the dreamy eyes that was shadowed by his eyebrows. Oh that handsome face Deborah thought with desire. She did not care that she was looking for him everywhere and she was a woman the guy was a hero and he saved her life; There's something poetic about him. Deborah bet he is a very good and romantic man. Deborah moves on her chair. ""Are you okay honey?"" asked her father William Cunningham. ""Yes dad"" came her reply still with a faraway. "" ""You must be thinking of Clide huh?"" William leaned closer from across the table. ""He really sounded sincere. I think he was close to tears when he talked to me.\"" ""I don't know dad"" Deborah said with a dismissive sight. ""But . . ."" ""Listen dad"" Deborah said more firmly. ""I need time to think. I hope you understand.\"" ""Okay"" said William with resignation. ""I understand. You're mad at him. It takes time to get over what he'd done. I'm just worried that you won't get married. I mean you're past the marrying age already. Three years from now you're going to be thirty.\"" "" I know that dad"" said Deborah burdened by having to say it again. ""And I thought that Clide was the one-but he just betrayed my trust. You know how I am about trust.\"" Deborah wished she could leave now and be somewhere where

she would be left with her thoughts and fantasize about that mysterious man. She felt a stirring in her groin every time she thinks of him. God when am I going to find him? Deborah desperately wanted some hope just so she could go on. Then she'd find him and thank him or something. Don't joke yourself Deborah you want more than that. Deborah smiled. ""What's that smile all about?"" William asked. Deborah felt herself blush.

""Nothing dad . . ."" she said quickly. ""Listen I have a lot to do in the office.""" ""Honey are you even listening to what I said?"";

A grace-filled story of total love of God! 624 pgs PB; ['Biography & Autobiography'], "

"Pursued by Evil (Pursued by Evil Series #1); Modern notions of empathy often celebrate its ability to bridge divides to unite humankind. But how do we square this with the popular view that we can never truly comprehend the experience of being someone else? In this book Samuel Fleischacker delves into the work of Adam Smith to draw out an understanding of empathy that respects both personal difference and shared humanity. After laying out a range of meanings for the concept of empathy Fleischacker proposes that what Smith called ""sympathy"" is very much what we today consider empathy. Smith's version has remarkable value as his empathy calls for entering into the perspective of another--a uniquely human feat that connects people while still allowing them to define their own distinctive standpoints. After discussing Smith's views in relation to more recent empirical and philosophical studies Fleischacker shows how turning back to Smith promises to enrich clarify and advance our current debates about the meaning and uses of empathy.;

"Giving Up: The Last Days of Sylvia Plath; Giving Up is Jillian Becker's intimate account of her brief but extraordinary time with Sylvia Plath during the winter of 1963 the last months of the poet's life. Abandoned by Ted Hughes Sylvia found companionship and care in the home of Becker and her husband who helped care for the estranged couple's two small children while Sylvia tried to rest. In clear-eyed recollections unclouded by the intervening decades Becker describes the events of Sylvia's final days and suicide: her physical and emotional state her grief over Hughes's infidelity her mysterious meeting with an unknown companion the night before her suicide and the harsh aftermath of her funeral. Alongside this tragic conclusion is a beautifully rendered portrait of a friendship between two very different women.; ['Biography & Autobiography'],"

"EXCHANGE RATE MODELLING; Are foreign exchange markets efficient? Are fundamentals important for predicting exchange rate movements? What is the signal-to-ratio of high frequency exchange rate changes? Is it possible to define a measure of the equilibrium exchange rate that is useful from an assessment perspective? The book is a selective survey of current thinking on key topics in exchange rate economics supplemented throughout by new empirical evidence. The focus is on the use of advanced econometric tools to find answers to these and other questions which are important to practitioners policy-makers and academic economists. In addition the book addresses more technical econometric considerations such as the importance of the choice between single-equation and system-wide approaches to modelling the exchange rate and the reduced form versus structural equation problems. Readers will gain both a comprehensive overview of the way macroeconomists approach exchange rate modelling and an understanding of how advanced techniques can help them explain and predict the behavior of this crucial economic variable.; ['Business & Economics'],"

"The Definitive User's Guide to the HP 48g/49g/50g Calculators; Hoe komt het dat op sommige momenten alles hopeloos en utizichtloos lijkt en we geen kant meer op kunnen? De Rationeel Emotieve Therapie (RET) geeft een duidelijk antwoord: dat doen we zelf. We denken onszelf als het ware de put in: we stellen ons verkeerd op tegenover de onaangename kanten van het leven. Op een andere manier gaan denken en voelen is niet gemakkelijke en vereist veel oefening. "Personal Narrative of a Journey to the Equinoctial Regions of the New Continent: Abridged Edition (Penguin Classics); ""Alexander von Humboldt visited the tropics of the New World between 1799 and 1804. On his return he wrote this book a classic work of travel that is also one of the great products of Enlightenment natural science. In his lifetime Humboldt was described as ""next to Napoleon the most famous man in Europe"". An admirer of the French Revolution a Neptunist an anti-slavist a lover of Rousseau and Bernardin de Saint-Pierre and a close friend of Goethe (whom

he resembled) he was also a profound influence upon Darwin and the course of Victorian science as well as upon the proponents of new world independence." -- publisher description.; ['Biography & Autobiography'], "

"American Aces of World War I (Osprey Aircraft of the Aces No 42); At the outset of World War I the British had some 110 assorted aircraft used mostly for the visual reconnaissance role. With the advent of faster and more agile single-seaters the Allies and their adversaries raced to outdo each other in the creation of genuinely effective fighters with fixed forward-firing machine gun armament. It was not until 1917 that the British developed a truly effective interrupter gear which paved the way for excellent single seaters such as the Sopwith Triplane Camel and the RAF S.E.5. later joined by the Bristol F.2B the war's best two-seat fighter. This volume traces the rapid development of the fighter in World War I and the amazing exploits of the British and Empire aces who flew them.; ['History'], "

"The Liberation of the Philippines: Luzon Mindanao the Visayas 1944-1945 ( History of the United States Naval Operations in World War II Vol. XIII.); Highly detailed account of events in the Pacific during the winter of 1944 - 1945 After the Battle of Leyte Gulf which crushed Japanese naval power in the Pacific even more effectively than American naval chiefs were aware at the time the U.S. moved against Japan to liberate the Philippines. Here the carrier actions supporting these operations are told in detail. Through Admiral Samuel Morison's eloquence the half-forgotten far-off names of these Philippine battles come to life again as he tells of the preliminary bombardments the assaults over the beaches and the land fighting for the islands and Manila as well as of the countermeasures taken against the fanatical air attacks of the Japanese. Here too is Admiral Halsey's famous raid of Task Force 38 in the South China Sea ranging from Formosa to Indochina. Of particular interest to sailors and landsmen alike is the chapter on the frightful typhoon of 18 December 1944 in which three U.S. ships went down and over eight hundred lives were lost. Additional chapters tell the story of the three amphibious assaults on Borneo by Australian troops covered by the U.S. Navy; of submarine operations in the southwest Pacific in 1945; and of Captain Milton Miles's amazing U.S. Naval Group China which carried out cloak-and-dagger operations on the mainland for years and fought the last naval battle of the war with sailing junks.; ['World War 1939-1945'], "

"The Watchman (Unabridged Audio Cass); At last the enigmatic partner of Elvis Cole (The Two Minute Rule) takes center stage in this pulse-racing thriller. When Joe Pike is charged with safeguarding a wealthy heiress he discovers protecting the sole witness to a crime is nothing compared to protecting an LA party girl from her own self-destruction.. Larkin Conner Barkley lives like the City of Angels is hers for the taking. Young and staggeringly rich she speeds through the city during its loneliest hours blowing through red after red in her Aston Martin as if running for her life. Then suddenly she sees another car's metal-on-metal explosion of a terrible accident and dazed finds herself the single witness in a secret federal investigation. For maybe the first time in her life Larkin wants to do the right thing. But in doing so she becomes the target for a relentless team of killers. And when the US Marshals and the finest security money can buy can't protect her Larkin's wealthy family turns to the one man money can't buy-Joe Pike. Pike lives a world away from the

palaces of Beverly Hills. He's an ex-cop ex-Marine ex-mercenary who owes a bad man a favor and that favor is to keep the uncontrollable Larkin alive. Pike commits to protecting the girl but it becomes clear someone in their circle is selling them out. Taking matters into his own hands Joe drops off the gird with Larkin and follows his own survival rules: strike fast hit hard hunt down the hunters. With the help of private investigator Elvis Cole Pike uncovers a web of lies and betrayals and the stunning revelation that even the cops are not who they seem. As the body count rises Pike's biggest threat might come from the girl herself a lost soul in the City of Angels determined to destroy herself unless Joe Pike can teach her the value of life...and love.; ['Fiction'], "

"Smoking Lovely; Smoking Lovely's explorations of poetry and the neoliberal city at the intersection of community and commodity. In this radically revised new edition Perdomo shifts the poem into mostly second person thereby further accentuating its self-reflexive and complex exploration of self-and/as-other and of the simultaneous othering commodification and spectacularization of Afro-diasporic bodies and cultural forms.; ['Poetry'], "

"17th Century English Prose; This is the first book-length history of the range of seventeenth-century English prose writing. Roger Pooley's study begins with narrative ranging from the fiction of Bunyan and Aphra Behn to the biographical and autobiographical work of Aubrey and Pepys. Further sections consider religious prose from the hugely influential Authorised Version to Donne's sermons the political writing of figures as diverse as Milton Hobbes Locke and Marvell cornucopian texts and the writings of the new scientists from Bacon to Newton. At a time when the boundaries of the 'canon' are being increasingly revised this is not only a major survey of a series of great works of literature but also a fascinating social history and a guide to understanding the literature of the period as a whole.; ['Literary Criticism'], "

"The wedding procession of the rag doll and the broom handle and who was in it; Originally published: New York: Harcourt Brace & World Inc. 1922.; ['Juvenile Fiction'], "

"Pedestal; The young daughter of King Dor and Queen Irene becomes lost in the jungle while the Gap Dragon is loose in the area; ['Fiction'], "

"Comparative Strangers (Harlequin Romance); Amanda couldn't believe her eyes when she witnessed her fianc? cheating. In despair she decides to jump off a bridge but gets saved by Malory her fianc?'s half brother. The usually cold stern man shows his kind and supportive side to Amanda during her struggle. Amanda cannot help but feel attracted to his kindness. Eventually Amanda's cunning ex-fianc? spreads a fake rumor about the two and Malory proposes an idea. He suggests that he and Amanda pretend to be engaged to stop the gossip!; ['Comics & Graphic Novels'], "

"Caleb's Curse; Caleb's Curse a first novel by Sally Glass will remind readers of those swashbuckling movies of yore with Errol Flynn or Douglas Fairbanks or more recently with Russell Crowe or Johnny Depp. Set in the coastal Carolinas the story covers nearly two-hundred years of history from the time the area was the personal playground of pirates through the Civil War to modern day Conway South Carolina. The protagonists and there are several are all members or descendants of the family of John Ian Waters. Through Johns Scottish ancestry which dates to a druid priest certain members of the Waters family have been blessed with awesome (and sometimes awful) powers of the supernatural kind. As for the antagonist of this yarn there can be no doubt: he is the despicable sociopathic nearly heartless Caleb Bland. His undying love for the beautiful Annabelle with the emerald-green eyes drives the story often at a

feverish pitch (readers will put Caleb's Curse down only reluctantly). As Caleb's corpse rots under the oak tree on the island where British soldiers have hanged him the spirit places a curse on the treasure he had given to Annabelle before her brutal murder. There is betrayal murder romance sex courage and humor. No pirate yarn since Treasure Island has had a more exciting climax as the hero duels it out with the spirit of the vile Caleb.; ['Juvenile Fiction'], "

"The War Lover; In the immediate sense this long eventful and agonizingly suspenseful novel shows what fear secret hidden fear can do to even one of those seeming heroes a war lover. In the longer view however this may come to be regarded as the great and ultimate anti-war novel of our time. The scene is an American bomber base in England sometime before D-Day. The characters are the crew of a Flying Fortress named The Body particularly the pilot Buzz Marrow and the co-pilot Boman who tells the story of his worship of Marrow and of how his hero succumbed on their final crucial mission to the fatal weakness with which he camouflaged his fear-his secret delight in annihilation. Boman also tells the story of the English girl he loved (and Mr. Hersey's many admirers will note a new tenderness and passion in these scenes) and of her fateful intervention in Marrow's collapse. Both narrative lines flow together and are superbly united in the sustained and powerful climax.; ['Fiction'], "

"Round the World in 80 Dishes; A grand tour for the taste buds-a delightful classic cookbook of the postwar era from a well-traveled woman. This charming little book was first published in 1956 when people in England were still enduring postwar restrictions on both traveling and eating. In the words of its author Lesley Blanch "benign fate whisked me elsewhere to follow less restricted ways travelling widely and eating wildly." Her gastronomic world tour includes eighty recipes each prefaced by an account of where they were first tasted or with some amusing anecdote. You'll find delicious dishes from her journeys around Europe and to the Middle East and Far East Africa the Pacific Central and South America and even a good old Baked Virginia Ham from the USA.;

"Old Indian days; Charles Eastman whose Sioux name was Ohiyesa (pronounced Oh hee' yay suh) was a Native American author doctor and reformer who also helped to establish the Boy Scouts of America. Old Indian Days is a collection of traditional stories from Eastman's Native American heritage.; ['Fiction'], "

"Hank Aaron and the Home Run That Changed America; Baseball has witnessed more than 125000 home runs. Many have altered the outcome of games and some have decided pennants and become legend. But no dinger has had greater impact than Hank Aaron's 715th home run. His historic blast on April 8 1974 lifted him above Babe Ruth on the all-time list an achievement that shook not only baseball but our nation itself. Aaron's magnificent feat provoked bigotry and shattered prejudice inspired a generation emboldened a flagging civil rights movement and called forth the demons that haunted Aaron's every step and turned what should have been a joyous pursuit into a hellish nightmare. In this powerful recollection Tom Stanton penetrates the myth of Aaron's chase and

uncovers the compelling story behind the most consequential athletic achievement of the past fifty years. Three decades after Hank Aaron reached the pinnacle of the national pastime and now as Barry Bonds makes history of his own Stanton unfolds a tale rich with drama poignancy and suspense to bring to life the elusive spirit of an American hero.; ['Sports & Recreation'], "

"One Holy Fire: Let the Spirit Ignite Your Soul; One Holy Fire is the dramatic true story of the work of God's Spirit in one person's life-and how that same Spirit can revolutionize readers' lives as well. Nicky Cruz shares lively never-before-published stories from his ministry that will quicken readers' hearts and spark their souls. Stories of physical emotional and spiritual healing. Of masses coming to salvation in Jesus Christ. Of hand-to-hand spiritual warfare. Of the supernatural provision and presence of God's Spirit in every area of his life and ministry. Cruz also explores the promises in Scripture regarding the Spirit's work on earth addressing such questions as What does it mean to "walk in the Spirit"? How does a supernatural God do business in a natural world? Why has the body of Christ been so slow to come to grips with the Spirit's power and presence? In One Holy Fire the renowned author of the phenomenal Christian classic Run Baby Run introduces readers to the Holy Spirit. He challenges them to live according to the Spirit's moment-by-moment guidance. And he inspires them to open their heart and let the Spirit ignite their soul.; ['Religion'], "

"Hudson River Bracketed; This early work by Edith Wharton was originally published in 1929 and we are now republishing it with a brand new introductory biography. 'Hudson River Bracketed' is a novel about a brilliant woman Halo Spear and an uneducated man Vance Weston who form a deep bond through literature. Edith Wharton was born in New York City in 1862. Wharton's first poems were published in Scribner's Magazine. In 1891 the same publication printed the first of her many short stories titled 'Mrs. Manstey's View'. Over the next four decades they - along with other well-established American publications such as Atlantic Monthly Century Magazine Harper's and Lippincott's - regularly published her work.; ['Fiction'], "

"Recipes From a Kitchen Garden Volume Two; There are few things more rewarding than sitting down to enjoy a delicious meal made with fruits vegetables eggs or honey harvested right outside your back door. This gorgeous kitchen gardening cookbook is filled with simple and inspiring recipes as well as practical useful information for anyone interested in growing the foods they love to eat. There are few things more rewarding than sitting down to enjoy a delicious meal made with fruits vegetables eggs or honey harvested right outside your back door. This gorgeous cookbook is filled with inspiring recipes as well as practical information for anyone interested in growing the foods they love to eat. Little can match the pleasure of sitting down for a meal at a table laden with fruits vegetables or herbs from your own garden along with eggs and honey from hand-raised chickens and bees. Whether you are an avid gardener with raised beds and a flock of chickens; grow a few herbs in pots on the kitchen windowsill; or purchase your seasonal ingredients from local farmers' markets you'll find fresh ideas for cooking and gardening inside these pages. With a focus on the "greatest hits" of a classic edible plot-tomatoes carrots zucchini and berries to name a few—author Jeanne Kelley guides you through the seasons of the garden and shows you how to plan and plant more than 40 different types of herbs vegetables and fruits and to ensure that they thrive. For the more ambitious Jeanne also gives tips and advice on raising chickens and keeping bees in your own backyard. But this book is about much more than planting a kitchen garden and cultivating wholesome food at home. More than 100 easy-to-prepare recipes make use of this bounty from fresh peach ice cream to shaved zucchini salad with almonds; cherry tomato and thyme frittata to honey-drizzled baked feta with anise and mint. Jeanne's

collection of irresistible dishes showcases the natural flavors of just-picked ingredients and provides plenty of inspiration for making the most of any homegrown harvest. The Kitchen Garden Cookbook also features lavish photography and charming illustrations that take you on a tour of Jeanne's garden and urban homestead and bring to life many of the beautiful dishes you can create from your produce. For home cooks and vegetable gardeners alike this book is the go-to guide for anyone looking to connect the virtues of the homegrown and homemade to your everyday table.; ['Cooking'], "

"The United States Marines: A History; While the focus of this history is on the big wars it doesn't slight events in between among them the humanitarian missions that have helped define the Corps. Nor does it neglect the intermittent but never-ending fight for the Corps's survival at home where it faces periodic challenges from the Army Navy Air Force and on occasion unfriendly presidents.; ['History'], "

"The Hunting Party; THE NEW YORK TIMES BESTSELLER "My favorite kind of whodunit kept me guessing all the way through and reminiscent of Agatha Christie at her best -- with an extra dose of acid." -- Alex Michaelides author of the #1 New York Times bestseller The Silent Patient Everyone's invited...everyone's a suspect... During the languid days of the Christmas break a group of thirtysomething friends from Oxford meet to welcome in the New Year together a tradition they began as students ten years ago. For this vacation they've chosen an idyllic and isolated estate in the Scottish Highlands--the perfect place to get away and unwind by themselves. The trip begins innocently enough: admiring the stunning if foreboding scenery champagne in front of a crackling fire and reminiscences about the past. But after a decade the weight of secret resentments has grown too heavy for the group's tenuous nostalgia to bear. Amid the boisterous revelry of New Year's Eve the cord holding them together snaps just as a historic blizzard seals the lodge off from the outside world. Two days later on New Year's Day one of them is dead. . . and another of them did it. Keep your friends close the old adage says. But how close is too close? DON'T BE LEFT OUT. JOIN THE PARTY NOW.; ['Fiction'], "

"The Wyndham Legacy (Legacy Series); A reluctant earl matches wits with an illegitimate heiress in the first novel of the Legacy Trilogy by #1 New York Times bestselling author Catherine Coulter. Marcus Wynham is passionate quick to rage and just as quick to laughter. He's tough opinionated domineering and known as the devil's own son. Josephina

Cochrain is serene and aloof wearing her nickname—"the Duchess"—as proudly as if she were truly born for the title. Always in control her smiles are as rare as bawdy jests in the pulpit. She is self-reliant once she realizes that a very special talent can make her so a talent that will take everyone by surprise.... Marcus never asked to become the Earl of Chase. The Duchess never asked to inherit her father's fortune. And neither of them asked for their fates to become so inextricably intertwined....; ['Fiction'], "

"The Woman in the Alcove; When a New York high society party ends in murder a young woman must clear her new fiancé's name in this 1905 mystery by a detective fiction pioneer. Having grown up an orphan Miss Rita Van Arsdale never expected a life of glamour and romance. But when she is invited to an elegant party—she finds herself surrounded by New York City's crème de la crème—and falling in love with dashingly handsome Anson Durand. Rita's life later takes a turn when Anson proposes marriage . . . but the evening has more surprises in store. A beautiful woman has been murdered and her spectacular diamond has disappeared. When Anson is named the prime suspect Rita is determined to prove his innocence. But there are dark secrets lurking beneath the sparkling veneer of New York's high society and some are willing to do anything to keep them hidden.; ['Fiction'], "

"The Jesus Prayer; ""To pronounce the name of Jesus in a holy way is an all-sufficient and surpassing aim for any human life...We are to call to mind Jesus Christ as until the name of the Lord penetrates our heart descends to its very depths...The Name of Jesus once it has become the center of our life brings everything together." So writes the ""Monk of the Eastern Church"" in the course of the present work. To those who wonder how such claims can be advanced on behalf of the Jesus Prayer and how it is that this particular way of praying continues to appeal so powerfully to contemporary Christians Eastern and Western Orthodox and non-Orthodox this short book provides an answer. Starting with the veneration of the Holy Name in the Old and the New Testament the author traces the gradual development of the Jesus Prayer first in Byzantium and then in the Slav lands. He concludes with practical suggestions for its use today showing how it is a prayer not only of the past but equally for the twentieth century. Indeed there are good reasons to believe that the ""way of the name"" as he calls it is being followed by more Christians in our own day than ever before - a striking sign of hope in an age of anxiety. Simple yet profound this book reveals to us the secret of the continuing attraction exercised by the Jesus Prayer. Since its first appearance some thirty-five years ago it has become a minor ""classic"" of the spiritual life and it still remains the best introduction to the subject"--; ['Religion'], "

"The Planiverse: Computer Contact with a Two-Dimensional World; A classic book about life in a two-dimensional universe written by a well-known author. "Why Read Marx Today?; 'All too often Karl Marx has been regarded as a demon or a deity - or a busted flush. This fresh provocative and hugely enjoyable book explains why for all his shortcomings his critique of modern society remains forcefully relevant even in the twenty-first century.' Francis Wheen author of Karl Marx In recent years we could be forgiven for assuming that Marx has nothing left to say to us. Marxist regimes have failed miserably and with them it seemed all reason to take Marx seriously. The fall of the Berlin Wall had enormous symbolic resonance: it was taken to be the fall of Marx as well as of Marxist politics and economics. This timely book argues that we can detach Marx the critic of current society from Marx the prophet of future society and that he remains the most impressive critic we have of liberal capitalist bourgeois society. It also shows that the value of the 'great thinkers' does not depend on their views being true but on other features such as their originality insight and systematic vision. On this account too Marx still richly deserves to be read.; ['Political Science'],"

"Heart Jewel: The Essential Practices of Kadampa Buddhism; In Heart Jewel Geshe Kelsang presents two essential practices of Kadampa Buddhism the popular Mahayana Buddhist tradition that derives from the renowned Tibetan teacher Je Tsongkhapa. The first practice is relying upon a Spiritual Guide which lays the foundation for gaining all the blessings and realizations of the paths to liberation and enlightenment. The second practice is relying upon and enlightened Dharma Protector whereby we can swiftly overcome all obstacles to our spiritual practice and create favourable conditions for developing and increasing pure Dharma realizations. An invaluable introduction to the profound and dynamic tradition of Kadampa buddhism.; ['Bka'-gdams-pa (Sect)'],"

"Remembrance of things past; Proust is the twentieth century's Dante presenting us with a unique unsettling picture of ourselves as jealous lovers and unmitigated snobs frittering our lives away with only the hope of art as a possible salvation.; ['Fiction'], "

"79 park Avenue; Det finns män som Maryann Flood aldrig kommer att glömma. Men desto fler som hon inte kommer ihåg. Men några av de som gjort djupast avtryck är styvfadern som slängde ut henne på gatan tvingade in henne i ett tufft liv av fattigdom och prostitution. Sedan kom miljonären som var villig att betala vilket pris som helst för henne den billiga gatflickan ur slummen. Och hennes liv blev inte lättare av åklagaren som ville dra henne inför rätta. Maryann hade kämpat sig upp från livet som gatflicka till att bli en framgångsrik affärskvinna. Problemet var att hennes affärsverksamhet i själva verket var en exklusiv eskortservicen där hon leasade ut lyxiga prostituerade till högst betalande. På så sätt har åklagaren inte fel när han vill sätta dit henne. Men det finns något Maryann kan hålla emot honom: han är djupt förälskad i henne ... Harold Robbins (1916-1997) var en amerikansk romanförfattare som växte upp i New Yorks slum. Hans böcker har översatts till 30 språk och sålts i cirka 750 miljoner exemplar. Flera av hans böcker har filmatiserats i Hollywood och han har en stjärna på Hollywood Walk of Fame.; ['Fiction'], "

"Peloponnesian War (Warfare and History); The range and extent of the Peloponnesian War of the fifth century BC has led to it being described as a 'world war' in miniature. With the struggle between Athens and Sparta at its core the twenty-seven-year conflict drew in states from all points of the compass; from Byzantium in the north Crete in the south Asia Minor in the east and Sicily in the west. Since Thucydides described the war as 'the greatest disturbance to befall the Greeks' numerous studies have been made of individual episodes and topics. This authoritative work is the first single-volume study of the entire war to be published in over seventy-five years. Lazenby avoids the tendency of allowing historiography to obscure the analysis and while paying due attention to detail also looks at the fundamental questions of warfare raised by the conflict. Within a narrative framework Lazenby concentrates on the fighting itself and examining the way in which both strategy and tactics developed as the conflict spread. Not afraid to challenge accepted views he assesses the war as a military rather than a political endeavour evaluating issues such as the advantages and limitations of sea power. A readable and clear survey this text offers a balanced discussion of controversial themes and will appeal to ancient historians classicists and all those who are interested in military history.; ['History'], "

"Breaking Out: A Woman's Guide to Coping with Acne at Any Age; An essential and comprehensive guide to acne for women of all ages Acne is no longer just a teenage affliction. In fact dermatologists often refer

to it as a woman's disease and drugstore shelves are filled with acne products specifically geared toward adult women. But how do you choose from the overwhelming selection of treatments? Which products are appropriate to use as you grow older become pregnant or enter menopause? How can you work with a dermatologist to get the most out of prescription acne medications? Lydia Preston answers all of these questions and more with up-to-date information drawn from her years of reporting on dermatology as well as her own long personal experience with acne. In Breaking Out she shares the wisdom of dozens of doctors and scientists who have devoted their careers to studying and treating acne including: Guidelines for buying and using over-the-counter products Treatment for acne scars Emergency acne remedies and camouflage tips Alternative treatments including herbal remedies acupuncture dietary approaches and ways to unlock the mind-skin connection No one has to live with acne or its consequences. Breaking Out is an invaluable guide to understanding and combating acne that women of all ages can turn to with confidence.; ['Health & Fitness'], "

"Downtown: A novel; New York Times Bestselling Author Chuck Klosterman's First Novel Somewhere in North Dakota there is a town called Owl that isn't there. Disco is over but punk never happened. They don't have cable. They don't really have pop culture unless you count grain prices and alcoholism. People work hard and then they die. They hate the government and impregnate teenage girls. But that's not nearly as awful as it sounds; in fact sometimes it's perfect. Mitch Hrlicka lives in Owl. He plays high school football and worries about his weirdness or lack thereof. Julia Rabia just moved to Owl. She gets free booze and falls in love with a self-loathing bison farmer who listens to Goats Head Soup. Horace Jones has resided in Owl for seventy-three years. He consumes a lot of coffee thinks about his dead wife and understands the truth. They all know each other completely except that they've never met. Like a colder Reagan-era version of The Last Picture Show fused with Friday Night Lights Chuck Klosterman's Downtown Owl is the unpretentious darkly comedic story of how it feels to exist in a community where rural mythology and violent reality are pretty much the same thing. Loaded with detail and unified by a (very real) blizzard it's technically about certain people in a certain place at a certain time...but it's really about a problem. And the problem is this: What does it mean to be a normal person? And there is no answer. But in Downtown Owl what matters more is how you ask the question.; ['Fiction'], "

"Tales of a Country Cop in Africa; ""A fascinating peek inside the mind of one seeking to rescue the world from its own insanity." Following a career in domestic law enforcement the author traveled to Liberia in West Africa to run US Embassy diplomatic security operations. Before he could get his bearings he found himself engulfed in bloody civil war in Liberia that exposed him to horrors that would stretch the boundaries of believability to the limits. His struggles to adapt and survive the revolution in Liberia and the two that awaited him in Gambia and Sierra Leone altered the way he viewed the world forever. He shares that evolution of perspective in this memoir with incredible imagery and thought-provoking detail and analysis.; ['Biography & Autobiography'], "

"Dictionary of American Slang; Originally published in 1960 The Dictionary of American Slang is widely regarded as the standard in its field. Expanded and completely updated this third edition contains more than 19000 terms of representing the variety and vigor of American slang from the most widely acceptable to the taboo and covering all periods of American history -- from the gypsies soldiers railroad workers and cowboys of the 19th century to more modern spawning grounds such as the rock 'n' roll world the corporate sector African-Americans gays and lesbians and many more. Intimately connected with the fringes of our culture and responding with vigilance to new developments in technology slang is the fastest changing part of our language. This new edition considers the subcultures that have emerged in the wake of the past decade's technological and communication advances including the advent of computer usage at home and in the workplace and the explosion of the Internet and the World Wide Web. With more than 2000 new terms the Lexicon of the '90s is recorded here in definitive detail. Like previous editions this edition features pronunciation guides word origins examples of appropriate usage as well as a helpful highlighting system that lets you know which terms should be used with caution and never in polite company. Both as important archive of the way America is really talking and a lot of fun to read The Dictionary of American Slang will prove to be an invaluable companion in keeping up with the dauntingly jargon-filled quickly evolving language of today.; ['Reference'], "
